Gregory Museum Friends Organize To Expand

The Gregory Museum, incorporated by the New York Board of Regents on November 18, 1966, is seeking to expand its activities. At present its activities are limited because of lack of space, equipment and staff. The Museum is located in the home of Mr. and Mrs. Gardiner Gregory, 207 Cot-

tage Boulevard, Hicksville. The museum houses over 5,000 specimens of butterflies and moths, and over 6,000 specimens of rocks and minerals. Since the museum opened its doors in 1963, it has been supported almost entirely by the Gregorys. The Museum staff consists of Mr. and Mrs. Gregory working on a part-time basis.

13,403 children and adults have made educational tours through the museum. Eighteen different slide sets in science have been produced by Mr. Gregory. These slide sets have been shown to 505 schools and organizations in thirty-four states and Canada with 20,068 people seeing them. Classes have been conducted for students and teachers on geology, mineralogy, and the lapidary arts. The museum has a well equipped lapidary shop. The number of these classes have been limited because of lack of time, space and staff. The museum has had eighty-

three articles published in educational, scientific, trade and hobby magazines about lepidoptera, rocks and minerals, and the activities of the museum. In the spring of 1968, the museum prepared a proposal for a mobile earth science laboratory unit to serve schools on Long Island to be submitted for funding under Title III ESEA (Elementary Secondary Education Act). Four Nassau school districts have joined in this proposal. At present, The Gregory Museum is only handling a small percentage of the schools classes and civic groups wishing to tour

its facilities. In order to assist the museum, a group of interested citizens have organized a group named "Friends Of The Gregory Museum" to raise money to expand and perpetuate the museum. On December 5th, a kick-off drive sponsored by this group will take place at The Gregory Museum. Forty executives from mining and manufacturing companies have been invited to a catered luncheon, after which they will tour the museum. It is hoped that funds will be secured from members of this group to secure adequate housing, staff, and facilities for the museum.

MANY HAPPY RETURNS: Mrs. Ethel Werner, teacher at Trinity Lutheran School for 8 years and a member of the teaching profession for over 50 years, was honored on her 8th birthday, on Tuesday, November 26th, with a surprise party at the regular faculty meeting of the school's 18 member teaching staff. Offering congratulations on the occasion was Reverend Edward H. Stammel, pastor of Trinity Lutheran Church (left) and Mr. Weldon W. Endorf, principal of Trinity Lutheran School.

Hibernians To Install

On Sunday, December 8, at 3:00 p.m. the Ancient Order of Hibernians Div. #11 will install new officers for the coming year at the Knights of Columbus Hall in Hicksville. New slate of elected officers for 1968 are as follows: President, Stephen Ryan; Vice President, Peter O'Reilly; Recording Secretary, Edward Byrnes; Financial Secretary, Lawrence Roby; Treasurer, William Collins; Grievance Committee, Thomas Fallon; Marshal, Donald Buckley; Sentinel, George Harkin. This will be an open installation; relatives and friends are cordially invited to attend. The ladies auxiliary will also install their officers for the coming year.

Big Brother Film

A Big Brother film will be presented by Mr. Joseph Deitz in the Educational Bldg. of St. Stephen's Lutheran Church, Broadway and Fourth Street, Hicksville on Tuesday, December 17, at 8 P.M. The Big Brother Program is an inter-faith, non-sectarian movement dedicated to helping fatherless boys. Interested men and women are invited to attend.

Library Board To Meet

The regular monthly meeting of the Hicksville Public Library Board of Trustees will be held on Wednesday, December 18th at the library at 8 p.m. All subsequent meetings will be held on the third Wednesday of each month.

East St. School PTA

The East St. P. T. A. in Hicksville will present their Annual Holiday Variety Show on Dec. 12th at 8:15 P.M. There will be a 50¢ grab bag (optional). Refreshments will be served.

V.F.W. Sponsors Americanism Program

The William M. Gouse Jr. Post No. 3211, Veterans of Foreign Wars, Hicksville, will sponsor an Americanism program, Monday evening, December 16, 1968, 8:30 p.m. at V.F.W. Hall, Grand Avenue Hicksville. The program is open to the public and will consist of a film on the Students for a Democratic Society, with a question and answer session afterward. Fran Aug. Americanism chairman, for the Hicksville unit states that the program has enjoyed success in all its previous showings. Refreshments will be served.

Outdoor Travel Camp

Susan Entson, daughter of Mr. and Mrs. Irwin Entson of 9 Sudney Street in PLAINVIEW will be participating in the student ski camp program of Outdoor Travel Camps this Christmas vacation. The unique ski camp is located in Killington, Vermont and utilizes the outstanding skiing facilities of the Killington, Pico Sugarbush, Stowe, Bromley and Okemo ski areas. The ski camp is part of the year-round program of Outdoor Travel Camps and many winter participants have been members of the camp's New England, Western or European summer trips.

Senior Citizens News

The Mid Island Senior Citizens will take a Trip to Bethlehem, Pa. on Tuesday, Dec. 12 and will have Dinner at the Hotel Bethlehem. On December 17th they will have their Christmas Party at Carl Hopp's Restaurant in Salisbury Park.

Library Notes

It has been brought to our attention that parking facilities at the Hicksville Public Library are less than perfect. There is no longer parking allowed directly in front of the Library, and during the school week no parking is allowed on the south side of the street near the junior high school. We would like to remind our patrons that parking is allowed across the street from the Library on Jerusalem Avenue as well as on the side streets adjacent to the Library for periods on one hour. Also, after the school day - from 3 o'clock on-parking is allowed on the south side of Second Street. Saturdays patrons may park on both sides of Second Street at any time of the day. Another criticism frequently heard is the noise in the library.

We urge those who wish to use the library at the quietest possible time to visit the library during the day between 10 a.m. and 2 p.m. or in the evening. The library is filled with students from 2:30 p.m. until six o'clock. Quiet and order is difficult to maintain as each new group exuberantly enters the library and gets settled. The patrons who come in the evening are usually here for a serious purpose and although there are a goodly number of people working and studying, the noise is minimal. Saturdays are generally noisy. That is our peak time and there are so many people coming and going that it is difficult to maintain silence. Therefore, may we suggest for those who are interested in quiet that weekday mornings are the quietest,

evenings next, then weekday afternoons, and lastly Saturdays. For those patrons who do not have time to browse and peruse the book collection at leisure, may we suggest that you make use of our telephone reference service. This is available Monday through Fridays. Either call for reference information or call for us to set certain books aside for you pick up later in the day. Also, we would like to remind you about interlibrary loan service. If the Hicksville Public Library does not have a particular book you desire, we will borrow it for you from one of the 53 libraries in the Nassau Library System. In order to make arrangements for interlibrary loan service, you must contact one of the reference librarians personally when you are in the library. Why not make use of the Hicksville Public Library? Its your library.

