Budget May Not Be Ready for Vote

The Hicksville Board of Education, meeting several times a week as well as Saturdays, is striving to complete its record-breaking 1968-69 proposed school district budget but often repeated off-the-record comment is that it will not be ready for vote at the annual election on May 8 this year. The Board has set Mar. 20 for itself as a deadline to finish the budget.

Meanwhile the Board appeared to be operating on two strata: one in public session and one behind closed doors. Newsday today reported, apparently on the basis of executive session decision that a public meeting would be held on Wednesday (Mar 27?) at 8 P.M. in the Senior High Cafeteria on the proposed redistricting of students among facilities next term.

Actually, at the meeting last night (Wed) President Marvin Goldberg on the question of redistricting, which has never been discussed in open session, promised that a public meeting "in a larger place" will be held at some future date on the subject. No date or place was mentioned in the public meeting last night.

Newsday also referred to the meeting as a "preliminary hearing on the proposed budget". Actually, it was one in a series of Board special meetings in an effort to complete the budget prior to a public hearing as required by law.

One point appears certain: the budget for next year will be a million or more dollars higher than the current year and there is a general attitude among observers that "it will be rejected."

No gross total budget has been mentioned in Board public meetings because the budget is not completed. However, daily newspapers report the budget is \$16,051,422 compared with \$14,810.00 for the current year.

The following formal announcement was received from the Office of the Superintendent by the HERALD on Mar. 9:

"The Hicksville Board of Education will hold an open budget meeting Monday (March 18th) at 8 p.m. in the board room of the Administration Building on Division Avenue.

"This is one of a number of public budget meetings scheduled by the board. Other meetings will be held March 25th, April 3, 8 and 22. All will begin at 8 p.m. in the board room.

"The purpose of the meetings is to give residents an opportunity to hear the board discuss budget proposals as it prepares the 1968-69 district budget."

Population Grows As Pupils Decline

While the population of Hicksville continues to climb, the student enrollment is declining.

The LI Lighting Co. in its annual population estimate gave Hicksville a population of 52,465 as of Jan. 1, 1967 and 52,490 for Jan. 1, 1968. The just released Boaz Allen report of Hicksville schools shows a student enrollment of 12,291 for 1966-67, dropping to 11,925 for 1967-68 and 11,323 for 1969-70.

School superintendent Donald F. Abt estimated a loss of enrollment will require the services of 15 less elementary teachers next term.

Waiting for Cabs - to Go

DOZENS OF SNOW COVERED taxicabs are littering the property at the corner of Jerusalem Ave and Marie St., Hicksville, once the location of a pleasant private home. Late, appearance-conscious residents have been advised the town will move to halt the alleged present operation of a used car lot there without authority. Top picture shows the new Rail Road station in the background. (Herald photos Mar 14).

O'DONNELL CANDIDATE: Goldberg to Run, Mrs. Silver Uncertain

Marvin Goldberg, president of the Board of Education whose term expires this year, will seek re-election as a trustee at the annual May elections while Evelyn Silver, another trustee whose term expires, has not decided whether or not she will run for a second term, it was learned this week. Meanwhile, William J. O'Donnell of 110 Dartmouth Dr., revealed that he will be a candidate for a vacancy in the voting.

O'Donnell, long active in the PTA, is 43 and the father of five children. One attends Manhattan College, two are in senior high, one in junior high and one at Woodland Ave. elementary.

A resident 15 years, he is a graduate of St. John's University with a bachelor of business administration in accounting. He is head of the cost control section at Arma Division of American Bosch Arma Corp., Garden City.

He has been active in both Girl and Boy Scouting, CYO and Little League as coach of baseball, basketball and track teams. He is a charter and life member of Woodland Ave PTA, past president of Woodland Ave and Hicksville PTA Council, present president of the Senior High PTA, chairman of School Community relations for the PTA Council.

He is also a past director of

William J. O'Donnell

Brooklyn Chapter, National Assoc of Accountants and past president of the Arma Division Management Club.

