## New Immunization Law

There has been an amendment to the New York State "Public Health Laws Affecting School Health Services, Effective January 1, 1969." After January 1, 1969 all children entering schools are to have Immunization against these diseases: Poliomyelitis, Measles and Smallpox.

In accordance with New York State Regulations this law applies to children entering a school district for the first time -- Irrespective of the age of the child or the grade level at which he enters. This includes pupils who transfer from other school districts.

In compliance with the Law the Hicksville Public Schools will require the following:

1. Poliomyelitis: If the child is in the process of being immunized a physician's certificate to that effect is satisfactory. Parents are advised that completion of the series is necessary.
2. Measles: If a child has had measles a certificate from the

parent or a physician indicating that the child has had measles or received one dose of live measles vaccine is satisfactory evidence of immunity.

3. Smallpox: Either a physician's certificate or a certificate from the parent is acceptable. However, the Health Department Regulations state that a parental statement is acceptable only if the child bears a visible smallpox vaccination scar.

Exemptions to the Law may be made if a) A physician certifies that immunizations are not indicated for reasons of health, or b) upon receipt of a written statement from the parent or guardian of the child that the parent or guardian is a bona fide member of a specified religious organization whose teachings are contrary to the administration of an immunizing agent.

It is to be noted that the intent of the Law is to insure immunization and not deprive a child of his education while he is in the process of being immunized.

## Halloween At Hicksville Schools

**HALLOWEEN AT OUR SCHOOLS:** It is young Lena Kilthau of East St. School who is peering from behind her original paper bag mask called "Potato Head", while at Fork Lane School, (l to r) we see Peter Diana, Jean Cerisi and Kathleen O'Brien.

The administrators, faculty members, P.T.A. mothers, and costumed students at the East Street School, Hicksville celebrated the 41st. Halloween on October 31.

Continued community and school involvement helped spearhead the Halloween festivities. P.T.A. mothers furnished refreshments for 770 students following a showing of costumes by students in the Nina Plantz Gymnasium. The oldest elementary school in the district, opened in 1927, proved its heart to be as young as its students.

East Street School reports the gayest of festivities. Paper bag masks were featured. (see photo.)

Meanwhile, a Halloween Witch and her helpers were among the hundreds of Fork Lane children (see picture) who celebrated Halloween in school with classroom parties and parades on the school grounds.

At Willet Ave. School, teachers and secretaries — and even the Principal — appeared in costume. Photo shows Lisa Van Allen, 1st. grader, in an 18th century costume.

## Slides On Hicksville's History Dedicated To Fred J. Noeth

Hicksville is one of the few communities on Long Island which has a history rooted in an historic event of the early colonial period. The community proudly traces its origin to the Robert Williams land purchase of May 20, 1648. Williams, a prominent early English cattleman bought 5,000 acres of land from Chief Pugnipan of the Matinecock tribe.

Over a period of years, Mr. Gardiner Gregory and Mr. Richard Evers of the Hicksville school staff have been working on a series of tape narrated slide sets depicting the history of Hicksville for use in the Hicksville schools and by community organizations.

There are five sets in the series. The data on these slide sets are as follows:

- set No. I The Story of Hicksville 1646-1900 - 68 slides - 23 min. tape narration
- set No. II The Story of Hicksville 1900-1920 - 76 slides - 27 min. tape narration
- set No. III - The Story of Hicksville - 1920-1960's - 80 slides - 27 min. tape narration
- set IV Comprehensive set - 1646-1960's slides - 37 min. tape narration - for use by community organizations
- set V - Hicksville To-day -- not completed --

Many people assisted in the preparation of the slide sets by furnishing old pictures and historical notes. Many attics and albums were searched for pictures and information on Hicksville. Following is a list of some of the people who assisted in the project:

Mrs. Fred Noeth, Mr. and Mrs. Baumgardener, Mr. and Mrs. Gleckler, Mrs. Eleanor Baumack, Mr. Val Kerbs, Mrs. James Hennessey, Mr. Bady, Mrs. Ruth Walker, Mr. Henry Eisemann, Mr. Patrick Reilly, Mrs. Frank Sutter, Mrs. Jessie Ulmer, Mr. Henry Brengel, Mrs. Fricke, the Baum Family, and many others.

