100 Years of Fire Fighting Plan Cavalcade For Centennial

A Gala event for the entire community is scheduled for Saturday, May 25 of next year, when a cavalcade of floats depicting the historic background of Hicksville in the past century concludes with an old-fashioned block party at Fire Headquarters on E. Marie St. Preliminary plans for the festivities were outlined to organization representatives at a meeting by the sponsors, Tuesday night.

The coming year marks the 100th anniversary of organized volunteer fire fighting in Hicksville, a century since Protection Hook and Ladder Co. No. 1 was organized. A second company was formed in 1876 and a third in 1893. The same year the fire dept. was created.

Al Bianculli, chairman of the anniversary celebration committee for the Fire Dept. and for a centennial celebration of Co. No. 1 at Huntington Town House, presided at the meeting of organization delegates, Tuesday night. The purpose and plans were outlined by Ex-Chief John Specht and other committee members.

To stimulate interest and provide ideas for floats, 36 photographs of floats which took part in the Hicksville Tercentennial Celebration Parade of 1948 were exhibited, courtesy of Mid Island HERALD.

Ex-City's present and introduced included: Henry Gebhardt

with service as a volunteer since 1911, Jack Leckie, Arnold Jeanson, B. Medard Ofenloch and Vincent Braun.

The 100th anniversary program will commence with an Interfaith Communion Breakfast on May 5. Firemen will gather after services at their respective churches. In charge of the breakfast are R. Courtieri, M. Ofenloch, A. Jeanson and S. Weiss.

Floats entered in the motorcade will compete for trophies. In addition, there will be old-time non-motorized fire fighting vehicles from all over Long Island and old-time automobiles. It is tentatively planned to have the motorcade travel around the entire community before it concludes at the block party.

Medard Ofenloch is chairman of the motorcade assisted by Harry Borley, Robert Hammond and John Specht.

Another meeting of organization representatives is planned early in the New Year. Present

Tuesday night were representatives of the Fire Dept., Ladies Auxiliary, Knights of Columbus, Manetto Lodge, F & AM; Republican Club, Republican Committeemen's Council, St. Ignace Holy Name Society, Rotary Club, Trinity Lutheran Church, Girl Scouts, Catholic Daughters, Exempt Firemen's Assn, First Baptist Church Pioneer Girls and Our Lady of Mercy Drum and Bugle Corps.

Specht announced the fire dept. has speakers available to talk at organization meetings regarding the celebration plans and about the work of the volunteers.

Committee officers include Bianculli, chairman; Ofenloch, co-chairman; Specht, Dept representative; Frank Rom, secretary; Harry Borley, financial secretary; Robert Courtieri, treasurer; and Fred J. Noeth, publicity.

Refreshments were served at the end of the session by the Fire Dept. Ladies Auxiliary.

Explosion Shatters Heating Structure

An explosion, several industrial and commercial location fires and burning mounds of tree leaves in the streets called out Hicksville's volunteer firemen several times during the week. One alarm resulted in the injury of a fireman, Robert Swinek.

Fortunately no one was injured Monday evening when an oil pre-heater in a structure adjacent to Grumman Plant no. 12, formerly the Glasflos plant, blew out shattering all windows and the door. A small fire resulted. Seventy-

men responded to the call under Chief Gus Cotsonas. The alarm was sounded at 5:14.

When fire was discovered at the Rubber Corp Plant on New South Rd. on Nov. 7, eight fire vehicles and 60 men answered, one of which was injured. The alarm was sounded at 8:18 PM and equipment returned to headquarters at 10:40 PM. An investigation by the county fire marshal's office was requested.

The Drago Dress plant on E. Barclay St. was endangered by a heap of burning rubbish outside the building discovered at 6:54 PM on Tuesday, Nov. 14. Eighty volunteers under Chief Cotsonas had the blazing door under control and were back in headquarters at 7:30 PM.

Fire in a basement stock room of the National Shirt Shop at Mid Island Plaza at 11:25 PM on Nov. 10 was fought by way of the truck delivery tunnel under the mall. The incident was concluded in 20 minutes.

Hofstra Will Honor Abt

Hicksville School Superintendent Donald Abt, class of 1940, will be one of six Hofstra University Alumni presented the George M. Estabrook "distinguished service" award at the Hofstra top social function of the year this Saturday night, Nov. 18, at the new student center.

