## Time Running Out...

**PACING DEADLINE**, administrators and Hicksville Board of Education members are meeting several times a week -- in committee or executive session -- completing work on the 1968-69 budget for the School District which is scheduled for vote on May 8. Back to camera at left is Trustee Cornelius McCormack. From left, across table are Dr. Gerald Murphy, assistant superintendent; Dr. Charles D. Ahern, assistant superintendent for business; Donald F. Abt, superintendent of schools; and Trustee Thomas Nagle.

## Camp Fire Girls To Celebrate

The Camp Fire Girls of the North Central District will be celebrating the organizations 58th birthday with a Square Dance. It will be held at the Hicksville Methodist Church in Hicksville on Saturday, March 9th, from 2 to 4 p.m. Bring

a friend and a can of soda, other refreshments will be provided. Admission is 50¢. There will be prizes awarded for the "Best Dressed" and the "Funniest" Farmer and Farmerette. See you there!

**OFFICIAL OPENING** of the Hicksville Rotary Club sale of candies for the benefit of its programs of sending parcels to Vietnam and helping to finance, in cooperation with the Peace Corps, a school building in South America, took place this week. From left to right are Hans Kaufman, Rotary Club vice president; William Payoski, in charge of preparing parcels for shipment; Dr. James Goris, coordinator of the project; Town Supervisor Michael Petito and Town Councilman Ralph Marino, majority leader of the Town Board. The two officials bought the first boxes of candy.

# West Side Future Gets Recognition

First formal recognition by the Town of Oyster Bay that Hicksville and its future, in the wake of large scale building demolition; is a matter for official concern was voiced at Town Hall this week by Supervisor Michael Petito, the HERALD learned.

Supervisor Petito read a prepared statement at a meeting of the Town Board calling for the creation of a 15-man committee to "study the Hicksville problems as the result of road widenings" through the heart of the commercial area.

Councilman A. Carl Grunewald disclosed that he had designated a nine-man citizens committee to work on the problem. Supervisor Petito said he would like to see the addition of six more members. No names were disclosed by the HERALD source.

Harold Holden reported at Hicksville Kiwanis on Wednesday a satisfactory preliminary meeting of interested property owners on Broadway was held last week at the office of Seaman and Eisemann regarding the same problem and that other sessions are planned.

## Goldberg Lists Ten Bd. Meetings

Ten regular and special meetings of the Hicksville Board of Education are scheduled during the balance of March and into April concerned for the most part with the 1967-68 district budget, it was disclosed this week.

They include: Monday, Mar. 11; Wednesday, Mar. 13; Monday, Mar. 18; Monday, Mar. 25; Wednesday, Mar. 27, regular and budget; Wednesday, Apr. 3; Monday, Apr. 8; Wednesday, Apr. 10; Monday, Apr. 22, Wednesday, Apr. 24, regular.

## Annual Meeting For Alumni Assn.

The Annual Meeting of the Hicksville High School Alumni Association will be held at the Hicksville Senior High School on Monday, March 11, at 8:30 P.M., at which time election of officers for 1968-69 will take place. All Hicksville High School graduates are cordially invited to attend.

## Directors Appoint Young Key Executive

The Board of Directors of the Long Island National Bank has appointed Thomas J. Casey a Vice President effective, Monday, March 11. The announcement was made by William E. Koutensky, President.

For the past eight years Casey has been associated with Manufacturers Hanover Trust Co., New York City. He was admitted to the New York Bar in 1958, was elected Councilman for the Town of Huntington in November, and is also currently Commanding Officer of the Gilgo Beach Coast Guard Reserve Unit.

Casey at 37 is said to be one of the most youthful key executives in the banking profession today. He was an Honor Society graduate of St. Francis College, and a member of the Board of Governors of the Law School Forum at Columbia University. Though he enlisted in the U.S. Coast Guard as a seaman recruit, he was soon commissioned and served with distinction for four years.

Casey, who lives with his wife and three children in Huntington is Past President of St. Hugh's Holy Name Society, Confraternity teacher and Commentator at St. Hugh's Church, a member

Thomas J. Casey

of the Knights of Columbus and of the Ancient Order of Hibernians, and is a member of a score of civic committees.

## State to Build Office On Old Country Rd.

Governor Rockefeller announced Mar. 6 in Albany that the Office of General Services will open bids on March 20 for the construction of a new building on Old Country Rd. at West Ave. Hicksville, for the Department of Labor, Division of Employment.

"The proposed new offices of the State Labor Department's Division of Employment in Hicksville will include a Professional Placement Center," Gov. Rockefeller said. "It will be the first time the Division, through its State Employment Services, has operated an office in Long Island specifically for filling professional and related vacancies."

The only other office of its

kind in the New York City Metropolitan Area is in Manhattan. When fully operating, the Professional Placement Center will be staffed by 23 employees including interviewers and job developers. Approximately one-third of the space in the new building will be utilized by the Professional Placement Center.

Also moving to the new building will be three other units of the Division of Employment now located elsewhere: the regular Employment Service Office, the Unemployment Insurance Office and the district superintendent's office.

