Huge Post Office One of Five Major Projects in Nation

GIANT NEW POST OFFICE for Hicksville will provide nearly three acres of gross area, house facilities now spread over three locations.

Our DECA Chapter Rates Best in State

HICKSVILLE CHAPTER of the Distributive Education Clubs of America was cited as "the chapter of the year" at the New York State Leadership Conference at Kamesha Lake this week. Thirteen prizes were won by Hicksville High School students individually or collectively as a club. Proudly displaying trophies are FRONT ROW, from left, Peggy Moldevyk, Judy Goodman who won first place in both Merchandise Manual and a study on Specialty Stores Rita Jankecy, and Doreen West, first place in study on Food Stores. REAR ROW: Robert McNally, Display Diorama; Maureen Hanifan, first in Public

Speaking, second in Dept. Store Study and Honorable Mention as Student of the Year as well as unanimous election as State Historian, first Hicksville student to attain this office; Marge Walukans, Carole Silver and Diane Wassmer. Students from all over the state participated. They attended workshops conducted by leading businessmen and educators from the northeastern section of the Nation. School Superintendent Donald F. Abt expressed his admiration of the DECA Chapter members upon their achievements Wednesday.

Marianne Kutner Alumni Leader

Marianne Kutner is the new president of the Hicksville High School Alumni Association. The Association will hold its 7th Spring Dance at the Holiday Manor, Bethpage, on May 13, and tickets are now available. Other officers elected on Monday, March 14, at the Senior High were: James Fyfe, vice president; Conrad Weyer, treasurer; Etta Cramer, corresponding secretary; Lorraine Kerwin, recording secretary; Howard Finnegan, membership secretary.

JWV Mails Memorial Day Invitations

The Memorial Day Committee of the Hicksville Veterans' Organizations has recently mailed invitations to the various groups and organizations in Hicksville to participate in the annual Memorial Day Parade and Services.

If any organization has not received an invitation, please be assured that it was through an oversight. Any organization that did not receive an invitation and wishes to participate, should contact: Alex Kriegel, Chairman, 75 Spruce St., Hicksville.

Call for Bids in Month On New Postal Facility

The U.S. Post Office Dept. plans to invite bids, within the month, for the construction of a major postal facility on government property on West John St. at Barclay St., Hicksville, it was learned yesterday. The local project, one of five major installations in the nation contemplated for the fiscal year 1966, will be second in size only to a facility planned for Phoenix, Arizona.

The other project listed at this time are Las Vegas, Nevada; Binghamton, N.Y. and Santa Ana, Calif.

The Phoenix facility will embrace 231,170 square feet of gross area in the main building. Hicksville will utilize 125,993 square feet or 2.9 acres. The other locations are 120,781 square feet at Binghamton, 85,906 at Santa Ana and 64,221 at Las Vegas.

However, the landscaped area at the site will be the smallest in Hicksville, only 6,235 square feet compared with 45,000 at Phoenix and 11,000 at Las Vegas. The Hicksville and Phoenix structures will be two stories high; the others are one story. No costs estimates were stated in the announcement. The Post Office Dept. will advertise for bids for the Hicksville facility about April 15, it was disclosed.

Announcing preliminary bidding information, Assistant Postmaster General Tyler Abell said in Washington: "These offices will be major factors in modernizing our postal plant." The offices will provide all customer services and generally will serve as sectional centers for centralized distribution of mail to many associate offices in the geographical area. Maintenance facilities for postal vehicles will be provided in all locations except Hicksville. Modern mechanical mail handling equipment to be owned by the government will be installed under separate contracts in the Binghamton, Hicksville and Phoenix facilities.

The bids will call for construction and lease, at Hicksville, for a 20-year basic term with six

five year renewal options.

Additional information for bidders is available at the Regional Office, Main Post Office Building, New York, N.Y. 10098, for the Hicksville and Binghamton projects; or from Dennis A. Jensen, director of Realty Division, Bureau of Facilities, Post Office Dept., Washington, D.C. 20260.

The Hicksville building is described in the preliminary announcement as a two-story reinforced concrete building with basement and mezzanine floors, utilizing flat slab construction. The site consists of 203,381 square feet of "prime industrial land" at the southwest corner of W. John St. and Barclay St.

