McManus and O'Donnell Win School Election

Voters of Hicksville School District cast more than 5000 ballots in the annual school election of trustees and rejected the current voting majority identified with TEACH which is the Taxpayers and Educational Assoc for the Children of Hicksville. The outcome of the balloting was also seen as a clear cut endorsement of the policies and leadership of School Superintendent Donald F. Abt who had been reportedly scheduled for replacement by other voting elements on the Board.

Elected to the Board were William J. O'Donnell and John J. McManus Jr. for full terms, defeating incumbents Evelyn Silver and President Marvin Goldberg as well as LIFE candidates Theresa Tisdell and James V. Yorke.

O'Donnell and McManus made the following statement when the tally of votes was announced. "Jointly and individually we wish to thank the voters of the Hicksville School District for their positive expression of confidence in us. We view the outcome of this crucial election as important to the future harmony and growth of our school system and believe this was also the position of the voters. We view these results as a mandate to carry out those pledges we made in all sincerity to the people to provide them with the best possible education for their children within the means of the property owners and parents to finance. We also believe the election cast a positive and resounding vote in favor of maintaining the high standards and

quality of our educational system under the capable leadership of School Superintendent Donald F. Abt and his competent staff. The election was a clear cut, positive community expression

supporting and endorsing the policies in our school district which have made Hicksville a leader among the educational systems in the state."

Pageantry in Brass

By The St. Ignatius
Girls Cadet Corps

The beginning of the season always means a new experience for all members of our corps, but especially so for all those moving

up from the Junior Corps to the Senior Corps or the third corps to the Junior Corps. This past weekend both veterans and novices had a chance to get their feet wet.

Saturday night the Senior Corps was one of six corps to put on an exhibition at the Carter Cadet's Spring Festival. Although this was not an actual competition it was great to be back with other corps sharing not only our excitement with our new show but also sharing the excitement of

the other corps there. We've all made big strides towards better shows over the winter recess.

Our second corps and the third corps also got their chance to parade for the first time together as a whole unit, when they marched as an honor guard for the Holy Name Society Communion Breakfast Sunday morning. After which some of these young ladies went to Cantigue Park to watch the first corps practice their 1968 drill.

The next opportunity you will have to see a preview of our 1968 show will be May 19th. We will appear in Hicksville for the Fire Departments Communion Breakfast in the morning, in the afternoon we will form an honor guard for the Bishop at St. Ignatius Confirmation ceremonies and in the evening we will open the baseball season at St. Raphael's Field, East Meadow.

Police Week Set for May 12-18

Nassau Police Commissioner Francis B. Looney today announced plans for the observance of Police Week, May 12 through May 18.

County Executive Eugene H. Nickerson designated Police Week in a Proclamation. It reads, "In the life of our county, police insure our peaceful pursuits. They constitute the first line of defense at home against those who would thwart our freedom.

"Police have given their lives to protect our person and our property and to insure continuing freedom for free men.

"In recognition of their efforts to protect us from the lawless, and with awareness of the need to understand the duties and problems of the police, I, Eugene H. Nickerson, County Executive of Nassau County, do hereby proclaim that the week of May 12 through May 18, 1968, shall be known in Nassau County as "POLICE WEEK."

Wednesday, May 15th, has been designated "Peace Officers Memorial Day in Nassau," and deceased members of the county police department will be honored by a ceremony at 2:00 P.M. at the Memorial Stone in front of the county police headquarters, Franklin Avenue, Mineola.

Speakers at the ceremony will be Deputy County Executive Daniel T. Sweeney, Commissioner Looney, and the chaplains of the department. The presidents of the department's three line organizations will place a memorial wreath at the stone.

Proclamation By The Governor

Governor Rockefeller has proclaimed May 12-18 as "Peace Officers Memorial Week" in tribute to those who have sacrificed their lives in the cause of law enforcement.

Declaring the problems of crime prevention and law enforcement everywhere have become "more and more exacting", the Governor said:

"The people of New York are particularly fortunate in the quality and character of the policemen and police women who carry out their difficult functions for us. The State Police, sheriff's deputies, the police forces of our cities, towns, villages and counties are of the highest standard. We have a right to be proud of the men and women who wear the badge of law enforcement.

Speno Crusades

The New York State Inter-Agency Committee on Hazards of Smoking today asked the Congress to get into tune with New York in 1964 and life in 1968 by placing a strong warning label on cigarette packs.

