PBC Cadets Hold Parent's Night

The Hicksville Police Boys Club Nautical Cadet Battalion held their tenth parent's night on May 27. It was a most exciting and enjoyable evening.

The boys, all looking fine in their uniforms, paraded in review for such honored guests as, Commander A. Schroeder, United States Coast Guard; Sgt. J. Kerr, Nassau County Police Boys Club; Jerome Zettler, President of the Nassau County PBC; Sgt. J. Wiedman, President of the Nassau County Police Dept. chapter of the St. Louis Society; President of the Hicksville PBC R. Williams, P.D. Director F. Darry, Comm. of the Westbury Nautical Cadets, H. Dowling, and members of the Ladies Auxiliary.

The ceremonies got under way with the Battalion band playing the Star Spangled Banner. Then came the "Ship's Inspection" by Commander Schroeder.

During the course of the evening, it was a pleasure to see the boys exhibit the things they have learned during this past tour. Medical Officer, Wm. Kiesecka and his boys explained their first aid and medical program. Lt. Robt. Morehouse had his boys demonstrate their communication techniques via Signal flags, radio, blinkers, walkie talkies.

The drill team, instructed by Cadet Officer Wayne Martin, and drilled by Petty Officer Fred Innes, put on a fine exhibit of close order drill, manual of arms, etc.

ROBERT W. QUINN, 3 Chatham Court, Hicksville has been appointed Vice President of Litton Industries' Potentiometer Division, Mount Vernon. The appointment was announced by Justin S. Oppenheim, Vice President and General Manager of the Division. He is an 18 year veteran of the potentiometer industry. Previously, he was Chief Engineer at Fairchild Controls, Inc., Hicksville.

the stands, gave this fine group of boys a terrific hand, but it was a real lift to them that their own "brother cadets" in the stands cheered and applauded so loud. They were very proud of their own.

Then the Cadet Officers who work with and teach the boys all year put on a very amusing drill routine. No one knew their left from their right and it was quite a comedy skit.

The Main event of a Parent's night is the sought-after "Cadet of the year Award." A great many things are taken into consideration when choosing a boy for this most treasured award. He must show loyalty to the corps, have good attendance and appearance, and in many ways prove himself worthy of this honor.

After much suspense, acting Commander Wm Heinz asked Musician Chief Petty Officer, Robert Windhorst, "Outstanding cadet of the year" to step forward. A booming and delighted Bob walked up to receive his beautiful trophy, presented to him by Comm. Schroeder. Bob has been in cadets for five years. He went into the band right from boot training. He was on the symbols one year, and he played the glock and instructed boys on the glock for three years. He has been Drum Major for the past year and has worked very hard, and put in many long hours working with the band.

He plans to work with and instruct boys in the band during the summer months. After the closing ceremonies, the Battalion was dismissed until September.

Father Bennett To Offer Mass Here

Rev. Peter J. Bennett, P.S.S.C., son of Mr. and Mrs. Edward Bennett of Tucson, Arizona, and formerly of Brooklyn, was ordained to the Priesthood on May 30, by the Most Rev. Edward E. Swastrom, D.D., at Our Lady of Pompeii Church, New York City.

His First Solemn Mass was celebrated in Sts. Simon & Jude Church, Brooklyn, on June 5. A Mass will be offered by Father Bennett at his twin brother's Parish, Holy Family Church, Newbridge Road, Hicksville, on Sunday, June 19, at 11:15 A.M. He will be leaving the end of June for Liverpool, England and then Rome, to acquaint himself with the duties necessary for his assignment as Chaplain in the Scalabrini Fathers Apostleship of the Sea, Buenos Aires, Argentina.

Wins Scholarship

Wayne Gropp of Hicksville has received the \$1200. President's Scholarship of the Atlantic District of the Lutheran Church - Missouri Synod. He is a member of Trinity Lutheran Church, Hicksville.

The awarding of the certificate was made during the 11:30 A.M. church service at Trinity by Dr. Richard Engebrecht.

Voters Approve Library Budget on 2nd Offering

The Hicksville Public Library budget for the fiscal year starting July 1 was approved by a wide margin of ballots as only 2050 persons turned out yesterday (Wed.). The budget for \$280, 471.50 was \$10,850 less than the amount rejected by a margin of 74 votes in May. Approval of the reduced budget was by a comfortable 391 votes with 1168 yes and 877 no.

President Elery H. Bean and the Library trustees were obviously pleased with the fact that for the first time in two years they will have an operating budget. Their budget had been twice rejected in 1965.