The art work for the slide sets was done by Mrs. Sako of the Junior High Art Department.

The slide sets are dedicated to the late Fred Noeth who did so much to make people aware of important developments in the history of Hicksville through articles and pictures published in his newspaper "The Mid-Island Herald."

Mr. Gregory and Mr. Evers hope to keep updating the slide sets when new information becomes available. It would be appreciated if people who have old photos and historical information on Hicksville would telephone Mr. Gregory at WE 5-9000, ext. 429. After being photographed, all photos will be returned.

It is hoped that space will be provided in some building in Hicksville, where a display of historical information on Hicksville can be maintained.

A preview of the slide sets were held in the Hicksville Public Library during 1966-1967. At each showing the library auditorium was filled to overflowing.

Any organization desiring to use any of the five sets of slides can do so by contacting the Curriculum Materials Dept., Hicksville Public Schools, telephone WE 5-9000, ext. 429.

## Dear Friends:

Now that the elections are over we hope that it is not your intention to forget all about the good people whom we have elected to public office. I'm sure that all year long, they value your opinions and if you have questions, they will be glad to answer them to the best of their ability.

In line with the above thought, THE HERALD will be happy to print questions and answers from you to our elected representatives because we believe that in keeping these channels open we can not only aid and encourage those who represent us, but also keep them aware of your interest in their actions at all times. If you care to send us any questions you may wish answered, we will forward them promptly to the correct official concerned with the matter in question and then print both your question and the answer. Perhaps there are many who have asked themselves the same question or a similar one. Anyway, we're

## Dutch Lane Pen Pal

The children of Mrs. Jean Haydu's French and Spanish classes at the Dutch Lane School are following with great interest the correspondence that their teacher is having with a twelve year old boy she met last summer on her trip to Mallorca, Spain. The children were dismayed to discover that the youngster had confused speaking English with being English. They thereupon helped draft a letter setting matters straight and sent it off along with a large map of the world with Mallorca, England, and Long Island indicated.

Also, in an attempt to answer their young friend's questions about their life at school, the foreign language pupils at Dutch Lane have been photographed at their various activities. These photos will be sent with an accompanying explanatory text written by the Spanish students who are very proud of their new-found skill.

## Local Ladies Help

On October 29, three members of American Legion Post #421, Hicksville, gave a boost to the TB-RD Christmas Seal Campaign in Nassau County by doing 11 hours of volunteer work. The ladies, Geraldine Sirsz, and William Doran live in Hicksville and Lillian E. Boschin in Massapequa. They helped prepare Christmas Seals for mailing at the office of the Nassau Tuberculosis and Respiratory Disease Association in Roslyn.

Christmas Seal contributions are used to continue the fight against tuberculosis, the infectious disease which struck 199 new victims in this County last year. Christmas Seals promote programs leading to the control of other respiratory diseases — ranging all the way from influenza to the potentially fatal emphysema.

# John F. Kennedy High School

By Ricky Schneider  
WE 1 - 7796

## A School Is Born

John F. Kennedy High School was built on a desolate grazing field off Washington Avenue, Plainview, a little more than two years ago. Then it was just a building; now it's a school.

Yes, Kennedy High School is now a school. A paradox, but fact.

On October 16, 1966, Joe Katter, then a junior, won first place in dramatic interpretation in a public speaking tournament sponsored by the Long Island Forensic Association. Kennedy had his first trophy.

A month later, Kennedy's football team consummated the first winning season in the school's short history when they trounced Bellmore Kennedy, 10-7. Juniors Sal Taormina, Jeff Davidsson, Brian Richheimer and Gary Pellegrino were the stars.

Some grass began to push through the desolate field. The atmosphere was one of pleasant surprise one day early in March, 1967, when the editors of the Golden Eagle, Kennedy's student newspaper, learned that the paper had been awarded a first place rating by the Columbia Scholastic Press Association. Dimension, the literary magazine, duplicated this achievement a year later.

Summer, 1967 saw four students, Mel Feit, Joel Scott, Phil Leo and Barbara Warner, spend an "unforgettable" three weeks with families living near Koblenz, West Germany. Their hosts returned the favor, spending last summer in the United States at the homes of the Kennedy students.

Shrubbery explored the surface and, discovering weed-infested beds, fought gamely for control.

