Plan 4 Mini-Bus Residential Loop

Four mini-buses may soon be riding some of the narrow residential streets of Hicksville under a plan of County Executive Eugene Nickerson to link Mid Island Plaza, Meadowbrook Hospital, the County Jail and industrial areas nearby. (See map of Route 3 on page 12.)

Residential streets in Hicksville involved include Cliff Dr., Chestnut St., Bay Ave., Seabert St. Also included are short portions of Woodbury Rd., Duffy Ave., Old Country Rd. and Bloomingdale Rd.

They would run every 15 minutes during rush hours and 20 minutes at other times.

Details of this and other direct routes and free-transfer service buses in the County are being worked out with bus officials, the Bus Franchise Council, Nassau Planning Commission, County Attorney and Dept. of Transportation and Franchise, Nickerson said.

It is estimated it would take 34 minutes to ride the 12.1-mile route connecting with existing lines on Old Country Rd., Carmen Ave., Newbridge Rd., Jerusalem Ave. and Broadway-Hicksville Rd. Three buses would be used during peak hours and two at other times from 6:30 AM to 11 PM.

A mini-bus service was recently launched in Merrick area and has proven popular. The vehicles are much smaller than the standard size vehicles.

Third Move for LI National Bank Since Small Beginning in 1917

Fifty years ago this month, when Hicksville had less than 10 percent of its present population, the Long Island National Bank opened its doors at the corner of Broadway and E. Marie St. in a building currently occupied by a druggist. This weekend the LI National Bank will move, for the second time in its history, into a modern main office at the corner of Broadway and W. John St.

1917

First location in 1917 at Broadway and E. Marie St.

With three offices in Hicksville, in addition to the main headquarters, and three offices in Plainview, the Bank also has branch offices in Bethpage, South Huntington and Commack. William E. Koutensky who in 1945 while the Bank's Cashier he was honored upon the occasion of his 25 years with the LI National, is president of the Bank with assets of more than one hundred million dollars.

The National first moved from the frame building of its founding to a modern new building at the corner of Broadway and Herzog Pl. in May, 1924. The growth of the bank led to expansion at that location in 1951.

The present stately building will soon be demolished in connection with the widening of the west side of Broadway, a state highway. It is the only building remaining today on the stretch

from Herzog Pl. south to Marie St. Monday morning, Nov. 13, the drive-in window of the new main office will open at 7:30 AM and the office itself at 8 AM, completely transferred, a distance of two short blocks north on Broadway without interruption of service.

The drive-in window at the Main office will be open from 7:30 AM to 4 PM daily, and Friday from 8 AM to 3 PM. The main lobby will be open from 8 AM to 3 PM and on Friday from 8 AM to 8 PM.

First directors of the LI National, 50 years ago, were Harvey A. Turzura, Dr. Otto Hydeman, H. F. Huettner, R. C. Colyer, Fred Sutter, George Berkert, John A. Seligman, W. H. Williams and J. B. DuBose. First officers were DuBose, president and cashier; Colyer, vice president and W. A. Kiehlmann, assistant cashier.

Present directors are Charles R. Carroll, chairman; James C. Dinkelacker, Norman C. Godfrey, George C. Karlson, William E. Koutensky, Malcolm E. Pierce, Herbert W. Purick and Joseph A. Reinhardt. Administrators are President Koutensky, Vice President Godfrey, Vice President and Cashier Reinhardt, Vice President James C. Dinkelacker, Vice President Gertrude A. Proctor, Asst. Vice President John Proctor Jr., Comptroller Walter A. Drescher, Auditor James W. Rock and Asst. Vice President Peter J. Fallon.

Challenge Petito 3rd Term Victory

The Republican status of the Oyster Bay Town Board was retained in Tuesday's election as Democrat Supervisor Michael Petito was re-elected for a third term by a narrow margin of 2687 votes. The Petito victory was challenged Election Night by Town GOP Leader Michael D'Auria who said he would request an official recount.

Petito had won by substantially higher majorities in his two previous victories. He was first elected four years ago to upset a long-established tradition of Republican hold on the office of Town Supervisor.

In the township Petito polled 51,248 and Republican Ralph Marino 46,861 with Conservative Austin W. Verity Jr. of Massapequa getting 14,344.

In the vote for County Executive, Democrat Eugene Nickerson won re-election by a narrow margin of about 3000 votes and a recount was requested by State Senator Edward Speno, county GOP chairman.