Meet Mar. 24

The Hicksville Board of Education will hold its second meeting in its new conference meeting room in the administration building on Division Ave. on Thursday night, Mar. 24, at 8:15 P.M. The first session was held there last Friday night and spectators were impressed with the excellence of the public address system (trustees and others at the Board table use individual microphones) and the general comfort and arrangements.

The Board will hold a special meeting on Friday night Mar. 25 in the student cafeteria of the senior high school to discuss the AFR report with Dr. John Flanagan. The session may, if necessary, be continued on Saturday morning, Mar. 26.

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

BEHIND THE SCENES

Some of the best moments with the girls go on when we're not in public. For instance, those midnight capers. One of our members had the pleasure of being chased around a motel by one of our chaperones. It appears that she was running around with ice cubes in her bathrobe, calling upon her training she made a quick right turn on the next right foot and visited a nearby room. Luckily it was one of ours (whew!). After losing the chaperone she doubled back to her room to empty the icy merchandise on the bed which happened to be occupied by another

Cadet. On one bright August day last summer, sixty girls could be found making a caravan along the Clearview Expressway with boots, uniforms, pocketbooks, drums, horns, and flags from one bus to another. Now, what were we up to? Well you see...On our way down from Bridgeport, one of our buses suddenly got a flat. We traveled from gas station to gas station trying to get it fixed, and at each one we left the man stunned with wonder. Finally we found someone able to take off the tire. As we were waiting, we invaded a delicatessen in

Discuss Budget

The Hicksville Public Library Association will hold a general meeting on Monday, March 21st at 8:15 PM in the new auditorium at the library, it has been announced by John C. Anderson, President. The Library Director and members of the Board of Trustees will meet with the members to discuss the proposed library budget.

The little town and scared the little elderly lady who owned it. One of our chaperones went behind the counter to help her out and in a jiffy we were all chomping on sandwiches (with bologna strings included). Since the back of the bus still had three tires, we were able to continue on to meet the other bus, which the company was sending out to our rescue. And so we had our little trek down the grass of the expressway. With all the girls and equipment loaded on the buses, we were off for Smithtown and another contest.

Not all the excitement is behind the scenes, however, for once we staged an exciting relay race right down the side of the competing field! The corps competing before us had borrowed a horn and flag and to bridge the gap between the starting and finish lines (the length of a football field), four fathers lined up strategically along the track. As the other corps finished, the number one man swiftly grabbed the equipment and ran down field to number two, who in turn raced off to number three. By now the crowds noticed what was going on and roared with laughter. As number three gave them to number four, they cheered. Number four rushed toward the grinning girls on the starting line and handed over the horn and flag, completing a record-breaking track meet. Generally, at the start of a contest we are tense, but after this hilarious episode, we were broken up with laughter.

Individual contests too have been a source of great fun, but only in looking back. No one will ever forget our first one. Tears and angry words were plentiful, after all how could she cue the quartet to play when the bugles weren't up yet! And then the solo who played a medley of songs, not on purpose of course, it just turned out that way.

You see if there's one thing we have it's variety. We come in all shapes and sizes, each with her own personality. But there's one thing we all have in common and that's our quality. All of us are of the best grade and need only your "Good Townkeeping" seal of approval.

Congratulations to Peggy Hal-

Dear Lynda

The Buckin' Lodge, Order of the Arrow, a national honor camper society affiliated with the Boy Scouts of America has 87 active members living in Hicksville. KENNETH WESTERBERG is Lodge Chief.....Mrs ERIC ERICSON of Hicksville is on the hostess committee for the first annual fashion show for the benefit of the Nassau Division, American Cancer Society, next Tuesday at the Capri Beach Club, Atlantic Beach. It will be well worth the one dollar admission to attend the Band Concert at Hicksville High this Friday night, Mar 18, at the Senior High School. Student admissions are 50 cents. ROBERT WOOD of 1 Blvd Dr., Hicksville, was recently awarded \$12,500 by a Supreme Court jury in a malpractice suit against a doctor who first treated his right-hand middle finger for an infection. The finger was amputated five years ago. Wood is a draftsman....

