LIA Members Push For Transit Center

The development of a surface transportation hub at Hicksville gets priority from Long Island Assn. member firms recently polled on 10 major transportation proposals affecting the Long Island economy, it was disclosed this week. The Nassau County Planning Commission is known to be developing several alternate plans for Hicksville but is reported hampered by lack of manpower and financing to complete traffic counts and other supporting studies.

The Hicksville Transportation Hub, in the LIA study, while listed 10th by the Association among 10 propositions, it received a higher percentage of support as a "critical proposal" than a Mitchell Field Transportation Centre or a North Shore Transportation Corridor. It also scored way over development of Long Beach Expressway and Bethpage State Parkway as limited access highways, also on the list of ten proposals.

Forty-nine percent of the LIA member firms voted that the Hicksville Hub "deserves highest priority and earliest attention" while 51 percent of the members said "drop from further consideration or study for future action only." Highest critical support went to mass transit, improvement of LIRR, voted by 93 percent of the members. The Oyster Bay-Tye Bridge got 55% and the Port Jefferson-Bridgeport Bridge 80 percent.

The survey was made on Aug. 3 by LIA which has its office at 131 Jericho Tpke., Jericho, and revealed to the Board of Directors on Sept. 14. The annual membership meeting and election takes place Tuesday, Oct. 3.

TWENTY SEVEN Puerto Rican students were the guests of Hicksville Schools and resided with local families during a month this summer. The visitors gave a farewell reception (bottom picture) at the end of the program. Among those present (top, from left) were Donald F. Alt, Superintendent of Schools; Vera Galante, foreign language supervisor of Hicksville schools; Mrs. Moreno, Puerto Rican chaperon; Dr. Claudio, assistant commissioner of education, Puerto Rico; School Trustees Evelyn Silver, Vice President Harold Sternberger and President Marvin Goldberg.

St. Ignatius Teens Arrange Musical

The St. Ignatius C.Y.O. Youth Council, Hicksville which sponsors teen activities for that parish, has plans underway to present their first musical, "The Boy Friend".

The Council, including the Drama Club, has only been in existence for a year, although in May they presented their first production, "Night Must Fall", a three act mystery by Emyln Williams, which proved to be very successful.

"The Boy Friend" will be directed by Robert Sauer, a recent graduate of St. Anthony's High School, Smithtown. Ethel Cassidy, local dance school instructor, will do the choreography. Rev. James Carmody is the moderator for the Council and Drama Club, as he is moderator for most of the teen activities.

Auditions were held in July and the cast has been rehearsing continuously since. The cast and crew hope to make this production another credit to the St. Ignatius parish.

"The Boy Friend" will be presented on the nights of Oct. 26, 27, and 28 and curtain time is 8:30. Tickets will be available at the door, St. Ignatius School Auditorium, Nichols St.

Art Exhibition Starts on Sunday

A touring exhibit of American paintings, including 21 originals by some of the outstanding artists of the American scene, will be introduced at a tea at Hicksville Free Public Library on Jerusalem Ave. at Second St. at 3 PM Sunday, Sept. 24. Included are the works of Andrew Wyeth, Jack Levine, N. C. Wyeth, Grandma Moses, Guy Pene DuBois and others.

The exhibit continues until Oct. 13, open 10 AM to 10 PM, Monday to Friday and Saturdays from 10 AM to 5 PM.

Third Party Goes For Ralph Marino

The Independent Voters Party has nominated Ralph J. Marino as its candidate for Oyster Bay Town Supervisor.

The independent group, in little more than one week's time, collected 2,533 signatures on petitions to place Marino on the ballot as their standard bearer. Republican Marino, the town board majority leader, had previously received the Liberal Party endorsement and may therefore appear on three lines this November.

Marino said that he was very gratified that the new organization had been able, in such a short period of time, to gather over 1,000 more signatures than necessary to meet the legal qualifications for securing a place on the ballot. He noted that a rival group, Today Independent Party, which is supporting his opponent, had managed "to get only about 2,000 more signatures, even though they had been circulating petitions for several months."

Nautical Cadets Resume on Sept. 29

On Friday night, Sept. 29th, at 7 P.M., at the Jr. High School on Jerusalem Ave., the Hicksville PBC Nautical Cadets will start their tour of duty for the year. All cadets are urged to report on time, and to bring any equipment they may have in their possession.

Any boy between the ages of 10 and 16 years, may sign up to become a cadet this Friday or any Friday thereafter. No dues or registration fees are required. A parent must be present at the time of registration. They are taught first aid, communications, or they may try out for the fine drum and bugle corps.

Berndette Marchica Becomes Bride Becomes Engaged

Berndette Marchica, daughter of Mr. and Mrs. Carmine Marchica of 4 Hollywood Dr., Plainview, became the bride of Frank Rove, son of Mr. and Mrs. Albert Rove of 832 School Dr., Baldwin, at Our Lady of Mercy RC Church on Sept. 17. Father McGowan officiated.

Miss Marchica wore a white silk linen gown trimmed in velvet and carried white daisies and baby breath. Loretta Marie Cardone, a cousin, was maid of honor and bridesmaids were Francis Sedino, a cousin; Bernadette Rove, the groom's sister; and Lisa Marchica, a niece, was junior bridesmaid.

Louis Costanzo was best man. Ushers were Frank and Louis Flacciatto, cousins of the groom; and John and Charles Marchica, brothers of the bride.

After a wedding trip the newlyweds will make their home in Sherry Brook. The bride is a free lance artist and attended State U. at Farmingdale. The groom is a technical illustrator and also

attended the State U. at Farmingdale. The wedding reception was held at the Huntington Town House.

