Deadlines Confront School Bd on Budget

The Hicksville Board of Education will meet again tonight (Thurs.) for the third time this week and possibly all day Saturday in an effort to finish the proposed 1967-68 school budget before several impending deadlines.

Much time at sessions devoted to budget preparation to date have been consumed in executive sessions apparently relating to salary and fringe benefits for all district employees including executives, teachers, clerical and custodial workers.

There have been no official statements made regarding the possible size of the budget, which has increased every year for 40 years and at the rate of one million dollars annually in recent years. However, some informed sources are talking about a jump of two million or more for next year and unless there is a substantial boost in state aid, a tax rate increase of as much as \$3 per \$100.

The cost of student transportation next year has been pegged at \$573,488 by Board action. Voters will be asked to vote on awarding a three-year contract for bus service, May 3 at the annual meeting.

Following a two and a half hour executive session, Tuesday night, the Board voted unanimously to increase the salary indexes for all assistant principals, principals and supervisors.

It voted 6 to 3 (George Jackson, no) to make the increases retroactive to last September for assistant principals on the current scale but turned down motions to do the same for principals and supervisors.

The Board held its regular business meeting on Monday night, budget meeting on Tuesday and will hold another budget meeting tonight (Thurs.) which is open to the public.

The budget must be printed and mailed for distribution prior to a budget hearing on Monday, Apr. 17, at 8 P.M. in the Senior High auditorium.

Voter registration will take

place Wednesday and Thursday, Apr. 19 and 20 from 2 P.M. to 10 P.M. in the conference room of the Administration building on Division Ave. The annual meeting and election is at the regular seven elementary schools on Wednesday, May 3 from 11 A.M. to 10 P.M.

Former School Trustee Buried

A solemn requiem high mass was to be sung at Holy Family Catholic Church today (Thurs.) for Joseph F. Cawley of 2 Glow Lane, Hicksville, who died on Monday. He was a trustee of the Hicksville School District from 1954 to 1957 and a manager for the NY Telephone Co.

A resident of Hicksville for 17 years, he was a veteran of World War II and as a captain of an engineering amphibious brigade took part in First Army underwater demolition team operations in preparation for the invasion of Japan. He was a member of the Holy Name Society of Holy Family Church.

Mr. Cawley is survived by his wife Marian (nee McDonald), daughters Maureen and Michele and two sisters, Mary Thompson and Noela Gonzalez. He reposed at Dalton Funeral Home. Interment is at LI National Cemetery.

Birch Society Presents Film

The Hicksville Chapters of the John Birch Society will present a film strip, "The United Nations" at Hicksville Public Library, 169 Jerusalem Ave., on Thursday, April 6 at 8:30 P.M.

Alumni Supports Rusch

The Board of Directors of the Hicksville High School Alumni Association incorporated, adopted the following resolution at its annual meeting, March 8.

"Resolved that the Board of Directors of the Hicksville High School Alumni Association do unanimously request that the Board of Education, Union Free School District #17, Hicksville, acting in its wisdom and exercising its own prerogatives, does give fair consideration and ample time to exercise its judgment on the capabilities of Raymond Rusch as principal of Hicksville Senior High School.

"Recognizing Mr. Rusch's un-

nique sixteen year association with Hicksville High School and its physical complexities as well as its educational responsibilities to the largest student body on Long Island, the Alumni Association requests adequate time for him to demonstrate his capabilities.

"This resolution is passed in the interest of maintaining a bedrock of public confidence in the stability of Hicksville's educational process and to preserve the level of student, teaching and administrative morale.

"It is further resolved that a copy of this resolution be mailed to each member of our association."

Tax Assessment Loss Mounts:

Barricade More Stores on B'way

By Fred J. Noeth

The spectre of the further loss of Hicksville taxable assessment loomed larger this week as more west side Broadway stores closed and were barricaded by the State of New York. It was freely predicted that all stores between Herzog and Marie St. could be shuttered by April 1 and most in the block further south within a matter of weeks. (See sketch below).