Hicksville gave Marino 7186 ballots and Petito 7687. There were over 18,500 votes cast for Supervisor in Hicksville. Jericho gave Marino 1494 and Petito 2600.

There were 8355 votes for Nickerson in Hicksville and 6943 for Republican Sol Wachtler. The Jericho tally was 2478 for Nickerson and 1650 for Wachtler.

The Taxpayers Independent Party with candidates for town office failed to make a substantial

impression in the final tally. TIP endorsement of Petito gave him 922 ballots.

Hicksville voters disapproved the State Bond Issue with 8609 no and 8017 no Plainview and Jericho said yes where the tallies were 7280 yes and 5042 no in Plainview and 2916 yes and 1572 no in Jericho.

Ginsberg Meets With School Bd.

Assemblyman Martin Ginsberg discussed the possibilities of increased state aid for education with members of the Hicksville Board of Education at its regular meeting last night (Wed). The conference was held between 11 PM and midnight.

He cited the "great reluctance" of upstate areas to grant increased State Aid and his own efforts as a legislator in previous sessions at Albany and his program for the future. He admitted the state lottery would apparently fail to generate the added revenue which had been forecast.

Bury Utility Wires Goal Of Town Conference Dec 4

Oyster Bay Town Board Chairman Leader Ralph J. Marino announced that he has called a conference of utility company officials and town, county and state public works officials to develop plans for burying utility wires underground whenever future road widenings are undertaken in the town.

"It would be a tragic mistake to miss these opportunities to beautify our Town and provide greater safety for residents," Marino said.

Invited to the Dec. 4 conference scheduled for 10:00 P.M. in Town Hall were: Austin Barr, Metropolitan Engineer, New York State Metropolitan District 4, Montauk (Suffolk), Babylon, John J. Tuohy, President, Long Island Lighting Co., Mineola, Herbert Stronach, Nassau County Commissioner of Public Works, John Hicks Jr., Town of Oyster Bay, Commissioner of Public Works, Michael A. Herold, Supervisor, John F. Nicholson Jr., General Manager, New York Telephone Co.

"Many communities in Oyster Bay are cluttered with obsolete overhead wiring, which lend an unattractive atmosphere," Marino said. "Very effort must be made to place wires underground when telephone poles are removed for purposes of widening roads. Unfortunately, at present, after the work is finished, the poles are merely replaced at greater widths along the highway. The recent widening of Old Country Road in Hicksville is an excellent example of missing an opportunity to bury wires."

Marino said that modern day aesthetes call for underground wiring systems whenever possible. "It is essential that every opportunity to place wires under-

ground be taken whenever the town, county or state widen roads. This will avoid unnecessary excavations at later dates."

Marino stated that interruptions of service during winter storms and hurricanes have indicated the advantages of underground wiring. He pointed out that the utility companies are developing technology which greatly reduce costs by using new types of cable. "I assume the companies are prepared to practice what they preach," Marino said. "Utility companies, and especially the telephone company, have been issuing pamphlets and planning advertisements in national magazines to explain the program."

"The Federal Government apparently recognizes the problem," Marino said. "For it has been a long time through the F.U.T.A. for underground wiring systems in federally developed housing projects."

"The most serious problem for Oyster Bay Town is not only in residential areas, but along commercial arteries which serve virtually every community in the township. I am concerned with the ultimate appearance of the town, because looks are a major business and residential asset. People of all incomes are placing an increasingly high premium on the appearance of their community in determining whether to remain in their homes."

In Who's Who

HARVEY J. LANDRESS, son of Mr. and Mrs. Jack Landress, 8 Glenbrook Road, Hicksville, has been named to Who's Who Among Students in American Universities & Colleges. He is a senior, majoring in Political Science at Harpur College, State University of New York at Binghamton. Landress is Editor-in-Chief of IMAGE, Harpur's photo magazine, and is a representative at large to his student government. He has been Vice-President of Harpur's Debate Society, a member of the Varsity Debate Team for three years, and has won honors in national debate competitions. He has been Managing Editor of his school's newspaper, The Colonial News, and has served on several student-faculty committees. He is currently on the Dean's list and has held an undergraduate assistantship in the Department of Political Science. He is a 1964 graduate of Hicksville High School.

