Hicksville Students Take Part in Nation-wide Study

THIS HIGH-SPEED ELECTRONIC computer, IBM 360 model 50, in Palo Alto, Calif., will be used to store and return information on the progress of students at Woodland Ave. and Hicksville Junior High Schools this term as part of Project PLAN (Program for Learning in Accordance with Needs) which involves 2,000 pupils in grades 1, 5 and 9 in 13 school districts across the nation.

The computer, shown with part of the tape drives, disk drives and console typewriter, will be linked to the participating schools by telephone lines. Hicksville faculty members were given a briefing on Project PLAN at an orientation meeting, yesterday, by three teachers who have been in Calif. during the past year to learn details of the Project which is directed by Dr. John C. Flanagan, chairman of the Board for the American Institutes for Research, in cooperation with the Westinghouse Learning Corp.

Awards to Recognize 39 Postal Employees

Thirty-nine outstanding employees of Hicksville Post Office will receive awards at a ceremony at 3:30 PM on Thursday, Sept. 21, at the Annex, 160 Engineers Dr., according to Postmaster Ralph Cuccaro. Civic leaders are expected to attend, he said. In addition, letters of commendation will go to employees who have participated in the US Savings Bond Drive.

Robert R. Hammond will receive a superior accomplishment award for saving a mother and child from a fire.

Safe driver awards will go to: Harry Goldstein, 19 years; Francis W. Taten, 17; Anthony M. DeFendis, 13; Elizabeth Douvenne, Robert Colvin and John J. O'Brien, 10 years; Fred R. Aloisio, John A. VanAllen and Jeremiah Verdi, 8; Stephen MacLoch and Armand Nigro, 7; John Esquivia and Vincent Snickeroff, 5; Alfred Tiedor, 3; Buckley Rodin and Walter Webber, 2; Martin Besso, Timothy N. Martinez and Richard Pelton, 1 year.

Incentive awards will go to: Worth Abbey, William, Michale J. Ciampoli, John Congelosi, Stephen A. Corr, Stanley T. Gackowski, Muriel G. Harding, Charles J. Lauer, Francis R. McComiskey, Jr., Harry A. Polz, Arthur L. Samuelson, Albert Scher, Max Stein, George J. Sullivan, Richard Torres, Edward V. White, and Gerard Schwartz, two awards.

Stouben Society To Hear Wachter

The newly-organized John Peter Zenger Chapter of the Stouben Society of America will have Sol Wachter, candidate for county executive, as a guest speaker at its Sept. 25 meeting at the Holiday Manor, Bethpage. Incumbent Eugene Nickerson will be invited on another date, according to Chapter Chairman Frank Schuchthoe.

The Society meets the third Monday night of the month.

Informed Sources Claim: New PO Not Big Enough at Start

Three shiny, silver-painted shovels are in readiness for the official, symbolic ground-breaking for a long-awaited new Hicksville main Post Office on W. John St. at Barclay St. Persons aware of how the postal operations in Hicksville have grown in recent years since establishment of a sectional centre serving 77 affiliated Nassau and Suffolk post offices are convinced the proposed \$3 million plus structure will be inadequate to handle the million pieces a day volume long before it is opened for business in 1969.

Hicksville Chamber of Commerce is handling the ceremonial details of the sod breaking at 10 o'clock Friday morning, rain or shine, Sept. 8. Participants expected include County Executive Eugene Nickerson, Town Supervisor Michael Pettit, Postal Regional Director Chris Hahn, Postmaster Ralph Cuccaro and officials of the local staff.

Congressman Lester L. Wolff who might normally be expected to participate in a federally financed project is on a tour of Vietnam and other Far East countries "during the Congressional Labor Day recess", according to his Washington office, and is not expected to be back in time.

A Boston concern has the general contract building for private interests who will rent under a long term lease to the Post Office dept. Actual construction on the two-acre government-owned site next to the RR is expected to start before the end of this month.

With 120,250 square foot on two floors, a penthouse and a basement, the building is expected to house all facilities now located on North Broadway near James St. as well as the vast operations in an annex off South Broadway near the Farmers Market. The annex is a little known operation with hundreds of employees around the clock receiving trailer loads of mail from 77 affiliated post offices and rerouting it to other LI offices or other parts of the state, nation and world. Twenty or more giant tractor-trailers dock there at one time and observers wonder if the John St. tract will be big enough to accommodate these vans, plus clerk and carrier vehicles, without consideration for patron parking.

The Hicksville Post Office with a work force of about 1,000 is one of the largest local employers. Besides the main office and annex it has branch offices in Plainview and Old Bethpage and sub and contract stations at Mid Island Plaza (Gertz) various drug stores in the area.

Bids for the project were taken several times before an acceptable contract was approved by Postal authorities. Initial bids exceeded the appropriation.

