Dear Fred: Hicksville misses you... and so do I. Shella

Christmas At 54 Smith Street

PLEASE come, and join us once again
To sing our joyous songs,
Bring the neighbors and your friends,
And the children bring along.

AT Christmas time we join together
Singing carols loud, and clear,
No matter what the weather,
We've been doing it for years.

WHEN you all, do come here
Bring decorations with you please,
Our tree grows taller every year,
And needs a lot you see.

THE decorations can be many things
You find around the house,
Tinsel, pie pans, popcorn strings,
But please don't bring a mouse.

DO come dressed up very warm
With mufflers, boots, and mittens,
Who knows a storm may appear,
And we want you warm as kittens.

THEN when your feet get very cold,
And all the songs are sung
Coffee and cake for we of old,
Hot chocolate for the little ones.

SO, please come join our caroling,
You, and yours, and all,
Hear the children laugh and sing
Before our tree so tall.

PLACE - Mrs. R. Murphys
54 Smith Street
Hicksville, N.Y.

TIME - 7:30 P.M.

DAY - December 21, 1968

PUT ON BY Mrs. Charles Fetta and the children
in the area.

VFW Voice Of Democracy Winners

Two local winners of the V.F.W./Ladies Auxiliary sponsored Voice of Democracy contest will compete with each other and other community champions for top honors in Nassau County. The William M. Gosse Jr. Post 3211, Veterans of Foreign Wars, Hicksville, held judgments for the national contest on December 2, at their Post quarters.

Judges for the contest were: Anthony Kambley - Nassau County Commander, Veterans of Foreign Wars; Martin Ginsberg - Legislator, State of New York; Stuart Levine - Assistant to Mr. Ginsberg; Richard Young - Assistant to Mr. Ginsberg and Walter Dushar - President of Kiwanis, Hicksville.

Winners for the best script from HICKSVILLE High School were: 1st place Barry Lebowitz,

57 Cambridge Drive, HICKSVILLE, 2nd place Arthur Schwartz, 19 Larch Street, HICKSVILLE, 3rd place Leonard Aibin, 45 Chestnut Street, HICKSVILLE.

Winners from the Holy Trinity High School were: 1st place Thomas Levy, 177 Brittle Place, HICKSVILLE, 2nd place Linda Andress, 56 Westwood road, south, Massapequa, N.Y. 3rd place Ann Nolan, 148 Sullivan Avenue, Farmingdale, N.Y.

This year's theme, the same as last, was Freedom's Challenge. Mr. Lebowitz and Mr. Levy will compete for championship in Nassau County. Winner in the county will compete for state championship.

Awards will be presented at the Post on a date to be announced later.

In Memory Of Fred J. Noeth

The Twin Lawns Civic Association of Hicksville honors the memory of its long-time active member, Fred J. Noeth.

"Words cannot express how much Fred contributed to our annu-

al Christmas Program, in the past. Not only by the use of his office, but also for the years that he donned the Santa outfit and made these cheery Christmas visits to each participating home."

SPORTS

By
Howard J. Finnegan

Hicksville High grapplers have stolen the spotlight as the Winter Sports campaign swings into high gear. Coach Steve Tomani's wrestlers defeated North Shore 28-14 and Westbury 36-16.

The Orange and Black was led by five boys who scored wins in both matches. In the 58-lb. class Bruce Hirschfeld had a pin at 5:43 and took a forfeit win against Westbury. John Macklin won a 10-2 decision and came back in the Westbury match with a pin in 3:15. Those wins were in the 106-lb. class.

It was 10-2, and 4-0 decisions for Bruce Rosenzweig at 123

pounds. Greg Reilly had a pin in 3:49 and won a 5-0 shutout. Richard Kowalchuk also got a pair of victories in the 157 bracket. He had an 8-0 decision and a pin 3:55.

Tony Giacomaggio decided his opponent 6-2 in the North Shore match but could not escape a pin at 2:56 against Westbury. Bill Muller was a 3-0 victim against North Shore but gained a 4-2 decision at Westbury.

Hicksville is apparently well stocked at 136-pounds. Kirk Jurzelevich had a fast pin in 1:36 against Westbury and in the same class against North Shore Tom

Merendini won an important 6-2 decision.

Tony Defendis wrestled only once and pinned his Westbury man in 2:56.

The Comets are in heavy trouble at the 178-pound class and in the Heavyweight division. If Coach Tomani could come up with some strong help there, Hicksville could be in for its best mat campaign ever.

Hicksville High will go against Sewanhaka at 7:00 p.m. Friday night on the boards of New Hyde Park High School. It is the latter school's annual Christmas Basketball Tournament and as Tap off time approaches the Orange is trying to shake itself free from a dismal 1968-69 start.

The Comets had both Plainview and Levittown Division down by 9 points in the second period but inflicted their own punishment by committing foul after foul. As those who saw the home opener with the Levittown team know Hicksville lost at the free stripe. Levittown converted 30 foul shots to Hicksville's 15 in a 68-53 loss.

Coach Buddy Bryan needs this tourney and a non-league game with Bethpage on the 27th to iron out the miscues before the league opener at Hicksville on January 3rd.

The signs are that he will not be completely successful in the tourney.

Sewanhaka 66, Hicksville 57.

There was the air of carnival hustle at the Joint Committee on Athletics meeting by those projecting the new formation of athletic leagues in Nassau County.