Dear Sheila:

Met R. A. ESSLINGER and his charming wife having lunch at the Alibi on Election Day. He says he is finally getting used to the idea of being retired. . . CHARLES FETTA when he took an appeal to the State Education Commissioner against the Hicksville School Board, recently dismissed, he was represented by Attorney MASON HAMPTON who had been the Conservative Party candidate for State Attorney General, unsuccessfully. . . To celebrate the 20th anniversary of Long Island's Levittown, a home improvement awards program was held. During the celebration a girl in a Levitt house in Hicksville was chosen Queen. This week Mr. and Mrs. ARTHUR LAURICELLA of 30 Angle Lane, Hicksville, were awarded second prize in the home improvement contest and the announcing press release from Levitt and Sons clearly gave the address as Hicksville. Who remembers the fuss and feathers of some years ago when they wanted to call the section below Old Country Rd. Levittown? Those were the hectic times. . . Several readers were touched by the appeal of ROY METZGER and his wife, in a recent open letter published in the HERALD, seeking aid for the flood victims in Texas and responded with direct assistance. The Metzger family went to Texas in 1959. His former church, First Baptist, has been collecting used apparel and shipping it south where the homeless are suffering from the low temperatures. . . Since it appeared in the Hicksville Kiwanis Club bulletin it must be official: LEON GALLOWAY, former High School principal, and now administrative assistant to the superintendent of schools, will take a bride on Nov. 19 at the Methodist Church although details have been scarce. The bride comes from the North Shore. . .

We understand that Rotary International has approached EDWARD TEVERINI, who has become a world traveler in behalf of Rotary, to inspect the Assisi Project in Uganda, Africa. . .

Aurora Plastics Corp of West Hempstead which turns out more cars each year than Detroit (1/78th of full size) has a 25,000 square foot warehouse in Hicksville. There are company owned plants in California, the Netherlands and Canada. . . Many older residents remember REGGIE BALLARD, detective sgt. of county police when the Precinct was located in East Norwich. His son, ex-Marine, L.L. REGINALDA, BALLARD has been appointed to command the County Police newly created Crime Prevention Unit. Just to show that public demand CAN BE HEEDED, the State Dept. of Public Works has postponed indefinitely the widening of Montauk Highway thru Babylon. A little of the right kind of heat might have saved Broadway from the bulldozers. . . A meeting at the Firehouse Inn on E. Marie St., Hicksville, was scheduled this week as a Teamsters local began a push in efforts to become bargaining agent for Town of Oyster Bay employees. However, the Civil Service Employees Assn. claims it represents 790 of 825 town employees. . . We don't know how you can go from Westbury to Hicksville, and still travel "north to south" but such a route for a new bus line was proposed by County Executive Nickerson according to the daily prints just prior to Election Day. . . Many of us remember BILL NELSON who was the Mid Island press agent. He got into the election headlines recently with a big story about "secret" and "double agents."

A post card in the School Administration Bldg lunch room announces that JIM WALTERS, principal of Fork Lane School, has arrived in Yugoslavia on his trip to Moscow. . . There will be 25 Puerto Rican students in Hicksville next summer and housing accommodations for them are being sought. School Trustee HAROLD STERNBERGER (WE 8-6174) is assisting the Foreign Language Dept. in arranging for the visitors' housing and would be pleased to hear from those with facilities. . . School Superintendent DON ABT has been named by the Hofstra Alumni Assn. to be a recipient of the Alumnus George M. Estabrook Distinguished Service award. A formal investiture is scheduled Nov. 18 at the University. . . LOU MILLEVOTE is not expected to return to his duties as physical education director of Hicksville schools for some months. . .

Chamber Will Install Feb. 4

The East Meadow Chamber of Commerce which is preparing for the installation of Al Gold as president, succeeding Charles O'Shea, on Feb 4 is scheduling the formal community Christmas tree lighting on the Triangle at 7 PM on Thursday, Dec 14. Vincent Palladino is in charge of arrangements.

Frances Reeder, Dave Rothbaum, Ralph G. Amchir and Paul Amess are in charge of the Chamber holiday home decorating contest this year.

Other newly elected officers are Sheila Hoegl Noeth, first vice president; Pascal Lordi, second vice president; Bernard Kass, third vice president; C. Tom Ferraro, recording secretary; Essey Ross, corresponding secretary; Lou Noeker, treasurer.

