

## Hicksville Rotary School Project

Hicksville Rotarians are justly proud of their School Partnership Program, which, under the able guidance of Chairman Edward Teverini, is well on the way to completion as indicated by the following letter from Ethiopia, dated August 8, 1968:

Dear Mr. Teverini:

Greetings from Mettu, Ethiopia. My wife and I are the new Peace Corps Volunteers for the Mettu area and will be here for the next two years. You may have received previous correspondence from John Garamendi, the Peace Corps Volunteer who was working on the Becho School Project. Their two years of service were up last month so he and his wife have returned to the United States. As his replacement I will be here for the completion of the Becho School which your organization is helping to build through your contribution to the School to School Project.

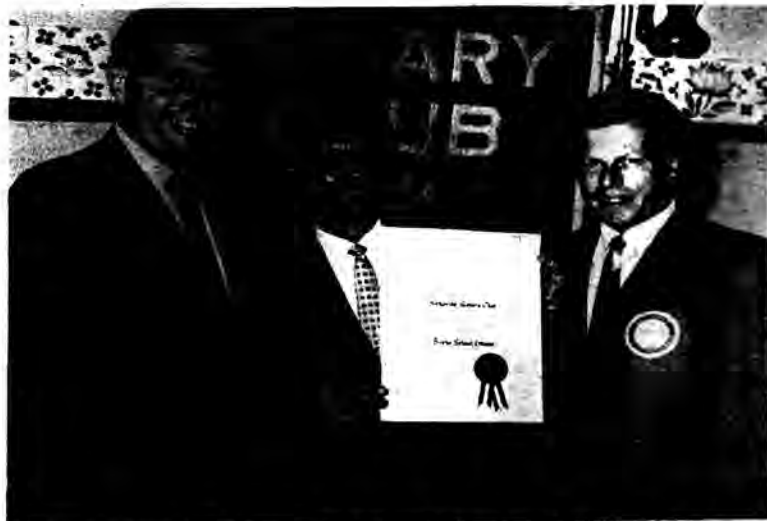

A few days ago I rode out to Becho to see how the construction was coming. As you may already know, the school building will be two separate units of three rooms each connected by a covered breezeway. Five of the rooms will be used as classrooms and the sixth will be split into two sections for use as office and storage space. To date the foundation for half of the building is complete and the

foundation for the other half will be completed by the time you get this letter. The building will be finished by the beginning of school in September.

At the school site there is a committee of Village Elders and a Village Level Worker supervising the construction. I will be making trips to the Becho area every few weeks to see how the construction is proceeding. As Mr. Garamendi may have told you, the major building materials needed for completion of the school were brought in before the rainy season. Any materials or supplies brought in during this season must be flown in from Addis Ababa and this could nearly double their cost. The benches for the students and desks and chairs for the teachers will be bought in Addis Ababa and trucked in after the rainy season.

In closing I would like to thank you and your organization for your financial support of the people of the Becho area in their effort to develop educational facilities for their children. They are all looking forward to the completion and dedication of their new school in September. If you have any questions or comments please do not hesitate to write me. I may be reached at the above Addis Ababa address.

Sincerely,  
James D. Templeton  
Peace Corps Volunteer

ALL ARE JUSTLY PROUD: Hicksville Rotary Immediate Past President Herman Kanfer amiably approves, as Rotary School Participation Program Chairman Edward Teverini (center) displays the Citation received by the Hicksville Rotary Club from the Peace Corps, for their active participation in the Peace Corps School Partnership Program, while on the right, President Hans Kaufmann also expresses his approval of this worthwhile project. ## On The Campus

Rosemary C. Callagrone of 46 Libby Ave., HICKSVILLE, participated this summer in an NDEA (National Defense Education Act) Spanish Institute at Carroll College, Helena, Montana.

