State Trust Grants 100 - Gs For History

Restoration and preservation of two structures in Old Bethpage Village was assured for Nassau County with the grant of \$101,000 from the New York State Historic Trust, County Executive Eugene H. Nickerson announced today.

The County Executive said the funds will be used for the Peter Cooper home, called the Cooper-Mott House, and Noon Inn. The grant is one of the first given to local municipalities for a restoration project such as Old Bethpage Village.

"These two fine restorations, which are part of the Nassau County Historical Museum project at Old Bethpage—a pre-civil war village re-creation, will give pleasure to the millions of residents and visitors to Nassau County in this decade, and the years to come," Nickerson said. As authorized by the National Historic Preservation Act of 1966, the Trust has initiated a

State-wide survey of historic sites and historically and architecturally important buildings. It grants funds to those buildings which the Board members feel are qualified for aid. In almost every instance, these properties need improved public facilities, better furnishings and the best methods of interpretation.

The Cooper-Mott House, which was located at the corner of Clinton and Front Streets in Hempstead, was purchased by Peter Cooper in about 1814 for \$762.50. He apparently lived there until 1818 when he moved to New York City. The house changed hands several times and in 1850 was sold to Benjamin B. Mott. The house was owned by members of his family until it was sold last year to the Hempstead Urban Renewal Agency, who then transferred it to the County of Nassau.

The Noon Inn, which was located at the corner of Newbridge

and Prospect Avenues in East Meadow, is one of the oldest existing hotels and inns in Nassau County, dating back to at least the 1840's. It was built sometime between 1831 and 1845, and was operated as an inn, after Noon purchased it, in 1848, until 1913.

At the time the County acquired it, it was slated to be demolished for a Hempstead Town Park.

Nickerson said the grant is the first of ten or more yearly grants which the County will apply for to support the preservation and restoration at Old Bethpage.

A letter written to Nickerson by John H. G. Pell, of Centre Island, one of the trustees of the N.Y.S. Historic Trust, said, "The project deserves to be supported and you deserve to be congratulated on the initiative which has brought this fine undertaking into being."

Conrad L. Wirth is chairman of the Board.

From Congress

Rep. James R. Grover, Jr.

I mentioned in my newsletter for last week the need for further Congressional action to aid the aged and to keep Social Security payments in line with the rising cost of living. There is one other action that all Congressmen should take in behalf of their elderly constituents and that is to kill once and for all a vicious rumor that is sweeping the nation.

The rumor concerns House Bill 5710, which was killed in committee last year but which lives on in an apparently organized rumor campaign which provides my office with many letters and phone calls each week and which is apparently very much alive in other districts. It is said that HR 5710 would have pooled Social Security and welfare funds and made the payments through welfare offices. This would not only have made a demeaning change in the method of distributing Social Security funds, but would have further threatened the integrity of the Social Security system. The bill was killed in committee. Still, the rumor persists that it passed

and that the whole Social Security system will collapse in chaos. This is just not true.

And while we're offering reassurance, I'd also like to calm the fears of those Long Islanders who are wondering whether they shouldn't cancel plans to visit Washington this summer. They fear the camp-in and possible disorders during the summer.

I can only say this. Don't let anyone or anything frighten you out of visiting the Capitol. This city belongs to every American. The demonstrations have, so far, been orderly. The monument areas are well policed and all precautions considered necessary to avoid major problems have been taken. Should any difficulty arise, I am sure that visitors would have adequate notice. The possibility of such difficulties is considered very slight.

It would be a shame to deprive the family of a memorable trip to Washington because of fears of problems which most likely won't exist.

Phi Theta Kappa

Denise Markisoto and Frances Pelavain of Plainview, and John Budnick and Ruth Ives of Hicksville students at Nassau Community College, have been elected to membership of the college's chapter of Phi Theta

Kappa, the junior collegetional honor society.

Thirty-eight students achieved the B or better average which is required for membership in the society.

