

OYSTER BAY TOWN BOARD members (left and right) Councilman A. Carl Grunewald of Hicksville and Ralph J. Marino of East Norwich, extend the Town's official greeting and congratulations to Governor Rockefeller at the Nassau County reception held for the Governor following the opening of the New York State Legislature in Albany recently.

The Hicksville Republican Committee announces the unanimous endorsement of Councilman A. Carl Grunewald to seek another four-year term on the Town Board.

At its regular meeting held Jan. 10, Julius Schwartz, Executive Leader of Hicksville, said the community's 60-member committee "warmly supports Councilman Grunewald because of his excellent qualifications and the outstanding contributions he has made to the community of Hicksville and to the Town as a whole during his four-and-a-half year term as a member of the Town Board."

"Grunewald," Schwartz said, "has been an effective, forceful and articulate representative on the Town Board and is thoroughly conversant with the responsibilities and duties of local government." Schwartz was also highly critical of the Democrat Supervisor's proposal to establish a New York City Ward System of electing Councilmen for the Town Board. He warned the people of Hicksville that should this ever come about they would lose their voice and representation at Town Hall.

He pointed out that under the Democrats' proposal the people of Hicksville would only have the right to vote for the man who lived in their Ward, as opposed to the present system of voting for every member of the Town Board seeking election. "This would wreck our home-rule and set the stage for total disintegration of local government. The Democrats' proposal is an attempt to turn the clock back in an effort to serve their own partisan ends."

Grunewald, former Chairman of the Zoning Board of Appeals, serves on the Town Board's Standing Committees on Parks, Beaches, Recreation, Parking and Public Safety, Health and Welfare. A resident of Hicksville for the past fifteen years, he has spearheaded and brought to successful conclusion a num-

ber of projects in his assigned areas.

Currently, Councilman Grunewald is working on the expansion of the Town park program in Hicksville to include a seven-acre site on Old Country Road and South Oyster Bay Road as an addition to the community's park system. He is also playing an important role in advancing the Town's proposed Master Plan which is expected to be the subject of public hearings in 1967 and is heading up a Committee to revise the Town's Sanitation Ordinance.

Grunewald maintains office hours at the Town's branch office on Broadway in Hicksville for the convenience of mid-island residents and is widely known for his ready availability to all residents to discuss and arrive at solutions of local government problems. He is active in Kiwanis, Hicksville, past chairman of the Red Cross Drive and works on Boy Scout, Girl Scout and Cancer Fund Drives.

He resides at Violet Ave. in his home community with his wife, Helen, and daughter, Ann-doris.

Two Oyster Bay Town Sanitary Services Division workers have successfully completed a four-month course in incinerator technology, R. John Plock, Department of Public Works Commissioner, announced.

James T. Langley of Syosset, Supervisor of Operators and Joseph E. Burford of Bethpage, General Foreman, completed a five-lecture and discussion course sponsored by the Incinerator Committee of American Society of Mechanical Engineers, the Westchester County Department of Health, the State Department of Health and the White Plains Board of Education.

STATE UNIVERSITY COLLEGE at Oneonta, under the direction of Dr. Charles C. Burnsworth, presented two performances at the Burns Avenue School on Friday, Jan. 27th. Members of the chorus will be feted at a luncheon sponsored by the Burns Avenue P.T.A.

The Hicksville Recreation Madrigal and Recorder Consort has been honored by an invitation to perform at the National Music Educators Conference in Boston Massachusetts on Feb. 13.

To assist in supporting the trip they will be giving a benefit concert on Sunday, Feb. 5, at 3 P.M. in the Junior High School Auditorium, Jerusalem Avenue. Tickets are available at the Recreation Office, Administration Building.

The Hicksville Recreation Madrigal Singers is an outgrowth of the regular music program

at the Hicksville Senior High School, Hicksville. Auditions are held each fall and a balanced group of fifteen singers is assembled. They rehearse for two hours each week under their director, Charles L. Arnold, and give as many as a dozen concerts each school year. It is felt that the high school singers of Hicksville should have the opportunity to perform the wealth of music primarily created for a group of this size.

