## Lively Interest In FD Motorcade

encouraging and heart warming to know that people like yourselves are behind us.

"I have been in Vietnam since last June and have extended my tour, so I will be here until next January. I think it is a small price to pay for a nation that has given me so much. As it is I will celebrate my 21st birthday next January knowing that Uncle Sam and I are square.

"Again, let me express my thanks for your thoughtfulness. Most assuredly all items can and will be consumed. My best wishes to all members of the Rotary Club and their families."

The enclosed letter from the Club follows:

Although the enclosed is wholly inadequate but generates a token of our concern for you, we would not bring you that message empty-handed.

"Unlike the more vocal and extremely small sign waving minority, we, who bring you this message, wish to assure you that we and the overwhelming majority of the folks back home support your efforts and deeply appreciate what you are doing on our behalf.

"We fervently hope that prudence will overcome the enemies strong belligerence and that a way to peace, with honor, may soon emerge.

"In the meantime, our prayers for your safety and well being go out to you each day.

"Yours most sincerely  
"Member of the Rotary Club of Hicksville"

The letter was composed by Rotary Club member Aaron Boehman. The following is a typical reply, this one mailed from a US Air Force Hospital; signed by Sgt. Wayne C. Parton:

"Dear Gentlemen:

"Yes, I was very surprised, but pleased with the receipt of your gift package. Thank you gentlemen: I mean that sincerely, but unfortunately we too often hear of the more vocal minority of dissenters, and so our supporters seem distant and few. It is en-

# Dear Sheila:

The Hicksville Board of Education is considering the more extensive use of temporary-type classrooms for the near future which should substantiate the views of those who argued for this kind of construction when first proposed.

ERNEST G. McCLAIN of 8 Glow Lane, Hicksville, proud to serve the community as a trustee of the public library for the past five years. He does not plan to run for re-election in the May voting. . . . It is opening day for the Hicksville Baseball Assn on Saturday, May 4, with ceremonies at Abe Levitt field on Stewart Ave. near Levittown Parkway at 10:30 AM. First there will be a parade at 9:30 AM. ALFRED HARTMAN is president of the Hicksville Baseball Assn arranging for opening day. . . . Inducted into the newly-chartered Chapter of the National Honor Society at St. Pius X Preparatory Seminary in Uniondale, recently, were PAUL SOLASKI, and ROBERT WARD, both of Hicksville. . . .

The Hicksville School Board is considering a voter proposition which would build more temporary type class rooms equivalent to the space in Park Lane School. The idea of temporaries was vigorously opposed in some areas when first projected has apparently gained acceptance and they have proven their value. It may be a question on the ballot for the May annual vote. . . . State Park Commission announced that a motorist who tossed litter from his car on Southern State Fwy was found guilty on Mar 29 and fined \$10, after a trial. The offender tossed out a newspaper and it landed on the windshield of a park commission patrol car. . . . New president of Hicksville Rotary is HANS KAUFMANN. . . .

William M. Gouse, Jr. -  
Post No. 3211  
by Eddie Kiebing

The past month has been a very fruitful one, thanks to some of the members, for new membership. We are proud to welcome to the William M. Gouse Jr. Post 3211 the following new members: Owen Buckholz; Alan Buckholz (Vietnam); Joseph Cappadora; Edward Collins; Vincent Cronin; Stephen Dickson (Vietnam); Patrick Higgins (Vietnam); Gerard Hyner (Vietnam); William Jansen (Vietnam); Edward Martin; Anthony Miatiti; Albert Munroe; Thomas Nasta; Edgar Snow; Ronald Wellman. Welcome aboard fellows and we hope to see a lot of you at our meetings and functions.

VETERANS BENEFITS: Big news for veterans and servicemen is the Veterans Advisory Commission's proposal of some 80 changes in veterans benefits which include sharp increases in compensation for veterans and widows of deceased veterans and servicemen. In a report to the Veterans Administration, the presidential commission urged that its recommendations be used as guidelines for making improvements in the present system and in establishing long-ranged goals in veterans programs.

Among the 11 member commission was past national commander-in-chief, Andy Borg. Three of the proposals were

single out for special endorsement. These are a proposed resolution expanding the sense of Congress that (1) - private employers should give job priority to returning servicemen; (2) legislative incentives to channel the talents of Vietnam veterans into teaching and other community roles in deprived areas; and (3) the right of burial for a veteran in a national cemetery responsibly close to his home.