The Choir received a standing ovation for its performance at the Winter Concert last December 13. The group made their first radio appearance on the Ray Heatherton Show later in the month.

The Senior Follies, late March, 1968, The Kennedy auditorium was "transformed into a rip-roaring gallery of fun and spoof-erie," said the Golden Eagle. But it was more than that. A feeling of belonging, of identification, of pride was demonstrative in the reactions of the audience.

A panorama of green. Bob Belleville, a junior, placed 5th in the 100-yard breast stroke at the N.Y. State Swimming

Championships with a time of 1:48. The Kennedy Players' performance of "Bye Bye Birdie," which played to S.R.O. crowds all four nights, began a tradition of dramatic excellence. Sparked by the play of Sal Taormina and Steve Soroko, the lacrosse team finished 2nd in their division and reached the semi-finals of the County playoffs. Steve was later cited for honorable mention as goalie on the all-North Shore II Lacrosse Team.

Laurels were reaped by four Kennedy representatives to a national model United Nations in Washington. Ambassadors, Bruce Cogan, Joel Krieyer, Phil Leo and Ricky Schneider earned the title of "Best Delegation" in the Economic and Social Council.

In baseball, the Kennedy Eagles won almost 2/3 of their games, though they finished only 4th. Harry Ross, 3rd baseman, and Jim Paypas, catcher, were named to the all - league team. Pitcher Steve Sholtok and shortstop Ron Hamel received honorable mention.

The trend of outstanding achievement and a concomitant development of school pride continue. On September 14, a Student Council carnival netted close to \$1,500 toward the building of a school complex in a Peace Corps country of Latin America. Nearly 200 students were involved in publicity and planning.

Two weeks ago, the tennis team completed a 9-5 season that saw them take 3rd place in a league that contains state champion Great Neck South and Great Neck North, holder of the same title only two short-years ago.

The girls swimming team pulled off a stunning upset victory over West Islip last Friday to capture the Eastern Division championship. Led by Captain Nancy Mattutot, Sue Bolle and Leslie Gallo, JFK's sizzling free - styler, the mermaids lost but one meet all season.

The future? Roseate, indeed. The U.N. Club plans to participate in model United Nations in N.J., Texas and Puerto Rico. The Kennedy Players have begun work on this year's major production, "The Sound of Music." The basketball team, under the direction of new coach Irwin Stewart, benefits from the addition of four starters from last year's championship J.V. squad. Three Kennedy students will appear on the nation-wide television show, "R's Academic," in early spring. The list is endless.

No longer is Kennedy High School just a building. As nature's beauty has unfolded on a once barren hill, two years' achievements have formed the building blocks of a place of learning, a school in its truest sense, and pride, the mortar that binds them.

# Suggestions From Our Postmaster

"The Post Office generally can handle the rain, sleet and snow-provided mailers tell the postal service where their letters should go." Postmaster Cascardo of Hicksville said today.

Today's plea from Postmaster Cascardo is part of a campaign to orient postal patrons to the problems of the department.

Bad weather and angry dogs are not always highest on the list of hindrances preventing the speedy and accurate flow of mail from place to place, Mr. Cascardo suggested. It's the little things, like failing to inform the Post Office and your mailers of a change in address, that are the direct cause of magazines, newspapers, unpaid bills and tons of personal letters piling up in postal stations across the country.

By simply filling out "Change of Address" cards prior to moving and then sending these to your mailers and local Post Office, you can help the postal authorities. Improve service by saving

thousands of unnecessary man-hours of work and, as a result, millions of tax-payer dollars annually. These cards are available at your local Post Office.

Postmaster Cascardo pointed out that magazine publishers and other bulk mailers require several weeks to process a change of address in their subscription operations. In view of this fact, he urged that postal patrons notify their mailers at least a month before moving to their new address.

Among the private efforts to support the Post Office, several major magazine publishers currently remind their readers through announcements in their publications to notify the publishers of address shifts up to four and five weeks in advance. Nevertheless, many Americans have not yet read the message. Postmaster Cascardo suggests following this advice in order to avoid being one of those people who still get last week's magazines this week.

## Ten Pin Talk

by  
**Henry Dockswell**

We've just completed the 9th week which is midway through our First Half. Let's just take a quick look at the league.