OUR LIBRARY SERVES THE COMMUNITY: Here we see the Hicksville Public Library Bookmobile as it serves the Senior Citizens group at the Hicksville Jewish Center on Jerusalem Ave. and Magle Drive. This is part of the Hicksville Public Library's effort to provide library service to groups who find it difficult to visit the library regularly. In keeping with this policy, the library has for sometime served, via the bookmobile, the Jones Institute on W. John St. The stop for the Hicksville Jewish Center Senior Citizens is every other Tuesday from 12 noon to 1 P.M. On alternate Tuesdays from 11 to 11:45 A.M. the bookmobile stops at Jones Institute. The Jones Institute stop has proved so popular and of such benefit to the many residents using this service, it is reasonable to assume that the Senior Citizens of the Hicksville Jewish Center will find it equally so. (Photo by Pierre Charbonnet).

TOP AUXILIARY POLICE STUDENTS HONORED: Nassau Police Commissioner Francis B. Looney, left, is shown congratulating the top three men in a class of 63 who graduated Wednesday evening from a 12 week training course sponsored and taught by county police for auxiliary police in Nassau. Ptl. Warren Meuselback, Unit 312, Hicksville, 3rd from the left, received the top award with a mark of 98%; Ptl. Herbert Francis, Unit 204, Brookville, was second with a mark of 95%; and Chief Othello Pedersen, Unit 317 Plainview, right, received a mark of 94%. All 1100 auxiliary policemen in Nassau County will attend the course. The fourth class began after the graduation ceremony.

Our Armed Forces

Army Private First Class Joseph W. Moore, 20, son of Mr. and Mrs. Joseph B. Moore, 88 Holly-bock Road, LEVITTOWN, was assigned as a radio relay and carrier attendant in the 459th Signal Battalion near Ban Me Thuot, Vietnam, Nov. 4.

He graduated with the distinction of having fired the highest score of his platoon during marksmanship training, firing 227 out of a possible 250 with the M-14 rifle in competition with some 75 other Marines in his platoon.

Radarman Seaman Lee H. Koerner, USN, 20, son of Mr. and Mrs. Herbert J. Koerner of 583 Plainview Road, PLAINVIEW, is serving aboard the attack aircraft carrier USS Ticonderoga at Long Beach, Calif.

A graduate of Hicksville High School, Private First Class Looce entered the service in August 1968.

His ship has won its third Navy Unit Commendation. Ticonderoga received the award for action during its fourth combat cruise with the Seventh Fleet off the coast of Vietnam.

Army Specialist Four William J. Campion, son of Mr. and Mrs. William H. Campion, 70 Princess St., HICKSVILLE, received the Bronze Star Medal November 14 in Vietnam.

Spec. Campion received the award for heroism in action while engaged in ground operations against a hostile force in Vietnam as follows:

Richard D. Magull, son of Mrs. Constance E. Magull, 45 Meeting Lane, HICKSVILLE, has been promoted to airman first class in the U. S. Air Force.

For heroism in connection with military actions involving conflict with an armed hostile force in the Republic of Vietnam: Private First Class Campion distinguished himself by valorous actions on 18 September 1968 while serving as a Rifleman with Company B, 4th Battalion, 47th Infantry, on a reconnaissance mission in Kien Hoa Province.

The airman is a 1967 graduate of Hicksville High School.

After being inserted into an area of heavy contact, his unit was in the process of maneuvering to covered positions when it was discovered that one person was missing in action. Private Campion, disregarding his personal safety, set out and, upon finding the man, provided cover fire while a medical aidman administered first aid. He then helped remove the casualty through the fusillade to a more secure place.

Army Private First Class Edward J. Merkle, 20, son of Mr. and Mrs. Edward M. Merkle, 45 Albert Road, HICKSVILLE, was assigned last month to the 1st Cavalary Division Airmobile in Vietnam, as a small arms infantryman.

Private First Class Campion's personal bravery and devotion to duty are in keeping with the highest traditions of the military service and reflect great credit upon himself, the 9th Infantry Division and the United States Army. Authority: By direction of the President under the provisions of Executive Order 11946, 24 August 1962.

Private Richard A. Migliorisi, 20, son of Mr. and Mrs. Salvatore Migliorisi, 579 Plainview Road, PLAINVIEW, completed the CH-47 helicopter repair course at the Army Transportation School, Ft. Eustis, Va., Nov. 20.

A Rifleman in Company B, 4th Battalion of the 9th Infantry Division's 47th Infantry, Spec. Campion entered the Army in March 1968, completed basic training at Ft. Gordon, Ga., and was stationed at Ft. Jackson, S.C., before arriving in Vietnam last August. He has received the Combat Infantryman Badge.

Pvt. Migliorisi entered the Army in May 1968 and was last stationed at Ft. Jackson, S.C. He graduated in 1966 from Plainview High School. Before entering the Army, he was employed by Grumman A.E.C., Bethpage, N.Y.

Army Specialist Four James Monette, son of Mr. and Mrs. Joseph Monette, 30 Smith St., Hicksville, N.Y., recently participated in Exercise Golden Rod, an annual NATO fall training in Germany.

A technical supply clerk in the company, Spec. Monette entered the Army in July 1967, completed basic training at Ft. Gordon, Ga., and was stationed at Ft. Jackson, S.C., before arriving in Germany last March.

The 20-year-old soldier graduated from Hicksville High School in 1966 and attended Nassau Community College, Garden City.

Army Private First Class William E. Tunke, son of Mr. and Mrs. Eric P. Tunke, 22 Spruce St., HICKSVILLE, is on duty at DaNang AB, Vietnam.

Army Private Robert K. Frazer, 19, son of Mr. and Mrs. Henry E. Frazer, 53 Ontario Ave., PLAINVIEW, was assigned Nov. 4 to the 178th Assault Support Helicopter Company near Chu, Lal, Vietnam, as a supply clerk.

Army Private Robert H. Goldstein, 20, son of Mr. and Mrs. Murray M. Goldstein, 21 Fero Drive W., JERICHO, completed nine weeks of advanced infantry training Nov. 9 at Ft. McClellan, Ala.

Army Private Robert A. Metzler, son of Mr. and Mrs. William Metzler of 78 Nassau Ave., PLAINVIEW, has completed basic training at Amarillo AFB, Tex. He has been assigned to Sheppard AFB, Tex., for training in aircraft maintenance. Airman Metzler is a 1968 graduate of Plainview High School.

Marine Private First Class Joseph F. Looce, 19, son of Mr. and Mrs. J. Looce of 229 Duffy Ave., HICKSVILLE, completed recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

Airman Harvey F. Harding, son of Mrs. Virginia L. Harding of 56 Wishing Lane, HICKSVILLE, has received his first U.S. Air Force duty assignment after completing basic training at Amarillo AFB, Tex.

The airman has been assigned to Chanute AFB, Ill., for training and duty as a security policeman.

Airman Harding is a 1968 graduate of Hicksville High School.

Airman William J. Wulfen, son of Mr. and Mrs. Joseph J. Wulfen of 47 Sunnyside Blvd., PLAINVIEW, has received his first U.S. Air Force duty assignment after completing basic training at Amarillo AFB, Tex.

The airman has been assigned to Niagara International Airport, N.Y., for training and duty in the civil engineering mechanical/electrical field.

