

Bus Driver Strike Affects 8700 Pupils

A strike by drivers for the principal bus contractor for Hicksville School District, the first in the history of students transportation in the community, as affected 8700 public and non-public students but has not cut markedly into class attendance, it was learned today. The strike began Tuesday when it was announced that labor mediations had ceased.

The full impact of the strike was not felt this week due to several factors, School Superintendent Donald F. Abt complimented parents who cooperated by providing car pools to keep absenteeism at only about three percent more than December figures.

Also contributing to the situation were the facts that severe weather conditions would normally curtail attendance, that tests are taking place. Only transportation affected is that provided by Brothers Coach. Not affected are students transported by public and other carriers inside and outside the district. Also not affected are physically handicapped, transported by other contractors. A total of 15 school districts in Nassau and Suffolk serviced by Brothers Coach Corp. of Hewlett are affected.

Members of Local 1181 of the Amalgamated Transit Union are demanding an increase in their \$90-a-week pay. The Union is reported to have rejected an offer of \$102.50 a week and Brothers Coach says it cannot increase its offer due to binding contracts with school districts.

No immediate settlement of the situation is anticipated. Affected within Hicksville School District with a public enrollment of 13,000 students are 7500 boys and girls.

OPERATIONS CONTROL CENTRE for the Nassau County Dept of Public Works is located in the Dept garage on Cantiague Road. The Centre provides supervisors with the location and assignment of over 700 pieces of road maintenance equipment, shown plotted on a large county map in the background. Herbert J. Simins of Jericho, standing, is Public Works Commissioner.

Start Girl Scout Cookie Sale Jan. 27

On Saturday morning, Jan. 27th, Girl Scouts will begin ringing doorbells to solicit orders for cookies as their annual Cookie Sale begins. This event is quite familiar to residents in the area and usually receives a hearty welcome.

The girls are using several slogans this year to promote sales. For the girls themselves — "Serving America the Girl Scout Way", and for prospective buyers — "Cookies For Better Scouting." The Girl Scouts are particularly anxious that people know that at all levels of Scouting from Brownies through Seniors, their program benefits directly from the sale of cookies.

Arrange Forum On Discipline

On Wednesday, Jan. 24th, the Midland Civic Assn. will hold an important meeting on "Discipline of our Children." This meeting will take place at 8:30 P.M. at the Willet Ave. School in Hicksville. The program will include a forum of four prominent people in the Hicksville community and will be moderated by Kurt Fohl, Civic Affairs Chairman for the organization.

Refreshments will be served after the meeting.

Alumni Thanks Patrons of Sale

The Hicksville High School Alumni Association would like to take this opportunity to thank the many friends who patronized their recent cake sale. Proceeds of the sale are to be used toward the Alumni Association's Mabel R. Farley Scholarship Fund.

As an added attraction this year, the boxes are honoring the various levels of Scouting, by their most attractive wrappings depicting Brownies, Juniors, Cadettes, Seniors, and Leaders in various activities.

The cookies, in five varieties, sell for 50 cents a box. Sales in previous years have always been most encouraging and the Girl Scouts are hoping to be even more successful this year. Remember — "Cookies for Better Scouting."

Presides At First Unity Week Service

The Most Rev. Walter P. Kellenberg, D.D., Bishop of the Diocese of Rockville Centre, will preside at the first of a series of ecumenical services in Rockville Centre during the Week of Prayer for Christian Unity.

The Week of Prayer consists of eight days of prayer from January 18 to January 25, for the union of all men in the true church established by Christ. It was begun in 1908 under the leadership of Father Paul James Francis of the Society of the Atonement.

Bishop Kellenberg will be at the initial prayer service on Thursday, January 18, at 8:15 p.m. in St. Agnes Cathedral, Rockville Centre. The preacher will be the Rev. George W. Webster, associate professor of church and community at Union Theological Seminary in New York City.