The HERALD forecast a loss of a million dollars or more in taxable property some months ago. Herbert H. Johnson, former School Board President, reminded the Board of this threat and its implications for the school tax rate at the Board meeting, Monday night.

Town Councilman A. Carl Grunewald admitted to the HERALD this week that he knew of no estimates that had been officially prepared to reflect the anticipated assessment loss to date and into the future when the widening moves south on Broadway to the vicinity of Grumman's, nor the value of land and buildings being taken off tax rolls in connection with the widening of Newbridge Rd.

Johnson told the school board that land being taken by the state "would be forever lost" for taxing purposes and a decline in assessment could only mean a rise in the tax rate on the remaining property owners of Hicksville.

Grunewald said he was meeting with Seymour Stillman, planning expert of the township, and the town zoning board of appeals regarding plans for re-development of the area where stores and other buildings are about to be razed.

At the same time another long time store on the east side of the street was selling out this week. William Kahn who operated the Hicksville Army and Navy Store for more than 30 years has retired. He joins such other eastside long timers as William Marks of William's Hardware and Millevotte's Shoe

Gone And Going

Reading from the top, which is approximately north, the HERALD survey yesterday disclosed that the fabric store at the corner of Herzog and Hwy. has Removal Sale notices posted. The LI National Bank is scheduled to relocate in the fall in a new building at the corner of John St., now under construction. Beatty's has relocated. Sausmer's Hardware has closed for good. The Delicatessen has not indicated its intentions. Lil Joey and Bill's Food are shuttered. Hicksville Chemists will close for good on April 1. The Upholstery store is closed. Kraft Jeweler is closed with a note of reopening "about Sept. 1967" location not disclosed. Closed are Town & Country Apparel, Rogers Five and Dime, Freytag Office building, Englert Bakery, Hicksville Sweet Shop has relocated across the street.

In the next block, the Huettner building downstairs has been empty more than a year since the School District Administrative Offices moved out. The LI Technical School on the second floor, has a notice posted of relocation at 100 E. Old Country Rd. (recently occupied by Grumman Aircraft). D'Antonio's Italian Specialties, D'Vie Florists, Vince Braun Meat Market have not indicated their intentions. K. A. Esslinger, established in 1906 and one of the oldest businesses in town says "we are still percolating". Water has been turned off at Accurate Typing. Ginger Hair Stylists is still there. Yee Fong Chinese American Restaurant is closed. Early American Furniture is still open. East Isle Printing and Stationery is moving Apr. 1 to Jerusalem Ave. Zucker Shoes moved across the street some time ago. Apex Business Machines and Peter & Wendy Shop are closed.

Store. On the west side, Beatty's has moved. The current owners were relatively new to the community but the store founded by Charles Beatty and his son was a long time fixture on Broadway. David Sausmer after many years in the hardware business has closed for good.

Depressing Sights

The whole appearance of the

west side of Broadway with wooden barricades replacing plate glass windows, utilities being disconnected and general abandonment is depressing. Papers and debris litter the sidewalk and gutters. But for some reason the parking meters are still in service, standing silently and ready to grab pennies and nickels.

School Election Time

Boards of Education everywhere in this part of the state are meeting several times a week in a feverish effort to complete their proposed school district budgets which go to public vote during the first week of May. On that same date, in most cases, trustees for the school district will be elected where terms have expired.

The School Boards are having bigger and bigger problems as costs continue to rise, new salary demands are presented and it does not seem likely to us that the State of New York will ever be able to actually keep pace with this increase by feeding in more state aid--which, after all, comes from the same people.

The candidates for the non-paying position of school trustee in some areas have made known their intentions. In too many areas they have not declared themselves. The law allows filing of a 25-name petition just 14 days before the actual election.

There are hazards for the candidate who files early: he is likely to be the first object of attack of the kind which does not always get into print but is there nevertheless in the way information is trickled (sometimes quite inaccurately) around our communities.