Contracts have also been awarded for the installation of conveyors and other automated equipment to speed the flow of mail thru the new office. The office is known as sectional center 117; ie, all mail with the zip number starting with these three digits is routed thru Hicksville. The zip for Hicksville and vicinity is 118.

The public is invited by the Chamber of Commerce executive director, Stanley F. Turner, to attend the ceremonies Friday morning.

Bands to Compete

Fifteen teenage Rock n' Roll bands will compete in a Band-A-Rama on Friday, Sept. 8, at Cantigue Park, Hicksville. It is announced by County Executive Eugene Nickerson.

Woman Killed In Auto Crash

A two-car collision at W. John St. and Strong St. within blocks of the Hicksville Firemen's Labor Day Tournament took the life of a 49-year-old woman who resided in the neighborhood at 8:22 PM, Monday. She was one of five to die in holiday traffic accidents on Long Island.

A solemn Mass of Requiem will be sung at 10 AM Friday, Sept. 8, for Phyllis (nee Menichino) Mastroianni of 35 Maple Pl., Hicksville, at St. Brigid's RC Church in Westbury. Interment will follow at Holy Rood Cemetery.

Mrs. Mastroianni was a passenger in a car driven by Nicholas DiIullo, 27, of the same address who suffered possible brain concussion, internal injuries and a fractured right leg. Also injured in that car was Patricia Mastroianni, 15, who suffered a possible skull fracture and other injuries, according to Second Precinct County Police.

The other car was driven by Nicholas Stamatis, 26, of 16 Laurel St., who suffered lacerations of the car and possible concussions. His passenger, Anna DiIullo suffered multiple head and body injuries.

Mrs. Mastroianni is survived by her husband, Jerry; daughters Anne Marie DiIullo and Patricia Mastroianni; sisters Jennie Napolitano, Josephine DePaoli, Yolanda Natale and brothers Benjamin and Anthony Menichino.

Fair skies with the temperature in the 80s favored the 39th annual Hicksville Fire Dept. Labor Day firemen's parade and drill at Mid Island Plaza, Monday. Police estimated an attendance of about 25,000 persons. (Names of winning fire units in the parade and competitions were not available to the Herald. -- Editor).

Pupils Feel Budget Delay

The effect of delayed approval of the 1967-68 Hicksville School District budget after two defeats was immediately apparent to students and parents as classes opened for the fall term, today (Thurs.) Due to the lack of funds, in the absence of a budget, extra personnel normally employed during the summer to process student bus passes was not available. As a result only about half of the 8,000 entitled to passes had them for the opening of the term.

Student cafeterias were not expected to be open with full staffs and regular service until Monday, Sept. 11. On Thursday and Friday, Sept. 7 and 8, milk, sandwiches and dessert is available, according to School Superintendent Donald F. Abt.

The school transportation office attempted to do a normal eight weeks of summer work in six days between the Aug 23 budget approval and the opening of the new term. While 4,000 bus passes were ready for mailing on Sept. 1, an equal number were not ready. Children at bus stops on Thursday and Friday were to be picked up without passes. Checking on passes will start the week of Sept. 11, it was learned.

Residents Join Nassau Co Police

The oath of office was administered to 60 patrolmen and 30 police cadets by Commissioner Francis B. Looney at Mineola headquarters, Friday.

Local men included: John R. Bradley of Jericho, William P. Handie and Daniel Rogers of Plainview, Robert Lebrecht and William Miller of Hicksville, Thomas Mullen and Thomas Price of Bethpage, as patrolmen; Kevin J. Byrne and Paul T. Woods of Hicksville, as cadets. They will all undergo 12 weeks of training before they assume their full duties.

Appoint Resident State Official

State Housing Commissioner James Wm. Gaynor has announced the appointment of Joseph Stein, who lives at 21 Jericho Ave., Plainview, with his wife, Helen, and four children, as assistant commissioner for planning and construction with the Division of Housing and Community Renewal. Stein, a professional engineer, will be responsible for the review of architectural and engineering plans and the supervision of construction of State-aided low-rent and middle-income housing developments. His salary will be \$19,550 per year.

As assistant commissioner, Stein will oversee the operations of the Division's Architectural and Engineering and Construction Bureaus. The Division currently has under construction or in planning review more than 29,000 apartments in 13 low-rent and 25 middle-income projects throughout the state. These apartments represent an investment by the State of \$533 million.

Prior to his appointment, Stein was an executive at Toch Brothers, Inc., of Patterson, N.J., a firm specializing in the manufacture of construction and building materials. He has also served with Alcoa Properties, Inc., as chief engineer on several large construction projects, including Lincoln Towers in Manhattan, Allegheny Center in Pittsburgh, and Society Hill Towers in Philadelphia.

He received a bachelor of science degree in civil engineering from Columbia University.