The largest contingent of students ever to achieve the Dean's List at Nassau Community College, numbering 883, has been named in the spring 1968 roster released by the Office of the Dean of Students. The list is also unusual in that it contains the names of 28 students with perfect averages --- the most ever recorded in a single semester. Thomas Jarvis of HICKSVILLE and Yolanda Beyra of PLAINVIEW were among the stu-

dents achieving perfect averages. Other local students named to the list were, from HICKSVILLE: Karen Anderson, Paul Bauer, James Bosse, John Budnick, Lorraine Callari, Peter Cherry, Christopher Conley, Robert Dean, Regina Dolan, Gail Dowbak, James Fettes, Janet Franco, Andrea Hage, Ruth Ives, Thomas Jarvis, Lorraine Kearney, Joe Kirk, Joyce Moler, Lynn Marron, Janet Martire, Kathleen McLaughlin, Juan Medero, John Melzer, Maria Messa, Dorothy Parker, Janet Poole, Patricia Rickett, Joseph Rohan, Della Sackmann, Ellen Seherr, Kathleen Shanley, Janet Solaski, Joanne Spencer, Dennis Stone, Rose Throoe, Arleen Trant, Roger Tut-

tle, Herta Ward, Patricia Weygandt, Robert Wladyska, Mark Zenker, Maria Costa. PLAINVIEW students were: Maria Beyra, Yolanda Beyra, Jane Budenbender, Stephanie Delles, Louise Goldstein, Karen Golding, Rand Graynor, Martin Halper, Cruz Hernandez, Nancy Iversen, Samuel Nelson, Steven Mensand, Steven Nelson, Linda Osina, Frances Pelavin, Carmen Pereira, Judith Petr, Susan Segal, John Stein, Phil Teri, Robert Tardeman, Francis Wragge.

Edward Kaplan of 23 Pinetree Avenue, HICKSVILLE attended the July 15-16 session. PLAINVIEW residents who attended the July 17-19 session are: David Comarow, 48 Briarwood Lane; Joseph Davis, 7 Atwood Road; Alan Furman, 6 Beasumont Drive; Beth Greenwood, 21 Pacific Street; Ellen Kaplan, 21 Shelter Hill Road. Also attending this session were: Jay Marshall of 42 Briar Lane, HICKSVILLE; Caroline Meyers of 132 Caroline Avenue, HEMPSTADT; and Richard Sabatine of 8 Spindle Road, HICKSVILLE.

Michael Wunderlich of 26 Summit Street, HICKSVILLE is on the Dean's List at the University of Illinois.

### New Hicksville Project

Jerry Spiegel Associates has begun construction of a new three-story office building at 17 West John Street, 100 feet west of North Broadway, in HICKSVILLE.

The building, situated on a 1/2 acre plot adjacent to the offices of Ivan and Bradstreet, is being developed at a cost of \$300,000, including land. It will contain 10,000 square feet of rentable office space.

Designed by architect Harvey Heine, P.E., the building which is located a half-block from the HICKSVILLE station of the Long Island Railroad, will feature a facade of black matte-glazed brick and aggregate marble. A sunken landscaped garden will enhance both the front and rear of the structure.

Outdoor parking facilities for 35 cars will also be provided, according to Mr. Spiegel, who said that initial occupancy of the building is expected early next year. He said that the building would be named for its major tenant.

The new project marks the fourth office building erected by the Spiegel firm in HICKSVILLE. The three others are 260, 268 and 270 North Broadway.

Jerry Spiegel Associates, based in HICKSVILLE, is a diversified real estate and building organization which has built industrial commercial and residential developments throughout Nassau and Suffolk counties.

# Dear Friends:

It is our pleasure to tell you that Mr. Peter Amoroso of Central Federal Savings and Loan Association in HICKSVILLE and an active member of the Hicksville Rotary Club has volunteered to give the fourth flag, for the JFK Memorial to all the Hicksville War Dead. This completes those needed for the coming year, according to Mrs. Elaine Arnstein who headed up the active committee who worked so hard to make this beautiful memorial a continuing part of the Hicksville scene. If there are any more residents or organizations interested in participating further in this project, you may do so by contacting Mrs. Arnstein at 149 Spindle Lane, Hicksville, as, there is always next year.