Each recipient will be given a bronze plaque bearing a likeness of Estabrook who was chairman of the Hofstra board during its early formative years.

Announcing the presentation, Hofstra said Abt has served as a curriculum consultant for other schools in this country and abroad. Under the auspices of the State Education Dept. he has visited India, Japan, Germany, Russia and Greece.

Recipients were selected for their service to the University thru the Alumni Assn. and for personal achievement.

Dedicate Chapel To Henry Eisemann

The Good Samaritan Prayer Chapel, given to the Glory of God in loving memory of Henry G. Eisemann by Mrs. Eisemann, was dedicated in a special service Sunday, Nov. 12th, at 3:30 p.m. at Trinity Lutheran Church Hicksville, by the Rev. Edward H. Stammel, pastor.

Also dedicated in this special service was the Narthex furniture in memory of Joseph and Elsie Kasten, and the addition to the Suter Memorial.

TEACH Starting Early for May

Joan Martindale, president of the Taxpayers Education Assn. for the Children of Hicksville (TEACH), announces the organization is looking for school board candidates for the annual trustee elections next May.

Persons interested are invited to call her at OV-1-7312. "Thereafter you are expected to attend meetings of the Board of Education on the second and last Wednesdays of the month to better understand the job you are applying for. A follow-up by the candidate screening committee will be at your convenience", she adds.

The terms of Evelyn Silver and Marvin Goldberg, currently Board president, expire next year on June 30. Both were first elected with TEACH endorsement and support.

Kiwanis Honors Six Laymen

Six Hicksville laymen, chosen by their respective churches or synagogues, were honored by the Hicksville Kiwanis Club at its regular meeting yesterday (Wed) at the Old Country Manor. The program was conducted by the Rev. Richard Muck, pastor of St. Stephen's Lutheran Church and chairman of the Kiwanis Support of Churches Committee.

Certificates of appreciation for "services to the community thru their churches and synagogues" were presented to the following: Harold Gottlieb, nominated by Congregation Shaarei Zedek; Arnold Pricke, Trinity Lutheran Church; Lester Johnson, Holy Trinity Episcopal Church; Arnold Rosenbaum, Hicksville Jewish Centre; Raymond Cowan Jr., St. Stephen's Lutheran Church; and to William Peters, superintendent of Jones Institute.

Al Heuer, who was co-chairman of the project with Rev. Muck, publicly deplored the failure of some clergymen to respond to the Club's request for nominations. He commented that some of them might better "practice what they preach" and accept the invitation to participate in this program honoring the churches and its distinguished laymen.

His comments were endorsed by Kiwanis President Henry C. Brengel who described them as "an excellent dissertation".

Why Didn't Broadway Display American Flags Veterans' Day?

The absence of American flags fluttering from poles attached to parking meters along Broadway, Hicksville, on Veterans' Day - last Saturday - was explained as follows:

Four years ago in 1963, the Chamber of Commerce sponsored a project to acquire the flags and poles as well as town approval for the fixtures on the parking meters. At the time the effort was concluded it was a published fact that seven local veteran and service organizations had committed themselves to arrange for the mounting and dismounting of the colorful display on assigned or selected days.

Listed were Memorial Day, Rotary Club; Flag Day, Elks; Fourth of July, Legion; Labor Day, VFW; Columbus Day, Knights of Columbus; Election Day, Kiwanis and Veterans' Day, Lions.

A past president of the Lions told the HERALD their group was "not reminded" of their date as they had been in the past. The flags are stored by the Chamber of Commerce in its present office in Mid Island Plaza.

There was also an unverified report that the flags did not fly on Election Day, either.

Many private residences displayed the flag on both Nov. 7 and 11. The past week had been proclaimed Veterans' Week with the display urged for the entire period.

Veterans Day Price of Liberty: Sacrifice

On Nov. 11, Americans took time to remember the men who have served in the country's armed forces. This national holiday, which is now called Veterans Day, began back in 1919 as Armistice Day, a day to celebrate the end of the war that was to end all wars.

In 1954, in recognition of the hard facts of international life, the name was changed. During the years since the first Armistice celebration, it had become apparent that there would always be other nations unwilling to let the last war be the last. History was teaching us that the cost of liberty might be not only eternal vigilance but continuing sacrifice as well. Nov. 11 was renamed to honor all the men and women who had shared in this long struggle.

