

Hicksville Teachers Write Math Material

Mr. John Crenson, Supervisor of Mathematics at Hicksville Public Schools, has been appointed a member of the planning committee to examine the problem of mathematics underachiever. The committee, under the auspices of The Educational Council for School Research and Development, is composed of five leading mathematics educators in Nassau County.

The first project to be explored by the committee is the underachiever in mathematics at the ninth-grade level. Appropriate

student and teacher materials are presently being prepared by writing teams that will, hopefully, not only inculcate some interest in the subject, but encourage the students to extend their mathematical education.

Two members of the Hicksville Junior High faculty—Mr. J. Giambalvo, Assistant Principal, and Mr. F. Cunningham—math teacher—are on the writing teams, and are preparing materials that will be field-tested in selected schools throughout Nassau County this next school semester.

ART - SCIENCE - FUN The fourth grade students of the Willet Avenue School, Hicksville, held their first annual kite flying contest Thursday, Oct. 10. The contest, the culmination of an art-science project, was originated by Mrs. Wyn Santipadre Willet Avenue School's Art teacher and Mr. Fred Steinhardt, a science teacher. Over thirty kites of the children's making wheeled skyward (at least briefly, in many cases). Along with the homemade "birds" a few "store-bought" models were also in evidence.

Judging by the results, kite flying, once the exclusive province of boys, is now open to challenge by Willet's girls who took five of the seven prizes. Ah well fellows, back to the drawing boards.

Children's names (left to right) are: Elisa De Stefano, Denise Ruggio, Reinhold Hirtz and Cathy Schumacher.

Daylight Savings Time Ends New Traffic Hazard Begins

The shift to standard time at 2 a.m. tomorrow morning (Sunday, October 27) will bring earlier darkness and added driving hazards for rush-hour traffic, the Automobile Club of New York warns.

The problem is poor visibility and it is a critical one; statistics show that the chances of being killed or injured in an automobile accident are almost three times greater after dark than in daytime.

For safer twilight - night driving, the local AAA Club advises motorists to:

Reduce speed whenever visibility is reduced.

Keep all glass and mirrors spotlessly clean. This means the windshield (inside and out), side and back windows, rear view mirrors, and even eyeglasses.

Never wear sunglasses to cut the brightness of oncoming headlights. The dark lenses diminish

already limited visibility.

Be constantly alert for cross traffic and for pedestrians who can be very hard to see if they are wearing dark clothing.

Check taillights, turn signals, backup lights and headlights to make sure they are working properly.

Help Wanted

There is an urgent need for Mail Handlers in the Hicksville, New York Post Office. The starting salary is \$2.72 per hour. Anyone interested in obtaining this position should contact the Chief Personnel Officer at 160 Engineers Drive, Hicksville, New York.

The test for Mail Handler positions will be given in the Hicksville Post Office and all those applying will be notified of the date, time and place this examination will take place.

Mercy League Dance Set For Nov. 1st

The Glen Cove Hicksville League of Mercy Hospital is having its Harvest Moon Dinner Dance on the first of November at the Huntington Town House. Tickets are \$25.00 a couple which includes cocktails from eight to nine, dinner and dancing from nine to one.

For more information please contact ticket chairman: Mrs. Charles Montano, P. O. Box 7, Hicksville (WE 1-0921) or Mrs. Frank Hurley of 7 Sherman Court in Bethpage, (GE 3-4459) or Mrs. John Miller of 161 Haverford Rd. in Hicksville, (WE 8-2917).

Greene - Walsh

Kathleen Walsh

Mr. & Mrs. James P. Walsh of Hicksville announce the coming marriage of their daughter, Kathleen, to Mr. David Lee Greene. Mr. Greene is the son of Mr. & Mrs. Richard B. Greene of Louisville, Kentucky. The ceremony is planned for December 28 at 2 P.M. at Holy Family Roman Catholic Church.

The couple serve on the faculty of the University of Kentucky while continuing their studies for advance degrees. Miss Walsh has studied at the University of Madrid and received her degree at St. Mary's College, Notre Dame, Indiana. Mr. Greene is a graduate of the University of Notre Dame.

AL Auxiliary To Meet

The next meeting of the American Legion Auxiliary Post #421 will be on Nov. 1, at 8:15 P.M. There will also be a visit from the County Staff.

READY FOR THE VOTE: Mr. Otto Bookmiller, President of Trinity Lutheran Church, Hicksville, New York, awaits the showing of hands at a recent meeting of the congregation giving the "green light" to proceed with expansion plans of their House of Worship and the approval of a \$400,000.00 Capital Fund drive.

Mr. Louis Dettloff, the vice-president of Trinity (hands folded) and Mr. Theodore D. Hoffmann, the congregation's attorney, listen intently.

At the same meeting Mr. Orville Brookman of Wantagh, chairman of Trinity's expansion program, announces the names of the District Leaders who will give heavily of their time in Trinity's Expansion Campaign: Ralph Albanese, Hicksville; Lawrence Desimone, Hicksville; Henry Ebel, Wantagh; Viben Eriksen, Huntington; James Hennessey, Hicksville; Alexander Innes, Hicksville; Theodore Kingsley, Levittown; William Prohinsie, Hicksville; David Webster, Hicksville; and Warren Weis, Hicksville.