But the people should have the opportunity to know who seeks to represent them and the HERALD welcomes statements of candidacy from legally filed candidates as soon as possible.

Father Murphy Enlists For Army Chaplain Duty

The Rev. John T. Murphy of Holy Family Parish in Hicksville has enlisted for active duty in the infantry of the U.S. Army and requested assignment with Airborne troops.

"Last year I received letters from Viet Nam, written by young men formerly of my senior Religious Instruction Class. They told me that they had not seen Catholic chaplains for months at a time in Viet Nam," Father Murphy said. "I inquired last Fall from a chaplain just returned from Viet Nam, and he corroborated this drastic shortage of chaplains. So, I decided that although the aims and goals of this war are not convincingly clear, still there are hundreds of thousands of young men involved who evidently need attention."

Father Murphy spent four years at Holy Family Parish in Hicksville. He is a member of the Diocesan Interracial Affairs Commission, and served also on the Board of Directors of the Catholic Interracial Council in the Diocese of Rockville Centre. He was a member of the Advisory Council for the Town of Oyster Bay Recreation Department as well as serving in the same capacity for Hicksville Recreation Department.

During his tenure at Holy Family, he was active with Teenage Youth, as well as human relations groups in the village of Hicksville. He was appointed Auxiliary Chaplain to the Nassau County Jail by Sheriff Joseph

FATHER MURPHY

eph Maher. His interests are universal, dealing with human beings in every department of life.

Holy Family Parish will tender Father Murphy a farewell Open House in the church auditorium Sunday afternoon, April 2nd, from 3 to 8 P.M. Father Murphy will report to Chaplains Training School at Fort Hamilton on April 3, and is appointed to the rank of Captain in the U.S. Army.

Born in Freeport, one of ten children of Mrs. Margaret Murphy and the late William J. Murphy, Father Murphy was graduated from Freeport High School. He served as a (C.I.) for a two year period in the Army of occupation in Italy following World War II.

EDMUND BARRY recently received his 50-year plaque as a member of the Knights of Columbus and William E. Koutensky right, received his honorary membership in the Joseph Barry Council, Knights of Columbus, celebrating "Old Timers Nite" at the Council's Club House at 45 Helix Place, Hicksville. Ed and Bill worked together 50 years ago at the Nassau Lumber Co., (owned by William Hofstra, whose name the College was given after his death.) In 1936, Ed became a member of the Nassau County Police Dept. and retired in 1964 as a Lieutenant. Bill became a Banker, having joined the Long Island National Bank on July 1, 1920 as Assistant Cashier, later becoming Cashier, Executive Vice President, and was elected President on Dec. 19, 1951. Bill was Grand Knight of the Council for four years, 1936-1940. Ed's Brother, Sgt. Joseph A. Barry, after whom the Council was named, died in France in 1918, during World War I. Both are Hicksville residents. Bill has resided in Hicksville since 1906 and Ed since 1915.

Teach Endorses Faculty Position

The Taxpayers Educational Assn. for the Children of Hicksville Executive Board at a recent meeting passed a resolution endorsing, in principle, the desire expressed by the Hicksville teaching staff for the elimination of non-teaching duties. The resolution reads as follows:

"TEACH endorses, in principle, the reduction of non-teaching duties required of the teaching staff. Such reduction of non-teaching duties, however should be accomplished in such a manner as to be educationally desirable with regards to the needs of the students and teachers; should be economically sound and should also guarantee that the released time allotted the teacher will be actively utilized for specific educationally related services commensurate with and related to the professional qualifications and needs of the teachers so re-scheduled."

During the discussion preceding passage of the resolution, the Executive Board said it recognized the complexities involved in this matter. Some of the problems such as those dealing with cost, with class load per teacher, with discipline requirements, and with the differences in school schedules between the elementary and secondary levels were investigated at length. The Executive Board passed the resolution recognizing that final decisions on this particular matter of non-teaching duties should be resolved by joint discussions of the Board of Education, the Supt. of Schools, and representatives of the professional staff.