Teacher Union Head Claims Disruptives Hurt Learning

A study just completed by the Hicksville Federation of Teachers shows teaching effectiveness severely hampered and learning by school children seriously affected in all district schools due to so-called "disruptive children", it was claimed this week.

Approximately 25 of 200 children are classified as disruptive according to Bill Dean, president of the HFT.

These children are sprinkled throughout all the schools and each could disturb up to 25 others daily on the elementary level and up to 120 daily on the secondary level, he said.

The fact that normal classroom situations are now providing the environment for such children is due to a neglect of this type child in the sense that nothing constructive is being done for the great majority of them in removing them from their present situation and providing them with a special one, Dean claims.

Their continued presence in the classroom results in a loss of teaching effectiveness amounting to hundreds of thousands of dollars annually.

"If only the parents and taxpayers could see what happens in the classrooms and see how much teaching time is lost and/or see the loss of teaching effectiveness due to the behaviour of these children they could very easily translate such time into dollars and cents", Dean continued.

The union proposes that such children be placed in a special situation where they can learn and at the same time because of their discontinued presence in the normal classroom situation insure more effective teaching to the remaining children.

Model Railroaders Inviting Public

The public is invited to the 9th annual open house of the West Island Model Railroaders at its clubroom, 372 Old Country Rd., Hicksville (rear entrance) starting this weekend. There is no admission charge.

The dates and hours are Friday, Nov. 24 from 8:30 PM to 10:30 PM; Saturday, Nov. 25 from 2 to 5 PM and 8:30 to 10:30 PM; Sunday, Nov. 26, 2 to 5 PM; Friday, Dec. 1, 8:30 to 10:30 PM; Saturday, Dec. 2 from 2 to 5 PM and 8:30 to 10:30 PM; and Sunday, Dec. 3, from 2 to 5 PM.

Several door prizes will be awarded at 5 PM on Sunday, Dec. 3, according to J.C. Harvison, secretary. More than 6,000 visited the open house last year, he reports.

"OUT OF THE FOXHOLE"... This column beat Mayor Lindsey's proclamation to name Nov. 11 to 17th as "Hire A Veteran Week"...by at least two weeks. We received the news via Gov. Rockefeller's office. We felt sort of let down when Mr. Nickerson failed to show at the dedication of the Memorial at Salisbury on Sunday, Nov. 12th. Don't let it get you down too much fellows...after all it was AMVETS idea to have this memorial for the Nassau servicemen that died in Viet-Nam. AMVETS HERE N' THERE...Hear tell that Eddie WEIR, former past commander of the defunct Bethpage AMVETS paid Post #44 a visit. Would like to see AMVET Buckholz come to the post meetings...ditto for...Surless, Elias, Ed Shea etc. Lou Mignone, Bob Cucararo and Fred Blackley present at the Veterans Day service on Saturday, November 11th, at the old Hicksville high school.

Have forwarded a letter to State Commander Glicce, to see if he can obtain a copy of the Post Charter members.

MEMBERSHIP DUES...Let's get moving fellows and help Vice Commander Danny Zinldham make this a great year. Lets get working on those WW2, Korean and Viet-Nam vets. I'll be at the next meeting so Danny if you remember those stamps...bring them along. **QUEST:** I haven't received all my medals I am entitled to, can I still obtain them? **ANS:** Yes you can, you must write to the Department of the service that you were in. Address can be obtained from your local V.A. office. **QUEST:** I lost my Discharge papers can they be obtained again? **ANS:** Yes, contact your V.A. office for the address you can write to and explain your case. **QUEST:** Can

Editorial Opinion.. What Does Voting Mean?

It would appear from certain curious post-Election actions that the decision made by the voters on Election Day can be "taken with a grain of salt".

By a substantial vote of 196,260 in favor and 261,902 opposed the question of a public protector or ombudsman for Nassau County was rejected. This was no hairline decision, subject to a recount.

However, the adding machines had hardly stopped clicking when it was announced that former District Court Judge Samuel Greason has been convinced by County Executive Eugene Nickerson that he should remain on the job as the county's ombudsman.

With great solemnity, it was declared that Judge Greason and Nickerson had decided that the public protector proposition was defeated "because voters followed a pattern and cast negative ballots on all but one of the propositions". That is about as ridiculous as saying a pattern was followed in electing almost all Republicans and therefore the ole wishing well should be relied upon for the outcome -- forget about the tally of votes.