Hicksville On The Mend

The Town Board has awarded two contracts to low bidders for repairs in the Hicksville area, Councilman A. Carl Grunewald announced today.

A contract was awarded to De Gore Construction Company, Inc. of Hempstead at the low bid price of \$57,569.00 for repair of deteriorated curb and driveway aprons along Jerusalem Av-

enue and Old Country Road. Work is now underway and expected to be completed in the near future.

Another contract was awarded to R. T. Schneider of Farmingdale for repair work in the North Broadway area in Hicksville for the low bid price of \$42,611.00. Work will be completed by November.

Chernauskas Commands Cadet Corps At Syracuse

Colonel Samuel M. Patten, Professor of Military Science at Syracuse University, has announced the appointment of Cadet Colonel Paul as Brigade Commander of the Syracuse Army ROTC program.

The son of Mr. and Mrs. Victor Chernauskas of 42 Texas St., Hicksville, Paul has been both an outstanding cadet for the past three years as well as a fine student.

An economics major in the College of Liberal Arts, he is a Dean's List student and has been city the outstanding cadet in his class since his freshman year.

In addition to his duties as Commander, Cadet Chernauskas is also a member of Pershing Rifles, the national military honor fraternity; a member of Ranger Company; a member of Scabbard and Blade Military Honoray; a Varsity Rifle Team member; enrolled in the Army Flight Program; and President of the Cadet

Association of Syracuse University.

His awards for achievement include the Superior Cadet Award, the Professor of Military Science Gold Medal, Herald-Journal Medal, and Association of U.S. Army Award. In addition he has recently been named a Distinguished Military Student.

Upon graduation, Cadet Colonel Chernauskas plans to be commissioned in the Military Intelligence Corps, volunteer for Vietnam, and make the Army his career.

Young Hicksville Author

Elliott Jacobson a ninth-grade student at Hicksville Junior High School, has published a poem, "Come Walk With Me, Brother", in the current SCRUTINIZE, a publication of the Nassau Library System. The poem was submitted for publication by Elliott's English teacher, Samuel Coropa.

On The Campus

John Charles Coffey of 134 Sixth Street, HICKSVILLE, class of 1971 at Rensselaer and a major in architecture is serving as secretary of Theta Xi fraternity.

He is also on the Freshman handbook staff.

Tennessee Williams' "Summer and Smoke," a story of love and loneliness, will be Nassau

Sale To Be Finalized

The sale of the Nicholas Street School to Trinity Lutheran Church will be finalized at a meeting in the Administration Building of Hicksville District 17 on Friday, Oct. 25th.

Community College's first student production of the season and will open Friday, October 25 at 8:30 p.m. in the Theatre Workshop.

The story concerns the relationship between the daughter of a puritanical Southern minister and a not-so-puritanical doctor. Attracted to each other, they are gradually pulled apart by their differing views on love and their conflicting traits.

The play will run till Sunday, October 27, and from Thursday, October 31, to Sunday, November 3. Curtain times are 8:30 p.m.

Admission is \$1 to non-college theatergoers. For reservations phone PL 2-0613.

Among the students who are members of the cast is Steve Davis of Plainview.

Joan Mason of PLAINVIEW has been named to the Dean's list at William Smith College here. The honor, awarded to students with a term average of "B" or better, was announced today by Mrs. Mary Lou Thibault, dean.

The daughter of Mr. and Mrs. Sidney E. Mason of 91 Nassau Ave. she has been on the Dean's list before. She is a member of the Spanish Club, the Temple Club and is a student guide.

Miss Carolyn Maggio daughter of Mr. and Mrs. Benjamin Maggio of 28 Linden Blvd., HICKSVILLE, and 1968 graduate of St. Dominic High, in Oyster Bay, is one of forty freshmen attending C. W. Post College, Brookville, N.Y., under the college's special Honors Program. A total of 94 students in all undergraduate classes are enrolled in the program.

Barbara Silvestri of PLAINVIEW has been awarded a traineeship of \$1,575, by the Rehabilitation Services of the Department of Health Education and Welfare.

The traineeships are awarded for one semester to juniors and seniors majoring in Physical Therapy. The recipients are selected on the basis of scholarship, professional promise and need.

The Division of Physical Therapy, affiliated with the Albert Einstein College of Medicine, is one of three allied health professions offered at Ithaca which are open to both men and women.

Miss Silvestri, a 1965 graduate of Plainview-Old Bethpage High School, is the daughter of Mr. and Mrs. Sebastian C. Silvestri, 7 Barbara Lane, Plainview. She

Our Armed Forces

Army Private Louis J. Erario, 26, son of Mr. and Mrs. Luigi M. Erario, 41 Polo Lane, Westbury, completed eight weeks of advanced infantry training Sept. 27 at Ft. Jackson, S.C.