## Girl Scout Week Mar. 10-16

"On My Honor I will try to do my duty to God and my Country - to help other people at all times - to obey the Girl Scout Laws." With these solemn words of the promise each Girl is invested into the International Association of Girl Scouts and Girl Guides. Many times throughout the years spent in Scouting, the girls are reminded of the meaning behind this promise - and the Laws around which the whole Scouting program revolves.

This week of March 10th (Girl Scout Sunday) is designated as Girl Scout Week, and celebrated by Scouts of every level - all over the world.

There will be many events held to commemorate the 56th Birthday of Girl Scouting. Here in Hicksville, many special Religious Services are scheduled.

On March 9th at St. Ignatius Church, a Mass at 8:15 followed by a Communion breakfast. Also on March 9th at the Holy Family Church, a Mass at 9:00 followed by a Communion Breakfast. On Mar. 10th - at Our Lady of Mercy Church, a mass at 8:30 followed by a Communion Breakfast.

Trinity Lutheran Church will hold a Vesper Service at 5 p.m. on March 10th - followed by a box supper. This will be a family affair.

Hicksville Methodist Church will hold a Girl Scout Service at 9:45 a.m. on Mar. 10.

Midway Jewish Center will hold a special service on Mar. 15th at 8:30 in the evening. The Girl Scouts will actively participate in the service.

Especially during Girl Scout Week - International Friendship is highlighted. In the Hicksville area - otherwise known as Neighborhood III of Mid Island Council, there are 51 troops. Many of these troops have been working on a particular program or project which enables the girls to learn a little more about customs and culture - particularly pertaining to Sister Girl Scouts in other countries. Upon completion of this project - a girl is entitled to wear the World Pin - and from then on she is ever anxious to know more about people in other lands - in order to understand them better.

With this in mind on Thurs. Mar. 7th, several Brownie troops from Woodland Ave., St. Ignatius, and Willet Ave; will gather in the All-Purpose Room at Woodland Ave. School - to hold their Annual International Friendship Program. Each troop is prepared to present either a song or a dance or other project - depicting the culture of another land. At the completion of this program, Brownies who have not already earned it - will be presented with the "Friendship" Pin - the predecessor to the world pin - which they will earn later on.

Not to be outdone, leaders and interested adults will gather at the Huntington Town House on Mar. 14 - for their Annual International Luncheon. This is always a very festive and successful affair, featuring a true International Menu, honored guests from another country, and Community leaders from the Town of Oyster Bay.

So - this week - when you notice all the girls in uniform, remember that the Girl Scouts are celebrating their birthday - 56 years of Scouting Fun!

## Reject Cultural Center at Mitchell

Five members of the Nassau County Board of Supervisors joined in a bi-partisan statement this week directing Welton Becket Associates, the architectural firm now designing a coliseum for Mitchell Field, to proceed with plans for a structure totally independent of any other building on the adjacent site.

In arriving at this decision, Presiding Supervisor Caso declared, "There is bi-partisan rejection of the proposal for the colossal and expensive JFK Civic, Educational and Cultural Center."

"Five members of the Nassau County Board of Supervisors, including three from the Majority and two from the Minority, are in agreement that the John F. Kennedy Civic, Educational and Cultural Center, as conceived by the architectural firm of Welton Becket and advocated by the County Executive, should be abandoned because they believe it is beyond the capacity of our people to build and to support by taxes alone," the Bi-Partisan statement reads.

"We five members, who cast 113 of the Board of Supervisor's 115 total votes, concur that a County Coliseum is economically sound and without undue burden on the taxpayer. We believe that a coliseum could and should be built for less than the \$21 or \$22 million estimated costs, that it could well serve the county and become the nucleus for some future development of the area to serve cultural needs as they develop with private as well as public funds within the scope of the Mitchell Field Development Corporation's management."

## Dear Sheila:

The County Police Air Bureau's helicopter was dedicated on Tuesday, Mar. 5. Among other projects, it will transmit direct broadcasts of traffic conditions over local radio stations. . . . Hicksville Kiwanis honored two outstanding members at its luncheon meeting this week: Dr. ERIC LEBARRON, former superintendent of schools, and AL HEUER, who have completed 25 years of membership in the organization. The presentations were made by CHARLES MONTANA, a past president. Dr. LeBarron has been a president and Lieutenant governor of Kiwanis. . . . Hicksville Republican Club meets Friday night, Mar. 8, at the Old Country Manor when a "Mock Trial" will be presented by the staff from the county District Attorney's office. The Republicans are planning their annual cocktail party at the Manor for May 29 with DOM PALLADINO as chairman. The affair has always been a sellout.