The Hicksville Recreation Recorder Consort was organized by Gerald Burakoff in 1962. At

that time all of the players were students at the Burns Avenue Elementary School. Hicksville Recreation assumed sponsorship of the Consort as the players were promoted to the secondary level, and became dispersed over several buildings.

The group rehearses once a week under the direction of Burakoff. Among the Consort's best received concerts were those given in Philadelphia for the MENC Conference in March, 1964, and at the 1965 NYSSMA Conference in December, 1965, at Lake Klamath.

School Boards to Meet with Delegates

Educational issues involved in the re-framing of the New York State Constitution will be discussed by Nassau and Suffolk school board members and the elected constitutional convention delegates from the two counties at a day-long workshop in the Garden City Hotel on January 28. The meeting, the third in the 1966-1967 series, is sponsored by the Nassau County School Board (NCSB) Forum of Hofstra University and the Nassau-Suffolk School Boards Assn.

Highlight of the morning session, scheduled to start at 9:30 AM, will be a discussion of church and state relationships by four experts on a question which shapes up as one of the thorniest issues to be considered by the convention.

The men are Dr. George B. LaNoue, Assistant Professor of Government and Education at Teachers College, Columbia University, and a consultant at the

Dept. of Religious Liberty of the National Council of Churches; Thomas Ford, Vice President of the Catholic Lawyers Guild and chairman of the Guild's Amicus Committee, who was attorney for the intervening parents in the Herriks "Regents Prayer" case; Leo Pfeffer, Chairman of the Department of Political Science at Long Island University; and Special Counsel to the American Jewish Congress; and Charles Rice, Professor of Constitutional Law at Fordham University.

All 22 of the constitutional convention delegates elected from Long Island's senatorial districts in November are expected to attend the meeting. They will be seated with the board members during the luncheon when they will hear Dr. Fred Morse, Secretary to the New York State Board of Regents, discuss "Issues in Education Confronting the 1967 Constitutional Convention." Following the luncheon, the delegates will be invited to present their views and discuss issues with the board members. It is expected that the areas of major interest will include public school

finance, including the earmarking of revenue and restrictions on borrowing; church-state relations, particularly the use of public funds for sectarian schools; relationships between local boards of education and the state government; and expanding educational opportunities for all citizens.

J. Lewis Ames of Massapequa, President of the Nassau-Suffolk School Boards Assn., will welcome the delegates. The morning session will be chaired by A. Terry Weathers, vice president of the New York State School Boards Assn., and the luncheon session by Milton Kurland, chairman of the Forum's Advisory Committee. George Weinstein, a member of the Board of Regents of the University of the State of New York, will chair the afternoon session.

Coordinator of the NCSB Forum is Fred Ambellan, Director of the Bureau of Educational Services at Hofstra.

ON BILL OF RIGHTS DAY, the Anti-Defamation League of B'nai B'rith donated a series of books dealing with human relations to libraries throughout New York City, Nassau, Suffolk and Westchester counties. Mrs. Theodore Kaufer, president of the Four Freedoms Chapter of B'nai B'rith, presented a set of six books to Kenneth Barnes, left, director of the Hicksville Public Library, while Mrs. Irving Tuchfeld, chairman of the Anti-Defamation League stands by.

Caso Sticks To Home Base

Hempstead Town Presiding Supervisor Ralph G. Caso announced to a press conference, Monday, that he will not be a candidate on the Republican ticket for county executive in the fall and that he will seek re-election in his present position. Despite endorsement by the county GOP committee and the urging of many friends, he said his decision was irrevocable and not subject to any form of draft.

Caso, a resident of Merrick, said in his prepared statement, that he had been "enthusiastical-

Jan. 28 to 5 P.M. Jan. 29.