Airman Wulfen is a 1968 graduate of John F. Kennedy High School.

Army Sergeant John J. Lappano, 21, son of Mr. and Mrs. Joseph Lappano, 42 Woodbine Drive, HICKSVILLE, was assigned to the 1st Infantry at Ft. Campbell, Ky., Nov. 9.

Sgt. Lappano, last stationed in Vietnam, is now a squad leader in Company A of the 1st Infantry's 5th Battalion.

He entered the Army in April 1967 and has since been awarded the Bronze Star Medal for heroism, the Air Medal, the Combat Infantryman Badge and two awards of the Purple Heart.

Sgt. Lappano is a 1966 graduate of Bethpage High School.

Army Private Joseph McCahill, 19, son of Mr. and Mrs. Donald F. McCahill, 32 S. Park Drive, OLD BETHPAGE, completed eight weeks of advanced infantry training Nov. 8 at Ft. Jackson, S.C.

Dear Friends:

The first concert this season of the Hicksville Recreation Department held last Saturday evening at the Holy Trinity Diocesan High School on Newbridge Road, absolutely defies description. . . . it was wonderful! The production of Carl Orff's CARMINA BURANA featuring the combined forces of the Hicksville Community Orchestra, the Hicksville Community Chorus, the Hicksville Senior High School Chorale, members of the Junior High School 7th and 8th grade boys choruses and soloists Stephanie Katz, Charles House and William Goleeke, was well performed, as was Rimsky Korsakoff's Capriccio Espagnol and Introduction and Rondo Capriccioso by Saint-Saens with Stuart McDonald as violin soloist all under the able direction of Charles J. Gouse. Our compliments go to everyone who participated and to our friends Joseph Madden and Rosemary Walsh of the Recreation Department who were responsible. The music was excellent but, more than that was the realization that Hicksville as a community, seemed to be united, as we watched and listened to this excellent concert. Great work!

We are happy to welcome home again to THE HERALD, sports writer Howard Finnegan whose column will once more appear where it originally started. Glad you're with us, Howard.

Monday morning was windy and rainy. . . so you couldn't notice the solitary tear, here and there, on the cheeks of some of the old Hicksvillians who stood silently on the sidewalk across from the Nicholas Street School, as the demolition work began. We know that good can come from EVERY change. . . but it is sad, too, for, as the old saying goes. . . "this too shall pass". Mr. Erdman, genial principal of Trinity Lutheran told us that they have high hopes that when funds permit, a fine pre-kindergarten school building may come into being on this site. We hope so.

Best wishes for a successful term as Fire Commissioner to both James J. Taxter of Hicksville and Neil Murphy of Jericho. As we said last week, we feel that the experience of a five year term rated the re-election of Medard Ofenloch. However, the voters just didn't agree with us. That's democracy in action. We still feel that Mr. Ofenloch did an excellent job and hope that he will continue to serve his community in whatever field he now thinks best. The votes were 664 for Ofenloch, 907 Taxter and 20 void.

In closing this week we extend our sincere condolences to Mr. and Mrs. George Johnson, former Hicksville residents, whose son Kenneth was accidentally shot on Thanksgiving Day in Vietnam. He had done so very much to help others.

TAKE IT TO A PRO...

To The Editor

Letter to the Editor:

Just a comment on some item in last week's issue. I do not agree with Mr. Ocher in regards to the Bridge. What's good for the Goose is good for the Gander. Is he trying to protect the wealthy on the North Shore?

As a former resident, I can see you local taxpayers still do face the R.R. Bridges and the dirty streets, broken sidewalks etc., including the rape of the trees, which in most cases should not be replaced for they push up the sidewalk causing old people to fall. And its the extra trouble in cleaning up the streets.

Operation VFW

William M. Gouse, Jr.
Post No. 3211
by Eddie Klebing

Organizational Calendar

- December 6, Junior Girls Unit Meeting - VFW Hall.
- December 9, VFW Business Meeting - VFW Hall.
- December 16, Americanism Program - VFW Hall.

Remember The LCU 1577

With all the editorials, talks and commentaries about the seizure of the Pueblo a lot of people don't know that it is over 120 days since Cambodia seized one of our utility landing crafts. Now the fate of 11 American servicemen is in the hands Prince Norodom Sihanouk head of the Cambodian government.

Our limp wrist requests that the vessel and her crew be released has only made Sihanouk try a little blackmail with our government. He suggested that the LCU and its men would be released if the U. S. recognized responsibility for intruding in their waters, violating Cambodian sovereignty and paid compensation of one billion dollars for the deaths of 14 Cambodians as an alleged border incident earlier in the year. If the U.S. goes along with being blackmailed, then Sihanouk would release the prisoners immediately. The State Department has stated it would not get involved in the incident. Thus, it would seem like the fate of the crew has already been decided. How long are we going to stand diplomatically by while more American prisoners rot in Oriental prisons???

Arlington National Cemetery

Richard Homan, Commander-in-Chief of the Veterans of Foreign Wars started a proposal by a federal employees union to use part of an 80 acre plot scheduled for expansion of Arlington National Cemetery as a parking lot for employees of the Pentagon.

Commander Homan said that the proposal by Local 2, American Federation of Government Employees, to convert burial space into parking space at the national cemetery is another example of whittling away the rights of our nation's veterans.

The VFW commander sent a letter to Congressman Joel Brodyhill of Virginia, whose district encompasses Arlington Cemetery, protesting the encroachment of burial space.

Some of the trees did not have to be removed. How different to be over where we still have our stately trees, besides that, sewers.

And Mr. Ocher is to push for more recreation? Don't let him kid you! It will be more taxes unless he is to lay off town employees who are getting paid for doing nothing.

Yes, the average taxpayer and voter is to blame. Also, for the last election shows they vote the same crowd into office. We were told that the big shots of large scale crime will not move

in, look at the dope traffic; crime; destruction of property etc., that exists in the town, and county. Maybe some conservatives in power will do some good. But amongst most women voters, its looks not brains that take the call. I believe in most that Mr. Taxter stands for and as I stated before the Fire & Water commissioners should be voted out. They add unnecessary burdens to the taxpayers.

If things continue and we are not bombed out, most of us will be bankrupt or on relief.

"Kubrick's special effects border on the miraculous!"

A Message From Our Postmaster

Christmas Card Week begins today. Ralph G. Cascardo, Hicksville's Postmaster, urged everyone to mail their Christmas greetings this week. "Hicksville's Post Office now serves about 110,000 people. If each person sends 35 Christmas cards, we'll have 3,850,000 cards to deliver. This doesn't include cards received from out of town, nor business Christmas mailings. Clearly the postal employees have an immense job to do, and we can't do it alone," our Postmaster said.

He asked the public to cooperate by shopping early, mailing early, and using ZIP Codes. "If people mail now during Christmas Card Week, December 9 to 14, we can prevent a last minute jam up in the mails," he said.

More mail than ever before will be delivered between now and the holidays.

Hicksville Postmaster Ralph G. Cascardo urged mailers to start to plan for their holiday mailings now and to be "Early Bird" mailers.