ALL AROUND TOWN

Sol Wachter, candidate for county executive, will cut the ribbon at 12 noon on Sept. 23 at 16 North Jerusalem Ave., Hicksville, to officially open the Friends of Wachter headquarters. Volunteers for the headquarters are invited to call 822-3220.

A. Werner Pleus, Conservative Party candidate for County Executive spoke Sept. 13 at a meeting of the Hicksville Young Americans for Freedom according to Richard Zahora, Hicksville Chairman, said the Garden City Chapter has been expelled "because of actions contrary to ethical procedure in calling an illegal meeting when Republican Sol Wachter was endorsed."

Carol Ruth Lilienthal

Mr. and Mrs. Lee Lilienthal of 18 Belfry Lane, Hicksville, announce the engagement of their daughter, Carol Ruth, to Joel Warren Blair, son of Mr. and Mrs. Louis Blair of Bayside. The future bride is a graduate of Hicksville High and a nurse on the staff of Mid Island Hospital, Bethpage.

Brian P. Lafferty, son of Mr. and Mrs. R. Lafferty, 10 Indiana St., Hicksville, started classes Sept. 14 as a freshman at Franklin and Marshall College, after completing a four-day orientation program.

First meeting of the Sisterhood of Cong. Shaerel Zedek will be held on Monday, Sept. 25, at 9:00 p.m. at the Temple on New South Rd. and Old Country Rd., Hicksville.

OBITUARY

Francis E. Walsh

Francis E. Walsh of 31 Gull Rd., Hicksville, died in Vermont on Sept. 13 while on vacation. He was 59 years of age. A requiem mass was sung at Holy Family R.C. Church on Sept. 16. Interment followed, under the direction of Dalton Funeral Home, at Holy Rood Cemetery, Westbury.

He is survived by his wife, Mary; daughters, Mrs. Mary Bedell of Hicksville and Mrs. Frances Black; son, John Walsh; four grandchildren and a sister.

Dear Sheila:

Damage resulting from that recent set fire in the Hicksville School District warehouse on Division Ave. which led to the arrest of a couple of boys charged with arson will be in the area of \$50,000, according to informed sources. The school district has insurance. . . . When fire was discovered in the basement of the Dutch Farm dilly on North Broadway, about 1 o'clock Monday morning, there was considerable smoke in the dilly and in Paul's Tavern, next door. The volunteers were on the scene for an hour and half, most of the time drawing out smoldering fumes. There is an unconfirmed report of a burglary having taken place at about the same time as the fire. . . . Mid Island Plaza, which continues to claim 90 stores although the correct number is something less than 65, celebrates its 11th anniversary in October. Who recalls the glowing visions by certain people at the time of the opening about how the Plaza was going to be such a big aid to downtown retailers? More than half of them are now gone and a few have actually moved into space in the shopping centre. . . . It looked like ladies day at the main Hicksville Post Office, Saturday morning, with women at the windows instead of FREDDY SCHLITZ and his side kick. . . .

A Rotary forum is planned for Oct. 31 at the Holiday Inn, Plainview. RUDY HOUSE was a recent guest at meeting of Hicksville Club. . . . Hicksville Kiwanis charter night is Oct. 23. The club heard Police Inspector JOSEPH F. GALLAGHER at his last meeting on maintenance of law and order. At the same time DR. ERIC H. LEBARRON, former school superintendent, presented the Kiwanis Vocational Scholarship award to MICHAEL HERMANEK who will attend Voorhes Technical Institute. . . . STUART KATZ, son of Mr. and Mrs. Harold Katz of 16 Post Lane, Hicksville, a junior pre-law junior at Kent State University has been named business manager of the university's student daily newspaper. He is a Hicksville High grad. . . .

There is talk about widening 1000 feet of Cantigue Lane, which shoots off Cantigue Rock Road on the Hicksville boundary. BRONWYN MAUCELLI of 130 Park Ave., Hicksville, was injured in a three-car Labor Day weekend collision on Jericho Turnpike at Heather Lane, Levittown. She was taken to Meadowbrook Hospital. Cantigue County Park during the first eight months of this year drew 119,000 residents, second highest for any Nassau park. See that sign on a gas station at South Oyster Bay and Old Country Roads: Welcome Home, Brother Shrew? . . . Another Navy contract is announced for Grumman's \$54,476,599 Glad to get the news for the sake of local employment, but the figures are staggering. . . . Hicksville Kiwanis Club sponsors Kid's Day on Saturday, Sept. 30, at Cantigue Park this year from 9 AM to 1 PM. JOE OLIVER and BUD ROBINSON are in charge. And Kiwanis Charter Night at the Golden Meadowbrook is set for Oct. 28. . . . Four new 175-watt mercury vapor lamps are scheduled for installation on McKinley Ave., Hicksville. . . .

It is reported a \$100,000 damage suit has been filed in court by WALTER W. COX of Massapequa Park against Supervisor MICHAEL PETITO, JACK SCHRIER, chairman of the Tobay Independent Party, and LELAND BADLER, TIP candidate for town board. Cox charges his name was listed as a vice president on the TIP stationery although he does not support either Petito or Badler. . . . Slapped up is a struggle between the Classroom Teachers Ass. and the Hicksville Federation of Teachers as to which group will represent the teachers in bargaining with the school board. . . . Have you noticed that luminous street sign on Miller Rd., near Woodbury? Sure picks up the headlines. . . . Hicksville School Board holds a regular meeting next Wednesday night, Sept. 27. . . . Today is officially the first day of fall. . . . We published the story about the exhibit of paintings by ANDREW WYETH and others at Hicksville Public Library but neglected to include the dates. They are Sept. 24 (Sun at 3 PM) thru Oct. 13, 10 AM to 9 PM on Monday to Friday and 10 AM to 5 PM on Saturday. . . . New assignments in Hicksville Schools this term include: RACHAEL MORRIS, formerly Wildet Ave., now elementary guidance; DENNIS H. MURPHY, head of senior high business dept; JOHN KEARNS, head of Senior High English Dept., and RICHARD KULP, head of Junior High English Dept. . . .