At almost the same time we are given to understand that the County Charter, according to Nickerson again, should quickly come up for a new vote all by itself so that the voters are not confused with other questions on the voting machines. The fact that a separate vote would cost a quarter of a million dollars to stage is a small price to pay for the privilege of "correcting the error" the voters made on Nov. 7, he reasons.

We hold that the decision of the majority of the voters, regardless of how contrary to the desires of certain groups and individuals, should hold as the verdict. Let's have no double talk nonsense about such a basic fact.

Medical Folklore Usually Wrong

While much of medical folklore is now obsolete and largely forgotten, there are still many completely erroneous beliefs about their health held by sizeable numbers of people in our so-called age of enlightenment.

TODAY'S HEALTH GUIDE, the American Medical Association's manual of health information for the American family points out that grandma is not always wrong in her concepts of health. But she often is wrong. The book lists some of the common misconceptions about health:

- Faring between meals is always harmful (incorrect).
- Bad breath means disease (not so).
- Milk should not be taken at the same time as sour fruits (not so).
- Proteins and carbohydrates should not be eaten at the same meal (incorrect).

- Daily bowel movements are necessary for health (incorrect).
- Pain in the back must indicate kidney disease (incorrect).
- Pain in the abdomen means an overloaded stomach (wrong).
- A laxative is good for abdominal pain (it is sometimes dangerous).
- Food kept in an open tin can

is necessarily poisonous (not if, properly refrigerated).

- Scales from scarlet fever and measles spread the disease (nose and throat secretions actually do).
- Sewer gas makes people sick (no—it's just unpleasant).
- Pimples and boils indicate bad blood (they are due to infections).
- Boric acid strengthens the eyes (it does not).
- Fried and highly seasoned foods are harmful (not in moderation).
- A cold can be broken up or cured (it cannot).
- You feed a cold and starve a fever (no).
- Eye muscle exercises will eliminate the need for glasses (a dangerous fallacy).
- Vegetarianism is good for health (it simply makes good nutrition more difficult).

Your County

by Eugene H. Nickerson
Nassau County Executive

In Nassau County, a larger percentage of families earn over \$10,000, own two cars, and enjoy the fruits of prosperity, than in any other region in America. Yet we also have pockets of poverty and despair which threaten to undermine our economy.

A major goal of my administration during the next three years will be to wipe out poverty in Nassau.

It can be done and it must be done.

I am giving top priority to strengthening current job-training programs, and developing new programs to move people off welfare and prevent others from going on welfare in the first place.

Despite some of the political oratory you may have heard during the recent campaign, the

fact remains that there are no "employables" on welfare in Nassau.

Obviously, if they were employable, they wouldn't be on welfare.

We do have more than 300 welfare recipients who can be classified as able-bodied.

They are not technically disabled, yet many lack the skills to hold even very low-level jobs, which are scarce to begin with in our increasingly automated society.

In the Social Services Department, we now have 200 welfare recipients in job-training. On completion of their program, they will be moved off the welfare rolls.

This program which is financed by Federal funds, moved 500 people off welfare into jobs

in the past year alone.

Apart from the small percentage of able-bodied welfare recipients, the remainder are the disabled, the blind, the aged, and mothers and dependent children.

The County Government helps support 10 day care centers which have freed 150 parents for work.

These centers are part of the countywide anti-poverty program which I established under the private, independent control of the Health and Welfare Council, in order to keep politics out of the program.

We have 17 special programs in Nassau to keep employables off welfare. They are administered by professionals, not politicians.

The most important are those which are aimed at youth—to prevent another generation from going on welfare.

Maier New GOP Club President

William Maier is the nominee for President of the Hicksville Republican Club. Charles Lynch, chairman of the nominating committee, presented the following slate at the Nov. 10 club meeting:

Gerard Trotta, 1st vice president; Alex Pankao, 2nd vice president; Robert Jackson, 3rd vice president; Henry Melnes, treasurer; Mildred Flannery, recording secretary; Beatrice Jeanson, corresponding secretary; Julius Schwartz, publicity director; and Charles Burke, Sgt at arms.

For three year terms as directors: William Buchman, John Hill, John Jeanson, Hugo Spadaro, and Lydia Zebertovich.

Six Persons Hurt

Six persons were taken to Meadowbrook Hospital in a Second Precinct Police Ambulance shortly after midnight, Sunday, following a two-car collision at Cle Country Rd near Levittown Parkway, Hicksville.