We were distressed to learn this week that MARY KELLY is still waiting for that painting job on the front hallway by her talented husband. Meanwhile, the ceiling is peeling while Ed is healing (he lost part of a finger).....The news is so thin these days that a certain publication has found it necessary to complain about the District Clerk once again..... School Superintendent DONALD F. APT missed the school board meeting in its new conference room, Friday night. He was confined to his home due to illness. Commented one spectator upon the special seating provided: "Those seats are so hard". School trustees were a little shy about using their new individual microphones which are intended to make their remarks for the record clearer and more audible..... SUSAN WILLIAMSON, daughter of Ernest Williamson of 6 Dikeman Court, Hicksville, will be on the honor roll at Lincoln Christian College, Lincoln, IL, for a six week period..... A Scholarship Meeting was scheduled for Monday, Mar 14, at the home of Trustee CALEB HORNBOSTEL at 106 Dean St., Hicksville. This is an advisory committee of THE Board of Education.....

The asphalt paving on Jerusalem Ave., put down just prior to a recent county election, is apparently coming apart in large chunks. Winter officially ends this weekend but don't put the heavy clothing away just yet.

The Hicksville Board of Fire Commissioners will hold an inspection and installation dinner of the fire dept. at the Old Country Manor on Saturday night, April 16 at 7:30 P.M.....The need to have talented youths prepare for a vocation in science was stressed by guest speakers of the N.Y. Telephone Co. at the Hicksville Kiwanis luncheon last week.....We notice that tall steel tower, which looked like an oil rig, has been removed from the intersection of Old Country Rd. and South Oyster Bay. It was set up as part of a high altitude survey of the Island by national authorities..... An official of TEACH says several candidates for the school board are under consideration with no names disclosed..... LE-LAND BADLER is scheduled for a second term as president of the Chamber of Commerce.....

cott who did it again! She took first place playing "Stardust" at St. Joseph Patron's individual contest in Brooklyn on March 12. In the good old spirit of "Erin-Go-Bragh", both the Senior and Junior corps of St. Ignatius proudly marched down the green line in Hempstead, Sunday.

HUDSON ST. LIGHT

Councilman A. Carl Grunewald reports that the Town Board has approved the installation of an overhead street light on Hudson Street, Hicksville. The Board also approved three lights on New South Road.

The FLANAGAN REPORT

To the Editor:

The enclosed copy of a letter to Herbert H. Johnson, president of the Hicksville Board of Education, is for publication. ERNEST McCLAIN

Dear Mr. Johnson:

I wish to congratulate you and the entire board of education for the role you played in the Flanagan report. In general that

report is a brilliant analysis of the strengths and weaknesses of our school system and, especially in the five reports included in Appendix 5, it provides important guidelines for improvement. When you have had time to study the full report thoroughly I hope you will declare unequivocally your support for its recommendations. Most of the further action required lies mainly in the province of administrators and teachers who will need up to two or three years to carry out all of the changes proposed.

With the Flanagan report you are providing our professional staff with the clearest and strongest statements possible about what we should expect from them in the near future. Since many of them played an important role in the investigations which went into the report there is every reason to believe that its recommendations will be followed in-

Robert J. Thoma, son of Mr. and Mrs. Robert Thoma, 349 Nicholas St., Hicksville, has been initiated into the Gamma Phi chapter of Alpha Sigma Phi fraternity at Findlay (Ohio) College. A sophomore, Robert is majoring in physical education with a minor in biology. He is a graduate of Hicksville High School.

Town Supervisor Michael Pettio will be guest speaker at the Hicksville Kiwanis luncheon meeting on Mar 23.

We have arrived, I believe, at an auspicious moment for building a better school system. In time to come you and your fellow board members may look back upon this report as one of your most significant contributions to the community.

RECREATION ON THE TOWN LEVEL got a boost when James Arvanitis of Farmingdale took over his new duties as town recreation director last week. At right is Councilman A. Carl Grunewald of Hicksville. Plans are going forward for recreational activities at any age, day or any hour, wherever there develops sufficient participation support, officials said.

Offer Musical Show in May

The annual musical which highlights the yearly productions at Hicksville High School is to be "Finian's Rainbow". Work has already begun. The job of picking cast and crew for the show was a hard one; "but" says the director, Joseph Crucilla, "our audience in May will applaud, I feel confident even at this early date, the uncanny wedding in this inspired cast of musical sense and dramatic know-how."

John McClain, a sophomore, has the leading role as Woody. Pete Orton, who is well known on the Hicksville stage, will play the part of Finian. Og will be played by Robert Hendrickson. The leading female parts are to be portrayed by Amy Brill, as Susie, and Beverly Kaye as Sharon.