"The postal service can handle the unusually heavy load of mail expected this year, if the mailing public will give us a hand by depositing their cards and packages into the mail a bit earlier than usual and by using ZIP Codes," Postmaster Cascardo said. Packages should be wrapped well, without rattles. Addresses should be legible.

New postal laws have eliminated the lower rate for greeting cards weighing an ounce or less. Therefore, all "regular" Christmas cards will be mailed at the six cent rate this year.

Kenneth Johnson

Hero Medic, Sgt. 1-c Kenneth Johnson, 31, son of Mr. and Mrs. George Johnson, former Hicksville residents who presently reside at 288 North Newbridge Road in Levittown, was killed in Viet Nam on Thanksgiving Day, when another soldier's gun accidentally discharged. His family was notified last Saturday.

Sgt. Johnson won a Bronze Star for saving nineteen wounded men, when he was on his second tour of duty in Vietnam. He was a member of the Green Beret

NEWS

from

STATE SENATOR JOHN D. CAEMMERER 5th Senatorial District Nassau County

Authorities, representing both government and private groups, will be testifying next Wednesday, December 11, on what legislative steps New York State might take to help safeguard the citizen's traditional right of privacy.

The occasion will be a public hearing conducted by the Senate Sub-Committee on Right of Privacy to be held at the State Office Building, 270 Broadway in New York City, commencing at 10 a.m.

Appearing as witnesses will be a long list of experts in the field of privacy, security, investigation and information-gathering, electronics and data processing, communications, jurisprudence, and the social sciences.

I am chairman of the sponsoring body. Others serving on the

Sub-Committee are: Senators Edward Speno, Norman Lent, John Calandra, Jerry Bloom, D. Clinton Dominick, Paul Bookson.

During the 1968 Session of the State Legislature I had been championing a board program designed to protect the ordinary citizen from organized snooping and harassment by both governmental and private groups. The Hearing will look into those areas where effective legislation might be introduced during the 1969 Session in Albany. Scheduled for scrutiny are credit bureau practices, the gathering and dissemination of public and private records, eavesdropping devices and techniques and the fast-growing problem of computer privacy.

One of those expected to testify

is Bernard B. Spindel of Holmes, N.Y., master designer and craftsman of ultra-miniaturized detection and anti-snooping devices. He will demonstrate several electronic mechanisms so tiny they can scarcely be spotted by the unaided eye, yet sensitive enough to pick up and transmit information over a sizable distance.

In announcing the Public Hearing, I feel that I am shielding the individual from organized crime and harassment is a critical problem today, one that threatens our priceless heritage of personal freedom in a democratic society. The Sub-Committee is seeking ways to assure the citizen's right of privacy without impairing the gathering and dissemination of data which serves the public good.

Martin GINSBERG

ASSEMBLYMAN - 8th A. D.
147 Old Country Road
Hicksville, N. Y.
(516) WE 1-8300

The recent rash of synagogue fires in New York City as well as reports of vandalism to synagogues and other religious structures in other areas, points up the urgent need for passage of my bill holding parents responsible for damages to religious places caused by their children.

This terrible outbreak of arson and vandalism appears to be caused principally by children as we have seen in the arrest of four boys aged 10 to 12 years old in the Bronx. It points up the need for strong legislation such as I proposed in a bill I introduced at the last session of the Legislature, which unfortunately died in committee.

This Bill would hold parents responsible for up to \$1,000 in criminal mischief damages caused by their children. The payment of such damages would cause parents of unruly or destructive children to make a more careful check into what their child might be doing and where he might be doing it.

There is nothing like paying out cold cash to make a parent sit up and take notice of foolish or vicious tendencies in their children.

I introduced a similar bill following the 1967 Halloween Eye fire bombing of the Plainview Jewish Center, of which I am a congregant. An incendiary

bomb which was thrown through Rabbi Julius Goldberg's study window, destroyed the study, many religious books and relics, personal papers and synagogue records.

That bill was killed in the Legislature's last minute rush to adjourn. I feel, however, I may be able to get more action at this upcoming session in January, since the vandalism and arson which I noted last year, has continued to grow. Vandalism of schools and religious buildings must and will be stopped. The best way to do it is to make parents of young vandals, who are mostly responsible for such vandalism, pay till it hurts.

Your County

by Eugene H. Nickerson
Nassau County Executive

October's sharp increase in consumer prices across the nation underscores the urgent need for strong public protection of the consumer's interest.

The Nassau County Office of Consumer Affairs, the only such county agency in the country, will continue to investigate the hundreds of complaints received each month in order to assist both

the consumer and the ethical businessman.

Earlier this year, the President's Commission on Civil Disorders gave high priority to consumer protection in its program to attain a peaceful society.

Local retail stores have been the targets of many disorders which occur during riots. Fires have been sparked by anger, frustra-

tion, and vengeance.

A critical role of our office of Consumer Affairs is to effect a continuing dialogue by direct handling and resolution of consumer grievances. Through reconciliation, the hostility between the disadvantaged consumer and the businessman is reduced.

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICO

Calendar, Organizational and Community News - WE8-1965
 Insertion Deadline - Sunday Noon - Material Can Be Dropped At Editor's Residence - 13 Millpond Street, Jericho. WE 8-1965

HADASSAH BOULEVARD — Oyster Bay Town Councilman Ralph Diamond, left, checks the street sign that would identify Hadassah Boulevard in Jericho in honor of the Jericho chapter's celebration of Hadassah month.
 Adding their approval are left to right: Mrs. Gerald Blum, co-membership vice president, Mrs. Harold Greer, Chapter president, and Mrs. Bertram Hecht, also co-membership vice-president. Hadassah works program of health, youth and education in Israel.

Fiction And Fact

By Dottie Mills

A Case of Mistaken Identity

Contrary to popular opinion, or rather popular misconception, the organization known as The Friends of the Jericho Public Library is not the same as Jericho Public Library. The Friends of the Jericho Public Library is a completely separate and independent organization made up of dues-paying members. The purpose of the group is to assist the Board of Trustees of the Library in bringing the Library's story before the public. The Friends help to raise funds for materials and equipment not covered in the Library's budget. It also acts as a sounding board for the community regarding Library activities and goals. The Library Director works with The Friends in an advisory capacity and reports to the Board of Trustees on the activities being planned by The Friends in support of the Library's programs.
 The Friends publish a newspaper known as Follies on an irregular basis and for which the organization assumes all responsibility and costs. The Library Board of Trustees is in no way connected with this publishing venture. Many people are under the mistaken assumption that tax money is used to publish and distribute the Follies. The Friends also sponsor a very successful series of art tours to local and metropolitan museums. Other fund-raising activities include an annual book-and-author luncheon, book talks on the last Monday of every month in the Chase Manhattan Bank, and a Spring book sale. The

Friends are solely responsible for the coffee and cake we've all enjoyed at the adult film series sponsored by the Board of Trustees.

This is a very active and productive organization and let's face it, it is working for the best of all possible causes in our community -- the betterment of the Library and its relations with the people it serves. As a non-profit organization its sole source of income is in the form of dues from its members and its fund-raising activities.