At this moment the Mary Kahns are still leading the league. But right behind them are the Sid Holtzman's only three points out and in 3rd place are the Julie Gershens 10 points away.

These are the three teams that have shared the lead since the season started. The Holtzmans led for four weeks in a row but then they had a two week lapse that allowed the Kahns to take over. Then when the Kahns let down for a week the Gershens jumped in and led the pack. So remember men these are the guys to beat. When you strike a blow against them you strike a blow for all of us.

The Kahns stayed on top this week with the help, once again, of their biggest gun, Red Karbel. Red fired his sixth good one, a 203, to lead the Kahns to a 4 1/2-4 1/2 speaker over the Sam Springers. Red is now second in production of 200 games, only to the man whose glasses are always staring at the ceiling, Sid Sachs.

Sid was also busy this week. Well, maybe just a little busy. He cracked his tenth good one, a 203, and when teammates Charlie Smith, 206, and the snapper, Dockswell, 233, joined him they achieved an 11-0 shutout over Bill Kellerman's "Gurus". Charlie broke the ice with this one but for the snapper it was his fourth. Sachs' "Chargers" charged from 15th to 10th. A little sidelight on Charlie. You know how tough it is to make the 7-6-10 split. Not for Charlie. He made it twice in one game this past Monday night.

Sid Holtzman was a real captain this time. He opened with a 192 and he brought that was pretty good. Good enough to take the first game from the Sid Samonis anyway. But he improved to the tune of a 206 and a rousing 234 for a big finish and a 5-0 series. When teammate Bernie Kaplan joined him in the third game with a 200 it completed a sweep of the series.

This next fellow deserves honorable mention all by himself. Mike Hauptman. Mike threw his fourth good one of the year and he is now sporting the best average he's ever had for a 197 week stretch, a 170. He's the chief reason his teammates, the Murray Kowlowitzs, are in 4th place.

For the rest of the honorable mentionables we give you: My Shapiro, 221 Sy Shostack 207 and Murray the Gitzelman a 201.

## Alan N. Resnick

Three Nassau County residents - including one from Jericho - are among 35 Rider College (Trenton, N. J.) students honored by the 1968-69 edition of Who's Who in American Colleges and Universities.

Named to the annual directory of campus leaders was Alan N. Resnick of Birchwood who is a business administration major and a five-time Dean's List student. He earned the highest scholastic rating in his fraternity nationally a year ago and has served as president of the Law Society at Rider. He's a Jericho High graduate and the son of Mr. and Mrs. Samuel Resnick of 45 Magnolia Lane.

## Fiction And Fact

By Dottie Mills

### Open for Business

The approach of Thanksgiving is the starting gun for that most frantic of all holiday seasons. Main streets of towns, shopping centers, and individual stores festoon themselves to encourage the orgy of buying and spending that generally hits high gear right after Thanksgiving. In the midst of all that mind-numbing, raucous gaiety there will be oases of serenity and civilized calm -- Jericho Public Library.

The holiday season means extra business for libraries too. The schools close; college students come home for the mid-year break. The festivities of shopping and wrapping packages only temporarily relieve the pressure of assignments to be completed before the return to classes.

It has been the policy of Jericho Public Library to remain open on those days when the Library's book collection can be of use to students. The Library is open, for instance, on Columbus Day, Veterans' Day, Election Day, Lincoln's Birthday, etc. The Library closes on those days of religious sig-

nificance when students, while not in school, are usually required or expected to stay at home within the family circle, e.g. Yom Kippur, Christmas. The Library Board has felt that such a policy meets its two main requirements: convenience of the Library's patrons, economy of operation.

As it happens, the schedule of open hours now in operation nicely dovetails with the coming holidays. Perhaps you would like to cut out the schedules below for you and your children's future reference.

**REGULAR WINTER SCHEDULE**  
 Monday 10AM -- 9 PM  
 Tuesday 10AM -- 5 PM  
 Wednesday Closed  
 Thursday 10AM -- 9 PM  
 Friday 10AM -- 5 PM  
 Saturday 10AM -- 5 PM

 Thursday, November 28  
 Tuesday, December 24  
 Wednesday, December 25 (normally closed Wed.)  
 Tuesday, December 31  
 Wednesday, January 1 (normally closed Wed.)

One of the most important Senior Privileges has finally been realized; that of a Senior Lounge.