Voting was light in all areas of the school district as only about 50 percent of those who voted for the May annual election turned out.

The results were officially tallied by the Board of Education with Vice President George Jackson presiding at 11 P.M. in the high school. The results were announced as follows:

School District	YES	NO
Burns Ave.	78	73
East Street.	183	159
Woodland Ave.	176	163
Lee Avenue.	223	182
Fork Lane.	133	117
Dutch Lane.	224	72
Old Country Rd.	131	111
TOTALS.	1168	877

Present for the tally were Jackson and Trustees Evelyn Silver, Marvin Goldberg and Cornelius McCormack.

The School Board will hold its final regular meeting of the fiscal year on Friday night, June 24.

Surfacing Brittle

Councilman A. Carl Grunwald announces that the Town Board has given go-ahead orders to the contractor for the resurfacing of Brittle Lane, Hicksville, with the completion date set for July 5.

The contract was awarded to Lizza & Sons, Inc. of Oyster Bay in January at its low bid of \$21,915. Included in the contract area are Brittle Lane, Key Lane, Straw Lane, Spray Lane, Petal Lane, Root Lane, Tide Lane, Glow Lane and Grape Lane, all between Hempstead Avenue and Newbridge Road.

Work will be supervised by Highway Superintendent Norman T. Wolf, according to H. John Plock, Jr., Town Public Works Commissioner.

Open Bethpage Park to Town

Effective immediately, the Town Board has opened the Bethpage Community park and pool to all Town residents. It was announced by Councilman Edmund A. Ocker, Chairman of the Board's Standing Committee on Parks, Boats and Recreation.

Ocker said there have been increasing requests from people living in the general area of Bethpage, but outside the Park District lines, to use the facilities at this park. He noted that there is ample room to take care of residents who are interested in applying for membership in the park and pool complex which is located on Stewart Avenue and Cherry Street in Bethpage. He said he was hopeful that residents living contiguous to the Bethpage Park District in Farmingdale, Hicksville and North

Massapequa - Plainville would take advantage of these facilities.

"This is a pilot project," the Councilman explained, "and is an effort to accommodate these residents by making available membership applications."

The seasonal fee for Town of Oyster Bay residents who do not reside in the Bethpage Park District is \$70 per family and \$40 per individual. There is no change in the regulations of the Park District concerning fees are \$55 per family and \$30 for individual membership. Daily admissions will continue at \$2 for those under 16 and \$3 for those over 16.

Chorus At Town Hall

The Hicksville High School Advanced Chorus sang in Town Hall on June 3 as part of the Second Annual Medallion Awards competition sponsored by Milano Award Productions. This organization performed on the same program with five other choruses from Nassau County and was rated second by a distinguished panel of judges. This panel included: Alfredo Antonini, well-known conductor; Salvatore Baccaloni, world-renowned operatic bass; Abram Chasins, New York music critic and author.

Charles Arnold, director of the Advanced Chorus, accepted the silver medallion for the chorus from Baccaloni.

Arnold conducted the group in Ave Maria by Anton Bruckner, O Magnum Mysterium by Victoria (featuring the Madrigal Singers) and Wheel, Oh Wheel, a bright spiritual arranged by Fela Sowande. The interpretations of these pieces were extremely musical and were sung with a depth of emotion and excitement not often found in groups of this age.

ORDAINED TODAY

Thomas Lake Berlenbach, a member of Holy Trinity Episcopal Church in Hicksville, is among 11 men who will be ordained to the Diaconate at the Cathedral of the Incarnation, Garden City, this (Thurs) morning. He is a graduate of the Philadelphia Divinity School.

STEVEN B. DEROUNIAN (on right) discusses forthcoming campaign with John Hill, President of the Ernest F. Francke Republican Club of Hicksville (left), and Julius Schwartz, Republican leader in Hicksville, at the regular June meeting of the Republican Club at which the members voted unanimously to formally endorse and support Derounian as Republican candidate for Congress in the Third Congressional District in the June 28th primary. Derounian, who served 12 years in Congress representing this area and who was designated in March by a large majority of the Committeemen of the District as the regular Republican candidate, was the featured speaker at the meeting.

WILLIAM J. CASEY, candidate for U.S. Congress in the Republican June 28 Primary Election, files the thousands of names of Republicans who signed his official petitions. Board of Elections Commissioner, William Meisner accepts the documents which placed Casey on the ballot.

Our Men In Service Dear Lynda

Airman Leonard M. Metz, son of Mr. and Mrs. Mac Metz of 460 Farm Ranch Road W., Bethpage, has been selected for technical training at Lackland AFB, Tex., as a U.S. Air Force air policeman.