His wife, Barbara, lives at 14 Summer Lane, HICKSVILLE.

Cub Join-up Night Down Memory Lane A Huge Success

The recent "Cub-Join-up Night" conducted here in District 3 by the Boy Scouts as part of a concerted recruiting program throughout the county, proved to be an unqualified success.

This District 3 roundup, held at various schools and houses of worship throughout the area, resulted in the enrollment of an additional 1,000 youngsters in the 8-10 year age group. The Council reported that 4,100 boys were registered by Cub Packs in the county-wide campaign.

A District 3 spokesman said that their program attracted some 2,300 people, including boys and parents. They were introduced to Cub representatives, briefed on Cub requirements, and registered.

District 3's registration of 1,000 youngsters showed an in-

crease of over 30% for this area, and reflected a general boost in enrollment by the Nassau Council.

Registration figures in the District 3 area included, Hicksville, 150; Plainview, Bethpage and Old Bethpage, 175; Levittown and Island Trees, 375; Farmingdale, Plainville and North Massapequa, 300.

According to a Scout survey, there are 46,000 Nassau youngsters in the 8-10 year bracket, and it is reported that through the continuing program, 50% of these boys are or have been involved in the Cub program during the past 10 months.

Nassau Council officials consider this as a tremendous tribute to the estimated 12,000 volunteers who lead the Scouts throughout the county.

New Flu Outbreak

The flu warning flag is up again! The U.S. Public Health Service Advisory Committee now warns that a new strain of Asian flu may give the nation another outbreak of this troublesome ailment this winter.

The Committee, which earlier had given the country an "all clear", revised its flu prediction following the identification of a new strain in Hong Kong in July. Already the Hong Kong virus, a variant of the A2 type that gave the country the miseries last year, is beginning to spread. "It is felt that the present

change in the influenza virus," reports the Public Health Service, "increases the probability that influenza A2 will occur extensively in the United States in the 1968-69 season."

Current vaccines may provide

TOB Board Fights Narcotics Addiction

In a move to help fight the growing menace of narcotics addiction, the Oyster Bay Town Board made it illegal to discard hypodermic syringes and needles unless they have been destroyed.

The board's action, which followed a public hearing, came in the form of amendments to the town's waste disposal and sanitation ordinances. Oyster Bay is the first municipality in New York State to have adopted such a measure.

Board Majority Leader Ralph J. Marino and Councilman A. Carl Grunewald revealed last month that in a two-day period the town's sanitation department had collected over 500 used needles mixed in with physicians' trash. Police and health authorities confirmed the town officials' contention that drug addicts were finding and using the discarded hypodermic syringes

and needles. Grunewald said that there was also the danger of sanitationmen and children being jabbed by needles containing dangerous drugs.

"We have acted quickly to fight this problem on a local level but I hope the next session of the legislature enacts a statewide law to curb this danger," Marino said.

The new measures state that nobody may discard hypodermic syringes and needles with any garbage or rubbish unless they have been first destroyed "by detaching the needle from the syringe, crushing or breaking the syringe and bending the needle and depositing, all parts in a metal container so secured as to prevent said parts from falling out." In addition, no hypodermic syringes will be accepted at the town incinerator unless they have been properly destroyed and

placed in secured metal containers.

Existing penalties in the ordinances will apply to violators of the two new amendments. Violation of the waste disposal ordinance, covering disposal at the town incinerator, is punishable by a fine of up to \$100 or imprisonment for up to 15 days. Also, private carters risk suspension or revocation of their permits. Violation of the sanitation ordinance, covering garbage and rubbish put out for town pick-up, is punishable by a fine up to \$50 or imprisonment for up to 10 days for each violation.

Poulos Credentials Qualify Him For Dist. Court Judge

In September, 1967, seven Justices of the New York State Supreme Court unanimously voted to appoint Edward J. Poulos, Republican Candidate for District Court Judge, as Commissioner of the Supreme Court's Conciliation Bureau. This action by the Justices of the Second Department, which includes Nassau and Suffolk Counties as well as portions of New York City and Upstate New York, is an outstanding tribute to Commissioner Poulos' ability as a lawyer, legislator, and as a person thoroughly equipped with those human qualities essential to successfully administer a quasi-judicial position and serve as a Judge of the District Court.

The Republican Candidate for District Court Judge has compiled an outstanding record in the service of his Community and Country. After attending Iona College, he received his L. L. B. from St. John's University, graduating in the top ten per cent of his class.

Commissioner Poulos began his public service career in 1956 as a Deputy Town Attorney for the Town of Oyster Bay. Shortly thereafter, he became chief litigation attorney for the Town supervising the trial work of other lawyers in the office. A result of his competent handling of a complex lawsuit involving

over \$3,000,000, an outstanding jurist of the State Supreme Court had this to say about Mr. Poulos' ability, "Mr. Poulos, you have tried many cases before me, some you have won and some you have lost, but you have always tried a good case and a fair case, and in my opinion you are a top trial lawyer."

