## Austerity Debate-Speaker Programs Now Scheduled

Declaring that "Parents are always saying they want more for their kids than they themselves had, but here they are giving them less," high school senior Gary Enos, chairman of The Interested Teenagers and Parents of Hicksville, opened the first of 5 public meetings last Thursday at 7:30 in the Hicksville Library Auditorium.

At the first of the five scheduled Thursday night meetings, Enos announced that this committee would canvass all the houses in the Hicksville area, handing out circulars, explaining the Aug. 27th Budget propositions, and the consequences of austerity. He said that the objectives of the meetings are to convey the message that those programs which will be lost through austerity are vital to a well-rounded education, and to persuade the voters to take the district off austerity Aug. 27th.

On Aug. 1st (today), the second of the meetings will be held. At this meeting Mr. Ponder of the William Floyd School will speak on how austerity effected his district last year, and how it will affect our district, if the Aug. 27th Budget goes down.

On Aug. 8th, a debate between the Yes and No sides of the budget will be held.

"You are invited to these informative meetings, every Thursday night at 7:30 in the Hicksville Public Library", said chairman Enos.

## Legion Seeks To Up-Date List

The Charles Wagner Post #421, American Legion wishes to add the names of Hicksville residents who have entered the armed forces since January to its current list of recipients of gift packages.

For the third consecutive year, chairman Stephen Wladyka of the Legion's Gift Package Committee, has issued a call for information regarding all Hicksville residents who are now serving Uncle Sam any place in the world as members of the military. Since January many young Hicksville people have taken their place besides Americans from

other areas of our country defending America's Freedom and honoring its commitments. Likewise, many of Hicksville's servicemen have finished their duty call and have returned home necessitating an up dating of the Gift Package List.

Parents of the newer servicemen are asked to submit the name and address to the chairman of the committee so that the gift package may be sent to the serviceman wherever he is stationed. Either call Chairman Stephen Wladyka at WE 5-0760 or write him at 6 Winding Road, Hicksville.

## Another Change In Hicksville

County Executive Eugene H. Nickerson has awarded contracts totalling \$582,678 for construction of a new station house for the Second Precinct, Nassau County Police Department. The building will be located on two and a half acres at Jericho Turnpike and Crossways Park Drive in Woodbury. It will replace the present quarters in HICKSVILLE, a century-old wooden frame building originally built as a farmhouse and later used as a restaurant.

"The new Second Precinct station house will provide more space and a better layout from the standpoint of police operational efficiency," Nickerson said. "Its handsome Colonial design will also make an esthetic contribution to the area."

The building will house the uniformed force, a detective division, juvenile aid bureau and a civilian staff. A garage at the rear will accommodate three trucks, two ambulances, four motorcycles and storage.

The awards went to Alana Construction Corp., Melville, general construction, \$249,222; Alodoro Electric Corp., Mineola, electrical work, \$103,865; C.W.J. Mechanical Conditioning, Inc., East Northport, heating and air conditioning work, \$76,388 and E. J. Bachstatter, Jr., Bayville,

## Fred's Last Assignment. ....

## From A Poets Pen.....

I dedicate this poem to Fred J. Noeth, Publisher and friend to many. Fred was as much a landmark as Nicholas Street school was to those of us who attended there. He will be missed by many but not as much as I will miss him. As long as the Mid Island Herald lives. let it be Fred J. Noeth's Epitaph.

### Yesterday

He was a man with heart of gold  
The type you believed could never grow old.  
His darkened hair had turned to gray  
From all the thoughts of yesterday.

I cherished every friendly smile  
At times I'd linger for awhile,  
And speak of all that could have been  
And say did you remember when.

The little ones when they were small  
Recalling every cut and fall,  
Their growing pains and funny ways  
The pleasant memories of other days.

And now our town has lost a son  
Remembering the good you've done,  
A vacant chair now stands alone  
Beside a quiet telephone.

Though you are gone.. no longer here  
I'll brush away each silent tear,  
And keep with me in every way  
The thoughts you left of Yesterday.

## Dear Friends:

Just a few lines this week to thank all of you for your kind expressions of sympathy. Words cannot adequately express what they mean to me and to Fred's daughter and son.

Before his illness made it impossible for him to do so, Fred had taken some pictures. The film was not completed. We had these pictures developed and print some of them here. As always, he was concerned about Hicksville and its surrounding areas, as you can see.

Also, we hope to run a picture each week under the caption "Down Memory Lane" and we invite you to loan us old pictures of Hicksville if you will, so that we can share these memories with all of you who remember the good old days. We promise to take good care of your old pictures and to return them within ten days of their use.

Until next week, take care,

SHEILA NOETH

## Guest Editorial

On Aug. 27th, the taxpayers of Hicksville will have a chance to take the library off their 3 year old austerity budget. Voting "yes" on proposition 3 Aug 27th will put into effect the \$320,812.67 Library Budget.