On Saturday, Jan. 20, a youth prayer service is planned for the Congregational Church in Rockville Centre. It will feature a jazz liturgy at 8:15 p.m. by the Rev. Dr. John Gensel, pastor of St. Peter's Lutheran Church in New York City. The music was written by Eddie Bornemere of St. Thomas the Apostle parish in Harlem.

The Rev. Paul E. McKeever, chairman of the diocesan commission for ecumenism and editor of The Long Island Catholic, will be the preacher on Sunday, Jan. 21, at St. Mark's Methodist Church, Rockville Centre.

A businessman's prayer service will be held on Monday, Jan.

Bank Cashier Was Active in Community

Joseph A. Reinhardt, 39 years with the LI National Bank where he was cashier and a vice president, was buried Tuesday at LI National Cemetery following a requiem mass at St. Paul's the Apostle RC Church in Jericho on Tuesday. He made his home at 19 Scott Ave., Jericho.

Mr. Reinhardt, member of a family prominent in the community for generations, died on Jan. 12 at Syosset General Hospital after prolonged illness. He was active in many community activities. He was a past commander of the William M. Gouse Jr. Post, Veterans of Foreign Wars; a director of the Hicksville Chamber of Commerce, member of Hicksville Kiwanis, Joseph Barry Council, Knights of Columbus; Men's Guild and Nocturnal Adoration Society of St. Paul's, Jericho; St. Vincent DePaul Society, Catholic Accountants Guild. At various times he had been treasurer for numerous community organizations including the old Business Men's Assoc.

He is survived by his wife, Helen nee Terlikowsky; sons, Joseph Jr., Patrick and Marjorie; daughter, Maria Coline; brothers, Magr. Marion J., William and

Joseph A. Reinhardt 39 years with bank

Marcel Reinhardt; and sister, Margaret.

He reposed at Henry J. Stock Funeral Home on Newbridge Rd., Hicksville.

22, at 8:15 p.m. in Shiloh Baptist Church, Rockville Centre, and the following day, Tuesday, Jan. 23, a women's prayer service will be held at 10 a.m. in the Church of the Ascension, Rockville Centre.

The concluding ecumenical service will be held at 8:15 p.m. in St. Agnes Cathedral on Wednesday, Jan. 24. A short prayer service will be followed by a panel discussion on the "Challenge of the Church to the Contemporary World" which is the theme of the week.

Bishop Kellenberg, in a letter to priests of the diocese, indicated that "prayers in common are certainly a very effective means of petitioning for the grace of unity, and they are a genuine expression of the ties which still bind Catholics to their separated brethren."

The Bishop pointed out that the Week of Prayer for Christian Unity is "particularly suitable for such common prayer."

"During this week, Christians everywhere make themselves aware of the need for prayer, study and cooperative ventures to foster reunion," the Bishop said, adding:

"It is my hope that in each community there will be at least one (or, to preserve reciprocity, two) Ecumenical Services that will properly accent the Week of Prayer for Christian Unity."

He explained that further

directions with regard to ecumenical services can be found in the Interim Directives for Ecumenical Activities.

The diocesan Commission for Ecumenism along with the Nassau and Suffolk County Councils of Churches also issued a statement urging and encouraging joint prayer services during the week.

Among some already planned are the ecumenical services where the Christian churches of Centerport, Huntington and Huntington Station will participate jointly in prayer services for Christian unity.

St. Patrick's Church in Huntington will hold the last prayer

Becomes Engaged

Barbara M. Wicks
The engagement of Barbara M. Wicks of Hicksville to Roger L. Formwalt has been announced by the future bride's parents, Mr. and Mrs. Richard A. Wicks. A June wedding is planned.
Miss Wicks is a graduate of Gordon College, Wenham, Mass. She is teaching in Hicksville Junior High. Mr. Formwalt, son of the Rev. and Mrs. Wesley Formwalt of Chadwick, Ill., is an alumnus of Wheaton College, Ill., and is now in his senior year at Gordon Divinity School, Wenham, Mass. (Loring Studios).