Alumni Assn Holds Election

At the Annual Meeting of the Hicksville High School Alumni Association was held Mar. 11, the officers elected for the year 1968-69 were: President, James Fyfe; Vice President, Michael Sherin; Recording Secretary, Magge McGuirk; Corresponding

Secretary, Etta Cramer; Membership Secretary, Helen Hanlon; Treasurer, Conrad Weyer.

The directors elected for a three year term on the Board are Karin Weyer and Helen Frohnhoefer.

EDITORIAL COMMENT:

Why Go To Meetings?

The Hicksville Board of Education has given notable lip service to public relations in the appointment of an advisory committee and the employment of paid specialists in the field.

However, the Board holds so many non-public, closed door and executive gatherings that regular run of the mill attendants find it difficult to keep informed even if they have the patience and time to sit thru long sessions.

Matters which were never aired in public are released for print as Board decisions. Administrators are expected to act upon decisions reached in closed or committee gatherings. And due to the multiplicity of such gatherings it is not surprising to hear trustees "violate" confidences by making references to agreed upon but never voted upon arrangements.

The past year has also seen the emergence of direction to administrators and others by presidential edict, frequently unsupported by motion and vote at a regular board session.

Boaz-Allen Report on File

The Boaz Allen report of Hicksville School District, completed in three months at a cost of \$12,000 has been placed in several public places for community inspection and a special meeting of the Board of Education to discuss it will take place at a later date.

The report is available for study at the Public Library and the office of the District Clerk in the Administration Building on Division Ave.

Teens to Present Drama 3 Nights

The St. Ignatius Loyola Youth Council, which sponsors activities for high school students of that parish in Hicksville will present "I Remember Mama" at the end of this month.

"I Remember Mama" is a two-act play of the 1910 era written by John van Druten and copyrighted in 1944. The play itself was adapted from Kathryn Forbes' book "Mama's Bank Account", the story of a Norwegian American family living in San Francisco.

Although the Council, including the drama club has only been in existence for 1 1/2 years, last fall it staged its first musical, "The Boy Friend", which was viewed by over 1000 persons.

Heading the cast is Bernadette Jones as Katrin, supported by Diane Matuzza as Mama, and Kevin Clancy as Papa. Directing the play is the moderator, Rev. James Carmody, ably assisted by Robert Rabbit, a student at St. John's University. Head of all construction is Anthony Weepert, a recent graduate of Hicksville High School.

Try-outs were held late in November, but rehearsals did not begin until the end of December. The cast and crew have been diligently preparing their production and hope to make it one of St. Ignatius' best.

"I Remember Mama" will be presented on March 28, 29 and 30 (Thursday, Friday and Saturday.)

All Around Town

Dr. Samuel Scheck of Bethpage will address the monthly meeting of the Soroptimist Club of East Nassau on Monday, March 18. His topic "Fundamentals of the Henry George School of Social Science" will be of great interest to taxpayers. The meeting will be held at the home of Mrs. William Jack, in Hicksville at 8:15 P.M. Mrs. James Rodgers of Hicksville will preside.

Mr. and Mrs. A. Gross, 36 Gerard Rd., Plainview topped their section of the Novice Pairs a one-session championship game at the American Contract Bridge League's Fall National Tournament. 156 players competed.

The St. Ignatius Girls Cadet Corps, Parents Association of Hicksville, will sponsor their 3rd annual fund raising dance,

March 30th in the school hall of St. Ignatius Church, Nicholas St., Hicksville. Tickets are \$7 per couple. This includes buffet, beer and dancing. Everyone interested in helping the girls are invited to join. For reservations call WE 5-0877.

John K. Pearce, son of Mr. and Mrs. John H. Pearce of 40 McKinley Ave., Hicksville, has been named to the dean's list at Clarkson College of Technology for the fall semester of 1967. Pearce, who is a junior, is studying mathematics.

A special film for youngsters 8-12 years of age will be shown at the Plainview-Old Bethpage Public Library at 2 p.m. on Saturday, March 16.

Woodland Ave. P.T.A. of Hicksville Scholarship Volley Ball game will be Teachers vs Parents, held on Thursday March 28, at 8:00 P.M. in school gym. Tickets will be sold only during school lunch hours, on March 25th to 28th. No tickets will be sold at the doors. Refreshments available.