In June, 1959, Poulos was appointed as a Councilman on the Oyster Bay Town Board and later was elected to that post for a full year term. He was re-elected in 1963. During this period he showed great inventiveness and creativity in developing legislation to protect the Town's residents and preserve the Town of Oyster Bay as a Suburban Community.

When he left the Town to assume his present quasi-judicial post in September, 1967, his colleagues on the Town Board, in a display of bipartisanship, cited him for his leadership, understanding and exceptional performance."

Commissioner Poulos served as a World War II Fighter Pilot in the U. S. Air Force. He was awarded battle decorations for action over the Ardennes, Rhineland, and Central Europe. He presently holds the rank of Major, as a Senior Staff Judge Advocate to the 52nd Combat Support Group.

Recently, he was awarded "Certificate of Recognition" by the U. S. Air Force for "Dedication to, and outstanding performance of duty as a lawyer; for superior legal assistance

given to military personnel and dependents."

Commissioner Poulos has participated in many community activities including the Nassau County Cancer Crusade, and the campaign to combat Multiple Sclerosis. He was active in the American Legion, B. P. O. E., the Holy Name Society, and a former member of the Board of Directors of the Country Village Civic Association. Commissioner Poulos is a member of the New York State Bar Association and the Professional Ethics Committee, Unlawful Practice Committee of the Nassau County Bar Association.

Commissioner Poulos is married to the former Vivienne Nolan, and they reside at 47 Circle Drive, Syosset.

Flu Outbreak

(Continued from Page 3)

only limited protection against the new A2 Hong Kong virus, according to the Public Health Service. Better protection against it will require a newly formulated vaccine. The development, manufacture and distribution to physicians of such a vaccine will require considerable time and only a limited number of doses will be initially available, the agency reports.

In the meantime the Public Health Service recommends that currently available flu vaccines be given primarily to elderly persons or the chronically ill. Influenza is a viral infection of the respiratory tract. It differs from a cold in severity and the extent of complications. Its symptoms include sudden chilliness, fatigue, headache, and general aches, with temperatures of 101 to 104 degrees. Sore throat and coughing may also occur as symptoms.

If you become a flu victim this winter, follow the advice recommended during an earlier epidemic by the Surgeon General -- stay in bed, take aspirin, and drink plenty of fluids.

Etcetera

by Nadine Klein and Mitchell Klein
 (Jericho High School)

Imperator, the Jericho High School yearbook, promises to be the best book ever. The Imperator will, for the first time, contain color and there will be more pages.

The new editors, Margot Krassner and Toni Kallus, and the staff advisors, Miss Thomas, have instituted a new policy in regard to the Super Senior Section. The Seniors will vote for their choices of the Super Seniors, but the results will not be known until the publication of the book.

Another new idea in this year's Imperator is the omission of arbitrary quotations underneath the senior pictures. Instead, each Senior has given his favorite saying, nickname, pet peeve, and secret desire to be put under his picture.

Boosters and advertisements are now being sold. Also, there is a great effort to get underclassmen to buy the yearbook since it is not only concerned with the Seniors.

The newly elected officers of

the Cooper House Council are Barry Truchil, President; Richard Smith, Vice-President; and Phyllis Kass, secretary-treasurer. In White Hall, the Council is made up of Neil Minikes, President; Andrew Smith, Vice-President; and Sara Herskowitz, Secretary - Treasurer. The Councils will be having their first meetings this week.

The proposed Senior trip is planned for either the days before or after the Thanksgiving holidays. The seniors will either go to Boston or Washington, D.C.

The Jericho Varsity Soccer team had a very bad week. On Tuesday October 8, Jericho lost to North Shore High School 4-2 in an overtime at North Shore. On Thursday Locust Valley beat us 4-0 at home. In an "under the lights" at Port Washington on Friday night, Jericho lost 5-0 to Port Washington High School. The Jericho Varsity Football team had its second disappointing loss at Floral Park last Saturday, October 12. The final score was 13-0. The next game is against Locust Valley at home. The Jayhawks are hoping for their first victory, and we are looking forward to a better week in all the sports.

there had been a wonderful response to its curb tree planting program. The trees were to be planted by the end of the month.

According to the "best information available" approximately 400 of the 1000 homes of Birchwood were to be placed in the Syosset School District, which is designated as Central School District 2. This district is comprised of three sections, namely, Woodbury, Locust Grove and Syosset. As there was no resident of Birchwood Park at Jericho on the Central School Board, members of our community were informed that one of the most important goals of the residents was to elect one of its members to the Board. The Birchwood Civic Association held a General Membership Meeting on Tuesday, October 22nd, at the Robert Seaman School. Schools, taxation, zoning, planning, builder relations, and check-out of homes were the subjects covered by comprehensive reports. At the end of the reports, the meeting was opened for general discussion. A heated debate arose on the floor concerning the decision of the Board of Directors not to oppose the application submitted by Sosnow & Schwartz for a change of location of a gasoline station. Opinions on both sides of the issue were discussed in great detail. A vote was finally taken to the effect that the Civic Association should vigorously oppose the application of the builders for the gasoline station modification.

