

Teenagers Help Fight Voter Apathy

On Aug. 22, the Interested Teenagers and Parents of Hicksville will hold the last of five programs on the three propositions which all registered voters of Hicksville School District #17, are asked to vote upon on Aug. 27. This meeting, which is scheduled to begin at 7:30 at the Hicksville Public Library, will have Mr. Peter Ahern, Assistant Supt. of Schools of Dist. 17, who will speak on "Our Budget and Austerity." The public is urged to attend.

Fire Department Tournament On Labor Day

Once again, the HICKSVILLE FIRE DEPARTMENT will be hosting its 40th annual parade and drill on Labor Day, Sept. 2. This year in addition to the parade and drill, our Fire Department is celebrating its 100th Centennial.

The parade will start at 9:30 a.m. sharp in the Mid Island Plaza. Contests will start at 12:30 p.m. sharp at the same place.

In the next two weeks THE MID ISLAND HERALD will be bringing you all the details involved in this exciting annual event.

DON'T MISS IT!

IMPORTANT REMINDER

If you wish to vote on the three propositions up for your consideration in Hicksville School District #17, on Aug. 27, registration will be held on Saturday, Aug. 17, from 10 a.m. to 5 p.m. at the Administration Building on Division Ave.

It is necessary to register in order to vote on these propositions, if you have not already registered, or if you have failed to vote in school elections for the past two years.

An Open Letter To The Taxpayers of School District 17

We need your vote on August 27th for the Library's budget.

The Hicksville Public Library has not had a budget approved as submitted since 1964. This has led to a gradual erosion of library services that is reflected in our book budget (currently 60% of 1964-65), reference services and book purchases (down 30¢ from 1965).

All interested citizens have an obligation to the community if they wish to build and preserve good library service - register and vote in the annual budget referendums. It is evident from studies that have been made in 1967-68 that many have not fulfilled this obligation.

In response to a public opinion

survey conducted by Hofstra University for the library 71% of the people responding to a questionnaire indicated that they thought the budget was "reasonable". Another study conducted by the library has shown that less than 25% of our library borrowers are registered voters. These studies very strongly suggest that the greatest enemy of library progress is apathy.

Please be a friend. Register on August 17th at the Administration Building on Division Avenue from 10 a.m. to 5 p.m. Vote on August 27 from 10 a.m. to 10 p.m. at your local school.

Sincerely,
s/Elery H. Bean, President
Board of Trustees

FEW AT PUBLIC HEARING

Less than 150 people comprised the audience and the Board of Education and Administration representatives at the Public Hearing of Hicksville School District #17, held last Wednesday evening in the Hicksville High School auditorium. This hearing which was scheduled in order to answer questions of tax paying residents on the August 27th vote on the three propositions listed in their entirety in last week's issue of THE MID ISLAND HERALD, seemed to be devoted more to a continuing attack on the budget itself (which is not coming up for another vote) by those present, plus, a dozen or so motions by Mr. Harry Kirshon a member of the Board of Education who is running next year for re-election. These motions, which involved the proposed elimination of in-district traveling expenses of main-

tenance men, nurses and supervisors who must travel from school to school; reduction of budget amounts for professional negotiators; postage allotments; amounts designated for overtime help (as against the hiring of full time additional personnel; small reductions on anticipated conference expenses; and anticipated raises for supervisory personnel; were all defeated, either by lack of a second, or were voted down, with the exception of a \$500. reduction of time help, which was passed. It was obvious that these items had been scrupulously cut to the bone by the Board of Education at prior budget meetings.

Mr. Kirshon did, however, move to eliminate \$1100. from Proposition #1, but received no second for this motion. It is noted that Mr. Kirshon had pub-

licly expressed an opinion that the two school propositions coming up for a vote on August 27th, should be approved, at a meeting of the Interested Teenagers and Parents of Hicksville held last week at the Hicksville Public Library.

