Request Details On Savings

The Town Board has used its powers under the Suburban Town Law to request Supervisor Michael Petito report in detail the "substantial savings" he said would accrue to the Town as a result of procedural changes governing the use of Town vehicles.

Town Board Majority Leader Edward J. Paulos said the Board has requested the Supervisor to make the report or reports available to the Board by April 12. "We assume that the Supervisor has these reports available now since he has projected savings of \$200,000 over the next five years and advised us of an additional savings of \$40,000 annually which would be realized through revisions in the use of Town-owned vehicles. We merely want to see the Supervisor's report so that we can act intelligently and responsibly on his suggestions."

The Suburban Town Law, Section 51, sub-division 3, gives the Town Board the authority to request and receive reports from the Supervisor.

The resolution adopted by the Board in requesting the report included the following items:

1) Reports and statistics upon which the Supervisor bases the projected savings of \$200,000 over the next five (5) years and in addition to that an additional savings of \$40,000 per year would result to the Town.

2) Reports and statistics upon which the Supervisor concluded

that at least fifteen (15) of the cars and station wagons now owned by the Town are unnecessary and should be auctioned.

3) If Town-owned vehicles are to be left "within the Town car pool at the Town garages or stops at the end of the work day", what appropriate and necessary steps have been taken to assure that adequate provisions have been made for garaging and protection of the aid vehicles.

4) The reasons and basis used by the Supervisor in his recommended list of individuals who should be assigned Town vehicles on a permanent basis.

Work Clothing For Town Employees

The Oyster Bay Town Board, has unanimously approved a two-year contract for the supply of protective work clothing to employees in six departments at a bid price of \$74,075.

The contract was awarded to New York Cleaners Industries of Brooklyn. It will include clothing and linen service, laundry and dry cleaning of the items during the contract period.

The service will be given to the Beach and Parks Departments for first aid, park and pool attendants, highway crews, sanitary truck drivers and handlers, dog warden attendants and building custodial employees. Purchasing Director James E. Baker received bids and recommended an award to the lowest responsible bidder.

Towl Main Speaker

Congressman Lester L. Wolff today announced that E. Clinton Towl, President of the Grumman Aircraft Engineering Corp. Bethpage, will be the main speaker at the Industrial Procurement and Business opportunity workshop which will take place on April 29, at the Sky Club, Garden City.

To Plant Pines

Public Works Commissioner Herbert J. Simins announces that he has submitted plans and specifications for the planting of 503 Japanese Black Pines around Storm Water Basin #128 on the northwest side of Duffy's Avenue and the west side of Charlotte Ave., Hicksville. The plans are expected to be approved by the Board of Supervisors at its April 11 meeting.

The estimated cost is \$21,126. Planting will get under way within a few weeks.

No One Filed Four Candidates For School Board

With a little less than two weeks remaining until the deadline as prescribed by law for the filing of candidate petitions for vacancies on the Hicksville School Board, four candidates have been officially disclosed. There are four seats on the seven-man Board open on May 4.

Cornelius McCormack will be a candidate for re-election. He is a resident of Boxwood Lane. John McManus of Lehigh Lane, appointed to the Board this year when James Anderson moved out of the district and resigned, will seek election.

Official candidates of TEACH will be Evelyn Silver of Thimble Lane and Harry Kershen of Boxwood Lane.

Joseph McCarthy, whose five-year term as a trustee of the Hicksville Public Library expires, will seek re-election.

Irving Lawrence, whose first term as a member of the school board expires on June 30, is not expected to seek re-election since he is moving out of the district. Herbert H. Johnson, currently president of the Board completing his third three-year term, has made it plain that he will not be a candidate.

Meanwhile, the Parents and Residents for Better Education association, led by James G. Trimble a president, came out with a six-page flyer which appeared to be an opener for the Trimble-Florence Infantino election campaign.

4 Seek Third Chief Position

There will be a four-way race for third assistant chief of the Hicksville Fire Dept. when the annual election is held this Thursday, April 7.

The candidates are Martin Dolan, Louis Red Mertz, Bob Hammond and James Taxter for third assistant.

Unopposed are Constantine Gus Cosonas, first assistant, for chief; Clifford Davids, second assistant; for first assistant; and Melvin Voorhies, third assistant, for second assistant.

Annual Musical Month Away

There is a month to go till Hicksville High School will present its annual musical. This year's selection, "FINIAN'S RAINBOW" promises to live up to the Hicksville tradition.

The musical will be coordinated from three sections: singer-actors, chorus, and orchestra. The tedious blocking has begun, and the actors and actresses are now smoothing out the rough spots.