Plan Bus Lift For Senior Citizens

A bus-lift operation, hand-tailored to Senior Citizens' needs, will operate through the Town of Hempstead's program for the aging. It was disclosed by Hempstead Town Presiding Supervisor Ralph G. Caso.

Expected to start early in Spring, the program was explained to 35 Golden Age Club directors by Dr. Carol Lucas of the town's parks division staff, at a meeting recently held at Hempstead's Senior Citizen housing development in Green Acres, Valley Stream.

Dr. Lucas will distribute neighborhood maps on which each Golden Age Club will mark the location of members' homes. Bus routes will be designed accordingly, with stops every few blocks, to take the senior citizens to local Golden Age Club buildings for activities.

Limited front-door pick-up will be offered people with sight or ambulatory difficulties. Sponsored by the Nassau Franchised Bus Council, the county's 13 franchised lines will participate.

Caso termed the program "experimental" and hoped it would prove economically feasible for the carriers. Fares have not been set but are expected to be comparable to normal rates.

New Arrival

Mr. and Mrs. Frank Rogieski of 53 Lawnside Ave., Hicksville, became the parents of Elizabeth Mae born Feb. 22 at Nassau Hospital. She joins a brother, Christopher.

Dear Sheila:

Comment by JIM WALTERS, principal of Nicholas St. School, while showing his slides of a trip to Russia at Kiwanis, Wednesday: The famed Gun Dept. Store in Moscow reminded him of the Bethpage Farmers Market with its stalls and merchandise....Why go abroad?

PAUL HOOKEY of 83 Brittle Lane, Hicksville, is on the committee for the exhibit of ship models by LI makers at the Suffolk Museum, Story Brook, beginning Apr. 28. . . .The children's park originally planned for Old Bethpage (at the restoration) will now go to a 45-acre parcel bordering Meadowbrook Parkway in East Meadow, according to County Executive NICKERSON. It will cost two million dollars and have a story book theme. . . .LINDA HANAU of 12 Mitchell Court, Hicksville, has been named to the Dean's List at the School of Fine Arts, University of Connecticut. . . .Who says students don't have money? A sign in the LI National Bank at Bethpage invites high school seniors to sign up for a three-week summer in Europe at a package cost of \$685. . . .Contact ETTA CRAMER or MARIANNE KUTNER if you were a member of the Hicksville High Class of 1943. They are having a 25th anniversary dinner on May 3. . . .Same as date of the Alumni Assn. 10th annual spring dance. . . .Hicksville Rotary Club wants to correct a misunderstanding. All money raised by its candy sale will be used exclusively for packages to servicemen in Vietnam. . . .The Hicksville Baseball Assoc. will hold its monthly meeting on Thursday, Mar. 21, at Levittown Hall, Levittown Pkwy and Beech Lane. All members are urged to attend. The League opens on May 4. . . .Soon you will see a skyscraper on the horizon. Ground will be broken Apr. 28 for a 19-story addition to Meadowbrook Hospital, East Meadow. . . .Understand that MARVIN GIBSON, director of pupil personnel services and more recently administrative assistant to School Superintendent DONALD F. ABT will be retiring next year. . . .The positions of administrative assistants are gradually being phased out in the district. . . .

EDUCATION: According to the Veterans Administration some 22,000 active duty servicemen are benefiting from the 359,800 GI Bill allowances being paid as of January 31. These active duty members and 337,800 veterans are drawing the funds to finance education in the field of pilot education or to pursue high school or college courses on a full and part-time basis. Almost 674,000 veterans of service have entered training since the peacetime GI Bill became effective on June 1, 1966. At present the VA estimates it is helping 360,000 men and women.

Peak enrollment for World War II GI Bill was in November, 1947 when 2.5 million were enrolled in the education and training programs. The peak for the Korea veterans was reached in March 1957, with a 764,000 training enrollment.

Servicemen who want to prepare for civilian employment while still in the service will find plenty of opportunities listed in a new directory for private home study published by the National Home Study Council.

A list of these approved correspondence courses can be had by writing to the National Home Study Council, 1601 18th Street N.Y., Washington, D.C. 20009.

