As County Planners See Happy  
Ending for West Side Story:

# Overall 'Theme' Park and Ride

WEST SIDE OF BWAY, Hicksville, is barren of buildings from the LIRR south to Old Country Rd. with the exception of the LI National Bank Bldg. Contractor has prohibited parking along most of the east side of Broadway with temporary signs hung on parking meters. This was the view yesterday (Wed) morning from Mar 16 St. corner, looking north. (GERALD photo.)

The Director of the Nassau County Planning Commission has taken issue with recent published reports that plans have been shelved for the development of Hicksville as a major transportation hub.

John Callbreath Burdis, speaking to the Hicksville Chamber of Commerce on Jan. 30, said that the Planning Commission is working now and never has dropped its Development Plan for the area.

"Quite obviously," said Burdis, "Hicksville is going to be a transportation center and quite obviously it is ideal for offices, commercial facilities and residential. The Mid Island and Sears shopping centers will continue to be major draws and business on the fringe will have to become specialty- and neighborhood-oriented, along with appropriate linkages.

In replying to press criticism, Burdis said that "the plan as it is evolving, in conjunction with the Metropolitan Commuter Transit Authority, is giving consideration to these three major uses and is tying them together with a workable street pattern, an adequate park and ride program, into an overall theme for the area. Theme is the planners' term for general architectural treatment of a redeveloped area.

"The Development Plan will return the Hicksville Business District to its rightful place as a Nassau County leader in economic structure and tax base," stated Burdis.

He added that without a revised zoning code "a development plan was doomed to remain a paper plan." The planning director suggested that community leaders look to model codes which grant bonuses to persons who assemble the land. For example, he pointed to New York City's new "three-dimensional" code which permits buildings to go to added heights if open space is provided at ground level. Zoning advantages also accrue to builders who provide a legitimate theater in new Manhattan buildings.

Burdis further said that contemplated improvements by the Long Island Rail Road in the Hicksville area will enhance its desirability as a transportation center. Travel time from Hicksville to Pennsylvania Station in New York City will be reduced to less than 25 minutes, he said.

"Self-renewal can take place without the cumbersome and time-consuming process of urban renewal, a program which gives a community two years to get out of town," stated Burdis.

Critics of the Hicksville project have charged unusual delays in implementing redevelopment.

## Gunned Down In Own Home

Two gun men in their early 20s were the object of a wide-spread search by police in the fatal shooting of J. Kenneth Rondeau of 106 Nevada St., Hicksville, Friday night. They killed him when he tried to telephone the police, it was reported.

Rondeau, who was with the LI National Bank of Hicksville in various managerial capacities for 13 years, was appointed manager of the Bank of Smithtown's Hauppauge office. It was announced in October. His age was given as 50. He was active in Hicksville community affairs.

His funeral was held yesterday (Wed) at St. Paul the Apostle Church in Jericho with burial at LI National Cemetery, Pinelawn. His wife, Janice, and their two children, Carole, 20 and Paul, 11, were in a nearby bedroom when Rondeau was shot. He is also survived by his father, John, a twin sister, Mrs. Margaret Freneya, and two other sisters, Mrs. Dorothy Peikay and Mrs. Kathryn Mancuso.

Shot to death

Police broadcast a 17-state alarm for two suspects described as one white and the other Negro, both of medium build about five foot, seven inches and 150 pounds. The motive for the invasion of the Rondeau home and the killing was not known.

## Pageantry in Brass

By The St. Ignatius Girls Cadet Corps

Congratulations!! To our Horn Section - the girls won first place in a recent individual competition, also our Drum quartet who scored very well in spite of a handicap.

Marching and maneuvering competition and individual competition are both a part of Drum Corps, yet there is a big difference between them. In marching and maneuvering, the individual is important but he or she is one of many and his individuality is lost to the observing crowd. At an individual Contest you're not that lucky - if you should drop a stick or play a wrong note you're heard.

It's amazing, when you think of it, that one could possibly cause everyone else to lose control by just one mistake. First of all it isn't easy to stop stage fright if all goes as it should but it's harder when your stick goes bouncing across the stage and you wait forever to get it back.

This is the kind of self-discipline that makes it possible to have a close knit team on the marching and maneuvering field when sixty people are depending on you. But more important it is the kind of self-discipline which can contribute so much to all areas of society where everyone is dependent upon his neighbor.