J.J.C. Sisterhood Sets Theatre Party For Nov. 2

The Sisterhood of the Jericho Jewish Center invites all members of the community to join them at the theatre on Saturday evening, November 2nd, to see "The Flip Side," starring David McCallum.

Choice orchestra seats are available. Please contact Mrs. Mary Mann, OV 1-1384, or Mrs. Elaine Lewis W3 1-7951.

Ten Pin Talk

by Henry Dockswell

Our 6th week of the season proved to be the night of upsets. Four of the top five teams were either shut out or escaped that ignominious fate by capturing one game.

Leading the parade of humiliation were Sid Holtzman's league leaders. Through the first five weeks the Holtzmans had lost only two games so this impending meeting with Hy Shapiro's 16th placers held out no fears. That's what they thought. When the night was over they were not only glassy eyed from a shut out loss but in a tie for 2nd place.

The 2nd place Julie Gershens also had a rude awakening. They had lost only three games in 5 weeks and the 10th place Bill Kellermans certainly didn't look too dangerous. In the first game Lou Truchil got his second good one of the year, a 201, and won it for the Gershens. But that only lulled them into a further sense of false security for then the roof fell in. Capt. Bill Kellerman cracked a 233 and a 201 in quick succession (for a 617 series) and the Gershens were plastered with their first defeat, 8-3. They remained in 2nd place, tied with the Holtzmans, only because the 4th and 5th place teams suffered the same fate.

The 4th place Murray Kowitzes were beaten by Sid Simon's 14th placers when Capt. Sid threw his fourth good one of the year, a 224, and grabbed an 8-3 win for the Simons.

The 5th place Art Rosenthals must feel like they are on a sea-saw. Two weeks ago they were in 13th place and they shot up to 5th. This week they were attacked by Leo Geyer and his last place conglomeration and when the smoke cleared they found themselves back down in 8th place. The Geyers had shamelessly inflicted an 11-0 pasting on them.

Now we come to the only team of the top 5 that came through like a first division club. The Mary Kahns were in 3rd place mainly through the efforts of Red Karbel who, through the first 5 weeks, had established a 180 average and had thrown five 200 games. This week Red was not that spectacular but the other Kahns joined him and together they beat the Milt Hoffmans 9 1/2 to 1 1/2 to go into 1st place.

Hal Goldenberg awoke from a deep dream of peace and suddenly threw his first double since who knows when. He came in with a 205 and a 216 and when his Capt. Norm Ney, contributed a 218 the Neys had it over the Irv Simes', 8-3.

We also had some teeth gnashing by some men who grabbed some personal glory but suffered team-wise.

For instance: Herb Brody boomed a 233 and Dave Kaye aimed a 222 but still the Brody's lost to the Sy Bruckners, 5 1/2 to 1 1/2. Then Sid Sachs exploded a 233 and Poisen Pon Dockswell came up with a 213 but still Sachs' "Chargers" lost to Murray Gintelman's beer fromer, 8-3.

Sam Springer ended all the agony with a calculating eye. He had watched his team take the first two games from the Ralph Diamonds, and then he decided it was time to take a larger hand in the game. He aimed his way to an over 200 and the Springers had an 11-0 shut out win. Ralph Diamond then went back to his -the bed.

Two New Directors Elected By Civics

Arline E. Locker and Irving Herskowitz were elected by the Board of Directors of the Birchwood Civic Association to fill the two vacancies created by the recent resignations of Dr. Walter Sugarman and Harold Pepper. The new Board members will be officially welcomed to the Board at its November meeting.

Arline is the wife of Melville H. Locker, residing at 120 Hazelwood Drive for the last 12 years. For the past 7 years, she has been active in the George A. Jackson School P.T.A. and was its president during the last 2 years, after holding a variety of other offices. Arline was also president of the Jericho P.T.A.

Council for 2 years and this year is on the Board of the Jericho Junior - Senior High School P.T.A. and the Jackson P.T.A. She is a member of the Sisterhood of Temple Or Elohim, The Friends of the Jericho Library and the League of Women Voters.

Irving was formerly a Board member of the B.C.A. for 6 years and is one of the founders of The Villager. He was the Civic Association's first Chairman of the Entertainment Committee, started the Drama Group and produced its first three plays. Irv has resided at 134 Birchwood Park Drive with his wife and family for the past 12 years.

B.C.A. Still Seeking Corresponding Secty.

Attention you civic minded residents of East Birchwood!!! The Birchwood Civic Association still has an opening for a corresponding secretary, which position is designated as an officer of the organization.

Surely, there must be some housewife in our community who can adequately fill this important

position. All it requires is a maximum of two hours per week as well as regular attendance at the monthly meetings of the Board of Directors. Stenography is not necessary but typing is a must.

Interested parties are urged to contact any officer or board member of the B.C.A.

Dr. Murphy Speaks At B.C.A. Meeting

Dr. Edward J. Murphy, Superintendent of Schools of the Syosset School District, was the guest speaker at the regular monthly meeting of the Board of Directors of the Birchwood Civic Association, held on Tuesday evening, October 15th, at the Town & Country Diner.