Dear Sheila:

Speedy recovery to GERTRUDE WETTERAUER, Dept. chairman of Social Studies at Hicksville Senior High, who suffered a fractured hip in a fall in her home. Active in community affairs, she was chairman of the highly successful Hicksville Tercentennial Program held in 1948 . . . WILLIAM BUCHMAN won in a close contest over JERRY TROTTA for the position of first vice president of the Ernest E. Franke Republican Club of Hicksville which now has 850 paid up members. County Clerk HAROLD MCCONNELL installed newly elected officers at the Old Country Manor on Jan. 12 . . . The Hicksville Exempt Firemen's Assn. holds a general meeting on Monday night, Jan. 22, at the Marie St. Headquarters . . . HARRY BORLEY announces a meeting the same evening at Lincks Restaurant, Centerport, of the LI Water Conference . . . Our Editor who started off the new year with a hospital stay thanks all those who conveyed their best wishes . . . JOHN C. BURDIS, director of Nassau County Planning Commission, will speak at the Hicksville Chamber of Commerce meeting at 12:30 PM on Tuesday, Jan. 30, at the Old Country Manor . . . Seems hard to believe, but four Hicksville elementary schools will celebrate their individual 15th anniversaries this month. Built at the same time when the district faced a tremendous influx of population, they are Fork Lane, Old Country Rd., Dutch Lane and Burs Ave. . . The Plainview-Old Bethpage School Board has decided not to fill the vacancy on the Board created by the death last month of Trustee IRVING GERBER. It will probably remain open until the annual election in May . . .

The League for Intelligent Financing of Education will hold a meeting at 8 PM on Monday, Jan. 22, at the Hicksville Public Library, according to President CHARLES FETTA . . . The Chinese Lunar New Year 4666, the year of the Monkey, will be celebrated Jan. 29 and 30 at the Mah Jong Restaurant in Syosset. There will be fireworks and a traditional dragon dance followed by an eight-course chinese banquet. For tickets call HAROLD CHIN at WE 8-6589. . . Believe it or not, but Hicksville Fire Dept. answered two grass fires this week. One was Wednesday night on Newbridge Rd. at Flower St. where some diesel fuel was apparently set ablaze. . . Far too many false alarms are causing those often heard blasts of the sirens. . .

Editorial Comment

The Fire Menace

The prolonged period of sub-freezing weather has been welcomed by youngsters who have neighborhood areas suitable for ice skating and other sports of the season. It has also produced a sharp increase in the number of fire alarms in private residences as heating systems seek to match the competition of dropping temperatures.

Fire in a residence at any time is a threat and danger to human safety and comfort. In this kind of weather becomes a multiple hazard as high winds fan the flames and freezing weather hampers the volunteers.

Already some of our neighbors have lost their dwellings, possessions and their lives to the menace of fire. Several mild winters have induced some to lower their guard against this peril.

It Is Budget Time

Our Boards of Educations are now grappling with the problem of preparing their budgets for the 1968-69 fiscal year which come up for voter decision in the month of May.

In addition to the complex task of providing all the services and facilities needed to educate children in the space age, the school trustees have their problems complicated by increasing costs and the requirements of changing times and conditions.

At this juncture, it appears appropriate that School Trustees would be advised to bend their efforts toward fully informing the voters of problems and situations confronting them. At the same time, the voters should demonstrate their interest and concern in the developing situation in their community.

(Note..This is a letter from a G.I. to this Columnist from Viet Nam, the only thing left out is the name and organization.)

Dear Jimbo,
I have finally arrived in Viet-Nam and it doesn't help much as the day is one of those that makes you feel way down in the dumps, its the kind of day you used to talk about when you were in the service..rain, hot and cloudy. Do you remember when I said to you that I didn't want to get taken into the service and that we should stay away from a place like Viet-Nam? Well...I wanted to finish College and become a Teacher. After I went in I did what I was told for many weeks, I checked those demonstrators, Hippies and loyal American for all it was worth. I figured that my Country took something away from me. I figured Jim, that they placed me some place where I shouldn't be and helped hold me back from what I wanted to be. I didn't even think badly about the Draft-Card burners. There was only one instance where I felt a sort of twinge...when they burned the American Flag.