In simple terms, voting yes on the new library budget will increase your library taxes by \$1.00, making the average Library tax per family in Hicksville only \$16 for the year.

Of course, the library can go on and on, sliding quietly down hill. They can curtail their hours of service and let their book collection deteriorate. Isn't it worth this small increase to keep an excellent library - excellent?

Vote Yes Aug. 27th.

## Pageantry in Brass

By The St. Ignatius Girls Cadet Corps

The members of the St. Ignatius Girls' Cadet Corps wish to extend their sympathy to Mrs. Fred Noeth and family.

Although rain poured down Friday, July 19, the spirit of "Pageantry in Brass", our annual marching and maneuvering contest, could not be drowned. It was in full bloom Sunday night, July 21, under clear and starry skies. Thanks to all competing Corps and spectators who made the trip twice we had a beautiful and successful contest.

We spent the following week on the Drill Field and at music rehearsals in preparation for the American Legion State Championship Contest this past weekend. The contest was held in Syracuse and we marched under the banner of the Charles Wagner Legion Post number 421. Friday morning, before the sun was up, St. Ignatius Girls were loading two cruisers with uniforms, horns, drums, flags, hats, baggage and bags of food and an assortment of the most unusual things. At the crack of dawn, the buses rolled and we were bound for Syracuse. Of course, every fifteen minutes someone wanted to know "how far?" We arrived at the Fulton Motor Lodge at about one in the afternoon, and unloaded the instruments first for a music rehearsal under the trees. Next came the food! Then everyone checked into their rooms to get ready for the parade Friday night. The crowds were pleased with our performance for we got a hand all the way down the parade route.

Friday after the parade the doorsteps of the motel were filled with girls polishing boots (oops... cleaning up polish) and drinking soda. But Friday was "rest"

contests in the Towns of Hempstead, North Hempstead and Oyster Bay will compete for the title of Nassau County Champs. Ten finalists will meet Saturday afternoon from which five bands will be chosen to compete in the finals that evening.

All participants in the Nassau County finals will receive patches. The first and second place winners will receive band jackets, and tape recorders will go to the first place winners.

The program will begin at 8:30 p.m. and in the event of rain, will be held the following evening, August 4.

The Senior Citizens' Area in the southwest corner of Salisbury Park will be the scene of four weekend tournaments during August, it announced today. On August 3 and 4, the competition

night for breakfast was served at 7 a.m. on Saturday. We were dressed in our new uniform, cleaned immaculately for inspection, and boarded the buses at 8 a.m. to head back to Syracuse. We were the third competing corps on the line. We scored top all girl corps in the State and returned that night for an exhibition at the finals before fifteen thousand people! The greatest thrill was to see that tremendous wave of people rise and give us a standing ovation as we came toward the finish line.

Sunday morning we headed south to New Milford for fun and frolic at the country home of Mr. Costa's cousin. After eating our fill of hot dogs, hamburgers, corn, and watermelon we headed home Sunday night - tired! - with another weekend of experiences to talk about and laugh over in the future.

Mr. Richard Ericson who is exhibiting now at the Hicksville Public Library, is an art instructor at the Hicksville High School. He is an artist of outstanding ability and is competent in all media. His art career includes work done at the Art Students League, the Art Institute of Chicago and the University of Chicago, Escuela de Belles Artes, San Miguel de Allende, Gto. Mexico; Esmeralda, Mexico City, Mexico City College, where he received his M.A. degree cum laude. At New Paltz college he took summer courses in teacher education.

In this exhibit we see his oils and acrylics. Only one sculptured piece is included, that a memorial to Dr. Martin Luther King. It was done in the heat of emotion upon hearing of Dr. King's death and is truly a moving piece.

Mr. Ericson feels strongly about social problems as can be seen from his paintings. The finding of one's identity in today's

### ORGANIZATIONAL CALENDAR FOR AUGUST

August 4. Annual Picnic - Teddy Roosevelt Memorial Park, Oyster Bay.

August 12. V.F.W. Business Meeting - 8:30 P.M. - VFW Hall

August 20. Nassau County Council Meeting - Inwood Post, Inwood L.I.

August 26. V.F.W. Business Meeting - 8:30 P.M. - VFW Hall

This coming Sunday, August 4th, members and friends look forward again to another big day of fun, food and festivities when we hold our annual picnic at Teddy Roosevelt Memorial Park. This year we have invited five Vietnam Veterans from the St. Albans Hospital to be our guests. We all hope they can make it.

The three lucky winners in our annual drawing held at the last meeting were:

Mrs. Betty Kiebing, 126 Haverford Road, Hicksville, who won first prize for a portable tape recorder.

