Service Club Launches Community-wide Effort

In an effort to enlist community-wide support for its massive program to beautify Hicksville and keep it the way it used to be, the Hicksville Kiwanis Club yesterday (Wed) revealed a basic three-part-program at a luncheon meeting with various community leaders as guests.

Three Part Program

This is the Hicksville Kiwanis Club program for beautification of the community:

DETECTION- Make people aware of unsightly conditions which, beyond the esthetic point, carry significance as to deterioration of property values, loss of income to merchants and professional people and even create safety and health hazards.

EDUCATION- Seek assistance of educational leaders, PTAs, other service clubs, civic and business-oriented organizations to stimulate an awareness within the community of the conditions and methods of prevention.

CORRECTION- Clean-up present conditions with the help of responsible town, county and state officials thru the close enforcement of ordinances and regulations.

"Once the clean-up of existing deplorable conditions has been accomplished, we anticipate moving forward with specific individual beautification," the Kiwanis club asserts.

Plan Self-Study Pupil Program

Donald F. Abt, Superintendent of the Hicksville Schools, announces that the district is in the process of establishing self-study groups that will utilize the services of residents, administrators, teachers, and consultants from universities and from the State Education Department. These groups will carry on an evaluation of existing programs, and institute procedures

Early Settler's Grandson Dies

Frederick Charles Herzog, grandson of Frederick C. Herzog, one of the early settlers of Hicksville, died at his home on South Broadway on Sept. 30. He had been ill since May and during this period he was visited by many friends at Meadowbrook Hospital and at home.

The son of William C. Herzog, also born in Hicksville, he is survived by his wife, Marie Violet Weickmann Herzog; four children and eight grandchildren.

His oldest daughter, Marie V. Spedelle of Commack has two daughters, Susan and Lissa.

His son, Frederick W. Herzog, a Wantagh resident, has three children: Frederick W. Jr., De-

lores and Curtis Edward.

Another daughter, Caroline Hunka of North Bellmore, has a son, George Jr. The youngest daughter, Elizabeth Lewis, lives in Medford and has two daughters, Laura and Anne.

Also surviving are his brothers, John H. Herzog of W. Marie St., Hicksville, and William F. Herzog of Boynton Beach, Fla.

During his lifetime of 70 years, Mr. Herzog who was a veteran of World War I was active in many phases of public and community life. Before his retirement in 1961 he was associated with

Guests included representatives of Public and non-public schools in the community, town and state governments, police enforcement, service organizations and the press.

Kingsley Kelly, as chairman of the project, presided as slides were shown of littered curbside conditions along Broadway, Marie St. and various shopping centers. Dr. Walter Dunbar, a member of the special committee, was narrator.

Parent-Teacher Associations and other local groups during the weeks to come will see the program and hear details of the plan which includes a slogan contest open to all children attending schools in Hicksville in three grade levels: K to 6, 7 to 9 and 10 to 12. A \$25 savings bond will go to the winner in each group. Slogans must be less than 10 words with the closing date Nov. 5, Kelly said.

"Our educational phase to make people aware of the situation and instruct in preventative measures will not stop in the schools," Kelly stated. "We are carrying our program to each PTA and to all other civic and business-oriented organizations such as the Chamber of Commerce and shopping area associations. Our own Key Club is being asked to lend its support and ideas to our efforts and we are confident these young citizens will come up with something good within the schools. We are asking the other service clubs to join in the spreading of the program among their members."

Dr. Dunbar in his commentary noted that "good neighbors are frustrated and moving away" and at the conclusion asked "when are we going to say 'enough'?"

HOWARD K. AMCHIN, of 10 Orange Drive, Jericho, has been named head of the Transmission Planning Section of the American Electric Power Service. In his new post, Amchin will head a group of electrical engineers in planning the electrical transmission facilities needed to assure reliable bulk power supply to the AEP System's major load areas.
 Amchin received a bachelor of science degree in electrical engineering from Penn State University in 1946 and a master of science degree in that field from Illinois Institute of Technology in 1949. He also holds an MS degree in computer applications from Stevens Institute of Technology. He and his wife, Sophie, have three children; Elise, 13; Keith 9; and Wayne, 7.

