Ask Separate Vote On Transportation

Petitions bearing an alleged 600 signatures asking the Board of Education to make the question of student transportation a separate proposition on the annual school vote ballot on May 8 have been filed with the Hicksville Board as a \$627,962 item.

Charles Fetta, president of League for Intelligent Financing of Education in Hicksville (LIFFE) told the Herald the petitions were filed to assure, if voter approved, student transportation even under an austerity budget. The proposal would not change the distances or other transportation regulations now in effect.

A similar petition filed last year was ruled to be invalid. Meanwhile, the Board of Education has been meeting every night of the week in an effort to complete the record breaking \$14 million plus budget for the May 8 vote. The audiences in the high school cafeteria have been largely members of the faculty, supervisors and department heads, the latter to answer specific questions regarding their phase of the budget.

The position of William Campbell as director of research for the district has been taken out of the budget. He had also been coordinating Federal-aided projects for the district.

There was some discussion Tuesday night, Mar. 19, regarding "direction" given to the Administration in preparation of the budget. It was said the Administration had been "directed" in preparing the draft budget to eliminate activities not of a remedial nature from summer programs, enrichment activities during the week, summer band was eliminated from the budget leaving only basic academics.

School Superintendent Abt reported the budget for summer high school in \$19,000 less with band and driver education eliminated.

Completing Code 200 in the amount of \$10,829,680 brought the Board close to the total gross budget which is expected to exceed \$14 million.

Trustee Harry Kershen has called a meeting of the Budget Information Committee, an advisory group, for Tuesday night, Mar. 26, at 8 PM in the Administration Building.

Local residents who are members of the cast are: Glenn Hughes and Bob Lingvall of Bethpage; Harry Youngman of Hicksville and Bob Trumbor of Jericho—all lead parts. Cathi Cecovi of Jericho and Mark Zerkay of Hicksville are in supporting roles. James Walsh of Bethpage; Pat Crowe of Syosset and Pete Breschard of Hicksville are members of the Chorus.

Special Easter Sale

The Holy Trinity Episcopal Church Women will sponsor a special Easter Sale on Friday, March 29, from 10 a.m. to 4 p.m. and from 7 p.m. to 10 p.m., at the Parish Hall. Everyone will be welcomed by Mrs. Pauline Reynolds, "shop keeper", and her committee. The parish hall is on Jerusalem Avenue near Old Country Road, Hicksville.

Few Vote On Sale Of Fire Dist Land

A handful of voters evidenced interest in the sale of an irregular parcel of land on Newbridge Rd by the Hicksville Fire District on Mar. 18 and the matter almost failed passage. There were 17 votes in favor of the land disposition and 14 against, according to George E. Frey, fire district secretary.

The land had been bought for a possible future sub fire station. The resolution approved by the voters allows sale of the property for not less than \$15,000.

Rev Schwebius 40th Anniversary

The Rev. Louis J. Schwebius, pastor of Our Lady of Mercy R.C. Parish in Hicksville, will observe the 40th anniversary of his ordination to the priesthood on Monday, March 25.

Father Schwebius was born in Brooklyn, he attended St. Leonard's School, and Catholic College, both in Brooklyn, and St. Vincent's Seminary in Latrobe, Pa. Following studies at the University of Innsbruck in Austria, he was ordained there.

Commenting on his priesthood, Father Schwebius said, "I've had a busy, hectic life. I spent 25 years in a big parish - Our Lady of the Miraculous Medal in Ridgewood - and was very much involved with the construction program, seeing it develop into a big city parish. Then I was sent to Hicksville. I was shown a dot on the map and told to 'build something.' We spent the first four years in a barn, but today we have a complete plant, including a school and convent. The people have been wonderful to me."

"A priest may be very involved with the material side of a parish, helping it to develop, but the great consolation comes in the spiritual side of life, bringing souls closer to God. And God has been very good to me, giving me such good souls to work with."

Father Schwebius will offer a high Mass of Thanksgiving on Sunday, March 24, at 11:30 a.m. He will be escorted to the church by a parade of children of the parish, including the drum and bugle corps.