We received a note from the Charles Wagner Post American Legion Auxiliary, telling us that the next meeting of this active group is scheduled for Sept. 6th at 8:15 p.m. After the meeting at approximately 9:30, there will be a movie entitled "The Story of Hicksville". Sounds like an interesting program....which reminds us, now that Labor Day is almost upon us, we'd like to remind all you active publicity chairmen that our news copy deadline is Wednesday at noon, and our office is located at 181 Old Country Road (entrance is on the Halsay Street Side). News releases and pictures of your organizations will be welcomed. And, although we may not be able to include every single one you turn in...we anticipate that at least 80% of your news releases which are turned in before our deadline, will be used. Let THE HERALD help you to do an effective job as publicity chairman. It will be our pleasure.

Until next week, do your best,

Sincerely,  
SHEILA NOETH

### "REMEMBER THE PUEBLO"

The "draggin' heels" policy of the administration to take immediate steps to secure the release of the crew of the U.S.S. Pueblo from the hands of the communists in North Korea is a tragic affair. So tragic indeed, when the citizens and the press of this country find time to berate us for our so called aggressive acts in Vietnam, but, amazingly silent on the illegal detention of the crew of the U.S.S. Pueblo.

Joseph A. Scerra, Commander in Chief of the Veterans of Foreign Wars of the United States expressed his indignation over the fate of that crew in a recent news release.

Commander Scerra, in part, stated, "The 1,425,000 members of the Veterans of Foreign Wars of the United States deplores the atrocious treatment of 82 American Servicemen. We wonder why the public here at home and abroad have not been vocally outraged by this horrendous act. All Americans must call on their government to tell the truth about the Pueblo. Are these men still alive? Are they healthy? Is our government doing all in its power to bring them home?"

It is about time the American people demand the return of these men. If enough public reaction is generated here at home, and abroad, then quite possibly the international fuss and bother would compel communist North Korea to return our men, alive and healthy. This is what the great majority of Americans want their government to do."

Commander Scerra's news release must have raised some questions in our minds as to the strength of our defense and response systems. The lives of these men, now prisoners in a communist country, are important enough for us to know ALL of the answers.

The recent activity in Miami a few weeks ago at the Republican Convention did not overlook the veteran and returning servicemen. The party adopted a platform which pledges vigorous efforts to assure jobs for men leaving military service.

The platform also promises: (a) Establishment of a national policy on cemetery and burial benefits; (b) Continued maintenance of veterans benefits under the Veterans Administration; (c) Payment of a rehabilitation allowance to paraplegic veterans. Other pledges pertaining to hospitalization, medical care and compensation were recommended.

Westbrook plans to have their 1916 Model T Ford and three miniature gasoline-powered fire trucks, in the parade, for the first time in New York State. At 12:30 p.m. the firemen will change uniforms and compete in the tournament at Mid Island Plaza. Awards will consist of 50 trophies, donated by merchants and friends of the Fire Dept. The North Bellmore Risky-Dinks, who won the New York State Championship last week at Syracuse, will also be competing.

## Editorial Opinion

Many individuals, including one board member, are confused as to exactly what we are called upon to vote in Hicksville School District #17, on next Tuesday, Aug. 27th. WE ARE NOT VOTING ON THE BUDGET. Hicksville is on an austerity budget, according to your wishes and to the law of the State of New York already.

What we are being asked to vote upon are three propositions as follows:

### Proposition No. 1

Shall the estimated expenditures for school purposes respecting certain Textbooks, Library Books, Instructional and Non-Instructional Supplies and Equipment, and Inter-scholastic Sports for the school year 1968-69 in an amount not to exceed \$821,000.00 be approved, and shall the levy of necessary taxes to meet such expenditures be authorized?

### Proposition No. 2

Shall the estimated expenditures for school purposes respecting Cafeteria, Adult Education, certain Student Transportation and Recreation for the school year 1968-69 in an amount not to exceed \$143,900.00 be approved and shall the levy of necessary taxes to meet such expenditures be authorized?

### Proposition No. 3 (Public Library Budget)

Shall the estimated expenditures for the Hicksville Public Library for the fiscal year 1968-69 in the gross amount of \$332,912.67 be approved and the levy of the necessary taxes to meet such expenditures be authorized?

If Propositions 1 and 2 are approved

1. Average yearly cost about \$50.40.
2. Students will receive supplies as they have in the past.
3. Students and teachers will have needed equipment.
4. Students will get new library books and the District will receive additional free library books from the Federal Gov't.
5. Elementary students will receive textbooks.
6. Students will have interscholastic sports.
7. Supplies and equipment will be available to maintain and run the schools.
8. Adult Education will be available.
9. Recreation will be available.
10. All children entitled to transportation will continue to receive their transportation.
11. Our cafeterias will operate.