THE BOSS MAKES GOOD! Professor Samuel Sorgen, left, of New Hyde Park, a member of the Business Department of Nassau Community College, lets his enthusiasm take off as he welcomes Dr. Melvin Morgenstein of Plainview, chairman of the Department, into the ranks of "Outstanding Teachers." Dr. Morgenstein had just been notified that he had been selected as one of this year's two outstanding teachers in the field of Business Education in Nassau and Suffolk by the Long Island Chapter of the Administrative Management Society. Prof. Sorgen was chosen last year. The second outstanding teacher named this year was Herbert Levy, chairman of the Business Department of Plainview's Kennedy High School.

Polo At Bethpage Park

The polo games are open to the public at Bethpage State Park on Long Island Sunday June 2nd. The games start at 3:30 P.M. and will continue every Sunday afternoon through October. Polo is fun for all the family. The games are exciting and the park is a pleasant recreational spot for everyone. The Bethpage polo field is very close to the picnic grounds and spending a day in the park is most relaxing. Anyone who has never watched a polo game will thrill to the daring and exciting plays of both horse and rider and those who know and already love the sport will welcome the return of the summertime games to Bethpage. There is no extra charge for parking and plenty of available parking space. One can watch the game from the stands or from the car or even bring along a comfortable chair and relax on the grassy grounds in full view of the action. Children are especially welcome so no one has to get a baby sitter to take care of the little ones. There's no charge for youngsters under twelve when accompanied by an adult and the young people enjoy the freedom and the excitement. And there's always a refreshment stand with plenty of cold beverages, hot dogs, candy etc.

The first of the season's game this Sunday will be Bethpage versus Westbury. Lining up for Bethpage is Al Bianco, Ted Shapiro, Allen Jenkins, and Fred Braunstein. For Westbury it's Berkley Freeman, John Greenleaf, John Gayer and Fred Zeller.

Wolff Cited For Aviation Work

Rep. Lester L. Wolff (D.-N.Y.) has been cited as the Member of Congress making the greatest contribution to American aviation during 1967 and 1978.

Wolff will receive the Congressional Achievement Award from the International Exposition of Flight for his role in establishing the Congressional Squadron of the Civil Air Patrol and his work for air safety.

Wolff is a colonel and squadron commander of the CAP unit on Capitol Hill. The CAP is the official U.S. Air Force Auxiliary.

Presentation of Wolff's award will take place later this month. This is the highest aviation award presented to a Member of Congress by private industry.

ASSEMBLYMAN Martin Ginsberg, 8th Assembly District of Nassau County, presents NYAEBIC's 1968 Samaritan Award to Dr. Gerald Ente of Jericho and Westbury in recognition of his outstanding service to brain-injured children. Gilbert Henoch (center), president of the Nassau Chapter of the New York Association for Brain-Injured Children, shares this proud moment.

Taking part in the program were the following 6th grade students of the Fork Lane School, Tom Quin, Russel Gould, Donald Howe and Ken Parker. Many thanks to Jim and Howard for a WONDERFUL PROGRAM. I AM A CITIZEN

My country relies upon me to preserve and defend it against forces that threaten my GOVERNMENT, MY CHURCH, MY SCHOOLS, my way of life, my very being.

Born in freedom, believing in freedom, mine is the infinite duty to live as a good Citizen, as a man who serves his COUNTRY. This is the code by which I will use my Freedom.

Public service will be my chief business. Apathy is a habit that becomes a disease from which dies and nations fall. WE will not be indifferent to the public needs of my Community and my COUNTRY. Integrity, character principle, and vigilance are the price that freedom exacts. These we owe to the land in which we live. We will not compromise with what we know to be wrong.