All Around Town

For high scholastic standing during the Ithaca College fall term which ended in December, three residents of the Hicksville area have been named to the Dean's List. Ranking among the top ten per cent in scholarship in their departments are Michael J. Ollins, a senior majoring in English, son of Mr. and Mrs. Samuel Ollins, 9 Wellesley Lane, Hicksville; Claudia Lynn Pelegan, a sophomore foreign language major, daughter of Mr. and Mrs. Claude Pelegan, 6 Hazelwood Drive, and Joanne Mass, a senior in the Department of Speech Pathology and Audiology, daughter of Mr. and Mrs. Nat Mass, 113 Bounty Lane, both of Jericho.

ly" urged two months ago to run for county executive, presumably against incumbent Eugene Nickerson.

With his wife at his side, Caso told the press at Town Hall in answer to questions that he thought either Sheriff Joseph Maher or County Clerk Franklin Ornstein would be his opponent for Presiding Supervisor in November, confessing that he was not privy to the thinking of the Democratic organization.

Pressed for possible Republican candidates for County Executive in November with himself out of the race, he named Congressman John Wydler, North Hempstead Supervisor Sol Wacht-

ler, State Senator Edward Speno or District Attorney William Cahn as possibilities.

He said he had advised Wydler and Wachtler of his decision prior to the press conference.

He indicated he felt the base of power for the Republican party in Nassau County rests in the Town of Hempstead.

His formal concluding statement was "I have come to the decision that I am of more value to the people in this public office at this time than any other, at the present time. I have therefore decided to seek reelection to the high office of presiding supervisor for another term."

CONGRESSIONAL REPORT:
The long sought Veterans of Foreign Wars resolution, that a Standing Committee on Veterans Affairs be established in the Senate, could become a reality this year. Senator Everett Dirksen, on the second business day of the 90th Congress, introduced Senate Resolution No. 8 that would create a special committee to handle veterans affairs exclusively.

In his remarks to the Senate Senator Dirksen said, "Jurisdiction over veterans affairs has been divided between the Committee on Labor and Public Welfare and the Committee on Finance. It occurs to me that we could do well by having a single committee and entrusting it to all jurisdiction over all veterans matters. In doing so I believe we would follow a precedent that was established in the executive branch, for at one time there were a number of agencies that handled veteran matters, but at long last, all of them were consolidated into the Veterans Administration. I believe the Senate could do well to take this step, notwithstanding my general hostility to the idea of augmenting the number of standing committees in the Senate, but in this case I believe it ought to be done in the interest of efficiency of handling veterans matters."

The American Legion, the Veterans of Foreign Wars and other veterans organizations have been following this matter and urging the Senate to this for a couple of years.

All things being equal, when the time comes, I shall submit the matter for the consideration of the Senate, and I submit it now."

Senator Dirksen's resolution calls for a committee of nine Senators to which all proposed legislation, messages, petitions and other matters pertaining would be referred to. Briefly they are:

1. Veterans measures, generally.
 2. Pensions.
 3. Compensation
 4. Vocational rehabilitation and education.
 5. Hospital, medical care and treatment.
 6. Soldiers and Sailors Civilian relief.
 7. Readjustment to civilian life.
- Co-sponsoring the resolution was Senator John Williams of Delaware.

To date, similar resolutions for a Standing Committee on Veterans Affairs in the Senate were introduced by Senators Howard Cannon; George McGovern and Jennings Randolph.

Dam Across Sound?

Presiding Supervisor Ralph G. Caso has called upon interested public agencies to give "full and proper" consideration to a proposal calling for a dam across LI Sound from eastern Suffolk to New England. The proposed barrier dams at each end of LI Sound, it said, would create a "huge lake" providing a reservoir for the water rains now draining from the New England watershed.

Proponents admit there "might be damage to shellfishing, possible pollution and an effect upon boating and sport activities". The estimated cost of the project is \$350 million and would be vigorously opposed by North Shore residents of Long Island.

No Special Deer Season

Despite rumors to the contrary, Nassau County Clerk Franklin H. Ornstein warns that there is no special deer season planned by the State Conservation Dept. for the first portion of 1967. Ornstein is in charge of issuing hunting and fishing licenses in Nassau County.