FOR THE NEEDY OVERSEAS

AT YOUR NEAREST CATHOLIC CHURCH NOW

HELP THEM! CLOTHE THEM! The Latin American boy and his sister, shown above, are symbols of thousands of children overseas living in the world's needy areas who are forced by their extreme poverty to wear rags and shreds of material for clothing. During November this poster will be displayed in over 30,000 Catholic churches and homes across the country as a reminder to Americans to support the 19th annual Catholic Bishops' Thanksgiving Clothing Campaign for the Needy Overseas. Used clothing, shoes, blankets and bed linens brought to the nearest Catholic church during November will be shipped overseas for distribution among the world's needy, entirely without regard to race, religion or color, by Catholic Relief Services, the overseas aid and development agency of American Catholics.

AmVets Alley

with Jimmy Cooley

"OUT OF THE FOXHOLE"... I guess that I will have to be truthful about my two recent articles that appeared in my AmVets Alley. Most thought them good... a few told me to go back into the Army. (Now I know there are those who want the enemy to win this war). The party that was held at the post on Nov. 4th, for departing Post Adjutant ED SCHIEB, was a huge success. More than forty people attended the affair. Cocktails and snacks from 8 to 9 and a buffet was served after. Its no more than right to mention those many fine gals who were right in there making the affair a great success in giving their time and preparing the food for the buffet. Hats off to RITA TOZI, FLO CUCCARO, JOY REGAN, FLO ZINKHAN, KATHY QUINN, LORRAINE BRENNAN, KATE KEHOE, YOLE HILL, FLORENCE McCUE and LORRAINE DALY. Another coming event that you will not want to miss, will be the Thanksgiving party on Sat. eve. Nov. 25th. There will be spaghetti, meatballs and sausage. Price of said affair will be \$1.50 per person. While I'm at it...lets get those Dues in for 68. Send it by check or bring it in cash to DANNY ZINKHAN, Membership Officer.

MEETING Coming up; Post meets Fri. Nov. 17, Nassau County Meets Nov. 20th, Post 44 Officers meet on Friday Nov. 24th. It was quite a large group that attended the Nov. 3rd meeting...but Commander CUCCARO stated he would like to see many more and lots of old faces. Post #44 and Post #99 will join together at Pinelawn National when Pearl Harbor Day is observed. HEAR THIS...President Johnson signed the final compromise version of the Senate Bill 16 on the 31st. of August, enacting it into Public Law 90-77, also known as "The Veterans' Pension and Readjustment Ass't. Act of 1967". It's what we can call a sweeping Veterans Bill gives Viet Era Vets war status, raises "Cold War" school aid, ups pension benefits, extends WW 2 Mortgage

Loans, aids Widows, O.K.'s on-job, farm and flight training for "Cold War" Vets. I sincerely hope that some of the boys will be able to make the ceremony for Nov. 11th. We received a nice invite to participate from the Hicksville American Legion. Thank you very much, Legionnaires.

Before I close this weeks column let me thank the people who have told me that they enjoyed my last two columns. Two of these people were what I call converts. They happened to parade in two protests parades and after I was done explaining points of view, that though I do not care for this war nor do any of the thousands of nice Americans...we have to support our lads. With a sigh here and there, a few words now and then...they said they felt sort of ashamed. I said as long as people like them marched in protest the enemy would never decide to talk peace. If we stick together as we did in World War II...there are NO ENEMY STRONG ENOUGH TO BEAT US.

EDITORIAL COMMENT:

Milestone for LI National

The Long Island National Bank is moving its main office this weekend upon the occasion of its 50th birthday. The National Bank, which is fast becoming a rare institution in the Island's growing economy, had a tiny beginning when Hicksville with a population of 4,000 men, women and children was the heart of a vast farm land.

A man who has been closely identified with the National Bank over the years has been its energetic President, William E. Koutensky, who started with the Bank as a teller. He has been at the helm during its period of greatest growth in number of patrons, service, branches, assets.

The National Bank began in a rented store in a community which had a firmly entrenched banking institution - the Bank of Hicksville which had been established on April 21, 1903. Charles E. Fassbender was the first president and served until he resigned in 1918.

The Bank of Hicksville is now gone. First it was merged into the Meadowbrook National Bank and more recently into the colossal, the Bank of North America. It can hardly be regarded as a hometown institution. As one of the oldest banks on the Island until its name vanished into the corporate structures, it was a substantial factor in the economic life of the community at the turn of the century.