The mail box in front of the Post Office in Hicksville was actually overflowing on Feb. 22 when the main office was closed because of Washington's Birthday. They really should have a bigger box for those kind of days. . . . or maybe two boxes. . . . JOHN A. HARTMANN of Plainview was recently honored for 40 years membership in the Nassau County Farm Bureau. Saluted for 25 years were FRANK and JOSEPH HARTMANN while CHARLES KRUMMENACKER has 20 years. . . . The rubbish piled up on the streets of Hicksville when sanitation men went on strike on a labor negotiating detail. Since refuse trucks are also used to push town snow plows, it did not help the traffic situation either. To add to the agonies of the week, power failed for several hours in a snow storm accompanied by thunder and lightning last Thursday night. . . . Due to the cooperation of the Board of Hicksville Fire Commissioners, at the request of Past Legion Commander HENRY C. BRENGEL, those American Flags would some time ago by local business people are now stored in the Fire headquarters on E. Marie St., readily available for the next group's whose turn it is to see that they are set out on Broadway for a patriotic holiday. This fine cooperation should solve what had become a vexing problem. . . .

## Rehearse 'Escape from Fire' Plan

Has your family rehearsed its "escape from fire" plan recently?

If not, Spring Clean-Up Week is a good time to do so. The American Insurance Association gives these suggestions:

- 1 - Tonight, gather all members of the household together and point out that in the event of fire, everyone should know two alternate routes of escape from any part of the house or apartment.
- 2 - Have an EDI (11) practice drill (Exit Drills in the Home). Simulate a fire emergency at night, when everyone is in bed. Have all members of the family go to their bedrooms and lie down, then shout "Fire!" Everyone in the average one-family house or apartment should be able to get outside the home in less than a minute.
- 3 - If there are very small children in the home, assign an adult or a responsible teen-ager to the job of seeing to it that they get out of the building. A responsible person also should be assigned to the job of getting the elderly out of the house or apartment.
- 4 - Impress upon all members of the family that in the event of fire, they should leave the building quickly, and gather at an agreed on location. Also make it clear that no one, under any circumstance, should ever re-enter a burning building.

### NEWS FOR VIET-NAM VETS

You veterans released from active duty have... 90 days to apply to former employer for re-employment. 1 year to file for dental care. 1 year to receive unemployment compensation... 8 years to complete GI education, 10 years to obtain GI loan. (Plus 1 year for each 90 days of active duty). No limit to file compensation claim for injury or disease; pension, claim, non-service connected or to obtain VA hospital care. Above can be completed at VA office, for unemployment compensation go to the State Employment Service. DID-JA-KNOW... Two million Vietnam Era veterans have been discharged so far? There are about 57,000 being released each month? America these words were spoken by Gen. John P. McConnell, US Air Force Chief of Staff... "Communism is a global threat and acts of local aggression are merely part of a global scheme to achieve through piecemeal conquest what otherwise might entail the risk of a costly general war."

NEXT REGULAR MEETING... Friday, March 15th at 8:30 p.m. At our next meeting I am going to ask the post body to appoint me as Graves Registration and also keeper of the Honor Roll, a job that not many members like. I will also suggest that one of the many rooms at the club be converted into a small meeting room for after regular meetings are over. I cannot see why such rooms should go to waste. I'll play the part of Mrs. Brown and take care of the upstairs.

I will also ask to be keeper of the Post Bulletin board and see that we get a larger one in a different location and remove all old news and replace with new material. Well fellow AMVETS they say its always darkest before the dawn... so before I leave you for this week... let met say these few lines...

The sun may not shine, its brightness galore  
The stars may not glisten or gleam,  
Yet you have to give credit to a man that is down  
Who lives for his hopes and his dream.  
And then if you think that its really worthwhile  
To depart with a feeling you won,  
Don't hasten to go leaving something untouched  
For there's so many things to be done.

### Telephone Service Still Expanding

New York Telephone has announced plans to spend \$135.9 million to improve and expand its services on Long Island during 1968. Many Nassau growth and modernization projects are included in the program. Stanley M. Blauser, Jr., Nassau general manager, said the company's plans call for an expenditure on Long Island of over half a million dollars every working day of the year. The equipment and facilities that will benefit both residential and business customers. "This will bring New York Telephone's total investment on Long Island since 1960 over the one billion dollar mark," Blauser said. "Expenditures of this scale are needed to keep pace with the island's continued growth."

## Herald Editorial Brighten Your Home

Spring Clean-Up Week is a time when everyone that it is time for every one of us to participate in a community-wide cleanup of our home surroundings.

Take a few minutes to clean up your home. Simply go through your house to see what is cluttered and throw out trash that has accumulated throughout the year. Get out the rake, shovel, trimmer, and sweep the yard. Throw away lawn furniture, old lawn chairs, old lawn mowers, and old tools.

There's all there is to it.

But:

- You'll beautify your home.
- You'll help beautify your town.
- And — at the same time — by removing old and worn-out and magazines, empty paint cans and other trash, you'll have eliminated potential fire hazards. And the American Insurance Association estimates that trash is the kind on which fires feed.

## Hints for Baby Sitter

If you are a baby sitter, or thinking of becoming one, there are certain things you should know to help you do the job well. See the American Insurance Association.

And Spring Clean-Up Week is a good time to learn or to refresh your thinking.

The Association offers these suggestions:

• Your best baby sitting jobs should be for parents you already know and with children you already know. A good personal relationship with parents and children is essential and you can develop such a relationship effectively if your first jobs are with people who know you, and know you are responsible, reliable and like children.