ELEANOR ANN ROMPELL, daughter of Mr. and Mrs. Werner C. Rompell of 29 Notre Dame Ave., Hicksville, became the bride of Eugene H. Driggs Jr. of Los Angeles, Calif., at a nuptial mass at St. Ignatius Loyola Roman Catholic Church, Hicksville, recent. Mr. Driggs is the son of Mr. and Mrs. Eugene H. Driggs Sr. of Los Angeles. The newlyweds spent their honeymoon in the Bahama Islands and are now residing in Redondo Beach, Calif.

Tri-Town Auxiliary of the Association for the Help of Retarded Children, which includes Syosset, Plainview and Woodbury will hold their annual paid up membership Dinner and Fashion Show at the Four Seasons Country Club, Jericho Turnpike, Woodbury. It will be held Sept. 26, Tuesday evening. Contact WE-1-3343 or WA 1-6690.

Arthur Mitchell Pellenberg, of Plainview will transfer to Monmouth College this fall, it was announced by Glen D. Rankin, director of admissions. A total of 540 new students will enter Monmouth this year. The new student is the son of Mr. and Mrs. Joseph Pellenberg of 44 Hofstra Dr., Plainview.

Dear Sheila:

A Hicksville man and wife residing on Murray Rd., Hicksville, were given suspended sentences in Nassau County Court after pleading guilty to charges growing out of an alleged usury scheme that netted them \$25 a week in interest on a \$125 loan. They were ordered to pay \$750 restitution to FRANK BUONO. He complained to the District Attorney that he had paid \$3000 interest and charged he was threatened if he did not pay \$1500 more in interest. . . . Sterling Movies, Inc., a national distributor of free-loan 16mm films, has opened an operations center and film library in Hicksville. Manager of the office here is MEL SCHREIBMAN of 180 Lauman Lane. . . .

Township eliminations will take place this Friday night, starting at 7:30, at Mid Island Plaza in the Wachter Combo Contests. The winner will be chosen Sept 15 at Garden City Hotel from among the three township victors. . . . The Mid Island Senior Citizens of Hicksville will join other Senior Citizens Groups from Nassau in a week's vacation, Sept 11 to 15, at the Sha-Wang-Ga Lodge, High View, N.Y. . . . State Senator SPENO recently received 2,000 replies to a questionnaire on the State Constitutional Convention. Some of the replies were interesting: lower voting age to 18? 475 yes and 1301 no; increase legislative term from two to four years? 1085 yes, 683 no; should school districts be given direct authority to levy and collect school taxes? 462 yes, 1230 no. . . . A poll by a bank showed the majority of residents don't think their letters to public officials carry much weight. Among Hicksville people 14.7 percent said yes and 84.8 percent said no. Regarding public parking in Hicksville, 53.9 percent thought it is adequate and 45 percent think it is not. . . . Jericho vote on the parking question was 58.9 percent adequate and 40.3 percent no, while Plainview on the same question, voted 51.6 percent adequate and 48.4 inadequate. Heard someone on WHLI the other day talk about the opening of a new business with invited guests including Mr. Nickerson. Maybe they are doing too good a job on those "Nick 67" signs and ought to include the full name and job sought. . . . Invite Groups To Designate

The leaders of Hicksville organizations are being invited by letter from Harry Kershen, secretary to the Board of Education, to name an interested member to join an about-to-be created Citizens Information Committee for Budget Study and another member to the Public Relations Committee, by Sept. Friday, Sept. 15.

Kershen explains the Information Committee on Budget Study "is intended to be an on-going team of educationally-concerned residents who will be asked to study the school budget while it is in preparation before the annual budget vote and offer their opinions to the School Board." The Public Relations Committee, he adds, would have the purpose of exploring and recommending to the School Board "better ways of communicating with the residents of Hicksville."

For two successive years the School Board has included funds, not expended, in its budgets for public information service. It has also had an advisory committee on Public Relations which has made specific recommendations to successive school boards few of which have been acted upon. Mrs. Joseph Janca has been the most recent chairman of the Advisory Committee.

Receives Degree

JAMES FRANCIS DAVIS, son of Mr. and Mrs. Francis Davis of Jericho received his Bachelor of Science degree from the University of Cornell College of Agriculture on June 12. Amvets Alley

"OUT OF THE FOXHOLE"... Well it seems that with this cold streak coming along, can Winter be far behind? Regardless of the weather though... now is when most veterans posts start many functions. All you AmVet members who are through with your vacation, should drop into the club house every 1st & 3rd, Friday and see what's new. We expect to have a big year... with a still bigger membership.

