## Note Sharp Decline In Adult Students

Enrollment in the Hicksville School Adult Education program this fall term is almost half of the number signed up for the first semester last September, the School Board was told last night (Wed) by Trustee Cornelius McCormack, liaison Board member.

He said there were 1700 enrolled a year ago and 945 this year, including 300 senior citizens. He felt that "damage has been done" to the program by raising fees in an effort to make the program self-sustaining and

noted that 130 registration fee refunds were made at the meeting where insufficient numbers were enrolled for certain classes.

Charles Montana of the Adult Education Advisory Committee of the District has requested a "closed session" with the Board to discuss the problem of declining enrollment and fees charged.

## Masquerade Ball At Holy Trinity

A Masquerade Charities Ball will be held on Friday, Nov. 3, at the parish hall of Holy Trinity Episcopal Church, Old Country Road and Jerusalem Avenue, Hicksville, at 9 p.m., for the benefit of the Episcopal Charities. There will be a live band, door and costume prizes and refreshments. Mrs. Evelyn Botto is Chairlady and she and her committee are planning a gala affair.

## Seek Volunteers

The Muscular Dystrophy Assn., with headquarters at 85-A Broadway, Hicksville, is seeking volunteers for the Jerry Lewis March on Sunday, Nov. 19. James J. Cummings is district director and can be reached at 538-3355, 9 A.M. to 4 P.M.

## PR Advisors Change Name

Among the first actions of the newly organized Public Relations Advisory Committee of Hicksville School District, held Sept. 17, was to change its name to the Community Relations Advisory Committee, according to Trustee Thomas Nagle.

Nagle told the school board last night (Wed) the Committee consisting of representatives of local organizations will meet on Nov. 14 with the "public relations people", presumably Creative Associates, and that School Board Highlights, a new publication, will make its appearance "Friday or Monday."

## Spare That Tree!

LAWRENCE A. ROMAN of Notre Dame Ave., Hicksville, with some youthful assistance undertook to remove some of the blacktopping around shade trees on his block, near the corner of North Broadway, when he felt the growth of the trees was endangered, recently. The developer of the property at the corner has since removed the offensive blacktopping between the curb and sidewalk.

## Rocky Plans RR Along LI Expressway Shoulders

By FRED J. NOETH

Gov. Nelson A. Rockefeller flew into Plainview this afternoon (Thursday) for a press conference with east Nassau and Suffolk newspaper editors in his state wide barnstorming tour seeking to sell voter approval for a \$2 1/2 billion bond issue on Nov. 7. Several previously undisclosed refinements of the proposal to improve transportation on Long Island and upstate were made known.

The Governor flew to the parking lot of the Holiday Inn in Plainview from Riverhead where

he had earlier spoken. He was scheduled to make another address tonight in Huntington.

Concerning plans to relieve present congestion on the Long Island Expressway, he envisions the placement of railroad tracks on the shoulders of the Expressway, particularly out east in Suffolk, with 100 to 120 mph self-propelled trains zipping commuters into New York City and right down to Wall St.

This would ease the burden of auto traffic snarls in New York City, he noted.

It would require 26 additional lanes on the present Expressway to carry the people into New York who now ride the LIRR and those added lanes would cost \$1 1/2 million. The experts, he said, have forecast that 49 lanes of Expressway needed to carry the burden posed by the anticipated Long Island population of 1985. Regarding the proposed bridges across the LI Sound to Connecticut, he commented that Robert Moses had designed the highways which lead traffic to Oyster Bay, thus indicating a bridge from Oyster Bay to Rye in Westchester.

However, he pointed out that the proposed bridges over the Sound would not be financed out of his \$2 1/2 billion bond issue since bridge construction bonds would be paid for out of future tolls on the bridges.

Discussing planned high speed LIRR service, he forecast the present 47 minutes of running time from Hicksville to Manhattan would be slashed to 22 minutes.

The Governor said that the bond issue will be proposition No. 1 on the voting machines, clearly marked "Transportation Bond

Issue". In prior years the propositions and amendments were not labelled, requiring a reading before levers were pulled.

The Governor was almost an hour late in arriving for the press conference and lunch. It was explained that high winds over the island had buffeted and delayed his helicopter.

While he did not detail plans for the construction of train tracks next to the Expressway, he did say this could remove the need for "chinese wall" type of crossing elimination in the future.

## Conference Hears About Constitution

Abe Seldin who was a delegate to the Constitutional Convention will be guest speaker on Monday, Oct. 30, when the LI Water Conference meets at the Wheatley Hills Restaurant in Westbury, according to Harry Borley of Hicksville, public relations chairman for the Conference. Joseph Segall of Plainview is Conference chairman.

ST. IGNATIUS YOUTH COUNCIL Drama Club will present its first musical production "The Boy Friend," Oct. 26, 27 and 28. The cast, headed by Alice Stephens and John (Chip) Hebrank, and directed by Robert Sauer, have been working on this show since July. The cast, crew, and musical combo hope to make this the best show ever seen on the St. Ignatius stage, East Nicholas St., Hicksville. Curtain time for all nights is 8:30 P.M. and tickets will be available at the door. Rehearsing from the left are Alice Stephens, Robert Sauer, Michele Pateila, Gregory Cooney and John Hebrank. (LI Catholic photo).

"If I WANT TO GET A JOB DONE I send a woman," said Senator Edward Speno to a conclave of over 1,200 women from the thirteen northeastern states attending the 15th Annual Republican Women's Conference -- Northeastern Regional -- held in Boston Oct. 15 to 17. Discussing the topic are: Mrs. Wilma Rogalin, Republican Committee Vice Chairman, New York State; Mrs. Edmund Ocker, Plainview, President of the Nassau County Federation of Republican Women; Mrs. August Schmutz, Westbury, First Vice President of the Nassau Federation; and Senator Speno.

## Tobay Players Hire NY Director

Pat Mitnick and Pauline Widetz, producers of the Tobay Players, announce the group's final production of the Year, "Dark At The Top Of The Stairs," by William Inge. The Inge drama will be directed by Robert Bridges whose extensive professional background includes both acting and directing in New York, Hollywood, and San Francisco as well as several seasons spent with America's leading regional repertory theatres.

"Dark At The Top Of The Stairs" will play Friday and Saturday evenings, Dec 1 and 2 at the Plainview Junior High School, Stratford Rd., Plainview. Call MY 4-0428 for tickets and information.

## Hicksville Man Becomes Engaged

The engagement of Vivian Sharon Yesowitch to Frank Barning has been announced by the future bride's parents, Mr. and Mrs. Max Yesowitch of Deer Park.

Miss Yesowitch received her B.S. in elementary education last June from the State University College at Cortland. Presently, she is teaching in the Deer Park public schools.