The airman recently completed basic training at Lackland. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically trained personnel for the nation's aerospace force.

Marine Private Paul M. Carmody, son of Mrs. Francis T. Carmody of Jericho, and Marine Privates Michael F. Germain, son of Mr. and Mrs. Joseph Germain of 89 Kuhl Ave., Raymond F. Jergensen, son of Mr. and Mrs. Raymond J. Jergensen of 17 Parc Lane, and Marine Privates Ronald M. Lebow, son of Mr. and Mrs. Irwin D. Lebow of 25 Bobwhite Lane, and Michael H. Quinn, son of Mr. and Mrs. Harlan B. Quinn of 9 Stephen Lane, all of Hicksville, were graduated from Marine Corps Recruit Depot, Parris Island, S.C.

SP/4 Charles "Rick" Hahn is scheduled for return to this country about June 10th, following 16 months service with the corp of Engineers in France and Germany. A 1963 graduate of Hicksville High and Army enlistee in 1964, SP/4 Hahn who volunteered for re-assignment to Viet Nam will be spending his thirty day furlough at home, 16 Myers Ave., Hicksville.

Cadet Edward J. Dougherty, 20, son of Mrs. Tullia Smith, 28 Murray Rd., Hicksville, will attend Reserve Officer Training Corps summer camp at Fort Devens, Mass., starting June 20. He is a student at Hofstra University.

Cadet Robert L. Podewas, 21, son of Mr. and Mrs. Louis A. Podewas, 2 Carson St., Bethpage, will attend Reserve Officer Training Corps summer camp at Indiantown Gap, Pa., starting June 18. He is a student at Alfred University.

Plan 15 Special Events at Park

Public Works Commissioner Herbert J. Simins announced that Gertz and the Mid-Island Plaza Merchants' have agreed to underwrite the costs of 15 special events at Catiague Park this year. The events include the grand opening of the first County swimming pool in July and the enclosed artificial ice rink in October. Both facilities are now under construction at the 127-acre park on West John St., Hicksville.

The money will be used to cover talent fees for dramatic shows, an opera, a winter skating party, concerts and dances as well as to provide prizes for handball, golf and tennis tournaments and swimming meets. Dates and other details of special events will be made public by mid-June.

Previously constructed facilities now functioning at Catiague Park include a 9 hole golf course, driving range, playgrounds, a picnic area and night-lighted ballfields and court games.

OUR MEN IN SERVICE

Cadet Stephen H. Gates, son of Mr. and Mrs. Henry M. Gates, 6 Mill rd., Hicksville will attend Reserve Officer Training Corps summer camp at Indiantown Gap (Pa.) Military Reservation, starting June 18.

When the voting on the Hicksville Library budget took place on Wednesday, among those serving as chairmen of the various school voting districts were former Board President ALLEN S. CARPENTER, Water Commissioner WILLIAM A. CISLER and Mrs. WILLIAM O'DONNELL. School Board Trustee MARVIN GOLDBERG is understandably proud of his son, STEVEN, who in graduating from Burns Ave. School won an American Legion Medal for distinguished achievement. He also received certificates for achievement in Italian, basketball and an award as Student Council president. Mrs. FRED NOETH is a patient at Central General Hospital, Plainview. Known professionally as SHEILA HOFGL, she is the publisher of five community newspapers in the Hempstead area. She hopes to be home within the next few days. ED GIANNELLI is at Syosset General Hospital where he has undergone surgery. RICHARD WHITE III of Acre Lane, Hicksville, made a perfect score of 800 on his College Board in Math which should set some sort of record for 14 year olds. Newbridge Paragon Lumber at Newbridge Rd. and Old Country, Hicksville, will have a face lifting in a week or two. Most discouraging is the drop in retailing for many concerns along Old Country Rd. where the widening is "underway." Many Center Shop merchants are unhappy. Tuesday, June 28, is primary day when enrolled party members will cast their ballots between 12 noon and 9 P.M. See HAROLD HAWKHURST, Hicksville water district superintendent, is back from a vacation in Florida. Pvt. ARTHUR NOETH has returned to his base at Fort Benning, Ga., after seven days leave. TOM GEARY is behind the stick at Paul's several days during the week. Hicksville did itself proud with the display of American flags, not only along the main business section, but at many private homes on Tuesday, Flag Day. THE HAWK was talking to his lawyer again. He was going to sue because the Memorial Day parade did not start precisely at the time given in the Herald. Recent arrivals at Mercy Hospital included: A son to Mr. and Mrs. JOHN CALLAHAN of 63 Winter Lane, Hicksville, June 1; a daughter to Mr. and Mrs. EUGENE GRAY of 81 Scooter Lane, Hicksville, May 10; a daughter to Mr. and Mrs. JOSEPH SHALLEY of 19 Buckner Ave., Hicksville, May 11.