"Did You Remember"
Did you remember
Or did you forget?
That ripped G.L. helmet
And camouflage net.
The carbine that lay there
Broke barrel and stock
The battle worn fellow
That suffered from shock.
Or maybe the Sailor
Who's home from the sea
And minus the right leg
Off up to the knee.
Take Johnny the Gyrene
Who fought all the way
His only possession the Cross
Where he lay.
The Merchant Marines, WAC's
The Coast Guards all raised
The windows with stars.
How quickly you clamored
Bring Victory back here
Not seeing some person

Whose eyes showed a tear.
And now the wars over
Its only a year
But here from within us
Shows some sign of fear.
For all of the blood, the tears
And the sweat
Some did remember
And some did forget.
But please don't you worry
Don't fret or don't cry.
I'll patch up the helmet
Make well the G.L.
Give back to the Sailor
His leg that is missing,
The Gyrene his lips
That were made for just
kissing,
Put starlight and laughter
In eyes that were wet,
And say you remember
That you didn't forget.

Ford Salesmen Honored

Six salesmen from Bee-Ken Ford, Inc., 217 Bethpage Rd., Hicksville were honored for outstanding sales performance during 1967 at a Ford 300-500 Club program in April 1968, at the Concord Hotel, Klamatha Lake, New York.

S. J. Obringer, Ford Division's New York district sales manager, said a select number of Ford dealership salesmen will be presented a club membership award for "excellent retail sales performance."

The 300-500 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country. Mr. Obringer said the average 300-500 Club member sold nearly \$500,000 worth of automotive merchandise in 1967 to qualify for the national honor.

Local Ford retail salesmen who qualified for 300-500 Club are: Michael Schura, Michael Sciuto, Peter Elardo, Roger Daleis, Irwin Rodleder, and Raymond O'Brien.

Library Used As Survey Source

Hofstra University is conducting a survey of Hicksville residents' use of and attitudes toward the Hicksville Public Library. The survey of about 1,500 residents chosen at random from current library cards and voter registration lists, is being done at no cost by volunteers enrolled in an unusual course at Hofstra to train women in the methods of social science research. Results of the survey will be processed through Hofstra's Computer Center.

The 17 questions asked residents in the survey range from their opinion of Library staff attitudes to the availability of desired services and materials. Elery Bean, Chairman of the Library Board, said the survey is being made in an effort to "offer

residents the best possible public library service."

Drs. J. Richard Block and Alfred Cohn of Hofstra's psychology faculty, who teach the non-credit course in Social Science Research Techniques, said about 30 women are enrolled. They divide the teams to do such research for non-profit organizations, as a community service.

HICKSVILLE WATER DISTRICT
Notice is hereby given that SEALED PROPOSALS for the Painting of Tank Riser and Miscellaneous Work, 1.25 M.G. Elevated Steel Tank, at Plant No. 1, will be received by the BOARD OF COMMISSIONERS, of the HICKSVILLE WATER DISTRICT, at the Office of the Board, 4 Dean Street, Hicksville, New York, until 8:00 P.M., Prevaling Time, on Tuesday, June 11, 1968, at which time and place they will be publicly opened and read.

Instructions for Bidders, Proposal, Plans, Specifications and Contract Forms may be obtained at the Office of the Consulting Engineers, Holzmacher, Mendon & Murray, 500 Broad Hollow Road, Melville, New York 11746. A deposit of \$25.00 is required for each set of documents furnished, which will be refunded if the set is returned in good condition within thirty (30) days after the bids have been opened and acted upon by the Board of Commissioners.

Each proposal submitted must be accompanied by a certified check or bid bond, payable to the Hicksville Water District, in a sum equivalent to five percent (5%) of the total amount of the bid, and a commitment by the Bidder that, if his bid is accepted, he will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract.

The Board of Commissioners of the Hicksville Water District reserves the right to reject any or all bids, to waive any informalities therein and to accept the bid which, in its opinion, is in the best interests of the Water District.

The work is to be done on property owned by the Water District on Bethpage Road in Hicksville, New York.

"There was a time when oil was cheaper than gas heat. In fact I used to buy it for 11¢ per gallon. The price of oil has gone up to about 18¢ per gallon today. Also, with gas heat there's no maintenance expense because there's no wear and tear on the system and because you get free service any time of day. Oil is hardly cheaper now."