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

Peacemaker, instigator, song writer, drummer, bugler, flag bearer, Corps Clown, happy traveler, -- all these rolled into one are Krunchy -- Or is it? Can we really describe to you what a nutty, laughable, loveable and warmhearted person Kathy Krajci (a.k.a. Krunchy) is to us?

Seven years ago Kathy started as a horn player and later switched to drum. In the past seven years Krunchy has contributed to the success of the Corps by her readiness to work and her quick wit. Self sacrifice is a necessary ingredient for any Corps member and Kathy has made many. The biggest has been her many journeys. This past summer, in June the Krajci family moved to Kingston, N.Y. 120 miles away, but she could not leave her Corps with a hole in the line right at the start of the season. Her parents graciously allowed her to return to Hicksville on all the week ends a contest was held. All totaled, Kathy travelled 2,400 miles to compete with us this summer.

She was quite a sight the first time she arrived in Penn Station, looking like a country girl hitting the big city for the first time. She looked so confused that everyone she met offered her assistance. But soon Krunchy was a veteran traveler helping others

Kathleen Krajci

find their way.

In short Krunchy is one great person and words could neither express all she is nor all she's done for St. Ignatius Girls and everyone else she meets.

Kathy, the only words we have are: ARE WE GONNA MISS YOU YEAHHH!

Any of your AmVet members who have any Patches, insignias, Crests and don't want them anymore please throw them this columnist's way. I have quite a collection of all types of patches, crests, medals etc. and have a long way to go before they can ever be completed. Re-

member fellows, Danny Zinkham is membership officer, when he calls for dues, get them in and help your buddy make it a big year. I'd like to see Mike Ellish, Jim Surless and a few of the other members. It's been years since I ran across you all. Army Spec. George Paulner home on leave before he heads for Viet-Nam, paid a visit to the Cooleys. George will be a member of AMVETS when he comes home to stay. REMEMBER WHEN... AMVETS Officers under Commander H. Arthur Ulmer held their 1st. Officers dinner at Raynolds in Huntington? Our 1st. County Welfare Ball at the Hempstead Armory? When Post #44 was selected as the Number One post in the United States over all other AmVets? Ourist, Corn Beef and Cabbage dinner on St. Patrick's Day was cooked by Mike Ellish, Johnny Swickel, the Mignones and all we had to sit on was wooden boxes? Well, (Continued on page 4)

Oct. 21st: That's the date for the Post's Costume Dance. Chairman Harry Wirth promises all who come an enjoyable evening. Tickets are \$8.50 a couple which includes dancing, a band to provide the music and the usual goodies that make all our dances popular. Tickets and reservations can be had by calling Harry at MY 4-1680, bearing in mind that they are on a first come first served basis. SUPPORT YOUR POST.

The GI Bill which goes into effect Oct. 1, provides other benefits for veterans than increases in benefits, pensions and educational allowances. Some are: A \$250 burial allowance payable upon the death of a Vietnam veteran. For purposes of free treatment in veterans hospitals, a psychotic condition arising within two years after discharge of a Vietnam veteran, or the end of the conflict, will be service connected.

All veterans with service after Jan. 31, 1955 are eligible or could become eligible for these benefits under the new law.

Allowances for on the job and on the farm training are payable.

Flight training allowances are payable to veterans with private pilots' licenses who need additional training to qualify as commercial pilots.

For those who never completed high school, financial aid to do so is payable without reducing the eligibility of a veteran for benefits for college or other advanced training.

The limit on direct home loans is increased from \$17,500 to \$25,000 in areas where GI mortgages are not available from private lenders.

A GI CHRISTMAS can be made better for the servicemen in Vietnam, if they receive the type of presents they want. The USO in a recent survey shows the following items our boys in Vietnam prefer: shaving equipment, foot spray, shampoo in plastic bottles, pen sized flashlights, insect repellent, small jig-saw puzzles, first aid kits, key chains and cases, ball point pens, writing materials, medicated cleansing creams, small face towels, small sewing kits, large handkerchiefs, hard candy and pocket books.

Other ideas for gifts come from Army wives who suggest the following: A subscription to his favorite magazine (it is better to have the publisher send it to you, in a plain brown envelope to insure its receiving it), a photo flip album with pictures of the family or pets, gift packs of fresh fruit, a foam rubber pillow, small and large plastic bags, snacks in tins, hard salami.

We could go on and on knowing that our servicemen in Vietnam deserve only the best.

SUPPORT OUR BOYS IN VIETNAM.

Herald Editorial Comment: Economic Loss Via Widening

A monumental symbol of the departed status of down town Hicksville as a shopping and retail trading centre of Long Island will soon topple into the dust and dirt at Broadway and W. Marie St. It is the Huettner Building which when it was erected about 40 years ago was considered a modern palace of merchandise excellence.