Four Man Crew Wins in Regatta

Lynn Gish of the Oyster Bay Rowing Association won the Colt division (14-16) singles over the weekend in the Philadelphia Youth Regatta, a pre-Olympic development meet on the Schuylkill River. The 16-year-old Gish, won the race in 6:14, 46 seconds faster than the second scull.

Another Oyster Bay oarsman, Bill Wilson who is National Doubles champ in the Cadet Division with Tom Voss, who suffered a broken ankle a couple of weeks ago, finished second in the 1,500-meter singles to Neil Schneiderman of Philadelphia's Vesper Club.

The St. Ignatius team from Hicksville, a four-man crew with coxswain, won the Colt Division event by a half length. Members of the crew were: Bob Sneed, coxswain; Tom Groody, stroke; Bob Palermo, third man; Tim Petrone, second man, and Jim Mangan, bowman. Pete Petrone and Ed Sneed were coaches.

All Around Town

Miss Beverly Ann Braun, daughter of Mr. and Mrs. Vincent Braun, celebrated her graduation from 8th grade at St. Ignatius with a party for relatives and friends on Sunday, June 12th with a buffet supper. Beverly was the recipient of many lovely gifts and a good time was had by all who attended.

Charges Political Favoritism

Salary increases "definitely tied to political promises in some instances" were charged this week by Town Supervisor Michael N. Petito, who termed the situation "shameful." Petito charged that Town employees were "being used by political leaders in the Town to pay off a series of campaign promises." He said that while he was in favor of a large portion of the projected pay increases for Town workers, there was a "clear indication" in some cases that the pay hikes were excessive.

"A few people in Town Hall would like the Town employees to think that I'm against all the pay increase," the Supervisor said. "Nothing could be further from the truth. I have pressed for many benefits for Town employees during my tenure in office, benefits they would have never received had I not been

here in the Office of Supervisor."

Petito took notes of some departments and individuals who were put in for large pay increases in comparison to hikes earmarked for employees of other departments. The approximate cost of the entire salary increase program is \$60,000, he added.

All Around Town

EDITORIAL OPINION

Regarding Old Trees

This quotation from a March 4, 1964 press release from the Office of the Supervisor, Town Hall, Oyster Bay, speaks for itself: "Let me assure you I have always opposed and will oppose in the future, any needless despoiling of the beauty and character of our old communities in the name of progress."

Commenting then upon the proposal to cut down old trees along Jackson Ave., Syosset: "To speed up traffic on the roadway would only endanger public safety with the destruction of the historic maple trees, many of them over 100 years old. Other highways, under construction, or being improved in the area should do much to relieve any congestion on Jackson Ave....."

Been down Old Country Rd lately, Supervisor Michael Petito?

Don't Invite Burglars

Imagine this frightening experience! You come home after your vacation trip and find the lock broken and your door wide open. Inside, drawers have been emptied and contents of your closets strewn about the room. Your jewelry, appliances, silverware and other valuable belongings are missing. Naturally, you call the police, but it is too late. Your property is gone and recovering it is sometimes difficult.

Tragedies such as this occurred more than a million times last year causing over \$250 million in losses. All indications point to another large increase in burglary rates again this year. What can you do to avoid being one of the unhappy victims?

Experienced police officials suggest the basic steps:

1. Prepare your home with adequate locks and protective devices.
2. Give the home a "lived-in" look whenever you are not home.
3. Notify police when you are going to be away.
4. Keep your valuables in safe places outside the home.

Let these tips be your guide to keep your home safe from the expensive loss of property through burglary.

The affair was a tremendous success with almost all the members and their friends attending.

and it was beautifully and graciously done under the capable hands of Mrs. Vincent Braun and Mrs. James Bell, chairladies of the day.

It was a memorable day with hopes for another full twenty five years to come. Anyone interested in joining this league contact Mrs. Michael D'Auria, WE 8-6592.

LIVING UNDER LAW

"PAYMENT IN FULL"

Suppose a borrowing friend of yours has run up a debt of substantial size. According to your calculations, he owes you \$1,800 — but, according to him, he owes you only \$1,200. One day he sends you a check for \$1,500, with the following notation: "Payment in Full".