We are sponsoring a cake sale Sunday, February 11, 1968 between 7:00 A.M. and 1:00 P.M. in the St. Ignatius School Cafeteria. Proceeds will go toward buying new flags for the Corps.

## Boy Scout Week

The 39,992 Cub Scouts, Explorers, and adult volunteer leaders of the Nassau County Council, Boy Scouts of America, today begin observance of Boy Scout Week, the 58th anniversary of Scouting.

The anniversary theme is "Scouting rounds a guy out" demonstrating that Scouting challenges a boy's mind and muscle and gives him an opportunity to develop self-confidence.

The observance this year recognizes leaders of the community in government, business, education, and civic organizations who were once Boy Scouts.

In recognition of the anniversary, some merchants have given Cub Scouts, Boy Scouts, and Explorers the use of store windows and space in shopping centers for displays of handicraft and to demonstrate the skills they acquire in Scouting.

Boy Scout Week also will be recognized in school assemblies through flag ceremonies, acts and stunts by Cub Scouts, exhibits by Scoutcraft by Boy Scouts, demonstrations of Scouting skills and talks by all Scouts.

The Mid Island Senior Citizens will attend the showing of "Gone With the Wind" at Syosset Theatre on Feb. 19.

Either baked or boiled potatoes provide generous amounts of vitamin C as well as iron and vitamin B.

Fresh milk is seventh in food store sales, totaling \$2 billion or 3.15 per cent of total food store volume.

## All Around Town

The Sisterhood of Midway Jewish Center, 330 South Oyster Bay Road, Syosset announces that their next meeting will be held on Thursday evening, Feb. 15th at 8:30 p.m. At that time a most unusual guest speaker will be presented. She is Mrs. Annette Rubin, an astrologer, who will speak on "Astrology in Relation to Judaism and the Modern World."

## NYSTA President Urges Teacher Effort

CATHARINE O'C. BARRETT, left, addressing members of Hicksville faculty at the high school cafeteria on Monday, Feb. 5. At right she confers with Jerry Irwin, president of Hicksville Classroom Teachers Assoc., and Bob Boyard, right, New York State Teachers Assoc. Legal Counsel, prior to the meeting. (Gerald photos).

Mrs. Catharine O. C. Barrett, president of the New York State Teachers Assoc., came from Syracuse to speak to the Hicksville teachers at a meeting sponsored by the Classroom Teachers Assn on Monday. Her visit was one of a series of appearances around the state.

Mrs. Barrett had been elected head of the State Assn from the floor at a recent meeting of the teachers of the State.

She reported that NYSTA has recently extended its assistance

to teachers with an office in Jericho, a field staff of 17, expanded legal assistance.

"Teachers as never before" she declared "share a heavy responsibility and magnificent opportunity to prove to themselves and the public at large that they are capable of exercising the rights guaranteed to us under the Taylor Law."

She reported upon teacher efforts in an election in Syracuse which was won by STA by a margin of three to one "working

day and night until the last vote was cast." She declared that the teacher himself is the best spokesman for the teacher in obvious reply to the Union efforts to represent the teachers in negotiation with Boards of Education.

An election to determine the bargaining representative will be held in Hicksville Schools on Feb. 14 by order of the Public Employment Relations Board, under the Taylor Law.

Jerry Irwin, president of the HCTA, on Monday took exception to the distribution of prepared questions by the Union for Mrs. Barrett's appearance. He referred to "literature which was so rudely passed out." He described the Union's activity as "unethical."

Referring to the vote in Syracuse, Mrs. Barrett said there were 1600 teachers in the system and the STA won 1023 to 370. An estimated 300 teachers attended the session on Monday afternoon in the high school.

## Boy Scouts Observe Week

In Boy Scout District Three, which covers Hicksville, Island Trees, Levittown, Bethpage, Old Bethpage and Plainview, among other neighboring areas, there has been much planning for this week, which is National Boy Scout Week. From today through Feb. 13th there will be many local Boy Scout Week window displays, the space for which is being donated by community-minded merchants and business men in the areas, to help celebrate the 58th anniversary of this fine organization. These, together with a full week's program of Blue and Gold banquets, Father and Son dinners, Scout Sabbath and Sunday services and uniform days and open houses, will help more people than ever before to know the Scouting Program.

Then, on Saturday, March 16th

at the Hicksville Junior High School, from 9 a.m. until 4 p.m. a Cub Leaders' Powwow is scheduled. There will be instructions in "Pack Administration, crafts, skits, puppets, ceremonies and games." It is suggested that at least four people from each Cub Pack plan to attend. The fee will be \$3.00 per person, which will include materials, a Blue and Gold banquet and other items involved in the day's programs.

District Three officers are the Hon. Willis B. Carman, chairman, (CH 9-0190); Henry Rockhill, commissioner (WE 5-3991); Karl Lerz, Executive (781-1893); Michael Morgenstern, Executive (822-1869); Peter Nelson, Executive, (264-0328); Nancy Helgesen, secretary, (746-8282); Eileen Doyle, registrar, (736-8282).

## Parish Sponsors Lenten Series

The Adult School of Religion of Our Lady of Mercy Parish in Hicksville, will offer a Lenten Series of Lectures on "Christ—The Fulfillment of the Promise." The talks, to be given by Rev. William Ayres of St. Joseph's Church, Babylon, and Rev. Patrick Young of St. Pius X

Seminary, Uniondale, will be held on four consecutive Tuesdays, March 5, 12, 19 and 26, at 8:45 p.m. in Our Lady of Mercy School Auditorium. The talks will center on the story of the Paschal Mystery from Abraham and the Covenant in the Old Testament, through the time of the Exodus, to the New Covenant—Christ, His Passion, Death and Resurrection. There will be time allotted after each talk for questions and answers and general discussion.

## LIFE to Oppose Incumbent Trustees

The League for Intelligent Financing of Education in Hicksville (LIFE), according to President Charles Fetta of 60 Smith St., has as one of its aims "to offer opposition to Mr. Goldberg and Mrs. Silver, school board trustees" whose terms expire this year. The election will be held in May.

Fetta in a statement to the HERALD declares his organization is non-profit and non-partisan with the following objective:

"To contribute to the progress of the family and the community, as well as the school, through the intelligent financing of education in Hicksville. This is to be accomplished by striving for totals that reflect the true majority opinion while the minority opinion is to be accounted for and respected. It is to be noted that each area (family, school and community) is an integral part of our society and a proper balance is absolutely essential. At no time shall any of these areas be neglected, added to, or subtracted from, unless careful consideration is given whereby this delicate balance is not disturbed."

At the last meeting of the Board of Education Fetta inquired as to the procedure for adding additional questions to the ballot for the annual May election meeting besides the vote on trustees and the school and library trustees whose terms expire. His question was referred to School Attorney Joseph Catalano.

Personal registration will be held in the School Auditorium on South Oyster Bay Rd., on Tuesday evening, Feb. 20 and 27 and Wednesday, Feb. 21, 7:30-8:30 p.m., according to Rev. Godfrey H. Stanuch, Moderator of the Parish Fraternity of Christian Doctrine which is sponsoring the series. A family registration fee of \$2 will include all adult members of a family (children of high school age and above welcome). Applications for registration may be forwarded to Mrs. Robert Egan, Registrar, at OLM Parish office, 90 Froehlich Farm Rd., Hicksville.

The series offering is available to all adult parishioners, members of neighboring parishes and members of the community, regardless of religious affiliation, according to Mrs. Victor M. LaLeggio, Coordinator of the Adult School of Religion.

## Invite Camera Buffs

"OUT OF THE FOXHOLE"... The other day I conducted a Question and Answer approach to people that I had never met and many ex-servicemen... here was the Question: What has happened to this great country of ours today? From Ex-Sgt. George Widemann, Northport, "I believe that our Laws have broken down. When the Death penalty was done away with, it gave many persons a chance to take life or death into their own hands. Love of God and Country had fallen by the wayside. Mrs. Viola DeCastilla, Seiden, L.I. I had three brothers who fought in World War II and if they had tried to do what is being done today, I'm afraid they would still be in Leavenworth. Freedom is becoming obvious to the point where large groups can take narcotics in the open, stage riots and destroy what has taken years to build... and then call what they had done as Freedom, William Lindquist, New York City.

"The United States is walking down the path towards. The Last Days of Pompeii. A power much greater than ours destroyed that city of evil, crime etc. what do we read when we pick up newspapers today. # Town Investigates Land Near Exway for Parks

Councilman Edmund A. Ocker, Chairman of the Town Board's Standing Committee on Recreation and Parks, has directed the Superintendent of Parks to investigate the feasibility of utilizing available land bordering the Wantagh-Oyster Bay Expressway for park purposes. This state-owned litter-strewn property is being offered to governmental agencies by the New York State Office of General Services. Ocker instructed Gerard Trotta to explore the possibilities that such available acreage sons wants to do certain things that's his privilege. Ain't this a free country. Mister... you are real way out when you ask me that question. What's wrong with a little "Pot" now and then. COLUMBIST NOTE: With that remark I replied nothing... that is if the Pot was around your

as a 4.7-acre site east of Elizabeth Drive in Plainedge is under the jurisdiction of the Town of Oyster Bay and can be converted to general park purposes.

"With the high cost of land, especially in the Plainedge area, this might be an opportunity for the Town to obtain park land at a great savings to the taxpayers," said Ocker. "We have always been interested in developing recreation facilities in the Plainedge area and have been stymied by the high cost of available acreage."

preserving our land, lets not stand by and see a group or groups of fanatics tear it apart. One way that we can help our country is to JOIN our VETERANS organization and fight for what is good and just in a proper manner. This by the grace of God.

Ocker also said that he instructed Trotta to check all the sites bordering the Wantagh-Oyster Bay Expressway including a 3.5-acre parcel around Doane Drive and Snarlington Lane, Locust Grove, and report to the Town Board for future action.

"If we discover that this land is suitable for our needs we will promptly request the state to deed the acreage to the Town of Oyster Bay for development for park and recreation purposes," concluded Ocker.

Lately, we've been talking to you about how valuable your phone is, and how little it costs to have one in your home; less than a quarter a day.

We've also been talking about how you get more for your money than ever. For instance, 40% of the New York State calls you paid long distance charges for ten years ago are now local calls.

And now there's more to tell. We've cut the one-time charge for color phones in half, from \$10 to \$5. And we're offering Home Econ-O-Call service, a new bargain plan that can save you money on calls within New York State.

\*That's for a three-minute, station-to-station call anywhere in the U.S. (except Alaska and Hawaii); plus tax.

Besides all that, you get low night rates on interstate calls an hour earlier, at 7 p.m. And all weekend long till 7 a.m. Monday - 60 straight hours. And evening rates on interstate calls begin an hour earlier, at 5 p.m. There's also a special midnight-to-7 a.m. rate every night; you can call anywhere in the country for 75¢ or less, if you dial the call yourself.\*

When you can talk about bargains like these while just about everything else seems to be going up, that's not bad. If talk is cheap, blame it on the phone company.

William M. Gouse, Jr.  
Post No. 3211  
by Eddie Klebing

MEMBERS TAKE NOTE: This coming Monday evening there will be an association meeting immediately after the regular post meeting. All members who can attend are requested to do so.

CALENDAR CHANGE: Last week we indicated February 14th as our visitation date to Northport V.A. Hospital. That was incorrect and the right date is February 21st. Post members interested in driving ladies of the auxiliary to the hospital that evening should contact the commander at Wells 8-3463 for the time and place.

CONGRATULATIONS AND THANKS are in order to Voice of Democracy contest chairman Frank Aug, his committee, Pat Williams and members of the ladies auxiliary and girls unit for the splendid job done on our annual V.O.D. Awards night. The turnout was a good one with those attending ignoring the rainy night to show their gratitude to the contest winners. Among the special guests that evening were: Commander William Ward, Nassau County Council commander; NCC Voice of Democracy chairman, Alfonso Villari and County President, Ladies Auxiliary to NCC, VFW, Mrs. Margaret Taylor. The winners were in good oratorical form as they recited their winning scripts. The Hicksville Veterans of Foreign Wars thanks all those students who took out the time from their studies to participate in the program and by doing so displayed a good showing to patriotism.

FINAL REMINDER: Next Saturday evening is our annual dinner and dance. This year we are holding it close to home with the Old Country Manor in Hicksville as our arena for fun. If you planned on coming - but haven't contacted us yet - the time to do so is right now. Call Mike Znach We-1-3689 for tickets and reservations. Tomorrow may be too late.

## Ten Pin Talk

By Henry Dockswell

Before we get into the doings of this past Monday night we must report some significant news.

About 2 months ago on a Saturday in early December, five of our team captains in our BCA league got together and entered, as a team in the 8th Annual L.I. Press Nassau BPA Team Hóop. Championships which were held this year at the Woodbury Lanes. They were: Herb Brody, Leo Geyer, Hal Goldenberg, Norm Noy and Sid Sachs.

They did pretty well and they felt that they might win some of the prize money. Well, the standings came out this week. They finished 7th in a field of 46, they were only 72 pins away from 1st place and they won a handsome \$50 a man. We've got some pretty good captains, wouldn't you say?

The star of last week's show changed his tactics. Last time out Robble Goldstein got that tremendous 279 so this week he decided to spread it out a little more, he threw a 202 and a 212. But he and his "Robbers" were overwhelmed. Gerry Reichgott curbed a 206, Harry Seitzman bombed a 219 and Fred Switzman pirouetted his way to a 212 to account for an 8-3 victory over the "Robbers".

Irving Simes' "Spoilers" and Murray Gittelman's "Guzzlers", fought a close one. Irv cracked a 211 but Murray came back with a 201. Milt Goldberg backed him up with a 205 and the "Guzzlers" squeaked out a 6-5 win.

Herb Brody's "Charley Browns" are now in 1st place. They were in 2nd but with Horace Bernstein leading the way with a 227 they shut out Sy Bruckner's "Murder, Inc. 11-0 to take over the top spot.

In 2nd place this week we find Bill Kellerman and his "Buffalos". They were in 7th but they got quite a boost this week as they shut out Sid Sachs and his decaying "Molars". Merv Kahn arrived in time to bowl a 204 for the "molars" in the last game but it didn't help, the Buffalos were too strong.

The following names have to be mentioned or else they'll cut my throat: Les Goldstein 212, Monroe Hyman 210, Norm Noy 203, Sid Simon 203, Al Minoff 203, Nat Warren 202 and Lou Trucell 201.

## Educators Lead Alumni Conference

David Nydick and Dr. Thomas F. Carey, Assistant Superintendent and Superintendent of Jericho Schools, served as chairman and co-chairman, respectively, of the 1968 Annual Education Alumni Conference of the New York University School of Education. The event was held Feb. 3, at the University's Loeb Student Center. It was attended by more than 600. Dr. W. Gabriel Carras was faculty co-chairman.

The theme of the Conference was "The Urban Dilemma in Education: Implication for Metropolitan Areas." Drs. Carl L. Marberger, Commissioner of the New Jersey Dept. of Education, and Dr. Daniel E. Griffiths, Dean of the N.Y.U. School of Education, gave the major addresses. These were followed by departmental seminars. Among the topics explored in those meetings were: Administration and Supervision, Behavioral Sciences, Business Education, Early Childhood and Elementary Education, English and Speech, Home Economics, Rehabilitation Education, and Vocational Education. Mr. Nydick introduced Drs. Marberger and Griffiths.

Following luncheon there was an Awards Program at which Dr. Carey presided. This event was featured by the presentation of the Ernest O. Melby Award. Dr. Michael B. Gilligan, retired President of Jersey City State College was the recipient of the 1968 Award by the N.Y.U. School of Education Alumni Association.

The presentation was made by Dr. Samuel H. Wyatt, President of the Education Alumni Assoc. and Dean Griffiths.

## UJA Drive Opens At Dinner Feb. 17

By Henry Dockswell

The Jericho Chapter of the United Jewish Appeal will hold its annual Cocktail and Buffet Dinner Dance at the Jericho Jewish Center, Saturday Feb. 17.

This year, the Dinner will actually be a dinner. In the past sandwiches were served, but not this time. We understand there will be hot hors d'oeuvres, champagne, liquor, steaming plates of hot chicken, a good live band to dance to and all for only \$5 a person.

The Cocktail hour will start at 8:30 P.M. and the Buffet at 9:30 P.M.

The guest of honor, Marvin Kahn has been a member of our community for 19 years and his never ending devotion to every person and cause makes him a fitting guest of honor. His outstanding leadership as chairman of the UJA drives for the past three years has earned him this honor and Jericho now has a chance to join in a public demonstration to return some of the warmth he has so often generated.

It is important to note that you are not obligated, ever, to duplicate your donation to the UJA in any one year. You can give again and again but once you have given in any calendar year you can declare that gift at any UJA function and show the world that you gave helped.

If you haven't already done so, mail in your reservation blank now.