Ten Pin Talk

by Henry Dockswell

One thing has been for sure this past season, Irv Simes and his "Spoilers" have been as unorthodox, daffy and exciting as the old crazy Brooklyn Dodgers. For instance, on the final week of the First Half, they were in 2nd place, 10 1/2 points behind Julie Gershen's "Terrors". It was position night and as the record shows, they won all 11 points to squeeze out the First Half championship. A few weeks before that they had lost all 11 points to the last place Sid Sachs "Molars" but they then turned around and shut out Gershen's "Terrors" twice, once in the regular schedule and now on final position night.

This time they found a new way. As little more precarious perhaps, but as Rocky Graziano used to say, "Somebody up there likes me."

The "Spoilers" were in 1st place leading the Gerry Reichgotts by 1 point. It's position night. They have split the first two games and now comes the rubber game. This is the point of no return. If the "Spoilers" win, this will be the first team in our league ever to win the "First Half, Second Half and then automatically the Overall Championship. The game is close, so close that as Cap't Irv Simes throws his last ball in the 10th frame the score shows that the Reichgotts have won 840 to 839. But Cap't Simes knew something was wrong for wasn't this the "Year of the Cuckoo".

He nonchalantly picked up the score sheet, casually ran his eyes over Sol Belodoff's score, stopped as his gaze reached the 6th frame and said "Here's the mistake, fellows, Sol should have been given two pins more right here. We win by one pin 841 to 840."

You know, he was right, the sheet was checked and rechecked but he was right. A look at the record and team statistics soon revealed why the "Spoilers" had won the championships. They dominate every team category. They held Hi Team Series Scratch with 2706, Hi Team Series Hdcp with 2718, Hi Team Game Scratch with 10ss (this was the first time any team went over 1000) and Hi Team Game Hdcp. with 1037.

Les Sherman was the guy who shut the door in the Reichgotts face. For in that third and deciding game he fired a clutch 223. In the fine team effort that the "Spoilers" exhibited Les stands out just a little bit. This 223 was Les' ninth good one of the year but 7 of them came in the Second Half. Cap't Simes had increased his average 4 points over the First Half but Les' increase was 5 points. Their other 3 team mates, Sid Lang, Herry Leight and Sol Belodoff were also in there punching as they each increased their averages 2 points.

The Reichgotts won 2nd place in the Second Half and are tied with Sid Simon's "Pink Panthers" for overall 2nd. Sid Simon had a beautiful finish. He grooved a 230 and a 205 to lead his "Panthers" to an 11-0 victory over Herb Brody's Brodyless "Charley Brown" and to 4th place in the Second Half standings.

Third place went to Hy Shapiro's "HyBalls" as with a clutch effort they shut out Robbie Goldstein leaderless "Robbers". Big men in that victory were Ralph Diamond with a 245, Charlie Smith with a 203 and Cap't Hy with an even 200.

Honorable mention on this last night must go to Julie Gershen. He bombarded a 255 and a 204 for a 650 series. It was a fine way to finish up.

Honorable mention for a team on this last night must go to Bill Kellerman's "Buffalos". They rammed 5 good ones through the barrier to finish

Receives Scholarship

Jericho High School senior Steven H. Gardner, has been awarded one of the scholarships offered annually by Rockefeller Center, Inc. He and the other eight recipients of the 1968 awards were honored at a luncheon held May 22 in the Hemisphere Club atop the Time and Life Building.

Jointly administered by Rockefeller Center, Inc., and the Educational Testing Service, Princeton, N.J., the program is open only to candidates who meet the scholastic requirements of the Collegiate Entrance Examination Board, and who have good high school records both in studies and extra-curricular activities. This year's winners were selected by an independent committee of three university officials.

The scholarship awarded to Steven Gardner provides \$750 annually for three years.

Editors Good Bye

Our community offers many positions of leadership to those who wish to help make it a nice place to live, play and raise a family. To be editor of the VILLAGER means to experience the pulse and heartbeat of Jericho, its people, their activities, their frustrations, desires and accomplishments.