AMVETS IN THE NEWS... Our Rifle & Honor Guard was in the Firemen's parade on Labor Day. Jack Regan deserves honors for the year, after requesting that Memorial Plaque for Salisbury Park. I'd like to see an AMVET plaque at Pinelawn Nat'l as well. REUNIONS: 77th Div. (Nov.) Write Wm. J. Knipe, 28-05 43rd St. L.I.C., N.Y. 11103. (Nov.) 50th. Seabees (Oct.) Wm. Chris Vivimore, served at Mitchell Field, N.Y. 1942. Formerly from Malone, N.Y. and is living somewhere on Long Island... please let me know. Does anyone from Hicksville area have a complete sheet with all WW2 men and women who served in all branches of the service? During the war the CIN used to print up a page with all the names. I'd appreciate it if someone will help me... I can make a copy and return your original one to you. MEETINGS: Post meeting Sept. 18th. County meeting at Hicksville on Monday Sept. 18th. Post Officers meeting on Friday, Sept. 29th. I was talking with a group of veterans the other day, WW 1, WW 2 a few Korean vets and a couple of Viet-Nam G.I.'s. We were kicking around what had happened to the good old USA these passed few years. One of the men said he

was thinking very much of finding himself a small island where he and his family could move to and let the rest of the world go by. Like he said, "Today with the death penalty removed, you read nothing but killings. The police will be chasing criminals with powder puffs, if they take away any more of their authority. The Hippies, Beat-Niks, Viet-Niks are he believes the results of radiation of the Atomic bomb. LSD and numerous other drugs are taken like soda pop. Riots are becoming like yearly Rose Bowl football games." said the Ex-GI. "I wouldn't be a bit surprised if one of these years... Mickey Mouse runs for President, with Yogi Bear as his partner. The former fighting man left us... perhaps he thought we were going to ride him on some of his remarks... but he did leave us with some thing to think about... "Where are the days when the only uniform you saw in large quantities were the Boy Scouts? What happened to the youths who would run from the police (their only crime, knocking over ash cans)? Where are the filled churches on Sunday? Where are the youngsters who wore worn clothes but clean. It reminds me of my childhood days, I never knew anything but relief or welfare clothes. Many of my high school friends would kid me. It was the breaks. Sometimes we eat chicken, sometimes we eat feathers. The first real suit I wore was a US Army suit. After looking at some of the outfits today... Striped shirts, tight pants to the ankles, shoes with points that are deadly weapons, hair that hangs to your back, beards that curl... I wonder myself "What happened to the good old USA??? SAY Buddy wait for me... got an extra plot on that Island..."

Herald Editorial Comment: What Is a Voter to Decide?

The process has been going on for some time. Candidates have been accepting endorsements of minority parties to gain an extra line (not an extra vote) on the front of the voting machine. This practice promises to reach a new high for complication on Nov. 7.

Passing is the day when a candidate was only a Republican, a Democrat, a Liberal, or what not. True, the candidate still retains membership in one party (if any) but he also is wooed and enticed by those tiny enrolled groups who hope for the return of political favors if the endorsee wins at the polls. Thus the insignificant minority party faithful earn positions of influence far beyond their actual contribution to the successful outcome.

We have in the Town of Oyster Bay this year some Republican candidates who have accepted a line on the machine as Liberal candidates as well. There are other Republicans with Conservative line positions also. How fellow Republicans on the same town board, for example, can reconcile their affiliation with the stated objectives of the GOP and at the same time wear the hats of such far apart groups as Liberals and Conservatives escapes us.

On the Democratic side we are more puzzled. Some enrolled Republicans, including a one-time member of the top executive council of the GOP and the party's leader in Hicksville, have grouped themselves as the "Today Independent Party" or TIP and have either accepted Democratic nominations or have endorsed Democrats, depending on how you look at it.

And the results of such unnatural alliances, a foretaste of the lack of coordination which could result from the election of such a "team" can be noted from a pair of news releases reaching our desk this week: Leland Badler, one time candidate for the GOP nomination for State Assemblyman and now candidate for town councilman on the Democratic and TIP tickets, viewed with alarm the appointment of Ralph Diamond of Jericho to fill the town board seat vacated by Ed Poulos. Badler said the GOP got Poulos to resign so Diamond could run Nov. 7 and claim to be an "incumbent." He adds: "They think this will help him."

Almost the same day's mail brought a news release from the office of Supervisor Michael Petito, Democrat and Badler running mate, who said he would propose Badler for appointment to the Poulos vacancy. Would that give Badler an extra assist? Would he decline appointment for the same reason as he felt it should have been withheld from Diamond?

If one thing is obvious to the communications media in connection with the Nov. 7 election it is this: the day of the Public Relations counselor -- professional and amateur -- and small-

time advertising agency has arrived. There are actually more PR specialists involved than there are candidates and money is flowing like it is going out of style. Martin E. Weiss in the Westbury Times claims some 200 TV spots on Channel 2, Channel 4 and Channel 7 have been signed up at a cost of \$185,000 for the Wachtler candidacy. The kick off comes in mid-September with saturation the four weeks of October.

During the weeks ahead the HERALD will publish a running series of digested reports regarding the vacancies to be filled and the candidates seeking election. Democratic, Liberal, Conservative, United for Peace and TIP candidates are herewith advised that we do not have pictures and biographies of all their aspirants. Where no information is provided, only available data will be utilized. - [fn]

Who Asks for Hicksville?