The orchestra, which is made up of Hicksville High's finest musicians has met nearly every day after school for several weeks. They have mastered the music, and shall soon join the cast for rehearsals.

"FINIAN'S RAINBOW" will open on May 11 and will run till May 14. Tickets will go on sale a week before at the ticket booth in the Senior high school.

Triple Registration Days For Permanent Enrollment

Voters of Hicksville School District will have no less than nine days -- more than triple the time provided in recent years -- to register "permanently" for voting on school and library budgets and for trustees.

The voting takes place on Wednesday, May 4, from 11 AM to 10 PM at seven district schools.

The extended registration period has been established by the School Board partially because permanent registration of school voters has become effective, by resolution of the Board and amendment of the state law.

Because a new type of registration record will be utilized, registrars will be engaged for several days in preparing the registers at the new Administration Building of the District on Division Ave.

Registration will be held, according to District Clerk Fred J.

Noeth, from 10 AM to 4:30 PM at the administration building on Apr. 20, 21, 22, 25, 26, 28 and 29 -- a total of seven days.

In addition, there will be registrations at the seven schools used for voting (Burns, East St., Woodland Ave., Lee Ave., Fork Lane, Dutch Lane and Old Country Rd.) on Saturday, Apr. 23, from 10 AM to 5 PM and Wednesday, Apr. 27 from 4 PM to 10 PM.

In addition to voting upon the School District and Library Budgets on May 4, the electors will fill four vacancies on the Board of Education and one vacancy on the Board of Trustees of the Free Public Library.

The school board will hold a public hearing upon the proposed 1966-67 District budget at the Senior High School on Friday night, April 22, starting at 8:15 PM, according to President Herbert H. Johnson.

Thank Steuben Society for Gift

The Nautical Cadet Battalion of the Hicksville Police Boys Club would like to publicly thank the Steuben Society for its most generous gift. Pres. Joseph Wiedman, first Vice Pres. George Olenback, and Rec. Sec. John Braun were kind enough to present to the Nautical Cadet Band a beautiful Bell Lyre. This instrument was presented to Drum Major Robert Windhorst.

The Rev. Andrew Connolly, Principal of the new Diocesan High School in Hicksville, Holy Trinity, was the guest speaker at the March meeting of the St. Ignatius Auxiliary of Christian Mothers. Father Connolly spoke on the aims of Catholic school education and in particular, his own concept of that education as it will be given in Holy Trinity High School. Catholic School education aims at educating the whole person, body and soul, and results in a difference in one's outlook on life, with all aspects of God's revelations considered, he said, instilling the desire to serve

God and mankind with complete personal development of the individual is the achievement most desired by the Catholic educator. Father Connolly expects to eventually have a student enrollment of 2400 in Holy Trinity and stressed the need of recognition of the unique single individual and his personal growth.

Mrs. Joseph Flecker, President of the Auxiliary, announced that Mrs. Madeline Keller is the General Chairlady of the Committee of Volunteer Workers and listed the committee heads as follows: Mrs. Lawrence McCaffrey, Lee Ave. District; Mrs. Ann Caldwell, Old Country Road School; Mrs. Florence Clemens, Burns Ave. School; Mrs. Virginia Van Nostrand, East St. District; Mrs. Mary Greco, Bethpage and Levittown District and Mrs. McDermott, Woodland Ave. District. They are: Mrs. Donald Brown, President; Mrs. Paul Jones, Vice President; Mrs. Gerard O'Connell, Recording Secretary; Mrs. Edward Korn, Corresponding Secretary; and Mrs. J. David Millford, Treasurer.

Sister M. Venard, O.P., Principal, announced the purchase of five overhead projectors, two more Bell & Howell film projectors and 28 built in screens for audio visual aids and also informed the members of plans to improve the school facilities with outdoor gym equipment. For the convenience of parents there has been a change made in the time for the First Holy Communion Mass from 8:15 A.M. to 9 A.M. Parents are asked to patronize local photographers. Confirmation portraits have been made of the children in their robes and these photographs may be purchased if desired.

Rev. Lawrence F. Balweg, moderator, thanked the members for their February contribution to the Missions and commended the over 300 members for the spirit of Charity in volunteering for works of mercy in the parish. Father expressed the hope that the interest shown in the church library at the last meeting will continue.

Sister M. Killian, O.P., and Sister M. Jude Martin, O.P., gave a demonstration in the use of overhead projectors. The next meeting of the Auxiliary will be April 25th. A testimonial dance sponsored by the Knights of Columbus for Father Leo Goggin, former moderator of the Auxiliary, will be given on Friday, April 22nd at the Old Country Manor and all members of the parish are invited.