Our best wishes to President Koutensky and the LI National Bank of Hicksville upon the golden anniversary and sincerely trust it will continue as a thriving force for the good of the community, its institutions and its citizens. Too quickly forgotten are the many instances where the Bank and Mr. Koutensky personally have been involved in noteworthy projects for the benefit of all.

Campaigning and Beautification

A lot of talk was generated during the election campaigns on a number of topics--including beautification of our roadsides. It is to be hoped that the eager friends of the candidates, successful and otherwise, will have enough energy left to take down those posters and signs which have taken hold on utility poles, structures and traffic signs.

A notable example was set by Councilman Ralph Marino, running in the Town of Oyster Bay for supervisor, who ordered the removal of signs on his behalf a full two weeks before the day of voting on the theory that if Voters had not gotten his message by then there would be little purpose served in continuing to display his name.

By removal of campaign posters and stickers we include site cleanup. Dropping the litter into the gutter does not improve the landscape.

Two-Party System on Decline Say Bank Patrons in Poll

The two-party system in America is in danger of becoming less effective, according to voters in the latest National Bank of North America Community Opinion Poll.

Among area voters 45.3% expressed the belief that the two-party system was slipping, 52.5% disagreed and 2.2% weren't sure according to Charles Barvels, manager of North America's Jericho office.

Voters also expressed their opinion on a proposed solution to the problem of Presidential succession with 14.4% in favor of electing two vice presidents, 84.3% against this solution and 1.1% undecided.

Among area voters 47.4% expressed the belief that the two-party system was slipping, 52.6% disagreed according to Robert Finlay, manager of the Bank's Plainview office.

Your County

by Eugene H. Nickerson
Nassau County Executive

The election is over. You and your neighbors have made the decision which will guide the course of Nassau during the next three years.

For a public official, the end of a hard-fought campaign comes as a great relief.

The government duties of an incumbent are especially burdensome at election time. He has little time to campaign, and yet he is forced to do so in order to protect and advance the programs he has already begun.

The challenger's job is easier. He can devote full time to campaigning, and he has the added advantage of making headlines through promises and criticism.

The incumbent must rely on performance.

He must present his record of

the past, his current program, and his realistic plans for the future.

This is my idea of a constructive campaign, and I endeavored to carry it out during the past few weeks.

But in addition to running the largest suburban government in the nation, and campaigning to keep it running well, I have spent considerable time on evenings and weekends deciding what our priorities must be during the next three years.

Winning an office is not an end in itself.

A responsible public servant must always look beyond the election to the new challenges which will face his administration.

Certainly, increased economy in local government must be a continuing goal as we enter

1968.

As you know, I presented a budget to the Board of Supervisors which provides a tax cut of 12 cents per \$100 of assessed valuation for every property taxpayer in Nassau.

This is the largest tax cut in the history of our county.

It is the result of prudent economies in every department of county government, through computerization and other efficiency services, which have saved the taxpayers more than \$2 million this year.

I am grateful to those of you who gave this program your solid support on Election Day.

Next week I will begin a series of columns setting forth the goals which I believe we must work to reach together before 1970.

QUESTIONS AND ANSWERS

Q. My claim for Social Security disability was turned down because I needed one more year of work under social security. May I pay the difference?

A. No. A person must have at least 5 years of work during the last 10 years before becoming disabled. There is no way to pay the social security contribution for work not actually done.

Q. I became disabled last month. Since then, I have been in two hospitals and have had three doctors. Should I go to them and get medical reports before I file for Social Security disability benefits?

A. No. The Social Security office will be glad to assist you in getting the necessary medical reports to support your claim, once you have submitted your application.

Q. When I filed for disability benefits under Social Security, I was told that there was a 6-month waiting period. My checks have started now, but I have never received my back pay for those 6 months. Why not?

A. No payment is made for the first 6 months of a disability. The seventh month of a disability is the beginning of disability payments.

Q. Are my earnings for this year likely to affect the amount of my social security benefits?

A. If your earnings exceed \$1500 for the year, you may not be paid all your benefits. The exact amount of your benefits will depend upon your total earnings and when you work.

Q. I am enrolled in both the hospital and medical insurance plans under medicare. I have

used up almost all of my 100 home health visits under hospital insurance and still need more visits. What happens when I've exhausted the 100 visits?

A. You will be entitled to an additional 100 home health visits under the medical insurance plan. However, under the medical insurance plan, medicare pays 80 percent of the reasonable charges and you pay the rest. You are also responsible for the first \$50 of covered medical expenses in a calendar year which would include doctor bills as well as the home health services.