In a letter to the Chairman of the House Interstate and Foreign Commerce Committee, Rep. Harley O. Staggers of West Virginia, the New York Committee urged public hearings and passage of a bill which would place the following label on every pack of cigarettes:

"Warning: Cigarette smoking is dangerous to health and may cause death from cancer and other diseases." The bill is sponsored by Rep. John Moss of California and has been in committee for a year. The Chairman of the New York State Inter-Agency Committee, State Senator Edward J. Speno, pointed out that a 1964 New York Law, which he sponsored, required the label,

"Warning: Excessive Use is Dangerous to Health". The New York law was preempted later in 1964 by the "meaningless" federal labeling law, currently in use, "Caution: Cigarette Smoking May Be Hazardous to Your Health." The New York law was preempted later in 1964 by the "meaningless" federal labeling law, currently in use, "Caution: Cigarette Smoking May Be Hazardous to Your Health," according to the New York State Inter-Agency Committee.

"The stronger the warning label the more effective it will be as public education about cigarettes leading to absolute abstinence," Senator Speno said.

The Inter-Agency Committee, which consists of all the major public and private health agencies in the state, favors abolishing cigarette smoking by any and all means possible and increasing taxes on them in the meantime.

Letter To The Editor

A Letter To My Legislator

It is in regard to automobile insurance that I am writing and trust that with your busy schedule, you will find time to look into this matter for definite action.

To cite a case in point, because of three minor accidents our family insurance policy was cancelled by the Aetna Casualty Insurance Company. (we were with them for approximately ten years) The state put us on an assigned risk. Fine. We accepted this. However, the assigned risk does not cover fire and theft. Because of a car theft we are literally out in the cold.

Question: What has fire and theft to do with accidents? Why are the insurance companies allowed to take exorbitant premiums to cover only the other fellow in an accident on the assigned risk, when fire and theft are not accidents but are absolutely and without a doubt due to persons unknown. Definitely if a car is stolen it is not the fault of the insured-then why must the insured suffer? Only when such a thing happens does the impact of what such coverage means hit home and pocket. We pay more premium but get much less coverage.

To me it seems like legal thievery on the part of the insurance people. I personally would be only too happy to go without a car, if I could take other transportation to and from work or shopping. Unfortunately, the accommodations for traveling on Long Island are prohibitive.

In regard to car thefts, another problem is the easy way in which master keys can be acquired through car manufacturers. Perhaps this should be looked into.

If petitions are needed, I will be only too glad to assist in acquiring signatures. Many people have already expressed similar feelings towards minimizing car theft hardships.

L.I. Choral Society Arrange Concert

The Long Island Choral Society, under the direction of Norman Hollett, will present its annual Spring Concert on the evening of Friday, May 10 at 8:30 pm in the Cathedral House, 50 Cathedral Ave., Garden City. Guest artists for this concert will be Ala and Carmen Eberseole, who will give a program of Spanish Music of the 16th and 17th centuries, with harp accompaniment.

belatedly are trying to extricate us from Vietnam in order to save American lives," Senator Speno said. "The cigarette kills more Americans every year through cancer, respiratory and circulatory diseases than one hundred Vietnams. Approximately 300,000 Americans die prematurely each year from deaths associated with cigarette smoking. Congress should act favorably on the Moss cigarette labeling bill or remove the preemption clause so that New York can enforce its own dormant law, which I believe most of the other states would follow."

Plans Controls Over Collections

Hempstead Town is investigating a sweeping new ordinance which provides stringent regulations for the control of the private garbage collection industry. Presiding Supervisor Ralph G. Caso announces.

A proposed ordinance was submitted to the town by an industry association, the Waste Removal Institute of Nassau and Suffolk Inc., at a meeting set up by Caso.

Also attending were representatives of Oyster Bay and North Hempstead towns. Caso told those at the meeting that he believes a uniform ordinance should be adopted by the three towns.

A TOTAL OF 50 YEARS OF WEDDED BLESS: Mr. and Mrs. Jerry Zettler of Gardner Ave., Hicksville and Mr. and Mrs. Stanley Berkov of Scotter Lane, Hicksville celebrate their mutual 25th wedding anniversary at the Latin Quarter last Saturday evening. These four nice people were married on the same day (although not in the same church)...they lived in the same apartment house in Williston Park and then, both moved to Hicksville in the early 1950s. "May you all have many, many more such celebrations," is the wish of THE MID ISLAND HERALD.