• If the family has a switch dog, make friends with it immediately. You can do a good job unless the dog is on your side.

• Before you start the baby sitting job, ask the parents to show you all the exits so you can select the best one if fire occurs. Ask them to provide you with the name and phone number of the family doctor for use in case of emergency. Know how to call the police.

• Keep the children out of the kitchen, if possible, and

make sure your needles are out of the children's reach. Children also should be kept away from electric cords and appliances. These are the big things.

• Have the parents provide you with a flashlight in case the lights should go out.

• Ask the parents to tell you at what hour they expect to return and to telephone you if they are unavoidably delayed.

• And keep this in mind all ways: In case of fire, get the children out of the house immediately, but as a precaution, call the fire department in that order. After that notify the parents about the fire.

## The Old Timers

"Postage will be so high, when they come around for taxes I'm gonna tell them: I'm sorry. I gave at the post office!"

ONE OF MYSTERIES of computer technology is explained to a group of Nassau County data-processing students who last week toured First National City Bank's Everything Card authorization center in Jericho. The bank sponsored event was first in a series of educational tours of the facility. The students represented high schools throughout the county, as well as the Technical and Trade Training Center in Westbury where specialized courses—such as data-processing—are taught. David Byrne, data-processing manager at the Jericho center, explains the function of a card sorter.

## Grant Sabbatical Leave to Eight

The Hicksville Board of Education has approved sabbatical leaves for eight teachers, in most cases for advance studies, which will cost the district \$39,516 in pay for the teachers involved. The decision on the recommendation of School Superintendent Donald F. Abt was made by a vote of 6 to 1 at the Feb. 28 meeting. Trustee Cornelius McCormack voted no.

Most sabbaticals are for the period from Sept. 1, 1968 to June 30, 1969.

Granted were Florence Bowman, East St vocal music; Martin A. Cohen, Senior high biology; Carl Dana, Senior high English; Sally Jean Dweir, special class, Nicholls St; Kenneth McGinnis, senior high social studies; Gerard Pellerin, senior high instrumental music; Eugene Thibadeau, Senior high math; and Edna Tessel, Burns Ave 3rd grade.

## Wish I'd Said THAT

"Well, anyway, missuskin' hems, if any, won't get wet in snow drifts."—Louis Nelson Bowman, Tri-County News.

"An old-timer is a person who can remember—(1) through many a dull evening without television."—Duane C. Griggs, The New London Journal.

"When one considers the trademark of the hippies, I can't help but wonder if the long hair doesn't cover up a shortage of brains."—Bob Pearcey, The Danville (Ind.) Gazette.

## My Neighbors

"I thought it was understood—discussion would follow."

## Dont Leave Tots At Home Alone

Here's a thought to remember, not only during Spring Clean-Up Week, but the year round:

Fires in the United States claimed 12,200 lives in 1967, says the American Insurance Association.

More than half of the fire deaths occurred in homes, and about one-third of these fatalities were children.

The Association urges: Never invite disaster — which could mean a fatal fire — by leaving little children at home alone.

## All Around Town

The friends and parents of the Hebrew Academy of Nassau County will present "Broadway Comes to Nassau County" on Saturday evening, March 30th at Levittown Hall, Hicksville. It stars Fraydele Oysher, vocalist; Joey Russel, comedian; Yoel Dan and his trio, and Art Raymond as m.c. Mrs. Irwin Simenowitz, CA 1-7625, is the General Chairman of the affair. The Levittown Chapter is the sponsor.

Arthur Engelson, life insurance specialist with Mutual of New York's Hicksville agency, has won sales honors, the company reports.

The Sisterhood of Midway Jewish Center, 330 South Oyster Bay Road, Syosset is sponsoring a theatre party for the new Broadway show, "The Happy Time" starring Robert Goulet, Tuesday evening, April 9th. Call Marcia Koster at WA J-1156 or Freddie at WE 5-4761 for reservations.

Travel agent Larry Austin will answer questions on all aspects of foreign and domestic travel when he speaks at the Plainview-Old Bethpage Public Library on Thursday, March 14 at 8:30 p.m. Austin, who has just returned from Spain, will also show color pictures of his recent trip.

The next regular monthly meeting of the Levittown-Hicksville-Wantagh auxiliary of the Association for the Help of Retarded Children will be held in Levittown Hall at 8:30 P.M. Monday night, March 11. An evening of table games is planned with refreshments served.

## Pageantry In Brass

By The St. Ignatius  
Girls Cadet Corps

As March winds blow, Spring and Summer are on the minds of all of us. We've gotten pretty far into this year's "off-the-line" number, the theme from "Cleopatra." Pretty soon we'll be making plans to hit the grass and get started on the drill.

As usual we'll be making plans for our annual Individual and Quartet Contest, "Sounds of Spring." This year it will be held on Sunday afternoon, April 21st. More energy than ever will be put

into this contest, for the returns will determine whether or not we can (finally) get new uniforms. We've been saving since it became apparent two years ago, while preparing for inspection at the Legion Nationals, that we needed new uniforms. We've made do with what we had, but Mrs. Gomez spent weeks last year before the sewing machine to keep us in uniform.