Should you go ahead and cash it, saving the arguments for later? There is a problem. For if you do, you may be giving up your claim to the extra \$300.

The law sees it this way: When your friend sent you a check with that condition attached, he was making an offer to settle a bona fide dispute at a compromise figure. If you cash the check, you automatically accept his offer and make a binding contract of settlement.

Would you prefer to preserve your claim to the full \$1,800? Then, the safest way is to return the check. Halfway measures are risky. Thus: One man receiving such a check tried crossing out the notation. Another man erased the word "FULL" and

wrote in "PART". But in each case, the act of cashing the check was held to have cancelled any further claim. The court ruled that the creditor had no right, on his own initiative, to change the terms of the offer.

But, while the creditor should be wary, so should the debtor. His intention of making a settlement offer doesn't count unless he makes that intention clear to the creditor.

For example, suppose your friend in the above case had sent you the check without any notation at all. With no reason to think otherwise, you could properly assume this was merely a payment on account — leaving a \$300 balance still due. Cashing the check in those circumstances would not hurt your claim for more money.

In short, the law won't let a debtor "off the hook" unless he gave you fair warning that cashing his check would have that effect.

On the other hand, the law will hold you to a settlement fairly arrived at. After all, a compromise is often the best solution to an argument of this kind. Fifteen hundred dollars in the hand may well be worth \$1,800 in the sweet hy-and-by.

Note: The New York State Bar Association offers this column as a public service.

Appalled at Delays

To the Editor:

One of the most important activities in the Hicksville school district in a long time is the selection of new principals for the junior and senior high schools. Each of these men will direct a staff of 150 teachers in the work of educating 3000 students. Their responsibilities and problems dwarf those which most of us can imagine. They must be men of outstanding professional calibre—the very best we can find. I have exhausted every avenue of personal persuasion open to me to convince both the super-

intendent and the board that they must display a greater initiative than usual to insure that we get the kind of principals this town deserves. At this point I am appalled at their delays, their mutual misunderstandings, their naive thinking and their lack of a sense of urgency. I appeal to all citizens who believe, with me, that it matters very much what kind of principals we get to voice their concern to the board immediately.

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

Did you hear a "little" noise coming from the direction of St. Ignatius School last Thursday evening? The disturbance was caused by the utterance of a simple announcement, which only contained about eight words - "Girls we're invited to play at Shea Stadium."

These few words not only caused a bit of excitement Thursday but it ended as already busy but wonderful day for our girls. Saturday, June 11 at ten in the

morning the girls were at the school all dressed and ready for the Firemen's Parade in East Norwich. While some of our girls were parading others were proudly receiving their diplomas and other awards.

Congratulations are in order for our graduates:

Paula Heumann, our able Bass Drummer, Betty O'Brian, Color Guard, and Grace Halcott, Barritone Horn all earned honor pins. Georgine Ranch and Pat Connors both from our Barritone section, Christine Wayte, second soprano, and Barbara Schauss switched their tassels.

Mary Bungert, second soprano merited an honor pin and an award for her Mathematical achievement. Joanne Hild, a drummer, who also doubles as a banner bearer in the first Corps, earned honors for her Scientific proficiency. History seems to be Pam Moore's favorite field when not playing the French Horn. Barbara Daly, a solo soprano player, will also be a guide on future trips, Barbara won an award for her achievements in Geography. Jeanette Gletschier, a first soprano player will henceforward proof read this column. Jeanette's favorite subject Spelling for which she won honors.

To these girls, we extend our Best Wishes in all their endeavors.

Topping an already full and exciting day was the exhibition at Shea Stadium. Excitement ran high and nerves were not a little tight as the girls viewed the crowded stands. People, people everywhere -- never had they performed before an audience of forty thousand. The most experienced members quivered in their boots, and our newest members received their first taste of stage fright and good showmanship.

As the drums rolled on the Fanfare, "Be My Love" was played and not a minute later knees were pumping and the girls stepped out smartly to the tune of "You Can't Get A Man With A Gun". The Drill this year is more intricate and difficult than last year's but the girls made it look easy as they moved across the field. "Lady of Spain" has a tremendous latin drum beat. The rhythm of the color presentation "My Little Girl" naturally inspires patriotism. "Do-Re-Mi" a popular tune from the Sound of Music and the girls' newest number, was played for the first time before an audience.

Our girls looked their best from all angles of the field and from the sound of the applause they represented Hicksville well.