Second prize went to Helen Herling, 1 Edgewood Gate, Plainview who now has a nice clock radio.

A. Sanfratello, 4 Russell Street, Glen Cove, won third prize which was a transistor radio.

To the winners we say: "Good Luck and Enjoy."

The following piece of information was published in our Service Officers report and included in packages to our young men in Hicksville now serving in Vietnam:

The Veterans Administration advises soldiers leaving service after a long period of hospitalization to apply for veterans compensation before discharge to avoid any delay in processing of benefits. The advice is aimed at soldiers who have suffered from wounds, injury or disease while in service. The request that application be made prior to separation is that the medical records are still available and can be forwarded directly to the V.A.

Records are forwarded to the Army Record Center in St. Louis, Mo., and sometimes these records don't show up at the center for 30 to 60 days after a soldier's discharge. The soldier filing for claim must apply through mail to his local VA regional office.

Past Commander Jim Klueg surprised us with a visit at the last meeting. Jim and his family now call Altoona, Pa., their home. Most of the members had a good time chatting with Jim about new and old times. So don't be a stranger Jim, drop in on us whenever you can. Incidentally, Jim has retained his membership in William M. Gause Jr. Post.

In closing I want to remind the members and their friends to keep in mind the picnic this Sunday and be sure to bring along their appetites.

complex world, particularly for the young, is a subject he is constantly exploring. We see in no. 30 called "Search For Identity," faceless people each trying to find his face, his identity. There is great symbolism in these paintings. In many of them there is a lighted light bulb hanging from a wire; the harsh light of reality as opposed to fantasy. The chess board is a favorite device too. Are we pawns or are we masters of our fate?

These are very provocative works full of questions and comment each relating to the on-looker on his own emotional level. They will be on display at the library through Aug. 9th.

## News of People

Doreen Ann West daughter of Mr. and Mrs. William West of 36 Bobwhite Lane, HICKSVILLE, graduated from State University of Delhi at Delhi, N.Y.

The scientific work that students so honored undertake must be an effort to uncover new facts of nature and must stem from the personal

efforts of the student.

Robert Ackley and Ronald J. Bradley of Hicksville, have been appointed to the Nassau County Police Department as patrolmen. They will attend a 13 week training course.

Jessica Tava of HICKSVILLE will attend the All-States Encampment at Boxwood State Forest, Massachusetts from August 7 through 23, 1968. ## Birchwood Civic Association Notes

According to Fred Rothman, B.C.A. Financial Secretary, we now have 492 members.

Estimate for the repair of the main entrance gates on Birchwood Park Drive - at Village Drive - has been received. The entrance sign at Merry Lane and Jericho Turnpike, which was torn off its post and carried away by an unknown person last month, has not been located. The Board of Directors, however, has decided that it will be replaced.

Installation of the traffic signal at Robbins Lane and Birchwood Park Drive is still being delayed pending approval by the Town Board of the elimination of some of the curb cuts on the east side of Robbins Lane. As we go to press, we are assured that approval will be forthcoming shortly; the curb cuts will be closed, and installation will proceed.

Representatives Sid and Lorraine Simon of the B.C.A. attended the meeting held on Wednesday, July 24th, of The Jericho Community Calendar Clearing House. Their purpose was to clear the dates for the Association's two regular membership meetings which are held each calendar year, one in May and one in October. Tentatively, the Election Night Dance has been set for either the first or second Saturday in May 1969. Our October 1968 meeting will be set for sometime during the week of October 21st.

Instead of the usual "Meet Your Candidate Night" generally scheduled, The Board of Directors of the B.C.A. has decided to try something different and the following types of programs have been suggested.

- The United Cerebral Palsy Association has offered to supply a speaker and film.
  - A performance by the Jericho Players.
  - Business meeting and general meeting.
  - Combine business meeting with a presentation by the Jericho Players.
- One seat on the Board remains open, that of corresponding secretary. Anyone interested, please contact President Ed Peltzolt or any other Board Officer.

Section 1b. The Board of Directors shall be divided into two classes with nine (9) of the Directors in Class 1, and nine (9) in Class 2. At the next annual membership meeting of the Association to be held in February 1969, 18 directors shall be elected. Those 9 who shall receive the highest votes cast shall be elected for a two year term and shall be included in Class 1. The next 9 who shall receive the next highest number of votes cast shall be elected for a one year term and shall be included in Class 2. At each annual meeting thereafter 9 Directors shall be elected for a term of two years in place of the Directors who terms then expire. The Board at its first meeting to be held in May of each year following the election shall select its own chairman and vice-chairman who shall serve as such for the ensuing year.

Section 1c. In the event of a tie, a re-vote shall be taken amongst the parties having the least number of votes for the remaining vacancies on the Board of Directors.

Section 2. The officers shall each be elected for one year terms. Officers and Directors whose terms are expiring may run for re-election.