Dinner Show Happy Combo

Tony Martin, as Sky Master-son in the Broadway hit "Guys and Dolls", is packing them in at the Wedgewood Dinner Theater in Glen Cove. But the fun-filled evening begins for Wedgewood patrons long before the orchestra breaks into Frank Loesser's bright and brassy "Fugue for Tin Horns". It begins with a full-course dinner served in the beautiful Wedgewood Room, chosen from a menu offering such favorites as wine-glazed spring chicken, roast prime ribs of beef au jus, baked Virginia ham, and broiled lobster tails, as well as sirloin steak, roast turkey, and fresh fish in season.

Dinner at the Wedgewood is served from 6:30 P.M. Wednesday, Thursday, and Friday and from 5:30 P.M. Sunday. Prices starting at \$7.95 (depending on choice of dinner entree) cover the cost of the entire evening — dinner, two-hour musical, and dancing after the show. Guests dine at tables arranged in tiers around the oval-shaped center stage; after dinner, they watch the show from their tables while sipping coffee or an after-dinner liqueur.

On Saturday night the Wedgewood is presenting Tony Martin in two performances of "Guys and Dolls". For the Early Show, dinner will be served from 7 to 9 P.M. with continuous dancing. The Wedgewood's regular week night prices will prevail with show time at 5:30.

For the Late Show each Saturday, dinner will be served from 9:30 to 11:30 with continuous dancing; show time at 11:30. Prices, which include dinner, dancing and the show start from \$9.75.

Ten Pin Talk

by Henry Docksweil

Who else, I thought, as we
walked there drinking and sipping
with their wives at the B.A.
(Becton) Night Dance (the other
Saturday) night that in reality
had bombs up their night sleeves.
But come the following Monday
night they both released those
bombs right on target.

Gerry, with a 247, a 216 and
a 628 served his league lead-
ing Ketchicks to an 8-5 victory
over Norm Weis' "Abnorms." The
"Abnorms" didn't give up too
easily though. Norm cracked
out a 225 and Milt Hoffman danced
out a 201 but Gerry was just too
strong.

Irv did nothing less than lam-
mer out a triple. He started his
2nd place "spoilers" off with a
209. In that same game Les
Shuman reeled off a 225 and Sid
Lang bounced a 204 so the "Spoil-
ers" won that one going away.
Then Irv went on alone with a 222
and a 213 to amass a 544 series
and go ahead of Sid Sachs in the
race for most 200 games. Irv
now has 25 to Sid's 22. All this
heavy artillery was just too much
for Bernie Kaplan's 4th place
"chappys" and they went down
to defeat. This 8-3 victory kept
pace with the Ketchicks who so
that the "spoilers" are still only
5 points behind.

The 3rd place "Pink Panthers"
and their Capt., Sid Simon, are
walking around dazed and
shocked. Here they were still
within striking distance of the
jackets and along came Herb
Brody and his "Charley
Browns". Herb fired a 222,
Mort Levine rolled a 205 and the
"Pink Panthers" plummeted to
7th place as they absorbed an
11-0 shellacking. They are now
19 points off the pace and with
only 3 weeks left it looks hope-
less.

Hal Goldenberg's "Doc's
Ducks" beat Murray Gittleman's
"Guzzlers" 3-1 in 200 games but
the "Guzzlers" knocked down
more pins and won the series
8-3. Hal curved a 204. Murray
knowingly clocked a 105 and
St. Cohen threw a 200 but Mur-
ray's 202 plus the cooperation
of the other "Guzzlers" gave
them the victory.

Leo Geyer closed out the night
with his 18th good one, a 204.

Shopping Center Parking, The "Hole" Truth

By Gilbert B. Stein
Hi Neighbor, I know any shopping
center at the Birchwood shopping
center. Well, as long as you
stick to canned goods, packaged
meats and rock candy, your
investment is secure. But don't
try to plan your menu around
wildbaums grade A eggs, easily
bruised fruit or other squash-
ables unless you want to declare
the inside of your shopping bag
a disaster area. You see, the
owners of our shopping center,
Messrs. Sassnow and Schwartz,
by accident and wear and tear,
have made of it a driver educa-
tion course. There are holes in
the parking lot. Small ones,
medium sized ones and quite
a few tremendous ones. Drive
in one wheel and you are parked.
No break needed, the bugs wont
run away. Drive over them and
then stop at your friendly auto-
mobile repair shop and pick out
a new axle.