To Correct Inequities

Senator Edward J. Speno and Assemblyman Martin Ginsberg announced today that they had in-

Pageantry in Brass

By the St. Ignatius Girls Cadej Corps

In the past we have told you about the new music and our show for 1967. This week we'd like to take you behind the scenes.

Aside from the music we play on the field, we have our own private hit parade. You see deep down inside we have the desire to create. This has developed over the years as the Corps has grown.

When we first started our little song feasts, on our way to Rochester many years ago, we resorted to such popular tunes as "Does Your Chewing Gum Lose Its Flavor on the Bed Post Overnight" or "Michael Row the Boat Ashore" followed by the "Alleluia Chorus" which was sung by our chaperones when we finally quieted down.

Last year our numbers showed a little more originality. We started expressing our own experiences to the melody of the arrangements we played. As we neared the site of a contest our "Well trained voices" rang out with "Oh we're from St. Ignatius..." to the tune of our "Off the Line". "You Can't Get A Man With A Gun".

We have found that parodies can be written to almost any song and to fit any situation. Last year we travelled in a yellow school bus that looked something like the submarine in the recent film "Operation Petticoat." After five days in Washington we have a ballad that took just that long to complete, it contains the memories of a journey. Yet unlike a dairy it's all in music.

So whether we're happy or sad we sing about it and no matter

what the case may be we always get happier.

NANCY KEEGAN of 42 Downhill Lane Wantagh, a 14-year-old student at Holy Trinity High School, will represent the Hicksville Lions Club as its entry in Lions International's \$50,000 Peace Essay Contest.

Nancy Keegan won the right from 38 entries to enter the District level of Judging enroute to the Grand Prize.

A total of \$50,000 in awards will be made, including a first prize of \$25,000 in educational and/or career-assistance grant, eight semi-finalist awards of \$1,000, and travel expenses to Chicago, Illinois for these semi-finalists in July, 1967. At that time the first prize winner will be chosen from eight. Also, more than 20,000 local, district and multiple district awards will be made.

On the local level, Nancy will receive a prize of \$125. and a

gold certificate, as it's winner in Hicksville School District, by the Hicksville Lions Club.

Presentation will take place at the monthly meeting the evening of Feb. 22, 1967 at the Old Country Manor. The three Judges are expected to be present to meet with the winner.

Her essay was selected by a panel of three Judges! Supt. Donald Abt, Hon. Francis Donovan and Mr. Allen Carpenter.

Nancy was thrilled when learning she was the Club winner.

Boys Bantam Team Undefeated

Our Lady of Mercy, Hicksville, Boys Bantam Basketball Team led by Ed Parlow and George Keekison rolled to a 47-33 victory over St. Aidan A. The boys are undefeated and have already clinched a position in Section 3 Playoffs.

The Girls Bantam Basketball Team, behind a complete team effort, easily outdistanced Holy Family and won 40-2. The game that will decide the championship with St. Edward's has been rescheduled and will take place on February 8th at 7:00 p.m. in Our Lady of Mercy Gym.

The Girls Grammar Basketball Team, who had lost only one game in the last three years, went down to defeat to St. Martin of Bethpage by the score of 25-24. The girls lost because of fouls as Cheryl Carney, Denise Zowal and Mary Lawrence fouled out and Patty Doepper played with four. The girls are eagerly looking forward to their return game on February 28th.

The Boys Grammar Green Basketball Team started off the second half on the right foot as they defeated Holy Spirit. The boys were led by Jack Denker and Mike Barnett.

The Pre-Bantam Boys completed their sixth week of competition and the team standings are:

Notes Building Gain in December

Councilman Edward J. Poulos, Town Board Majority Leader says that he was encouraged by the strength shown by the building industry during December and particularly by the upsurge in industrial buildings.

During the last month of the year, he said, permits were granted for eight industrial buildings at a construction value of \$1,022,220. The volume of industrial building activity was third largest during 1966. July led with 11 buildings valued at \$2,416,872 and June was second with 14 buildings, \$1,905,065.

