Budget Down Again:

Going Austerity As of July 1st

Hicksville School District, with a second defeat of its budget by the voters yesterday (Wed.) will be on an austerity budget as of July 1, it was announced by Board President George A. Jackson following the tally of the vote at 11 PM. With about 5500 votes cast, the margin of defeat was 422.

Unlike many school districts which have passed their re-submitted budgets, in some cases by slim margins such as in Jericho, the Hicksville vote was 2309 in favor and 2931 opposed. The first time around on May 3, the budget went down about 3 to 2 with about 5000 voting.

The library budget went down again 3015 to 2413 with a 602 negative majority.

An austerity budget for the beginning of the new fiscal year, starting July 1 will not have its full impact until the term starts in the fall. For the present, it means the halt in all book purchases and other supplies (normally done during the summer months) and the cancellation of summer recreation and summer band programs. The remedial reading and summer high school were not seen as immediately affected.

Under austerity, come September, student transportation would be cut back to the legal limit of 10 miles and recreation, adult education and such programs would be dropped.

The possibility of a third vote in July or August was not discarded. President Jackson last night declined to entertain a motion by Vice President Cornelius McCormack to set another budget vote for July, declaring that since a new member will be joining the board at the time of its reorganization on July 5, he felt the matter should be considered by the full new board.

An interval of 25 to 30 days for advertising and new registration must pass between the date the Board agrees on another vote and the day set for balloting.

In the latest vote, the budget was approved in the Burns Ave. and Old Country Rd districts but it lost heavily in East St., Lee Ave. and Old Country Rd. Voting in general was considered light with about 5400 voting out of 8000 registered.

The vote on the school budget, which has been reduced \$168,000 from the gross total submitted and rejected on May 3, was as follows:

District	Yes	No.
Burns Ave.	354	263
East Street	445	621
Woodland Ave.	294	380
Lee Ave.	438	641
Fork Lane	370	388
Dutch Lane	336	219
Old Country Rd	272	419
Totals	2509	2931

Serving as volunteer chairman of the meetings held at the seven elementary schools were John Maher, Burns Ave.; Louis Millevolte, East St.; Norma Dagna, Woodland Ave.; Betty Beutelman, Lee Ave.; Leon Galloway, Fork Lane; Nancy Dutton, Dutch Lane; and Herta Wood, Old Country Road.

Record Graduating Class This Weekend

A record 986 young men and women will graduate from Hicksville High School at ceremonies starting at 5:30 PM this Sunday, June 25, on the athletic field of the High School. According to figures compiled in mid-May, 421 of the class have been accepted at two and four-year colleges.

Members of the class earned 51 New York State Regent College Scholarships. There were 19 alternate Regent Scholarship winners. One graduate won a National Honor Society Scholarship and another was selected for a Grumman Scholarship.

Local academic scholarships went to 25 young men and women and an additional four won schol-

arships for continuing vocational education. Local awards, including those sponsored by school as well as community organizations, went to 26 more people. Seven others notified Principal Raymond Rusch that they had won outside scholarships or awards. Class valedictorian is David Federbush and salutatorian is Gary Hubbs.

The commencement exercises will be held on the High School athletic field with parents, relatives, and friends of the graduates, along with high school faculty members, in attendance. Musical numbers will be provided by the High School Chorus and Band and speeches will be kept to a minimum.

Post Office Pickets Are Not on Strike

Pres. John O'Brien of the National Assn. of L.C. Branch 25381 and Sal Cardella, Vice Pres., National Association of Post Office Mailhandlers, this week emphasized that the picketing at the main office is not a strike against the Post Office. They stated, "postal service would be tremendously improved if postal employees salaries were brought to a level comparable with those paid in private industry."

"The turnover," they remarked, "in new postal substitute employees is 25%, due to the low salaries."

"Since postal employees take an oath not to strike for their requests or demands," the Union officers remarked, "Congress and the President of the United States have a moral obligation to see that postal employees receive a living wage and decent standard of living."

The demonstrations will continue every day until June 23. All pickets, it was emphasized,

are demonstrating on their own time.

National officers participating in the picketing are Ben Sufron, Exec. Vice Pres., National Postal Union; Bernard Libwartz, Reg. Rep., N.P.U. and John Allione, State Field Director, Natl. Ass'n. of Letter Carriers.