While Finian's Rainbow is being performed in May the audience will see only half of the team it takes to put on a stage production. Behind the scenes are as many if not more people as in front. Student directing

will be done by Pat Holden. Stage manager and assistant stage manager are Jeff Allen and Jim Genovese respectively. The heads of the several crews are as follows: Construction - Steve Zanville, Lighting - Sal Bracco, Sound - Martin Curley, Props - Ellen Lehman, Costumes - Karin Carlson, Make-up - Chris Chwalisz, Secretarial - Barbara Ganley, and Publicity - Sandy Weinstein and Fran Pinter.

Finian's Rainbow will run for four nights, May 11, 12, 13, and 14. Tickets will go on sale at the High School a week before.

is unfair to organized competition.

And if Wide-Track styling doesn't prove it for you, take a look at the way we're outselling all but two makes for the sixth straight year. Or take a look inside one of our 40 Pontiacs. You'll find carpeting, genuine walnut and all the roominess Pontiac is known for. Or peek at one

of the 15 renowned Pontiac engines. And if you're still hard to convince, take a look at what that price sticker does to those other cars. It's a conspiracy, that's what it is. And more people have been taking part in it than ever. How about you?

In The Wind

By Dan Carroll

We were passing by the intersection of Jerusalem and Broadway the other day and saw a diner being hauled away from the spot where it has been for the past 20 years. Upon closer inspection we found that the diner came in two parts - one part leaving on one truck, and a smaller wing on another. Howard Mc Kay, a foreman of the operation, said they were taking the old diner upstate. A new Paramount Diner is supposed to take its place in a couple of weeks according to a spokesman for the Karakalis Restaurant Corp. The new diner will be about twelve feet longer and will be keeping pace with the ever-expanding, ever-modernizing trend of Hicksville.

It must be some kind of fever. If you aren't tearing down your store or putting up a new one, you're then remodeling your old one. The girls of the Claremont Secretarial School have been very happy for many years going across the street to Nan's Coffee Shop for their lunch and snacks. Suddenly they decide they want pretty blue walls in the place. So, following the dictates of their wishes, proprietor Neal O'Doherty starts painting his walls pretty blue. Then they want tables and cabinets moved around, then... Anyway, Nan's Coffee Shop is really looking sharp. They're right next to the Post Office-Stop in and say hello to Neal and Nan!

Of all the new stores opening in Hicksville, one stands out by offering the biggest high-quality bargains in men's and women's apparel. Dave Errante and Bob Lucchesi of Leatherama, opening this week, will be dealing in top quality suede and leather products for jackets and

coats. The two owners have previously been in the manufacturing end of the business in Manhattan for several years, and now will be offering these products directly to the people of our area. Besides jackets and coats, we'll also get in on terrific bargains in both men's and women's shirts, blouses, pants and slacks, everything in discount...everything is quality...everything is a bargain. Be sure to stop in and see Dave and Bob. Leatherama is located in the new group of stores across from Grumman at 958 South Broadway.

Next door to Leatherama, Tony and Teddy DeBonis have just opened a very luxurious five-chair barber shop. Modern is the word for the place, from the soft comfortable chairs to the beautiful wood paneling. The brothers, experts in hair cutting, have been a tremendous success in the few short days since they opened.

Two weeks ago Jackie Heberer, daughter of Rudy Bouse, was involved in a serious automobile accident on Bethpage Road. This week she arrives home from Syosset Hospital and will be staying at her father's for a while. We all wish her a very speedy recovery.

ALL AROUND TOWN

The upper Room, a Lentendrama of the Last Supper and Crucifixion of Christ, will be presented on March 27 at Our Lady of Mercy School Auditorium on South Oyster Bay Road, Hicksville.

Presented by The Benson Players of Riverdale, there will be two performances of the 1 1/2 hour play. An afternoon showing will begin at 4:00 the evening performance, at 8:00.

Romney, Rocky Coming on May 23

Governor Nelson Rockefeller and Governor George Romney of Michigan will be the guests of honor at the annual \$100-a-plate dinner of the Nassau County Republican Committee, to be held on Monday, May 23rd at the Garden City Hotel, announced State Senator Edward J. Speno, Nassau County Republican Chairman.