For the past year it has been my privilege to gather, edit, re-write and submit for publication that which is news as well as opinion. Together with pictures and captions the VILLAGER was submitted each and every week to our publisher Mr. Fred Noeth. I am grateful to him and the Mid Island Herald for printing the Voice of Birchwood these past 52 weeks just as I deeply appreciate the articles submitted to us by the contributors, my neighbors and friends.

With this, my last issue as editor of the VILLAGER, I wish to thank my fellow members of the editorial board who helped to shape our policy and make decisions regarding same. To Mr. Art Rosenthal, the new editor I wish not only success, but as much pleasure, joy and satisfaction during this coming year as I myself have experienced serving in this capacity.

I also wish to thank Ed Petzold, President of the Birchwood Civic Association at Jericho Inc. (our parent body) and all officers and directors for their encouragement and support.

Last but not least, to all our readers, a thankful good bye and best wishes for a joyous, healthy and "cool" summer season.

And now for Honorable Mention for the whole year, we get to my captain, Sid Sachs. He blasted a 216 and a 224 to capture the most 200's trophy with 27 and High Individual average with 185. For the last 6 weeks of the season Sid had averaged 194. His only dark spot was that his "Molars" finished last but Sid's comment was "What the heck, we all tried and the important thing is we had fun." That we did.

Here are the others who finished up in fine style; Murray Gittelman with two of them, a 221 and a 214, Eli Stempler with a 215, Mal Ratner a 211, Murray Kawlowitz a 202 and Monroe Hyman an even 200.

Before the league bowling this past Monday night, a meeting was held and Sid Holtzman was elected President of the League for next year, Irv Simes, Vice President and Sam Saitz, Treasurer. All were elected unanimously.

A GIRL SCOUT PARTY
By Melissa White 2/25

Junior troop #426, headed by Mrs. Massey and Mrs. Berg had a party to complete the World Games and the Hospitality badges. The party was held on April 29, 1968. To this party they invited troop #595, another Woodland Avenue troop, Mrs. O'Leary and Mrs. Martin are the leaders of troop #595.

In order to complete the World Games badge troop #426 taught Junior troop #595 four games from other countries. They were a Confession game from Czechoslovakia, a guessing game from Africa, a bean game from Canada, and a blind man's game from Sweden.

Later the girls sang songs while the Hospitality Badge workers fixed a snack. Finally troop #595 taught Mrs. Berg, Mrs. Massey and the girls of troop #426 an Eskimo game called Kago. This meeting proved to be very interesting.

Brownie Day at Cantiague Park
On May 23, Brownie Troops from Hicksville enjoyed their annual Brownie Day at Cantiague Park. This is essentially a cook-out to wind up their Scouting year. Older Girl Scouts helped to build the fires and supervise the cooking and many games. The County Park affords ideal facilities for this annual affair, and the girls enjoyed it very much.

Last spring, Sid Robinson still had another year of high school to go, and he'd had no useful work experience at all. But Sid did have something going for him. He was pretty smart. And he was good with his hands.

So when New York Telephone started its first summer-jobs-for-students program, we hired Sid Robinson. And with him, 99 other disadvantaged high-school students. We knew they had potential. We believed they could make good, given a proper chance.

All summer long, they worked and learned as they never had before. They found out how to do a good job and get paid for doing it. They

made our summer-jobs program a success, for us as well as for them.

So we're going on. This summer, in cooperation with the private sector and local government agencies, we're expanding our summer-jobs program. Sid Robinson will be back. And with him six times the number of high-school students employed in 1967.

We expect most of them to make good. And we hope many of them will come to us as permanent employees after they graduate from high school.

They'll be ready for good jobs. And we'll need good people.

They were interested to hear that the Island is self-sufficient, being accessible only by water. Hence, it maintains even its own Fire Department. The entire trip, including a tour of a Coast Guard Cutter was very informative and interesting.

NEW FREEDOM SHARES

**What are they?
Who may buy them?**

Americans have put their savings to work for freedom through U.S. Savings Bonds for many years. New Freedom Shares do the same job... plus. Read how.

Freedom Shares are U.S. Savings Notes. They pay a higher return than Savings Bonds, 4.74% when held to maturity. And they mature in just four and a-half years.