Q. If I receive home health visits under hospital insurance, do I have to pay the home health

agency for any part of the bill?

A. No. Hospital insurance will pay for up to 100 visits in the 365 days after discharge from a hospital or extended care facility. These visits are in addition to the 100 visits a person can have each calendar year under the medical insurance part of medicare.

LEE AVENUE'S FOURTH GRADE foreign language students in Hicksville went international recently. The children of Mrs. Trovato's 4th Grade Italian Classes were dressed, where possible, in the costumes of their families' national background. Laura Buechman wore the same Norwegian dress that her grandmother had worn as a child.

The international flavor of the day was spiced by the rest of faculty. Miss Kabanoff's second graders tasted foods from all over the world; doll displays, foreign regalia were prominent features of Lee's decor that day. Assistant School Superintendent, Dr. Murphy added his own seasoning to the day by greeting the children in a foreign language. (Gardiner E. Gregory Photo)

Proclaim Mourning For Commie Victims

The Soviets have organized world-wide celebrations for Nov. 7th, to mark the 50th anniversary of the Bolshevik seizure of power in Russia.

To counter these celebrations of communist power, the week of Nov. 7th has been proclaimed "A Week of Mourning for the Victims of Communism" by a group of prominent Americans and over 60 organizations in the United States—patriotic, civic, veterans, ethnic, captive nations and religious—including Young Americans for Freedom.

Announcement of the Day of Mourning was made by a Co-ordinating Committee on behalf of the participating groups. They described the effort as a spontaneous, voluntary response to the wish of many organizations and individuals, hitherto unassociated, to counter the massive Soviet celebration which has

been in preparation for over two years.

The Formal Proclamation calls upon communities throughout the U.S. to observe the week of November 7th with memorial services, and other ways to "remember the heroic dead" and indict the crimes of communism.

The National Board of Young Americans for Freedom unanimously passed a resolution in support of the Proclamation. Hicksville Young Americans for Freedom suggests that churches, synagogues, civic and fraternal organizations in the Hicksville area arrange solemn memorial events.

Don't Push Leaves Into County Roads

Public Works Commissioner Herbert J. Simins reminds Nassau homeowners that the practice followed in some villages of having homeowners rake leaves into the street for subsequent removal by village forces is not applicable to County roads and is specifically forbidden by the highway law.

"If you don't know whether or not your street is a County road, call 333-9400 and our Road Maintenance people will advise you," Simins said.

Simins also urged people not to burn leaves in the street because of the damage caused to pavements as well as the pollution and motorist visibility safety problem.

"Stuffing leaves down drains is another practice which can have unpleasant results," Simins added, "Because if it is followed by rain, flooding can occur since the runoff has no place to go. It should also go without saying that sewers are not set up to handle leaves."

Post No. 3211

VETERANS DAY. This Saturday is Veterans Day. Special services and ceremonies dedicated to the Veteran will be held this weekend all over this great land of ours. Here in Nassau County, and particularly in Hicksville, services will be held and it is hoped a large turnout will be on hand to pay respect to this country's veterans and those of the future now fighting in Vietnam.

Members of the William M. Gouse Jr. Post, V.F.W., Ladies Auxiliary and Junior Girls units will be participating in these services over the week-end.

Saturday, November 11, services will be held at the Hicksville Junior High School on Jerusalem Avenue at 11 a.m. sharp. Our officers and color guards will meet at the post at 10:20 a.m. to pick up the colors and walk to the high school.

Sunday, November 12, the annual Veterans Day Memorial Services will be held at the Nassau County Memorial in Salisbury Park. The services will start promptly at 10:30 a.m. and assembly will be in the parking area west of the memorial at 10 a.m. Postmembers participating will meet at the club house at 9:45 a.m.

Then in the afternoon Veterans Day services will be held at the Albertson V.F.W. Post in Albertson at 2 p.m. Members planning to attend that one will meet at the Post 1:30 p.m. sharp. You can support our boys in Vietnam by attending one or all services dedicated to the Veteran this weekend. SHOW YOUR PATRIOTISM. COLLOSSAL AND MAJESTIC she stands on a small island in Upper New York Bay. She holds her torch high in her right hand and in her left arm, a book bearing the date July 4, 1776, commemorating the Declaration of Independence. She is the Statue of Liberty and on October 28 she celebrated her 81st anniversary. Eleven members of our Junior Girls Unit and five from our Ladies Auxiliary visited Bedlos Island that Saturday to join in the ceremonies for this great symbol of freedom. The trip was an impressive one and the group was very glad to go. The visitation is an annual event.

