Promise New Signal For Pupil Crossing

Months of efforts by parents of Old Country Rd. school children, the Board of Education and others to obtain more effective safeguards for students who must cross Old Country Rd. have resulted in the assurance that a "Walk-Don't Walk" signal will be installed at the corner of Lee Place but not until next month.

Board President George A. Jackson has received written assurance from Paul L. Streb, superintendent of traffic engineering in Nassau, that the installation has been ordered as his department's solution to the problem. The parents feel otherwise.

"Because of the Vietnam situation, there has arisen a shortage of steel and supporting hardware for these signals which has made it difficult to install these signals up to this time," Streb told Jackson.

Parents concerned point out that the recent widening of Old Country Rd. to six lanes has deprived children of precious seconds in crossing at Lee Place, although there is a pedestrian operated signal. They want the area clearly marked as a

school area calling for reduced speed by cars and trucks at that point. They want the traffic halted for more than a few seconds.

County authorities say it is not a "school crossing" because the Old Country Rd. School does not have its highway entrance at that point.

Parents have also been trying to get the Town Board, which has jurisdiction on Lee Place, to do something about cars and trucks which park along the sidewalk line in the shopping center parking lot, leaving engine hoods and tail assemblies hanging into the sidewalk area and forcing children to take to the gutter. They also want a signal at the corner which would block traffic in all directions when students pass.

DECA Chapter Scores in Area Contests

FOURTEEN Hicksville High School DECA members competed against other schools in the area on Feb. 17 in contests based upon marketing studies in school. Out of ten contests, Hicksville won six first place medals, four second place and two third place. Some of the winners were, from left, Debbie Warren, Joseph Nycz, Peggy Moldovak, Peter Cramer, Carole Feldscher, Rochelle Riservato, Barbara Hoosack and Kathy Grant. Kiwanis Aids Alumni Drive for Scoreboard

A \$100 contribution by the Hicksville Kiwanis Club spurred the drive for an electric scoreboard at the high school just the 30-yard marker.

This donation in the Civic and Club division was made by the Kiwanis Club despite the fact that it has already dined more than 100 Hicksville athletes this school year. It also maintains its Key Club and scholarship activities for the students.

The scoreboard will be erected in honor of Hicksville's first Nassau County Championship.

Helping in running back the opening kickoff of the drive were friends of the school in the business division. Donations were received from the Long Island

National Bank, MacCaffrey Insurance, Grace Equipment Company, Gentile Oil and Hicksville Travel.

Long downfield plays are still to come from the Alumni Association which is quarterbacking the scoreboard project.

Final Registration For Baseball Assn

The Hicksville Baseball Assn. will hold its final registration on Friday, Feb. 24, from 7 to 9 p.m. and Saturday, Feb. 25, from 10 a.m. to 2 p.m. for all boys between the ages of 8 to 19 at Hicksville Junior High in the 4th St. entrance lobby. To register a boy must have his 8th birthday before Aug. 1 of this year.

Info Coordinator Position Is Open

The Public Relations Committee to the Hicksville School Board announces that the Board of Education would welcome applications for a newly created position of Public Information Coordinator from individuals.

"A journalistic background is desirable for this position, since much depends on the person's ability to call accurate, pertinent facts from the motions, discussions and educational reports at Board meetings and translate them into dynamic information which will interest the public", the Committee says.

Those interested are asked to send a background summary to the Board of Education, Administration Bldg, Division Ave., Hicksville. Interviews will subsequently be arranged.

Chamber Will Install Apr. 29

Leland Badler, President of the Hicksville Chamber of Commerce, announced that the Annual Installation Dinner Dance of the Hicksville Chamber of Commerce would be held Saturday evening, April 29, at Old Country Manor. He also announced that he had appointed as Chairman of the Dinner Dance Committee, Wesley Shack, of the New York Telephone Co. Tickets will again be \$25 for two or \$12.50 for one. He pointed out that the Dinner Dance in 1966 had a capacity attendance. He urged the business men, officials and interested residents of Hicksville to purchase their tickets early from Stan Turner, Executive Director of the Hicksville Chamber of Commerce, 111 Old Country Road, Hicksville.