Questions were then directed to Board President Neal McCormack by Mrs. Florence Infantino, Mrs. Joan Nightingale and Mr. Charles Fetta, regarding the budget itself. Mr. McCormack and the remainder of the Board of Education and Administrators explained what the budget and the propositions are designed to do. THE HERALD is sure that those who were present were enlightened in most areas, whether or not they agreed with the decisions that are necessary for all Boards of Education to make.

Teenager-Parent Committee Sponsors Spirited Debate

A spirited debate highlighted the August 8th meeting of the Interested Teenagers and Parents of Hicksville. Mr. Larry Wolfson, President of Youth, Education, and Scholarship (YES) defended the yes side in Hicksville. Mr. William Bruno de-

fended the negative side. Wolfson urged the people to approve the two budget propositions scheduled for a vote August 27th, which, if passed, would take the district off austerity for the coming school year. Bruno asked the voters to reject the two propositions, which include interscholastic sports, theater, senior ball, year book, cafeteria services, adult education, transportation, and recreation.

Mr. Kershen, trustee, said that in his opinion there were ways of cutting funds off the \$16,285,000 austerity budget to cut school taxes for the coming year, but that the voters should pass the two propositions.

The debate was moderated by

Gary Enos, a senior at Hicksville High School, and chairman of the sponsoring group. He said that while his group favors approval of the propositions, its chief aim is eliminating voter apathy.

The topic for discussion at the fourth meeting of the Interested Teenagers and Parents of Hicksville, to take place at the Hicksville Public Library, tonight - Aug. 15 at 7:30, will be "AUSTERITY, ITS EFFECTS... EDUCATION UNDER AUSTERITY... AND THE TWO PROPOSITIONS." The meeting will be chaired by Gene Malarsky, co-chairman of the group, in the absence of chairman Enos.

WLIR-FM Moving Studios-Offices

Radio station WLIR-FM, Long Island's first all FM station and New York's first stereo station, is on the climb again. After being located for nearly nine years in the "Lower Concourse" of the Garden City Hotel, its studios and offices are moving to the "Front House" of the imperial square building at 175 Fulton Avenue in Hempstead.

John Rieger, WLIR's founder and president, says that the station will be able to serve the public more adequately in its more spacious, air conditioned, modern facilities.

The program policy of the station has not changed significantly in its nearly nine years of operation, and it will continue its high quality entertainment and public service.

The move is expected to take place sometime during August.

Congratulations are in order for our picnic chairman George Kramer and his committee for the bang-up job done on this year's picnic. For a long while it looked like a real Gloomy Sunday with overcast skies but the Sun broke through from time to time and made it a pleasant day. Actually we didn't need Old Sol to make things bright and sunny - George Kramer did that. We were happy to see Matty Matheson and some Vietnam patients from St. Albans. I'm sure the boys had a good time. They were made at home by those attending the picnic and it didn't take long for them to blend in with the members and their friends. . . . Good work George.

COUNTY COUNCIL NOTES: The testimonial dinner for Post Commander William Ward will be held at the Inwood Post, November 16, 1968. Incidentally, the next county council meeting will be held at the Inwood Post on August 20th, at 8:30 p.m. This is referred to THE Post in Nassau County. It is one of the most elaborate VFW Posts on Long Island. Members wishing to see what it looks

like can do so by attending the next county council meeting. Remember, you do not have to be a delegate or alternate to attend these meetings, anyone can attend. The difference being that the commander and elected delegates have voting privileges while the others do not. Any members interested in coming to this meeting should contact Commander Mike Znach.

G.I. BILL: The most popular of all benefits for our younger veterans is the G.I. bill for schooling. More than 800,000 veterans - the majority of them vets who have served on active duty since August 1964, Gulf of Tonkin incident - will be going to school under the bill this fall. This is more than double the total of 387,000 veterans in training at the close of school in June. More information on this subject will be furnished in the Post's Special Service Officers Report and included in our next package to our community's young men serving in Vietnam.