Barning, who received his B.A. in political science-history from Hofstra University in 1964, is Director of Sports Information at C.W. Post College. He is the son of Mr. and Mrs. Harry Barning, Jr., of Hicksville.

A July wedding is planned.

## Dear Sheila:

Christmas Club checks will be in the mails shortly and it is reported that 7 out of 10 go to women. Nationally there will be about \$10, equivalent, for every man, woman and child.... RALPH MARINO, GOP candidate for town supervisor, has ordered the removal of all 4 by 8 wooden signs on his behalf (75 in the township) be taken down in the next day or so. He says: "They may have served the purpose of making my name better known, but another two weeks of additional exposure of this sort certainly wouldn't have much effect on the outcome of the election. I am running on a platform that calls for improving the looks of the township. It is only proper that I personally take the first step in that direction." The only exception will be signs for him at various headquarters and RR stations. Nice gesture, RALPH...Shore office is being imported from Italy. It has gotten as far as the New York docks where unloading of the stone (together with a load of horses) is being tied up by a labor dispute on the piers. . . . Speedy recovery to LOUIS MILLEVOLTE who has been hospitalized at Central General in Plainview due to a heart attack. . . . VIRGINIA LEVINNESS is showing a handsome ring to her friends. A telephone reassurance service designed to keep close check "on the welfare of elderly residents" is being planned for 1500 housing units for the aged at former Mitchell Field. Some estimates that Nassau by 1970 will need 40,000 units of specially designed apartments for older people. Today there are said to be less than 400. . . . Town Supervisor MICHAEL PETTITO is no longer "in the pink". His press release heading, formerly printed in pinkish-red ink, is now produced in black. ### Decisions on Nov 7th

Two documents which can effect the well being of practically every resident will be the subject of decision by the voters on Election Day, Nov. 7.

One is the proposed revised New York State Constitution and the other is the proposed revised Nassau County Charter. Sides are being taken by prominent public officials on the State Constitution. We believe each question deserves a negative vote.

A lot of time, energy and taxpayers' money has gone into the Constitutional Convention which labored most of the summer. The public was reasonably well informed on the proposals and debate but has been given a single packet -- take it or leave it.

If a lot of time and energy has gone into revision of the County Charter, the public has not been well informed of the proposed changes.

Both documents are basic. Upon adoption they become the law and legal determinations in court are made, as we understand it, upon what the law allows. In other words, if the state legislature enacts a law its constitutionality can be challenged in the courts. But if the constitution itself permits, directs, requires -- where do we go from there?

Has anyone tried to explain the purpose of the changes proposed in the State Constitution and County Charter? Certain groups which favor or object to certain portions of each document have mounted the platform to sway the voters but these for the most part have their individual and selfish motives and purposes behind their efforts.

Can we be expected to approve a document because it contains certain desirable features coupled with some less acceptable proposals? We feel the decision is too important to be endorsed on a "half a loaf is better than nothing" basis. Do it right, design it right and it will not be necessary to explain away, apology, improvise.

The failure of the state constitutional convention to do its job as we would like to see it done is a reflection not upon the delegates who were elected but upon the voters who chose them to go to Albany.

Both the proposed revised State Constitution and revised County Charter should be turned down on Nov. 7.

### How Good Are Your Schools

That is the theme of American Education Week, 1967, being observed from Nov 5 to 11. It is intended to make every American citizen aware of the vital role of education in our society and to help him realize the values of our schools in his personal life.

The observance has special significance for New York State which this year is celebrating the centennial of Free Public Schools. It was in 1867 that the State Legislature passed a bill which Governor Reuben E. Fenton signed into law which made free public school education for all a reality in New York.

## Walters to Tour Eastern Europe

James Walters, Principal of the Fork Lane School, Hicksville, is among 130 educators who will take part in a seminar and field study of "Contrasts in European Education" from Nov. 1 through 22 under sponsorship of Phi Delta Kappa, professional fraternity in education; Comparative Education Society; and National School Boards Assn.

Mrs. Walters, a kindergarten teacher in the Merrick School, will accompany Mr. Walters.

The study group will have an opportunity to compare education in four Communist countries of East Europe and also to visit Greece, where they will be briefed on the recent political upheaval by U.S. Ambassador Philip Talbot.

Leaving New York City Nov. 1 by Scandinavian Airlines, the party will spend its first four days in Dubrovnik, Yugoslavia, and in cities on the Adriatic shore. They will move to Athens on Nov. 6 and to Moscow on Nov. 10.

School visits, lectures by university and education ministry officials, and seminars of various kinds are on the agenda at Warsaw in Poland and at East Berlin and Potsdam in East Germany.

## Final Registration For Little League

The Hicksville International Little League will hold its final registration day on Saturday, Oct. 28, at the Hicksville Senior High School between 10 A.M. and 2:00 P.M. Boys living in the area bounded by Jerusalem Ave. on the west side; Woodbury Road on the north, South Oyster Bay Road on the east, and the School district line on the south belong in the Hicksville International Little League. Any boy who will be eight years old by Aug. 1, 1968 is old enough to play and should be registered now. The registration fee is \$7. per family.

## SQUARE DANCING AT TEMPLE NOV. 4

Sisterhood of Cong. Shalom Zedek will hold a Square Dance on Saturday night, Nov. 4, at 9:00 p.m., at the Temple located at New South Rd. and Old Country Rd. There will be social dancing in addition to square dancing under the direction of a square dance caller. Beer will be served with an assortment of refreshments. For reservations call Mrs. Ted Kauter at OV 1-3511.

## Sponsor Wizards For Return Match

The Hicksville Athletic's Dad's Club will sponsor what has proven to be a fund-raising winner during 1966, an exhibition basketball game between the Harlem Wizards and a faculty team from Hicksville High School.

Scheduled for Friday, Nov. 24, the game will be held in the High School Gym, where over 1200 persons gathered last year to watch this great Negro basketball team perform. Tickets will not be sold at the door and will be made available through members of the Dad's Club and through the facilities of the Senior High School where the Boosters Club will have tickets for sale.

This annual affair provides the Dad's Club with necessary funds to carry on its work on behalf of the athletes of the district and to pay recognition to them in the form of special awards. Membership in the club is open to all fathers of the district.

## ALL AROUND TOWN

Mrs. Selma Jacobs of Plainview, president, announces the North Shore Auxiliary of the Nassau Chapter, Assn. for Brain-Injured Children, is conducting its annual membership drive. Her number is WE 5-1137, or call Mrs. Douglas MacDougal of 112 Leaty St., Jericho at WE 1-2675.