If Propositions 1 and 2 are not approved

1. Average yearly cost about \$52.00.
2. Students will have to purchase supplies.
3. Students and teachers WILL NOT have needed equipment.
4. Students WILL NOT get new library books and the District will NOT receive free library books from the Federal Gov't.
5. Elementary students will have to rent textbooks.
6. Students will NOT have interscholastic sports.
7. Sufficient supplies and equipment will NOT be available to maintain and run the schools.

## Help the Hicksville Public Library to Help Your Children!--Vote Yes On Proposition Three

Remember your child's second and third grade assignment on "How did the Eastern Woodlands Indians build their homes, and what foods did they eat? . . . and remember how he -- and you -- searched for the information to help him find the answers?"

Well -- unless the Library budget is passed on August 27th the books to help your children with their future assignments will be fewer in number, and harder to find.

With the present price of a

child's book averaging \$3.75 -- and increasing regularly ---- our austerity budget will permit us to buy fewer new books -- still fewer replacement books -- and hardly any of the costly, but necessary reference materials.

The demands for our services have increased as the modern school's demands on the children have increased!

Without your help, however, our resources will have to be limited, and our services to your

children drastically curtailed!! PLEASE HELP US TO HELP YOUR CHILDREN!

Vote "YES" for the Library budget -- and urge your friends and neighbors to vote "YES"!

The life of your Library depends on it! Register . . . Saturday Aug. 17, 1968 10 a.m. to 5 p.m. ADM. Bldg. Div. Ave.

Vote . . . Tuesday Aug. 27, 1968 10 a.m. to 10 p.m. at your local school.

8. Adult Education will NOT be available.
9. Recreation will NOT be available.
10. Some children presently entitled to transportation will NOT receive their transportation.
11. Our cafeterias will NOT operate.

If your house has an assessed valuation of \$6,000., Proposition #1 will increase your YEARLY taxes by \$47.40, and Proposition #2 will increase them by \$3.00 a YEAR. . . making a total tax increase of less than 14¢ a day. The total library tax rate will be approximately 31/3¢ per \$100 of assessed valuation. The Hicksville Public Library has not had a full budget passed since 1964.

We believe sincerely that this is a fair budget for the year 1968, arrived at by able members of our duly elected Board of Education and our able administrators. We hope that enough of you care enough to come out and vote yes, to enable our school district to do the fine job of educating our children that is one of the best investments in the future of AMERICA, that we know of. These are not just words. Think. Vote YES.

## New Motor Vehicle Law

The new law passed by the State Legislature and signed by Governor Rockefeller last month, becomes effective on October 1. It provides that no summons will be issued if, at the discretion of the police officer, the defect is corrected in his presence. If a summons is issued, it would be vacated if the defect is corrected no later than one half hour after the next ensuing sunset and the motorist presents to the court a statement of correction from an official state inspection station or an automobile repair shop.

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Calendar, Organizational and Community News - WE 8-1965  
 Theater and Arts - Elaine Hauptman - WE 8-1961  
 Insertion Deadline: Sunday Noon - Material Can Be Dropped At Editor's Residence - 13 Millpond Street, Jericho.

## FROM THE EDITOR:

Over the past weekend, the greater part of THE VILLAGER back issue files finally reached the Editor. After a cursory inspection of the entire set of issues, concentration was placed on 1957, the year THE VILLAGER was first published.

It was really amazing because as I read the many articles and saw the many pictures and sketches, I could not help but visualize the enthusiasm, spirit and vitality that went into those first editions.

Then, there were the names of the members of the editorial staff, the regular writers and the contributors of occasional articles, the photographers, the artists and, last but not least, the large advertising clientele. Some of the names are still familiar to Birchwood residents today; some have sold their homes and moved from the neighborhood; some have since retired from active participation in civic affairs.