Central Federal Offers New Rate

The Board of Directors of Central Federal Savings and Loan Assn. announce a new 5 1/4 per cent policy on savings certificates, which started Oct. 1. These savings certificates will be issued for a minimum of \$2,000 and multiples of \$1,000 thereafter with a 6 month to 1 year maturity.
 "5 1/4% savings certificates offer these unique advantages," says Theodore Ornstein, President of Central Federal Savings and Loan Association, "like regular passbook savings these certificates are insured by a U.S. Government Agency. . . they are instantly redeemable at any time with no prior notice required. . . interest is paid from day of deposit. . . and there is signature card protection against loss."

The group will teach English as a foreign language in secondary schools, work in teacher training colleges, and conduct training programs for Thai teachers.

Obituary

Kenneth D. Karlson
 Kenneth D. Karlson, 21, of Hicksville, a senior at Colgate University died Friday, Sept 30 in St. Vincent's Hospital, Manhattan after an illness of six months.
 Kenneth lived at 55 Walker Avenue with his father George C., and his brother Roger A. His mother, Katherine died seven months ago.
 After graduating from Hicksville elementary schools, he attended the Gunnery School in Washington, Connecticut prior to entering Colgate University where he was a member of Sigma Chi Delta Fraternity and the Colgate Thirteen Singing Group.

Dear Lynda

HENRY C. BRENGEL is scheduled to become the next president of the Hicksville Kiwanis Club, as of the first of the next year, succeeding PAUL DONATH. In there for corresponding secretary is GENE SCHILLINGER and next year's club bulletins should be mighty droll reading, if we know our Gene.....It was brought out on a program over station WLIR (FM) by our editor: last night (Wed) that THOMAS L. CLARK, the Conservative candidate for assemblyman, is not a resident of the district he seeks to represent. Neither he, nor his wife can vote for him. Living at 28 Chance St., he misses residency by about a half mile under the new boundary lines.....One of the first letters for Santa Claus (can it be that near?) to reach the post office is from "Gregory" who wants a Bobby L and a soda fountain, plus a dump truck. The PS includes a tractor, crane, batmobile, bulldozer, talking boy clown doll (one with clothes).....Believe it or not, JIM CUMMINGS has been invited by the Rotary Club to talk about the "future of Hicksville".....The LI Commercial Review put out a nice special section about Mid Island Plaza, the STACKLER-FRANK dynasty and somehow connected the package with a presentation of Hicksville. We were pleased to note that the Chamber of Commerce plans new "entrance to Hicksville" signs. We would not want anyone to miss the mess.....Major projects of the Chamber, we read, include such cultural events as a theatre party and a night at Shea stadium. What about yuletide decorations, cleaning the streets, road widening projects, etc?.....
 The use of parking lights while driving during the half-light of dawn and dusk is forbidden by state law, effective Oct. 1. Be warned.....WILLIAM CAMPBELL and Hicksville School District have been complimented by St. Plus X Preparatory Seminary, Uniondale, for the efficient manner in which textbook orders were handled.....Hicksville Fire Dept presented an award to the Charles Wagner American Legion Post Color Guard, Monday night, for their participation in the Labor Day parade. Other participating units have already been honored or will be.....

We don't know the source of his information but MARTY WEISS of the Westbury Times claims Oyster Bay Township will probably double its tax rate in the coming year.....We are glad to see Mrs. EMILY GOODMAN out of the hospital and recovering nicely from her recent operation.....An exploding fireworks caused JEAR WARREN, 31, of 116 Orleans Lane, Jericho, to suffer a puncture wound of the left leg on Oct 2, according to second precinct police. The incident occurred at Wayne St. and Orleans Lane.....In October?.....

Local organizations may well follow the example of WILLIAM E. KOUTENSKY, president of the Long Island National Bank, who has donated an American flag to keep the flag flying every day at the Kennedy Memorial Park. It takes four or more flags a year to keep the national standard up in the breeze. Contact ELAINE ARNSTEIN, PY 6-9835. . . We understand, from a reliable source, that a new paper named the Levittown Times will make its debut on Oct. 14. Betspage Tribune, also a new publication, comes out this Thursday. . . The Ladies auxiliary of Hicksville Fire Dept. had a theatre party on Oct. 4 at the St. James Theatre where "Hello Dolly" was the attraction. . . Dr. JOSEPH WYCOFF gave a happy five at the Kiwanis Luncheon this week to announce the arrival of his first grandchild. . .

In 1965, 12,000 persons were killed in fires. Four out of five of these persons lost their lives in home fires. Ninety per cent of the victims in multiple dwellings fires were children under 14. Protect your youngsters. Keep your house safe from fire.