## Urges Rejection Of Ward System

Councilman Grunewald of Hicksville urges voters to reject the Ward System proposal Nov. 7 "to maintain and insure the protection their current Zoning provides."

Grunewald said that the Ward System proposal is based on the current system now prevailing in New York City and would curtail the representation now enjoyed by residents.

Under the proposal, each councilman would be elected from a specific ward — not township which is the current system — and only would be concerned with that particular area and not answerable to the public at large.

"This means I could voice our area's opposition to a particular undesirable project planned for Hicksville or a zoning change," said Grunewald. "But because I only have one vote, the Board could overrule and that undesirable project could blight our community."

## Women Organize To Back Petito

A Committee of Women from all over the Town has been formed to oppose high taxes in the Township. It was announced by Edward J. Morris, of Hicksville, Campaign Manager for the Petito Team.

The Committee, under the chairmanship of Mrs. Alfred Past of Glen Head, was started some weeks ago by a group of civic-minded women and has grown rapidly to the point that planned activities will be divided into groups under Vice-Chairman. "There are thousands of housewives in the Town who are deeply concerned with the emphasis the Republican party places on patronage," Mrs. Past stated. "They have consistently thwarted attempts by Supervisor Petito to keep Town taxes down and we feel that he needs support in this important 1967 local election."

TWO OF THE MOST BEAUTIFUL girls in the World, future Army Nurses, studying the Nurse Corps' latest poster after being sworn into the Army under the Walter Reed Army Institute Nursing program. They are Diane C. Nedell, left, daughter of Mr. and Mrs. Richard J. Nedell of 130 Lee Ave., Hicksville, and Elizabeth Mary Harrigan, daughter of Mr. and Mrs. Joseph Harrigan of Westbury. They will attend the college of their choice for two years with the Army paying tuition and then attend the University of Maryland School of Nursing for the remaining two years necessary to obtain their degree in nursing.

## Black Is Voting Against Changes

Theodore M. Black, a Fifth Senate District delegate to the 1967 Constitutional Convention and Vice-Chairman of its Trade Regulations Subcommittee, announces that he will vote against the proposed new state constitution on Election Day, Nov. 7th.

Enumerating several "important defects" in the new proposal, Black pointed out that its good

features could be achieved by subsequent amendments to the existing constitution. "We need not suffer the bad to obtain the good", he commented. The Roslyn businessman condemned the Convention's "Democratic-Liberal bosses" for their refusal to let the people vote separately on the most controversial aspects of the proposed constitution.

# What's the difference between Republicans and Democrats?

Plenty!

Even the casual political observer knows that Democratic strength is in the big cities. Would the Democrats have a good chance to dominate Nassau County if it were turned into another Queens? You bet they would.

Most of the people who move into any new suburban skyscrapers would probably be life-long Democrats from New York City. Frankly, it's just good politics for Republicans to be against this. If you don't want thousands of new children forcing up your school taxes, you should be against it also.

The Democrats have another plan to urbanize our community. They have forced a vote this year on a proposition calling for the establishment of the Tammany Ward System. This is the first step in destroying our form of local government. If wards come, can the ward-healers be far behind? Do you want Nassau to become as ungovernable and uninhabitable as New York City?

## Library to Mark Child Book Week

The Children's Department of the Hicksville Public Library will usher in Children's Book Week this year with a display of its new books for children. Teachers, parents and children are cordially invited to visit the Children's Room and view this display.

Since Halloween falls during this week, a Special Halloween Story Hour has been planned for children 5 through 8 years old in the auditorium at 4 P.M. Oct. 31. Children may come in costume for a "treat" of scary

stories. The series of regular picture book story hours will begin on Nov. 14 and be held every Tuesday at 4 P.M. for this age group. Children are introduced to the finest picture story books and folk literature; poems are read and sometimes jokes are told.

On Thursday, Nov. 2 at 10:30 pre-school story hour will be held for children 3 1/2 to 5 years of age. This program is held every Thursday at 10:30 A.M., beginning Oct. 26 and continuing through May.

## WACHTLER VOTES 'NO'

ON THE

## Proposed State Constitution

### HERE'S WHY:

Wachtler knows—and wants you to know:  
• The proposed State Constitution will milk Nassau voters of \$150 million dollars in the first year of its operation.  
• It will cost over **ONE BILLION DOLLARS** during a ten-year period and raise State taxes 80%.  
• This "take-it-or-leave-it" package, put together by the Travia-O'Connor-Nickerson machine, is a steal from the suburbs, and a give-away to the bankrupt big cities. Its "all-or-nothing" concept is an insult to thinking voters, and its passage would constitute a rape of the suburbs. For example:

- Under this document, the County's welfare program would be taken over by the State. Nassau taxpayers, already hard hit, would be forced to contribute \$70 million dollars toward **STATEWIDE** welfare costs ... and get back only \$20 million in welfare funds!
- The State School Aid Formula, now directly related to "average daily attendance", would change to a "total registration base". New York City would get **MORE** money for their schools while Nassau school districts would get **EVEN LESS** than they're getting now! Moreover, we would be subsidizing a "fellowship for dropouts".
- Towns and villages would be denied representation in County government.

**SOL WACHTLER**  
(Republican Candidate for)

**NASSAU COUNTY EXECUTIVE**

Wachtler is concerned about the impact of the proposed Constitution on Nassau residents and his position is clear. He votes "No." He is opposed by Democrats Nickerson and Frank O'Connor, President of the New York City Council, who has said the city's financial windfall under the proposed Constitution "could go as high as \$1 billion dollars."

O'Connor is rightly happy about the planned payoff to his big city constituency. Nickerson's line is the O'Connor line, the Travia line, the Party line.

**SOL WACHTLER TAKES ORDERS FROM NO ONE.** Wachtler's first interest is Nassau County. Elect Wachtler and his Republican team on November 7th.