Postal employees stayed in public demonstration for a 15% pay increase at 3 installations of the Hicksville Post Office. Clerks, carriers and mailhandlers provided with placards, sought public support for their salary requests from 8 A.M. to Noon on Saturday, June 17.

Congressman Lester Wolff personally informed the pickets of his support for their wage program. He displayed a copy of his bill (HR 8508) introduced in Congress, which would upgrade postal employees in levels 1 to 5 to an additional level. Cong. Wolff pledged his full cooperation in promoting a satisfactory pay bill for postal employees.

WILLIAM J. MCCARTHY, administrative assistant to the Hicksville Superintendent of Schools since 1962 has resigned as of July 15 to accept a position as assistant to the administrator of Huntington Schools at a substantial increase in salary. He was a sixth grade teacher in Hicksville from 1953 to 1954, assistant to the principal of East St. School from 1954 to 1955, Principal of Lee Ave. School from 1955 to 1962 and Administrative Assistant to the Superintendent of Schools since 1962.

Dual Dedications Set for This Sunday

The Hicksville Public Schools will dedicate the Bernard H. Braun Auditorium at the Hicksville Junior High School, Jerusalem Avenue, Hicksville, at 2 p.m. this Sunday, June 25.

Mr. Braun's death occurred last year. At that time he had been principal of the Junior High School for ten years. The dedication is in honor of his many years of service to education both as a teacher and a principal.

On the same afternoon, June 25th, at 3:30 p.m. the Hicksville School District Administration Building located at Division Avenue, Hicksville, will be dedicated to the men and women who have served as unpaid school trustees during the 65 years since the school district was created.

The Junior High School Band, under the direction of Henry Gates will play. George A. Jackson, President of the Board of Education, will preside at both ceremonies.

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

Wait until you see this year's drill. It'll take your breath away. In the past two years people have "oohed" and "aahed" at other drills, but this year, your going to be astounded. Everyone is moving all the time. Pin-wheels turn, flags dip and snap, and big patterns cover the entire field. Don't blink at the end of our off-the-line or you'll miss the quick moves of our horn line in its "X" formation.

The Color Presentation this year features our entire color guard coming to a dip on their knees, forming a big "V" behind the American flag. Then we jump from the spectacular to a simple "old soft shoe" number "Cecilia" which brings us to concert. This year our specialties will be the rhythmic "Girl from Iponema" and Charleston-styled "Thoroughly Modern Millie", title song of the new hit movie.

Coming out of concert, we

break into patterns that burst open like 4th of July fireworks, then come back together for a smart, prance-step toward the stands. On the last chorus of "Do-Re-Mi", squads of three break out in a criss cross movement, forming one solid line of horns right against the side-line.

This week we'll be moving along into our Production number "It's All Right." If you want to catch a sneak preview of this year's show, come on out to Catiague Park on Friday night, 7-9:30, or Sunday, 11-2:00. Many spectators have been pulling up and watching our progress. Their interest is appreciated and gives us just the spark we need. And PLEASE!! Don't miss the finished product on Saturday night, July 22nd at PAGEANTRY IN BRASS our THIRD ANNUAL M & M CONTEST. Tickets are on sale right at your front doors.

First Graduation For Trinity School

The faculty and eighth grade students of Trinity Lutheran School, 40 W. Nicholas St., Hicksville, held their first commencement exercises in three years on Tuesday, June 20th.

The farewell address was given by Dianne Sartor, Parent Teacher Friend Association Achievement Awards were presented to the two students who have displayed academic excellence.

The address to the graduates was delivered by Dr. Richard Engelbrecht, Assistant Secretary of Parish Education of the Atlantic District of the Lutheran Church Missouri Synod. Dr. Engelbrecht is the former principal of Trinity, serving in this capacity from 1954 to 1965.

The class of 50 boys and girls is the first group to graduate from the school since the seventh and eighth grades were added. Previous to 1965, the school offered a K-6 program. At that time the seventh grade was added, and during this past school year, the eighth grade.

ALL AROUND TOWN

Steven Leo Nager, son of Mr. and Mrs. Samuel Seger of 27 Hollywood Dr., Plainview, student at Ball State University, Ind. is, among 28 architectural students, accompanied by Profs. David Hermansen and Richard Pollak, who left June 1 for an eleven-day trip to Expo '67 in Montreal, Canada.

"That the future of America is in darned good shape can be seen on any beach."