Three weeks ago we got together and planned a possible new uniform which was modeled last week. Excitement is high in anticipation of a "New Look" for '68.

Of course this will all depend upon your support.

For a preview of what is to come in '68, come out to see St. Ignatius in the St. Patrick's Day Parade in Garden City where the Senior Corps will defend its title as "Outstanding Unit" in the parade.

After St. Patrick's Day, the competition season is right around the corner as it approaches tension and excitement mount.

# All Around Town

The American Assoc. of University Women will hold its regular monthly meeting on Thursday, March 21, 9:30 p.m. at the Hicksville Public Library, 169 Jerusalem Ave., Hicksville. The program will include a showing of the film, "The String Bean" which is produced and directed by Edmund Sechan. A discussion will follow the film presentation. For further information please call Mrs. Durgavitch, 681-3617.

Deborah M. Gorry, daughter of Mr. and Mrs. Walter F. Gorry of 61 Ritchfield St., Plainview, has been awarded a partial academic scholarship to St. John's University. Miss Gorry is a senior at Our Lady of Mercy Academy, Syosset.

Richard McKenna, Hicksville, is among 48 seniors at Yankton College scheduled for practice

teaching assignments during the second semester. It is announced by Prof. Glen Bachman, head of the education dept. McKenna is assigned to teach English and physical education at Irene High School for a six weeks period.

Sisterhood of Cong. Shaarei Zedek will hold a Purim Program for the Toddler Group at the Temple on New So. Rd. and Old Country Rd., Hicksville on Wednesday, March 13, at 10 a.m. and 2 p.m.

Barbara J. Feuerstein, 31 Gables Drive, Hicksville has been accepted as a student for the fall semester at the State University College at Brockport, Ralph B. Pascale, director of admissions, announced. Barbara attended Hicksville High and Green Mountain College.

## Residents Earn Degrees at Post

Three Hicksville residents earned degrees at C. W. Post College of LIU on Feb. 7. They included: Robert Edward Masone 11 Magenta St., bachelor of arts; and Vincent Thomas Luna of 39 Charles St., bachelor of science.

Look hard at the picture below. There's lots of telephone cable in it. But you can't see it because it's buried out of sight and out of harm's way. Last year, New York Telephone put more than five million feet of new cable underground in New York State. And we're out to bury another five million feet this year. New York is a beautiful state. We

want to keep it that way. (Incidentally, if you plan to do any digging, please let us know first. Just call Repair Service. Their number is in the front pages of your directory. Then we can point out where our cable is buried. It just might save us both some trouble.)

## Ten Pin Talk

By Henry Dockswell

Who is Monroe Hyman? The answer, it seems, is quite evident. He has been the main reason that Sam Springer's "Sam's Champs" are sitting atop the league with a 13 point cushion. This isn't to say that Sam and the other "Champs" haven't done their share but get a load of Monroe's record these last 6 weeks since the Second Half of our season started: In 6 weeks he has thrown six games better than 200, he's raised his average 6 points, he has bowled 2 doubles and has been the prime mover for his team to score their third shut out in a row.

This time he came up with a 236 and a 225 for a 604 series to lead "Sam's Champs" to a new Record Hi Series Hdcp. of 2662. Capt. Sam modestly threw a 200 just to keep Monroe company. And who do you think they shut out this past week? None other than the Glamor Boys of the First Half, Irv Simes and his "Spoilers," who won the championship on the very last night. Despite Irv's 204 and another vain effort of 209 by Les Shuman the "Spoilers" took a licking and sunk from 2nd to 5th place.

The best game of the night was thrown by Sid Sachs who cracked a 210 and a 237 to finally lead his last place "Molars" to a 7-4 victory over Nat Warren's "Weepers". Aiding Capt. Sid was Mary Kahn who tossed a 202. Mary has really found the groove this year. He started off at 155 and by the end of the First Half he had shot it up to 171 where he is now. If he's not careful he'll wind up being a Captain next year.

Two other men got doubles. Art Meadow who fashioned a 209 and a 200 to lead the Gerry Reichgot team to an 8-3 win over Herb Brody's "Charlie Browns" and Milt Hoffman who pranced his way to a 203 and a 207.

But Milt's teammates, the "Aboorns", did not fare as well. They were involved in a dogfight with Kelleman's "Buffaloes" and they wound up on the short end of an 8-3 score. Their production of 200 games was one better as Capt. Norm Ney joined Milt with a 203 of his own but the "Buffaloes" Bernie Roth, with a 204, and Red Karabel, with a 203, both in the last game, clinched the victory. This brought the "Buffaloes" up to 4th place, just a 1/2 point out of 3rd and 2 points away from 2nd.

The Reichgotts are now in 2nd and Leo Geyer's "Lions" are in 3rd. Leo came up with a strong 233 in his last game to insure an 8-3 win over Gittelman's "Guzzlers". This was Leo's 14th good one of the year and he still leads them all in the race for Most 200 Games.