Planning Your Operation Edith

PLANNING YOUR OPERATION EDITH DRILL
Are you getting ready for your own family fire drill when the Operation EDITH signal sounds on Tuesday, Oct. 11, at 7:30 P.M.?

Operation EDITH is the life-saving project which urges every household in this town to prepare an emergency escape plan for his home, and to practice it on this special night of Fire Prevention Week.

To help you plan for your own home, here are pointers from Fire Marshal Peter E. Lynch and your local fire chief:

1. Carefully figure out at least two routes to the outside from every room in the house, especially

bedrooms. Allow for blocking of stairways and halls by fire.

2. Particularly for night-time fires, remember that closed bedroom doors will hold back flame and smoke, allowing extra time for escape.

3. For upper floor escape, use any available porch and garage roofs, ladders or trees as ways down to safety. Be sure exit windows work easily, and that they are low and large enough to get through.

4. Pick an outside assembly point where the family will meet, and be sure everyone understands the rule "once out—stay out."

5. Know how to call the fire department, by street box or neighbor's phone, and do this as quickly as the house is clear of people, in case of actual fire.

To be effective, says Fire Marshal Lynch, the children in the family should participate fully in your home fire drill if possible to do so safely; otherwise, the drill should be simulated. "Experience proves that children who have been well-trained will react intelligently in a fire emergency, according to the fire marshal.

"This added protection for children is one of the biggest dividends from family fire drills," he declared.

TEAM EFFORT: Law partners William W. Casey and Leonard W. Hall (left and right) pledge their support to former Congressman Steven B. Derouman for Congress. Derouman is campaigning against Congressman Lester L. Wolff in the Third Congressional District on Nassau's North Shore. Casey lost the Republican nomination to Derouman in the primary election. Hall is former Republican National Chairman.

Study Program

for curriculum development.

To assist him in this project, Superintendent Atk has established a Steering Committee that includes Mrs. Florence Infante, John McManus, and David Traub, all residents of the community; Miss Elaine Kabatoff, Jerry Iwain and Henry Gates, teachers in the district. The committee also includes Mrs. Rachel Johnson, reading supervisor, John Crenson, mathematics supervisor, Raymond Rusch, principal of senior high school; Patrick Nane, assistant principal of the junior high school; Frank Burke, principal of the Burns Ave. elementary school; and John Rouse, administrative assistant.

One of the first tasks of the Steering Committee will be to set up a Citizen's Advisory Council representing community organizations. These groups will be asked to assist the school district in identifying the objectives they think essential for young people of the community.

In addition, study committees for each of the academic areas have been established. These are intended to involve the entire professional staff in the evaluation and development of the educational program.

A report of the district's educational program - The Flanagan Report - made last year by an independent agency, the American Institute for Research, recommended the school district develop a program of self-evaluation.

Superintendent Atk has said that, "It is my hope that the school and the community will be able to work closely together in identifying the essential purposes of our educational program.

The family business began in Hicksville in the early 1800s with a general store at the corner of Broadway and Herzog Pl. Mrs. Herzog will continue to live at her home at 468 South Broadway, Hicksville, with her sister.

DECA Chapter Elects Leaders

Reflecting the enthusiasm that carried them to national recognition last year, the Hicksville Chapter of the Distributive Education Clubs of America has elected its officers for the coming school year.

They are: Vice President, Peggy Moldevak; Secretary, Rochelle Riservato; Recording Secretary, Carol Feldscher; Historian Ronnie Reinheimer; and Parliamentarian, Sue Margolies. The President Pete Cramer was chosen at the close of last year's club.

In addition to elections, the opening session served to outline the club's plans for the year in the hope that their work will carry forward the triumphant tradition set by the organizations preceding members.

JWV Ships Items Abroad

Al Krieger of Hicksville, Co-Chairman of the New York State Jewish War Veterans Vietnam Servicemen's Committee, announced that over 40,000 items have been shipped by JWV to US servicemen in Vietnam in the past six months. Krieger said that both luxury and necessity items, including fruit juices, fruit cocktails, shaving cream, toothpaste, tooth brushes, foot powder talcum, metal mirrors, pens, knives, books, and writing material are packed in individual cartons and mailed either directly to soldiers in Vietnam or packed in huge cartons and flown to Chaplains serving in Vietnam.