This letter is written after several weeks old friend, and I guess I can call myself a "Veteran" or "Old-Timers". I killed my first "Cong" the other day...I'm sick. I'm sick because I had to take a life...it was him or me. You taught me well when you said "...it is not your place to die for your country, its your place to see that the enemy dies for his." Thanks a lot for I haven't forgotten it. I can say this...I am no longer sorry that I am here in this place. I may

have a lot of praying to do for taking a life, but in this war...its them or me. After seeing this place...they need us here. I am afraid as much as the next guy, and I pray that I will get home o.k. but now I see things in a different light. The flag burners, card burners, Hippies and Demonstrators are way out. Perhaps if guys like you Jimbo and the other millions in World War II or Korea figured the way they do...I no doubt would not be here in Viet Nam but perhaps in a camp wearing a Nazi insignia. I know what you feel as shells fall around you.

You said that you could not control yourself. I see Medics here walk out under shell fire and sniper bullets. These poor joes havent any protection at all. We lost a lot of men since Viet Nam started but in a clipping sent to me from a paper back in

the states...112,000 died last year in auto accidents. Wouldn't it be funny to see the Hippies and all the rest marching around Ford or G.M. telling them to stop making cars? Thanks for the clipping from the Mid Island Herald and also your column...the boys from my outfit get a kick out of it. Thats all for now Jim, just tell those who are with us to keep up the good work and if they want to do some real good..send over a Battalion of Draft Card Burners, Hippies etc. if the Cong gets a look at them...the enemy will no doubt sue for peace without conditions.

Brownie Troop Holds Investiture

On Dec. 21st, Brownie Troop 116, under the leadership of Mrs. Schoenicker and Mrs. Conrad, held their Investiture ceremony, at which ten brand new Brownies were pinned. One by one, they solemnly promised to help other people every day, especially those at home, gave the Brownie hand shake, and were pinned by the leaders.

During the Christmas vacation, the troop took advantage of an opportunity to see "Thoroughly Modern Millie," at a special rate reserved for Girl Scouts of every level.

Pageantry in Brass

By The St. Ignatius Girls Cadet Corps

There is something intriguing about the beginning of a new year. Annual reports are compiled and then stacked away. Disc Jockeys play last year's songs as though they would never be heard again and you can hear the people say what a good year it was.

At first glance it would seem a time of sadness but - if one looks closely it can be seen that it is a time of joy, almost a rebirth, because this year can and will be better for the slate is clean and we, in a sense begin anew. Hopefully we have learned from our previous mistakes and our plans for the present year are so new they appear just about perfect.

In Drum Corps it is a time to learn new music and a new drill, but that's not all, it's a time to meet new people, the girls from our second Corps, who are just beginning to taste the newness of nine part harmony and the intricate drill maneuvers, along with the art of working together as a team. This annual influx of new girls gives the veterans something to look forward to also. The music and drill, although different in sound and difficulty, are challenging; but the biggest thrill is to watch and help a new girl as she gets her first squad movement done without braiding her legs or losing track of left and right.

All of us have big plans for '68. Soon the new girls will be ready to step into line and we will all share the coming season with the knowledge that together we can shape a winning Corps in '68.

Ten Pin Talk

By Henry Dockswell

Irv Simes and his "Spoilers" just stayed within range of the last Place "Terrors" by the skin of their teeth. Irv cracked a 210 in the first game to clinch that one and then Jerry Leight, with a 211, and Sol Belodoff, with a great 209, clinched the second game. But they lost the third game and that may be the one that hurt. For the "Terrors" lost their series 8-3 and whereas now the "Terrors" lead the "Spoilers" by 10 1/2 points, if the "Spoilers" had taken that third game the lead would have been cut to 7 1/2 points and not necessitated a sweep next week when the two meet on Position Night.