Dear Sheila:

Watch for the actual start of construction on the new Hicksville Post Office on West John St., next month. ANTHONY W. PACE, 28, of 4 Dorothy St., Hicksville, has been arrested by police in Tucumcari, New Mexico, and charged with the fatal shooting of an Amarillo, Texas, salesman, WILLIAM A. HALE, 39. He was held in \$50,000 bail. FRANK CHLUMSKY will be honored by the Nassau County Press Assn. this Friday night at its annual dinner-dance at Carl Hoppl's in Baldwin as the Hicksville "Good Neighbor of the Year." He is also a nominee for the Good Neighbor of the Year Nassau County in the selection sponsored by the 50 weekly newspaper members in the county. The Hicksville group of LaLeche League for Nursing Mothers will be held Wednesday, July 12, at the home of Mrs. WILLIAM BROWN of 64 Choir Lane, Westbury, when the topic will be the "Advantages of Breast-feeding to Mother and Child." July 15 is the date set for the Hicksville Rotary Club boat ride from Bay Shore Marina. HERMAN KAMPER is in charge of arrangements. Mr. and Mrs. CHARLES BAUMGAERTNER of Field Ave., Hicksville, are celebrating their 62nd wedding anniversary on Sunday, June 25. Many happy returns to you nice folks.

HOW DO YOU DO?—Sol Wachler, Republican candidate for Nassau County Executive, will be asking that question of Nassau voters as he pursues his announced campaign to shake the hands of 1,000 county residents each day until Election Day. North Hempstead Town's energetic Supervisor says he expects to "discuss many county problems" with the voters during his tours around Nassau in the months ahead.

Trinity Students Break Records

Students in the fourth, fifth, and sixth grades of Trinity Lutheran School of Hicksville participated in the annual Lutheran High Varsity Club Elementary School Track Meet, held at Long Island Lutheran High School on May 29. Approximately 80 boys and girls competed against teams from six other Lutheran schools. This group represented Trinity well by scoring an unofficial, record 338 points.

During the track meet Trinity students had 13 individual records were also set by some of these winners. Janet Robertson broke the sixth grade girls' high jump record with a jump of 3'11". Marcia Ressemeyer also broke the record for the sixth grade girls' broad jump. Her leap was one foot over the record with a leap of 13'1". Other individual winners for Trinity included Mark Stahle, Paul Kingsley, Gary Diesel, James Euler, Robert Schaefer, Debra Horn, Stephanie Hollis, Mary Ann Arcella, Bruce Hommel, Ray Schmidt, and Linda Larsen. The winning fourth grade relay team was composed of Donald Amoroso, Paul Kingsley, Mark Stahle, Wylie Corbin, Vincent Essigman, Paul Roeber, Kenneth Filangieri, and Neal Jordan. Points were awarded for the first six places in each event.

Editorial Opinion.. Word About News

We have received a number of inquiries from readers about the news of Our Men in the Armed Forces, probably one of the most popular current features of THE HERALD. Roughly 90 percent of this information comes from the armed forces and we think the service is excellent, even though it does not include ALL men and women from our communities. The balance comes from relatives of men in service and we always welcome such information, including pictures. There is never a charge for printing news.

Reader Opinion

Only Voice of Protest

To The Editor:

I read your editorial on page 4 of the June 15 edition of the Mid-Island Herald and want you to know that there is not one word or statement that I can disagree with.

It would seem that the only voice of protest is yours.

Your statement that no one in the state of New York will give us any information is absolutely correct. This is probably one of the most important reasons why the state has been able to tear down the west side of Hicksville with very little public outcry.

Good luck in your campaign.

Sees Rash Attempt

To The Editor:

Your recent editorial entitled "Hicksville Was Sold Down The River" reflects a rash attempt to fill a page with print regardless of content.

I suggest to your readers that they walk down the west side of Broadway and count the numbers of stores that exhibit relocation signs in their windows. The latest count is at least ten.

I further suggest that your readers think back and make a mental count of the number of these businesses that were intermittently open and closed long before there was any thought of widening Broadway.

Your editorial states that Hicksville "is being systematically converted into a formless blob". A statement such as this should be backed by fact, not nonsense. The west side of Broadway has not been considered a shopper's attraction for years. Poor parking facilities have hindered business on Broadway long before the proposed widening.