The building department reports, prepared by Manager Edward J. Gaylor showed 28 one-family residences started during December valued at \$586,607; 84 alterations and additions, \$243,350; 12 other than residences, \$20,404; 10 commercial buildings, \$621,968; one two family house, \$24,749.

The total new construction value in the December report was \$2,518,298 and it represented 143 building permits. The money value was up from \$1,685,889 in November and \$1,966,282 in October.

Herald Reader Opinion

To the Editor:

I was so glad to read in your Dec. 29th edition that County Executive Nickerson is starting a project of installing benches for the elderly at bus stops. Very often I have seen elderly people as well as young folks with restless children standing for long periods of time waiting for the bus. To them I am sure the installation of these benches will be a blessing. I also congratulate the Hicksville Chamber of Commerce for their participation. It speaks well of our community to be thinking of the welfare of our citizens, especially the senior citizens.

Town Starting Sr. Citizen Program

The Oyster Bay Dept. of Recreation and Community Activities inaugurated a Senior Citizens program for Town residents starting Jan. 25.

The program, directed by Mrs. Adelaide Attard, will continue through June and is held every Wednesday from 10 a.m. to 3 p.m. at the Syosset-Woodbury Community Center.

Mrs. Attard, who lives in East Norwich, was formerly a recreation specialist with Nassau County, dealing mainly with Senior Citizens.

Included in the program, open to all Town residents 55 years of age and older, are ping-pong, billiards, arts and crafts, card games and special events such as theatre parties and special trips to points of interest on Long Island and New York City.

Mrs. Attard will coordinate Senior Citizens activities for all Golden Age groups within the Town. Those interested in further information should contact Mrs. Attard at the Recreation Department, 7800 Jericho Turnpike, Woodbury, or call 921-5877.

Receive Drainage Bids for Jericho

The Town Board authorized competitive bidding on a drainage project in Ellen Place, Jericho, it was announced by Councilman Ralph J. Marino. The project was recommended by Public Works Commissioner H. John Plock.

Presidency Not Too Big a Job

The job of the U.S. Presidency is not too much for one man. This was the feeling of most Jericho participants in the recent Meadow Brook National Bank's Community Opinion Poll, according to results announced by Charles Barvels, Manager of the Bank's Jericho office.

The tally on the question of whether the duties and responsibilities of the U.S. Presidency have become too much of a burden

for one man: 51.0% said no, 47.9% answered yes and 1.1% weren't sure.

The majority of local voters in the Poll rejected the idea of a lottery draft instead of the present Selective Service System, with 62.2% against the lottery idea, 34.6% in favor, and 3.2% who apparently couldn't make up their minds.

On other questions, 55.1% of voters in the Jericho area in-

dicated a willingness to have another commercial jet airport on Long Island, 40.8% turned thumbs down on the proposal, and 4.1% were undecided. The United Fund concept won firm acceptance from voters, 61.2% preferring that system in place of making dona-

tions to many individual charities, 30.6% in favor of the latter system, and 8.2% who apparently could live contentedly with either system.

amount called a deficiency. The
dollar amount is then converted
into a percentage and is known as
the deficiency rate.

The deficiency rate is applied
to all subsequent payrolls for a
40 year period and is paid in ad-
dition to a normal rate.

Senator Speno said that there
were districts that entered the
system with two or three em-
ployees which had grown to 30 or
40 employees or more. "Thus,"
he continued, "One district with a
payroll of \$6,000 per year in 1946
had grown to the point that its pay-
roll is now \$270,000. Its cash
deficiency which had been
computed as just over \$13,000,
when converted to a percentage
rate has caused it to pay over
\$170,000 to this date, and in 40
years will probably require a
payment of \$630,000 if the law is
not changed."