Known as the Junior GI Bill, the War Orphans Educational Assistance Act, provides educational benefits for sons and daughters whose fathers died of service connected disability or had a total disability which occurred during active service on or after April 21, 1898. Beneficiaries are students between the ages of 18 and 26. Information for this benefit can be had by contacting local VA offices.

A very popular course recently added to the peacetime GI Bill is Flight Training. To be eligible the veteran must have a private pilot's license or the number of training hours required for one. One of the approved schools is Republic in Farmingdale. Interested veterans can get information on this course by writing to Registrar, Flight Safety Inc., La Guardia Airport, Marine Air Terminal, Flushing, N.Y. 11371.

To assist those veterans or parents and wives of veterans the Nassau County Veterans Service Agency is now open every Wednesday evening from 5 p.m. to 8 p.m.

As the clock struck 1 a.m. Lou, Freddy and I bid fond goodnight to Cuccaro and Tosi who were chomping away on a Pizzalia pie. For those who didn't know it Tommy conors is just getting over a bout with pneumonia. Send a get-well card to DANNY ZINKHANS son who is feeling not up to par at the Nassau Hospital. The post bulletin board has been moved to a better location and from here on in the latest news will adorn the board. The upstairs back room now sports a sign saying, "Executive Office & Conference Room". The Post Gold Star Honor Roll has been hung there as well as a poster showing all Medals and Awards. I thank the United States Marine Corps for their thoughtfulness. For those members who have not received the National AMVET Newspaper, let me quote what Nation Commander Caserta had to say regarding Escalation which we hear so much from our worthy men in Washington keep saying. "This is a word that seems to be reserved only for the United States. Before any ground combat units were put into South Vietnam, and before we started the bombing of North Vietnam, major elements of the 325th North Vietnamese Regular Army was sent into South Vietnam. However this was not called escalation... rather this is what is considered infiltration. For many months the North Vietnamese and Viet Cong have been mining Saigon Harbor. Not too long ago the Viet Cong sank a British Flagship in the Saigon River. You did not read about this mining as an escalation by the other side. But on the other hand if we were to distribute a like amount of mines in Haiphong Harbor, we would immediately be accused of Escalation. The open use of Cambodia as a sanctuary for the Cong is not looked upon in any way as escalation. Further, we have not bombed the Hanoi Hdqs. of General Giap, but not long ago the Viet-Cong set up mortars in the center of Saigon and tried to shell General Westmorland's quarters. So be what it may the purposes are the same when people talk about Escalation let it be applied equally to both sides. Unquote... and before I sign off I add my two cents... some of us only can see to the end of our nose.

Another Reason For Celebrating

Henry Kohler of Hicksville just recently marked his 25th service anniversary with Grumman Aircraft Engineering Corporation, and now, only a few weeks later, he has another good reason to celebrate.

A lab technician in Quality Control for the Bethpage aerospace company, Kohler topped the list of Corporate Suggestion Program award winners this month and is now richer by \$1,400 in U.S. Savings Bonds.

The Hicksville man, who resides at 104 Heitz Place, devised an improved system in the heat treat cycle of aluminum parts, some of which were being

distorted during the ordinary cycle. Laying on metal racks, the parts became soft at 920 degrees and were losing their shape. The distortions were being frozen into the parts when they were plunged into the cryogenic quench at the end of the heat treat cycle. Each part then had to be straightened with hours of hand hammering.

After studying the situation, Kohler suggested placing the aluminum parts on a contour bed of diamond-wire screening. Records show that this suggestion resulted in a reduction of distorted parts from three to one per cent.

Pageantry In Brass

By The St. Ignatius Girls Cadet Corps

Happy St. Patrick's Day!!!

Last Sunday, March 10, we marched, or should we say swam, in the St. Patrick's Day Parade in Garden City. We had about ten new girls in the line, they are to be congratulated for their fine performance. No matter how hard the sun tried it couldn't come out but on the other hand no matter how hard it rained it was impossible to dampen our spirits.

This was our first public appearance of 1968, and only a few of the changes and improvements we hope to make were apparent. Did you notice our drum line has expanded? We now have four bass drummers and two cymbal players.