Pageantry in Brass

By The St. Ignatius Girls Cadet Corps

Saturday night was the busiest night of the year (for us that is). At 5:30 p.m. we stepped off the line in Lewisohn Stadium as the first competing corps in a contest sponsored by the Harry Act Drum Corps. The contest was dedicated to Martin Luther King, Jr. and Robert F. Kennedy. There were three shows altogether and we placed third in the second show. For the first time this season we met our rivals, the Notre Dame Girls from Bridgeport, Conn. and defeated them.

The Bedford - Stuyvesant Carter Cadets helped to boost our morale more than usual with their huge sign saying "Let's go Carter and St. Ignatius Girls." With that banner in the stands and the N Dettles back field, we had all the incentive we needed to put on a great show, in spite of the heat. However, as we approached the finish line a few knees gave out and some girls came off like a tumbleweed and ended in a colorful heap.

As soon as everyone was back on their feet, we headed for the buses to move right out for Farmingdale, where the Bethpage Fire Department was awaiting our arrival. We marched to another victory - first place parade prize, making this the fourth parade prize this summer. We previously took first place at five tournament parades in Hempstead, Bellmore and Floral Park.

Next Saturday we will be in Smithtown at 8:00 p.m. and Sunday in Ockland, New Jersey at 2:00 p.m. If you'd like to see a really great show come to St. Joseph's Patron's Show in Brooklyn to see us compete against our long awaited rivals the Audubon Bon-Bons, from Audubon, New Jersey.

Dear Friends:

As those of you who read this column last week know, Mrs. Elaine Arnstein told us that there was a need for four American flags during the coming year, to be used at the J. F. K. Memorial which is dedicated to all the Hicksville men who gave their lives in battle for our Country. One, as I mentioned, will be given by me in memory of Fred. Then, during the week, we were pleased to hear from Mr. Milton Levitt, who is giving one in memory of his father, Mr. Ben Levitt, so well known to one and all "old-timers" of Hicksville. We also received a note from Mr. William L. Maher, president of the Earnest F. Francke Republican Club of Hicksville, who have voted to give one flag. Thank you Mr. Levitt and members of the Republican Club for your participation in this Hicksville project. We don't think it is out of order to once more thank all of you Hicksville citizens and organizations who originally worked together to make this memorial possible. Also, to thank the Nassau County Police Department who are cooperating each day by raising and lowering the flag.

As usual, it is the type of American team spirit, that in projects large or small, makes one proud to be a part of the team ... and in this case, the HICKSVILLE team. Friends, we may have honest differences of opinions, as all thinking people do, but we hope that we never let this stand in the way of our working together for the good of our community and our country.

We received letters this week from several local organizations who were kind enough to let me know that they had devoted a moment of silence to my husband at their meeting. Thank you so very much.

Some of you may know, Fred was selected for a Special Award for outstanding community activities by the Charles Wagner Post #421 American Legion in March 1966. The Award read as follows: "For Outstanding activities in the dissemination of all the news fit and proper to be brought into the homes of the citizens and people of Hicksville, to keep them informed of community activities and to guide and educate them to better community living and to project ideals of good citizenship to all organizations serving as an inspiration to them in the conduct of their daily lives and business."

With your continued help, let us stand firm to the aims expressed above.

Sincerely,
Sheila Noeth

Down Memory Lane

Letter To The Editor

Dear Sir:

In the past years, The Mid-Island Herald has been very generous to the Hicksville Recreation Summer Chorus by pictures and information about our summer concerts which were printed in the paper. This year, although we are not operative under the auspices of Summer Recreation we have an extremely exciting summer concert coming up, and we would ask that you could tell the readers in the Hicksville area about it. The concert will take place on Thursday Evening - August 22nd at 8:15 pm, at the Trinity Ev. Lutheran Church located at 40 W. Nicholai Street in Hicksville, New York.