"OUT OF THE FOXHOLE"... At this time I'd like to say that EDDIE QUINN has done a fine job as Acting Adjutant. Excuse me... did I say Acting? BILL HILL, back at the post meeting after having a bout with illness and a stay at Syonset Hospital. Nice to have you back Billy boy. I caught a glimpse of CHARLIE EICH at the meeting Friday and he was a sight for sore eyes. Whats with this "Spanish" something or other that the fellows keep asking HARRY ZVONIK?? In case you'd like to know, JIM SURESS's son, His Tenor Sax and Ork. is available for parties, dances etc. If you need a crack group to play for you buzz phone #...796-9074. Say JIM can I play something with the boys or maybe sing?...Just returned from a smash bang up parade in Hempstead where we marched in "Support Our Boys in Viet-Nam." I saw FRED J. NOETH, Editor and Pub. of the MID ISLAND HERALD while marching. FRED DIE BACKLEY tells me about FJN after we are past him. Fellow AMVETS beside our having this weekly column in the newspaper, I am going to try getting out a small type paper for the gang when they come to the club. If it works out...we will keep the ball rolling. Every once in awhile a question comes up and I try to answer it...here goes for a few. QUESTION. Who is eligible for Educational Assistance? ANSWER...A veteran of at least 181 days of continuous active duty, any part of which occurred after January 31, 1955, or who was released from active duty after January 31, 1955, for service

connective disability. A person in service if he has served on active duty for at least two years. The G.I. bill mortgage benefits for WW 2 veterans has been extended two more years. Before I close...I have been asked by civilians and veterans alike, what my opinion is on this Viet-Nam situation. Let me state here and now I do not like this mess in Viet-Nam and I have never liked war of any kind. When it comes to backing up our G.I.'s overseas...I am at the top of the list. I sincerely believe that the showing of so called educated students in colleges all over the United States makes me think of the saying... "Educated Fools." If young men and women have been sent to institutions for higher learning, and the best they can do is riot, sing... "Hell No We Won't Go," claim Police brutality...then their folks wasted an awful lot of money to send them away. How any normal high I.Q'd student cannot see that these riots, brawls etc. are inspired by the Reds, then I am starting to get an awful low opinion of smarter College kids. Remember one thing Ladies and Gentlemen that while you are causing miserable trouble with police and higher authority...these young G.I.'s and Retreads are doing your dirty work so you can stay in College and take life easy. If you fail to see what I mean...then you have failed yourself, your parents and Your Country. Next week I will print a letter titled "An Unknown Soldier Speaks." If that doesn't help then nothing will.

Post No. 3211

OUR COMPLIMENTS to Harry Wurth for the splendid job he did on our Costume Dance last Saturday. The pastrami sandwiches hit the spot along with the tasty salads. Mike and Olga Znach won the prize for the best costume. On the whole we all had a good time. OVERSEAS PACKAGES: Careless or improper wrapping of packages is one of the two major problems of the military mail service.

More than 1000 damaged packages are being rewrapped daily at overseas port offices in San Francisco, Seattle and New York according to Army postal officials.

Packages mailed to Vietnam and other overseas areas are more likely to receive rougher handling than those earmarked for Stateside destination.

The Army Postal Service said that it also has an address problem. Thousands of letters are delayed due to the failure to use the five digit APO number in a soldier's address overseas.

The Army says, "The APO number can be likened to the city and state location shown on items mailed in the U.S." It cost the Army and other services \$118 million to deliver mail to men overseas last year. Some 315 million pounds of mail were moved. This year's figures expect to be higher. The cost of moving military mail from APO or FPOs at the gateway cities in the U.S. is borne by the military departments.

GI STUDENT AID: The age limit for educational benefits for children of veterans who died or became totally disabled as a result of service has been extended by a new law. Benefits of \$130 a month for full time study up to 36 months now can be paid at age 26. The previous age limit was 23.

## Vets for Marino Group Organizes

A past commander of the Nassau County American Legion, Michael Claidella, of Hicksville, has been named chairman of a "Veterans for Marino Committee." Co-chairmen of the organization that will be working for the election of Republican Ralph J. Marino as supervisor of the Town of Oyster Bay are, Malcolm Gertzen, of Hicksville, past commander, New York State Am Vets, and Joy van Zyl de Jong, of Plainview, past commander, Veterans of Foreign Wars, Plainview Post.

Claidella said that the committee to support Marino was formed primarily to aid the GOP nominee's campaign against the proposed new Nassau County charter. "A key feature of the charter revision is reassessment of all real property at full market value," Claidella said. "This will hit hard at the pocket-books of many of the county's 100,000 veterans by greatly diminishing the value of their veterans' exemptions."

## All Around Town

Gardiner Gregory, Director of Curriculum Materials in Hicksville School District and Director of The Gregory Museum, 207 Cottage Boulevard, Hicksville, will present an illustrated lecture at the New York State Audio-Visual Convocation being held at Grossingers, early in November. The subject of his illustrated lecture will be "How To Set Up An Earth Science Museum."

Andrew Rosenblatt, a freshman at Syracuse University, has been elected senator-at-large for the Class of 1971 in recent elections held at the University. He will represent the freshman class on the student governing board. A political science major, he is the son of Mr. and Mrs. Saul Rosenblatt of 52 Narcissus Ave., Hicksville.

## Develops TV Study Course

Thousands of New York State residents from Long Island to Niagara Falls are studying American Literature over television this semester, partially due to the efforts of State University College at Oswego Assistant Professor of English Peter O'Connor, a former Hicksville teacher.

O'Connor developed the course entitled "Major American Books" for the New York Educational Television Network this summer. The course began over WCNV-TV and the other four independent educational channels which make up the State University of New York network on Sept. 23.

O'Connor has served on the Oswego faculty since 1962. He holds degrees from Fordham University and Lehigh University, where he served as a teaching assistant. He had also previously taught English at Hicksville, N.Y., High School. At present he is working on his doctoral dissertation at Lehigh, a study of the Imagery of Joseph Conrad.

O'Connor is a former Hicksville High School teacher of English. He is the son of Mrs. Eugene A. O'Connor, 28 Basket Lane, Hicksville.

## Town to Sell Lottery Tickets

The Town Clerk's office in Town Hall has started selling State Lottery tickets, Councilman Ralph J. Marino, announces. Marino explained that Town Clerk William B. O'Keefe is administering and supervising the sales which are available to all those who visit Town Hall from 9 A.M. to 4:30 P.M., Mondays through Fridays when Town Hall is open. The annex in Hicksville will begin selling lottery tickets when the necessary material is received which is expected to be in a couple of weeks.

These benefits are not cut-off when a student marries.

**GI MORTGAGES:** There are, in many instances, exceptions to the rule. So it is in the case of GI mortgages. Ordinarily, a veteran is eligible only once for a mortgage guaranteed by the Veterans Administration. The VA says a veterans eligibility can be restored only if the VA is no longer liable on his original mortgage and one of the four reasons listed below:

1. The veteran was forced to sell because of health, employment or other cause beyond his control.
2. His property was taken by a government agency for public use.
3. His property was destroyed by a natural hazard, such as a tornado.
4. He had to sell his home while in service because of a transfer.

# The G.O.P. Candidate For County Executive Is An Expert At GAMES POLITICIANS PLAY

## The G.O.P. Candidate Plays Games Like These...

**FICTITIOUS FIGURES:** Pretend that you know how to cut taxes when you have raised taxes in your own Town a fantastic 93% in one year. The G.O.P. candidate's building department went up 478 percent, his zoning department went up 395 percent. His proposed county budget would actually raise the tax rate 90 cents next year.