Here is a list of the names from eleven years ago - see how many you can recall. Editorial Staff: Florence Berger, Ralph Diamond, George Frankel, Irving Herskowitz, Jessie M. Katz, Harold Phillips, Al Ross, Al Schaeffer, Joe Schwartz, Gilbert B. Stein, Gloria Brunswick, Lou Weintraub and Seymour Baron. Writers or Contributors: Herb Shapiro, Dr. Bernard Schmeier, Dr. Martin Lawrence, Larry Gibbs, Jerome L. Abrams, Jerry Gold, George D. Goldman, Sam Hecht, Millie Sloan, and Charles Portnoy. Photographers: George Frankel and Allen Lyon.

Of course, in those days there was plenty to write about and plenty to fight for. The community was new and the builder was the prime target. Roads and schools had to be built; street lights were yet to be installed; there was no home mail delivery. These were but a few of the problems of that period.

Some people believe everything that can be done for them, as individuals, has been done, and that there is nothing left to be accomplished and that the Birchwood Civic Association has had its day. Nothing could be further from the truth - there are many civic problems facing us today. Proposed zoning changes must be continually reviewed; proposed tax increases have to be studied carefully; more traffic signals are needed; garbage collection and disposal still requires attention...among other things.

The grass does not stop growing and neither do the problems, as much as we might wish so.

We need "new blood" it is true, but we do not ever want to forget that we need the "old timers" also. We need cooperation and assistance from all, either actively in the B.C.A. or via articles for the pages of THE VILLAGER. Won't you let us know of your interest?

Art Rosenthal

## Third Annual Horse Show

The third annual Fall Horse Show of the Old Mill Farm will be held on Sunday September 29th at the show grounds on Route 106, Jericho. The day-long event is for the benefit of the United States Equestrian Team, which will be competing in the Olympic Games Oct. 18-27 and in the International Fall Circuit. The show will start at 8:30 in the morning and continue till the championships are awarded in the late afternoon.

The Old Mill Farm show has grown into one of the biggest one-day shows of the circuit. Over 400 horses were entered in the last show. There will be 75 classes in the fall show with events for green and junior jumpers, green, working and amateur-owner hunters, small and large pony and junior hunters. Each carries a championship.

There is an exceptionally large horsemanship division with events ranging from leadline and beginners classes to open horsemanship for the top junior riders and adult horsemanship events. Eight championships are offered for horsemanship.

Three rings and an outside hunt course will be in use throughout the day. The public is welcome. Admission is \$1.00 and refreshments will be available on the show grounds.

**DANGEROUS INTERSECTION** - Looking eastward on Jericho Turnpike at Merry Lane where Kim Astark 13 of Jericho was struck and killed by an auto on July 20th while crossing, wheeling her bike. Area residents are demanding a traffic light at this spot.

## Urgent Need For Traffic Signal At Merry Lane Traced Back To 1957

A check of THE VILLAGER files reveals that, as far back as August 1957, there was an urgent need for a traffic signal at the Merry Lane intersection on Jericho Turnpike. The August 1st issue that year carried this headline across the top of the page, "ANOTHER ACCIDENT OCCURS AT MERRY LANE."

The first three paragraphs of this feature article (quoted below) point up a deplorable situation which has now been permitted to exist for 11 years. A situation which resulted in the tragic automobile accident which took the life of 13 year old Kim Astark of Oyster Bay Road, Jericho on Saturday afternoon, July 20th past.

"In the past two months there have been three major automobile accidents at Merry Lane and Jericho Turnpike. These have resulted in severe damage to five motor vehicles and one truck.

"More important, they resulted in bodily injury of consequence to five adults and three children. This means that action is imperative.

"Your Committee has written to Mr. J. Truex in Albany, requesting the installation of traffic lights."

The 1957 article, written by Dr. Bernard Schmeier and Dr. Martin Lawrence, could very well apply today, with but a few minor changes, to the campaign being spearheaded by the Jericho Public Library.

In the latest developments to date, two of Long Island's leading

daily newspapers have picked up the story of our community's fight for a traffic signal, recognizing that such a light is most essential. On Friday, August 16th, The Suffolk Sun featured the situation with a lengthy article on the front page and, then, on Saturday, August 17th, Newsday (the largest newspaper on the island) had a similar article, though much smaller, on page 11.