The group is composed of about 60 High School Students from the Hicksville area who have met for the last past 6 weeks in preparation for this concert. This is my first year as director of the summer chorus, and quite excitingly, my first position as a choir director - since I am only a Junior Music student now attending Fredonia State University College. The upcoming concert will be one of the best, well-rounded, vital, musical programs that a High School group has ever given. A broad scope of musical expression will also be covered. Besides the large chorus, a small vocal ensemble will perform, along with student soloists, and folk groups. The chorus will be the most solid chunk on the program. They are expressive and exciting singers. The group will perform works by such composers as - Bruckner, Victoria, Britten, Niles, Harris, Ellstein, and others.

I hope that you will allow my enthusiasm to be heard by the readers of your paper. We all would appreciate any help that you could give us.

Thank you very much for your time and consideration.

Sincerely yours,
Stephen Goldstein

Hicksville Physician To Become Psychiatrist

Throughout the nation, federally sponsored job retraining programs are developing thousands of new plumbers, carpenters, butchers and other skilled workers.

At Meadowbrook Hospital a similar program is in operation, but this one is training a psychiatrist--Dr. Naftalie Rapoport.

Dr. Rapoport, a physician who spent the last 18 years building a general practice in HICKSVILLE, gave up his practice last month to begin training in a new career as a psychiatrist, under a Meadowbrook program funded by the National Institute of Mental Health.

The federal grant has already provided training for one psychiatrist, and will give Dr. Rapoport \$12,000 a year for the three years duration of his residency. It is designed to attract more physicians to psychiatry, a critically understaffed specialty.

The 46-year-old Dr. Rapoport concedes that the stipend is considerably less than a family doctor can earn. But it offers him a chance to enter a specialty that has interested him since his graduation from Chicago Medical School 20 years ago.

"Psychiatry has changed enormously since then," Dr. Rapoport said. "When I graduated from medical school, I considered beginning a residency in psychiatry but was horrified by the closed wards of those days." Instead, he opened a general practice in HICKSVILLE.

With a wife, a young daughter and a thriving practice, Dr. Rapoport didn't have a chance to get back to his goal of becoming a psychiatrist. But he received great satisfaction from

guiding the families he treated with their emotional as well as their physical problems.

"I've discovered that a general practice requires a considerable knowledge of psychiatry," he said. "A great many of the people coming into your office have psychological hangup which either complicate or are the source of their physical ills. A good general practitioner can spot these problems and help relieve them before they develop too far."

Dr. Rapoport continued, however, to hope for an opportunity to concentrate all his professional talents on treating emotional problems. The opportunity came in June, when the Meadowbrook fellowship became available and the Rapoport's daughter, Marina, graduated from college, simplifying the family's finances.

"The jigsaw puzzle fell into place," Dr. Rapoport said. He decided to come to Meadowbrook.

Dr. J. Martin Samer, chairman of Meadowbrook's department of psychiatry, said Dr. Rapoport is one of seven residents currently receiving training in the specialty at the hospital. He is the only one of the group to have left a private practice to undertake this training.

When the three year residency is over, what will Dr. Rapoport do?

"There are many areas of psychiatry," Dr. Rapoport said. "I haven't yet decided if I'll work in a hospital or open a private practice. I have had one thought, though. If it's at all possible, I'd like to go back to HICKSVILLE so I can continue to help some of the families I've treated for years. Leaving them was the most difficult part of my decision to become a psychiatrist."