As soon as a room for the lounge was decided upon, the students starting working to make it a comfortable and enjoyable place for the seniors to go. The walls of the former classroom in the older wing of the school were painted, the blackboards were painted into abstract murals with colored chalk and spray which made them permanent features of the lounge; posters and curtains went up; old seats from the High School lobby were re-covered. All of the work was done by the students under the supervision of Mr. Ernest Sevaglio and Miss Phyllis Mandell, the Senior Class advisors.

The lounge had its grand opening Monday, November 4, after school. Seniors are allowed to go to the lounge instead of study hall and lunch but there is to be no smoking or eating done there.

Only a few days before the actual presidential elections November 5, mock elections were held at Jericho High School. Each of the three major candidates was represented by a student: Hubert Humphrey - Ira Goldman; Richard Nixon - Larry Levinson; and George Wallace - Richard Mattes. A few days before the actual debates were held between the three candidates. Although boisterous at times, the students seemed to become very involved with the speakers and the issues.

When the votes were tabulated, Humphrey had 61% of the votes to Nixon's 27%. Pat Paulsen received 5% while George Wallace and Dick Gregory split the remaining votes.

The Jericho Varsity Girls Swimming Team won their scrimmage against Uniondale Wednesday, October 30. The team ended its season last week, Saturday, November 2, the Jericho Jayhawks slaughtered their opponents, North Shore High School, 34-0. Quarterback Perry Kerner threw three touchdown passes to receiver Phil Goldstein. The longest was a fifty-

## Harold E. Smith Fire Commissioner Dead At Sixty

The flags in front of the Jericho Firehouse have been flying at half-mast this week in honor of Harold E. Smith, Commissioner of the Jericho Fire District, who died on Friday, November 8th. Smith, Fire Commissioner of our district for almost 20 years, died at his home on Brookville Road in Brookville.

Burial took place this past Monday in Brookville Cemetery after a 10 A.M. Requiem Mass was offered for Smith at St. Paul The Apostle Catholic Church. He is survived by his wife, Alice, four nieces and two nephews.

## Hadassah News

The Jericho Chapter of Hadassah is having its next meeting Thursday evening, November 21st, 8:30 P.M., at the Jericho Jewish Center. Guest Annette Sanberg, who is an antique dealer, will discuss antiques. If you wish to bring one of your own antiques, she will discuss it with you. Refreshments will be served.

The Chapter is sponsoring classes in beaded flower making every Thursday morning from 10 A.M. to 12 noon at the Jericho Jewish Center. Beginners are always welcome. There is a charge of \$2.00 and all proceeds go to the Hadassah Medical Center. For information, call Diane WE 8-7966, or Frances WE 8-4459.

Five yard pass in the second quarter. This was definitely one of Jericho's best games for the whole team worked as a unit. Also, it was the second straight triumph for the footballers against non-league competition.

Saturday, November 9, saw the Jayhawks knock Carl Place out of the North Shore Division IV lead by virtue of a 13-13 tie. Ed Leeds and Elliott Burtoff both scored in the first half on one yard runs, with Burtoff making a one-point conversion, also on a run. Jericho is now 0-3-1 in its division.

## Dedication Of Torah At Temple Or Elohim Set For Nov. 22nd

At Sabbath service on Friday night, November 22nd, Temple Or Elohim Men's Club will present to the Temple a newly acquired Torah. This will be the third Torah to be given to the Temple.

The scrolls literally encompass the five books of Moses beginning with Genesis and going through Deuteronomy, but symbolically it represents the entire literary tradition of Judaism which extends for over 4000 years of human history. The service will celebrate this joyous moment by encouraging and emphasizing family worship. The centrality of the Torah in Jewish tradition is underlined by the fact that dif-

ferent portions are read at each Sabbath Service.

Participating in the ceremony will be the past presidents of Men's Club. They include the incumbent President, Win Lobel, and Past Presidents, Allan Cohn and Burton Benjamin. In addition, two families who made special gifts to the Torah Fund will also participate - those of Allan Cohn and Malcolm Ratner.

Services will begin at 8:45 P.M. and, joining in the service with Rabbi Herbert H. Rose and Cantor Gaber, will be the Junior and Senior Choir of Temple Or Elohim. The public is cordially invited to join in worship on this occasion.