**ANOTHER "FIRST":** The first Long Island branch office of the Dollar Savings Bank in JERICHO, is shown in this architect's drawing. Jerry Spiegel Associates will begin construction of the ultra-modern two-story building next month.

## Dollar Savings Bank To Locate In Jericho

Construction of a 12,000-square-foot, two-story building will begin next month at the northeast corner of North Broadway and Bethpage Road, it has been announced by Henry G. Waltemade, president of the Dollar Savings Bank.

The ultra-modern building, to be erected by Jerry Spiegel Associates, Hicksville, owner-builder, will be the first Long Island office of the Dollar Savings Bank which operates six other branches in the New York

City area. The savings institution is ranked as the sixth largest of its kind in the nation.

Upon completion and installation of the latest electronic data processing equipment, the bank will offer a full range of services. Its strategic location in a rapidly developing section of Nassau County will bring major banking convenience to the 55,000 residents of the area.

Parking facilities for 50 automobiles will also be provided.

## Crane Sighted But Not The One For State Sump

Last weekend, one of our confidants telephoned excitedly to report that a large crane was seen on Jericho Turnpike, near the Jericho Country Club, presumably headed for the New York State Recharge Basin (sump). The crane in question was not what Webster describes as "a bird (family Gruidae, order Gruiformes), of a group of tall winged birds superficially resembling the Herons, but structurally more nearly related to the Rails." The crane in which our community is interested is defined as "a machine for raising, shifting and lowering heavy weights, commonly by means of a projecting swinging arm."

A crane is necessary to install the dry wells in the state sump which will drain away the watery condition now existing and continually maintain a virtually dry area. This will eliminate the breeding place of the gnats and

other flying insects which have been making life miserable for the residents in the Haslewood Drive - Holly Lane vicinity.

A staff reporter was hurriedly dispatched to the sump, with a standby call to our photographer. However, our hopes were dashed when the report came back that there was no crane in sight. No work was being done, or had been done; the entrance road was clogged with weeds.

The test holes for the dry wells were bored a year ago and the job was put out for contract. The latest information is that it can take up to July 1969 for this work to be done by a contractor.

Jack Feldshon, M.H. Bauer and their neighbors have been patiently waiting for the flying insect problem to be solved for many, many a year. We hope they have the same patience for at least one more year.

## David Nydick Selected As New Jericho School Superintendent

Exactly one month after Dr. Thomas F. Carey resigned his post as Superintendent of The Jericho Public Schools, the Board of Education came up with a replacement. The School Board did not have to search too far as it named David Nydick, who had been serving as assistant superintendent.

According to President Hal Curtis Felscher, Nydick's promotion will receive formal ratification by the Board at its August meeting, to be effective September 1st.

Nydick is a graduate of New York University and was formerly a teacher in Great Neck. He

also served as a principal and then as assistant superintendent in Princeton, New Jersey.

Superintendent-designate Nydick held the spot as assistant in the Jericho District for three years. In addition to his duties as an educator, the 39 year old Nydick is the author of a nationally syndicated education column for United Press International.

Dr. Carey resigned the post of Superintendent, effective September 1st, in order to accept an appointment to a full professorship of educational administration at the City College of New York.

## BCA Summer Bowling League

Results of Monday, July 29th. Dave Fallick came up with a "BIG" 260, while Anne Dockswell led all women bowlers with a tremendous 222. They were followed by Bernice Lieberman 214, Ralph Diamond 206, Sid Lang 200 and Elaine Brody 197.

**Section A**  
 Three teams are now tied for 1st place with 38 points each; Minoff - Luxemburg, Lieberman - Dembart and Elman - Lemberg. This came about as Lieberman - Dembart swamped Simon - Galt 7-0 and Elman - Lemberg thumped Minoff - Luxemburg by the same score. Remaining games in the division saw Batterman - Kaplan score 5-2 over Cohen - Keller; Truchil - Genshen 4-3 over Kahn-Kaye; Fallick - Lowenthal beat Peltzolt - Barth 5-2 and Green - Jacobs received 5 points in turning back Springer - Goldenberg in two games. Springer - Goldenberg were not present for the 1st game and as Green - Jacobs could not beat their average, they lost a chance for 2 more points.

**Section B**  
 Brody - Rosenthal still lead by virtue of a 7-0 pasting administered to Newman - Koplik. Second placers, trailing by 13 points are Simes - Geyer who dropped a 5-2 set to Warren - Diamond, Sachs - Dockswell are in third position after dropping a 4-3 series to Meadow-Mahler. In other games, Stolberg - Cunningham whacked Hauptman - Goldstein 7-0; Lang - Shuman were 4-3 over Gluckman - Bruckner; Reichgott - Stein took Ladner - Levine 5-2.