Beach Cottages Face Demolition

Negotiations were completed Feb. 14 by the Oyster Bay Town Attorney's office paving the way for the start of demolition work on the Center Island Beach cottages within the next two weeks - weather permitting.

The re-negotiations with the Wade Construction Co., complete a two-year fight by the Town with the owners of the 28 cottages and clear the way for the improvement of Center Island Beach.

Foster Parents Hold Discussion

E. J. Di Bianco of 23 Schiller St., Hicksville recently attended a Foster Parents Discussion Group held in Mineola at the County Executive Building West on Old Country Road. The Discussion Group session was part of a series conducted by the Children's Services Section of the Nassau County Department of Public Welfare for foster parents who have accepted invitations from the Department to attend the series.

Mr. and Mrs. Di Bianco are sharing their home at present with two foster children who are under the care of the Children's Services Section of the Nassau County Department of Public Welfare. Mr. and Mrs. Di Bianco have served the Department as Foster parents since 1963 and have shared their home with these children since that date.

The Discussion series has been arranged by the Children's Services Section in response to a recommendation received through the Foster Parent's Advisory Committee which serves as a liaison between the community and the Department. The present Discussion Group series will be comprised of three to four meetings and will cover some of the many phases in the changing field of foster care.

Expenses \$2600

Welfare expenses and values of the Charles Wagner Post, American Legion, from July 1, 1966 to Dec. 31, exceeded \$2600, according to Raymond J. Gamble, Welfare Officer.

Breakfast Set For Scout Week

Girl Scout Week will be celebrated by Scouts of Holy Family Parish, Hicksville, with the Sixth Annual Mother-Daughter Communion Breakfast on Saturday, Mar. 11. Following mass at 9 a.m. "hot" breakfast will be served in Levittown Hall. Guest speaker will be a Mary Knoll Missionary. Tickets may be purchased from Scout leaders at meetings or by contacting Mrs. Nagle, chairman, 114 Blueberry Lane, Hicksville, NY. 11801.

Extra Lighting

Councilman A. Carl Grunewald recommended and the Town Board has authorized new street lights, one each on Bobwhite Lane and Stewart Avenue in Hicksville. The installation order was given to the lighting company by Town Clerk William B. O'Keefe.

SERVING IN VIETNAM banners, distributed by the William M. Gause Jr. Post, Veterans of Foreign Wars of Hicksville, were presented recently to two new members of the Ladies Auxiliary who have loved ones in Vietnam. From left are Post Commander Frank Bless, Mrs. Herbert Goeb, Junior Vice Commander Michael Zaack, Mrs. Leo Kanawada and Senior Vice Commander Edward Klebing.

JOHN ANTHONY, right, conducts live interviews with guests over WTHE in the dining room of The Old Homestead, Great Neck, Monday thru Friday from 12:15 p.m. to 1 p.m. The show is produced by Evelyn Cherpicko, left, of East Meadow. Appearing recently to discuss home town newspapers in Nassau with Anthony were Sheila Hoegl Noth, publisher of the BEACON, who is corresponding secretary of the Nassau County Press Assn., and Fred J. Noth, editor of the Herald.

Girl Scouts Collect For Flood Victims

Girls from troops in the Mid-Island area have been busy for the past several weeks, putting their promise into action. When news of the terrible disaster caused by the floods in Italy was received, the troops were reminded of that part of their promise to "help other people at all times."

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

Linda Marie Governale

Mr. and Mrs. Frank Governale of Hicksville, announce the engagement of their daughter, Linda Marie, to Pfc. James Himberger. Pfc. Himberger attended Siena College before entering the service, and is currently stationed at Fort Carson, Colorado. He is the son of Mr. and Mrs. Valentine Himberger of Hicksville.

A September wedding is planned.

We're sure you've all heard of the headless horseman; but we'll bet you've never seen nor heard of a headless bugler.