The Huettner Store, as such, is not known to many present day residents. Julius Augustin had opened a general mercantile business here on Dec. 4, 1874. He sold the business, then located on the opposite corner of Broadway and W. Marie St. (more recently Englert's Bakery location), to Henry F. Huettner in 1890. Large plate glass windows were installed there in 1893 and were a marvel of their day. Those were the days when trees lined both sides of Broadway right thru the heart of town.

The modern, substantial brick and steel Huettner store, soon to come tumbling down was erected in the 1920's. The family closed the business after World War II and eventually sold the building.

Which brings us to our point. Some months back we predicted a loss of a million dollars in assessable property valuation with the widening of Broadway and the demolition of buildings. We now have some confirmation of our estimate. The County Board of Assessors Frank A. Pelcher Jr., as chairman, advises us that assessed valuation lost between the LIRR and Old Country Rd. only, due to the road widening, is \$394,045. To this must be added the subsequent demolition and property taken further south on Broadway all the way down to Grumman's.

The rate paid by individual homeowners for such services as schools, fire protection, water supply, refuse removal etc. plus county and town governments is calculated on the basis of the total valuation of the community. For Hicksville, the assessment had been climbing at the rate of at least one million dollars annually for at least ten years, even more before. The new 1967-68 assessment which determines the school tax rate for example has just increased only \$481,823 as against last year. In other words, part of the pinch of your higher school (and other) tax bills will be due to the smaller gain in total assessed valuation.

There are additional economic factors involved in the destruction of

businesses on Broadway. For example, the people who used to go to the local bakery for bread and cake after church on Sunday, also stopped at the paper store and dilly enroute home. How about the fuel oil sold for those departed buildings? How about the electric power and water consumed? How about employment ended, incomes halted?

Everyone assures us down town will come back. There are plans for development of a transportation hub (which we endorse) with multi-story office structures. But these projects are in the "let's make plans" stage (more than five years after the word first came out officially about the scheduled widening). Federal and state funds may be involved, a long drawn out process as witness Hempstead's urban renewal which this week saw the construction start on a new supermarket on 69 acres of cleared land. That project was begun SEVEN YEARS AGO.

Meanwhile those parking meters still tick and the police hand out overtime tickets as if down town Hicksville was the bustling retail centre of a decade ago.

Our Wolff on Prowl

Congressman Lester L. Wolff, who represents most of the mid-island area, has been rolling around the Far East for several weeks strictly on his own. Perhaps he is not missing anything in Washington where Congressman James Grover, Jr., who represents the east portion of the Mid Island area including Plainview, reports that sessions have been unfruitfully creaking along for 140 days. Grover has been on the scene and notes 18,000 bills have been introduced and only 90 public laws have passed to date (Sept. 18).

However, we do believe our Congressman belongs in the halls of congress to represent our best interests throughout the session. This he cannot do while his vote is in Vietnam observing the elections (as an individual at his own expense, not as an official observer) or dropping in at Thailand, Laos, Philippines and Taiwan. His office says he is "visiting our allies because a lasting peace involves all of Southeast Asia, not just Vietnam".

We can't help wonder if President Johnson, the United Nations and the State Dept. are aware of Mr. Wolff's individualistic efforts to bring peace to the Southeast Asia.

TRICK OR TREAT, lady? The Lions Club members are calling on hundreds of Hicksville homes selling Halloween candy as a fund raising effort. Club President Maurice Paul said the plastic bags of candy contain 160 individually wrapped pieces of fruit flavored hard candy and chewy taffy for one dollar. The salesman, here, is Pierre Charbonnet who somehow also managed to take the picture.

members, before I close this week's column, let me once again stress the importance of a strong membership. With the large number of veterans in Hicksville that do not belong...lets go get them. There is much to offer our buddies from WW2, Korea and Viet-Nam. I cannot stress enough that we must get out and show them AMVETS. Bring down a veteran and show them your post and what it has accomplished these past 18 years.

"OUT OF THE FOXHOLE"... Post #44 Honor Guard which was in the 2nd. Div. of the Firemen's Parade on Labor Day was given a very nice Plaque by the local Fire Dept. It has made the boys so proud that I understand Post Commander BOB CUCCARO is building a special shelf for it which will have a light focus on it. Is it true Bob that every few seconds there will be a blare of bugles and a ruffle of drums? Credit must go to BOB CUCCARO, BILL HILL, FRANK HAMILTON and DANNY ZINK-HAM of the Guard. After the parade everyone was invited to DANNY's house where he had a cook-out. There was a real good time, from what I hear. SORRY TO HEAR DEPT. THAT FRANK DALY lost his "Mom".

AMVETS HERE 'N' THERE... Via post card, LOU MIGNONE and HARRY ZVONIK both having a ball down Mexico way. JACK REGAN accomplished a good job as S. O. regarding a Serviceman. "HER SHINING KNIGHT" He wore his medals on his chest As proud as he could be, And walked the avenue of life So all his friends could see.

He had a pair of Silver wings Air Medal, Silver Star, And gleaming on his shoulders were A pair of Golden Bars.

I saw the Purple Heart he wore With clusters right beside, The D.F.C. and battle stars And then I could have cried.

For with the lad there was a girl Her hand he clasped so tight, And then it dawned on me at once He was her Shining Knight. But then when someone passed them by He threw a smart salute How nice a couple these two made Both he and she so cute.

And then when I think back to them As great to be alive, You see the man that I had seen Had reached the age of Five. Actually seen out West. The child wore a play Uniform. The son of a Fighter Pilot KIA. The girl was his Mother.

Pontiac announces the great American sport for '68

Le Mans Hardtop Coupe

Wide-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiacs should tell you that. One ride will convince you!