The Town of Oyster Bay is considering a new master plan for land use. Residents of Birchwood at Jericho (see page 6) have been given a preview of the plan as it relates to their area but which civic-minded residents will have this privilege in Hicksville, a vastly more complex and heavily populated area?

The Nassau County Planning Commission is preparing a series of five alternate plans to develop a transportation center in Hicksville which will be shown to the Oyster Bay Town Board. Again we wonder, who representing the community of Hicksville will have the opportunity to see this proposal before its enactment?

When last the Town adopted a master plan of zoning for Hicksville and the Town, maps were made available and public forums were held in the area by then Supervisor John J. Burns. It is to be hoped that town officials (in the case of zoning) and county planners (in the case of the transportation hub) will schedule information forums in Hicksville before these projects which will have long-range effect upon the future of the community are written into law.

SCHOOL'S OPEN DRIVE CAREFULLY

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

Busy, busy, busy! That was St. Ignatius this weekend. First thing Saturday morning we hopped aboard our yellow school buses and headed for the Home of the Little Flower in Wading River. After putting on an exhibition, we spent the afternoon under the trees enjoying a barbecue, games and fun. Towards evening we hit the field again to practice for a contest the next day. As we marched back to the buses everyone wished us good luck, and boy did that luck come through!

Sunday morning, back on the buses, we headed for Pompton Lakes, New Jersey, for the Lakeland Goldenaires M&M contest. The competition included seven corps, two from New Jersey, three from Connecticut, and two from New York. We were one of three all girls corps competing. After some disappointments in our last few contests, we didn't know what to expect. Karla and Kathy Kiefer came in from Pennsylvania, Kathy Kraji came down from Kingston, and Eileen Brennan was on vacation and met us there. To top things off Eileen Mogavero broke her toe, but went ahead and marched in her socks, doing a fine job. (As you can see, each girl in the line is very important in a contest.) As we came off the field there was a variety of opinions on how we did. Some girls felt it was a good performance, others thought it was the worst. So we waited anxiously for retreat ceremony and the verdict of the judges. Starting with seventh place:

7. Seymour Vanguard, Conn.
6. C.W. Townsman, N.J.
5. N. D. ettes, Conn.
4. St. Aedan's, Conn.
3. Little Falls Cadets, N.J.
2. St. Ignatius Girls, Hicksville
1. Carter Cadets, Brooklyn

Maria Costa was awarded a trophy for best Drum Major, and Carter Cadets received the best M&M trophy. As we passed in review, we nearly blew the stands over with enthusiasm. Carter Cadets waited on the side to congratulate us and cheer us on. When we got back to the buses the lines broke up and everybody screamed and jumped all over each other. To top off the excitement, there was a mis-

take in the M&M caption, and we had the highest M&M score! The Carter Cadets very graciously relinquished the M&M trophy and congratulated us some more. They were yelling "Yeah St. Ignatius" and we were yelling "Yeah Carter". One of the women from Carter said that she had been watching our corps for four years and we really came a long way. And so Sunday turned out to be a wonderful day for us, and the spirit of the Carter Cadets helped make it more wonderful. We came home Sunday night with three trophies in our hands: Second place, best Drum Major, and top M&M. But that's not all of this weekend. On Monday morning, we were back in our uniforms, proudly marching in Hicksville's Labor Day Firemen's parade.

Calling All Local Organizations

The following letter was sent to the head of each organization listed in the Hicksville Public Library's Directory. If your organization head did not receive one, or your organization was not listed in the Directory, please let us know. Though we have made a great effort to include all local organizations, (there are over 100), we may have inadvertently missed yours.

Dear Friends:
Once again it is time to revise our Hicksville Town Directory.

We know from the many enthusiastic comments we have received that the Directory has proved very useful to the public. It is only as useful, however, as the accurate information contained. May we have your co-operation by filling out and mailing the enclosed stamped, self-addressed card? This will make the considerable job of up-dating easier for us.

Also, if you have any suggestions as to how we can make this Directory even more useful to you, call Mrs. Glaser, Wells 1-1417. We will be happy to hear from you.

Operation VFW

William M. Gouse, Jr.
Post No. 3211
by Eddie Klebing

The William M. Gouse Jr., VFW Post was represented at the 68th Annual Convention by Mr. and Mrs. Edward Chawler. Ed gave an interesting report of the convention at the last meeting.

Some of the highlights of the annual get-together were:

The Joint Opening Session of the 68th National Convention of the Veterans of Foreign Wars of the U. S. and the 54th National Convention of the Ladies Auxiliary was called to order Monday Morning, 9:15, August 21.

In the Grand Ballroom of the Jung Hotel in New Orleans.

Tuesday morning consisted of reports of committees. The principal speaker at this session was William J. Driver, Administrator of Veterans Affairs. The text of whose remarks was in the nature of a report on the activities of the VA during the year since the last convention, included in Mr. Driver's remarks was the fact that VA representatives are in Vietnam to inform returning men and women the benefits available to them.