Sy Bruckner came up with a beauty. He and his "Murder, Inc." team were playing Sid Sachs' "Molars" and they had split the first two games. But Sy was taking no chances. He took charge, grooved a beautiful 243, insured an 8-3 victory and brought his "Murder, Inc." up to 4th Place where next week they will fight Gittelman's 3rd Place "Guzzlers" for a trophy spot.

Norm Ney was the big man of the night, and he was almost the big man of the year. He plastered the pins to the tune of a 254, just two pins shy of Bill Kellerman's Hi Game of 256. Norm and his "Abnorms" were bowling Brody's "Charley Browns" and when Marty Levine threw a 200 and Horace Bernstein got a 204 it looked bad for the "Abnorms," but then Norm showed them how to really be abnormal with his crazy display and they won 8-3 as Burt Benjamin helped out with a 226.

Nat Warren, King of the "Weepers," had a good reason to shed tears this time. He opened with a 208 but the "Weepers" couldn't catch fire. Then when Al Grusha, of Ceyers' "Lions," fired a 200 it was all over for the "Weepers" who bit the dust 11-0.

Suddenly, almost every one's hair stood up (not mine) as we heard the loud speaker boom out, "For the BCA, Sid Simeon, with a 248." And it was a lucky thing for Sid's team that he got a big one, for it was the only game they won from Gittelman's "Guzzlers." But it was good for 5 points and 5th place.

Two others cracked the Magic Circle and they were a potent combination. Hal "Doc" Goldenberg and Stan Brizel teamed up to lead "Doc's Ducks" to an 11-0 shut out win over Gerry Reichgott's nameless ones. Doc curved a 202 and Stan threw a 215. Guess the nameless ones just didn't have it.

We come now to the end of the First Half, so come down and watch the fireworks as the "Spoilers" try to frighten the "Terrors" out of 1st Place.

FOR THE WOMAN WHO HAS EVERYTHING

except the proper hair color

by Jerry

Past the age of 35 a woman should tend to lighten her hair rather than making it darker. Visualize a dark frame on a picture - the picture now becomes the center of attraction. If a light frame is put on the same picture - the eye moves away from the center of attraction as though there were no frame and nothing to attract. When the face develops flaws such as a change of shape, the cheeks filling out, the eyes not as clear, the eyesocket swelling, a competent hair colorist will try to minimize them.

Skin tone and color change minutely with the passing of time. The so called peaches and cream" complexion will lose elasticity and color tone. The color becomes deeper with age. All the above are definite signs of aging. Now I will tell you how each can be solved.

Not everyone can be a blond but there are different tones of ash and beige and light brown with or without red - that can help you. Red is not for the sallow person. Any color without red that is basically lighter than your own natural color will help immensely in not framing the face. Nature brings on gray hair as a natural state. This also helps in not accentuating the facial problems but unfortunately, in our society, gray, white, salt and pepper, are strong signs of age.

To sum it up - the old adage "To grow old gracefully" and the new one - "to fight it all the way" leave the choice up to you.

Fire Board Reorganizes

William Simpson was elected chairman of the Jericho Board of Fire Commissioners at its reorganization meeting on Jan. 6. Also elected were James Conte, secretary; Robert Meyers, treasurer and Arthur Kaye, attorney.

County Executive Appoints Kaplan

County Executive Eugene H. Nickerson this week appointed Allen Kaplan, 42-year-old Jericho attorney, to the Nassau County Bridge Authority replacing John J. Nigro whose term expired on Dec. 31.

Kaplan attended City College and Syracuse University and earned his L.L.B. at St. John's University School of Law. His term will expire in 1971. He is

a member of both the American and Nassau County Bar Associations.

During World War II Kaplan served in the European Theatre in the Infantry, where he received a battle commission. He was discharged in 1946 and has been a practicing attorney since 1948.