EDITORIAL OPINION

The New Bank Location

The decision of the Long Island National Bank to relocate its main office has some interesting points. It has been obvious for some time that the main office of this thriving and friendly financial institution required more off-street parking and auto-bank convenience, both necessities having been partially solved by the opening of the three branches in Hicksville and three in Plainview.

We are pleased to find that the bank authorities, after the consideration of several locations, have decided to remain "on Broadway" and their new structure will bring a dignified and pleasing improvement to what is generally considered the central point of the community. It will provide a fitting background for the slowly emerging elegance of the Kennedy Memorial Mall area which brings together five major lanes of highway traffic.

The decision to move being predicated upon the anticipated widening of Broadway by the demolition of structures (including most of the present banking premises) will have a further corrodng effect upon the old downtown Broadway as we knew it as recently as 10 years ago. There are among us many who recall when the stately bank edifice was erected and its scheduled removal is evidence of the changing face of Hicksville.

STRONG SUPPORTER

To The Editor:
Enclosed is a copy of a letter sent to Mr. Johnsen as president of the Hicksville Board of Education.

(signed) DIANE W. PARKER
President TEACH

Dear Mr. Johnsen:
In many towns such as Hicksville, the educational system is often the prime institution which establishes the quality of the town. The Board of Education by virtue of its direct election by the local citizens both creates and reflects the stature of the community.

This Board of Education has served our community well by authorizing the American Institute of Research study of this district's academic curriculum. On the basis of the Flanagan Report, our community can sign-

ificantly improve its educational program. By taking this first step of a study, the Board has provided sound leadership. It is the hope of this organization that such leadership will continue and will encourage the necessary spirit of cooperation among all those involved in and concerned with the quality of education provided for the children of Hicksville. A spirit of genuine teamwork, if accomplished, would be one of the major benefits of the Flanagan Report.

TEACH, as always, will be a strong supporter of measures judged desirable by the professional staff and the Board of Education which will enhance the quality of education given in our public schools.

He helps keep phones working. New York Telephone Repairman John Appell tells about his job.

"Telephone service is pretty much trouble-free. But if something goes wrong, we hurry to get it fixed."

"People don't like to be without the use of their phones for even a few minutes. That's why I treat every job like a special case. It doesn't matter what the problem is — a cord chewed through by a pet, a phone knocked off a table, a loose wire — we're trained to locate the trouble and fix it as quickly as possible. And if I see anything that looks as if it might go wrong in the future, I fix that, too. We try not to make our customers wait too long. People really appreciate fast service. That's one reason we try so hard to make sure they get it."

Latin Teacher School Editor

A teacher of Latin at the Hicksville Senior High School, Samuel A. Goldberg, has been named School Editor of the "Classical World," monthly publication of the Classical Assn. of the Atlantic States. He will be responsible for compiling and editing news of Latin teachers and students in public and private high schools in the five states and the District of Columbia that comprise the Atlantic States that the publication serves.

An article written by Goldberg was published in the December issue of the National Education Association "Journal" which article dealt with the dedication May 15 of the Roman eagle secured from Pennsylvania Station for the new Hicksville railroad station through the cooperation of the Long Island Rail Road. Printed on a blue-tinted page with a striking picture of the monument, the account stressed the cooperation of various departments of the high school with members of the Hicksville High School Latin Club in activities connected with the event.

Goldberg is a past president of the Nassau-Suffolk Classical Society, director of its annual Latin Contest, and on the Executive Council of the Classical Assn. of the Empire State. He was recently named a member of a nationwide committee of college and high school Latin teachers to study the teaching of Latin. He was general chairman of the Foreign Languages Section of the North Nassau Zone Conference October 15. He is a regular contributor of book reviews and articles to the "Classical Outlook" of the American Classical League and is currently working under contract on filmstrips Greece and Rome.

Strep Sore Throat Leads 2nd Month

Streptococcal sore throat again headed the list of notifiable disease in Nassau County and the Mid Island area during the month of February, according to the Nassau County Dept. of Health.