**FOOL THE VOTER:** Played by doctoring photographs, staging phony TV commercials based on false information, and spending \$1,019,000 to try to defeat an outstanding public servant.

**HIDE THE PROGRAM:** Offer NO POSITIVE PROGRAM of your own. Take credit for ideas already instituted by the County Executive.

... But Providing Good Government For A Million And A Half People Is Serious Business. Government Must Be Conducted By Men Of Dedication And Principle... NOT POLITICIANS WHO PLAY GAMES.

## AMENDMENTS TO THE TOW CAR ORDINANCE OF THE TOWN OF OYSTER BAY

BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the "Tow Car Ordinance of the Town of Oyster Bay" adopted 10/6/59, as amended, be hereby amended in the following form:

AMEND Sec. 3.1 of Article III to read as follows:

Every license issued hereunder shall expire on the 31st day of December, next succeeding the date of its issuance, unless sooner revoked or suspended as hereinafter provided.

and further  
AMEND Sec. 4.1 of Article IV to read as follows:

Every driver or helper's issued under this article shall be issued as of the date of the granting thereof and shall expire on the 31st day of December next succeeding, unless sooner revoked or suspended as hereinafter provided.

and further  
AMEND Sec. 5.0, Article V (Application to Town Board) by deleting the same and substituting therefor a new section as follows:

### Article V

#### Review and Appeal

Section 5.0. Any person aggrieved by the Town Clerk's denial of a license or permit or licensee whose license has been revoked or suspended by the Town Clerk shall have the right to appeal to the Town Board for a review of the determination of the Town Clerk.

(a) Such appeal shall be in writing, signed and acknowledged, and shall state the ground or grounds on which the appellant claims that the determination of the Town Clerk was erroneous.

(b) Such appeal shall be filed with the Town Clerk by the appellant within twenty days after notice of the determination of the Town Clerk has been mailed to him or delivered to him in person.

(c) Upon the filing of such appeal with the Town Board, it shall hold a hearing thereon as hereinafter provided.

(d) At such hearing the Town Board shall consider the record before the Town Clerk, the Town Clerk's finding and determination, and in its discretion may receive new or additional evidence.

(e) The Town Board, after such hearing may confirm the action of the Town Clerk, or set aside the determination of the Town Clerk to such an extent as the Town Board in its discretion deems just and proper.

and further  
DELETE Sec. 5.1 of Article V and further

AMEND Section 7.0, Article VII (Assurances of Licenses) by deleting the same and substituting therefor a new section as follows:

### Article VII

#### Licenses

Sec. 7.0. Town Clerk - License Commissioner. The Town Clerk is hereby designated License Commissioner of the Town of Oyster Bay, with the authority to make such rules and regulations and to conduct investigations and hearings in relation to the issuance, amendment, termination, cancellation, revocation and suspension of licenses and permits, as set forth in this ordinance, except where otherwise provided by law.

The Town Clerk shall also have the authority to deny an application for a license or permit without a hearing if he determines that the requirements governing the issuance of a license or permit, or that the rules and regulations governing the issuance of a license or permit have not been sufficiently complied with.

The fees for filing applications thereon which shall be paid to the Town Clerk at the time the application is filed shall be:

# LEGAL NOTICE

- (a) The Owners license fee of ..... \$20
- (b) A Driver's or Helper's license fee of ..... \$2.
- (c) Owner's supplementary license fee of ..... \$10.

and further,  
AMEND Section 9.0 of Article IX (Suspension and Revocation of Licenses) by deleting the same and substituting therefor a new section as follows:

### Article IX

#### Procedure on Revocation or Suspension

Section 9.0. Any license or permit issued pursuant to the provisions of this ordinance may be revoked or suspended by the Town Clerk, after a hearing upon notice and the making of findings, as hereinafter provided.

A notice of hearing to be held by the Town Clerk for a revocation or suspension of any license or permit theretofore issued shall be given personally to the licensee, or in writing. The notice in writing shall be forwarded by ordinary mail in a securely sealed and postage prepaid envelope to the licensee at his last known address. It shall be placed in the hands of the United States Post Office authorities not less than 5 days prior to hearing date. The notice shall advise the licensee of the time when and the place where the hearing is to be held, and shall contain a concise statement of the reason for the holding of such hearing.

Rules of law with respect to the admissibility of evidence in the conduct of hearings shall not apply at such hearing. The Town Clerk shall make a record of such findings as he deems to be justified by all the evidence presented at such hearing, and his findings shall be conclusive as to all matters of fact.

The Town Clerk may revoke any license or permit granted pursuant to the provisions of this ordinance or suspend the same for a period not to exceed ninety days upon making a finding after the hearing provided for in this section, of the existence of one or more causes therefor.

1. Broad misrepresentation or false statement contained in the application for the permit or license.

2. Fraud, misrepresentation or false statements made in the course of carrying on any business or activity which is licensed.

3. Any violation of this ordinance.

4. Conviction of any crime or misdemeanor involving moral turpitude.

5. Conducting any business or activity which is regulated by this ordinance in such a manner as to constitute a breach of the peace or to endanger the health, safety or general welfare of the public.

In furtherance of the foregoing, the Town Clerk, upon receiving information giving him reasonable cause to believe that the holder of any license or permit issued pursuant to this ordinance has violated any provision of this ordinance, or has been convicted of any crime or misdemeanor involving moral turpitude, or has been charged with any such crime or is guilty of having made a false statement or misrepresentation in his application, may forthwith temporarily suspend such license until a hearing can be held by the Town Clerk.

and further,  
DELETE Section 9.1 of Article IX.

### Ten Pin Talk

By HENRY DOCKSWELL

The big news of the night was that Julie Gershen and his "Terrors" finally lost a game. When this announcement came over the P.A. system it was greeted by the kind of a roar that is usually reserved for extra special events. And that's just what this was. Some of us thought that these guys would never lose a game. As it turned out, it was the last game that the "Terrors" lost and by only 13 pins at that. The credit goes to Hy Shapiro and his men for finally breaking the spell. The "Terrors" won 8-3 but at least they will show a 3 instead of a zero in the last column.

Before we forget again we had better mention that last week we inadvertently overlooked the fact that Lew Marks had thrown a 211. He chased me around the alleys Monday night yelling "My wife didn't believe me!" We don't want to go through that again, (slight exaggeration, but it sounds good).

There were only nine 200 games bowled this week, but one of them, Sy Bruckmeyer 246, was a real beauty and five of them were thrown by two teams that opposed each other.