Our sporty new Tempests and Le Mans are new from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response. Disappearing windshield wipers on all GTOs and Le Mans. Even wider Wide-Track. And you can choose from two new regular- or premium-gas 350 cu. in. V-8s!

Our fabulous GTO boasts the neatest engineering innovation of the year—an exclusive revolutionary new bumper. It's the same lustrous color as the car. But it won't chip, fade

or corrode. And you won't believe what this bumper does until you see it with your own eyes!

Naturally, our new Bonneville, Grand Prix, Catalinas, Executives and Venturas won't take a back seat to anyone! Especially with their bold new integral bumper-grilles that are nearly twice as strong as before. There's also new Wide-Track ride. Improved handling. Smoother engines. And more new features for your protection, like a buzzer that warns you when you forget your ignition key.

Isn't it about time you decided to give up plain ordinary driving? Don't fritter away another hour. See your Pontiac dealer today and start Wide-Tracking!

Operation 'Anti-Sneeze'

By Lotte Stein

The Town of Oyster Bay has instituted a massive program for the elimination of ragweed growing within the borders of the Township by the various departments of our town government. With the valuminous rainfall this Spring and Summer, the amount of ragweed has reached extraordinary proportions and has seriously endangered the health, safety and comfort of our citizens.

The Supervisor of the Town of

Oyster Bay, Michael Petito, has informed the surrounding Towns of Hempstead, North Hempstead, and Babylon; the County of Nassau, the State of New York; and the incorporated villages, fire districts, water districts and school districts within the Town of Oyster Bay, as to his plans and has requested from them that in order for this anti pollution program to be fully effective, a regional and complete effort must be made.

Ten Pin Talk

By Henry Docksell

It looks as though the men of the BCA league couldn't wait to get back into action. Last week, which was our first of the new season, the 200 magic circle was dented 12 times. This week the pins tasted the floor boards 15 times to the tune of 200 or better. Leo Geyer was the man of the week this time. He crashed a 226 and a 214 to compile a 621 series and win an 8-3 victory for his men over Sid Holtzman's guys even though Sid bowled a 212 and teammate Ray Weiss got a 210.

The next heroic kegler was Irv Simes. He curved a 206 and a 232 for a 590 series and an 8-3 win for his men over Gittelman's "Guzzlers".

Hal Goldenberg, and Sam Springer (summer bowling partners) led their teams in battle against each other. Sam led well with a 212 but Hal led better with a 237 and when one of Hal's boys, Sy Cohen, came in with a 207, Springer's squad was in the soup 11-0.

Me thinks that Sid Sachs and his cavities need a whole new set of pliers. Last week they were good and they still lost all 11 points. This week they tried harder and they were worse. Sid rooted out an even 200 but he didn't reckon on one of Bill Kellerman's boys, a guy named Elliot Spencer. Elliot showed no respect for Sid's prowess. He bowled a beautiful 592 series, his best game being a 208, and almost single-handedly buries Sid's crew 11-0.

Rob Goldstein with a 223, Milt Hoffman with a 215, Joe Jacobs with a 213, and Bernie Kaplan with a 202 wound up the individual scoring.

At present two teams are sharing first place. Both have won all their games so far. Sy Brickner's boys and Julie Gershen's guys are tied at 22 points apiece. So far only one team has chosen a name, Gittelman's "Guzzlers". All you captains get names for your teams and put the name inside your book on the score sheet on the same line as your team number.

The Plainview-Jericho Chapter of the League for Parent Education will meet on Wednesday evening, Sept. 27, at 8:30 P.M. at the home of Mrs. Eleanor Rosen, 559 Woodbury Road, Plainview.

To visit and see the program in operation, call Mrs. Rosen at WE 8-3945.

Neighbors Talk As Candidates By Don Becker

This year members and residents attending the annual "Meet Your Candidate" night, will be meeting not only candidates, but also, in the case of two of the speakers, neighbors as well.

Both Ralph Diamond, incumbent Republican-Liberal candidate for Town Receiver of Taxes, are residents of Birchwood Park.

On the program, of course, are candidates of other parties opposing Ralph and Aaron as well as incumbent Supervisor Petito and his opponent.

As full, complete schedule of speakers will appear in the "Villager" next week but plan now to attend Tuesday evening, Oct. 3rd, at the Little Theater of the Jericho High School.

BEAUTY AIDE

By Jerry

There are false hair fall, wiglets, various shape wiglets to perform specialized functions such as long Shirley Temple curls to fill the area at the nape of the neck to hide a short hair comb and to bring about the growing curly lock in hair.

There are various types of hair being sold to the public. It seems that many hairpieces sold as 100% human hair have as much as 50% synthetic fibers. Beware! These pieces do not hold the set or look as you would want them to do. The peddler who knocks on your door, who doesn't come well recommended, who has something for you most likely will stick you.

The most preferred hair today is European.

Any questions that you may have on this or any other problems please address to Jerry c/o VILLAGER, 162 Birchwood Park Drive, Jericho.

The Art Part

By Lee Batterman

Birchwood artists, exhibiting in Greenwich Village, were pleasantly surprised by visits from fellow Birchwoodites. It was very gratifying to see whole families turn out to view the color and excitement of the "Village Art Show".

Interesting to note, some families were completely unaware of this exhibit prior to my earlier writing at which time I had mentioned it. The results -- a most enjoyable and delightful day spent. From the artist's point of view -- we love to see familiar faces. So, if you are one of those who missed it, remember, the spring show starts next Memorial Weekend.

In the meantime watch the "VILLAGER" for forthcoming local exhibitions and shows to take place in the near future and during the winter season.