Regional CD Exercise

Nassau County Civil Defense personnel will participate in a regional Civil Defense Training Exercise on Tuesday evening, June 21st, from 7 P.M. to 8:30 P.M., according to an announcement by General Joseph A. Bulger, Nassau County Civil Defense Director.

The exercise, called "Exercise Cascade - Foxrot", will require CD personnel to solve problems relating to radiological monitoring, communications, preparation of radio messages, and fall-out protection.

The public will not participate and sirens will not be sounded.

Another Contract

Congressman Lester L. Wolff announces a Navy contract for \$10 million to the Grumman Aircraft Engineering Corp., Bethpage, the increase long leadtime effort to support Fiscal Year 1966 procurement of A-6A and EA-6B aircraft.

The work will be accomplished at Bethpage.

SEAMAN Recruit Robert J. Walsh, Jr., 19, USN, son of Mr. and Mrs. Robert J. Walsh of 14 Marvin Ave., Hicksville, has completed seven weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

Tennis , Anyone?

Public Works Commissioner Herbert J. Simins announces that applications are now available for Salisbury Park's Novice Tennis Tournament, which begins on Tuesday, July 12.

The tournament is open to all Nassau residents 14 years of age and over who have never won a prize in tennis competition. Play will consist of competition in the Men's singles and doubles divisions, Boy's singles and doubles, and Women's singles. No fee other than the normal tennis court fee will be charged.

Applications may now be obtained at the Recreation Office located in the Salisbury Park Field House and must be returned no later than Sunday, June 26. Contestants will be notified by mail of the date and time for their initial match.

Set Symphony Concerts at Park

Public Works Commissioner Herbert J. Simins announced that the Long Island Lighting Co. has renewed its sponsorship of professional symphony concerts at the Lakeside Theatre in Salisbury Park. The three concerts will mark the second year of LILCO sponsorship and the fifth year of the Salisbury Starlight Symphony Series under the direction of Paul Elisha of Bayville.

"Long Island Lighting is to be commended for their continuing interest in providing fine music for the people of Nassau," Simins said. "The Lakeside Theatre has been vastly improved with the addition of first-rate sound equipment which will enable audiences to enjoy themselves more than ever. I invite everyone who loves music to come out to these concerts." Simins also thanked the Recording Industry Trust Fund which assists in the financial arrangements.

The opening concert on Friday, July 8 will be devoted entirely to the music of Beethoven. The second and third concerts will be presented on July 22 and August 5, also Friday evenings. All performances begin at 8:30 PM. Audiences are advised to bring chairs or blankets.

Army Artist

Sgt. William J. Dolan, staff artist with the U.S. Army Command Information Unit, Washington, D.C., recently returned from a 40-day duty tour in Vietnam "for combat artist coverage of Free World Forces." While there, he visited several Special Forces "A" camps and went on missions with the 1st Cavalry Division (Airmobile), 101st Airborne Division, 173d Airborne Brigade, and Republic of Korea forces. He returned with many vivid memories of the Vietnam war and the people involved.

The imaginative modification of headgear worn by soldiers in Vietnam inspired Specialist Dolan's pen and ink sketches in this edition of Army News Photo Features.

In 1965, Dolan, a 17-year active duty veteran of the service, was named the "most talented cartoonist in the Armed Forces" by the National Cartoonist Society. From 1961 to 1965, Dolan

was art director for the USAREUR Public Affairs Division publication, "Army in Europe."

Specialist Dolan joined the Marines in 1944, and served two separate tours with them during World War II and the Korean conflict. He worked in various civilian positions from 1956 to 1959, before he joined the Army. His Army duty includes a three-year tour with the 101st Airborne Division. (ANF)

CD Alerts Public

The Nassau County Office of Civil Defense today issued a list of recommendations to protect Long Island home-owners and small craft owners during the hurricane season. The first hurricane of the season, Hurricane Alma, has been heading northward from the Caribbean with 100-mile-an-hour winds.

"Public awareness of the dangers to be expected during torrential storms and hurricanes is the greatest safeguard against natural disasters," Gen. Joseph A. Bulger, Nassau County CD Director, said today. "Individuals who take precautionary measures in time can substantially reduce the toll of life and property from these storms and floods."

General Bulger noted that Civil Defense units have aided in a wide variety of natural disasters across the country and in New York State, and said that the Civil Defense organization has been designated to coordinate aid and assistance to the public in the event of future disasters in the State.

The following warnings and precautions were listed:

Special Warnings for Vacationists
Follow storm warnings carefully. For specific weather information, call the Weather Bureau, WE 6-1212.

Tune in frequently on radio or TV before starting on a fishing trip or cruise.