Rev. Louis J. Schwebius

In the afternoon, the parishioners will honor their pastor with an informal reception from 3:00 to 6:00 p.m.

On Monday, March 25, Father Schwebius will offer a Mass at which the children of the school will sing.

Union Offers Job Listings

The Hicksville Federation of Teachers said this week it will offer a professional placement service to district teachers this Spring with the intended purpose to provide an opportunity for the teachers "to learn where the best job prospects are for the 1968-69 school year, and also to put the Board of Education on notice that Hicksville teachers expect a salary scale comparable to other professionals."

The Federation stated that teachers no longer intend to subsidize education, and that additional action would be considered if the Board fails to do justice to the professional staff. The Union was recently defeated in a vote to determine the bargaining representative in Hicksville District.

Correct Dates For Youth Drama

The St. Ignace Loyola Youth Council will present "I Remember Mama" on Apr. 4, 5 and 6 instead of the March dates reported in last week's Herald. Heading the cast is Bernadette Jones.

Dutch Lane PTA To Hear Police

The Dutch Lane PTA of Hicksville will show a film on "Child Molestation" Tuesday, March 26, at 8:30 PM.

The program, sponsored by the Nassau County Police Department, will include a talk by Policewoman Miss Karen Miller.

Mrs. William Leet is President of the Dutch Lane PTA, Mrs. John Andrews is Vice President and Mr. Jules Rosen is Juvenile Protection Chairman.

Mrs Silver to Run Again with Goldberg

Evelyn Silver, whose term as a trustee of the school district expires this year, revealed this week that she will seek re-election on May 8 as a running mate with Marvin Goldberg whose term also expires. Goldberg announced his intention to go for another term last week.

William J. O'Donnell, long active in PTA and scouting, announced his intention to run last week without specifying which of the two open positions.

Charles Fetta, president of LIFFE which is of relatively recent origin, has disclosed that the group is also considering candidates for the two board vacancies. Claiming over 200 members in LIFFE, Fetta said his members will decide "by the next meeting" of the organization.

Mrs. Silver and Goldberg are expected to get the endorsement of TEACH (Taxpayers Education Assn. for the Children of Hicksville) which proposed their candidacies in the past. TEACH with five of its past endorse-

ments now on the Board has majority strength on the Board.

TEACH in its newsletters has been highly critical of School Superintendent Donald F. Abt changing the school system is "bogged down by inertia and hampered by serious educational deficiencies."

The election of Goldberg as president of the Board was acclaimed by TEACH with the headline "creative leadership at last", asserting "now, finally, there is some joy in 'Madville'". Hailed as a major achievement was the Board's decision to hire two LIFFE reporters (under the name of Creative Associates) to handle public relations for the Board.

(The Herald has yet to receive its first written report on a Board of Education meeting from the public relations firm, its coverage being based as it has been in the past upon staff observations at Board sessions. - Ed.)

Nixon Slight Area Choice

Area voters prefer Richard Nixon as the Republican candidate for the Presidency, according to results of the latest National Bank of North America Community Opinion Poll.

This is the way the vote tallied: 49.4% for Nixon, 38.9% for Rockefeller and 11.7% undecided. In other figures released this week by Robert Finlay, manager of the Plainview office, 52.6% support legislation repealing the commuter tax, 46.3% are against repealing it and 1.1% ventured no opinion.

At the same time, 75.7% are against raising state taxes in order to increase the amount of per-pupil state aid to education; 22.1% are in favor of such a tax hike and 2.2% weren't sure.

Does the hippies' protest against society have any merit? "No," said 56.8% of the voters, "yes" responded 43.1% and .1% were mum on the subject.

Pageantry in Brass.

By the St. Ignatius Girls Cadet Corps

Dear Nancy and Missy,

As a fellow drummer and as drum sergeant, I would like to congratulate both of you in your success at St. Joseph's Quartette Contest. The spirit and confidence you indicated are the necessary building blocks for a great '68.

I have personally found much encouragement in seeing you accept the challenge of competition. You have the potential and determination to go as far as you wish in achieving your goals. You have the ability to build a greater and better corps; and our corps will be greater because of young people like you.