John Balski, 62, of Woodbury, driver of one of the cars involved suffered a laceration of the head; Anna Balski, 58, lacerations of the face and mouth.

John E. Maryon, 29, of Levittown, driver of the other car, suffered laceration of the head. His passengers were Rand Danette, 17, of Berry Lane, Hicksville, chest and stomach injuries; Thomas Maryon, 15, of Harvest Lane, Levittown, abrasions of the leg; and Theresa Tartaglia, 19, of Central Islip, contusions of both legs.

Rev. Stammel Shows Slides of His Tour

The Rev. Edward H. Stammel, Pastor of Trinity Lutheran Church, 40 West Nichol St., Hicksville, will show his slides of the "Lutheran Heritage Tour" on Tuesday evening Nov. 28 at

at dawn
Plant your signs on the White House Lawn
You all want to ban the bomb "There's no real war in Vietnam."
Use the drugs and have your fun
And then refuse to use a gun
There's nothing else for you to do
And I'm supposed to die for you

"I'll hate you till' the day I die
I made me hear my buddy cry
I saw his arm a bloody shred
I heard them say, "This one is dead."
It's a large price he had to pay
Not to live another day
He had the guts to fight and die
He paid the price, but what did he buy?
He bought your life by losing his
But who gives a damn what a soldier gives?
His wife does and maybe his sons
But maybe they're not the only ones.

William M. Gouse, Jr.
Post No. 3211
by Eddie Klebing

PRE-VETERAN DAY weather reports did not favor any scheduled ceremonies or services for the holiday. However, climatic conditions turned out and weather-wise it turned out to be a pretty fair day -- for that matter services for the whole week-end managed to go off under partly cloudy skies.

Locally, Veterans Day services at the Junior High School, Saturday, went smoothly with a nice turnout and anticipated thoughts for a larger ceremony attendance next year.

Post, auxiliary and junior girls unit members were very disappointed in the services sponsored by the United Veterans Organization of Nassau County, held at Salisbury Park, Sunday morning. One would think for a service taking in all veterans organizations in Nassau County, a decent public address system would be used. As it was, we heard practically nothing.

Services in Albertson the same afternoon were far more favorable. We were given a look at the new V.F.W. Post and a beauty it is.

We assembled across the street from the post for the parade to the Searing Memorial Methodist Church and church services honoring our departed veterans. After the parade back to the post refreshments were served.

While it isn't a practice to insert poetry into our column it isn't taboo. So at the request of one of the members we print the following poem which is appropriate with the attitude of some people in this great country of ours.

Living And Dying

Take a man; then put him alone
Put him 12,000 miles from home
Empty his heart of all but blood
Make him live in sweat and mud
This is the life I have to live
And why my soul to the devil I give
You "Peace Boys" rant from your easy chair
But you don't know what it's like "overthere"

You have a ball without near trying
While over there your boys are dying
You burn your draft cards, march

German Club Off to 'Splashing' Start

Der Deutsche Verein, The German Club of Hicksville High School, saw the start of another successful year on Saturday, Sept. 30th, with their annual car wash at Schultz's Sunoco Station on Old Country Road.

The traditional car wash has been the major fund-raising

project of the German Club for the past several years, and each year the members turn out with renewed vigor for the splashing, fun-filled event. Those helping out were Joyce Anderson, Arnold Berger, Diane Goob, Eleanor Heuer, Robert Kantrowitz, Joe Marshhauser, Pam Mc-

Clain, Bob McMenamin, Charlene Nass, Irene Pick, Bart Savino, Janet Scherr, Karen Schuck, and Jerry Waxman. The memorable part of this year's car wash was the challenge of washing a Hicksville Fire Dept. ambulance. This proved to be a most unforgettable experience that even surpasses the pick-up truck that was washed last year. All are looking forward to the possibility of having another car wash in the spring.

The proceeds of these and other projects go toward two \$50 scholarships awards to two graduating seniors. The club also plans to call upon its members' culinary skills for a cake sale at one of this season's basketball games, the proceeds of which will be put toward the scholarships.

Aside from the fund-raising projects, Der Deutsche Verein also plans entertaining events designed to stimulate interest in the German language and culture. In past years, the events have included films and slides of Germany, exchange student guest speakers giving informative talks on their homelands, a banquet planned and served by the members themselves, and yearly trips to hear the Vienna Choir Boys sing at the Brooklyn Academy.