## Villager Public Service Feature

Garbage Collection  
 Information Listed

Columbus Day, Saturday October 12th and Election Day, November 5th, both fell on what ordinarily would have been area garbage collection days. Out of habit, many Birchwood residents put garbage cans out at the curb the evenings before, forgetting that there would be no collection the next day because of the holiday. While it is bad enough just to lug the cans to the curb, it is even worse that the greater majority of residents preferred to let the filled cans sit there for two days until the next regularly scheduled pick-up date.

Once again, The Village is listing the holidays during the year on which there will be no rubbish or garbage collections. New Year's Day, Lincoln's

Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, Election Day and Christmas Day.

In the event a holiday falls on your rubbish day, rubbish will be collected on your next rubbish collection day. Garbage will be collected on your next regular collection day.

For unusually bulky items, or items weighing over 100 lbs., such as old refrigerators, washing machines, dryers, etc., please remember that an appointment has to be made for pick up by a special truck. Call 293-9191 for this special pick-up. Do not put the bulky items at the curb without making the appointment telephone call to 293 9191.

## Syosset High Sports

The Syosset High School Soccer Team is Co-Champion with Herricks High School for the North Shore Division Soccer Championship. Syosset will be seeded No. 1 in the Nassau County Soccer Tournament as a result of having scored the most points in league competition.

In addition to winning the championship, the Syosset Varsity Soccer Team has been selected by the Nassau County Soccer Officials Association as winner of their annual Sportsman Award. Mr. William Kupec, Principal of Syosset High School and Mr.

Brad Reed, the Varsity Soccer coach received this award on behalf of the team at the County Officials' Dinner on November 13, 1968 at Olsen's Restaurant in Massapequa. The Officials' Association will repeat this presentation at Syosset High School in the near future.

Mr. William Murtagh, Director of Athletics at Syosset, reports that the Syosset High School Cross-Country Team coached by Mr. Clint Miller has won the North Shore Division I and the North Shore Cross - Country Championships.

Those children attending will be members of the Willet Avenue Chorus under the direction of Mrs. Theresa S. Gammato, the third grade class of Mrs. Roselyn Katz, and the second grade class of Mrs. Renee Raymond.

A number of parents will also attend the performance and share with their children the enjoyment of this ever-popular operetta.

**LI Choral Society Begins 39th Season**

Opening the season with its 39th annual Fall concert, the Long Island Choral Society will feature baritone Mark Howard as guest artist on Friday evening, November 22 at 8:30 p.m. in the Cathedral House, 50 Cathedral Ave., Garden City.

Under the baton of Norman Holten, the chorus will sing the Magnificat of Antonio Vivaldi, as well as compositions by Brahms and Dello Jolo and a group of folk songs of the Hebrides.

Mark Howard appeared this summer with the Municipal Con-

certs' orchestra under the direction of Julius Grossman. He has sung with many orchestras and opera companies, singing roles as diverse as Figaro in the Barber of Seville (Metropolitan Opera Studio) and the Ferryman in Benjamin Britten's Curlew River (Thomas Sherman and the Little Orchestra Society). Future plans for Mr. Howard include the premiere performance of Ronald Nelson's The Birthday of Infante, and engagement by the Atlanta Opera Company for Marcello in their production of La Boheme and Kurvenal in Tristan and Isolde. Next spring he will tour with the Metropolitan Opera Studio.

Dear Friends;

willing to try, if you are. So, send us your questions and let's go...

We're pleased that now THE HERALD is bringing you more school news, plus a student column from Hicksville High School and now one from J.E. Kennedy High. Other local high schools are invited to do the same...

Attention hockey referees! You're needed by Oyster Bay town to referee town hockey league games.

Those with experience who are interested in refereeing hockey games between youngsters 10-18 six hours per week from November through March 1969 should contact Ralph Scalera, head referee at CH 9-9231 or call the Town of Oyster Bay department of recreation at 921-5875 for further details regarding schedule and salary.

In conclusion many thanks to Messrs Gregory and Evers who prepared a fine set of slides of Hicksville which are dedicated to Fred. If you are a member of a local organization, we suggest that the set Number 4, would make a fine program. If you contact either Mr. Gregory or Mr. Evers at the High School, I'm sure you can make the necessary arrangements.

Until next week, do your best.