Here are the other good games that were thrown: Fred Switzman, 203; Ralph Diamond, 212; Julie Gershen, 208 and Robbie Goldstein, 202.

## Reduce Taxes For Second Half

Jericho taxpayers will receive a reduction of 7 cents per \$100 of assessed valuation on the bills for the second half of the current School Tax year. This is the result of the Board of Education's action to utilize the new law that permits School Districts to make a second assessment of property to determine the amount of the second half bill.

FIGURE-SKATING WINNER - Oyster Bay Councilman Ralph Diamond of Jericho presents trophy to Christina Giavanoli, who won first place in the four to five-year - old group at the Oyster Bay Town Dept. of Recreation's ice-skating competition. Pat Walcott, skating pro, looks on.

## How's Your Fire IQ?

Spring Clean-Up Week is a good time to rededicate ourselves to preventing fires and test our knowledge of how to go about it, says the American Insurance Association.

It's important, during Spring Clean-Up Week, to go through the house from top to bottom, seeking out and eliminating accumulations of unneeded things like old newspapers, which provide fuel upon which fires can feed.

To point up some of the facts about fire, the Association suggests you check yourself on these questions:

**QUESTION:** In what room is a fire most likely to occur?

**ANSWER:** The living room. The Occupancy Fire Report on fires in one and two-family dwellings prepared by the National Fire Protection Association discloses that 37.2 per cent of all fires in dwellings start there.

**QUESTION:** What about other rooms?

**ANSWER:** The second most dangerous place with regard to the possibility of fire is the kitchen where the cooking is done, and where 21.6 per cent of all dwelling fires start. Third is the bathroom, 12.8 per cent. And 11.6 per cent of home fires start in the basement, where the house heating unit is located in the majority of homes.

But no room is immune. Fires also start frequently in the utility room, in closets, attics, bathrooms, attached garages, hall stairways, dining rooms, and on porches and other outside areas.

**QUESTION:** What are the leading causes of fires in homes?

**ANSWER:** The three leading causes of fire in homes, according to a study made in 1966, are: (1) faulty or improperly-operated heating equipment, causing 23.8 per cent of all fires; (2) matches and smoking, 17.7 per cent; and (3) faulty electrical equipment and misuse of electricity, 13.8 per cent. Care can prevent fires from happening, says the American Insurance Association, which estimates that three-fourths of all fires are the result of carelessness.

**QUESTION:** At what time of day are fires most likely to occur?

**ANSWER:** Of all fires in dwellings, 11.2 per cent occur between noon and 3 p.m., 11.8 per cent between 3 p.m. and 6 p.m., 8.5 per cent between 6 p.m. and 9 p.m., 16.2 per cent between 9 p.m. and midnight, 17 per cent between midnight and 3 a.m., 12.5 per cent between 3 a.m. and 6 a.m., 8.8 per cent between 6 a.m. and 9 a.m., and 14 per cent between 9 a.m. and noon.

The importance of keeping a home as fire-free as possible is pointed up in the times at which fires in which lives were lost occurred. Among fires in dwellings in which four or more lives are lost, about 75 per cent occur between 9 p.m. and 6 a.m.

## Honor Society Welcomes Eight

Jericho High School's Business Education Honor Society has welcomed eight new members at a tea, held in the Senior High Library. Laurinda Mastrianni, President, led the inductees in their pledge of service to school, business, and community life. In attendance were parents, administrators, guidance staff, teachers, and other students.

The new members, who were later presented with pins are: Sara Buchbinder, Dolores D'Acerno, Sue Kaye, Janet Koch-nower, Katty Lindenbaum, Sandra Nastasi, Virginia Riggio, Carol Vintaloro.

All the inductees have been enrolled in the business program for at least two years.

## Community Seder Set for Apr. 13

Rabbi Herbert Rose and Cantor David Gabor will conduct Traditional Passover Seder Service on Saturday, April 13th, at 7 P.M. at the Huntington Town House as a Traditional Seder Plate and Holiday Meal. Haggadahs will be supplied. Friends and neighbors welcomed. For reservations call WE 1-5587, WA 1-8345, or OV 1-7982.

## Cossack Singers Dancers Doe Mar 29

The famed Gen. Platoff Don Cossack singers and dancers will be presented in Cathedral House, 50 Cathedral Ave., Garden City, on Friday, March 29, at 8:30 P.M., under auspices of The Cathedral Women. It was announced by the Very Rev. Harold F. Lemoine, Dean of the Cathedral of the Incarnation. An ad hoc committee, headed by Mr. Alan S. Forman, comprises men and women from the Cathedral Parish.

This will be the Cossacks' only appearance in the area this season, according to Mrs. D. Ormond Alkenhead, president of The Cathedral Women.

"By the time you find out what makes the world go 'round, you're too dizzy to care."

## 40 Teachers At Workshop

Forty teachers from Jericho Public Schools attended an Art Workshop on March 5, 6 and 7 at the Cartilage School.

An educational service provided by Binney & Smith Inc., the Workshop will be conducted by Mrs. Margaret Johnson, who has taught extensively and holds a Master's degree from Columbia University.