Nicherson has issued a proclama-
tion designating the month of
February as "American History
Month" throughout Nassau
County. The proclamation was
presented to Mrs. Robert Thwaite
of Manhattan, Regent for the
North Riding Chapter of the
National Society of the Daugh-
ters of the American Revolution;
Mrs. Edward J. Reilly of Garden
City, New York State Regent and
Mrs. Joseph P. Vecchiarelli of
Roslyn, Historian and Chairman
of American History Month.

Starting with the first salary
you receive in January, your so-
cial security tax will be 4.4% on
your earnings up to \$6,600 a
year.

Have you been totally disabled
for 12 months? If you have, it
may mean monthly payments for
you and your family. Check with
your Freeport social security of-
fice today.

ACCEPTING APPOINTMENT this week to leading roles in the Cerebral Palsy Association's county-wide fund drive are two prominent Hicksville residents, Fred Sutter (left) and Stanley P. Amelkin (right). Sutter and Amelkin will spearhead the May door-to-door campaign as chairmen in Hicksville. With them is Marvin Wagner, center, Administrative Assistant to the Town Supervisor and leader of the fund drive in the central Oyster Bay region.

OYSTER BAY TOWN COUNCILMAN Edmond A. Ocher, right center, drops first puck to signal start of recreation department's junior hockey league play at the Syosset-Woodbury Community Park. Hockey coach John Messbauer, left, of 18 Holly Lane, Plainview, supervises as Kevin Creamer, 9, of 18 First Street, Syosset, second left, and Ray Seebach, 11, of 68 Virginia Avenue, Plainview, prepare for puck.

FEBRUARY PROCLAIMS AMERICAN HISTORY MONTH A proclamation naming February "American History Month" in the Township of Oyster Bay, is signed by Supervisor Michael N. Pettito. Looking on at the Town Hall ceremony is Mrs. Edward F. Lear, (left) Recording Secretary of the Oyster Bay Chapter of the American Revolution and Mrs. Theodore Roseberry, D.A.R. Regent.

QUESTIONS AND ANSWERS

Q. I am 60 years of age and receive social security disability payments. Will I be eligible for Medicare benefits?

A. No, not until you are 65.

Q. Under Medicare, can I choose my own doctor?

A. Yes, there are no restrictions whatsoever in the law regarding your choice of doctors.

Q. I have been married twice. The first marriage ended when my husband died and the second marriage was ended by divorce. The first marriage lasted 21 years and the second 23 years. I heard I may be eligible for benefits under the new social security law. Is this true?

A. You may be eligible for

benefits on the record of your divorced husband. You will have to establish that certain support requirements were met. Check with your Freeport social security office for further details. Of course, you can receive benefits only if your second husband is eligible for benefits.

Scout Council Roundup Old Timers

Are you an old-timer? Were you registered in Scouting in the Nassau County Council Boy Scouts of America during the good old days, either as a boy or a leader? Are you a past member of the Executive Board, a past

recipient of a Silver Beaver Award, or were you a member of the Sagamore troop years ago?

If so the Nassau County Council wants you to be a part of their Golden Jubilee celebration taking place during 1967. Feb. 20th marks the 50th Anniversary of the founding of the Council under the direction of Theodore Roosevelt at Sagamore Hill. The year long celebration is a commemoration of his contribution to the movement and his philosophies which are still a dominating factor.

The Cloud Casino at Roosevelt Raceway will be the scene of the Golden Jubilee Banquet scheduled for 6 P.M. Saturday, Feb. 11. Kermit Roosevelt, grandson of "T.R.", his wife and other members of the Roosevelt family will be the key figures in the celebration.

Also taking place that night will be the presentation of 1966 Silver Beaver Awards to the following: Lou Klopfer, John

Birch, Vincent Rubano, Marvin Jacob, Charles Todd, Norman Schaeffer, Connie Dezezo, Ed Kilgus, Chip Sparling, Bill Murphy, Fred Pratt, Joe Koster, Dave Fisher, Robert Hughes, and Ed Kraus.

Dinner tickets are available from the office of the Nassau County Council, Boy Scouts of America, Shelter Rock Road, Roslyn. Old Timers are urged to call the office (742-8282) and request an invitation to this significant event.