House Veterans Affairs Committee chairman, Rep. Olin Teague promised prompt action on many of the proposals. Cemetery recommendations were set for immediate hearings and April hearings for compensation and education and training. The commission also recommended cabinet status for the Veterans Administration and establishment of a Committee on Veterans Affairs in the Senate.

KEEP IN MIND: We are looking for paperback books to mail to our young men serving in Vietnam. If you have any at home, bring them along to our next meeting, which is this coming Monday, or to the one of April 22nd.

## Reader Opinion

To the Editor:  
May 8th, the date set by law for annual voting on our school budget, is rapidly approaching and yet we have no indication that a budget will be available for vote on that date.

While recognizing that extenuating circumstances such as negotiations with teachers and other employees of the district have delayed preparation of a final budget, we must also question the delay in finalizing those portions of the budget which have been presented and can be acted upon at this time.

The School Board has had information concerning all parts of the budget (except employee negotiable items) since the beginning of February but is still dragging its feet on acting on these items. With the exception of one week in which three meetings were held, there has been an apparent reluctance to discuss and finalize those portions of the budget which can be formalized at this time.

With all the Board emphasis on public relations it would seem expedient to get on with the budget information as presently

available and distribute this material to the public as soon as possible. Or could it be that certain members of the Board are reluctant to submit a record budget to the people at the same time that their own candidates are seeking reelection?

## March On Albany For State Aid

Led by School Board President Hal - Curtis Felsber, Superintendent of Schools Dr. Thomas F. Carey, and Raymond Cahalan, President of the Jericho Teachers Association, a delegation of Jericho parents and teachers joined, last week, in a march on Albany to appeal for more State aid for schools. The press services reported that some 500 representatives from more than 20 Long Island School Districts plus several from Erie and Rockland counties, participated in the rally which was set in motion at a March 6 meeting sponsored by the Jericho Educational Conference Committee.

All delegates first assembled at the Ten Eyck Hotel and from there marched to the Capitol in a body.

There Steering Committee Chairman Michael Andrews, Chairman of the Suffolk Zone Council of the N.Y.S. Teachers Association and Michael Lanzarone, of the Plainville School Board, went to the Governor's office and the offices of the Senate and Assembly leaders and presented requests for legislative action to raise the State

aid to education formula to a minimum of \$800 per pupil. This is \$74 more than the \$726 Gov. Rockefeller has recommended for the next fiscal year.

Simultaneously the various School District delegations called on their local Senators and Assemblymen to press for the desired legislation.

In assessing the impact of the rally, Co - Chairman Andrews said that the outlook for approval of the \$800 figure "is not encouraging. I'm afraid the Long Island taxpayer had better get ready for a bleak spring."

He added that while he feels that the rally "got the message across" to legislators, he doesn't see "much chance of them doing anything about it." "There was an awful lot of back-passing going on," he continued, "and trying to get definite answers out of anybody was almost impossible."

Andrews still refused, nevertheless, to concede defeat. "I sincerely believe that if the citizens of Long Island turn on the pressure through letters and telegrams to Albany this week, we may get an increase beyond the governors proposal," he said.

## Ten Pin Talk

By Henry Dockswell

This was a night of new highs. For the first time in the history of the B C A Bowling League a team cracked the 1000 point total in one game. And for the first time ever a team bowled a 3 game series better than 2700. It took the First Half winners, Irv Simes and his "Spillers" to do it and whom do you think they were bowling... the team they beat out for the First Half Championship, Julie Gershen and his humbled "Terrors."

Cap't Simes started the massacre by throwing a 208 in the first game. Then the bombardment really started as Irv came back with a 223, Jerry Leight ripped off a 221, Les Shuman curved a 203, Sol Belodof aimed a 178 and Sid Lang cracked a 212 and then followed with a 206 in the third game. That 2nd game total was 1037 and the series total was 2718. It was the first time that a team had ever thrown as many as six 200 games in one night. Needless to say the "Terrors" were shut out.

This night was also the night (sounds like Passover is coming) that a new record was set for the number of 200 games thrown, 26 times the pins got clobbered. Hy Shapiro got the mostest with a sky rocket like 255 and poor Robbie Goldstein got a measly 200 (his 19th).

There was one rip roaring contest that was doing its share to tear the alleys apart. It was the battle between Norm Ney's "Abnorms" and Hal Goldenberg's "Does Ducks." Hal threw a 201, Murry Kowitz boomed a 234 and Stan Brizel broke the sound barrier twice with a 210 and a 212 but believe it or not they lost 7-4 as Norm Ney rolled a 203. Burt Benjamin came in with a 216 and Milt Hoffman clinched it for the "Abnorms" with a 218.