The teachers will spend 15 hours of their time learning about modern creative art education and some of its materials and tools.

The school official responsible for the Workshop arrangements is Mrs. Barbara G. Rumrill, Director of Elementary Curriculum.

## Now Finalists

Paul C. Ruestow, Bruce D. Steiner and Daniel M. Dolensky, the three Jericho students whose qualifications as National Merit Scholarship semi-finalists was announced in November have now advanced to finalist standing.

## Police Offering To Show Film

Nassau Police Commissioner Francis B. Looney reports that the county police has a new film, "Too Late For Regrets" which will be available for showing in the Department's public information program.

It is a 15-minute color sound film depicting the act and consequences of nonprofessional auto theft committed by young people. It underlines the seriousness of joy riding and the efficiency of modern police methods of apprehension during a fast-moving, simple, straightforward dramatization.

Last year the county police public information lecture and film programs went before 1,852 audiences totaling more than 250,000 persons. The subjects included narcotics, bicycle and pedestrian safety, warning to women, burglary prevention, first aid, community relations, scientific crime detection, forgery, child molestation, the law and you and police careers.

"Too Late For Regrets" and other public information programs can be obtained by school, civic or church groups by writing to Commissioner Francis B. Looney, Nassau County Police Headquarters, Mineola, N.Y. 11501, giving the name of the organization, date, time and place of meeting.

LEARNING ABOUT TOWN government from Oyster Bay Town Supervisor Michael N. Pettitore (1 to r) Betty Ann Froman, Richard Goldberg, Lisa Suderberg and Paul Sulsky, all members of third grade at Manetto Hill School in Plainview, Youngsters were taken on tour of Town facilities as part of social studies course.

**LESTER L. WOLFF**, U.S. Congressman from the third congressional district, recently made a tour through The Gregory Museum located at 207 Cottage Boulevard, Hicksville. Wolff is a member of the Science and Astronautics Committee, U.S. House of Representatives.

Wolff told Mr. and Mrs. Gardiner Gregory and William Campbell, members of the Board of Trustees of The Gregory Museum, that he was greatly impressed with what the museum was doing for the children and adults of Nassau County and Long Island. He also expressed an interest in the museum and a willingness to assist with its expansion programs designed to

better serve the youth and adults of Long Island. The Board of Trustees of The Gregory Museum is seeking funds to purchase vehicles designed to be made into mobile earth science laboratory and display units to travel between schools on Long Island. These units would be available for use by adult groups when schools are not in session. The Gregory Museum hopes, eventually, to build and operate an Earth Science Center on Long Island.

At present an average of 500 school children are making tours through The Gregory Museum each month.

**All Around Town**

Jack Dichtenberg of Hicksville has been named to handle technical-commercial operations for the Norelco Radio Dept., of North American Philips Company, Inc., it was announced by William E. Keepin, department manager.

"Accelerating sales of Norelco radios and the resultant expansion of the department have prompted creation of this position to oversee technical needs, matters concerned with quality control and collateral activities," Keepin pointed out.

# Iron-clad guarantee

Jerry Green, builder of White Oaks at Dix Hills, Huntington, Long Island

"With gas heat, you get a cast-iron boiler. It's guaranteed for 25 years—for all practical purposes, that's a lifetime guarantee. You don't normally get that kind of boiler or that kind of guarantee with oil heat.

"Because of factors like that, we find gas units tend to give us very efficient operation, cleanliness and a lack of maintenance problems now and in the future."

# 100 Years of Fire

## Deadline Near Close For May 25 Motorcade

B. Medard Ofenloch, chairman of the motorcade of old time vehicles and floats being planned for the 100th anniversary of volunteer fire fighting in Hicksville on Saturday, May 25, today set a deadline for receipt of entries.

April 15 has been set as the closing date for entries in the motorcade in order that the committee can complete its plans for the anticipated turnout.

Interested organizations are urged to write without delay to the Cavalcade Chairman at the Fire Headquarters, E. Marie St., Hicksville, NY 11801, without delay.

Meanwhile, Al Bianculli, general chairman of the Centennial Celebration of the Fire Dept. disclosed plans for two communion breakfasts for the volunteers.

## Operation VFW

William M. Gouse, Jr.  
Post No. 3211  
by Eddie Klebing

This is not the type of weather to be thinking of picnics, but plans are being made by this year's chairman and committee to give the members and their friends another bang-up time. Heading up this year's committee is George Kramer, chairman who will have helping him: Frank Blesi, Mike Montelione, Ken Wood, Harry Wurth, Mike Znac and yours truly. The affair will be held at Teddy Roosevelt Memorial Park in Oyster Bay again on Sunday August 4th.

We are updating our mailing list of Hicksville boys serving in Vietnam. If you know of a local boy who is now serving in Vietnam please forward his name to us so he can get on our mailing list. The information we will need is the name and rank of the serviceman; his serial number; outfit he is serving with and his APO number. Also to assist us, we would appreciate his departure date from that area and his home address. Names should be mailed to: Commander Edward Klebing, Veterans of Foreign Wars, 126 Haverford Road, Hicksville, N.Y. 11801; given to any member or can be dropped off Thursday evenings at Bingo Hall where someone will gladly take it.