I think that we can be very proud of the great team that the St. Ignatius Girls are. Both of you were so willing to enter competition with short notice. And, of course, Paula should be praised for her teaching the drum parts in preparation for the contest! The four of us had the will to work together to achieve our goal. Our object was not merely a medal or a -core, but also an opportunity to prove that individuals can work together to accomplish their purpose. However, we must realize that this recent experience is only the beginning of our new season. Nancy and Missy, you have proven your abilities not only to the people and the judges,

but most importantly, to yourselves. Through this experience, you have gained the preparation and confidence that you will need in the drum line this summer. On behalf of the drum line and the corps as a whole, I wish to congratulate you again on a job very well done.

Love
NANCY

We know it's a bit early, but just to make sure you don't schedule something else for May 5th, we're letting you know that that's the date for the Bloomingdale Civic Association Spring Dance at the Levittown Hall. This is one you won't want to miss, so put it on your calendar and we'll tell you more about it in the near future and remind you when the date comes closer.

Gary Dichtenberg of 33 Basket Lane, Hicksville, has been accepted as a participant in the 1968 Jobs Abroad Work program. He is a student at Hofstra University and will be employed during the summer in a European country.

Dear Sheila:

The community extends its sympathies to the MARVIN GOLD-BERG family upon the death of the School Board President's father during the past week. . . The Levittown Senior Citizens have asked the Hicksville School Board to include funds in the school budget for transportation. It would seem the request belongs further south or the group might consider a name change. . .

A bright and cheerful note has been added to the corridors of Hicksville Senior High where WILLIAM BECKER, director of buildings and grounds, has had lively pastel colors used in the halls. . . Parking field near the high school cafeteria looks like a new car lot with a fleet of rentals used in driver education. . . Last week's comment had MARVIN GIBSON rolling from Hicksville Schools ahead of time. He will be here for another year. . . LOU CESTA on behalf of the nominating committee has presented a Hicksville Rotary Club state which includes HANS KAUFMANN for president. . . The Rotarians have just shipped off 61 packages to men in Viet Nam at a cost of \$412. The current candy drive is making this effort possible. . .

"OUT OF THE FOXHOLE"... AMVETS Alley salutes the GAMMA TAU GAMMA Eng. Society of the Nassau Community College for their outstanding loyalty and Americanism in sponsoring "Back Our Boys Benefit Hop". We all know that we want this mess over with, but as long as we are in it... let's give those kids overseas a big hand. This is the first time since our country and citizens became divided that a College group came out to at least back up those wonderful guys. They, as many of us, realize that as long as Ho-Chi and his Stooges feel we are divided, they will never sit down for a talk. If there was anything else that this column could give those guys and dolls from Nassau Community... I'd give it. Yet I'm sure they will settle for a million thanks from Ex-G.I.'s, Mothers 'n' Fathers, Sisters 'n' Brothers of those kids in Viet-Nam. Those who read this column can help me by buying a ticket to the affair sponsored by the College group that will be held Friday, March 22, Nassau Community College Field House, Stewart Ave., Garden City, N.Y. The proceeds will be used to send gifts to our boys in Combat Areas. Come on Post, Hofstra and all the rest, jump on the Band Wagon and "BACK OUR BOYS". REUNIONS... 104th Inf. "A TIRED MARINE"
I feel like a Mole said a tired Marine
As he staggered and slipped in the muck,
And besides a huge foxhole a miserable wreck
Was the shell of a burned out truck.
The sand-bags were packed round, a hole in the ground
And a few heads were seen here and there,
From the blasting of mortars and shells that had fell
The fields and the forest were bare.
They may come soon enough said that tired Marine
I'm afraid but I know we'll hang on,
And for each screaming shell and a moment in hell
We will never surrender Khe Sanh.

Hicksville Kiwanis News

by Past Pres.
BILL MURPHY

Like it or not, America is A Land of Youth; about half the population is now under the age of 30. But this is no cause for alarm - We Graybeards can still Out-wit them! They need our mellow wisdom and experience and they know it. By the same token we need their energy and audacity, and we know it. KIWANIS, and other service clubs must recruit the Cream from this Crop.