Well the St. Ignatius Girls Cadet Corps now has two such buglers, Kate Gomez and Mary Ellen McGee. No, we don't behead them for playing a wrong note. We just bought new contra bass bugles - in fact the whole baritone section is now equipped with a bigger and better sound. Of course the horns are bigger and heavier to carry. The contra bass bugle alone weighs somewhere in the neighborhood of eighteen pounds, and it is large enough to give the appearance of a headless player.

The remainder of the section will also have to get used to carrying a little more weight, but the bass baritones are not quite as large.

These new horns, fifteen in all, will afford us a better tone quality than ever before. Maybe you heard us Saturday, of course the horn has a different rotary and our fingering may have been a little rough, but we tried and in a short time persuaded our

Instructors to let us play the whole repertoire. Mistakes, we made plenty but give us till next week and we'll be almost perfect.

You know we've been so excited telling you all about the new horns, that we almost forgot to tell you that the first opportunity you will have to hear us this year will be at our Individual Contest, "Sounds of Spring" to be held Sunday, April 2 at 3:00 P.M. in The St. Ignatius School Auditorium.

Phone Co. Employees Handle Blizzard

New York Telephone's Nassau employees mobilized to handle more than 5,100,000 phone calls in the county recently during the "Great Blizzard of '67."

Special steps were taken throughout Nassau to move the heavy telephone traffic--19 percent above the volume for an average business day--and to keep the communications lines free of trouble as the winter's worst snow storm howled across Long Island.

Off-duty telephone operators came in to lend a helping hand at the five toll and dial service assistance switchboards, and at

the Information Bureaus in Hempstead, Garden City, Freeport, and Woodmere. Many operators also remained past their normal working hours or arrived early to help out.

Other telephone men and women walked for miles or hitched rides on trucks when their cars were blocked by snow drifts on the way to work.

An emergency fleet of repair trucks roamed throughout Nassau during the storm to provide quick assistance in case of trouble.

Only a few isolated cable failures were reported in the county despite the icing conditions and

high winds. There were some delays, at times, in obtaining dial tones as a result of the heavy volume of telephone traffic.

Because the severe snow storm made driving extremely hazardous, an emergency transportation system was organized with 13 heavy duty telephone trucks and 10 cars equipped with chains to take Nassau employees to and from their jobs.

Some 100 employees slept over on cots in the central office buildings.

Would Exempt Tax On Vamp Gas

State Senator Henry M. Curran of Oyster Bay, has proposed legislation to exempt all fire companies and fire departments in the state from motor fuel taxes, instead of only those owned by municipalities.

In announcing this proposal, Senator Curran stated, "Current laws exempt taxes on fuel for municipal fire departments, but ignore the equal and necessary service rendered by volunteer

fire departments in many areas of our state. It is only just that these vehicles be allowed to operate under the same condition."

The Senator's bill removes any distinction between vehicles owned by the municipal fire departments and those operated by volunteer fire departments.

NOTICE TO BIDDERS

PLEASE TAKE NOTICE, that sealed proposals must be received at Plainview Water District not later than 8:00 P.M. Feb. 27, 1967, following which time they will be publicly opened and read and the contract awarded as soon thereafter as practicable. No bid shall be withdrawn or modified in any way for a period of ten (10) days after the time for receipt of bids expires.

Each bid proposal must be accompanied by a certified check or bid bond in an amount equal to not less than 10% of the total amount bid, payable to the Plainview Water District as assurance that the bid is in good faith, said check to be drawn on a solvent bank or trust company having its principal place of business in the State of New York. Checks of all except the three lowest bidders will be returned as soon as bids are opened and read. Upon execution of the contract or within 48 hours thereafter, the remaining unsuccessful bidder's checks will be returned. Upon delivery of a satisfactory performance bond in the amount of the total successful bid, the certified check of the successful bidder shall be immediately returned.

The Board of Water Commissioners has reserved the right to reject any and all bids in whole or in part; to waive technical defects, irregularities, and omissions if in its judgment the best interests of the Water District will be served thereby.