Sid Sachs' "Molars" and Herb Brody's "Charley Browns" were really hot. But the "Molars" were hotter. Marv Kahn threw a 201 in the first game to clinch that one for the "Molars" but the second game was a dud. Herb Brody smacked a 213 and Sam Marr lies came in with a 205. But Sid Sachs countered with a 213, yours truly surprised with a 200 and with some great help from Sid Lowenthal, Herb Gruber and Marv Kahn again, the "Molars" set a new Hi Team game scratch of 919. The "Charley Browns" came away with the third game so the "Molars" won 8-3. The "Molars" just missed Hi Team Series. They compiled a 2560 series and the present record for Hi Team Series scratch is 2561.

In the battle of the tail enders, the Gerry Reichgotts came out on top. Even though Bill Sussman fired a 207 Sam Springer's "Champs" were shut out again and fell deeper into last place.

One other team distinguished itself by achieving a shut out. Leo Geyers' "Lions" klunked the Bill Kellermans 11-0.

## Bloodmobile Comes To Jericho Nov. 1

The Bloodmobile will be in Jericho, Wednesday, Nov. 1st, to accept donors for blood. Residents and members of the sponsoring organizations are urged to avail themselves to donate one pint to renew their membership in the blood bank or to become eligible members. Intercity Blood Bank will have technicians at the Jericho Firehouse, from 3 to 9 PM.

This is a non-sectarian community service, sponsored by ten organizations of Jericho. Any additional information needed call Morty Mann, 681-1584.

## Earns Science Grant

Lawrence Levinson, junior at Jericho High School, received a grant from the National Science Foundation this past summer to study at the Mount Hermon School, Mt. Hermon, Mass. He took a course entitled, "Inorganic Chemistry" which was held on the level of college research. Besides academics, the Mount Hermon Liberal Studies Program contained an abundance of cultural and social activities. The participants were selected from all parts of the U.S. Larry found that living with persons of different ethnic, economic, and social backgrounds made this his most worthwhile and enjoyable summer. This fall Larry is a columnist for the JER-ECHO and is a candidate for Vice-President of House C. His avid interest in photography has resulted in his own film, live and animated, "Electro-Chemical Phenomena" which is now being judged at the Kodak Movie Awards contest.

## Jericho HS Library Open Saturdays

The Jericho Senior High School Library is open Saturday mornings from 9:00 A.M. till noon for use by students in both Junior High and Senior High grades. Access is through the Senior High entrance on the west side of the school building complex.

One of the regular librarians is on hand to help students and answer questions. Although only the Senior High School Library room is being used, if books from the Junior High School Library are needed, they may usually be obtained by making advance arrangements with the librarians.

## Fashion Luncheon

"A Fabulous Fashion Show for the Mother, Daughter, and Teacher" will be presented by the Jericho PTA's on Monday evening, Nov. 6, at 7:45 PM, in the Jericho High School Auditorium. Clothes and accessories for girls from Kindergarten through Twelfth Grade, as well as for adults, will be modeled by students, teachers, and mothers from the Jackson School, Caniague School, Williams School, Jericho Junior High School, and Jericho Senior High School. There will be valuable door prizes given away, including a free family week-end at a mountain resort; music by that well known Rock 'n Roll group, "Introspection"; and refreshments after the show.

Tickets are priced at \$1.50 for adults and \$1.00 for students, and will be on sale shortly. For reservations or information, please call WE 8-7230.

## Jericho and Master Plan

By SAM LUBITZ

The 1967 Preliminary Report on the Master Plan for the Town of Oyster Bay has been issued to the Town Planning Committee of the B.C.A. This report has 231 pages filled with statistics and maps about all the areas of Oyster Bay. Item #2 in the Agreement for Planning Services with Mr. Stillman calls for a Master Development Plan and not a Preliminary Report. This report is really material upon which a master plan can be constructed.

Items of Interest Relating to the Area of Jericho:

1) Jericho is in need of another fire station for the Industrial District at Brush Hollow Rd.

2) Additional Library facilities are suggested.

3) Ten to fifteen acres of parkland space are suggested which will be distributed throughout the area at a cost of \$350,000.

4) Jericho School District - foresees an increase of student enrollment from 3620 to 4500 by 1975.

School Dist. Estimates	1970 - Grades k-6	1790	Consultant's
	" 7-12	2242	2640
		4032	2160
1975 - Grades k-6		1810	4800 (Low Est. 4400)
" 7-12		1226	2700
		3806	2700
			5400 (Low Est. 4500)

The estimates are that the present 92 elementary classrooms would have difficulty accommodating prospective enrollments and the upper grades would be unable to absorb expected surges.

It is suggested that a special school in the Plainview-Syosset-Jericho Areas for gifted students be created.

5) Hospitals - the 1062 beds in the Town's 62 hospitals are still short of an estimated 600 beds in order to serve the East Norwich, Jericho and Hicksville areas.

6) Population Estimates - Jericho

1964 - 25,401

1980 - 33,000

## Rockefeller on Fountain La

By HENRY DOCKSWELL

Tuesday, Oct. 10, was a special day in the annals of Jericho, Ralph Diamond and Fountain Lane. It was also a close race between Gov. Rockefeller and a rain drizzle. The Governor was supposed to have traveled to Jericho by helicopter but the threatening weather cancelled that plan.

As a result Rocky arrived at 22 Fountain Lane, Ralph's home, at about noon time just as a slight drizzle began to fall. As the Rockefeller limousine pulled up the waiting crowd cheered and applauded. The Governor stepped out and was welcomed by Diamond, Sol Wachter, supervisor of the Town of North Hempstead and running for Nassau County Executive, and State Senator Edward J. Speno.

The waiting crowd surged around the Governor and for a few hectic minutes it looked as though he had about six hands as he tried to sign autographs, shake hands and wave to those calling

to him all at the same time. He finally made it up the steps of the Diamond home and there he turned and addressed the throng. He praised the candidates and outlined the importance of the objectives that they were trying to accomplish in the fields of narcotic control and holding the line on taxes without hurting the needs of our Township and County.

At one point while the Governor was extolling the qualities and abilities of Mr. Wachter he turned and said to the candidate, "I hope I'm not embarrassing you, Sol."

The crowd got a big laugh and applauded enthusiastically as Sol smilingly quipped, "Oh you are Governor, you are."

The Governor left soon after this and many of the waiting Jericholites went into the homes of Ralph and Bea Diamond and Phil and Arlene Levitan to have coffee and cake that had been prepared.

## Neubert Will Not Seek Re-Election

Commissioner Norman Neubert of the Jericho Fire District has announced that he will not seek re-election as Commissioner for another five year term.

Neubert stated that the pressure of his business makes it impossible for him to devote the necessary time to the office of Commissioner. He has served as a Commissioner since 1960 and has worked on many committees during that period.