2 State Agencies File for Mitchel Land

"If a magnificent opportunity for the development of Mitchel Field is lost to Nassau County, it will be because County Executive Nickerson dragged his heels."

This statement, by Hempstead Town Presiding Supervisor Ralph G. Caso, was prompted by the filing of applications for surplus federal land at Mitchel Field by two state agencies: the Department of Mental Hygiene and the Narcotics (Addiction Control Commission), last February,

anticipating the declaration of a large tract of federally-owned land in the northwest corner of the field as surplus. Caso started prodding the County Executive to submit a plan for purchase and utilization by Nassau County.

In April, when no plan had yet materialized, Caso went before the Mitchel Field Planning Committee with his own proposals for income-producing housing and industrial development together with recreational facilities.

In June, the U. S. General Services Administration formally declared 191 acres of the field surplus. In July, Caso submitted an application to the GSA for the total expanse to be purchased by the Town of Hempstead, in which the field is located.

The Nassau County Planning Commission meanwhile, unable to meet the original deadline of July 29, or the later deadline dates of August 31 and September

27, secured an extension to October 10 for submission of its development design and application.

"No one yet," says Caso, "has seen the long-awaited plan. No body knows what it contains, whether it meets the County's needs, or whether it will meet with the approval of the Hempstead Town Board in which jurisdiction for zoning resides.

"If the plan had been submitted when it should have been, months ago, it would have precluded applications by the state for purchase of the property for altogether incompatible uses," he said.

The Narcotics Addiction Control Commission applied for all or part of the land (to a minimum of 50 acres) as recently as one month ago, Caso revealed. Application for 30 acres requested by the State Mental Hygiene Department was filed as late as August 31.

Dedicate Marker At Historic Rectory

An historical marker to be placed in front of the rectory of St. George's Episcopal Church on Peninsula Boulevard, Hempstead, was dedicated by the Nassau County Historical Society Sunday afternoon, Sept. 18, in the Educational Building of St. George's Church. The Friends of Historic St. George's Church were hosts for the occasion.

The rectory of St. George's Church, a Georgian mansion of fine architectural design, was erected at Peninsula Blvd., (formerly Prospect St.), and Greenwich St., Hempstead, in 1793. It is known as the birthplace of E. L. Harriman, the railroad magnate and father of Former Governor W. Averell Harriman, whose father was rector of St. George's about 1850.

The rectory is the third to stand on the same site. The first rectory was built soon after Hempstead was settled in 1644 and was replaced by the second rectory built in 1682.

The marker erected in front of the rectory is one of a series planned by the Nassau County Historical Society. Last year the Society erected a marker near the old home of Capt. John Underhill

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

Well, here we are back again after our first quiet weekend in months. It was reasonable quiet anyway—of course we still had our usual two practices, to keep us all in shape and we discussed our plans for next year. Last week we mentioned that the Marching and Maneuvering Season was officially brought to a close. But that was 1966. 1967 offers wide and brighter horizons.

Some of our plans include YOU. We hope for a bigger sound and

a more intricate drill. This means we need more girls.

For any of you who are a little doubtful as to whether you have the talents to be a Cadet, put your mind at ease. There is no experience necessary, either in music or marching. We have a host of patient instructors. Our work is hard in some ways, but we make it fun for all. In fact there are many times we deviate from our reserved manner (Did I say reserved?—Well!!)

For example, on our way home from Washington D.C. we made a side trip to Annapolis. One of our more athletic members decided the Navy could use a little competition when it came to running track. So in she ran and would you believe she placed second to last. Needless to say before she went in for the next few laps we convinced her to stick to her marching.

If you're a young lady between the ages of ten and eighteen, we invite you to share our many experiences with us as a participating member of our Corps. Come down to St. Ignatius this Saturday morning, anyone of us will be glad to help you.

Former FBI Agent Hofstra Officer

William A. Johnson of Hempstead, former Senior Agent in charge of the Nassau County office of the Federal Bureau of Investigation, has been named Assistant Development Officer at Hofstra University. Johnson served the FBI for 25 years and was assigned to the Nassau office from 1944 to 1952.

The new development aide was administrative assistant to J. Edgar Hoover in the espionage field during World War II, and at other times he supervised major case investigations at the FBI Washington headquarters. He also has been assigned to public relations activities within the FBI.

Johnson is a 1932 graduate of the University of Massachusetts, and received his law degree from Washington College of Law in 1939. He and his wife live at 62 Hendrickson Ave.