Dr. Murphy's subjects included the Syosset Library, the Dis-

trict's program of Safety in Transportation and its Narcotics Education program for parents, SCAN. He also revealed that the Syosset School District (officially known as Central School District No. 2) is now 15 years old and has 9350 pupils attending classes in 10 elementary schools, two junior high schools and one senior high school.

Jericho Jewish Center Marks Thirteen Years

By Marilyn Siber

THE JERICHO JEWISH CENTER has come a long way in 13 years. We started on the "Hill" in a rented white house. We moved to a store front in the Birchwood Shopping Center and even to a tent for the High Holy days, and finally to our own site that now houses the Jericho Jewish Center.

We say these things in a few brief words, but what pioneer doesn't remember the sweat and tears, joyous moments as well, that brought all this to fruition.

It's the JERICHO JEWISH CENTER'S BAR MITZVAH this year and such a milestone should be something special. For the next three weeks we have programmed some special events, that hopefully will appeal to all. We invite you all to celebrate with us and enjoy the following special events.

Oct. 25 - Friday Night services, 8:45 P.M. - guest speaker -

Dr. Max Arzt speaking on "In Search of a Definition."

Oct. 26 - Saturday Morning services, 9:00 A.M. - Dr. Max Arzt to speak on "Conservative Judaism and Jewish Law."

Oct. 27 - Sunday Morning, 9:00 A.M. - Dr. Max Arzt - Topic - A Global View of Judaism. Followed by Sunday morning breakfast.

October 29 - Sisterhood celebrates her Bat Mitzvah with a special evening. This is Your 13th Sisterhood. 8:00 P.M., November 3 - Rock n' Roll Folk-Rock Service presented by our Youth Group, 8:30 P.M.

November 6 - Mens Club celebrates their Bar Mitzvah, Cantorial Concert and a special presentation, 8:30 P.M.

November 9 - Gala Bar Mitzvah Banquet - 9:00 P.M. - \$36 a couple - reservations only. For further information call the writer at OV 1-4247.

CYO "Madame Butterfly"

Fifteen talented youngsters selected from a recent Catholic Charities' C.Y.O. arts workshop will appear in the chorus of the N.Y. Lyric Theater's production of "Madame Butterfly" scheduled for November 26 at Holy Trinity High School in Hicksville.

The performance is scheduled for 8:30 P.M. Tickets range from \$2.00 to \$5.00 and may be purchased through the C.Y.O. Office at 272 Merrick Road, Lynbrook (516 593-4600.)

Other teen-agers and adults who have been active in the Cultural Arts program will assist

in scenery design and backstage work.

The Reverend John P. Henry, C.Y.O. director, in commenting on the youngsters' participation in the professional operatic production emphasized the purpose of the program.

"Our objective here is to provide youth with just one more form for self-expression."

"It is imperative that our young men and women learn how to fulfill their personal needs and goals if they are to contribute socially and culturally to the society for which they will be one day re-

sponsible."

Father Henry added: "While only a limited number of youngsters can participate in the stage presentation, the important thing to remember is that the few represent thousands."

"Our prime objective is not to produce theatrical vocations but young leaders who will inspire their counterparts in the community of youth."

Teens selected to appear in the "Madame Butterfly" chorus are: Nancy Lambert of Farmingdale; Marianne Farina of Valley Stream; Joan Haggerty of Westbury; Donna Pecoraro of Westbury; Holly Marino of Hempstead;

If you take vitamins, yet still feel tired—you may need more than vitamins to restore your normal strength and energy. That's because your worn-out feeling may be due to iron-poor, tired blood.

Vitamins alone can't build up iron-poor blood. But GERITOL can! That's because GERITOL not only contains 7 vitamins but, in addition, supplies the amount of iron needed to build iron-rich red blood. Just 2 GERITOL tablets, or 2 tablespoons of GERITOL liquid, contain twice the iron in a pound of calf's liver! Seven times the iron in a pound of spinach! In only one day, GERITOL-iron is in your bloodstream carrying strength and energy to every part of your body!

Proved By Medical Tests!

Patients diagnosed with iron-deficiency were often pale, nervous, and easily tired. After patients took GERITOL daily, doctors reported definite clinical improvement.

Check with your doctor. If iron-poor blood is making you tired, take GERITOL. Feel stronger fast—in 7 days—or money back from GERITOL.

PHOTOMICROGRAPHS OF DOCTOR'S STUDY

When you're tired and worn-out, your bloodstream may be due to pale, iron-poor blood like this.

Geritol's important supply of iron can change iron-poor blood into rich, red blood.