Commander-in-Chief Joseph Scerra, in what he terms as the most important letter we could receive from him in his term of office, deals with those who speak out against the position of our government in Vietnam. Commander Scerra believes the problem has reached such proportions that if it is allowed to continue we could lose the Vietnam struggle here on the home front. The commander urges all members to write to our elected representatives in Washington and inform them that we support

We're having a give-in.

Chemical New York is opening a new office at 1064 Old Country Road, Plainview, in the Morton Village Shopping Center. And we'll be giving away all kinds of free gifts during opening week, Friday, November 10 through Saturday, November 18.

Everyone gets something—even if he doesn't open an account. And everyone gets a free sweepstakes entry and a chance at one of these prizes: A GE 295-square-inch Color TV console, a Toro gas-powered 14" snowblower, a solid state Panasonic tape recorder, an 8-speed push-button Osterizer blender, a Remington portable typewriter, and more. Plus a shot at winning a giant Thanksgiving turkey. We'll be giving away two a day for eight days. And that's a lot of turkeys.

Everyone who opens a Checking or Savings Account with \$25 or more, or rents a Safe Deposit box, gets his choice of a 21" plaid zipper bag or black vinyl zipper

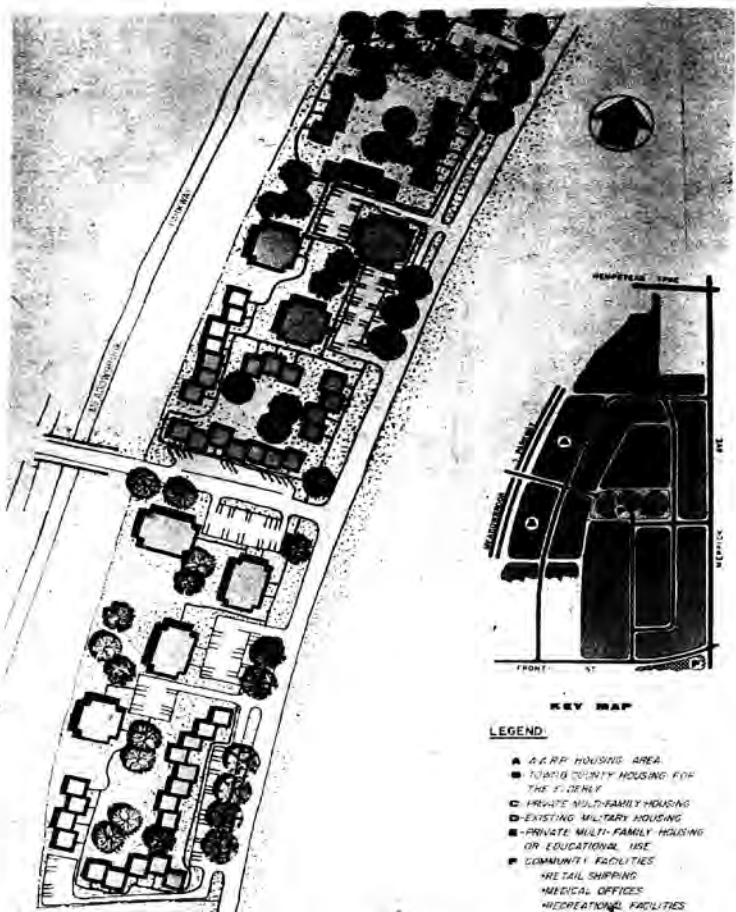

attaché case, a GE electric alarm clock, a McCall's Cookbook or an American College Dictionary, a Sheaffer pen and pencil set, or a "Le Chic" blanket. And every youngster up to 15 who opens a Savings Account with \$10 or more gets his choice of a full-color revolving world globe or a flash camera kit.

Manager Al Master and Assistant Manager Bob Frisano will be waiting to see you from 9 to 5 every day and 9 to 8 both Fridays. They'll be passing out free souvenirs, serving coffee, and offering all the services you expect from the bank that works hardest for you.

We hope you'll stop by and see us during our give-in. Because if you don't, how are we ever going to get rid of sixteen turkeys?