The widening of Broadway would bring with it additional parking and at least keep the east side of the street busy and prosperous.

You have demeaned the poor businessmen who can trace their business establishments back for years and are now being thrown into the gutter. I suggest they pick themselves up from the gutter and walk across the street. Surely with the years of goodwill they have built up, a move to the east side of Broadway would be

far from disastrous. In fact, with additional parking available, business should be better.

Your editorial blatantly knocks the people of Hicksville for not raising their voices against the widening of Broadway. I suggest to you that most residents of Hicksville have not been overly proud of the general appearance of that area, hence, you will get little support for your page of black and white hogwash.

You call this the "rape of Hicksville". The only rape I can see here is your editorial's brand of verbal intercourse.

I look forward to the announcement of your public cry-in. I am sure it will be the laugh of the year.

Make A Paper Airplane And Win A Sailboat

Make a paper airplane from the newspaper you are now reading and you may be the winner of a new Snark sailboat, a four-day Florida vacation for two, or any one of the other fabulous prizes offered in the Paper Airplane Contest at the 1967 Long Island Fair opening at Roosevelt Raceway June 30.

Prizes in the unusual competition, sponsored by the Nassau County Press Association and your community newspaper, include a four fun-and-sun-filled days and four nights at a plush Miami Beach hotel, complete with get-acquainted cocktail party, gala beach party, and weiner roast; a sleek and handsome Sea Snark, 11-foot unsinkable sailboat with red-and-white striped sail, daggerboard, tiller and fittings; an American Audion "Caprice" electric 12-chord organ, the musical instrument that allows even a beginner to create thrilling organ music in just sixty seconds; and an Emence poly chord Electric Piano Organ with 37 piano-like keys that produce rich organ music at the touch of a finger.

Prizes with special appeal for the young "mod" set are Emence's Swingin' Cat Combo, a double cutaway guitar and sensitive pick-up amplifier; Emence's Electric Tiger guitar and amplifier; and Emence's Big Bash drum set which includes a tunable snare drum, stand, sticks, brushes, brass cymbals, cow bell and Tom Tom.

Other prizes include a wig of 100% imported human hair, casually styled by Marc Peters Coiffures, creator of wigs for glamorous stars of Broadway, motion pictures and television; and dinner for two, show and dancing at the exciting Wedgewood Dinner Theatre in Glen Cove. In addition, every contestant who actually "flies" his plane in the

competition will receive a one-year subscription to his home town newspaper.

The Paper Airplane Contest is open to all residents of Nassau County, regardless of age or occupation. All planes must be made from your own community newspaper; planes made from other types of paper or from other publications are not eligible. Entries will be judged on duration aloft, on distance flown, on aerobatics and on originality by a panel of judges drawn from the fields of aviation and aerodynamics.

To enter the competition, all paper planes must be delivered to the Nassau County Press Association booth at the Long Island Fair, Roosevelt Raceway, on or before July 7, 1967.

NEWSPAPER WEEK in the Town of Hempstead and the County of Nassau were proclaimed by public officials. Top, Ralph G. SHORT AND SWEET

In these days of gloomy news it helps if you make a point of registering the little victories. For instance: figures coming in show that the thousands of anti-litter campaigns conducted by women's clubs and other civic-minded groups at state and local levels across America began bearing fruit in 1966. These programs, largely based on public education, law enforcement and provision for adequate collection and disposal facilities, slowed down the increase of littering appreciably. So take heart, litter-fighters!

Another cheerful thought: Karl Marx would turn over in his grave if he knew this, but instead of a "handful of privileged capitalists" tightly grasping the reins of industry, as he predicted, in America 20 million and more people, (more than a quarter of the adult population), own stock in some 6,700 of the nation's industrial concerns... and 35% of these "capitalists" are housewives and widows!

One of the promising outcomes of atomic experimentation is the discovery that the atom has power to slow food spoilage and to extend the life of meat, fruit and vegetables without refrigeration. Foods which are now expensive because of their rapid spoilage rate will become more plentiful. However, exhaustive tests on every item of food will be carried out for some time yet, with the release for its use coming only as each item is thoroughly cleared.

When the children and grandchildren become too demanding, remember: one of the best education toys is still a pencil.

These days the word bargain has a familiar ring to it.

One of the biggest bargains you'll find anywhere is your telephone. You can do more with it, dial more people, get them faster than ever before. And despite these improvements in service, some telephone costs have actually gone down.