Wednesday's session continued with awards among other business and the Honorable True Davis, Assistant Secretary of the Treasury was the principal speaker of the day. Mr. Davis was presented the Americanism Gold Medal Award by Commander in Chief Leslie Fry. The subject of the Assistant Secretary's address, "Democracy: A Continuous Living Process."

Principal speaker at Thursday session was Lieutenant General Lewis W. Walt, United States Marine Corps., who just recently returned from the Vietnam battlefront, where he served continuously since 1965. The General spoke from personal experience

about the Vietnam war. At the conclusion of his address he was presented a life membership in the V.F.W. The session closed with the nominations of officers to be elected.

The highlight of Friday's business session was the election of officers for the coming year. The results were: Commander-in-Chief: Joseph A. Scorra, Massachusetts; Senior Vice Commander in Chief: Richard W. Homan, West Virginia; Junior Vice Commander in Chief: Ray Gallagher, South Dakota; Quartermaster General: J.A. Chestham, Kansas; National Chaplain: Rev. R. M. Varner, South Carolina.

Good news from the national convention was the defeat of a proposal to increase annual dues. As it stands the individual posts will set the amount of dues for their respective members.

Sees RR Station Funds Diverted

County Executive Eugene Nickerson warns that if the MCTA collects the \$1.8 million it has billed Nassau for Long Island Rail Road Station upkeep the money may be diverted to "other projects."

Reacting to comments by Dr. William Ronan, chairman of the Metropolitan Transportation Commuter Authority (MCTA), Nickerson said, "The money Ronan seeks to collect from us, if collected, may not even be used exclusively to keep in good repair Nassau's 62 train stations, now left to the mercy of the elements and vandals."

Nickerson said his opinion was formed after Ronan told a radio

interviewer the LIRR "desperately" needs the funds "for capital improvements" such as new cars. "This contrasts strangely with past statements by the professor that the railroad needs the money just to break even."

"It now appears as though he (Ronan) is attempting to pile up a surplus by scrimping on local maintenance and diverting the funds into capital improvements. But money for new railroad cars should be taken from State funds and not from the pockets of Nassau taxpayers," Nickerson said.

The \$1.8 million bill for station "operation, maintenance and upkeep" was due Sept. 1. However, Nickerson said he regards it as "illegal, unjustified and outrageous" on grounds many of the times in the bill "have nothing to do with station maintenance" and has refused to pay it.

Collectors of the bizarre and the beautiful are invited to attend.

A friend of yours works for us. Judy Rogers.

You may remember Judy. She (or someone just like her) is the young lady you talked to at the phone company the last time you wanted to find out something about your service. She's the one who helped you when you had a question about your bill, or wanted a phone installed. It's Judy who's responsible for making sure you get the phone service you want. And it's Judy who'll get things straightened out for you if we occasionally slip up.

(After all, what are friends for?)

Judy, or someone just as helpful, is your Telephone Service Representative. You'll find her by calling your local telephone business office. Like all Service Reps, she's been through extensive training both in the classroom and on the job. And that means you can expect a lot from her. We do.

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Calendar Dorothy Petzolt GE 3-9837

Arts Department: Elaine Hauptman - WE 8-1961

Deadline for all insertions: Friday night.

From Villager Editor:

In this issue you will find two articles vitally important to our community. On affects internally the other externally.

It seems that once each year, we take our residents to task for the unsightly appearance of our streets and curb strips. Unusually because of the many garbage cans left for many, many hours after the sanitation department has emptied them. Unusually because of refuse put out on the wrong day and left there until the truck comes around later that week. We see refrigerators, washing machines, dryers, etc., standing for days on the streets. Have we no community pride? It is for this reason that we once again print the regulations as to proper packaging and storing of garbage, and collection days. If our residents fail to heed the regulations there is a very strong possibility that citations will be issued to the violators.

Once again, your Civic Association is opposing an application for spot downzoning. This particular request affects not only our appearance but also affects our very lives. Homes from this particular stable have broken loose in the past, have come through some of our backyards, several have been caught in the streets of our community. One of our residents, Larry Gibbs, has carried the fight against this downzoning for more than two years. Let us show our concern for our own safety and our support of his efforts by appearing at the Town Board hearing and voicing our opposition.

Artistic Fund-Raiser For Jericho Atty.

A fund-raising reception for Aaron D. Mansbach of Jericho, Democratic candidate for Oyster Bay Town Tax Receiver, will be held Sept. 17 in an unusual setting of sculpture and painting.

The Citizens Committee working for the election of the 15-year-old attorney-accountant will hold the reception on Sunday, Sept. 17, from 4 to 6:30 p.m., at the Gillary Gallery, operated by Leo and Sylvia Gillary, at 62 Maiden Lane.

Co-chairmen of the committee staging the novel affair are Mr. and Mrs. Kenneth Langsam of Massapequa.