This year, the club is also purchasing a German scrabble game to combine fun, competition, and learning in weekly games.

LATIN-AMERICAN DELICACY, fried plantains, were enjoyed by Mrs. Carola Gousse's sixth grade class at Dutch Lane School in Hicksville with the help of their Spanish teacher, Mrs. Jean Lloyd, as part of a Halloween celebration. The plantains are described as a banana-like fruit sliced thin, fried crisp and eaten salted like potato chips. The students also popped corn and made donuts.

CAMPAIGN SLOGAN which apparently worked for County Executive Eugene Niekerson, re-elected last week, "Nassau's Never Been Nicer", was originated by Murray Goldstein, right, of 108 Lantern Rd., Hicksville. The County Executive and his campaign idea man are in front of Campaign Headquarters in Roosevelt Field. (Platnick Photos).

Special Meeting For Viet Vets

The Veterans of Foreign Wars, Post No. 3211, Hicksville, will hold a special, open meeting on Monday evening, Dec. 11 at 8:45 p.m. at their post honoring the Vietnam veterans of Hicksville.

Vietnam veterans of the community are cordially invited to attend this special meeting in their honor as a gesture from the Post members to show their gratitude to these young men for their performance in the defense of our country's principals and unfailing courage in combat against the communist Vietcong.

After the meeting, which promises to be a short one, refreshments will be served.

Interested veterans wishing to attend can acknowledge their attendance by calling Commander Klebing at Wells 8-3463 or writing to The Veterans of Foreign Wars, William M. Gouse Jr., Post 3211, Grand Ave., Hicksville. The acknowledgement will help the Post's refreshment committee plan sufficient fare for the special meeting.

LONG ISLAND NATIONAL BANK

NEW MAIN OFFICE

11 BROADWAY, HICKSVILLE

We've come a long way in 50 years. In November of 1917, we were proud of our new office at the corner of Broadway and East Marie Street. Seven years later, in May of 1924, Hicksville was expanding so rapidly, it became necessary to move to the location you have all known for so many years at the corner of Broadway and Herzog Place. In 1951 more room was added by the expansion on the Herzog Place side.

The Long Island National Bank has always been known for the warmth and enthusiasm of its people. Now, in this Space Age of 1967, we are proud to welcome you into our newest and most modern bank building ever. Our people will continue to serve you with the same friendliness as before and will provide for you all the banking services that our reputation has been based upon.

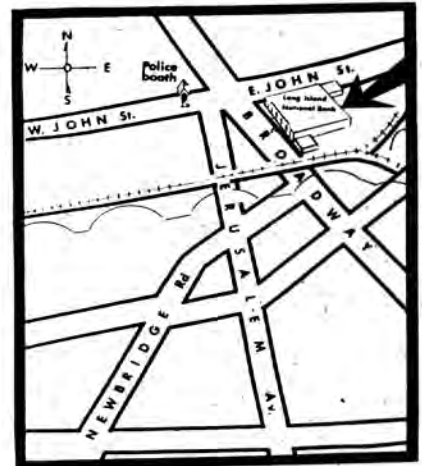

Long Island has grown to be one of the leading communities in the country, and so the Long Island National Bank has expanded along with it. We are here to serve you, our customers. We hope you will visit us in our new home.

Diamond Leads GOP Ticket

HAPPY FAMILY GROUP with Jericho's Ralph Diamond, elected Town Councilman last week, are his mother, his wife, Bea, and daughter, Karen. In his maiden race for public office, Diamond carried Jericho with 52 percent of the vote and became the first local Republican in recent memory to earn more votes in Jericho than any other candidate. He led the town-wide race for Councilman with 46,781 ballots of the Republican line and 27,010 on the Liberal Line Island Radical, who appeared opposite Diamond on the 11-0 line, got 41,784 Democratic votes and 1,557 on the TH line for a total of 43,341.

Fabulous Fashion Show Big Success

A most successful and enjoyable event took place at Jericho High School on Nov. 6, "A Fabulous Fashion Show for the Mother, Daughter, and Teacher". The show was sponsored by the PTA's of Jackson, Cantiague, Williams Schools, and the Jericho Junior - Senior High School.