Secure pleasure craft when official storm warnings are issued by the Weather Bureau. Haul boats to safe locations upon receiving storm notices.

Give vessels at anchor plenty of slack in moorings to avoid swamping.

Add an extra anchor to secure boats.

Secure loose gear. Leave beaches or other spots which may be threatened by high tides.

Keep a sharp eye out for high water in places where streams may flood from heavy rains.

General Precautions for the Householder

Make sure that portable battery radios are in good working order.

Stay tuned to radio and TV stations for storm warnings.

Use battery radio set or car radio in event of power failure.

Keep your car in top condition with battery, lights, etc., in good

working order; and with the gas tank at least three-quarters full.

As a safeguard against damage from flooded cellars, check cellar windows and move valuable material to a safe place.

Store canned goods, drinking water, canned heat, can openers, and paper dishes in a safe place.

Check gutters to be sure they are not clogged.

Move furniture and other movable objects on porches and lawns to safe spots.

Special Precautions Before the Storm

When the storm warning is given, these precautions must be taken at once:

Board up windows or leave storm shutters in place.

Use strong lumber for all bracing.

Sterilize the bath tub, jugs, bottles, etc., and fill with drinking water.

Put car in garage or park away from trees and poles.

Close house and garage windows and doors.

At the first warning of danger, turn freezer setting up so that, if the power fails, food may stay frozen for a longer period.

Stay away from windows during the storm.

If out-of-doors, take refuge in a ditch or ravine.

First in East To Offer Service

Meadow Brook National Bank announces that it is the first Bank in the East to provide check cashing privileges for its customers in stores across the nation.

Citing the unique customer convenience feature of the plan, Meadow Brook's Board Chairman, Sidney Friedman, said, "Now, thousands of Meadow Brook customers will never again suffer the inconvenience of being short of cash."

Holders of the new Meadow Brook Key Customer Card need only show the card to a retail merchant while signing a personal check up to \$50 in his presence and be assured the check will be accepted for cash or for purchase of merchandise.

For retail merchants, the Key Customer Plan can result in increased business and goodwill, according to Mr. Friedman. "As long as the retailer uses normal precaution and compares the Key Customer signature with that on the check, Meadow Brook will agree to make good on the payment," Mr. Friedman said. The Bank plans to provide the thousand of merchants in its market area with detailed information on the plan.

"In providing this new dimension in customer convenience," Mr. Friedman said, "the Bank expects the program will attract substantial numbers of new customers and, equally important, will greatly reduce account turn-over."

Applications for the new Key Customer Cards will be available to present Meadow Brook customers as well as to others desiring the service. The Bank expects to begin distribution of Key Customer Cards to early applicants within the next two weeks. There is no charge for the service but cards will be issued only after receipt of an application.

HARRY ERNENWEIN, a former member of the Hicksville Board of Education and business manager of the district, has been promoted from assistant secretary to assistant vice president of the Long Island Trust Co. Manager of the Mineola office, he began his banking career in 1918 with the First National City Bank where he was assistant manager. From 1934 to 1952 he was secretary and treasurer of the Keystone Glass Manufacturing Co., Inc. of Hicksville. From 1937 to 1952 he also served as president of Hicksville Estates Inc. Prior to coming to LI Trust, he was branch manager of Governmental Statistical Corp. His home is in Plainview. (Kenneth R. Sanderson Photo)

Mr. Friedman said that the Bank expects to receive as many as 50,000 requests for applications during the first three months of the program.

Introduction of the plan this Monday climaxes extensive market research, survey and development work by Meadow Brook executives.

Conservatives Name Slate

A slate of Conservative Party candidates, dedicated to "the extinction of Rockefeller Republicanism and the restoration of a genuine two-party system", was announced for offices to be filled in this November's election.

Running for the state senate in the 3rd Senatorial District will be Noel C. Crowley, 34-year old Syosset attorney who campaigned for the same office last year. Thomas Clark of Hicksville, an engineer for the IBM Corporation, is the Conservative designee for election to the state assembly from the 8th A.D. As such, he hopes to prevent the re-election of Republican Martin Ginsberg, who won last year with Liberal Party support. Clark is married and has four children. An army veteran, he has done graduate work in the field of aeronautics.

George R. Wheatley of Laurel Hollow, a newcomer to politics, is the Conservative designee for election to the state assembly from the 7th Assembly District, a post presently held by Republican Joseph Reilly. Wheatley, an engineer and executive of the Western Electric Co., expressed the hope

that his candidacy would "encourage other business and professional men to assume a greater sense of responsibility for improving their political environment."