Tickets for the art gallery reception can be obtained

through the Langsams, (PY 8-8469).

Sept. 20th - General Open Meeting, Friends of the Jericho Public Library, 8:30 P.M. Cantiaque School.

RALPH DIAMOND, right, with Councilman Ralph Marino following his installation as a member of Oyster Bay Town Board, Tuesday.

Diamond Takes Oath of Office

At a special meeting of the Town Board of Oyster Bay on Tuesday, Sept. 5, the oath of office was administered to Ralph Diamond of Jericho, who was sworn in as a Town Councilman.

The installing officer for the ceremonies was the Henry M. Curran, State Senator for the 3rd Senatorial District.

Rabbi Stanley Steinhardt of the Jericho Jewish Center, and Rev. Daniel Poterton, Pastor of St. Paul the Apostle R. C. Church, Jericho, delivered the invocation and benediction, respectively.

There was a collation following the services.

Become Engaged

Barry Dockswell and Carol Levine, both of whom grew up in Jericho, announced their engagement Saturday Aug. 19 and celebrated the event with a party that night at the home of Carol's parents, Mr. and Mrs. Al Levine, 115 Celia Drive, Jericho. Barry is a Junior at Johns Hopkins University and is the son of Mr. and Mrs. Henry Dockswell, 70 Forsythia Lane, Jericho. Carol is a Junior at Towson State College which is just outside of Baltimore, Maryland about 20 minutes from Johns Hopkins. The beautifully landscaped back lawn of the Levines served as a perfect setting for the event and the happy young couple simply glowed as their many friends and relatives came to celebrate with them.

Brief Civic Council On New Master Plan

By DON BECKER

The Jericho Joint Civic Council met with Town of Oyster Bay Supervisor Pento, Councilman Ucker and other representatives of the Town Board (including our own Ralph Diamond) for a briefing on the proposed Master Plan for Oyster Bay on Aug. 28.

Representatives of the Joint Council were shown a proposed "Land Use Map." The changes in zoning proposed for the Jericho area on the map were a downzoning to "industrial" of the area north of Jericho Turnpike between Broadway and the Long Island Expressway. Part of this area includes the YMCA property and the First National City Bank site. A buffer zone is included to the north. Directly across the Turnpike, the Wicks farm is also downzoned to "industrial." The area to the north east of the intersection of Jericho Turnpike and 106-107 is shown as "commercial zoning" on the map.

All members of the Town Board emphasized that this is only a proposal and that public hearings for Civic Associations and meetings with School, Fire-Water Districts will be held before any decisions are made.

Zoning Change Plea Again Before Town Board Sept. 12

On Tuesday morning, Sept. 12, at 10 A.M., an application will be heard by the Town Board of Oyster Bay on an application to down-zone the area on Jericho Turnpike between Broadway and Robbins Lane, Jericho. It is immediately adjacent to Temple Or Elohim and is known as the Birchwood Stables. Zoning request is to change the zoning from Residence "C" to a Business "F". (Ed. note: This is the same parcel of land which was under consideration for down-zoning on June 13 of this year. At that time a postponement of the hearing was granted to the petitioner.)

This land use has been the subject of controversy for some time. The Town of Oyster Bay upon the complaint of Temple Or Elohim, filed both a criminal court as well as a civil court complaint against the owners and tenants of the property for having

used the premises for stable purposes in violation of its residential zoning status.

The Birchwood Civic Assn. has passed a resolution opposing this downzoning application and we ask all our Birchwood residents who are civic-minded to appear at the Oyster Bay Town Hall on Tuesday morning, Sept. 12 at 10 A.M. to voice disapproval of this attempt to breach the "green belt" in Jericho in "our backyard." It is rumored, based on information from a reputable source, that another similar application has been prepared for filing once the first application is approved.

Let us stop this thing in its inception lest we awake one fine morning and find that Jericho Turnpike in Jericho has become a honky-tonk strip such as we find it in many areas further eastward on the island.

Revised Refuse Collection Rules

By ART ROSENTHAL

The Health, Sanitation & Safety Committee, and other board members of the Birchwood Civic Assn., continually receive inquiries from area residents regarding garbage and rubbish collections. In an attempt to answer these questions collectively, rather than individually, As Chairman of the Committee, we contacted the TOBAV, Sanitation Dept. and secured the following information which includes the many changes that have been made in the interests of economy and efficiency of operation and better services to the homeowner.