The entire production was directed by Mrs. Babette Reuben of Maytime Drive, who also served as Mistress of Ceremonies. Mrs. Joan Greenberg, music teacher of Jackson School, was the Musical Director, and about 75 students, teachers, and mothers participated in the show.

The Rock 'N Roll Band, "Spice of Life", consisting of Richard Sivota, Daryl Kass, James Saumer, and George Muligano, performed, and door prizes donated by Mr. and Mrs. Appelbaum, Deutsch Jewelers, Floyds Record Dept., Mr. Stuart Inc., and Petland of Mid-Island were won by various members of the audience. The winning ticket for the big door-prize (a weekend for the family at the Granite Hotel, donated by Hicksville Travel Corp.) was picked by Dr. Carey, and won by Mrs. Reuben's son, Robert. "Although I know it's on the level, I'm terribly embarrassed," Mrs. Reuben said, "and I would like to present this prize to the one person who helped me more than anybody else, and without whom this show would not have been possible, Mrs. Joan Greenberg."

To the sounds of applause, Rock 'N Roll music, and general enthusiasm, the audience of more than 700 people was invited to the cafeteria, where doughnuts, cider and coffee were served. Fabulous, indeed, was the word for the evening.

Men and women behind bars are able to share in the blessings of Christmas through The Salvation Army, whose blue uniforms penetrate prison walls. Those who are parents are enabled to send personal gifts to their children. And experienced Salvation Army officers help them prepare for the day when they will return to their families.

6 Cracker Barrel Sessions for Parents

Six "Cracker Barrel" sessions for the parents of Jericho Junior High seventh graders are scheduled for Nov. 20, 21, 22, 27, 28 and 29 in the Junior High Teachers' Workroom. The meetings, which begin at 9:30 a.m. and continue to 11:30 a.m., provide participating mothers and fathers with an opportunity to talk informally with the school principal, the housemaster and the guidance staff about the general problems and progress of their children.

By Lee Battenman

Having attended the opening of Marilyn Kaplan's one man show, I must urge you to see it. You will find it exciting, refreshingly new and beautiful to observe for all its color, composition, and line. You will also find yourself quite proud to have such talent as a resident of your own community.

The show is open until Nov. 29, at the Steinhart Gallery, 251 Post Avenue, Westbury. It is much too good and much too close to be missed.

Artists, please keep me informed of your happenings.

Antique Fair

The Jericho Jewish Center Sisterhood is pleased to announce that it will sponsor its Fourth Annual Antique Show and Sale, on Sunday, Nov. 26, from 12 noon to 7:00 P.M. at the TEMPLE.

Over 30 dealers will display and sell jewelry, coins, dolls, furniture, paintings, china, guns, collectors items, primitives, etc. A free coin appraisal will be available.

A snack bar will be open. For further information, call Mrs. Irving Sauerhoff, OV 1-3876.

Condolences

The Villager extends its condolences to Mrs. Morris Mishkin and family (Forest Drive) on the loss of her father.

Ten Pin Talk

By HENRY DOCKSWELL

If this keeps up the only awesome quality the "Terror" will have left will be their name. This week they suffered their most ignominious defeat. Gershen's "Terrors" were shut out. "Terror" Irv Liberman, who has become a fine bowler this average is 167 which is 13 points better than last year) threw a 200 in the first game but Irv Simes and his men overcame that and won it. Then the Simes' secret weapon, in the person of Sol Belodoff, opened up. Sol is a now bowler and has been flailing with an average somewhere in the 120's. In the second game he cracked a 169 and his third attempt was a 111. This was too much for the "Terrors" and they were sent home with an 11-0 defeat. One of Simes' men was heard to remark that he hadn't been so happy since his Bar Mitzvah.

Mary Kahn and Herb Brody each fashioned a double. Mary's 221 and 201 were the only things that stood between disaster and a salvage operation for Sid Sachs' "Molars." They lost to Sid Simeon's gang 605 but the one game they took was good for total wood and hi-game. Herb's double, a 204 and a 208, was countered by a 227 by Morris Garellick so Gittleman's "Guzzlers" drowned Brody's "Charley Browns" 2-4. Robbie Goldstein, Capt' of the "Robbers", gave Nat Warren's "Weepers" a lesson in bowling as he fired a 222 in his first game and compiled a 604 series. But the "Weepers" learned fast, too fast. Nat bombed a powerful 249, Al Minoff smacked a 201 and even though Robbie was giving the reason the "Weepers" triumphed 11-0.