DEBBIE SHUMAN Reaches Semi-Finals

We may not have the prettiest teen-ager in America, here in Birchwood, but we do have a delightful and pretty gal who reached the semi-finals of the Miss Teen-Ager America Contest. She is Debbie Shuman, daughter of Les and Ray Shuman of 73 Village Drive.

Debbie will be 15 on Oct. 18 and when she heard about this beauty contest, run by Palisades Amusement Park, she felt she just had to enter into the competition. Enter she did, and one of the great thrills of her life was when she was chosen to be one of 30 other teen age beauties to go into the semi-final round.

Jackie Robinson At Jericho High

Jackie Robinson, special assistant to Governor Rockefeller, and one of the country's all-time stars of baseball will address a special Jericho Junior High assembly on the morning of Oct. 3. His subject will be "The Rights and Responsibilities of Society toward Minority Groups and the Rights and Responsibilities of Minority Groups toward Society."

Robinson will be the first speaker heard in the Jericho Junior High Lecture Series, a project which will bring four prominent guests to the school during the current school year.

Withdraw Plea For Down Zoning By Charlotte Maeder

On Tuesday, Sept. 12, at Oyster Bay Town Hall, the second hearing of petitioner Alice U. Mitchell and Phoebe U. Smith for the purpose of considering a proposed amendment of the Building Zone Ordinance of the Town was brought forth.

The Amendment asked for a change of zoning from residence C to business F for a parcel of land situated at the South Side of Jericho Turnpike now occupied by Carlyn Stables, OED. note: This is the same parcel of land that we called to your attention in our editorial on Sept. 8th. Thanks are in order to Larry Gibbs for being on top of the situation and waging a successful fight as a member of our Board of Directors.)

The attorney for the petitioners came before the board and stated that he would like to withdraw the petition. At this time the lawyer for Muttontown stated that he wants it to go on record that the downzoning is highly opposed by his clients.

Robert Vogel of Fox Lane, Jericho, representing the families of the area involved, with a 130-name petition, also echoed this statement.

After a brief consultation with the Councilmen, Supervisor Petito accepted the request.

Requests Town-Wide Hearings on Planning

Town Board Majority Leader Ralph J. Marino has requested Dr. Edward J. Cook, Chairman of the Development and Planning Action Commission of the Town, to begin as soon as possible to schedule public meetings on the Commission's preliminary Master Plan.

In a letter to the Planning Commission Chairman, Marino urged that a series of public meetings be held across the Town to insure total community involvement.

"We must have complete community participation in this vital task of evolving a final Master Plan for the Town of Oyster Bay. Every interested party should be given an opportunity to involve himself in the planning program so that the Planning Commission and ultimately the Town Board will have the benefit of that

participation in the final development of the Plan.

"I have just completed my analysis of the preliminary Master Plan and I find some things that are presently objectionable and which, in my judgment, would not insure to the benefit of the Town," Marino said.

He cited the proposal calling for the location of garden apartments in Belknap as one of the recommendations which he would never approve. He pointed out that the Town Board had already denied a request for the construction of garden apartments in that community.

Marino also asked Dr. Cook's Commission to give the scheduled public hearings "full publicity" so that all those who wish to participate will be advised of the date, time and location of the sessions.

TAR Leader Backs Pleus

James Samuelson, President of the Hicksville Teen-Age Republican Club, resigned on Sept. 15, saying that he could not, in good conscience, support candidates "whose very presence in the party tends to diminish any hope of every unifying the party behind a candidate acceptable to all factions."

He especially pointed to what he called the failure of North Hempstead Supervisor Sol Wachtler, the GOP candidate for County Executive, to support conservative Republican Steve DeGennaro for re-election to Congress. Samuelson said he felt the philosophy of Wachtler, Ralph Marino, Republican candidate for Oyster Bay Supervisor, and others is "totally inconsistent with the tenets of traditional Republicanism."

Samuelson stated that he was now supporting A. Werner Pleus, Conservative Party candidate for County Executive, and that he had accepted a position as Town of Oyster Bay Chairman of the Young Citizens for Pleus.

PETITO VOTES FOR SCHOOL BUSING TO ACHIEVE RACIAL BALANCE

At a meeting of the Nassau County Board of Supervisors last year, a vote was taken on a resolution supporting the Lant-Goldstein Bill. This law, if passed, would have barred the State Education commissioner from forcing the busing of school children for the sole purpose of achieving racial balance. The resolution passed, with only the Democrat board members voting against it. However, County Executive Nickerson vetoed the resolution.

On March 14, 1966 a second resolution was introduced to override Nickerson's veto. Here is the official, word-for-word transcript of what Petito said as he again joined forces with the Democrat forces opposed to the anti-busing bill.

MR. PETITO: "I wish to take the position taken by the County Executive. I wish to vote against the motion to override his veto. Although everyone pays lip service to the principle that neighborhood schools should be maintained, at the same time say there should not be segregation in schools. Who matters

who brought about this proposed bill would eliminate racial imbalance as a consideration in the assignment of children in public schools in clear violation of the decisions of the Court. If I am to believe in the principle that local school boards should decide for their area what is best for their school and the residents therein and this bill would not help them make such a decision, I believe it adds nothing to the solution of the problem of the schools and I would therefore support the position taken by the County Executive. I vote Nay."

Responding to Petito's statement was Hempstead Town Presiding Supervisor Ralph G. Caso, Republican leader of the Board.