(1) Garbage collection days for this area are Tuesday, Thursday and Saturday. Garbage consists of animal or vegetable leavings and food refuse together with paper bags, cardboard, wood, paper except newspapers, or other household refuse that is inflammable or capable of fermentation or decay. Garbage must be placed in covered sanitary metal containers not to exceed 20 1/2 gallons. All containers must have handles. Not more than a total of 3 containers shall be permitted for collection of garbage. The use of oil drums, sugar barrels, etc. is not permitted. (2) Rubbish collection day varies in our area and if there is any question about which day it is in your vicinity, please call 921-0893. Rub-

bish includes dry flammable or unburnable household refuse or unburnable household refuse including ashes, magazines and newspapers tied in bundles, discarded furniture, lawn trimmings, tree trimmings, leaves or similar yard trash. Ashes and rubbish must be placed in containers weighing not more than fifty pounds. Shrub and tree branches must be tied in bundles and must not exceed four feet in length; newspapers, boxes, crates and cartons must be broken down and tied into bundles. Not more than four bundles weighing fifty pounds each will be collected. Building or contractor's waste, street sweeping, sod, sand, or concrete will not be collected. (3) Please bear in mind that no garbage or rubbish shall be placed at the curb for collection before 7:00 PM on the day prior to collection nor later than 6:30 AM on your regular collection day.

(4) For bulky items and for special pickup, please call 293-9191. Unusually bulky items or items weighing over 100 pounds will be collected by a special truck. (5) It shall be unlawful for any person putting out wastes for removal to permit the containers thereof to remain at the curb line or in front of said premises visible from the street for more than eight hours after the collection shall have been made. All waste materials which have not been removed by the Collector of garbage and refuse because of the failure of the person putting out such waste material to comply with any provisions of this ordinance must be removed from the curb line and from the front of said premises visible from the street within six hours thereafter.

(6) All accumulations resulting from the failure of any person to comply with these rules, and any waste building materials shall be removed by such person at his or her expense. (7) It shall not be lawful for any person to take, remove, collect, or in any manner interfere with or disturb any waste materials deposited outside of any dwelling, business place, or other premises in the Town of Oyster Bay which have been set out for the purpose of having the same collected and removed by the Collector of garbage and refuse. (8) In the event a holiday falls on your rubbish day, rubbish

Beach Dept. Ends Safe Boat Project

Over 300 youngsters 10 to 14 years of age have completed the free safe boating course held at both North Shore and South Shore Sites, Councilman Ralph J. Merino announced.

The course, jointly sponsored by the U.S. Coast Guard Auxiliary, Flotilla 13-2, and the Marine Conservation Section of the Town's Beach Department, was given at the Marjorie R. Post Community Park's community house and the First Presbyterian Church in Oyster Bay.

State law requires that youngsters 14 and under must hold a safe boating certificate to legal-

ly operate a power-driven boat. The course, attended by youngsters from all parts of the Town, was under the direction of H. William Warner, Jr., Supervising Manager of the Marine Conservation Section of the Town's Beach Dept.

The instructors included Mrs. Barbara Corbett, Fred Corbett, Peter Simmer, Eugene Bedell, Captain Emil Studer, Thomas Douglas, Margaret Douglas, Thomas McKee, on the South Shore, and Henry Rappuhn, Mrs. Eugene H. Perlman, Irving Halpern, Mrs. Claire Azzara, Alfred Givens, William Sigmeyer, Arthur Hagedorn, Henrietta and Henry Hagedorn and Arthur Feuerstein on the North Shore.

Is this any way to treat your highways?

Keep your home beautiful — keep America beautiful

You use America's highways to get to work on weekdays — for travel and pleasure on weekends and vacations. You spend a lot of time driving along them — they're part of your home. Why litter your home? Why litter **your** America? Litter is ugly and unhealthy and dangerous. Cleaning it up costs millions in taxes you help pay. Every litter bit hurts you.

Litter doesn't throw itself away; litter doesn't just happen. People cause it — and only people can prevent it. "People" means you. **Keep America Beautiful.**

Dad's Club Elects Officers

The Hicksville Athletic's Dad's Club 1967-68 officers are: President: Thomas Cara; Vice President: Joseph Thompson; Secretary: Arthur Daub; Treasurer: Anthony Masciello.

Having successfully completed its first year as a parents club, the Dad's Club is now offering membership to all parents of junior and senior high school athletes. The club is dedicated to the development of athletics in the high and Jr. High School. It fosters the relations between the athletic staff of the schools and parents whose boys or girls are interested in athletic endeavor.

Meetings are held every third Wednesday of the month, at the Hicksville High School. The next regular meeting is scheduled for Sept. 20th. Interested fathers are urged to join this fast growing athletic group. Annual dues are \$2.00.

For further information call WE 5-3894 after 5 P.M.

Because of the success during 1966, the "Wizards" basketball

team will conduct a return engagement at the Hicksville High gym the first Friday after Thanksgiving Day. Tickets will go on sale beginning early in October. Admission price is \$1.50 and tickets will be sold thru the students and the Dad's Club. A limited number of tickets will be sold at the door

during the night of the performance. Price will be \$2.00.

The Wizards are a group of well-known basketball players who will be pitted against a top performing faculty team from Hicksville High School. Special prizes and door prizes will be given away during the game. For tickets call WE 5-9000 Louis Mithrocy.