For regular Bond buyers only

These new Freedom Shares—which are not redeemable for the first year—are offered on a one-for-one basis with E Bonds, but only to people who belong to the Payroll Savings Plan where they work or the Bond-a-Month Plan where they bank.

There are four denominations of Freedom Shares, each of which may be paired with a Series E Bond

of the same or larger denominations as a "package." For instance, for \$39 total, you can purchase a Savings Bond that matures at \$25 and a Freedom Share that matures at \$25.

America needs your help

When you buy Savings Bonds and Freedom Shares you do an important job for freedom, backing our men in Vietnam and helping to keep the country economically strong. The need is urgent. What you do counts.

Sign up

Tell your supervisor or the Payroll Department where you work (or any officer where you bank) that you'd like to join a Bond purchase plan. Decide how much you'll save... whether you want Freedom Shares as well as Bonds... and just sign the authorization card.

You'll be helping your country as you help yourself. And the country needs your help.

Town of Oyster Bay Beach, Park Facilities

Oyster Bay Town's beach and park facilities will open officially on Memorial Day.

Councilman Edmund A. Ocker, chairman of the standing committee on recreation, beaches and parks, explained that the town operates one of the most comprehensive municipal programs for a variety of healthful recreational facilities in the state -- on protected inland bays, on the Atlantic Ocean, on Long Island and inland in the town's community parks.

Ocker added that some informational aides have been installed to help residents become better aware of town recreational programs.

"We have six new bulletin boards at the community parks which will be up-dated regularly to inform all residents of the programs scheduled for the various parks," said Ocker. "Information on recreation events will be available also on weekends and after 4:45 p.m., Monday through Friday, via recorded up-dated messages to those calling WA 1-5875."

"We are hopeful that these devices will add to the town residents' convenience and help them better plan the use of the town's extraordinary facilities and participate in the varied scheduled activities."

The variety of facilities, he pointed out, include surf swimming in the Atlantic Ocean at Tobay Beach; surf boarding at Harry Tappen Beach, Glenwood Landing; still-water bathing at Tobay, Beekman in Oyster Bay; Centre Island in Bayville; Roosevelt Memorial, Oyster Bay; Oak Neck, Bayville; Harry Tappen, Glenwood Landing and Alhambra and Florence Beaches, both in Massapequa.

There are small boat launching ramps at Harry Tappen Beach, Glenwood Landing; Roosevelt Memorial Park, Oyster Bay and John J. Burns Park, Massapequa and daily boat docking slips at Tobay Beach.

Other facilities include picnic areas at Roosevelt, Harry Tappen, Stehli and Centre Island Beaches, both Bayville; as well as Tobay; and dinghy storage facility service at Roosevelt. Refreshment stands and comfort stations are at most beaches. Free swimming and life saving courses at Stehli, Centre Island, Beekman, Tappen, Florence and

Tobay are planned.

Arrange Seminar On Lease Guarantees

Oyster Bay Town Board Majority Leader Ralph J. Marino has announced that a seminar on a new federal program of guaranteeing leases for small businesses will be held on Wednesday, June 5 at 3 p.m. in the public hearing room in Town Hall, Oyster Bay.

The seminar, organized by Irving James, Town Commissioner of Commerce and Industry, will deal with how to take advantage of a program under which leases can be guaranteed by the small business administration for terms of five to 20 years for companies qualifying as small businesses.

The principal speakers at the session will be John Axiotakis, local development coordinator for the small business administration and coordinator for the lease guarantee program in the New York area, and Robert H. Davis, an expert in small business administration law who served as the S. B. A.'s first counsel in New York and is currently counsel to the New York City Commercial Development Corporation.

"Historically, small businesses have had difficulty in competing with big businesses for choice locations," Marino said. "However, under this new federal program, it is possible for the less affluent tenant to have his lease guaranteed, either di-

rectly by the S. B. A. or by a participating surety company. This will help make the small businessman a more desirable tenant."

Marino said that all businessmen in the area are invited to attend the seminar.