We have a new league leader. Five weeks ago Springer's "Sam's Champs" captured 1st place and the Gerry Reichgotts were 11th. When the smoke cleared this week the Reichgotts were in 1st place and "Sam's Champs," after a 5 week reign, had to relinquish its grip and drop to 2nd.

In 3rd place, by virtue of a shut out win over the Sachs' "Molars," are Sid Simon and his "Pink Panthers." Sid was instrumental in the win as he applied the pressure with a 211, a 215 and 619 series to lead the way.

There were a number of other good games and contests but we'll limit the honorable mention to the individuals who popped the Magic Circle: Bernie Kaplan 224, Sid Sachs 216, Charlie Smith 215, Julie Stein 211, Al Grusha 210, Joe Jacobs 204, Mike Hauptman 203, Nat Warren 201 and Morty Levine 201.

## Jericho Library Announces Hours

For the first time since its opening more than two years ago the Jericho Public Library will be closed three days during the Passover and Easter holiday period. The Library announced it would be closed from Friday through Sunday, April 12th through 14th. Naturally no fines will be charged for the days the library is closed. Patrons are reminded that the Library will be open the Sunday before Easter (April 7th) from 1 P.M. to 5 P.M.; Monday and Thursday (April 8th and 11th) from 10 A.M. to 9 P.M.; and Tuesday (April 9th) from 10 A.M. to 5 P.M. The Library is closed every Wednesday in order to process new books.

## Bill Would Benefit Jericho School Dist

Despite strong opposition from the State Board of Equalization and Assessment, Senator John D. Caemmerer, Senator Henry Curran and Assemblyman Joseph M. Reilly are putting up a hard fight in the Legislature to add now-exempt State-owned properties to the Jericho School District tax rolls.

In a joint statement, Messrs. Caemmerer, Curran and Reilly said: "Jericho Union Free 15 School District, which is pressed for funds has suffered from the fiscal impact of the Clark Estate and other former privately-owned properties having been acquired by New York State. These lands, which previously had contributed significantly to the Jericho School District budget, have now reverted to tax-exempt status. Based on the current school tax rate, this represents a loss to the Jericho District of almost \$60,000 annually. We would like to see this changed."

While acknowledging that the State-owned lands in the Town of Oyster Bay are employed principally by State University, the Nassau legislators indicated: "There is a certain discriminatory aspect to this situation. In effect, the Jericho School District is footing an unfair proportion of the cost of State Uni-

versity. The residents of this area not only pay their prorated share through State taxes, but they are digging down into their pockets to make up for sizeable loss in local tax revenue suffered since these extensive properties were changed to a tax-exempt category. It is an extremely heavy burden."

A bill to make these State-owned lands subject to local school taxes has been introduced in the Senate by Senators Caemmerer and Curran, and in the Assembly by Assemblyman Reilly. Objections to the proposed legislation have been voiced by the State Board of Equalization and Assessment.

"If we are stalemated or defeated on our bill," Messrs. Caemmerer, Curran and Reilly said, "we hope to attack the problem by approaching the Joint Legislative Committee on Appraisal and Assessment of Publicity Owned Lands. Perhaps we can convince them of the magnitude of the fiscal burden which has been thrust onto Jericho Union Free 15 School District."

"We're not giving up until every avenue has been fully explored. This is a just cause and we intend to fight hard for it all the way," the North Shore legislators concluded.

## Letter to Villager Editor

Re School Board Candidacy

Dear Mrs. Stein,  
I would like to take this opportunity to announce that I shall be a candidate for election to the Jericho School Board on May 8th. This announcement is being made a full month before the vote so that interested residents may examine my qualifications and have sufficient time to question me on any issues that may arise.

My qualifications begin first and foremost with my being a wife and mother as well as a homeowner and taxpayer. I have lived in the District for eight years. My two children, a boy and a girl, have gone through the Jericho elementary schools and are now, respectively, in the Senior and the Junior High Schools. I am currently Director of the United Nations Women's Guild, Long Island Sector. My husband, Sidney Cashton, is Director of the International Computing Center at the United Nations, where he is also Acting Chief of the International Trade Statistics Center.)

My record of community service is extensive and continuous. Currently, I am Vice President of the West Birchwood Civic Association, President of the Friends of the Jericho Library, Chairman of the West Birchwood Youth Group (which serves all of the School District), and member of the recently formed Committee on Summer Employment for High School Students. Over the past eight years, I have been President of the Cantigue PTA, Member of the PTA Council, Director of the Executive Board of the West Birchwood Civic Association, and Vice Chairman of the Lay Committee on School Housing.