The second reunion phase will take place at Camp Wauwepex at Wading River on July 15 and will recognize all campers between 1921 and 1946. The third and final event of the year will take place at Sagamore Hill on Oct. 28 at which Heritage program recognition will be given to units who qualify.

F. Howard "Chief" Covey, first Scout Executive of the Council, is serving as the Chairman of the Council Reunion Committee.

During 1965, Sakaris functioned as the Town Purchasing Agent. His new activities will include supervising and implementation of the upgrading of safety factors in all Town-related activities.

Sakaris who attended Hicksville High School, is married to the former Bonnie Rieger of Buckner Ave., Hicksville.

Chamber Plans To Publish Map

Leland Badler, President of the Hicksville Chamber of Commerce, has announced that the Chamber is in the process of preparing a Hicksville street map. It is anticipated that at least 20,000 copies will be printed. The map will contain a street index, vital statistics, emergency phone numbers, and bus and train schedules, historical facts and a classified index of advertisers.

The Chamber is now soliciting advertisers for the map. The Chamber considers the map valuable document for advertisers since it is the first Hicksville map in a number of years, and will be retained for a long time by persons in whose possession they come.

Advertisers are being solicited and interested parties are requested to contact the Hicksville Chamber of Commerce Inc. at 111 Old Country Road, Hicksville, or Stan Turner, Executive Director, at WE 1-7170.

Rosemary Basilemilli, Mr. and Mrs. Peter Basilemilli of 44 Elmwood Lane, Jericho, recently announced the engagement of their daughter, Rosemary, to Kenneth Pohl, USNR, son of Mr. and Mrs. Kurt Pohl of 27 Primrose Ave., Hicksville. Mr. Pohl attended Iowa Wesleyan College and was employed at Continental Can Company before going on active duty with the Navy. He is attached to a Naval Air Attack Squadron on the aircraft carrier, USS America, presently being deployed to the Mediterranean with the U. S. Sixth Fleet. No date has been set for the wedding.

This ad is about money. It may not be for you.

Think your present checking account is the last word in handling your money? We have news for you. There's a new way, designed to meet the demands and opportunities of today.

We call it Checking Plus.

Checking Plus

Checking Plus is not for everyone. It's only for responsible people, who understand and appreciate its flexibility and convenience.

People who like to keep most of their money invested and working, and still have funds to draw on, if necessary.

People who want protection from sudden emergencies and the opportunity to get in on unexpected good buys.

People whose income is certain but irregular, such as doctors, lawyers, architects and salesmen.

People who want to establish credit just once, and not have to establish it again each time they take out a loan.

Checking Plus is the new idea in checking accounts recently intro-

duced by First National City Bank. A checking account that gives you real freedom, even to avoiding the embarrassment of accidentally over-drawing your account.

We think Checking Plus is the checking account of the future.

Checking Plus works like any other checking account. You write checks the same way. But you have a plus! You have more money than your balance to draw on. A cash reserve. First National City sets this money aside for your use if and when you need it.

Your reserve may be as little as \$400 or as much as \$5,000.

\$400-5,000

Any time you write a check for more than you have in your account, we automatically take enough money out of your reserve (in multiples of \$100) and credit it to your account.

If you don't use any of it, you don't pay a cent. Many people just want the security of knowing it's there.

If you do use part or all of the

reserve, you are charged for the portion transferred to your account. The charge is 1% per month.

Repay as soon as you want, or take as long as one or two years. If you repay in, say, 10 days, your charge is only 10/30ths of 1%.

As soon as you repay any part of the reserve, it's ready to use again.

Another plus in Checking Plus is the special Identification Card. It's yours for the asking, and lets you cash your Checking Plus checks at any one of our branches.

If you can appreciate what money in reserve can mean to you, and the freedom and convenience it gives you, come see us at First National City. Any branch in the five boroughs, Nassau or Westchester.

Ask about Checking Plus, the modern checking account with a standby cash reserve.

Peace of mind never cost so little.