Neubert, along with the other Board members, has been instrumental in keeping the fire fighting needs of the Fire District up to date with modern fire fighting equipment. He resides at 108 Dewey St., Jericho, with his wife Geraldine and their three children.

Chairman of the Board, James B. Conti, thanked Neubert for the fine service that he has rendered to the community.

## Condolences

The Villager extends sincere condolences to Gilbert Stein and family (Birchwood Park Drive) upon the loss of his beloved mother.

## Democrats Tour Jericho on Nov. 4

Allen J. Kaplan, Democratic Leader of Jericho, announces that Saturday, Nov. 4, has been declared Jericho Day by the Town of Oyster Bay Democratic Committee. During the day all candidates will be in Jericho to meet the residents, including Supervisor Michael N. Pettit.

The candidates will meet at the Waldheim Shopping Center at 10:30 A.M. where they will greet the shoppers. Rides, games and surprises will be on hand for the amusement of the children.

After touring the shopping center, the candidates will attend a luncheon at Manero's Restaurant, Jericho Turnpike, Syosset. The guest speaker will be Congressman Lester L. Wolff. Numerous community and civic leaders will be on hand at the luncheon where the candidates will have an opportunity to answer any questions. Kaplan stated that he would be pleased to extend an invitation to any community leader who has not as yet received his invitation.

Following the luncheon the candidates will attend two coffee klatches to enable additional residents to meet the candidates.

## Viscardi Special Consultant

The appointment of Henry Viscardi, Jr., founder and president of the Human Resources Center in Albertson, as special consultant on the handicapped for Nassau County, was announced today by County Executive Eugene H. Nickerson.

Viscardi will advise Nickerson on both proposed and current programs for the handicapped, including on-the-job training and curb cuts, state legislation involving the handicapped; inducing private contractors to install ramps and oversized doors for the handicapped in buildings; additional physical and educational programs; and special parking permits.

In making the announcement, Nickerson said, "Of all the qualified persons considered for this position, Henry Viscardi is the most outstanding person in the County of Nassau -- and perhaps in the entire world for this position. He epitomizes rehabilitation."

"Born with handicaps that would have destroyed a lesser man, Henry Viscardi has devoted his entire life to helping others who are handicapped."

"He lives by the credo of Abilities, Inc., which he founded a credo that says in part, 'I do not choose to be a common man. It is my right to be uncommon -- if I can, I seek opportunity -- not security.'"

Viscardi is founder and presi-

dent of Human Resources Center -- the work, training, research and educational complex which includes Abilities, Inc., Human Resources Research and Training Institute and Human Resources School. The Center is located on L. U. Willets and Seaview Rds. in Albertson.

He lives at 305 Seaboard Rd. in Kings Point, with his wife, the former Lucille Darrago, and their four daughters, Nina, Donna, Lydia and Lucille.

In addition to his duties as president and member of the board of trustees of Abilities, Inc., in Albertson, Viscardi is chairman of the board of directors of Abilities, Inc., of Florida, at Clearwater; president and chairman of the board of governors, Human Resources Center, president and board member of the Human Resources School and executive vice-president of Just One Break (JOB) Inc.

He is also a member of President Johnson's Panel on Mental Retardation, the President's Committee on Employment of the Physically Handicapped, and Chairman of Governor Rockefeller's Committee on "Employ the Handicapped." In addition he is an assistant professor of Clinical Physical Medicine and Rehabilitation at New York University College of Medicine.

The author of numerous magazine articles and technical papers, he has also authored six books including "A Man's Struggle" and "The School" and the recently published "The Abilities Story", printed by Paul S. Erickson, Inc.

In a related development Nickerson today signed a contract with the United States Department of Labor for an on-the-job training program for 200 handicapped persons. Representing the Labor Department was Harold Johnson, Manpower Specialist with the Department.

### To Get Election Results at Casino

The big tote board at Roosevelt Raceway will flash a different type of finish on Election Night... the results of Nassau's major election contests.

Nassau Democratic Chairman John F. English announces that arrangements have been made for County Executive Eugene H. Nickerson and his running mates for county and town offices, party officials, campaign workers and Democratic supporters to get the Election Night returns in the plush surroundings of the Westbury trotting track's Cloud Casino.

### Endorse Rocchio

County Comptroller Peter P. Rocchio, Sr. has been endorsed to reelection by the Federation of the Italian-American Democratic Organizations of the State of New York, Inc., it was announced by Vincent J. Trapani, state president, of Franklin Square.

Comptroller Rocchio is an Honorary Advisory Board Member of the state-wide political group.

In early September, the Federation of Italian-American Democratic Organizations for the first time in 35 years endorsed a Republican for elective office-- Ralph G. Caso for reelection as Presiding Supervisor of the Town of Hempstead.

NAVAL RESERVE ENSIGN Frederick W. Kottmann, son of Mr. and Mrs. Frederick W. Kottmann of 4040 Jean Ave., Bethpage, was one of 177 officer candidates who were commissioned upon graduation from the U.S. Naval Base, Newport, R.I. A graduate of Stony Brook, Ensign Kottmann entered the service in Nov. 1966.

### 1968 Dog Licenses Available December 1

Councilman Ralph J. Marino cautioned dog owners in the Town of Oyster Bay that, while police have started the dog census as required by the State Agriculture and Markets Law, applications should not be submitted until December 1 for the 1968 dog licenses and tags.

He said that dog licensing is administered by Town Clerk William B. O'Keefe and 1968 applications received before December 1 must be returned to applicants because the Town cannot hold money for licenses which cannot be issued until that date. Mr. O'Keefe reported that his office has not yet received the 1968 license forms from the State.

The 1968 dog licenses are issued by the Town Clerk and are required not later than January 1.

## Seeking Volunteers To Watch Polls

Attorney General Louis J. Lefkowitz issued a call today to persons over 21 years of age to serve at polling places on Election Day, Nov. 7, to assist the Election Frauds Bureau of his office in the enforcement of the Election Law.

The Attorney General said he has asked members of the Bar Associations, civic groups, women's organizations and service clubs, as well as lawyers and law students, to volunteer. Lawyers who volunteer will be sworn in as special deputy attorneys general and non-lawyers will serve as special deputy attorneys general and non-lawyers will serve as special aides.

Persons who wish to volunteer should call at the Election Frauds Bureau of the Dept. of Law, fifth floor, 80 Centre St., New York City, any weekday between 10 a.m. and 4 p.m., from now through Nov. 6.

## Wachtler Raps Doughboys

Supervisor Sol Wachtler, Republican candidate for County Executive this week charged his opponent "has completed his sell out to the Democratic bosses of this State." Wachtler's charge followed published reports of a Democratic fund raising affair attended by 50 millionaires in New York City to bankroll the Nickerson campaign.