*Due to iron deficiency

LEGAL NOTICE

NEW YORK STATE
CONSERVATION DEPARTMENT
WATER RESOURCES
COMMISSION

In the Matter of the Application of the HICKSVILLE WATER DISTRICT Water Supply Application No. 5625 - 20th Application

PUBLIC NOTICE

Notice is hereby given that, pursuant to Section 451 of the Conservation Law, the Water Resources Commission will meet in the office of the Commission, 373 Maple Avenue, Westbury, New York, on the 7th day of November, 1968, at 10 o'clock in the forenoon of that day for the purpose of hearing all persons, waterworks corporations or other civil divisions of the State of New York that may be affected by the execution of the plans of the applicant to construct an additional well at its existing Plant #3-1 located at Jerusalem Avenue, between Hattie Court and Chain Lane, in Hicksville, Nassau County. The proposed well will have a 20- and 12-inch casing approximately 600 feet deep and is to be equipped with an electric submersible pump of 1,400 gallons a minute capacity, plans for which have been filed with the Water Resources Commission, at its office, 373 Maple Ave., Westbury, N.Y., where the same are open for public inspection; and for the purpose of determining whether said plans are justified by public necessity, whether they provide for the proper and safe construction of all work connected therewith, whether they provide for the proper protection of the supply and watershed from contamination or provide for the proper filtration of such additional supply, whether they are just and equitable to the other municipalities and civil divisions of the State of New York and to the inhabitants thereof affected thereby, and whether they make fair and equitable provisions for the determination and payment of any and all legal damages to persons and property, both direct and indirect, which will result from the execution thereof.

All persons, waterworks corporations, municipal corporations, or other civil divisions of the State of New York, other than the applicant, who have objections to the execution of said plans or wish to be heard thereon, must file a notice of such desire to be heard in writing and in duplicate in the office of the Water Resources Commission, 373 Maple Avenue, Westbury, New York, on or before the 6th day of November, 1968. Any objection so filed must particularly specify the grounds thereof.

Dated, Albany, New York

In the Matter of the Application of HICKSVILLE WATER DISTRICT Water Supply Application No. 5626 - 21st Application

PUBLIC NOTICE

Notice is hereby given that, pursuant to Section 451 of the Conservation Law, the Water Resources Commission will meet in the office of the Commission, 373 Maple Avenue, Westbury, New York, on the 7th day of November, 1968, at 11 o'clock in the forenoon of that day for the purpose of hearing all persons, waterworks corporations or other civil divisions of the State of New York that may be affected by the execution of the plans of HICKSVILLE WATER DISTRICT to sink a new well with 20- and 12-inch diameter casings to a depth of about 600 feet and to equip it with a pump having a capacity of 1,400 gallons a minute. The proposed well is to be located in an existing well field on the west side of Newbridge Road and north of Hempstead Avenue, in Hicksville, Town of Oyster Bay, Nassau County, New York. The Board of Trustees of the Hicksville Free Public Library reserve the right to reject all bids and award the contract to other than the lowest bidder for any reason deemed in the best interest of the Library. Any bid submitted will be binding for 45 days subsequent to the date of bid opening.

North Hempstead GOP Dance Set For Oct. 31

About 1,000 persons are expected to attend the annual dinner dance of the North Hempstead Republican Committee to be held at the Garden City Hotel on Thursday, October 31 at 8:30 P.M. A cocktail reception will begin at 7:30 P.M., according to Stanley Krause, dinner chairman who is the Mineola Republican chairman.

The affair is the highlight of the political year for North Hempstead Republicans, next in importance to the election. The committee's annual journal to be distributed at the dinner is dedicated to Presidential candidate Richard M. Nixon and Abe Seldin, candidate for Congress in the Third District which includes the Town of North Hempstead.

Republican Town Chairman John D. Caemmerer said that in addition to Abe Seldin all Republican legislative and judicial candidates on the ballot in North Hempstead will be on the dais. These candidates are Assemblymen Vincent R. Ballietta and John F. Kingston, and also John Caemmerer who is a candidate to succeed himself as state senator; District Attorney William Cahn who is seeking reelection; incumbent Supreme Court Justices Howard Hogan and Sol Washtler; Michael M. D'Auria, David Holman, Steven B. Denourian, Joseph

P. Pringst, Suffolk Family Court Judge Charles R. Thom, Suffolk County Court Judges George F. A. McInerney and Thomas M. Stark, candidates for Supreme Court Justice of the Tenth Judicial District; Harold M. Spitzer and Edward A. Baker, candidates for Nassau County Court Judge and Charles P. Marchese who is seeking the judicial post of District Court Judge, Third District which includes North Hempstead.

Many other leading Republican notables are expected to be in attendance including North Hempstead Supervisor Robert C. Meade, Assemblyman Joseph M. Margiotta who is Nassau Republican chairman; Town Councilmen James R. Wells, George C. Soos, John S. DeVanzo, and Michael Tully who is also town campaign manager; Town Clerk William H. Ryan Jr., Receiver of Taxes Allen C. Miller.

Commenting on the election, Sen. Caemmerer said: "It is time for a change for new leadership in Washington and with Richard Nixon we will have it. To help him do the kind of job needed for today and the future, he needs outstanding men in Congress to help him, such as Seldin. We are proud to dedicate our journal to Abe Seldin and Richard Nixon at our dinner."