Among the changes yet to appear are new music and of course our long awaited and worked for new uniforms.

The season is off to a good start and with every step we hope to try a little harder to be a little better.

GOP Delegates

Are Uncommitted

Assemblyman Joseph M. Margiotta, Chairman of the Nassau County Republican Committee, announces that the delegates and alternates who will be designated by the Nassau County Republican Convention on March 28 will not be committed to any "Presidential candidate."

Margiotta said that the role and responsibilities of the six delegates and the seven alternates recommended by the county committee will be to support the man who has the best opportunity to defeat President Johnson.

Margiotta stated that he intended to conduct a continuous series of polls up to the date of the Presidential convention in August, and that the Nassau County Republican delegates would support that man, who on the eve of the convention, demonstrates that he would be the strongest candidate in Nassau County with the best opportunity to defeat President Johnson.

Seek Change in Law On Budget Vote Date

The Uniondale Board of Education is asking lawmakers at Albany to give it more leeway in setting the date for the annual public vote on the school budget in May.

A number of Long Island school boards are having difficulty in completing their proposed budgets this year with the advent of the Taylor which provides for negotiations on salaries and working conditions between employees and the school authorities.

The Board also wants the law change regarding austerity budgets. Pared-down budgets go into effect without a public vote following repeated voter rejection of the Board - proposed budget. The Board wants legislators to amend the education law to the extent that Books continue to be distributed free, even under austerity.

First Annual Event

The Society for Good Will to Retarded Children will hold their First Annual Dinner Dance at Old Country Manor, Hicksville on Saturday evening, March 30. It is expected at this dinner dance, to finally reach the \$10,000 figure decided upon a year and a half ago when the parents and friends group formed at Suffolk State School, Melville.

This money, the result of many fund raising drives, countless raffles and first annual journal ads, will help provide goods and services to enrich and make more meaningful the lives of over 1200 retarded children at this school.

Present Concert Of Sacred Music

The choir of the Lutheran Theological Seminary at Philadelphia will present a concert of Sacred Music at the Lutheran Church of the Epiphany, 35 Fulton Ave., Hempstead, on Sunday, March 17. Identical concerts will be presented at the two morning services, which are at 9:15 and 11 a.m.

The Choir has traveled widely in the East presenting similar concerts and has been very well received by the public. The Choir Director is the Rev. Robert E. Bornemann, who is Associate Professor of Old Testament and Hebrew at the Seminary.

The public is invited to the concert.

The 10 most-used spices in this country (but not necessarily in the order named) are: cinnamon, chili powder, black pepper, ginger, cloves, paprika, oregano, nutmeg, sage, and mustard.

THE GREAT WIDE-TRACK DRIVE IS ON!

There's very little difference between Wide-Tracking in a Pontiac and ordinary driving... in dollars. A big, powerful Wide-Track Pontiac costs no more than some of the so-called low-priced cars. So if you're settling for less than a 400 cubic inch V-8 and a big-car 121-inch wheelbase, stop settling. Start Wide-Tracking. The drive is on. See your Pontiac dealer. Ten Pin Talk

By Henry Dockswell

The third man finally showed up. Irv Simes was the third man this year to bowl a triple. And the strange part of it is that when he threw the first few balls he commented to Dave Kaye, one of the opposition, that he just didn't feel as though he had it tonight. He had it alright, to the tune of a 201, a 214 and a 223 for the clincher. As a result Irv's "Spoilers" blanked Nat Warren's "Weepers" and rose two places to 3rd. This brought Irv's production of 200 Games to 16 and he is now the leader. The aforementioned Dave Kaye clicked off a 202 in his last game but it served only as window dressing.

Three other men brought in doubles and two of them helped their teams to 8-3 victories. Bill Kellerman seemed stuck in a rut as he came up with a pair of even 200's to lead his "Buffalos" to the long end of the score over Leo Geyer's "Lions". But Sam Margolies, as he bowled a 200 and a 221, needed some help and he got it from Bernie Schmierer who bowled his best series ever. This is Bernie's second year of bowling and his average is up to 136. This past Monday night he threw a 141, a 158 and a 180 to provide the much needed help for Herb Brody's "Charley Browns" to subdue Sid Sachs' aching "Molars."