All our nice local merchants
of course know of the treacherous

condition of the parking lot. If
they will look up their respect-
ive passes, they will even dis-
cover that depending upon the
square footage they rent, they
pay to the landlord a sum of
money each and every year for
the purpose of maintaining the
parking lot in good repair. But
is the bank, the pharmacy, restau-
rant, cleaner, appliance man
butcher and baker doing anything
to meet the need, safety and
convenience of the public? Well
friends, maybe they will. Es-
pecially if you, the customers
will just say a word or two.
Last but not least, no sooner
had the Villager reminded Floyd's
way back early this year of
similar conditions repairs were
made promptly. So it all comes
down to the fact that a little
public goading and reminding
often does a lot of good. Besides
which parking lot repair is good
for the economy and this writer
misses those grade A Wildbaum
eggs in the morning.

Jericho School News

Four Jericho High School stu-
dents were among the award win-
ners named at the 1968 Long
Island Science Congress. The
event, which is a traditional fea-
ture of the New York State Agri-
cultural and Technical College's
annual open house, was held Fri-
day and Saturday May 2 and 3.
It attracted about 300 exhibits
and reports from 30 Nassau and
Suffolk high schools, 10 of them
entered by Jericho students.

Eleventh grader Mark Thier-
man won a Grand Award in chem-
istry - the highest citation at-
tainable - for his project on bio-
chemical fuel cells. As a result
he was named to represent Nas-
sau County at the State Science
Congress being held at Corning,
N. Y. later this month.

Eleventh grader Guy Rochman
and ninth grader John Walker re-
ceived Trophies of Excellence
for their projects in chemistry
and biology, respectively.

Eleventh grader Harvey Mor-
rison qualified for a Merit Award
in chemistry.

Public Schools (Toledo, Ohio)
conducted two choral selections
and Mr. Louis Campiglia, con-
ductor of the San Diego Youth
Symphony and of the San Diego
Ballet Company, conducted the
performance of Zoltan Kodaly's
"Te Deum".

The AYP concerts are part of
a nationwide series of musical
events featuring outstanding high
school musicians from all sec-
tions of the U.S. and from Canada
and Mexico. Throughout the year,
AYP presents a series of more
than 130 musical events in major
U. S. cities culminating this year
in the major concerts in Wash-
ington and New York.

Two Jericho High students have
been awarded scholarships for
study at the 1968 Interlaken,
Michigan Summer Music Camp.
Tenth grader Stephen Molina
and eighth grader Deborah
Schindler are the recipients of
the awards. The former plays
the bass viol in the Senior High
orchestra; the latter plays the
viola in the Junior High orches-
tra. They began their musical
studies as fourth graders in the
District's Seaman and Williams
Schools respectively, with Music
Teacher Alan H. Arnold as in-
structor.

This is the third successive
year Stephen Molina has received
a scholarship from the Camp,
which is nationally recognized as
one of the country's most selec-
tive summer centers of musical
training.

Announcement of maestro Sto-
kowski's participation was made
by C. H. Starrup, American Air-
lines sales manager here. The
American Youth Performs Or-
chestra, sponsored the American
Youth Performs program on a
nationwide basis for the past
three seasons. The program
was founded and is directed by
tenor Charles Abdo.

The three Jericho high school-
ers played as members of the
American Youth Performs Or-
chestra, chorus) at Constitution
Hall, Washington, D. C. on May 7
and at Carnegie Hall, May 9.
Clorinda Mulligano and Stephen
Molina also participated in last
year's AYP concert.

Walter Eisenberg, conductor of
the Boston Univ. Symphony and
the Boston Youth Symphony was
the performance conductor at
both musical events. In Consti-
tution Hall, Mr. J. Eugene Evans,

President's Year End Report

by Ed Petzhoif

Our current year, which ends
with our Election Night Dance,
has been a busy and productive
one. While we faced some failures
they were far outnumbered by our
successes in helping our mem-
bers and residents of the com-
munity with their specific prob-
lems as well as those general
problems affecting our overall
community.

I would like to thank all of the
Officers and Board Members for
their support, efforts and time
devoted to the many tasks and
problems they faced this past
year.