Leo Geyer and his 9th place "Lions" shocked St. Bruckner's 2nd place team as they plastered the Bruckners with an 11-0 white-wash. Leo started it all with an even 200 on his first try and Sy's guys never caught up. Murray Kowlowitz with a 211, Bernie Kaplan with a 203 and

READER COMMENT

Dear Editor: With a deep sense of appreciation and gratitude, I wish to express my thanks to the voters of Jericho and the rest of the town of Oyster Bay for their support of me in my race for Councilman. The campaign has been long and arduous and yet in reflection it seems to me to have gone rapidly. Naturally to have won gives me a sense of accomplishment and yet at the same time I wish to compliment my opponents who lost for their vigorous but clean campaign.

My heartiest thanks go to David Kashner, who chaired the Volunteers for Diamond committee, and to all its participants who came from all sections of Jericho and from all political parties. I further wish to publicly thank my wife Bea who constantly campaigned at my side during the entire campaign. She was a terrific asset and at times I felt she was the better candidate.

The overwhelming vote I received in Jericho is humbly acknowledged by my family and myself. I pledge to each of you that I will extend every fiber in my body to justify the confidence you placed in me.

Sincerely yours,
 RALPH DIAMOND
 Councilman

Miss Hoffman with a 207 finished up the night's scoring. We did notice one very peculiar thing. About 10:30 or so we saw Bernie Schmiezer looking around as though he had lost something. A short time later we spotted him speaking to the waitress sort of agitatedly. Bernie, if you want to know what really happened to your 2 cups of coffee write me a personal letter of inquiry.

Joint Thanksgiving Day Service. Services have been rotated between the two congregations, each one taking its turn annually.

This year the service will be held for the first time in the new sanctuary at Temple Or-Elohim. The Rev. Alan D. Carvalho of the Wesley Methodist Church will be the guest preacher on the theme, "All that is Within Me". The service will begin promptly at 10 A.M. the Thursday of Thanksgiving, Nov. 23rd. Rabbi Rose of Temple Or-Elohim will lead the services. Following the service there will be a collation for both congregations.

HAPPILY LOOKING FORWARD to the Fourth Annual Antique Fair and Sale sponsored by the Jericho Jewish Center Sisterhood, to be held on Sunday, Nov. 26, from noon to 7 P.M., at the Temple are Mrs. Irving Sauerhoff, President, left, holding an old brass push-up candlestick, and Mrs. Jay Lewis, Ways & Means V.P. with an 1899 hand painted paper fan framed in conclave glass. BY ORDER OF THE
TOWN BOARD OF THE
TOWN OF OYSTER BAY

Michael N. Petito
Supervisor

William B. O'Keefe
Town Clerk

Dated: Oyster Bay, New York
October 31, 1967
B 97 - X 11/16 MID (V)

Bill Morrissey of Hicksville recently returned from South Vietnam after having spent an exciting seven months at Chu Lai on a special assignment as a Field Service Engineer for Grumman Aircraft Engineering Corp. of Bethpage. Chu Lai is situated about 350 miles north of Saigon and 60 miles south of DaNang, the two largest cities in South Vietnam.

Morrissey resides at 33 Winter Lane with his wife, Patricia, and a son and daughter, Patrick 10 and Caron 3.

The Hicksville man, who has been associated with Grumman for 10 years, was stationed at the Marine Corps Air Station in Chu Lai, working on the Semi-Automatic Checkout Equipment (SACE) for the Grumman A-6A Intruder, an all-weather attack bomber. He is one of the many well-schooled aircraft engineers and technicians on constant duty around the globe as part of the efficient Ground Support program at key bases of the Navy, Marines and Army.

Morrissey lived a "military life" at the Chu Lai base, which had been hit by mortar attacks, but in his work he was several miles in the rear of the combat lines. He did, however, say that it was "interesting" and lauded the ability of the military technicians.

He brought back glowing praise for the effectiveness of the Intruder from the Marine pilots, who had a "healthy respect for the Grumman equipment." Morrissey's "on-the-field" knowledge now will be funneled to other Ground Support personnel being trained for these assignments.

"The rate on oil is going up, whereas gas is going down. And the initial cost is much greater with oil than with gas. Through experience we have found that gas is as economical as or better than oil. It's certainly cleaner. I've been in the construction business for 20 years and if you asked me what system you should take, I'd say gas heat."