The officers of The Friends of the Jericho Public Library are as follows: President: Mrs. Charlotte Cashton, Vice-president: Mrs. Virginia Meyers, Recording secretary: Mrs. Vita Rumbold, Corresponding secretary: Mrs. Sandy Hirshhorn, Treasurer: Mrs. Buggy Kessler. If you have enjoyed any of the programs or services provided by The Friends perhaps you will help them continue their good work by providing the needed financial support. Membership fees are nominal when compared with the return to the Library. A student membership is \$5.00; single membership is \$2.00; husband and wife membership is \$3.50. Application blanks can be had at the Library, or send your check to Friends of the Jericho Public Library, Merry Lane, Jericho, N.Y., 11753. Do your good deed for today. Big Brother will love you for it -- and so will the Library.

Discover America.
 It's 3,000 smiles wide.

A Tribute To Vera Mark

A respected and dear friend and neighbor has passed away and our community is saddened and poorer by her loss. Vera Mark, who had resided at 220 Forest Drive, Jericho, died on November 25, 1968. She is survived by her husband David and her children, Michael and Jo-Ann.
 Vera was a member of the Jericho Community Theatre and performed and participated in the production of many of its successful plays. She was the founder of the Jericho Chapter of Women's American ORT and served as its first president. She also had been a member of the National Board of ORT and held many elected positions on the Board of the North Shore L. L. Region.
 Vera was a vital woman with many interests and many friends. We will all miss her.

Jerry Gold

Ten Pin Talk

by Henry Dockswell

What started out to be a somewhat quiet night was suddenly interrupted by two claps of thunder. A roaring 244 and a thunderous 254. That crazy Sid Sachs was at it again. He grabs his ball, steps to the line, pushes his glasses to the top of his shiny pate so that you think he's looking at the ceiling, rotates his hands and wrists so that you think he's strangling the ball, then fires a magic missile or if not magic then one that at least has eyes. As Sid came down from the stratosphere of that second game he yelled that the drinks were on him. He bought the drinks... and broke the spell. Believe it or not he rolled a feeble 147 in that third game. His 254 beat Herb Brody's previous Hi Game of 253 but he fell 3 points short of Herb's present Hi Series of 648. Sachs' "Chargers" beat Leo Geyer's team by an 8-3 score.

Syan Brizel has been like a shot in the arm by Hy Shapiro's "Hy Hopes." Last week he cracked a double, a 221 and a 223, to lead the "Hy Hopes" right up and out of the cellar with an 8-3 victory over the Sam Springers and this week he clouted a 237 and a 601 series to lead the "Hy Hopes" to an 11-0 whitewash win over Bill Kellerman's "Gurus." This was a tough defeat for the "Gurus." First Mel Corwin rapped a 202 and they lost that one. Then Bill Kellerman cracked a 200 and they lost that one too. Guess the "Hy Hopes" had more than just high hopes.

Two more doubles were produced and both led to shut out wins for their teams. Nat Warren led the Ralph Diamonds to their victory over Art Rosenthal's "AWOLs." When he aimed and hit the bulls eye with a 204 and a 205. Milt Hoffman is keeping his "7-11's" right up there. Last week he rolled a 221 to lead his men to an 8-3 decision over the Norm Neys and this week he forged a 211 and a 203 as his "7-11's" walloped the Julie Gershens.

Last week Herb Brody with a 204 and Dave Kaye with a 210 accounted for a 8-3 win for the "Black Panthers" and this week just to prove that their talent is deep Sy Schostack threw a 213 and Bill Sussman rolled a 206 to account for another 8-3 victory, this one over the Sam Springers. In the first game Sam tossed a 215 and that was the only game the Springers took.

The Sid Holtzman and the Murray Gittlemans were matched up in a close one. Sid came in with a 211 in the second game to even the count but then dainty Milt Goldberg rapped a 223 in the rubber game to give the Gittlemans a 6-5 decision.

Jerry Leight 232, Murray Kowlowitz 202 and Ed Eytzsholtz with a 202 completed the individual scoring for this week.

Because there was no write up of last week's bowling and we just couldn't incorporate all of the good games thrown at that time into this report the following get honorable mention: Ed Roseman 214, Sid Holtzman 214, Sid Sachs 206, Murray Kowlowitz 206, Bill Kellerman 206, Bernie Lieberman 202 and Milt Goldberg 201.

We just learned that the reason Fred Green was absent from the league this past Monday night was a tragic one. His brother was passed away. The entire league expresses its sincere sympathy to Fred.

Felsher Co-Author Of Paper On Plastics

The major applications of plastics in buildings with special regard to formulation, production and processing techniques are highlighted in a paper on "Utility and Esthetics in Structural Plastics," presented recently by two Claremont Polychemical Corp. experts at the Regional Technical Conference, Japan Section, Society of Plastics Engineers, Inc., Kyoto, Japan.

The authors of the paper are Hal-Curtis Felsher, Vice-President and Director of Research & Development, and Walter J. Harau, Chief Chemist, Claremont Polychemical Corp. Felsher resides at 114 Boutny Lane, Jericho, and is president of the Jericho School Board.

In the paper, particular attention is paid to requirements of pigmentation which an all-important role in obtaining attractive architectural effects as well as permanence. Since many modern styling trends embody areas of metallic brilliance,

Hal Curtis Felsher

the technique of using reflective pigments is discussed in detail.

Resnikoff, Goldstein, Spector Selected For JHS All-Division Teams

By Art Rosenthal

Three area youths from Jericho High School were selected for the All-Division Football Teams in Nassau County. The selections were made last week by the Nassau Football Coaches Association.

Named to the North Shore IV All-Division defensive team were Reed Resnikoff, 6'2" 215 lbs., as a lineman and Phil Goldstein, 6'2" 155 lbs., as a back. Ken Spector, 6'2" 230 lbs., was chosen for the offensive team. All three performed for the Jericho Jayhawks whose overall season record was 4 victories, 3 losses and 1 tie.

There was no delineation of conventional positions as the coaches picked teams in six of the eight Nassau divisions, including North Shore IV, designating only the best linemen and the best backs.

Coach Dick Patton in an interview Tuesday afternoon, feeling justly proud of his three players, made the following comments.

"Spector: Ken was an offensive and defensive tackle; one of the co-captains of the team. Could have been named to either the offensive or defensive team. Very steady, dependable ball player - one of the finest tackles Jericho ever had.

Goldstein: Phil was the other co-captain and was selected for the defensive team as a safety. Could also have been on the offensive first team. He was one of the finest offensive ends in the league and was probably the best all-around football player, pound for pound, on the Jericho team. Did the punting; ran back punts and kick-off returns. He tied the school record of three touchdowns in one game when he caught three passes for scores: quite versatile.

Resnikoff: Reed was best on defense and I think the reason he made the team was that in the last two games he led the team in defense and defensive tackles. In fact, he impressed

everybody in the league in those two games. Played offensive guard and defensive tackle.

This was our first winning season since 1965 and we hope to start a new trend."