Case Proposes Old Court House For Library

The threatened loss of State Aid for the Nassau Library System was believed averted this past Monday (August 12th) when the Nassau County Board of Supervisors created, by ordinance, a Central Reference Library and confirmed the County Executive's appointment of an eleven member board. Hempstead Presiding Supervisor Ralph G. Caso immediately proposed that the new board take under consideration and study utilization of the Old Courthouse in Mineola as the site of a reference library and a distribution center of the Nassau Library System. "A recommendation has been made by the Nassau County Planning Commission", stated supervisor Caso, "that the Old Courthouse be demolished when the Welfare Department which now is its principal occupant, moves into its new building on County Seat Drive. "In a statement before the Mitchell Field Development Corporation, I announced my personal opposition to the destruction of this historic landmark, the cornerstone for which was laid to Governor Theodore Roosevelt in 1901. This building, which has become the very symbol of County government in Nassau, in my estimation, would lend itself to ideal transformation into a Central Reference Library. There

is plenty of room and available parking space. "The taxpayers of Nassau County will be saved many millions of dollars in the construction of a Central Reference Library and the classic Old Courthouse would be preserved for posterity and serve a most useful purpose." Supervisor Caso emphasized the central location of the Old Courthouse, early availability for library purposes with necessary alterations. Adoption of the ordinance establishing the Central Reference Library came on the calendar of the Board of Supervisors as a result of numerous meetings with the Board and representatives of the Nassau County Library Association, the Nassau University Service, college and university librarians and the Long Island Library Resources Council.

Margiotta Praises Nixon

Nassau County Republican Chairman, Joseph M. Margiotta, today called Richard M. Nixon an outstanding campaigner and predicted that he would carry Nassau County by a wide margin in November. "Richard M. Nixon is an all-out campaigner," said Margiotta. "He is probably the outstanding campaigner in our party." Margiotta added. He said that "the public opinion polling that we did in Nassau County earlier in the summer

On Dean's List

Sandra L. Freitag, daughter of Mr. and Mrs. Clifford Freitag, 207 West Marie Street, HICKSVILLE, was one of 173 Lycoming College students admitted to the Dean's List for the Spring semester of the 1967-68 academic year. Admittance to the Dean's List is recognition of superior scholarship. Miss Freitag will be senior at Lycoming in the Fall. She is a history major in the elementary education curriculum.

indicates that Mr. Nixon will make a strong run in Nassau County and I am convinced that he will be the next President of the United States." Margiotta, who led a contingent of more than 300 Nassau Republicans to the Convention said, "There is genuine affection for Richard Nixon among all our party leaders and committeemen and I believe they will be personally motivated in his behalf and that they will do a fine job for him in the campaign." Margiotta said that there were more than 30 Nassau County GOP Executive Committeemen at the Miami Convention and that all of them shared the Nassau County Delegations' enthusiasm for Nixon and admiration for the efficiency of his pre-convention campaign. "It was the most impressive exhibition of effective and statesmanlike campaigning that I have seen the National level," said Margiotta. "I believe that this bodes well for Mr. Nixon's campaign and the entire Republican states' chances in November. We shall do all we can to insure that victory," said Margiotta.

Jericho School Board Makes Appointments

Paul H. Farris, an educator with more than 20 years of teaching and administration experience in New England and New York State public and private schools, has been appointed principal of Jericho Senior High School, the Board of Education has announced. He succeeds John Heller who retired in June.

Mr. Farris comes to Long Island from Liberty, New York High School where he became principal in 1966. Previously he had served as a teacher in Maine and New Hampshire public secondary schools for five years and as a principal in New Hampshire public secondary schools for 15 years.

He received a bachelor's degree from Bates College, Lewiston Maine in 1942 and a Master's degree from Boston University in 1950 and is presently working toward a doctoral degree. He has also pursued graduate study at the University of New Hampshire, Plymouth, New Hampshire Teachers College and Keene, New Hampshire Teach-

ers College. Mr. Farris has participated in the activities of several professional associations including the New England Association of Colleges and Secondary Schools, and the National Association of Secondary School Principals and was general coordinator for the South-Western Area of the New York State Teachers Association last year. He is married and the father of a family of four children.

Two additional appointments announced by the School Board following its July meeting were those of George Batliaka of Oceanside as housemaster of the Senior High Schools Cooper House and John R. Latham of Locust Valley as housemaster of the Junior High's Lincoln Hall.