Rededication Held By Junior Troop 595

Junior troop #595, under the leadership of Mrs. Barbara Burd and Mrs. Dorothy Moran, held an impressive rededication ceremony on Dec. 20. At this time the troop welcomed the new girls, while the older scouts renewed their Girl Scout promise and laws. In every Girl Scout troop, once a year at a candlelight the girls rededicate themselves to the principles of Scouting and the meaning behind the promise and laws.

After the ceremony, refreshments were served by members of the troop to their mothers.

Social Meeting Held

The Ladies Auxiliary of the Wm. M. Gouse Jr. VFW Post, Hicksville, held their social meeting Feb. 15 when three new members were present. The ladies assisting Post members in addressing boxes for boys in Viet Nam. Later refreshments were served and the members celebrated Dorothy Mulligan's birthday.

Bantam Teams Clinch Crowns

Our Lady of Mercy, Hicksville, C.Y.O. Boys and Girls Bantam Teams both clinched their sectional Championships this week.

The Boys Bantam Team led by Ed. Parlow 13 points turned back a stubborn St. Ignace, 33-28. The boys fought back from being down at half time and in so doing remained undefeated and wrapped up the sectional Championship.

The Girls undefeated Bantam Team led by Debbie Carney and Michele Lancalotte defeated St. Edward of Syosset 24-14. The Girls slowly built a lead that became insurmountable because of the stubborn defense that was set

up by Grandline Allison and Virginia Gordon.

The Boys pre-Bantam League standings are:

Red	8-1
Blue	7-2
Maroon	6-3
Green	3-6
Grey	2-7
Black	1-8

The Oyster Bay League of Women Voters is holding a "White Elephant" sale on Feb. 24 from 10 a.m. to 3 p.m. at the home of Mrs. Myron Ruderman, 7 Quail Court, Plainview, New York.

If you thought Pontiac was coming out with just another sports car, you don't know Pontiac!

Pontiac announces not one, two, three or four, but five magnificent new Firebirds for every kind of driving.

Now you can choose from five new Firebirds with the same advanced Pontiac styling, but with five entirely different driving personalities. And they all come with supple expanded vinyl interiors, wood grain styled dash, exclusive space-saver collapsible spare, bucket seats and wide-oval tires.

Firebird 400. Coiled under those dual scoops is a 400 cubic inch V-8 that shrugs off 325 hp. It's connected to a floor-mounted heavy-duty three-speed. On special suspension with redline wide-oval tires. This could be called the ultimate in grand touring. After this, there isn't any more.

Firebird HO. HO stands for High Output. As a split second behind the wheel will attest to. The Firebird HO boasts a 285-hp V-8 with a four-barrel carburetor, dual exhausts and sportstripping. Standard stick is a column-mounted three-speed. Naturally, all Firebird options are available.

Firebird 326. Is there room for a family in a sports car? There is now. The excitement of a sports car with the practicality of a 326 cubic inch V-8 that delivers 250 hp on regular gas. Standard transmission is an all-synchro three-speed, but you can order an automatic.

Firebird Sprint. Now you don't have to go to Europe for a sophisticated road machine. This is the 215-hp version of our eager Overhead Cam Six. It's mounted on special suspension that practically welds it to the road. (Any road!) With a floor-mounted all-synchro 3-speed.

Firebird. This is our economy Firebird—with the same exciting options and interiors as the more exotic ones. It's Overhead Cam Six squeezes 165 hp from regular for inexpensive fun driving. See them all at your Pontiac dealer's.

The Magnificent Five are here!

Schick Science announces-

New Schick Band Razor

Schick patent #2492292

Schick patent #2591702

Other patents pending...

10 new edges, not just 6. Ten new Schick Super Stainless Steel Edges on a continuous band.

Patented slotted band. Band holds taut between two spools. Gives you the control and the comfort you want.

For a new shaving edge, just wind the lever on the cartridge. It's easy. Guide numbers are on the side.

Leads longer time. After extra weeks of shaving, snap in a new 10-edge cartridge - you never touch a blade.

Schick Science brings you the new cartridge-loaded Schick Band Razor. Inside the cartridge, not just six, but ten Schick Super Stainless Steel Edges coiled into one continuous shaving band.

It's completely different. Better. In every way. You get a faster, smoother, closer shave.