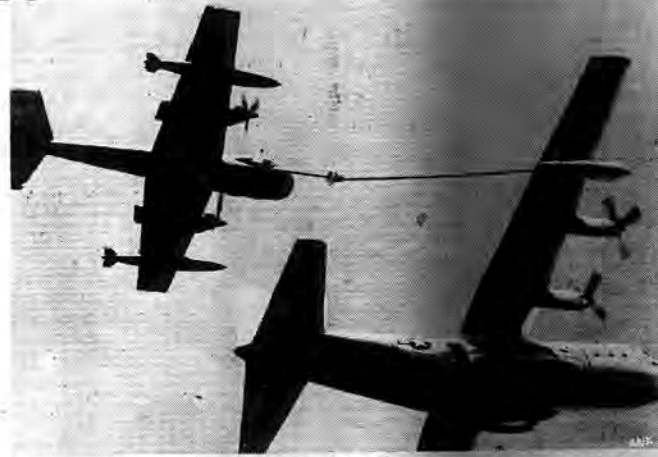

There were 37 cases in Hicksville, eight in Jericho, 61 in Plainview Old Bethpage and 22 in Bethpage - Plainedge. The county total was 793 an increase from 738 in January.

Step Up Planting On Road Sides

A roadside tree planting program double that of 1964 is now in the realization stage in the Town of Oyster Bay, according to Councilman Edward J. Poulos, town board majority leader.

Poulos said that when the 1966 budget was formulated last fall, a provision was unanimously made to double the annual highway dept. appropriation for the street tree program to \$40,000. The 1966 program includes the purchase of 1,400 trees, including 500 pin oaks from 12 to 14 feet high; 400 maples 10 to 12 feet high, all to be guaranteed for one year by the nursery.

Highway Superintendent Norman T. Wolf reassured residents who requested trees during 1964 and 1965 that they were still on a chronological work-order list. This list, he said, is strictly on a no-favorites "plant - in - the order - of - request - received." He reiterated it is not necessary for anyone to call his office to request tree planting in front of their home, on their street, or in their neighborhood if a request was received heretofore.

FILL 'ER UP!—An Army MOHAWK OV-1, left, is refueled in the air for the first time by a KC-130F HERCULES tanker during feasibility tests at the Naval Air Test Center, Patuxent River, Md. Modifications on the MOHAWK included two 300-gallon drop tanks; a refueling probe and nozzle mounted on the right side of the fuselage; a control panel and connection to the fuel system. Grumman Aircraft manufactures the MOHAWK for the Army. Photo, courtesy Lockheed.

Three nurseries bid on the trees on March 23 and the apparent low-bidder was Brad Martin, Inc. of Setauket. Its bid price for all items was \$35,805. In addition to the 1400 trees, it included 30 seven and a half cubic foot sized bales of peat moss and 1500 eight-foot long cedar stakes.

Plans are to have about one half the consignment delivered to Town highway yards as soon as possible for planting this spring and the remainder in the early fall for planting at that time.

Scores of residents who have called for spring planting have agreed to water the new trees

if it becomes necessary to permit them to develop during the summer. Wolf said that this problem does not normally exist in fall planting.

The trees will be planted by Town Highway Department employees under the direction of Superintendent Wolf. He has inspected the stock offered by the apparent low bidder and said he would make a recommendation to the Town Board concerning an award of contract at its meeting next Tuesday.

We have a problem with our Catalina we just can't fix. It looks expensive.

Safety items like front and rear seat belts are standard on every '66 Pontiac.

Pontiac Motor Division

It looks so expensive that a lot of people don't realize it's priced right down there within reach of most low price buyers. Which sort of makes you wonder why you should buy a low-priced car when you can buy a high-priced car for the same money. A Pontiac Catalina.

Wide-Track Pontiac Catalina (A big, powerful Pontiac for less than \$3000*)

*Manufacturer's suggested retail prices for 2- and 4-door sedans and 2- and 4-door hardtops are all less than \$3000. These prices include excise tax and suggested dealer delivery and handling charge. Transportation charges, state and local taxes, accessories and optional equipment additional.

Operation VFW

William M. Gouse, Jr.
Post No. 3211
by Eddis Klobing

The two meetings in April are important ones. On April 11 officers for the coming year will be nominated and then on April 25 elected to new stations. At our last meeting Commander Art Fuelling appointed Bob Obermeyer, George Walden, Lou Palladino and Les Iehle to the nominating committee for this important task.

A veterans association meeting our last regular meeting to discuss the possibilities of a new building. The formation of a building committee took place. Those appointed to the committee were: Bob Obermeyer, Jack Mulligan, Chick Masone, Lou Klien, George Walden, Joe Gilligan, Al Wangelhelm and Bill Frohenboefer.

The Junior Girls Unit of the Ladies Auxiliary is holding a convention in Albany on April 16-17. Representing the William M. Gouse Jr Post 3211 will be President Christina Chwalisz, Patricia Aug, Connie and Francis Bless and Mary Sadowski. Accompanying the girls will be President Rita Aug and Chairman of the girls unit, Doris Klueg. Our young representatives will go on a tour of the capitol and meet Governor Nelson Rockefeller.