Mr. Batliaka, who is an alumnus of Dartmouth College, has been a teacher of Spanish in Jericho Senior High School for nine years.

Mr. Latham who is a graduate of New York State University College at Oswego, has taught Mechanical Drawing and Industrial Arts in the Senior High since 1959.

BCA Summer Bowling League

Monday, August 12th, saw the Brody-Rosenthal team clinch the Section B championship of the B.C.A. Mixed Summer Bowling League. Brody-Rosenthal were the front runners all summer and grabbed the pennant despite a 5-2 setback at the hands of Hauptman-Goldstein. The second and third place teams each lost decisions and therefore could not pick up any ground on the section leaders. There are two nights of bowling remaining and, regardless of what Brody-Rosenthal do, it is mathematically impossible for any other team to catch them as they are now 18 points ahead of the second place team. The most a team can win or lose on any given night is 7 points. The Section B winners must now tread water until the final night of bowling when they will face the eventual champions of Section A in a one game roll-off for the overall championship of the League.

Reichgott-Stein sneaked into second place even though they lost a 5-2 decision to Warren-Diamond while Sachs-Dockswell dropped down to a third place tie with Newman-Koplik by virtue of a 7-0 drubbing administered by Ladner-Levine; Newman-Koplik turned back Gluckman-Bruckner 5-2. Other games in Section B; Lang-Shuman trampled Stolberg-Cushing 7-0 and Meadow-Mahler outlasted Simes-Geyer 5-2, preventing the losers from rising above fourth place.

Section A still features the donnybrook it has had all season. Lieberman-Dembart swamped Eisman-Lemberg 7-0 to grab first place by 2 points from Minor-Luxemburg who barely edged Petzholt-Barth 4-3. Simon-Gaft stayed in third place, 4 points behind the leaders and 2 points to the rear of the second placers, by virtue of a 5-2 triumph over Failek-Lowenthal. Truchil-Gershon rose from seventh place to a fourth place tie by slammng Cohen-Keller 7-0. Kahn-Kaye share fourth place with Truchil-Gershon as they narrowly defeated Springer-Goldenberg 4-3. The remaining match had Green-Jacobs blanking Batterman-Kaplan 7-0.

Mary Kahn led the night's scorers with a 622 series, fashioned from a big 245, 198, and 179. Sam Springer came up with two good ones, 214 and 212, but his other game was not up to that standard. Other high scores among the men were Sid Lang 216, Gerry Reichgott 207, Irv. Simes 206, Mike Hauptman 204, Sid Sachs 202, and Ralph Diamond 201.

The women bowlers were paced by Adele Glucksmann's 201, followed by Bea Diamond 190, Rose Gaft 189, Ceil Truchil 178 and Annette Lang 175.

PAVES WAY - Oyster Bay Councilman Ralph Diamond, second left, observes the work performed by the Town Highway Department crew. Left to right are Tom Cassino, Armand Galo and William Ramaldo repairing the curb and eliminating the curb-cut at Robbins Lane at Birchwood Park Drive, Jericho, to pave the way for Nassau County to install a traffic light at that intersection.

Nassau Senior Squadron who is flying the "Sundown Patrol" consists entirely of volunteer CAP senior members who devote their time without compensation.

After leaving Zahus, the CAP aircraft flies a course around the Great South Bay from the Fire Island Inlet to Jones Inlet. Should a vessel needing assistance be spotted, its location is radioed to Coast Guard Auxiliary personnel at the Wantagh Marina, and a vessel is dispatched to render aid.

PICTURED AT HIS DESK is David Nydick, recently designated as Jericho Superintendent of Schools, effective September 1st. Regarding his new appointment, Mr. Nydick stated, "I am proud to be the educational leader in a community which has an outstanding interest in superior education. It will be a distinct professional challenge to work with a most capable staff in providing an outstanding educational program for each individual in the school district."