The patented Schick band is slotted. It feeds between two spools, holds each new edge taut to give you the control and the comfort you want.

You'll like the convenience. You'll like the way each edge has the famous Super Krona coating to shave you closer - with greater comfort.

Operation VFW

(William M. Gouse, Jr., Post No. 321 by Eddie Klebing)

THE LADIES AUXILIARY is pleased to welcome to its ranks three new members. Their names are: Mrs. Virginia Byrnes, Mrs. Herbert Goeb and Mrs. Leo Kanawada. On their initial night, Mrs. Goeb and Mrs. Kanawada who have loved ones serving in Vietnam, were presented with the new "serving in Vietnam" banner now being distributed, free of charge, by the Veterans of Foreign Wars of Hicksville. The banner is given to families living in Hicksville who have a son, daughter or husband serving in Vietnam. Interested parties can obtain one by contacting the Post.

VETERANS ADMINISTRATION advises veterans who plan to go to college under the new GI Bill need to be able to pay their expenses for the first two months. The first monthly benefit isn't paid until after the first month's attendance, certification by the college, and approval by the VA. So its about twenty days before a vet gets a check after completion of a month's study.

PEACETIME VETERANS account for 3 out of 4 loans by the Veterans Administration. Of the 11,503 applications for home loans, 8412 were made under the new GI Bill for post-Korea veterans, VA officials said last week. A total of 13,005 applications were received in December. The new GI Bill has only been in effect since March 1966, but already it makes up the biggest percentage of VA loan activity.

FROM CAPITOL HILL comes word that the 1968 budget request submitted to Congress by the Veterans Administration this year is the largest since post-World War II years of 1947 and 1948. The proposed \$6.16 billion budget provides an additional \$692 million over the original 1967 request. Veterans Administrator William J. Driver calls the 1968 budget request "the most forward looking in the history of the agency." The 1968 request is \$172.9 million over last year's.

This ad is about money. It may not be for you.

Think your present checking account is the last word in handling your money? We have news for you.

There's a new way, designed to meet the demands and opportunities of today.

We call it Checking Plus.

Checking Plus

Checking Plus is not for everyone. It's only for responsible people, who understand and appreciate its flexibility and convenience.

People who like to keep most of their money invested and working, and still have funds to draw on, if necessary.

People who want protection from sudden emergencies and the opportunity to get in on unexpected good buys.

People whose income is certain but irregular, such as doctors, lawyers, architects and salesmen.

People who want to establish credit just once, and not have to establish it again each time they take out a loan.

Checking Plus is the new idea in checking accounts recently intro-

duced by First National City Bank. A checking account that gives you real freedom, even to avoiding the embarrassment of accidentally overdrawing your account.

We think Checking Plus is the checking account of the future.

Checking Plus works like any other checking account. You write checks the same way. But you have a plus! You have more money than your balance to draw on. A cash reserve. First National City sets this money aside for your use if and when you need it.

Your reserve may be as little as \$400 or as much as \$5,000.

\$400-5,000

Any time you write a check for more than you have in your account, we automatically take enough money out of your reserve (in multiples of \$100) and credit it to your account.

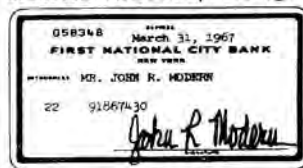

If you don't use any of it, you don't pay a cent. Many people just want the security of knowing it's there.

If you do use part or all of the

reserve, you are charged for the portion transferred to your account. The charge is 1% per month.

Repay as soon as you want, or take as long as one or two years. If you repay in, say, 10 days, your charge is only 10/30ths of 1%.

As soon as you repay any part of the reserve, it's ready to use again.

Another plus in Checking Plus is the special Identification Card. It's yours for the asking, and lets you cash your Checking Plus checks at any one of our branches.

If you can appreciate what money in reserve can mean to you, and the freedom and convenience it gives you, come see us at First National City. Any branch in the five boroughs, Nassau or Westchester.

Ask about Checking Plus, the modern checking account with a standby cash reserve.

Peace of mind never cost so little.