Yesterday (Wednesday, December 4th), the coaches were scheduled to announce their all-league offensive and defensive players from the North Shore League. These players were to be honored at the coaches' annual Gridiron 44 Dinner at the Garden City Hotel, set for last night.

In view of our Tuesday printing deadline each week, The Villager is unable to print the results. However, should Resnikoff, Goldstein or Spector make either of the all-league teams, it will be announced in our next issue.

"Join Up"

By Elliot Spencer

Troop 129 of Jericho has really been on the move. On October 5, the boys took a trip to Harriman State Park. After a full day of taking in the sights, they all returned to camp for a hearty meal. All present had an enjoyable time.

Without wasting any time the boys again hit the trail the next week for a big weekend at the Nassau County Camp, Wauvepeex. All new members who made it through the initiations became full fledged Tenderfeet.

At the next troop meeting, October 15, which like all others was held on Tuesday night 7:30 p.m. to 9:30 p.m. at the Jackson School, plans and final details were worked out for Troop 129's visit to a meeting of their neighboring Troop, Westbury, the following week.

WATER CONFERENCE IS AGAINST A WATER AUTHORITY FOR NASSAU COUNTY: Practically all the State Senators and Assemblymen from Nassau and Suffolk attended the annual legislative dinner of the Long Island Water Conference at Carl Hoppl's in Westbury. They heard Chairman James W. Price say that the conference will continue to oppose the establishment of a Water Authority for Nassau... Said Mr. Price, the speaker of the evening: "Our biggest objection to an authority was and still is that the creation, without any demonstrated need--would strike a damaging blow to home rule and would be the first step in taking decision making out of the hands of locally elected representatives." Mr. Price is of the Garden City Park Water District. He said that the conference would continue its course of instruction for members and employees and would strive to standardize threads on fire hydrants so as not to hamper fire departments in giving mutual aid. He pointed out that water

comes to conference members "at less than a dime a ton" which is hard to believe in these days of ever mounting costs." He outlined the history of the conference founded in 1951. Its membership consists of water districts, private tax paying water companies, contractors, engineers, health authorities and others identified with water supply operations. Over 2 million people and many fire departments are supplied from deep wells by the conference members. Photo shows l. to r. front row: James W. Price, of New Hyde Park; Senator John D. Caemmerer, of East Williston and Martin Gilsberg, Assemblyman; of Plainview. Rear row l. to r. Louis Mirando, legislative chairman of West Hempstead; Senator-elect Ralph J. Marino, former Oyster Bay Town Councilman and Majority Leader, Assemblyman Francis P. McCloskey, of Levittown and veteran assemblyman John E. Kingston of Westbury. Each of the legislators also spoke...as did various officers of the conference.

SPORTS

By Howard J. Finnegan

Hicksville High school will start its 68-69 basketball campaign at Plainview High this coming Tuesday night, Game Time is 8:00 P.M. with a Junior Varsity match carded for 6:30 P.M.

The 18 game slate is somewhat bland and comedic, but the first test will give indication if the Orange and Black can improve on last season's regular record of 9 wins and 7 losses.

Six feet four inch Don Massey, is the key to the Hicksville hopes, and coach Buddy Bryan is counting heavily on him to carry the club. Of equal importance is backcourt playmaker Bob Rogers, who at 5 feet 10 inches, can set the play and contribute good jump shots to the attack.

Hicksville was deprived of the services of Richard Dolney in the corner last year when he broke an arm before the start of the campaign. Bryan counts on him popping from the corner as well as pulling down a goodly share of the rebounds. He stands at six feet, two inches.

His moves close in on the basket by Neil Schainwooks, has caught the eye of mentor Bryan and his assistant Ken Kingsley. At forward, he could be one of the premium grads from the '68 Junior Varsity. Moving up with him is physically strong Joe Zruckerman.

Paul Massteelo is touted for an excellent jump shot and is slated for a good deal of action. Don Schmidt gets the assignment to get the ball off the backboards and at six, five he has the credentials. Bill Wiffen has varsity experience and could give the Orange an unexpected edge.

Other members who have made the club are Richard Muller, Ed O'Reilly, Don Cook, Jay Bayer, Carmen Turko, Mike Sadowski and Tony De Lorenzo. It is interesting to note that Coach Bryan has not foreclosed on their chances for development during the season.

The Comets will not have any home court advantage this year, as the policy to play more and more games away, expands. Hicksville students will have the chance to see the Comets only once out of six non-league games. The home court advantage will be a distinct factor this Tuesday. Plainview once again has the trademark-tall willow team. The opener should go to the Gulls; Plainview 52, Hicksville 46.

Bruce Cerone, who thrilled Hicksville High fans throughout three sparkling campaigns, broke three National Association of Intercollegiate Athletics records by catching 91 passes for 1,479 yards during the season recently completed.

The former great Comet won a berth on the Associated Press' Little All-America team, it was announced early this week. Cerone is a junior at Emporia State of Kansas. His average game reception of 164.3 yards per game, constituted the third record and he tied another NAIA with 15 touchdown receptions.

Cerone is the foremost of the now-growing ex-Hicksville football players making their mark on college gridirons. In an ensuing issue, the Mid-Island Herald will have a complete review of the other Hicksville gridders.

Unfortunately Hicksville High Athletic Director Lou Millevoite has suffered a second heart attack. With him absent Hicksville has lost the strong experienced commanding voice it once had in the councils of the North Shore Athletic League. Millevoite and before him Athletic Director Chet Jaworski had powerful sway in the organization of the league and its overall conduct.

It is all the more important at this time since a vote to reorganize the entire County set up will take place. Hicksville would be placed in the high powered South Shore league with its travel and other difficulties. It is one of the major moves concerning the general welfare of Hicksville athletes that has been considered in the history of the school.

A representative of the Orange and Black is expected to cast a No vote but a temporary substitute, volunteer or fill-in cannot have the command or influence Hicksville once boasted.

Hicksville High had another distinguished season on the football field and Coach Jim Grant-ham and his assistants Joe Umbria and Buddy Bryan deserve more than the usual praise. The team had a 7 won and 1 lost record. The overall three year mark now reaches 22 wins and just 2 defeats. Considering that the team could not practice for the first twenty days of the school year because of Austerity the feat is exceptional.

Free heating survey for people in Hicksville.

Discover how surprisingly little it costs to convert to modern gas heat. Your family will appreciate the difference. Gas heat is clean. Gas heat is dependable (no deliveries - it's piped directly into your home). Gas heat is economical. It has been selected by many of your neighbors.

Our man in Hicksville. Joe McCarthy

Joe McCarthy has been helping Long Island families with their heating problems for 3 years. He can give you the facts on clean, dependable, economical gas heat for your home. Of course, there's no obligation. Call Joe McCarthy at HT 4-1300. Next winter you'll be glad you did.

Faraone - Harlan

Miss Margaret Layne Harlan was married on November 30th to Sgt. Edward B. Faraone, son of Mr. and Mrs. Ed Faraone of 249 Dartmouth Drive, HICKSVILLE. The couple were married in the Chapel at Sembach Air Force Base, Kaiserslautern, Germany.