His appointment is subject to approval by the Nassau County Board of Supervisors.

Ties Youth Crime to Idleness

Oyster Bay Town Supervisor Michael N. Pettio has called for a state-wide educational project to stem the tide of increasing drug abuse by youths, particularly in the suburban areas, and he pointed to the concept of Community Centers as a valuable weapon in the growing battle against juvenile crime.

Speaking at a "Crime in The Suburbs" Conference called by Senator Robert F. Kennedy and held in the Nassau Police Auditorium in Mineola on Jan. 11 Pettio pointed to statistics showing a rising rate of youth crime nationally and stated that the crime rate was directly connected with a lack of recreational and social activities for young people. He strongly urged government officials to support the concept of Community Centers as a means of preventing juvenile misbehavior by providing young people with meaningful activities and opening new avenues of communication between youth and adults.

Pettio said that one of the chief causes of youth crime in the suburbs is a lack of dialogue between youngsters and their parents. "There's no other way to explain drug abuse, car thefts and burglaries among youths who come from generally affluent families," he added. He unveiled F-B-I statistics showing a Crime Rate of over 1500 crimes per 100,000 residents in the nation's suburbs. He compared it with other figures showing a rate of 3200 crimes for the same

amount of residents in New York Metropolitan region. "When you realize that we are gaining on the big-city crime rate, a thorough study of all methods of fighting crime is in order," Pettio stated.

The Oyster Bay Supervisor also said that while Nassau County had taken major steps to combat drug abuse by its youth, the incidence of narcotics use in the county is on the rise. He stressed the dangers of L-5-D and other hallucinogenic drugs which have been used increasingly by high school and college students across the nation in the last year. "A portion of the general public looks upon the use of these drugs as a relatively harmless exercise in experimentation by today's youth," Pettio stated, "and it is for this very reason that this condition is as volatile and hazardous as it is."

Pettio also called for massive research projects to determine the effects of the newer drugs on persons of different ages and backgrounds. He said this could be effectively linked with an expanded education program which would include all school systems of New York State. In conclusion, the Supervisor said that coordinated programs linking educators and civic leaders in the fight to provide wholesome activities for our youth will eventually be the weapons that will stem the rising crime rate not only in suburbia, but in the larger urban areas of the state as well.

Winter Concert At Jericho High

The Band will highlight selections from Leonard Bernstein's score for West Side Story.

The Chorus will sing a J.S. Bach motet as well as several popular selections. Tickets will be on sale at the door for 50 cents. Students will be admitted on presentation of a G.O. card.

Support for Review Board

Large numbers of legislators have indicated enthusiastic support for a bill re-introduced by State Senator John D. Caemmerer and Assemblyman George Farrell, Jr. establishing a seven-man board empowered to review any order of decision of the Commissioner of Education.

When originally submitted to the Legislature last year, the bill died in Committee. Citing the critical need for the board, Senator Caemmerer stated that "a procedure is urgently required which subjects the Education Commissioner to the same court review which regulates all other public officials of the State of New York, including the Governor. It is far too dangerous for any public official, to have the absolute power to make decisions outside the jurisdiction of our democratic court system."

Although the Farrell-Caemmerer bill has just been submitted to the 1968 Legislature, already 27 sponsors have been lined up in the Senate, and 82 have indicated their support in the Assembly. This is sufficient strength to pass the bill if and when it is discharged from Committee.

Pointing to the unprecedented sweep of binding power which the Commissioner of Education now possesses, Caemmerer said that, under Section 310 of the present Education Law "when the Commissioner is appealed to by any person conceiving himself aggrieved, the decision rendered by the Commissioner is final and conclusive, and not subject to question or review in any place or court whatever! The present law effectively by-passes the scope of review historically entrusted to the courts."

It has been stated in recent court decisions that the legislature has endowed the commissioner with all but absolute power to make public policy and administrative decisions in the field of education and that the courts are powerless to evaluate the sociological, psychological and educational assumptions relied on by the commissioner.