There's a cloud of shame over our Country that is all too common every where. When properly approached on this subject, All newspapers should cooperate with us in publishing youthful Decency and Grandeur, rather than the pitiable amount of Juvenile in decency and squalor.

Action International. Since it was organized last Summer, the Kiwanis Club of AUGSBURG, GERMANY, has rendered outstanding service to the youth of the community. For example, for the local childrens Hospital the club furnished two specially designed sand boxes, three wheelchairs, forty towel sets, a heater, for the bus, and a new television set. Kiwanis Club Members, also had the Hospitals mattresses and drapes cleaned, planted trees and shrubs on the Hospital Grounds, and organized girls from the AMERICAN HIGH SCHOOL into a brigade to clean up the hospital and the school, in appreciation, the club has since donated \$250.00 to the schools slow reader program and \$100.00 to the scholarship fund.

The Kiwanians have recently provided two rugs, an electric train set, a boat, and a gingerbread house for the AUGSBURG childrens home. They also have donated wheelchairs to Augsburg Hospital and to the Augsburg Childrens Spastic Center. As their first Christmas Gift to the Community, the KIWANIANS gave a free organ recital at St. ULRICH's Church. A JOB well done for a Kiwanis Club of about 6 months of age.

This is an election year. What kind of a man do the people want in 1968?? For our President or our COUNTRY? The answer depends on the political climate of 1968 more specifically, of that time just before November. (HAND SHAKING TIME). Will it be a time of peace or a time of war, of prosperity or of recession? Do the voters want a President who is a lion or a fox or one that is a bit of both? Do they want one who possesses great courage, or executive skill, or International Expertise? Which-ever qualities Americans want in the man who is to lead us for the next four years, about all we can hope for now is that the BEST MAN WIN. Give it plenty of Thought.

Past Pres. Walter Dunbar presented our Vice Pres. Dick Warburton, who is in charge programs. Dick had then introduced our Guest Speaker, our own Past Pres. James Walters Principal of the Fork Lane School, who spoke on his trip to Europe and presented slides of Russia. A very interesting program.

SAFETY is no accident.

It's a job. And we all have to work at it. Safety involves thought. And action. It requires a consideration of other people. An alertness to potentially dangerous situations. And it's the kind of thing we can't leave to others. The elderly, the sick, and the very young simply can't be expected to do the job as well as we can. So we have to make up for them.

A good example of this is the Poison Control Center at Meadowbrook Hospital. It was established to provide you with life-saving information and aid in the event that an unfortunate accident, involving the consumption of poison, should occur. Residents of Nassau or Suffolk Counties in need of their help may call IV 9-4000 any hour of the day or night.

But remember, nothing worthwhile comes easily. And safety is no exception. So please, work at it.

AT U.J.A. COCKTAIL-DINNER-DANCE on Saturday, Feb. 17, standing left to right: Dr. Bernard A. Schmierv, Executive Committee Chairman; Henry Dockswell, Emergency Fund Chairman; Stanley Schechter, Co-chairman; Rabbi Stanley Steinbart, Honorary Chairman; Marvin L. Kahn, honored guest; Rabbi Herbert H. Rose, Honorary Chairman and presenting the plaque to Marvin Kahn; Irwin Oppenheim, Co-Chairman; Ralph Diamond, Honorary Chairman and Gitti Zand, National U.J.A. speaker. (see story)

Jericho UJA Best Ever

On Saturday, Feb. 17, the United Jewish Appeal in Jericho had its finest hour. This was the eighth annual affair that the Jericho U.J.A. Committee has sponsored and it was the best ever. For the first time it was a Cocktail - Dinner - Dance that was completely catered and served. It was held at the Jericho Jewish Center and almost 300 people attended to pay tribute to the honored guest, Marvin L. Kahn.

As fine and as enjoyable as the affair was it had to take a back seat when it was learned how much money was raised, \$31,000 was contributed and according to the Committee the drive is far from over. They hope to call every member of the Jewish Community that has not yet seen in their much needed contribution.