For the past two weeks, the State Department of Transportation has been conducting a traffic survey at and near the vicinity of the intersection to determine whether or not a traffic light is warranted. An official of that department said they expect to have the results within the next two weeks.

Motorists passing the Jericho Public Library these last two weeks have noticed that box marked "NYS" chained to the lamp post just below the library, with a rubber hose extending across the street to the other side. That box records the number of cars passing in each direction and is a vital piece of data in connection with the survey.

As we stated in our article on the Library's petitions in the August 8th edition of this paper, Jericho residents are implored not to let up in the determination for the traffic light; assistance is still required from other groups and individual residents, as well. If you are requested to sign a petition in this regard, please do so.

## BCA Mixed Summer League

by Henry Deckswell

Section A's dogfight for the championship still saw Lieberman-Dembart 2 points in front of Minoff-Luxemberg after last Monday night's games. Bernie Lieberman's 222 led his team 5-2 over Fallek-Lowenthal while Mickey Luxemberg had a 204 as his outfit defeated Simon-Gaft by the same score.

Springer-Goldenberg climbed from 6th to 3rd place via a 7-0 pasting of Cotten-Keller, as Simon-Gaft dropped down to 4th. Next Monday is position night, as well as the final night of the season. Therefore, Lieberman-Dembart (54) faces Minoff-Luxemberg (52) while Springer-Goldenberg (49) tangles with Simon-Gaft (47).

Obstruction in this division saw Green-Jacobs defeat Kahn-Kaye 5-2; Petchoit-Barr slammed Ibsman-Lemberg 7-0; and Batterman-Kuplan turned back Truchil-Jacobsen 5-2.

Brody-Rosenthal, who took the section B crown last week, had a lack lustre first two games as they were edged 4-3 by Stolberg-Cushing. However, Herb Brody's 204 fired his team to a last game victory and total wood, good for 3 points.

Bobbie and Julie Stein collaborated with games of 202 and 216 to lead a 7-0 sweep by Reichgott-Stein over Meadow-Mahler. Simes-Geyer beat Sachs-Dockswell 5-2 as Leo Geyer came up with an even 200. Sid Sachs had a 214 in a losing cause.

Mike Hauptman continued his high scoring for the second week in a row as his 207 paced Hauptman-Goldstein to a 5-2 win over Glucksmann-Eruckner, despite Sy Bruckner's 212.

Lang-Shum clipped Newman-Koplik 5-2 while Ladner-Levine administered a similar beating to Warren-Diamond. Incidentally, last week Lucille Ladner's 196 was inadvertently omitted from our report. However, due to Morty Levine's persistence to set the record straight, we are happy to rectify the oversight.

On the final night next week, Brody-Rosenthal will tune up for its one game roll-off with the eventual section A winner by meeting 2nd placers Reichgott-Stein. Simes-Geyer currently in 3rd place meet 4th placers Hauptman-Goldstein.

Hi! Here we are again only this time with a voice from the past and its comment on the present. The present, of course, refers to the 1968 St. Ignatius All Girls Cadet Corps, whom I saw in competition this past Sunday.

In observing the girls on the bus, in their pre-contest practice, in competition, retreat and on their return trip, two facts were easily distinguished. The members of the line for the most part, are new and each one has added a new spark and warmth to the new even brighter flame of corps spirit.

The girls are enthusiastic,

# Letters To The Editor

Dear Editor  
 Informal, as well as formal, school activities present opportunities for excellent experiences. The composite of these events contribute much to the formation of the character and personality of each of us. School is very much more than a place for academic attainment and job training - it is a way of life for young people. It is an era in which the foundations are poured for the intellectual, physical, social, and emotional structure of the human being. Any deficiencies in the foundation are bound to evidence themselves in the super-structure of adulthood.

These vital school years are inseparably joined with the two propositions placed before the public on August 27th. Once the year has passed there is nothing we will be able to do to amend any losses. Moreover, the young people of the community will clearly know how the adult population decided about them and their school life.

We choose to leave the discussion of finances to those best qualified to deal with that kind of data. Considerable literature is available for those who desire to ponder the arithmetic. Thus far conclusions have been colored by the attitude of the mathematician. We are not criticizing this kind of approach we are merely making an observation. The manner in which money is spent usually drives individuals into various camps. This camp prefers to see the money spent on our young people.