GOOD QUESTIONS

Mr. Wolff, again you are resorting to a campaign of smear and deformation. The voters are not going to be fooled by worn out and discrediting charges. I do want to know why you have ducked the issues. They want to know what you mean when you say we should de-escalate in Vietnam. They want to know why you have been covering up Commissioner Howe's advocacy of merging suburban and city school districts. In short, though you're up to your neck in mud, the voters are decent enough to want to know where you stand.

Fire Prevention Week Goal

Fire prevention time has come around again, as this week we observe Fire Prevention Week.

In thousands of towns and cities across the nation there will be addresses on fire prevention in schools, service clubs, and other organizations.

In many communities, teachers are taking their students to visit the local fire department station house to see the fire apparatus at close range, and the firemen who man the equipment.

Amazingly some people will ask why we observe Fire Prevention Week every year.

The answer is simple. Three out of every four fires are the result of carelessness. By using ordinary care, we can prevent fire from happening. And if we do that, Fire Prevention Week will have been worthwhile.

Martin Ginsberg.

Enrolled as freshmen this term at Manhattan College are the following from Hicksville: Rudolph K. Szabados of 78 Wicks Ct., William J. O'Donnell of 110 Dartmouth Dr., Peter L. Douglas

of 22 Brooks St. and Thomas J. Gill of 173 5th St.

The Ladies Auxiliary of the Hicksville Police Boys Club is having a membership drive. For further information please call either Mrs. Wellman at WELLS-8-2994, or Mrs. Normile at GB-3-2890.

The Levittown Extension Unit on Oct. 12th, will welcome a member of the Peace Corps who will give an informative and interesting talk on training, life and work in the Corps. The meeting will be held in Levittown Hall, Hicksville at 8:30 P.M. and guests are cordially welcome.

Christmas wreaths and boutique items made by the young adult retardates at the greenhouses and workshop at the AHRC center will be on sale, or orders taken, Monday, Oct. 10, 8:30 P.M. at the Levittown Hall for the monthly meeting of the Levittown-Hicksville-Wantagh Auxiliary of the Association for the Help of Retarded Children. There will also be Halloween candy on sale to benefit the children. Those people unable to attend the meeting may order through Mrs. Alex Lochrey at PY6-7944.

JOHN J. BURNS, state commissioner of local government, Hempstead Town presiding supervisor Ralph G. Caso and Supreme Court Justice Howard T. Hogan were on the panel at a recent meeting held in Plainview to discuss the Constitutional Convention scheduled to open in Albany next April. The session was one in a series of 15 public hearings being conducted in Nassau's five State Senate districts to solicit public opinion on the issues that will confront the historic convention. Commissioner Burns and Justice Hogan are candidates to be delegates to the convention in the Third S. D. Caso is serving as moderator of the meetings.

Lions Provide Youth Challenge

The youth of Hicksville have been given a challenge to develop a plan for world peace by their local Lions Club—a challenge that could earn one of them a \$25,000 educational and/or career assistance grant.

The Hicksville Lions Club, together with Lions Clubs throughout the world, is sponsoring a world-wide essay contest for the world's youth on Peace. The contest offers \$50,000 in total awards, including the \$25,000 first prize, eight semi-final world regional awards of \$1,000 each and travel expenses for the eight winners to Chicago, Illinois in July 1967. At that time the first prize winner will be chosen from the eight.

"We are hopeful one of our young people will win this world-wide prestige award," President Pierre Charbonnet of Hicksville Lions Club said in announcing the contest locally today.

The contest is open to young people who will be 14 but less than 22 years of age as of Jan. 15, 1967.

Operation VFW

One would never expect calm and quiet spoken Jim Klueg to create a stir or cause a commotion by anything he'd say — but he did. At the last meeting Jim announced he would be leaving Hicksville to work and live in Altoona, Pa.

Always conscientious and precise in whatever he undertook, his work will be missed by the Post. But more important than that is the fact that Jim will be missed by those who know him and those who worked with him.

As commander in 1963-1964, Jim instituted the first Voice of Democracy contest in Hicksville. The contest sponsored by the Veterans of Foreign Wars offers 10th, 11th and 12th grade students a chance to compete for scholarships on a national level. Following his commandership Jim has accepted the Voice of Democracy chairman for the past three years.