Drawing for sweepstakes prizes, Monday, November 20. You need not be present.

the position of the United States government in Vietnam. A similar letter sent to all commanders of different veterans organizations came from the desk of Olin Teague, chairman of the House Committee on Veterans Affairs. Mr. Teague, a wounded veteran of World War II, warns us that the dissenter of our Vietnam policy only prolongs the war and encourages the enemy to continue to kill more Americans. The same letter writing appeal to our elected representatives and President was asked in his letter. A letter from you to our elected officials is an indication that our fighting young men have your support. **SUPPORT OUR BOYS IN VIETNAM**

\$4 Million Sr. Citizen Housing

The American Association of Retired Persons (AARP) will obtain a 99-year lease for 10.6 acres of Mitchel Field land to erect 500 units of middle-income housing for senior citizens, Nassau County Executive Eugene H. Nickerson announced. The AARP is working to obtain Federal or State funding for the middle-income project estimated to cost \$4,000,000. There will be no cost to the county taxpayers for building the project, it was declared. To be built on the Santini site located in the southeast corner of Mitchel Field, the development

will be bounded by Merrick Ave., Front St., and Meadowbrook Parkway. Adjoining the development will be a 1,000-unit low-income project developed by the Town of Hempstead and, just to the east, an undetermined number of private dwellings. Dr. Harry Weiserman, Nassau AARP President, said, "We looked everywhere for years for land to build our project but could not find anything suitably located within our means. We are delighted the county has made the ideal Santini site available for sorely-needed apartments for senior citizens."

RESOLUTION #1943-1967
BOND RESOLUTION DATED OCTOBER 31, 1967.
A RESOLUTION AUTHORIZING THE ACQUISITION OF CERTAIN REAL PROPERTY FOR AND ON BEHALF OF THE HICKSVILLE PARK DISTRICT IN THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, AT A TOTAL ESTIMATED COST OF \$110,000, AND AUTHORIZING THE ISSUANCE OF \$110,000 SERIAL BONDS OF SAID TOWN TO PAY THE COST THEREOF.

WHEREAS, by proceedings heretofore duly had and taken pursuant to Section 222.5 of the Nassau County Civil Division Act, the Town Board of the Town of Oyster Bay, Nassau County, New York, has determined it to be necessary and in the public interest to acquire the real property hereinafter described; and

WHEREAS, it is now desired to authorize the acquisition of said property and to provide for the financing thereof, NOW, THEREFORE, BE IT

RESOLVED, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

Section 1. The acquisition of the real property hereinafter described for and on behalf of the Hicksville Park District in the Town of Oyster Bay, Nassau County, New York, is hereby authorized. Said real property consists of two separate parcels, each located in the vicinity of Levittown Parkway, Blueberry Lane and Beech Lane, in Hicksville in said Park District, said parcels being more fully described as follows:

- a) One of said parcels consists of approximately 57,040 square feet and is shown on the Land and Tax Map of the County of Nassau as Section 45, Block 365, Lot 26. The maximum estimated cost of the acquisition of said parcel is \$52,000; and
- b) One of said parcels consists of approximately 62,500 square feet and is shown on the Land and Tax Map of the County of Nassau as Section

LEGAL NOTICE

45, Block 381, Lot 13. The maximum estimated cost of the acquisition of said parcel is \$56,000.

Section 2. The total estimated cost of the aforesaid items is \$110,000, and the plan for the financing thereof consists of the issuance of \$110,000 serial bonds of said Town, hereby authorized to be issued therefor pursuant to the Local Finance Law.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is thirty years, pursuant to subdivision 21(a) of paragraph 4 of Section 11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of SAID TOWN of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged to the payment of the principal of and interest on such bonds as the same become due and payable. There shall annually be assessed upon all the taxable real property in said Hicksville Park District at the same time and in the same manner as other Town charges an amount sufficient to pay said principal and interest as the same become due and payable, but if not paid from such source, all the taxable real property within said Town shall be subject to the levy of ad valorem taxes without limitation as to rate or amount sufficient to pay the principal of and interest on said bonds.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds may be contested only if:

- 1) Such bonds are authorized for an object or purpose for which said Town is not authorized to expend money, or
- 2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such bonds are authorized in violation of the provisions of the Constitution.

Section 7. This resolution, which takes effect immediately, shall be published in full in Mid Island Herald and Centre Island News, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.