To Address B'nai B'rith

Mr. Donald F. Abt, Superintendent of Schools, the Hicksville School system, will address the monthly breakfast meeting of Hicksville Four Freedoms Lodge of B'nai B'rith to be held Sunday morning, November 3rd, at the Howard Johnson Restaurant, Old Country Road and Duffy Avenue. Mr. Abt will speak on "Aspects of Education in the Hicksville Schools."

Cake Sale Oct. 27

The St. Ignatius Loyola Auxiliary of Christian Mothers will hold their Cake Sale on Sunday, October 27th, after all the masses in the Old School Cafeteria.

The Auxiliary will hold their monthly meeting Monday, October 28th at 8 P.M. sharp in the school auditorium. The guest speaker will be Rev. Bertin Roll, National Director of the Confraternity of Christian Mothers.

'Come Dance With Us' At HHS, Sat., Nov. 9

The Mid-Island Concert Association is presenting the Colleen Corkre Dance Company at the Hicksville Senior High School on Saturday, November 9, 1968, in "Come Dance With Us", a diversified classical, modern, jazz ballet program. Colleen Corkre, the young American ballerina, has achieved international acclaim. Her magical freshness, amazing technical command and dazzling sense of style captivates audiences wherever she appears. Attendance is by subscription only.

To The Editor

To the Editor:

I am very relieved to hear that Congressman Wolff has found a way to ease the dangerous flight congestion at Kennedy and La Guardia. All summer the planes were hours behind schedule and it is a wonder we didn't have a serious accident. Those of us living in North Hempstead have been plagued by a continual traffic jam flying overhead.

Everyone complained, but no one seemed able to do anything about it except Congressman Wolff. He held extensive Hearings on the air traffic problem, and he persuaded 16 other Congressmen to sign his letter to the Navy asking them to open Floyd Bennett Field to civilian aviation. After several more meetings with Wolff, both the Navy and the Federal Aviation Administration agreed. All we need now is the co-operation of New York City. I am encouraged by this co-operation between different branches of government, and I am especially impressed that Congressman Wolff went to so much trouble on the eve of a strenuous and time-consuming campaign. It is refreshing to find someone who can not only talk but act.

Sincerely yours,
Pay Fischer

Library Notes

Robert Louis Stevenson wrote, "The world is so full of a number of things, I'm sure we should all be as happy as kings." There are so many interesting things going on in the world every day and the Hicksville Public Library has information on all of them.

The 1968 Olympic Games are presently being held in Mexico City. Mexico will continue through October 27th. Several of the more interesting events will be shown on television. If you would like to know more about the Olympics, why not try one of the following books: **HIGHLIGHTS OF THE OLYMPICS FROM ANCIENT TIMES TO THE PRESENT** by John Durant, **HISTORY OF OLYMPIC GAMES, ANCIENT AND MODERN** by Hugh V. Harlan, and **GUINNESS BOOK OF OLYMPIC RECORDS**.

The Apollo flight which has been planned for years is one of the last steps towards landing a man on the moon. It is going along successfully with splashdown slated for Tuesday, October 22. The Hicksville Public Library has many books on rockets, space flight, and the Apollo project. Among the books you might enjoy on this topic are

BY APOLLO TO THE MOON by Martin Caiden and **FIRST MEN TO THE MOON** by Fred Warshawsky, rocket expert.

Hollywood is always saying, "movies are better than ever." We would like to say that the books the movies are based on are as good as they've always been. Opening this month in New York City are several movies all based on works that can be found in the Hicksville Public Library. **THE SHOES OF THE FISHERMAN** by Morris West, **THE LION IN WINTER** by James Goldman, **THE BOSTON STRANGLER** by Frank Gerold, and **THE SUBJECT WAS ROSES** by Frank D. Gilroy can all be found here. **OLIVER**, of course, is based on Charles Dickens' **OLIVER TWIST**, and **THE CHARGE OF THE LIGHT BRIGADE** on Tennyson's poem of the same name. The New York Times has a one page advertisement about a movie not to be released until fall of 1969 - why not **GOODBYE, MR. CHIPS**. Why not read or reread this James Hilton classic and be up to the minute? Be as happy as a king and select an enjoyable book at your Hicksville Public Library.

Heads Humphrey Comm.

Dr. Harold Yuker, of East Meadow, a professor of Psychology at Hofstra University, has been appointed Chairman of the Committee of Educators for Humphrey and Muskie. It was announced by Dr. A. Bertram White, Special Committee Chairman of the Humphrey-Muskie Long Island Campaign Committee.

Any educators who wish to join this committee can contact Dr. Yuker at Humphrey-Muskie Headquarters at Roosevelt Field in Garden City.

Hicksville Students Visit Africa

Fifty-five students at Hicksville Junior High School attended the special African exhibit at the Museum of Natural History. The trip was planned in conjunction with the new social studies curriculum. The students were accompanied by the social studies chairman, Paul Marks, and three parents of the students: Mrs. Waldenmeyer, Mrs. Bahsbach, and Mrs. Snyder.