Baseball Association Teams Organizing

The Hicksville Baseball Association wishes to thank the MID ISLAND HERALD for sending a sample copy of their fine newspaper to all its members.

All the Little League, Pony and Colt team standings will be published weekly during the coming season, to keep you up to date as to how your team is doing. We will also keep you informed about other H.B.A. events as they occur.

We have a piece of news today for all the boys in the H.B.A. This year we will have the awards presentation and a dinner at Huntington Town House, Thursday Sept. 12, 7 P.M. to 11 P.M. The winning teams will get a FREE full course roast beef dinner. For the other boys in the league it will only cost \$2.00 and adults \$3.00. We will also have some prominent personality and big leaguer as guest speakers.

Meanwhile although it's freezing cold and there's snow around we need time to get the teams organized. We will be having tryouts for the Major, Minor A and B Leagues in March and if you want a chance to try out and get on a team you must register early. A lot of boys were disappointed last year when they were dropped down and didn't get to try out for the Majors or Minor A's because they registered late. Starting with this registration all the Directors and Managers will get to work forming teams, setting up tryout dates and getting post cards ready to send out, so it's up to you to register early.

Get Mom or Dad to mail out the registration forms below - you will find in this paper and that is all there is to it.

Send your form and check to: Mr. Charles Cook; 16 Washington St; Hicksville, 11801 (Phone: OV-1-0988) or to: Mr. Alfred Hartman; 2 Summer Lane; Hicksville, 11801. (Phone: PY-6-8576)

To Show Fellini Film at Library

The Hicksville Public Library will show one of Federico Fellini's films, "Juliet of the Spirits" on Thursday, Jan. 25th at 8:30 P.M. It has an excellent cast with Giulietta Masina, Mario Pisu, Sandra Milo among others.

During production Fellini remarked, "The cinema is the unique and perfect tool to explore with precision the inner landscapes of the human being. I've always wanted to do a tale born entirely of the imagination. This should be it."

The film has Italian dialogue and English sub-titles. It is of recent production, having been made in 1965.

20 Percent Increase In First Class Postage

Postmaster Ralph Cascardo reminds mailers that new higher postage rates became effective Jan. 7th, including the 6-cent-a-ounce charge for first-class letters.

Other rates effective Jan. 7th, he noted, are: 10 cents an ounce for air mail, 5 cents each for postal cards, and 8 cents each for air postal cards.

"When you consider that 6 cents will carry a first-class letter addressed to any one of 200 million persons in 50 states, as well as letters addressed to any of 63 million persons in Mexico and Canada," he added, "this still remains as one of the biggest bargains on earth."

The 20 per cent raise in first-class letter rates, effective Jan. 7th, is a smaller percentage raise than that imposed on other types of mail.

He pointed out that there has been a 24 per cent raise in the rates for mailing newspapers and magazines and a 34 per cent hike in the charges for advertising circulars, "occupant" mail and other bulk third-class mail items.

The new rate provisions also establish important rate changes for heavier first-class mail pieces, Mr. Cascardo explained.

If the first-class mail piece weighs more than 13 ounces, it will go automatically by the fastest transportation available - meaning air service usually.

"Heavier first-class pieces, above 13 ounces, will be merged with air parcel post under a single rate schedule," he said, "and all air mail about 7 ounces also will be subject to the air parcel post rate schedule."

The postmaster assured local residents plenty of one-cent stamps are on hand for use with any existing stocks of 5-cent stamps they may have on hand.

There are also adequate supplies of 6-cent stamps to meet the new first-class letter rate available at the post office, he said.

The higher rates become effective Jan. 7th also for other categories of mail used primarily by large volume mailers. These include bulk third-class advertising mail rates, special rates for books, films and records.

The post office is working closely with commercial mailers to provide them with every possible assistance in complying with the technical provisions of these rate changes, Mr. Cascardo noted.