This coming meeting, March

11, there will be a board of directors meeting and wrapping of packages for the servicemen in Vietnam. You can do your part in supporting our boys in Vietnam by helping in the mailing of these packages. The last time we did this, all the packages were filled, wrapped and addressed BEFORE the meeting. So come on down - we're glad to have you.

COUNTY COUNCIL NOTES: Comrade Reger, of the Nassau County Veterans Service Agency reminds all veterans to have their discharge papers recorded if they haven't done so already. At the time of a veteran's death his widow may not be able to locate his discharge in time to permit burial in a national cemetery where the discharge is required immediately or for any other benefits entitled to the veteran. My thanks to the members of the ladies auxiliary and post members who drove them to the Northport Hospital last week. I'm sure the patients had a good time dancing and were happy to see the girls.

## Hicksville Kiwanis News

By Past President William Murphy

If I understand current events properly, we are in the Space Age. Okay there's nothing wrong with Space; it's just that it takes our minds off making things better down here on Earth.

Kiwanians, if they're going to be tagged as leaders, must step out fast to make sure we don't lose sight of more immediate goals of mankind - such as eliminating hunger and disease and getting at the roots of the problems that set men at one another's throats, at home and abroad. Shooting for the moon is fine but let's not forget where our feet are.

About forty billion people have lived on earth. Of these only three billion have known the blessings of LIBERTY. Most of them during the past two centuries. We are better off, sure, but we still have a lot of building to do.

In March 1964 Kiwanis organized its first club in Jamaica

SOFTBALL PLANS -- Oyster Bay Councilman Edmund A. Ocker (r.), looks at the schedule for use of softball fields held by Gerard Trotta, Parks Director, for the spring-summer men's softball program. Also participating in the plans are Councilman A. Carl Grunewald, (left), and William Sniffen of LILCO, Metropolitan Softball Industrial League Commissioner. For further information those interested, including women who desire to form a women's softball league, should call 921-5875.

Kingston. March is the month to Observe the following dates and events:

Mar. 10 to 16 GIRL SCOUT WEEK.

Mar. 17 to 23 Camp Fire Girls Birthday Week.

Mar. 17 ST. PATRICK'S DAY Mar. 17 to 23 Nat'l. Wildlife Week.

Mar. 17 to 23 Nat'l. Poison Prevention Week.

Harold Robinson Chairman of the boys and girls Committee is making plans to send 25 under privileged children to Camp in July.

The Rev. Richard Muck gave a wonderful talk on Brotherhood Week LET'S ALL LIVE UP TO IT. Our Pres. Walter Dubar presented Pastor Muck with a Kiwanis Speakers Certificate for the wonderful Program.

We are all looking forward to Charter Night of OUR KEY CLUB which is one of the most active in the New York District. Thanks to Past Pres. Hap Holden who guides them.

Vital Kiwanis Statistics as of August 1967: There were 273,305 Kiwanians in 5471 Clubs in 22 Countries. 3167 Key Clubs with 85,059 Members and Circle-K had 757 Clubs with 14,715 Members.

The following members of Hicksville Kiwanis Club had an interclub meeting with Plainedge Kiwanis Pres. Walter Dunbar, Chas. Montana, Harold Robinson, Fred Sutter, Chas. Masek, Carl Grunewald on Feb. 27th. "Opened by mistake" applies more to mouths than to letters;

## Special Assembly Hears Congressman

Congressman Lester Wolf spoke at a special assembly of the Hicksville High School Student body. The Congressman's appearance on Feb. 26, was part of the Guest Speaker Forum sponsored by the All-School Council. The Congressman's 20 minute speech touched upon such topics as, the Vietnam War, the proposed Sur Tax, graduate school deferments, and the proposed tax on foreign travel. Following his speech, Congressman Wolf answered questions from the floor.

## State To Build Office On Old Country Rd.

(Continued from Page 1)

Expected to cost around \$780,000, the bids will cover contracts for construction, heating and air conditioning, sanitary, electric and elevator work.

The building will be two stories high and front on Old Country Road and also have a West Ave. entrance.

Approximately 136 feet long and 76 feet wide, its 20,900 square feet of gross area will provide office space and other essential facilities for the staff of the Division of Employment. The basement will provide an additional 3,258 square feet of fallout shelter area. The superstructure will be erected on a structural steel frame and the exterior walls will be faced with brick.

Service facilities will include a passenger elevator and easy access to the building by the physically handicapped.

## Taxi Operator Dies Suddenly

James E. Weldon, operating a taxi owned by Nassau Taxi Service of Hicksville, died of a possible heart attack following an accident at RR Plaza, 200 ft. west of Jerusalem Ave., at 3:45 PM on Feb. 29, second police precinct reports. The cab was in collision with a concrete pillar. Weldon, who resided at 301 Richard Ave., was pronounced dead at Central General Hospital by Dr. Walker.