To those who have been educated and paid their way over the years congratulations are extended. Legislation has provided some relief in this case. However, as a friend pointed out, if the kids had to vote on social security they would pass it with resounding approval.

Let's give the youngsters, now in school, the same kind of vote.

(Signed)  
**FOR OUR CHILDREN**

Dear Editor:  
 We want you to know that the president of the Hicksville Federation of Teachers, Local, 1645, American Federation of Teachers, said he would recommend to the executive committee of the union that sanctions be imposed upon the Hicksville School District if the voters fail to approve the school budget in the August 27 vote.

Bill Dean said that "It is about time that residents look to their responsibilities to the children of the district and stop quibbling about budgetary items that mean only a few cents per

taxpayer per month."  
 "Failure to approve the budget means loss of bus transportation, school lunches, athletic programs and competition, community use of buildings such as adult education, no new textbooks and only minimum maintenance among other things," he continued.

"We would rather not make conditions worse than they would be but if that is what it takes to bring people in Hicksville to their senses that is what I will recommend," he said. "Hicksville is becoming a laughing-stock on the island as regards educational financing. It has become widely known for 'penny-wise-pound foolish' measures over the years, the net results of which has been an inferior educational system."

Dean said overcrowding at the secondary level and the now permanent use of unsafe, ramshackle "temporary" structures are concrete evidences to support his allegations.

Dean did not spell out what specific actions he would recommend, but said they would be 'substantial'.

(Signed) W. F. Dean, Jr.

Dear Editor:  
 I would like to take the opportunity to clarify some of the statements that appeared in the August 15 edition of the Herald entitled, "Few Attend Public Hearing." I was chagrined that you overlooked the fact that all my motions were in the areas not directly related to the education of children. I did not propose one single cut that would affect the educational programs involving the students.

From the standpoint of news-reporting, I was further disappointed to find an editorial comment in a straight news-story. "It was obvious that these items had been scrupulously cut to the bone".

My proposal to reduce amounts for overtime pay did not imply the hiring of additional full-time personnel. On the contrary it suggested that administration incorporate the recommendations from the Booz-Allen-Hamilton business survey and improve the management procedures with the existing personnel.

Lastly, you also printed a premature statement announcing my running for re-election. My term does conclude June, 1969 and there are a number of factors I have to resolve before I can make a decision to consider another term. Please be assured that I will notify the press of my decision at the earliest time.

Sincerely,  
 Harry Kershen

### Nassau County

Public Works Commissioner Herbert J. Sinus announced recently that applications are now being accepted for a Folk Singers Contest and Festival to be held at Cantigue Park, HICKSVILLE on Friday evening, September 5. Both conventional folk and "folk-rock" groups are eligible. Twenty groups will be chosen on a first come-first served basis to perform during the program.

Applications are now available at Cantigue County Park and must be filled out and returned no later than Friday, August 30.

All Nassau residents are invited to attend a free Water Ballet Show at the Cantigue swimming pool on Sunday, September 1. The performance, beginning at 9 PM, will feature members of the Nassau County Water Ballet Troupe who will exhibit their skills both in ballet and diving. Cantigue County Park is located off West John Street in HICKSVILLE.

### Postal Convention

Earl Birnbaum and Michael Diglio president and secretary-treasurer respectively, of the New York State Postal Union, are leading the largest turnout of delegates ever, from all over New York State to the national convention of the parent body, the National Postal Union in San Juan Puerto Rico, this week.

- Among some of the most stirring resolutions up for discussion at this convention are:
1. A 15% across the board salary increase for all postal employees in levels 1-6.
  2. The legal right of postal employees to STRIKE.
  3. A resolution of merger with other postal unions.
  4. Full payment by government of Health Insurance premiums.
  5. Optional Retirement after 25

years of service regardless of age.

6. An increase in the number of resident national officers. Numerous dignitaries from Congress and Labor will be on hand to greet the delegates and a well planned convention is in store for all the delegates.

### Meetings Scheduled

The following is a schedule of the regular monthly meetings of the Plainview - Old Bethpage, Central School Dist. #1, Board of Education, compiled by Louis F. Ferrara, Administrative Assistant.