In keeping with its policy of running a full slate of candidates in every election, Conservatives named Chauncey McGough of Woodbury as their candidate for Oyster Bay/Receiver of Taxes, the only town office on this year's ballot. McGough is chairman of the Oyster Bay-Syosset Conservative Club.

Troop 293 Active

Boy Scout Troop 293, sponsored by the Hicksville Methodist Church, on a recent weekend held an overnight at McNair's Island, Schuttsville, N.Y. The troop will be attending summer camp at Oyster Bay from July 30 to August 13. Plans are being formulated for a family picnic at Carnegie Park in Hicksville the afternoon of July 10. There will be a softball game between fathers and sons. Each family is to furnish its own food and drink.

TRUTH DOLLARS FOR DEROUNIAN!

Professional publicity and mass media experts are attempting to capture our district's Republican nomination for Congress!

The officially designated Republican candidate, STEVEN B. DEROUNIAN, served our district admirably and without compromise for twelve years until 1965. The Republican Party, by a landslide convention vote of 337 to 97 endorsed his return at the district convention on March 3, 1966. The Republican Executive Committee and leading Republican officials have endorsed Derounian.

The losers—a small group of highly professional old guard politicians—plotted the strategy for a powerful, slick mass media campaign against Derounian. This small group hopes to regain some of their old and tarnished posture of the 1940s.

They are spending money on a Governorship or Senatorial scale—buying mass media covering the entire metropolitan area—trying to shake the trust of loyal Republicans served faithfully by Derounian for six terms.

Those who would seize power have planned a series of mass media onslaughts during the Primary campaign, replete with innuendo and misrepresentation. They spent over \$10,000 on radio spot announcements alone in just one recent advertising schedule on stations WNEW, WHN, WINS, WPAT and WNBC and WHLI. They have spent over \$10,000 on newspaper advertisements, and they have just begun. In fact, Derounian's opponent said he is prepared to spend whatever is needed, to obtain the nomination and do "... anything I have to". (L. I. Press 1/13/66).

Imagine the cost of the anti-Derounian campaign! Add the paid campaign staff, paid telephone callers, railroad signs, billboards, printing of slick brochures—and project the cost of several mass media campaigns over the weeks to Primary Day June 28th: It will be the most money any candidate for Congress has ever spent in Nassau County. Can money really influence your vote?

EVEN WORSE, this small group uses this money to twist the facts and Steve Derounian's proud Congressional record. For example:

THE TWISTED FACTS:

1. "The local Machine has again selected Derounian, who lost in 1964 but they didn't ask your (the voter's) opinion". (Radio WINS 4/27/66).
2. "Derounian urges: Let's escalate the war in Viet Nam" (paid Advertisement 5/19/66).
3. "Derounian can't win". (numerous speeches by Derounian's opponent in February 1966)
4. "Derounian is a 'backward-looking' Republican" (NY Times \$6,000 advertisement 5/31/66).

THE TRUTH:

Derounian was selected by a 3½ to 1 margin in a secret ballot vote of over 430 duly elected Republican committeemen at an open convention in which Derounian's opponent participated.

Derounian never said this at any time or any place.

Derounian's electoral strength increased from 1958 to 1962 even though his district was reapportioned to lose key Republican areas. In 1964 Derounian defeated his Democrat opponent by over 5,000 votes on a Republican vs Democrat basis—in spite of the Johnson landslide—and was the number one Nassau County legislative vote-getter in the district.

Derounian introduced and supported legislation for civil rights before the late President Kennedy; legislation to increase earnings under Social Security; to provide tax credits for tuition paid for higher education; in support of the U.N.; for tax revision and better fiscal control; and all progressive legislative programs. Derounian's opponent has NO record in support of these programs.

THE FEW OLD-TIME STRATEGISTS OPPOSING DEROUNIAN ARE PROBABLY SPENDING MORE THAN \$200,000 TO TRY TO SEIZE THE REPUBLICAN PARTY—AND THEY ARE USING MISLEADING MASS MEDIA ATTACKS TO DO IT!

WE ASK YOUR HELP! In his years of service to our district, Steve Derounian campaigned personally, directly—stumping his district, answering questions truthfully, bluntly—seeking opinions of all shades.

But this year he must answer the mass media, the metropolitan area radio announcements, the out-of-context charges. We cannot hope to match the professionals' media campaign dollar-for-dollar. But we must do enough to give Republicans the TRUTH before Primary Day.

HELP RETURN AN EFFECTIVE, RESPONSIBLE REPUBLICAN TO CONGRESS!