The third man of the trio was Cap't Robbie Goldstein. He fashioned a 204 and a 234 but his "Robbers" didn't fare as well. Milt Hoffman, of the opposing "Abnorms", got himself a 212, and with a better performance by his teammates the "Abnorms" triumphed 7-4.

Art Rosenthal rolled the best game of the night, a 245. It was in his third attempt and it led the way for Sid Simon's "Pink Panthers" to tie their own record for Hi Team Game Scratch with 955 and it cemented an 8-3 win over Bruckner's "Murder, Inc." If Mike Hausman hadn't thrown a 201 in the second game, "Murder, Inc." would have been shut out.

Close behind Art was Sid Holtzman who fired a 241 and lost. His "Hippies" had split the first two games with Hal Goldenberg's "Doc's Ducks" and when Sid picked the rubber game to power his 241 you might think the "Hippies" had it. They didn't. Cap't Hal got a 200 in the second, Murray Kowlowitz got a 203 in the third and "Doc's Ducks" were the winners, 8-3.

Here are the five other men who cracked the 200 barrier: Morris Garellek, 228; Julie Gershen, 224; Les Goldstein, 223; Jack Jacobs, 207 and Harry Seaton an even 200.

College Seniors Learn Workings

A new "Internship" program which will give college seniors an opportunity to learn the workings of Nassau County government and earn academic credits at the same time has been announced by County Executive Eugene H. Nickerson in cooperation with the St. John's University Dept. of Political Science.

Eight hours each week are spent by the "interns" working in the office of Alfred E. Moon, Deputy County Executive for Administration.

Plan Massive March on Albany

Plans were set in motion at a rally held at Jericho High School the evening of March 6 to stage a massive march on Albany with the aim of obtaining legislative action that will raise the State aid to education formula to \$800 per pupil. This represents an increase of \$140 from the present formula and is \$74 more than the amount Gov. Rockefeller has recommended for the coming fiscal year.

Sponsored by the Jericho Educational Conference Committee, the meeting was attended by representatives from a dozen Nassau and Suffolk school districts, Parent-Teachers Associations, civic associations, Teachers Associations, the L. I. Educational Leadership Conference, the N.Y.S. Congress of P.T.A.'s, and the Suffolk Zone of the N.Y.S. Teachers Association. Jericho Board of Education President Hal-Curtis Felsler presided.

"The State has a broader, and consequently more equitable, tax base than the school districts have," Felsler said in part.

"The whole island has never joined together like this before," said Assistant Superintendent of Jericho Public Schools David Nydick. "Although smaller groups have applied pressure individually."

Also named to the steering committee were: Samuel Springer and Howard Jankowitz, School Board Members; David Nydick, Ass't. Superintendent; Lionel Goulet, Principal, all of Jericho. Additional representatives were named for Nassau and Suffolk.

At a follow-up committee meeting held the afternoon of Sunday, March 10, the march on Albany was definitely set for Tuesday, March 26. It was also tentatively decided at that time to send only a "selective representation" of school officials, teachers, civic leaders, and PTA members to Albany.

The Long Island Educational Leadership Conference is expected to consider a resolution this week proclaiming March 25 "Long Island T-Day." "If the resolution is passed," said Mrs. Raymond Travis, the Conference Chairman, "we're going to get everyone either to telegraph or telephone their legislators in support of the \$800 bill."

School Board to Negotiate Sale of Nicholai

OLD NICHOLAI ST. SCHOOL, left, is no longer used by Hicksville School District for classes and the Board of Education is now considering disposal of the structure and one-acre tract. Trinity Lutheran Church, right, which also has an adjoining school, is interested in acquiring the property which faces it for a playground for its students. Portions of the original building date back 75 years. The school was officially closed to classes as of Sept. 13, 1967 when found to be structurally unsound for student use. Students have since been temporarily housed in Holy Trinity High School. A plan to offer the building and land for sale to the highest bidder on a newspaper want ad was defeated 4 to 3, last night (Wed.). A motion to enter into formal negotiations with the Church regarding the property was carried, 5 to 2. (Herald photos 3/14.)