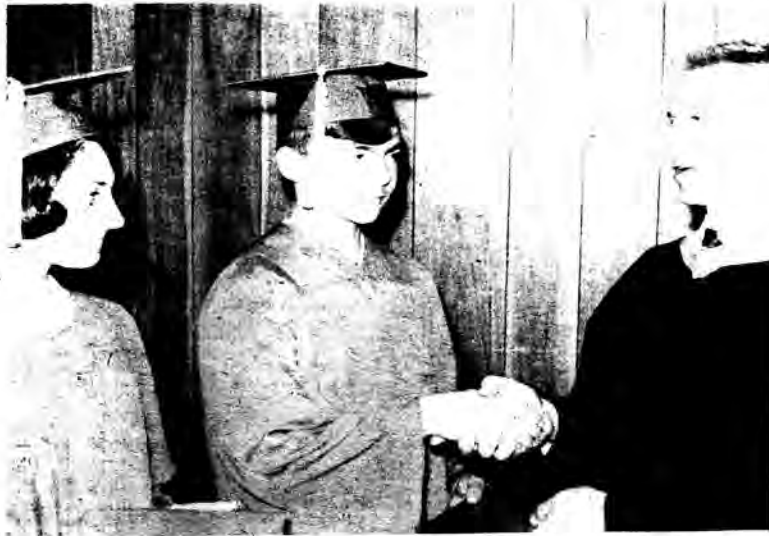

More than 40% of the New York State calls you paid long distance charges on ten years ago are now local calls. And since 1940, there has been an overall decrease in long distance rates.

That's why we say that when the telephone rings, it has the ring of a bargain. A real, lasting bargain. If talk is cheap, blame it on the phone company.

Collecting Scout Uniforms Til Aug. 1

Three hundred Nassau County Mobil Oil Stations will serve as collection points for Boy Scout uniforms which are now hanging in the closets of Nassau County residents. The effort to collect used Boy Scout uniforms for use by boys in the deprived areas of the county was announced by Walter W. Mallett, Chairman of

new airlift category for parcels it will also make it cheaper to mail a package to and from overseas. In addition to the servicemen the bill would also benefit veterans and other organizations sending packages regularly to our boys in Vietnam. The cost of mailing these packages takes a big bite out of any monies budgeted for this type of program.

RAPID FIRE: Acceptance of one GI benefit does not bar the use of another. For example: if you chose to go to college now under the GI Bill you could still apply for a VA loan later.... If you're a serviceman who's thinking of partially converting your \$10,000 Servicemens Group Life Insurance policy while on active duty; the answer is no... A full scale review of veterans benefit programs is under way to see if they're keeping pace with the changing military concepts... Remember those 11 general orders we soldiers were required to learn? Well, we hear they are scheduled to be rewritten and reduced in number to three in the very near future.

Amvets Alley

By Jimmy Cooley

"OUT OF THE FOXHOLE"... Vice Commanders Danny Zinkhan and Bill Hill with Judge Advocate Jack Regan and Commander Bob Cuccaro have just returned from Lake Placid, N.Y., where they attended the State AmVet Convention with their wives. Jack tells me that many fruitful things were truly accomplished, but a few went down the drain. (I know what you mean Jack). HI-LITES AT PLACID... Catskill Mts., may well be the next Convention site for 68. State passed a resolution that all stores should be closed on Memorial Day. It is a day for veterans of all wars to remember their old buddies, not a day to celebrate sales on Lawn Mowers and paint cans. Nassau County and State AmVets go hand in hand to obtain a plaque for "Remember Pearl Harbor"... it will be placed on the base of the flag staff at Pinelawn National Cemetery. SICK CALL... Johnny Walsh is back with us after a long time on the sick book. He looks great and everyone says its nice seeing you again fellow. NEW MEMBERS DEPT... Post #44 says greetings to Johnny McConnell of Greenlawn, L.I., as our newest addition to the membership roster. DOWN MEMORY LANE... Was more than surprised to see Tony Schumacher and Matty Metzger, two of the first members of AmVets drop into the club last Friday eve. If its possible I'll try my hardest to sign them up once again. The table cloth that served us as our first Post banner in 1949. The three former members who have since took "A Walk In The Sun". Hugh J. Dolan, Herbert Auer and Carl Offerdingler. Fred Blackley and this columnist at Lake Mahopac State Convention. Lou Mignone, Joe Mignone, Harry and George Strembel, Tony Laurita and myself at Cleveland Nat'l. gathering. AMVETS ODDS