The guest speaker of the evening, from the National U.J.A., was authoress Gitti Zand who forcibly brought to light the tremendous need that still exists in Israel and how in over 30 countries of the world there are still many thousands of people that are waiting to be saved from poverty, persecution and even death.

Then Rabbi Stanley Steinbart, in his inimitable way so forcefully demonstrated during last June's Israeli Bond Rally, once again pleaded the case for Israel and humanity. Since people might have thought he was hitting too hard but, Rabbi Steinbart simply voiced the thought and knowledge that much of this suffering could be alleviated if the people of Jericho would help. It brought to mind the phrase, "there but for the Grace of God go I".

Ralph Diamond, Councilman of the Town of Oyster Bay and a past chairman of the Jericho U.J.A., pitched in and handled the announcements of the names of many of the contributors.

The highlight of the evening was the presentation of a plaque to Marvin Kahn by Rabbi Herbert H. Rose. It was a fitting tribute to a man who has given so much time and effort to the cause of U.J.A. Rabbi Rose, in presenting the plaque, mentioned that it was a real pleasure to present this plaque to Marvin for here was a man that had a genuine love of

manhood, a never ending devotion to every cause that touches him and a unique warmth that has endeared him to each of us who is privileged to be his friend. This year's U.J.A. committee is the largest yet and all can be commended for making this year's affair the best ever.

Voters Seem To Like Rocky

Jericho area voters prefer Governor Rockefeller as the Republican candidate for the Presidency, according to results of the latest National Bank of North America Community Opinion Poll.

This is the way the vote tallied: 26.3% for Nixon, 68.5% for Rockefeller and 13.2% undecided. In other figures released this week by Charles Barvels, manager of the Jericho office, 55.2% support legislation repealing the commuter tax, 42.1% are against repealing it and 2.7% ventured no opinion.

At the same time, 52.6% are against raising state taxes in order to increase the amount of per-pupil state aid to education, 44.7% are in favor of such a tax hike and 2.7% weren't sure.

Does the hippies' protest against society have any merit? "No" said 39.4% of the voters, "yes" responded 60.5% and .1% were mum on the subject.

Ten Pin Talk

By Henry Dockswell

"Beware the Ides of March", said Shakespeare. We commonly consider March 15 to be the Ides but it must have spread it's tentacles to include March 18. A lot of unusual and crazy things happened Monday night, March 18.

The league, as a whole, lost control of itself and came up with a new high of 24 games of 200 games or better. Two teams lost by forfeit when in one case only Capt. Julie Gershen was present and in the other only two men were there. Doc Schmeier went crazy again and bowled a 222 to tie the Mac Cushing for Hi Game in Class B and for a new Hi Series of 551 to take the lead in that Class. Sam Springer complained to Dave Kaye (why do they all pick on Dave to complain to) that he didn't feel well and was afraid he was running a temperature so all Sam went on to do was feverishly knock off a 214 and a 202 for a 602 series. To top the night off four men rolled doubles and now there are three men, Irv Simon, Robbie Goldstein and Leo Geyer who are tied at 16 apiece in the race for most 200 Games.

Robbie Goldstein, with a 204 and a 202, Gerry Reichgott with a 200 and a 205 and Leo Geyer with a 203 and a 242 were the other three who came in with doubles. At least Robbie's "Robbers" and the Reichgotts triumphed 8-3 but Leo's "Lions" lost 8-3. We should also mention that the other guy of the double makers, Sam Springer, led "Sam's Champs" to the only shutout of the night as they clobbered the forfeiting "Warren's Weepers" and lengthened their 1st place lead to 11 points.

Gerry's double was joined by Harry Seaton's 200 to insure the Reichgotts victory and remain in 2nd place but Leo's double stood alone and then topped as first Bernie Schmeier, then Sam Margolies with a 215 and then Capt. Herb Brody with a 233 inflicted the loss on the "Lions."

Hal Goldenberg's "Doc's Ducks" resting in 12th place, sprung a surprise on Irv Simon's 3rd place "Spoilers". A pair of matched "Ducks", Sy Cohen and Murray Kowlowitz, each threw a 206 and accounted for an 8-3 win over the "Spoilers"