The former Miss Harlan, daughter of Mr. and Mrs. Bill Harlan (Ret. USAF), was a resident of Texas until last July, when after completing her studies there, she joined her parents in Germany where they now make their home.

After a brief honeymoon, the couple will reside at Sembach until Sgt. Faraone's enlistment expires in February, 1969, at which time they plan to return and make their home in HICKSVILLE.

CDA To Meet

The next regular meeting of Court Queen of Angels #869 C.D. of A. will be held on Thursday Dec. 12 in St. Ignatius Loyola Cafeteria - Nicholas St. Hicksville at 8:15 P.M. N.B. change of date due to Blood Bank being held on Thur. Dec. 5.

"Each member is asked to bring a \$1. grab bag and bring or send a Christmas Card with 50¢ for Northport Veterans Hospital," said the organization's publicity chairman.

Ramblin' Rose

by Rosemary Walsh

That season is here--my o my how hectic it all gets and yet we wouldn't change it for a moment--did you all enjoy the bird and all its trimmings, happily, I can say it hasn't been so crowded at our house in a long time but -- it feels so great. . . . There are a lot of other people around who should feel great about now for that tremendous football season. They did such a fine job (of course once again, my old heart was jumpin' at that closer -- Hicksville 14 - Levittown (Division) 8). I know I've talked about some of the boys individually but the entire team, their coaches, Mr. Grantham, Mr. Bryan, and Mr. Umbria, their manager, Barney Levandov, and those exuberant cheer leaders all deserve a rousing cheer. Applause should also go to Mr. David Abt, the Marching Band and those wonderful Comettes, for their year's elaborate half time shows, Mr. Sparr and his A.V. Squad for their thankless job in the booth and on the field, and last but certainly not least, the Alumni Association for that glimmering score board that keeps us up to the approximate minute at the games. Thank you all for fine performances. And now we move to Basketball. Instead of rushing that Saturday morning housework I shall have to skip Tuesday and Friday night chores. Hope we finish on top here too.

I want to tell you about some of the new recreation programs which are opening this week. For Junior and Senior High boys we have Box La Crosse, Floor Hockey and Ice Hockey and for both Boys and Girls Gymnastics. The La Crosse is scheduled for after school and Saturday mornings. The Gymnastics are on Monday evenings, the Floor Hockey on Thursdays and of course the Ice Hockey varies with the Cantigue Rink schedule. . . . For our little girls we are finally ready to open Twirling (indications from the phones are that they can't wait!) Registration will be this Saturday, 9-Noon in the Girls Gym at the Junior High School. (Use the Jerusalem and 4th Street entrance.)

We have our cultural recreation too! We have joined with our English Department to present a poetry festival. This has to be a first in the field on

YOUR COUNTY

(Continued from Page 4)

In the proposed 1969 Nassau County budget, I have requested that funds and personnel be provided for a consumer education mobile unit to go into the low-income areas of our county and help families avoid unwise spending and debt.

This program would result in a social return to the community and a financial return to every taxpayer.

The mobile unit would work to prevent the widespread over-borrowing and high credit payments which result in garnishment of salaries, loss of jobs, and expansion of the welfare rolls.

Recent reports of the Federal Trade Commission on price variations, finance charges, and sales tactics, establish conclusively that the poor pay more.

There are reasons for this -- difference in cost of serving different markets, lack of transportation to reach lower-priced stores, and so forth.

But there is also exploitation of the disadvantaged consumer. Many low-income families do not know their legal rights, do not read the fine print in contracts, believe oral promises which are not in the contract, and are less likely to contact our Office of Consumer Affairs than more affluent people.

The consumer education mobile unit can effectively attack these problems, to the benefit of every consumer and taxpayer.

public recreation. May Swenson, a published poet, and a collection of amateurs from the faculty and administration will read their "originals"-- it will be held at the Willet Avenue School on Thursday, December 5th at 3:30 P.M.

Last Saturday evening I had the pleasure of being a guest at the Hicksville Baseball Association annual dinner (what

yummy food). I must say it was so pleasant to be with all these fine dedicated community folks who do so much for the youngsters in our town. When you realize how freely they give of their time, as do some of you in other Little Leagues, Scouting, P.E.C., C.Y.O.'s, etc., you know this world has got to come out right. I must go along now but I'll keep ramblin' on.

Kenneth Johnson

(Continued from Page 4)

Medical Corp. and had spent almost fourteen years in the service.

Born and educated in Hicksville, Johnson was a graduate of Hicksville High School. After the conclusion of this, his second tour of duty in Vietnam, he had intended to continue his career in the armed forces.

Funeral plans are being handled by the Vernon C. Wagner Funeral Home on Old Country Road in Hicksville.

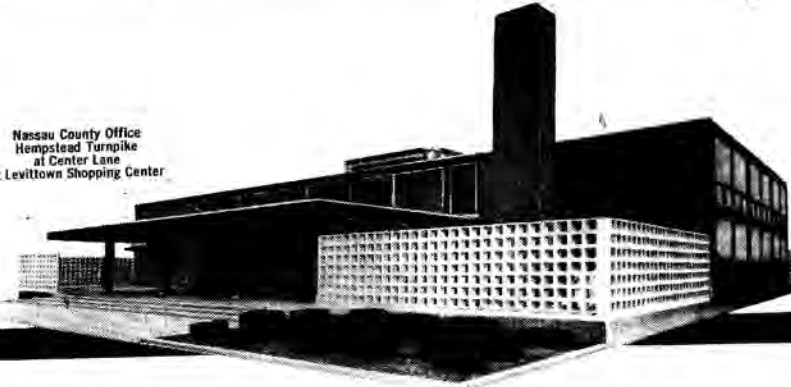

Sgt. Johnson is survived by his wife, Rosemary, his two

children, Carol 7, and Kenneth Jr., 18 months, by his parents, Mr. and Mrs. George Johnson and three brothers, Arthur, Raymond and George.

On The Campus

Elmira College senior, Tracy Osbahr of HICKSVILLE, won Second Place in television announcing at the 8th Annual Collegiate Broadcast Clinic held last November 22 and 23 at the State University of New York at Geneseo. She is the daughter of Mr. and Mrs. Walter E. Osbahr, 32 Maglie Drive, HICKSVILLE.

Woodland Winter "Action"
Come one Come All, to the "Winter Happening" at the Woodland Ave. School, HICKSVILLE.
The Action will be on Saturday, December 7, from 10:00 a.m. to 4:00 p.m.
"There will be many booths for all to do their Christmas shopping. Also the game room with many prizes for the children. Refreshments and Santa Claus will be there too," said a spokesman for the Woodland Avenue School PTA.

Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

GENERAL HOSPITAL for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

PSYCHIATRIC HOSPITAL for the mentally and emotionally ill, for the alcoholic and drug addictive. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

NURSING HOME for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

NOW... a new hospital of physical medicine and rehabilitation for extended illness.

CHRONIC CARE HOSPITAL staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

Facilities and Treatments include:
1. Swimming pool and Hubbard tanks for hydrotherapy.
2. Gymnasium for physiotherapy.
3. Daily living activities program and crafts.
4. Speech therapy program. 5. Inhalation therapy.