I feel that a special expression
of thanks is richly deserved by
that group of people on the Board
who act as Chairmen of the Stand-
ing Committees and upon whose
shoulders the bulk of work falls.
The Chairmen and the Commit-
tees they so successfully handled
this year were:

- Don Becker... Syosset Educa-
tion Committee
- Mike Hauptman... Membership
Committee and Reliance Liaison
- Sam Lubitz... Town Planning
Bernice Shimberg... Jericho
Education
- Lotte Stein... Editor of your
"Villager"
- Art Rosenthal... Health, Wel-
fare and Safety

It would be impossible to list
all the activities these commit-
tees coped with and resolved this
year but I would like to point out
some of the highlights.

Our Editor, Lotte Stein, took
over the paper in the middle of
discussions with our former pub-
lisher who felt that he could not
supply the paper without a sub-
scription fee from our members.
This problem was resolved by
moving the Villager back home
to the Mid-Island HERALD and
every week during the upheaval
and since Lotte has met the dead-
line to see that the news reached
the community.

Our Education Committee
Chairmen faithfully attended
School Board Meetings and kept
the board advised of the num-
erous activities, problems,

plans, etc. of the two School Dis-
tricts. In addition Don has
represented us at all Syosset
Joint Civic Meetings and Bernyce
and her committee spent many
additional hours in meeting with
the School Board in study and
review of next year's budget.

Due to the efforts of Art Ro-
senthal and his committee a traf-
fic light is to be installed at
Birchwood Park Drive and Rob-
bins Lane, and a traffic control
sign has been installed on Vil-
lage Drive at the Birchwood Park
Drive intersection. They met with
representatives of the New York
State Highway Department sev-
eral times and continue their
efforts to obtain plantings along
the Village Drive Fence and to get
the State to clean up the sump,
which is a breeding ground for
insects, located between the Je-
richo County Club and homes on
Hazelwood Drive.

Sam Lubitz and his Town Plan-
ning Committee were constantly
working on down zoning problems
to protect the area from such
encroachments as sand mining
operations on Brush Hollow Road,
use of the Tivoli Motel of effi-
ciency apartments, illegal use
of a private residence as an al-
leged boarding house, etc. to
maintain the suburban character
of our community.

On taking over the Mem-
bership Committee, Mike Hauptman
initiated a program of personal
contact with all new residents.
Working as our Liaison with Re-
liance, Mike has also spent a
great many hours answering
members questions and improv-
ing communications between the
Board, Members and Reliance.

I would like to take this op-
portunity to acknowledge the
special assistance I received
from our 1st Vice President, Sid
Simon. As my right hand, trouble
shooter, etc. he certainly helped
smooth the rough spots.

In closing I offer a sincere
"thank you" to all members of
the B.C.A. for their support this
past year.

Ed Petzhoif
President

League Urges Master Plan

Representatives of the League of Women Voters of the Town of Oyster Bay met during the month of April with members of the Town Board to determine the Board's commitment to prompt action on obtaining a Master Plan for the Town, and to share its views with the Board on the benefits of planning.

Councilman Edmund Ocker, speaking for the majority of the Board, reaffirmed a long-standing commitment to planning for Town development, but could propose no specific timetable for attainment of these goals.

The League, in action to enforce its conviction that a Master Plan is urgently and immediately needed for our Town, will continue its constructive relationship with the Board.

The bill would be in addition to any benefits they may be receiving.

The House Committee on Veterans Affairs was scheduled to review this aspect and other recommendations by the specially appointed board beginning April 30.

WARNING TO KOOKS who make threatening and obscene telephone calls to parents and relatives of our men serving in Vietnam, Congress has passed a bill which makes it a federal crime to make such calls across state lines. All fifty states have laws covering such calls made within a state.

Two weeks ago we offered to the public an opportunity to purchase, at no profit to us, the Flag of the United States through the VFW. At the request of Americanism chairman, Frank Aug,

we would like to repeat that offer.

We have on hand a supply of our country's flag. It is the popular size for display from a house measuring three feet by five feet. It comes with an aluminum pole and a gilded eagle at the crest. The cost is only \$2.50 and I bet you've seen the same flag go for as much as \$4.50. I have - just last week.

It's not uncommon to see New Yorkers working or visiting the Grand Central Station area of New York City walking along the streets clutching a box which contains the flag the Daily News is selling.

So why not join the many people now buying Old Glory and display your patriotism along with your neighbors. When ordering be sure checks and money orders are made out to "VFW Post 3211."