"N" ENDS... Jim McCue makes a great Chaplain. 13,000 more veterans joined AmVets this year. Anthony M. Gileso made State Commander. Vincent T. Kershaw formerly of Hicksville ran for State Vice Commander but was defeated in the election. Incidentally it was sort of rough for most L.I. AmVets who ran for an office. I PREDICT... That soon many former AmVets will return to the fold. That as soon as the law is passed, flag burners will cease to exist. They wouldn't want to spend a few years behind bars nor pay a fine. Before I close this weeks column... If You Want To Have Peace, Support Your Police... If You Want To Know Why... Ask Your G.I. In many ways the Police and G.I. are much alike. We hear often that the police don't do enough... lets give them the hand they need, give them back the authority they once had. The G.I. like the police need the same kind of hand and backing. With support both groups will do much better things which is expected of them... without our help they can only do so much.

Nicholai Principal State President

At the final meeting of the executive board of the New York State Reading Council, it was announced that James F. Burke, Principal of the Nicholai St. School in Hicksville, would serve as President-Elect for the 1967-1968 school year.

The New York State Reading Council is an affiliate of the International Reading Council and is composed of local councils from the entire State.

Burke had previously served as President of the Nassau Reading Council, one of the largest local councils in the State.

\$30,000
LIFE INSURANCE
PROTECTION

for only **27 cents a day!**

A man age 25 pays just a quarter and two pennies a day (based on the annual premium) for a \$30,000 Twenty Year Decreasing Term Insurance policy at The Lincoln Savings Bank.

What's more, dividends are paid annually as earned, starting the first year and can further reduce the cost. This term insurance is ideal for young and growing families who need as much life insurance protection as possible at the lowest possible cost. The protection decreases gradually as your children grow older—and the need for insurance grows less. At that time, you can take advantage of the valuable conversion features of the policy. At any age the premium cost for this policy—and for other savings bank life insurance—is low because it is sold directly over the counter at The Lincoln or by mail. Other policies including Straight Life, Endowment, Limited Payment Life, are among the plans that may now be purchased up to \$30,000.

To learn the rates for your age, talk to the Lincoln's expert life insurance advisors or mail the coupon below. No obligation... no one will visit you.

Jackson Pitches 4-Hit Ball

The Amvet's Gary Jackson pitched 4 hit balls in defeating H.L.L.L. 7-1. In the Hicksville International Little League, Charles Riley was the losing pitcher. The American Legion shut out Goldman Bros. 3-0 behind Inducci's clutch pitching. Wandell was the losing pitcher and suffered from poor defensive support. Monahan's pitching and Wandell's hitting was the story as Goldman Bros. beat the Amvets 5-2. Schatz took the loss. In a first half game H.L.L.L. beat American Legion 6-1. Curren was the winning pitcher, Kishanauk the loser. The first half is still undecided.

Troiano Express won two games this week, the first against

the Woodbury Studio of Music and Dance 11-9, the second over Carpenter's Union 8-0. Perkin's Trucking also took two, defeating Long Island National Bank 7-5 and the Kiwanis 12-4. Carpenter's Union beat the Kiwanis 8-4. Jim Wright hit a home run for L.J. National Bank.

Minor team C. Schlauch and Son Roofing split its two games, beating Mid-Island Times 9-4 and losing to the Boosters 29-3. The Hicksville International Little League team also split two games, losing the first to Paramount 7-4 and defeating the Times 15-9.

First place Marder Shell shut out S'Brooklyn Carvel 1-0. Lucicisano Pro Shop and Flasher's Texaco Station played to a 1-1 tie in seven innings. Saturday's games were postponed because of Tag Day.

The Hicksville International Little League will hold a meeting Monday, June 26, at the High School in Cafeteria A at 8:30 p.m. There will be a drawing for a color Television set, a bicycle, and a clock radio.

"All of our past customers said the same thing. With gas heat they had no maintenance worries, no worries about cleaning soot and chimneys. And that's certainly an advantage to the housewife. Another factor is that with gas

heat you don't have any noise. When a regular burner goes on you hear a rumbling noise.

"I've built plenty of houses. I know what the people want. That's why we're using gas."