MR. CASO: "Ladies and Gentlemen, I have just witnessed the best act and fete of wailing both sides of the street at the same time, and, how you can say from one side of your mouth that you are against and they say on the other side that the elective school boards have the right, is something that I haven't got the time to comprehend. In any event, it is completely in-

congruous. Accordingly, I vote to override the resolution veto on the part of the County Executive.

Commenting on Petito's performance, Ralph J. Marino, his Republican opponent this November, said, "that's the kind of double-talk and double-think we're used to getting from Petito at Town Hall. It's unfortunate that the Lant-Goldstein Bill didn't win unanimous endorsement by the Board of Supervisors. The bill had been passed by the State Senate and I know the Democratic controlled State Assembly was watching to see the position taken by Nassau's board. I am confident that its lack of unanimous support in Nassau was one of the major reasons for the Assembly killing the bill.

"Personally, I strongly support the neighborhood school concept. As a former school board member I believe that independent school districts should not be tampered with by the State. Busing little children miles away from their homes accomplishes no social purpose and it disrupts their lives."

We thought Chase Manhattan Cash Reserve Checking was great ...then we made it even greater with this unique Check Guarantee Card

Chase Cash Reserve Checking

(What it is and how it works)

Now you can write checks for more than you have in your checking account.

Chase sets up a Cash Reserve (personal line of credit) for qualified customers in an amount from \$500 to \$5000.

You can then write personal checks for amounts up to the total of your checking account balance plus your Cash Reserve.

Let's say there's a sale of furniture and you need \$480.

With only \$200 in your checking account, you may still write a check for the full \$480.

Chase automatically advances the extra \$280 you need from your Cash Reserve.

The interest you pay is at the rate of 1% per month only on the amount you use, and for the exact length of time you use it.

A valuable service? We think so, but now, there's even more...

Apply now at your nearest Chase Branch.

THE CHASE MANHATTAN BANK
N.A. / Member Federal Deposit Insurance Corporation

Chase Check Guarantee Card

(What it is and how it works)

Chase Manhattan's Check Guarantee Card assures that your Chase personal checks—up to \$100—will be accepted anywhere in Greater New York.

Merchants accepting Chase checks presented with our Check Guarantee Card can't lose. Chase promises to make good every such check accepted by food stores, department stores, specialty shops, restaurants, airlines—any established business concern.

And the Chase Manhattan Check Guarantee Card is absolutely free to all Chase Cash Reserve Checking customers.

Sound good?

To get both of these two great new services you should meet these requirements:

1. Be 21 years of age or over.
2. Live or work in Greater New York.
3. Have a steady income.
4. Have a good credit rating.

Requests Ban On Burning of Leaves

With the early advent of fall weather, fire and county officials ask homeowners not to burn their leaves.

"All of us will breathe easier if every homeowner puts his leaves and rubbish in proper containers to be hauled away," County Executive Nickerson said.

He noted that a new local law amended the Nassau County Administration Code in relation to air pollution control prohibiting open burning. It has already had far reaching effects on air pollution as it prohibits or limits many of the sources of contamination, the County Executive said.

One survey made by the Nassau County Health Dept. revealed that one of the most significant sources of air pollution in the County is open burning.

Here's a message for you if you are 65 or older:

"Your Medicare Handbook" will tell you what benefits you can receive from the two parts of Medicare: hospital insurance to help you with the cost of hospitalization an related care; and medical insurance to help you with your doctor bills and certain other health expenses. If you do not have a Medicare handbook, get in touch with your social security office.

Miss Barbara Anne Melanson, daughter of Mr. and Mrs. Frederick B. Melanson of Jericho and Shelter Island was married Aug. 12, to Lieut. Donald Henry Huber, USN, in a military wedding at Our Lady of the Isle R. C. Church, Shelter Island Heights. The Rev. Harold Paul, assistant pastor of St. Paul the Apostle Church, Jericho, officiated at the Nuptial Mass. The bridegroom is the son of Mr. and Mrs. Claude S. Huber of Severna Park, Maryland.

Given in marriage by her father, Miss Melanson was escorted by her uncle, Thomas F. Brennan, Sr., her gown, designed and hand made in the Philippines, was floor length with an Irish lace bodice embroidered with Japanese seed and egg pearls, a modified A-line skirt and a chapel train. Her shoulder length veil was of silk illusion attached to a crown of chiffon flowers and orange blossoms, surrounded by seed pearls. She carried a bouquet of white gladiolus, chrysanthemums and baby's breath.

Mrs. Richard Herbermann of Huntington, was matron of honor. The bridesmaids included the

Misses Claudia Huber of Arlington, Va., and Druscilla Huber of Severna Park, sisters of the groom; Miss Marilyn Squeo of Valley Stream, and Mrs. Ralph Scott of Moorestown, N.J. The bride's cousins, the Misses Coleen and Doreen Ward of Comack, were junior bridesmaids and Master Carl Herbermann was ring bearer. All attendants wore aqua and peacock blue silk chiffon gowns with matching silk organza straw picture hats. They carried bouquets of yellow gladiolus and chrysanthemums.

Lt. Huber chose Lt. (j.g.) Wallace Girard, USN, for his best man. The ushers were the bride's brothers, William of Shelter Island and Ronald of Jericho; also Lt. (j.g.) Curry Lawlor of Jacksonville, Florida, and Richard Herbermann of Huntington.

Mrs. Huber was graduated from St. John's University, Jamaica, in 1963 with a BS in French where she was a member of the Iota Sigma Phi Society. For the past three years she has served with the U.S. Department of Defense Overseas Dependents Schools in Iceland, Libya and the Philippines. She has attended graduate schools at St. John's University, St. Lawrence University and the University of Santo Tomas, Manila.