Andy Borg, Commander in Chief of the Veterans of Foreign Wars, stated, "our Administration is failing in its obligation to the veterans of our nation who deserve a place of honor when they die."

Commander Borg in criticizing the Administration in its policy about National Cemeteries further stated, "our national cemeteries are being phased out. It seems obvious that the majority of the 98 national cemeteries now in existence will soon be phased to capacity. In fact, several are close to closing today because they have not been expanded."

The VFW chief called upon the Administration to change its present policy and expand and continue the historic policy of our nations National Cemetery system.

In closing, just a reminder to our members . . . Your Post is always ready and willing to serve you when you need it. Regardless of your needs or request it reacts quickly to help you in time of sickness or distress. Right now it needs you. It needs members to help them on Thursday nights at Bingo. It is asking you for your help. Will YOU react to its call????

Town Earning Higher Interest

The Town of Oyster Bay is benefitting from the new higher interest rates for time deposits, it was disclosed by Councilman Edward J. Poulos, Town Board Majority Leader.

Recently Town officials notified banks that it had \$5,000,000 in funds not required for immediate expenditure and invited informal bids.

"This is a businesslike arrangement of substantial tax relief value to the taxpayers of the Town," said Councilman Poulos. "Taxes are paid in without penalties on established dates and then are deposited so the funds will be available when needed. The comptroller has worked out an efficient program which benefits the taxpayers and it serves to relieve some of the burdens of inflation".

The most favorable bids to the taxpayers were accepted and available surplus funds were deposited as follows: \$800,000 from one to three months at 5.05%; \$1,100,000 from three to six months at 5.20%; \$1,100,000 from six to nine months at 5.26%, all in time deposits to the Franklin National Bank; \$2,000,000 for one year at 5.375% to the Security National Bank on a one year certificate of deposit.

NEWLY-CHOSEN Town Attorney Bernard F. McCaffrey received congratulations from Supervisor Michael N. Petito and Town Board Majority Leader Edward J. Poulos following recent installation ceremonies at Town Hall. McCaffrey replaces Attilio E. Brauno who retired from public service to take an appointment in private enterprise.

Holy Week

Holy Week, commemorating Christ's passion and death, began with the Second Sunday of the Passion, popularly known as Palm Sunday. It marks the triumphant entry of Christ into Jerusalem the Sunday before his death there, and ends with midnight Mass Holy Saturday, April 9, the commemoration of his resurrection.

This week immediately preceding Easter is the culmination of Lent, 40 days of prayer and fasting recalling the like period Christ fasted in the desert before beginning his public ministry.

FROM CONGRESS

(Continued from Page 1)

Congressmen who were swept into office in 1964 are particularly sensitive to the rubber stamp charge.

The third reason for this mass inaction is that we no longer have in Congress a cohesive majority. The majority party (Democrat) is deeply divided over foreign policy. The pulling and tugging over general legislation and domestic policy is between the Republican minority and various camps of Democrats. The result is a big zero.

We are spending a lot of time in Washington but accomplishing little. Considering the grievous legislative mistakes of last year, perhaps the country is better off.

Spring

We are all glad when Spring is here, it's one of the nicest seasons of the year.

Altho it brings much rain and showers, in return we get green grass and flowers. With the sun, the sky, and the air so fair, Mother Nature's work we cannot compare.

Everywhere we look we can see, Narcissus and daffodils as pretty as can be.

All the beautiful blossoms on the trees, Descending their delicate fragrance in the breeze. All the birds are joyfully chirping and singing.

To let us all know that best wishes their bringing. Contented parent birds are mating every where.

Little baby birdies are flitting here and there.

All the childrens happy hearts are so blithe and gay, Hurrying forth merrily to romp and play.

Many happy couples you will see, Scrolling along, holding hands,

while they bill and coo. For Spring is here, so let us always cheerful be,

As all the happy birds upon the tree.

Don't look now, but tax time is here again.

If you need money, see us.

You've figured out your tax, and you owe Uncle Sam money.

He wants his money by April 15, and he wants it in one lump sum. No IOU's. No installments.

We'll give you a personal loan for the full amount you owe on your taxes. One loan for the full amount. You send that to Uncle Sam and pay us

back in monthly installments.

This kind of personal loan is where First National City Bank is the "pro."

We've made more loans to more people in and around New York than any other bank or lending institution in the area.

We do it faster than anybody. Any one of our branches will get the ball

rolling. (As a matter of fact, you don't have to owe Uncle Sam money to get a personal loan from us. Any worthwhile reason will do.)

Come in and talk. We're not hard to do business with.

Extra added attraction: The interest on your personal loan is a deduction on next year's taxes.