School News

OPERA: Patricia Lane of 202 Nevada St., HICKSVILLE, Suzanne Beckelmann of 45 Pine Ave., BETHPAGE and Gary Friedman of 5 Shelter Hill Rd., PLAINVIEW, sing out for Mr. Lawrence Rasmussen, Chairman of Adelphi University's Music Department. The three Long Island residents were recently chosen to perform in the Adelphi Opera Workshop's two Spring presentations: Rossini's "The Turk in Italy," and Mozart's "The Magic Flute." The Rossini opera will be presented Feb. 13-16 and the Mozart work May 15-18.

MR. A. GLASS, principal of Hicksville Junior High, announced the results of the student council elections held November 14th, 1968. The students (from left to right) Richard Levandov, President, Valerie Ribaro, Vice President, Terry Wagner, Secretary and Joy Thaler, Treasurer, are looking forward to a successful 1968-69 school year.

THANKSGIVING AT OLD COUNTRY ROAD SCHOOL: As a continuation to a unit on the American tradition of Thanksgiving Mrs. Wade's kindergarten classes are joining together on Wednesday, Nov. 27th, to have a Thanksgiving luncheon party. The children will have prepared the cranberry sauce, potatoes, and butter in their individual classes before the party. The Kindergarten parents are preparing the turkey, additional vegetables, and dessert. Costumes made by the children (hats) will be worn at the luncheon.

MRS. PAT MANNHEIMER, art teacher at the Dutch Lane School, recently attended the 20th Annual Convention of the New York State Art Teachers' Association at the Concord Hotel, Klamath Lake, New York.

The theme of the conference was "Man and Media." Emphasis was placed on current, con-

temporary trends in the field of art and art education. Mrs. Mannheimer, President of the Long Island Art Teachers' Association, supervised continuous film showings relating to various art techniques and art media, and films that had been produced by teachers and students. This proved to be an outstanding feature of the convention.

ELAYNE KABAKOFF, a first-grade teacher, recently participated in the National Laboratory for the Advancement of Education at the Hilton Hotel in Washington, D.C. The National Laboratory brought together several thousand educational, industrial, and civic leaders from across the nation for a series of seminars and demonstrations to examine outstanding classroom procedures. Miss Kabakoff's speech, "The Role of the Teacher," was received with enthusiasm.

A Big Day For The Brauns!

Nov. 25, 1968 was a big day for the William Brauns of 83 Halsey Street in HICKSVILLE . . . for on that day this well-known couple celebrated their 59th wedding anniversary. AND, on the same day their son and daughter-in-law, Mr. and Mrs. Vincent Braun celebrated their 31st wedding day. AND, on the same day, Mrs. Vincent Braun celebrated her birthday.

"All of us on THE HERALD can only say, may all of you have many many more. . ."

Sisterhood To Meet

The December General Meeting of the Sisterhood of Temple Beth Elchim will be held at the Temple, 926 Round Swamp Road, on Monday, December 9, at 8:30 p.m. There will be a talk on antiques.

A New Arrival

Suzanne is her name and she is the lovely new daughter of Mr. and Mrs. Arthur Gardiner of JERICHO. Suzanne arrived at the Huntington Hospital on Nov. 16th.

HICKSVILLE INTERNATIONAL LITTLE LEAGUE NEWS

The Hicksville International will not hold a General meeting until Monday, January 27, 1969. However, registration for 1969 is now taking place.

If your child is between the ages of eight and 15 by August 1, 1969, he can play Little League Baseball. If you live WITHIN the area bounded by Jerusalem Avenue on the West side, Woodbury Road on the North side, South Oyster Bay Road on the East side and the School District #17 boundary on the South Side, your child is eligible to play in the Hicksville International Little League.

For further information, please call Mr. John Wallace 433-7473 or Mrs. John Strong 681-6788.

On The Campus

Among the 15 students from Molloy College in Rockville Centre who are listed in "Who's Who Among Students in American Universities and Colleges" which lists many of the country's most outstanding campus leaders are Marguerite A. Donohue and Janet M. Smith, both of HICKSVILLE.

Around Town

Forty teenagers attended a Sweet Sixteen birthday party for Beverly Ann Braun, daughter of Mr. and Mrs. Vincent Braun on Saturday evening, November 30th, at their home on Third Street. Needless to say, a pleasant time was "had" by all. And we will belatedly add our happy birthday greetings now.

Richard Sabbattier of Paris, France was a guest of Andrea Braun, daughter of Mr. and Mrs. Vincent Braun of Third Street, recently. Andrea will leave in June to study advanced languages at the University of Pau.

Beverly Ann Braun was the guest of honor at a dinner party in her home on Sunday evening, Dec. 1st. Among the guests were Mr. and Mrs. John Zeke, Mr. Robert Konkijauskas, Mrs. Laura McDonald and Mr. Dennis Cole of Long Beach California, 1 Mr. and Mrs. Vincent Braun and Vincent Braun, Jr.

Miss Lambot, daughter of Mr. and Mrs. Victor Lambot, is a senior at Hicksville High School.

She was appointed correspondent by Mrs. Marie Foster, her home economics teacher.

Selected for qualities of leadership and enthusiasm for home economics, Miss Lambot will serve as junior advisor to CO-ED editors. Like the other Co-ed correspondents throughout the United States and Canada, she will keep the editors informed of activities at her school.

William G. Eisemann, of Eisemann Motors, Inc. of HICKSVILLE, has been named an eastern regional member of the 18-member advisory council to represent some 3,100 Buick dealers at an annual conference next month.

The name of The Honorable Michael M. D'Auria of PLAINVIEW, will be included on the Republican Memorial that has been placed at the Gettysburg Memorial Site.

The memorial was commissioned in 1952 commemorating those Republican National Delegates and Alternate Delegates who were entrusted with the awesome powers of decision which have so profoundly influenced the course of the Republican Party and world events.

LEGAL NOTICE

PUBLIC NOTICE
NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, December 17, 1968, at 10 o'clock A.M., prevailing time, in the Hearing Room, Town Hall, Oyster Bay for the purpose of considering a proposed amendment of the Building Zone Ordinance of the Town of Oyster Bay in the manner set forth hereinafter:
PROPOSED AMENDMENT: Petition of JERRY SPIEGEL for a change of zone from Residence "C" District and Residence "D" District to Business "C" District (General Business) of the premises described as:

ALL that certain plot, piece or parcel of land, situate at JERICHO, Town of Oyster Bay, County of Nassau, State of New York, which is bounded and described as follows:

An irregularly shaped parcel of land located along North Broadway, divided into two parcels separated by Scott Avenue. Parcel #1 running from Scott Avenue North to Northern State Parkway, having a frontage along Broadway of approximately 300 feet. Parcel #2 having a frontage along Broadway of approximately 200 feet and a depth of same extending to Eighteenth Street. The above mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday, or Holidays) between the hours of 9:00 A.M. and 4:45 P.M., prevailing time at the office of the Town Clerk.

Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated.

BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY
