Vote Mar. 18 on Sale Of Fire Dist. Land

The Board of Fire Commissioners has called a special vote of the fire district for Monday night, Mar. 18, at the E. Marie St. Firehouse to vote on the sale of an irregular piece of property on Newbridge Rd. which had been acquired some years ago for a sub-firestation.

Voters will be asked to approve a resolution allowing sale of the land at a price of not less than \$15,000. Voting hours will be 7 PM to 10 PM, according to Medard O'Enloch, chairman of the board of fire commissioners.

Meanwhile, the Hicksville School Board is preparing to advertise for bids for the abandoned Nicholas St. School and about an acre of property preparatory for a public vote in May on disposal of the structure.

LI National Bank Earnings Increase

Earnings of the Long Island National Bank of Hicksville rose to \$2.05 per share up from \$1.70 a year ago, it was reported at the shareholders meeting of the bank held on Feb. 8 at the new Main banking office.

The shareholders approved a three-year stock dividend program submitted by the management. Many shareholders present complimented the management upon the new building at Broadway and John St., and the "manner in which the affairs of the bank were conducted during the past year."

Everyone is invited to attend. The club has set May 29th for its annual cocktail party also to be held at Old Country Manor. Dominic Palladino has been named chairman for this fund raising affair. Contact him early for reservations.

PSC Authorizes Additional Route

The State Public Service Commission has granted Hempstead Bus Co., a temporary certificate of public convenience and necessity for the operation of an extension of a route in Hicksville. The extension is along Old Country Rd., and Charlotte Ave., and Duffy Ave., to provide transportation between the RR station and an industrial park.

359,023 in favor and 1,188 against the following directors were elected to serve until the annual meeting in 1969: Charles R. Carroll, James C. Dinkelacker, Norman C. Godfrey, George C. Karlson, William E. Koutensky, Malcolm E. Pierce, Herbert W. Purick and Albert Schachner.

At an organizational meeting later in the day, Charles R. Carroll was re-elected chairman of the Board and William E. Koutensky, president. Other senior management officers are: James C. Dinkelacker, executive vice president; Norman C. Godfrey, vice president; Gertrude A. Proctor, vice president; John Proctor Jr., assistant vice president; and Walter A. Crescher, cashier.

It was reported that total resources of the Bank increased to \$106,863,448.

Arranging Clinic For Little Leaguers

Jack Kaiser, head baseball coach at St. John's University, will conduct a Recreation Division-sponsored clinic for Little League and other youth league coaches on March 5, at Levittown Hall, Hicksville, it has been announced by Hempstead Town Presiding Supervisor Ralph G. Caso.

Those interested in attending are requested to call the Recreation Division, IVanhoe 9-5000, Ext. 387.

30th Year for Last Man's Club

The Hicksville Last Man's Club, veterans of World War I, is wearing its 30th birthday on Dec. 19. At the annual meeting this week, Henry C. Brengel was re-elected president. The club was organized on Dec. 19, 1938 and held its first meeting on Feb.

Start Talks About Future

Concerned business leaders have finally begun meeting regarding the prospects for the future of Hicksville's commercial district. It was learned this week, Harold Holden announced at the Kiwanis Club meeting, Wednesday, that a meeting would be held at Soaman and Elsemann's offices today, (Thurs.) to see what can be done "to pull together what's left of Hicksville."

It is understood a preliminary meeting has been held attended by some public officials and property owners.

This week saw the frame of the William Duffy Nassau Seed structure which greeted arriving RR passengers for generations become a pile of kindling wood and the demolition of the LI National Bank main office on Broadway. With the destruction of the Bank building, the entire west side has been cleared of structures from the LIRR to Old Country Rd., a sight which many are finding increasingly depressing.

The grinding bulldozers have eliminated millions of dollars worth of taxable structures plus a full 50 percent of many long-time business establishments and places of employment.

If the town authorities have a definite plan for the reconstruction of the area, the HERALD has not been able to determine specifically what it is.

Some concerned individuals have awaited patiently for the Chamber of Commerce to follow thru on the initial spurt of leadership displayed when plans for the widening of Broadway, a state highway, first were confirmed.

LI NATIONAL BANK was a pile of broken masonry this week and reminded some of a shattered Grecian temple. Herzog Pl. is in the foreground.

Oyster Bay Town Republicans To Honor Roncallo on Mar. 7

The Oyster Bay Town Republican Committee will honor Nassau County Comptroller Angelo D. Roncallo at its annual dinner March 7, 7:30 P.M. at the Garden City Hotel, Michael M. D'Auria, Town GOP Chairman, announces.

Roncallo, a former Oyster Bay Town Councilman, was elected Nassau County Comptroller, last November and took office Jan. 1.

D'Auria said this year's \$50-a-plate affair will differ greatly from previous political functions "since we are really going to replace political speeches with professional entertainment."

He added that negotiations are currently underway to secure the services of a "top name" entertainer who will make this evening truly an affair to remember.

However, there will still be the double-dais of noted state, county, town and local officials who will help the Oyster Bay Town Republican Committee honor Roncallo for his uperictory in unseating an incumbent comptroller.

Among those invited to join in the celebration are Nassau Republican Chairman Assemblyman Joseph Margotta, Suffolk Republican Chairman Edwin M. Schiwenk, Poenert Assembly Speaker Joseph Carino, former County Executive A. Holly Patterson, State Sen. and North Hempstead Town Leader John Caemmerer, Congressmen John Wylder and James Grover, State Sen. Edward J. Speno, State Sen. Henry M. Curran, Assemblymen Joseph Reilly, Martin Ginsberg, Francis McCloskey and other legislators and Republican leaders.

For Pedestrian Safety

Commuters are taking their lives into their own hands every evening when they leave the trains and attempt to cross Broadway under the new LIRR trestle. For some reason, no lights were installed here although they are to be found under other sections of the viaduct including E. Marie St. crossing and thru the parking field sections.

Herald Reader Opinion

In response to letter of Harriet Spinw.

To the Editor:
 We were honored to merit your commentary on our recently distributed circular- Public vs non-parochial private school expenditures etc.
 Your letter was excellent and informative. However, there were certain areas that require some examination and amplification. For example: You constantly referred to "WE" in your letter- "... The basic problem is to decide what WE want..." etc.
 The utopian presupposition that the Public School System automatically adjusts to the needs of "WE" the people would completely nullify any reason for the formation of our organization. We do, sincerely, wish this was true, for this is exactly the reason for the reluctant, but necessary, creation of this organization- so that once again "WE", will be properly represented by our layman School Bd, who in turn, can representatively and effectively transmit the needs of the people to the School Administration who in turn, determines by a system of priorities the educational programs most beneficial to the community.
 This includes facing the hard reality that while "... we must afford..." certain educational programs, advantageous to our children, the Hicksville financial

barrel is not bottomless. Also, if money expended were any criterion of a superior school system, Hicksville has little cause to worry. We, in Hicksville, per pupil, outspend all 50 states, including NY State, and almost twice the national average according to the NEA 1967 estimates.
 Your comment that "... if we go back to the 3 R's we can save money- in the short run..." neither can Hicksville be placed in the shiny new Cadillac-type educational sector.
 "... It is irresponsible to clamor for lower taxes and yet demand services..." was another portion of your letter. Our reaction to this is that it is, certainly, an instinctive duty of a responsible parent to do his utmost to reasonably slow down the spiraling tax trend to a level that will not endanger the family unit. As for demanding services- is it unreasonable to ask for \$1 worth of education for every dollar spent?
 Your statement that "... It does not help to vilify the Bd, of Ed..." If the facts that we print tend to vilify the "School Bd" in your mind, it most certainly is not our intention. Nevertheless, we consider it our duty to inform the people of Hicksville of facts that they would normally not receive thru the School Bd, or other alleged representative

organizations that rubber stamp all the actions of the School Bd, matter not how detrimental these actions may be to the community.
 When the School Bd, of Hicksville becomes unresponsive to an unprecedented total of 5 legally submitted petitions, by 3 unconnected individuals, with an approx. total of 9000 signatures for re-instatement of basic summer make-up classes, and lawfully requesting referendums on basic issues, certainly the School Bd, is not to be commended.
 We are people, predominately composed of the wide center, who normally want to be left alone to enjoy a normal life, leaving the leadership of the community to the more active. However when our normal flow of communication to our alleged representatives is constantly shortcircuited, and we must resort to the filing of petitions to attempt to correct the grossly unrepresentative actions of the school bd, and, they too, are denied us, we instinctively cannot shirk our obligations to our families or the community.
 Without question we admire, respect, and are very grateful to those Trustees that voluntarily, without compensation, devote their long hours in reasonably serving and representing the community; conversely, total immunity for Bd, members who repeatedly transgress basic legislative and constitutional rights of the people will never be encouraged.

Hicksville Kiwanis News

By Past President William Murphy

This being election year, again I worry about Patriotism. Apparently it's not quite what it used to be. Now it seems to mean less, have more loopholes than it had in my youth. So let both candidates this year lead us back to De Facto Patriotism and let all Kiwanis Clubs, Rotary, Lions, and all other organizations help them prove to the American Youth that Patriotism means hard core determination, willing sacrifice, and humble gratitude to God. Let's make it clear to our boys and girls that UNCLE SAM is not some old Sotfie comparable to Santa Claus; that he is us, all of us, and that as a result we must walk proudly, head held high, voice soft, but muscles plainly strong and ready.

Only this way we can get AMERICA back to the stern basics that insure Security and peace of Mind.

Carl Grunewald, Town of Oyster Bay Councilman, presented the Hicksville Kiwanis Club with a citation from Supervisor Mike Pettio and the Town Board for its supporting the work it has done for the Boy Scouts.

Carl also gave an interesting talk on the collection of garbage in the HICKSVILLE area. The town board is working on new rules and regulations for the Town of Oyster Bay with strict enforcement of them. OUR own CLEAN UPKING KELLY will like this, he is Chairman of the keep Hicksville clean committee for the Kiwanis Club.

Pres. Walter Dunbar asked that all members and their friends attend our meetings as our Vice Pres. Dick Warburton is coming up with some real good programs.

Past Pres Bill requests all service clubs in the UNITED STATES, to increase efforts in support of law and order in their local communities and in their activities that will help alleviate the causes and unrest.

Until next week visit your church or synagogue and pray for PEACE. Keep Well, Bill.

Young Americans Plan Read-In

In another attempt at raising the high morale of the American serviceman in Vietnam, Hicksville Young Americans for Freedom has announced what it calls "Project Vietnam Read In."

The project consists of collecting paper-back books, door to door, from local residents and by mail. The books will later be packed and arrangements made for their transportation to South Vietnam where they will be given to American Servicemen.

The public may participate in this project by mailing their old paperback books to "Vietnam Read In", 5 California St., Hicksville, N.Y. 11801.

Requests Boost In Aid for Schools

The Hicksville Board of Education has written Gov. Rockefeller asking that he join with the Board of Regents and the State School Boards Association in urging the legislature to increase the state-aid ceiling to \$800 per pupil.

The Board feels that the local taxpayer is seriously overburdened by high property taxes and, as a result, will continue to vent his anger and frustration by voting down school budgets, it was said.

"Caught in the squeeze between rising costs of salaries and materials on one hand and rebellious taxpayers on the other, boards of education are being forced to make budget decisions which will affect the quality of education afforded our children" the board informed Rockefeller.

In asking the governor to reconsider and support the \$800-per-pupil ceiling, the board pointed out that even this figure — of which the Hicksville district would only receive about 56 per cent under the state aid formula — is "nowhere near the per pupil cost of education in many districts, including ours."

Six Cents On Greeting Cards

Postage for all greeting cards one ounce or lighter is six cents, Hicksville Postmaster, Ralph G. Cascardo reminds mailers.

The first-class postage rate will provide jet flight service for Greeting Cards destined to servicemen in Vietnam and other overseas locations as well as airtail treatment for most domestic addresses more than 250 miles from the mailing point.

The Postmaster wishes to remind patrons that Legislation which went into effect Jan. 7, eliminated the four-cent rate for greeting cards.

Ten Pin Talk

By Henry Dockswell

There was only one shut out this past Monday night and Sid Sachs' "Molars" (of which I am one) found themselves on the zero end of it. Sam Springer and his "Sam's Champs" have really reversed themselves. As we noted last week, they finished last in the First Half but they're 1st in the Second Half.

They increased their lead this week as they clobbered the "Molars" - 11-0. Capt. Sam led the way as he powered his first double of the year, a 251 and a 205. Monroe Hyman, who has been dealt this Second Half, got his fourth, a 205, and then Bill Sussman put the clincher on with a 213. Mac Cushing sounded great as he helped bury the "Molars", and the "Champs" fifth man, Eli Goldstein, who joined them just about 7 weeks ago has been of great help to them. They all bowled so well that they set a new Hi Team Edge, Series of 836. Hi Tosenthal has come alive.

He tossed a double last week and came right back this week with another double. His 214 and 213 plus Capt. Sid Simon's big 234 led the "Pink Panthers" to an 8-3 victory over Hal Goldenberg's "Doc's Ducks". This win brought the "Pink Panthers" from 9th up to a tie for 5th. Murray Kowliwicz, a fighting "Duck", was chiefly responsible for "Doc's Ducks" taking that second game when he came up with a 209.

Sid Holtzman and his "Hip-pies" squeezed out an 8-3 win over Ry Shapiro's "Hy Balls" when Sid clipped a 205 in his second attempt. Then in the third game the "Hy Balls" suddenly came to life. Capt. Hy curved a 213 and Ralph Diamond scored a 208 out of the pins. It was too late for a victory but at least the "Hy Balls" averted a shut out. Bernie Kaplan came in with the "biggest game of the night and his best game of the year, a no foolin' around 243. His "Kappys" trimmed Kellerman's "Bullatos" 8-3 and moved up a few notches to 11th place.

Al Minoff got Warren's "Weepers" off to a good start as he fired a 206 to take the first game but then Gerry Reichgot and his men woke up. Nobody broke into the Charmed Circle but they clicked off the next two games for an 8-3 win and rose four places to 3rd.

Here are the others that did break into the Charmed Circle: Herb Brody 216, Milt Hoffman 215, Robbie Goldstein 214, Ed Petzhold 201, and Murray Gittelman an even 200.

Library Schedules Birthday Concert

Talk to Mrs. Virginia Meyers these days and all she can talk about are bells ringing! As Ticket Representative for the Jericho Library's "birthday" concert on Friday evening, March 15th, Mrs. Meyers reports that local students have already grabbed up every one of the \$1.50 special rate tickets.

The adult tickets at \$3.50 each are being reserved at a steady clip daily. If you want to reserve several seats next to each other, Mrs. Meyers will be happy to hold these for you. Call her at Walls 8-7352.

The program will include Mozart's 34th Symphony, a delicate yet spirited work; Richard

Strauss' colorful tone-poem "Don Juan", and Hector Berlioz' "Child Harold in Italy", a brilliant, lyric program-piece that has the dimension of a concerto, ... all to be played by the top-level Pittsburgh Symphony Orchestra under William Steinberg's baton.

This month marks the third anniversary of Library's grand opening in February, 1965.

The accumulation of Overdue Fine monies over the past three years will defray major costs such as artists' fees. Library is delighted to "return" Overdue Fines in this way. Call Walls 8-7352 for your reserved seat.