Sincerely, SHEILA NOETH

Important Safety Law

Oyster Bay Town Councilman, Al Carl Grunwald, Chairman of the town's standing committee on safety, today reminded town residents that it is against the law for any motorist to knowingly tow anyone.

Grunwald explained that a motorist towing anyone on a bicycle, coaster, roller-skates, sled or toy vehicle is subject to penalties and fines. It is also against the law for anyone towing to a motor vehicle for the purpose of being towed.

Between Broadway and Jerusalem Avenue) is in the process of selling used desks and chairs of varied designs and sizes at the Old Nicholas Street School property, located across the street from the Church.

The sale is open to the general public Monday through Friday from 10:00-12:00 and from 1:00-3:00 p.m. and on Saturday, November 9 - 16th from 10:00 a.m. - 12:00 Noon.

Why not try your hand at refinishing? Many have purchased used wooden desks and have refinished them for use as end tables in their den.

Ramblin' Rose

by Rosemary Walsh

My these weeks roll round quickly. I never felt I'd be at a loss for words (friends, cohorts and family -- no comments please), but as I start here each time I wonder, it occurred to me as I reviewed the community calendars that there are many attractive scheduled events that would interest you. I thought I'd give them some merited mention...

ed Vietnam veteran, sure glad he's back and joining the fans. This last one was a real cliff hanger (8-7) against Farmingdale. The closing minutes were too much for my old cardiovascular system.

The J. V.'s are still plowing them under although this last one was a bit rough--Hicksville 32, Farmingdale 20.

Some interesting activities are scheduled at the Canteen Ice Rink under the watchful eye of Keith Crawford formerly of the Long Island Ducks. There are instructional classes for boys 9-10 years old on Mondays 6-8 P.M., 8-10 Open League for boys

12 to 14 years. Twotype leagues are in the planning stage now, an open league and a school league for 15 to 17 year olds. They haven't forgotten the girls, clinics are held the following Saturday mornings, November 23, 30 and December 7 from 10 A.M. to Noon for all ages. You know for you Mothers with a few free hours during school week the rink is quiet, relaxing and open for your skating 10 to Noon and 1 to 3 P.M. The entire park is under the fine supervision of Gerry McDonough and I'm sure a call to tv 9-9600--ext. 302 will answer any and all of your needs.

Well the holiday season is fast approaching and a lot of rambling will be required over the next month or more so for now I shall ramble off-----

Graphic Features Record Review

By Steve Bursten

The continued trend toward big band music was emphasized again recently when Artie Shaw, re-created his great band sound of the 30's on Capital records # ST2992 recording.

Shaw fans will take delight in such numbers as Begin as the Beguine, Lover Come Back To Me and What Is This Thing Called Love? For those record buffs who haven't yet experienced Shaw's genius, it's a must! The stereo quality obtained on this disc is way above average, and the channel separation is an accomplishment in sound. We give this recording straight A's!

Remember Al Martino, with his great albums, Love is Blue, Mary in the Morning and Spanish Eyes--now comes a new album which we feel is his best yet! The album "Wake Up to Me Gentle" is a study of the diversified singing talents of Martino & his company. The arrangements of John Tartaglia are unique, modern and inspiring. We predict good things for Al & his new album (Capital ST 2983).

BILLY JOE SPEARS

This gal deserves her own headline. Just 21, she's billed as country and western fast rising female vocalist. Her rendition of "Ode to Billie Joe and Harper Valley PTA" are superb. The new Capital album called Billie Jo Spears, is a sensational work of pop music, and should be added to everyone's collection. I can't think of a better introduction to "feel" music than through Billy Joe...We consider this one the Best new release of the month: (Capital ST113)

Once there was a solid hit called "Gone", recorded by Ferlin Husky. We loved it then and we love it now as part of his new album "White Fences & Evergreen Trees"...Ferlin is tops! Along with Hush Puppies he swings with great feeling into such numbers as One Live To Live River, Mo. He's the type of guy who sings his heart...and you just can't help but sing along with him. (Capitol ST115).

Sisterhood To Meet

The Sisterhood of the Hicksville Jewish Center will have its regular monthly meeting on Monday, November 25th, at 8:30 p.m. The meeting will be held at the Temple on Jerusalem Avenue and Maglie Drive.