Last year the program was co-sponsored by the VFW and their auxiliary. Jim's co-chairman from the auxiliary was his lovely wife, Doris. In addition to the Voice of Democracy contest Jim was active in other Post activities and attended Nassau County meetings regularly.

We all join in and say to Jim, Doris and their son, "We wish you Good Luck, Success and we'll be seeing you — soon we hope."

All committees are busy with the business at hand proceeding smoothly at this date. Dinner and dance committee under the chairmanship of Frank Aug has contacted Huntington Town House and arrangements are being made for the third Saturday in February. The Souvenir Journal held in conjunction with the dinner and dance has been amended and is ready to go to the printer's after Mike Znaek checks a few items with other committee members. Jim Klueg kicked off the Voice of Democracy contest by contacting the schools and advised us at the last meeting that Hicksville High will be participating again. Harry Warth, New Year's Eve party chairman is looking for a band. The working members on Bingo are looking for other members to help relieve them during the evening. Three of the workers are unavailable at this time. Membership chairman Eddie Klebing is still looking for new members. Our next meeting is Monday night, October 10th. See you then.

"The Size Of The Lie..."

(Mein Kampf by Adolf Hitler - Chapter 10, page 313)

Steven B. Derounian (R) tries the decency of men of honor and sends shivers up the spines of those who understand the ways of the demagogue.

Last Friday he and his staff staged what they called an educational forum designed to warn citizens of a threat that local school districts soon will be faced with compulsory busing of students from city schools across suburban district lines. This bugaboo Derounian claims to be fighting, by his own admission does not yet exist. It is only an idea that might be considered some day. But this fact was so skillfully sluffed over that Friday's meeting became an alarming use of the half truth to play on the fears of men. (See page 2.)

Recently, when Congressman Lester Wolff (D), who replaced Derounian in 1964, issued a financial statement and asked for one from Derounian covering his 12 years in Congress, Derounian characteristically retorted, "Witch hunt". This is the kind of answer one expects from a man who consistently permits himself to be introduced as if he were the incumbent congressman seeking reelection, an impression also given in much of the official campaign literature issued by Derounian.

During his recent primary campaign against William Casey, Derounian permitted the widespread publication of an ad which purported to show that many high ranking Republicans backed him. Nearly all of them immediately denied Derounian and the ad was completely discredited. Derounian then issued a statement making it appear as if the ad were published without his knowledge, this in spite of the fact that during public appearances he frequently says that these same men endorse him.

In a similar act of attempting to defraud the public, Derounian has authorized listing himself in the 65-66 and 66-67 telephone books as "congressman" with his own number.

Through his continued unwillingness to admit his conservative leanings, Derounian publicly denies his own beliefs. But the Conservative party is not fooled. It understands Derounian so well and has such complete faith in him that he is the only Republican candidate in the 3rd congressional district not opposed by a Conservative candidate. Since the Conservative party admittedly would rather elect liberal Democrats than liberal Republicans, its failure to oppose Derounian is absolute proof that he satisfies them.

Judging from these facts and his past record, we can expect Derounian's current campaign to continue to be the mass of half truth and innuendo that have become his quickly recognizable trademark.

Because of all of this we are fortunate indeed to have a candidate with the fine record, honesty and integrity of Lester Wolff, who, no matter how Derounian tries to make it look otherwise, is the duly elected representative of the 3rd congressional district.

Editor's Note:

At press time the Leader received a copy of a telegram sent to Congressman Lester Wolff by Harold Howe, U. S. Commissioner of Education. "Thank you," Howe wrote Wolff, "for calling to my attention an allegation that the U. S. Office of Education is planning to introduce legislation to require busing of students to achieve integration or for any other purpose. "This is just not true."

Rainbow Veteran Heads Division

Charles H. Rose of Jericho, a Korean war veteran with nearly 20 years of military experience, has been appointed to command the rocket battalion of the famous Rainbow Division, New York Army National Guard. Rose, who lives at 2 Richmond Ave., holds the rank of lieutenant colonel. He received his assignment Sept. 29 from Major General Martin H. Foery, the Rainbow Division commander. His new unit is formally designated the Fourth Battalion, 258th Artillery, 42nd Infantry Division.

A battalion commander, Rose will control a 200-man unit stationed at the Kingsbridge Armory in the Bronx. He is trained and equipped to fire the infantry division's mightiest weapon—the Honest John rocket, which may carry nuclear or conventional warheads.