"Here in one room was gathered the State's Democratic financial power structure with a cast headed by President Johnson's former press secretary and Sen. Kennedy's brother-in-law," Wachtler said.

"They were there to supply lavish financing for their man in Nassau who suppo to the Constitution which was designed as a windfall for New York City. It proves what we have already charged about his reasons for supporting this take-it-or-leave-it document."

## Students Observe Special Sessions

### MARION CAMPBELL

A mass of requiem was sung at St. Ignatius RC Church in Hicksville at 9 AM on Wednesday, Oct. 25, for Marion Campbell, 54, of 98 Kercham Rd., Hicksville, who died at Syosset Hospital on Oct. 21. She is survived by a daughter, Mrs. Dorothy Stewart of Baltimore, Md.

Interment was in St. Charles Cemetery under the direction of Thomas Dalton Funeral Home.

### EDWARD J. SISK

Edward J. Sisk of 260 Richard Ave., Jericho, died at Syosset Hospital on Oct. 22 at the age of 69. A requiem mass was sung at Holy Family RC Church at 10:45 AM on Oct. 25. He is survived by his wife, Sally and a son, Richard.

Interment under the direction of Thomas Dalton Funeral Home was at the L.I. National Cemetery.

## Industrial Home Needs Volunteers

Mrs. Harriet Nash, Librarian at the IHB Nassau-Suffolk Braille Library in West Hempstead, has SOS'ed for volunteers. Urgently needed are volunteers for morning and afternoon service as operators of duplicating machines at the special library located at 329 Hempstead Turnpike, West Hempstead. Mrs. Nash explains that fifteen minutes of simple instruction will enable the volunteer to operate the machines. Some patience and alertness are the only requirements, she said.

The machines are used in the reproduction of Braille and large or clear-type books for use by blind and partially blind pupils. This library is perhaps the largest specialized library of its kind, offering Braille, large print and recorded textbooks to blind students. The books are mailed out free of charge. The West Hempstead office is one of the fourteen facilities operated by The Industrial Home for the Blind.

Wachtler said at several campaign stops during a day in Malverne, "I charge the County Executive has dismissed Nassau County. His eye still is on the Governor's chair, and he is taking his orders from the State's top Democratic politicians."

"He is trading with Nassau County in the auction market of Democratic State Politics."

KEEP L.I. BEAUTIFUL

TREE PRUNING -- Councilman Ralph J. Marino, Town Board Majority Leader, left, and Councilman Ralph Diamond, center, watch Robert Vag Velsor, trim a tree in Jericho that is obscuring a stop sign. Since the new State Uniform Manual mandates that "stop" signs must be 7-feet high, many are being obscured by trees. Town Highway Dept. is removing many branches throughout the Town that are considered to be hazards by covering the signs.

PAID ADV. CITIZEN'S COMMITTEE FOR O'KEEFE

## Lists Exemptions For Vets, Sr. Citizens

Oyster Bay Town Receiver of Taxes Solomon Newborn announces further exemptions for senior citizens and veterans concerning their real property.

Newborn said a recent opinion from the Attorney General stated that contract of sale date will now govern the eligibility of senior citizens who apply for 50 percent exemption in school and town tax "provided they reside in the residence from that date rather than the closing date." The law states that eligibility is based on residing for five years at one place and the new ruling

might help some persons meet that requirement.

On the veterans front, Newborn added that veterans who have filed or plan to file for exemption in general town tax on real property can now include fleet reserve retainer pay and prisoner of war pay as eligible fund money and increase their exemption.

For further details on any tax problem and exemption eligibility, interested persons should call Receiver of Taxes Newborn at WA 2-5800, Ext. 231.

## Charges Welfare Costs Sky Rocket

A. Werner Pleus, Conservative Party candidate for Nassau County Executive, asserted recently that welfare expenditures in Nassau under Democratic and Republican control had increased over 800% in the past 11 years while population increases were only 20%.

Stating that "welfare took 34% of the County budget this year and 25% last year, and the number of recipients jumped 50% from 1965 to 1966", Pleus asked, "What's gone in here?"

He pointed out two principal causes: "First, a gross disregard for even the rudiments of economy, as evidenced by the County Welfare Administration Building to rise in Garden City, estimated to cost 12 million dollars and to house 1,300 welfare workers, the foundation of which is as large as three football fields."

"Second," Pleus continued, "these excessive costs result from the relinquishment to Albany and Washington of control of welfare programs. Such absentee control prevents the County from making many needed improvements and efficiencies which would assist in returning welfare recipients to the mainstream of productive society. Advances which the County is powerless to make because of absentee control include man-

datory training or vocational programs; distribution of aid to dependent children on bases that would discourage rather than encourage (as is now the case) illegitimate and absentee father households; and a residency requirement to avoid encouraging the influx of persons now settled elsewhere who are attracted by the County's overly generous welfare accommodations." Pleus stated that he had previously challenged the County

Executive and the Board of Supervisors to seek relief from Albany and Washington control of County expenditures and programs in order to free the County to manage its own affairs and to save substantial amounts of taxpayers' money, but his two opponents, Eugene Nickerson and Sol Wachler had taken no action.

# Do You Live Here?

## The GOP Town Board has big plans for you:

**MASSIVE DOWN-ZONING  
HI-RISE APARTMENTS  
GAS STATIONS**

**HAMBURGER STANDS  
Factories  
TRAFFIC SNARLS**

Have you heard about the old-guard GOP Town Board's new plans for you? They're getting ready to use their 6-to-1 power vote (the lone dissenting voice is Democratic Supervisor Petito) to foist a map-scarring "Master Plan" on you. To begin with, the "plan" itself is a GOP classic. They paid \$78,000 of your tax money to their "favorite planner", a one-man operator who spent two years and turned in a collection of trivia and a crayon-colored map. But even more important than the wasted money is the "plan". It calls for massive down-zoning in your areas, with factories, hi-rise apartments, multiple dwellings, and paves the way for increased taxes and all the other down-zoning blights—gas stations, shopping centers, neon honkey-tonks, etc.

**DO THOSE PLANS FIT IN WITH YOURS?**

**YOU CAN CHANGE THOSE PLANS ON NOV. 7th!**

The **TOBAY INDEPENDENT PARTY ("TIP")** is supporting Michael Petito, together with a team of young Republican and Democratic candidates who know the needs of your areas and have already denounced the GOP "plan"—independent candidates who will meet those needs, and who will serve your interests, not those of political bosses and patronage pals.

**Your Vote on the "TIP" Line is a Vote to Save Your Area!**