What do I offer as a Candidate for the School Board?

Apart from my record of service and involvement, I hope to bring a new dimension to the Board. It is time that a woman's voice be heard on the policy-making level of our school system. Since women are the ones closest to the daily education of their children, it should be possible for them to contact a Board Member who would listen

with mutuality...with the particular insight that comes from personal contact with similar problems.

Furthermore, I would be a "full-time" Board member, available for community contact ALL day, EVERY day. I offer total commitment.

CHARLOTTE-CASHTON  
Ed. note. It is the policy of the VILLAGER to print all letters received by the editor. The publication of this letter in no way is an endorsement of the candidacy of Mr. Cashton after our board of directors meets and has a chance to review the qualifications of all candidates and endorsement of the best qualified will be published in this newspaper.

### Letter To The Editor

To the Editor:

On page 1 of the March 28 issue of the Herald Mr. William O'Donnell, candidate for the school board, has finally found an issue on which to raise his obviously meager qualifications for school trustee.

His analysis of past events, as demonstrated by his bitter charges, are not only distorted and exaggerated but attempt to stir up trouble by innuendo and half-truth.

He also demonstrates his obvious lack of knowledge when he states... "arbitrarily and without a vote... again moved to table discussion until June 1968". Since when is making any motion arbitrary? His lack of expertise, of course, is demonstrated by the fact that my motion to table was supported by a vote of 5-1. Is this the board majority he refers to?

While I have no personal feeling against Mr. O'Donnell, he must realize that facts and regular attendance at board meetings will do more for his qualifications as a potential school trustee than a "rubber stamp" philosophy based on ignorance.

Sincerely,  
Marvin Goldberg  
President - Board of Education

# Hicksville Kiwanis News

by Past Pres.  
BILL MURPHY

Meeting was opened by Pres Dr. Walter Dunbar. We had the pleasure of entertaining the Levittown Kiwanis Club who had 10 MEMBERS of that club present for a interclub meeting. The following members had guests at the meeting on March 27th at the Old Country Manor. Kenneth Barnes of Clean Up King Kelly, Joseph Reinhardt Jr. of Mal Pontiac Pierce, Thomas Casey of banker Bill Koutensky, Long Island National Bank. Bill also made up a meeting at the South Huntington Club, Julie Schwartz made up a meeting at the Albany Club also.

Al Schachner had a wedding anniversary, and Dr. A. Baldasarei had a birthday.

Pres. Dr. Walter Dunbar and the following members and their wives attended the testimonial dinner in honor of PAST LEUT. GOV. Milo Amorosa at the Westbury Manor March 27th; Pres. and Mrs. Walter Dunbar. Past Pres and Mrs. Henry Brengel,

Past Pres and Mrs. Bill Murphy, Vice Pres and Mrs. DICK WARBURTON. Last but not least our own Past Lt. Gov. and Mrs. (UNCLE) FRANK CLUMSKY.

Vice Pres DICK WARBURTON presented our Guest Speaker, Charles H. Stoll. Most of us know Charlie as Judge Stoll. At 80, his compassions still glow hot, his figure is ram rod straight, his tongue is sharp, and his blue eyes crackle. Stoll makes no bones about it, his life has been dominated by three obsessions, The Law, Big Game Hunting, and Conservation. Success in a 40 year old fight to win bureaucratic acceptance of his water conservation campaign for Long Island has eluded him. Today Charles Stoll is within reaching distance of some kind of victory, on his determined, sometimes a one man fight to protect and utilize locally what has always been humanity's most precious natural resource pure WATER WATER.

Past Pres Jim Walters, and our Kiwanis Club will join with the Nassau County Boys and Girls Week Committee in sponsoring a CAREER DAY and YOUTH in Law Day U.S.A. on May 1st. At our regular meeting on that day at the OLD COUNTRY MANOR, Old Country Road at 12:10 P.M.

REV. EDWARD H. STAMMEL, pastor of Trinity Lutheran Church, Hicksville on Mar. 24 conferred the Boy Scout Pro Deo et Patria award on Bruce Rudd of Troop 291 which meets at Trinity. Bruce received this highest Lutheran award in scouting upon the completion of 150 hours of work which was donated to the church. Also involved in the award is a special project which the boys must submit for acceptance. Bruce made a large church year calendar which will be used to help instruct the children at Trinity Lutheran School. From left are Mr. and Mrs. Rudd, Bruce, Rev. Stammel, and Scoutmaster Hugo Spadaro.