Asst Fire Chief Election Race

A contest for third assistant chief will mark the Hicksville Fire Dept. elections on Thursday evening, April 6. Louis "Red" Merte is opposing incumbent Martin Donlon. Chief Gus Cotsonas and the other assistant chiefs are not opposed for reelection.

William Stanley will run for financial secretary to succeed Joseph Eisemann who is not a candidate after more than 30 years of service. Now on the retired status, he was secretary of co. no. 2 for 38 years.

Ex-chief Larry Huttie will be a candidate for delegate to the Ninth Fire Battalion.

Barricade More B'way Stores

(Continued from Page 1)

There had been some discussion some months ago about a possible urban renewal project for the rehabilitation of the devastated area expected between Broadway and Jerusalem Ave. but nothing has been heard of it in some time. Councilman Grunewald said he knew of no active plan for an urban renewal project at this time.

It was learned that consideration is being given in some semi-official quarters to some kind of senior citizen housing project within the block bounded by B'way, Marie St., Jerusalem Ave. and Herzog Pl. which would involve abolishment of the parking field within that block.

See Fire Hazards

There is also apprehension in some areas regarding the menace of large scale fires in the now deserted, stores, many of them ancient frame structures with brick veneer fronts. The establishment of a regular interior fire patrol has been suggested.

Some long time residents were recalling the monster fire which gutted the Freytag building at Broadway and Marie St. in the 1930's, burning out Hicksville Sweet Shop, a Five and Dime, Bahrenburg's Bakery and the offices of Seaman and Elsemann and other firms on the second floor. At that time the entire corner was reconstructed of cement, steel and brick.

The opposite corner known as the Huettner corner was considered a Long Island showplace of retailing when it opened in 1925 as Huettner's Dept. Store. It was closed after World War II and the property was sold and sub-divided into smaller stores. The Huettner family had acquired the dept. store in 1890 from Julius Augustin who had installed the first electric light in Hicksville there that year. Augustin opened the store on Dec. 8, 1874.

THE PEOPLE OF THE STATE OF NEW YORK TO ATTORNEY GENERAL OF THE STATE OF NEW YORK, PUBLIC ADMINISTRATOR OF THE COUNTY OF NASSAU, and

Now Hear This with JIMMY COOLEY

"OUT OF THE FOXHOLE"... Easter has come and gone. To all my readers I sincerely hope they had an enjoyable holiday. For many families there was a vacant chair. For others there will always be a vacant chair. I extend my deepest regrets. I'm sure that where ever they may be, they are smiling and saying that they have no great regrets. As one GI put it, "I'd rather fight at Ben Cat, Bien Hoa or the Ho Chi Trail than fight in the Rocky Mts., Death Valley or the Cumberland Trail."

As one Marine wrote its nice to be able to go to College and be smart, its another thing to be poor and not be able to attend college. No matter how smart you may be, if we lose against Communism all your schooling will be for nothing. We the poor have much to lose as your rich. If thats the way you want it, I'm glad I can protect the fortunate. As a Legionnaire and AMVET, I speak for myself. Freedom is the greatest thing. We must fight to protect it. If we expect others to do that for us, then lets hang our heads. VETERANS IN THE NEWS... Am Vets membership figures show a net gain of 10,771 compared to March of last year. AMVETS ask for Commemorative Stamp for Ernie Pyle. Am Vets show that 46 new Post have been chartered since the Nat'l.

25 Jericho Seniors Get Acceptances

Notices of acceptance for college admission have already been received by 25 of Jericho High School's seniors, the guidance staff reports. They belong to the group who, on the basis of a strong high school record and selection of a single college, sought early decision acceptance to the college of their choice: Gerald Barsky, Robin Samuels, and Leslie Shalit to State University of New York at Cortland.

Steven Gittleman, Helene Reisman, and Carol Winarsky to State University of New York at New Paltz.

Robert Coleman, Jeffrey Moss, and Barry Smith to Northeastern University.

Myra Levine and Nancy Nagler to State University of New York at Buffalo.