Lt. Huber attended the University of Maryland, College Park, Md. where he was a member of the Pershing Rifles. He was graduated from the U. S. Naval Aviation Cadet Program in 1964 as an ensign and is a career officer.

Following a reception at The Daring Harbor, Shelter Island the couple left on a wedding trip to Jacksonville, Florida where they will make their home.

First Session For 52 Assn.

In order to service the needs of local war wounded returning from Viet Nam, the newly - formed Nassau Chapter of the 52 Ass'n. will have its first general meeting on Thursday, Sept. 28 at 8 P.M. at Hempstead Town Hall, with an open invitation to all residents to attend and join.

Local chapters will eventually be formed. Major Giant of the Army Pictorial Center will be guest speaker.

Barnet Tannenbaum of Lawrence, a past president of the National 52 Ass'n., whose motto is "The Wounded Shall Never Be Forgotten", has been named president of the new chapter.

"Regardless of one's position as to our involvement, it is the responsibility and obligation of every citizen to aid in some way in the rehabilitation of the wounded Viet Nam returnees. Whether we should or should not be there is no longer the only question. We ARE there, and these boys need our help and support when they return. The 52 Ass'n. offers us the avenue through which we can provide this help," says Tannenbaum.

It is the only organization that has a planned coordinated program and services to meet the needs of these men. Their training programs will enable the men eventually to become self-supporting citizens again in spite of their handicaps. A recent grant given to Nassau County has been earmarked to aid all of the handicapped here, but the overall number needing this aid is so large that only a comparatively small slice could be allocated directly to the recent wounded returnees.

The 52 Association was formed 20 years ago to work directly with handicapped returning servicemen.

William F. Zuendt, 61 Haverford Rd., Hicksville, has been elected president of the Rensselaer Society of Engineers at Rensselaer Polytechnic Institute. A member of the class of 1968 he is majoring in mathematics.

Carman Assn. Opposes Permit

The Carman Community Assoc. Inc. met recently at Levittown Hall for its regular general membership meeting with State Assemblyman Harwood as guest speaker. The Assemblyman's talk gave the C.C.A. much helpful information on youth problems and their possible solutions.

This organization's aims as stated in their charter are "to promote and maintain an interest in the improvement, beautification, cleanliness, safety and well-being of our community and to foster the betterment of the community in civic, social and cultural affairs."

The members voted to oppose the construction of a gas station on the corner of Carman and Stewart Avenues by appearing at the public hearing before the Town Board on Tuesday, Sept. 26 at 10:30 A.M. Their arguments against such construction were many: it would create traffic hazards on streets that are used by school children, increase the danger of air pollution in an area that already has three gas stations, and create room for additional business to come to land that was left green and attractive until the present owner obtained it. Since the C.C.A. has had only limited success in getting the existing business area cleaned up, they are opposed to adding to the community's problems.

Christian Science Lecture Sept 22

The healing power of divine Love will be brought out in a free public lecture on Christian Science to be given in Levittown, New York by Geith A. Plummer, C.S. of London. He will speak under the auspices of First Church of Christ, Scientist in Levittown Hall, Levittown Parkway, Hicksville at 8:30 p.m. on Sept. 22. His subject will be "Christian Science: The Discovery of the Healing Christ."

MID-ISLAND CONCERT ASSN. is presenting the renowned Cincinnati Symphony Orchestra in Jericho with Max Rudolf conducting next Jan. 9, as part of its 1967-68 concert series. Now in its 19th year, the Mid-Island Concert Assn. reciprocates with many Long Island communities offering subscribers some 20 concerts featuring Philharmonic artists in the widest variety of music and dance, all on the local scene.

Subscription is \$10.00 for adults and \$5.00 for student children and may be obtained through Sept. 29th only, by calling Anne Sherman in Hicksville, WE 8-5782, or Lenore Strota in Jericho, WE 8-1749.

Gallery In Park This Saturday

An outdoor exhibit of paintings, sketches and photographs open to all Nassau artists over 16 - both amateur and professional - will be held at Salisbury Park on Saturday, Sept. 23, County Executive Eugene Nickerson announces. Called "Gallery in the Park", the exhibit will run from 11 AM to 5 PM near the Veterans Memorial.

The show will be divided into several categories and artists are limited to one entry in each. They are: Fine Arts (oil painting, water color, graphics, sculpture); Commercial Art (advertisements, illustrations); Interiors or designs (plans, renderings, sketches) and color and black-and-white photography.

"There will be no competitive judging," Nickerson said, "Just an opportunity for the talented citizens of the County to exhibit their best work and for the public to enjoy it free of charge in a pleasant park setting."

ALL AROUND TOWN

The League of Women Voters of the Town of Oyster Bay is holding an orientation meeting for women interested in knowing more about this organization on Sept. 28, 8:30 P.M., at the home of Mrs. Tom Feniger, 4 Greenvale Lane, Syoset. Anyone interested, call Mrs. William Par-

ry, WA 1-0732, for directions, if needed.

Miss Margaret Mary McGee, daughter of Mr. and Mrs. Patrick McGee of 63 Raymond St., Hicksville, joined The Roosevelt Hospital School of Nursing on Sept. 6, as a member of the Class of 1969. She is a graduate of Delaunoy High School, Jamaica, Class of 1966.

The Sisterhood of East Nassau Hebrew Congregation 310A South Oyster Bay Road, Syoset, is holding a series of membership teas to introduce prospective members to the organization. Contact membership chairman, Mrs. Ruth Gerber, WA 1-6798.