April 1st Marks Bus Deadline

Parents of children attending parochial school must request transportation of their school districts prior to April 1st. Good Shepherd Lutheran School in Plainview is now beginning its registration for September. The Nursery School will accept youngsters who will be 4 years old prior to Jan. 31, 1969. Children who will be 5 years old prior to January 31st may be eligible for Kindergarten. All inquiries for Grades 1 through 6, as well as the Nursery School and Kindergarten should be addressed to Mr. Rodney Schabel, Good Shepherd Lutheran School, 99 Central Park Road, Plainview, telephone WE15 1-4220 for further information.

Veterans Agency Lists Job Openings

Jack Kluger, Acting Director of the Nassau County Veterans Service Agency, 320 Old Country Road, Garden City, announces the listing of available civil service positions for the Federal, State, Nassau County, and City of New York. A special display, showing current listings is available for all veterans visiting the Agency offices. Daily and weekly changes are maintained by the Agency employment counselor Mr. Robert C. Regan of Massapequa Park. Private business opportunities are also listed. The Agency office is opened weekdays from 9:00 AM to 4:45 PM, from 9:00 AM to 8:00 PM on Wednesdays.

Increase Checks For Social Security

"If you are receiving a monthly social security benefit, the amount you receive will be increased by at least 13% beginning with the check due early in March," reports Sydney Savrin, district manager, of the social security office located at 1505 Kellum Pl., Mineola.

"You do not have to do anything in order to get this increase," Savrin stressed. The minimum monthly benefit for a worker who retired at age 65 will be increased from \$44 to \$55 and maximum from \$135.90 to \$153.60.

The maximum payment to a family now on the rolls, \$368 a month, will be increased to \$395.60.

Early Hurricane

The earliest recorded hurricane in the Western Hemisphere was encountered by Christopher Columbus on February 12, 1493, on his return trip from his first voyage to the West Indies.

Of British Origin

Three British sires, the stallions Byerly Turk, Godolphin Barb and Darley Arabian, are the original ancestors of every thoroughbred horse in the world today.

Wish I'd Said THAT

"A beautician says that plenty of sleep is an invaluable aid to good looks. It would seem that a considerable number of people suffer from insomnia." Olin Miller, The Duncannon (Penn.) Record.

"Three mothers complained because they never had a chance to wear their wiglets anymore for their teenage daughters always had them on." Opal Moody, The Drumright Okla. Democrat.

Hicksville Kiwanis News by Past Pres. BILL MURPHY

Do Communities Need Service Clubs???????

I think that communities need Kiwanis, Rotary, Lions, Service Clubs probably more than they ever needed them before. But not so much do they need us from Charitable aspects as from Benevolent aspects.

We're interested in youth, right? Now I think Kiwanis Clubs and other Service clubs need to do more to serve as catalysts and to provide a Platform and a forum for the involvement of young people as Citizens of our Communities, rather than just to hold pancake days to raise money for charity. This is Helpful, DON'T MISUNDERSTAND ME, But if I'm asked what Kiwanis can do today to help serve the community compared with what we once did, I must answer we first need to see that the COMMUNITY is built of Good Moral Fiber. If the need for charitable functions has declined, there are other things that Kiwanis and other service clubs can do and must do if our communities are to grow.

Pres. Walter Dunbar of our Club was very pleased with the turn out at our last regular meeting held at the OLD COUNTRY MANOR, on Wed., March 6th at noon. We had the pleasure of the South Huntington Club. With their Lieut. Governor of Suffolk Division, Frank Waldren and six members, Pres. Walt presented Chas. Montana, who presented two of the members of the Hicksville club with certificates for twenty-five years of active Service. OUR HATS OFF TO Dr. Eric LaBarron and Albert Hoyer.

It also looked like an inter-club by the Long Island National Bank, with Bill Koutensky, Mal Pierce, Albert Schaefer, and Joseph Reinhardt Jr. present. Freedom of speech was guaranteed by our ancestors, but they had no way of knowing how far that freedom would go. Until next week. Top of the Morning to you (MARCH 17th)