Not only did they want the schools to consent to the new alignment but they want that consent without telling the schools just which other schools they will be playing.

Hicksville Principal Raymond Rusch and Assistant Superintendent Peter Ahern voiced concern against the change. Hicksville indicated it would vote NO in the mail poll as it considered the time and travel factors of cross-county travel to the South Shore not in its students best interest.

A negative vote by either the South Shore League or the North Shore League will kill the proposal. The results will be announced Monday.

Enrollment of boys is the only criteria for the new conferences. Hicksville is a Conference A. There are 15 schools in the grouping. At a later date, after adoption, the Conference would be broken into two parts.

The Conference includes Hicksville 1,590 boys, East Meadow 1,450, Farmingdale 1,391, Oceanside 1,301, Sewanhaka, 1,205, Syosset 1,144, Baldwin 997, VS Central 884, Berner 872, Uniondale 855, Lawrence 845, Calhoun 830, Massapequa 811, MacArthur 800 and Plainedge 880.

This posts hopes sincerely that Mr. Rusch and Mr. Ahern rallied enough North Shore Schools against the change.

Ron Ruggiero of Hicksville has once again been selected for All Catholic-Innerstate Football honors. The graduate of St. Ignatius Red Devils was the standout back for St. Dominic's High of Oyster

Bay for the past two years. Add to his All-Long Island honors garnered both this and last year qualifies Ron as one of the most sought after scholastic stars by colleges.

Ron is the latest standout in the Ruggiero family of Hicksville which has a distinguished sporting history in Hicksville and the Long Island Community for more than thirty years. The members have a most highly respected history in competing and supporting athletic competitions in school, church, semi-pro and community circles.

Treasurer Conrad Weyer has cheerfully written checks totaling \$2,385.97 to pay the cost of the scoreboard donated by the Hicksville Alumni and the community to HHS. President James Fyfe reports that as the final figure to the Alumni membership in the upcoming Annual Report of the Association.

Lifeguard Exams

Public Works Commissioner Herbert J. Simins today announced the scheduling of Lifeguard Examinations for positions at the County's pools and Nassau Beach next summer. The examinations will be held at the Westbury High School swimming pool, Post Avenue and Jericho Turnpike, Westbury, on December 21 and 28, beginning at 9 AM and on February 1, starting at 6:30 PM.

Positions, ranging in salary from \$2.18 per hour for a regular lifeguard to \$3.46 per hour for supervisors, are open to both young men and young women. Applicants must have reached their 17th birthday by June 15, 1969 and must have medical certification from the Nassau County Department of Health.

In addition to the examinations, a lifeguard training and refresher course will be held at the same pool on December 23, 24, 26, 27 and 28, beginning at 12 noon. There is no charge connected with either the lifeguard test or training course.

**Library
Notes**

For most students everywhere, the week between Christmas and New Year's Day is a time when the bells suddenly stop jingling, and the realization comes that -- all fooling aside -- that report really does have to be finished -- and those finals are only just around the corner.

This is the week when we at the Hicksville Public Library really roll up our sleeves and go to work with a vengeance. For this between-holiday period heralds the beginning of our busiest season -- a period when the library hums with activity from early in the morning until the closing minutes, and seating room is at a premium all day.

A survey taken last year during this time showed that the adult reference department handled an average of 125 requests for help in a day, not counting telephone reference and requests from other libraries.

The most popular spots in the Library at this time are around the card catalog, in front of the reference librarians' desks, the Periodicals Room -- and the tables which hold the Readers' Guide To Periodical Literature and the other indexes carried by the Library.

These indexes range from such student standbys as the Book Review Digest (invaluable when the teacher asks for critical reviews of well-known modern literary works) and the New York Times Index -- to such esoterica as the Index to Handicrafts and the Index to Skits and Stunts. But the reference tool that is most consistently used by all students, from at least 6th grade up, is the Readers' Guide, which indexes approximately 125 periodicals, and lists their contents alphabetically by subject, author, and title.

The use of the Readers' Guide leads automatically to the Library's Periodical Room, where the Library's current collection of 244 periodical titles, and fifteen newspapers, is housed. (For your information: the Library was on microfilm the New York Times for the

GI Bill Amended

Widows and wives of certain deceased and disabled veterans are now eligible for educational assistance under a new amendment to the GI Bill, according to Frank V. Votto, State Director of Veterans' Affairs.

Under the new amendment, effective December 1, 1968, Director Votto said that widows of veterans who died of a service-connected disability would be eligible as would wives of veterans with service-connected disabilities which are total and permanent. The new law, he noted, makes the assistance available for an eight-year period, beginning with the date of death of the widow's deceased veteran husband or the date on which the wife's spouse is found to have a service-connected disability which is total and permanent. For those cases in which

death or total permanent disability findings occurred prior to the effective date of the new amendment the eight-year period of eligibility would begin December 1, 1968.

This training, Director Votto explained, would make it possible for these wives and widows who have different, but equally serious problems, to supplement their family's income and help maintain a comfortable standard of living.

While in training, the wives and widows will receive \$130 a month for full-time attendance, \$95 a month for three-quarter attendance, or \$60 a month for half-time attendance.

Complete information and counseling on educational assistance under the GI Bill is available at the local office of the New York State Division of Veterans' Affairs.

Nurserymen To Meet

On Thursday evening, December 19, the Long Island Nurserymen's Association meeting will highlight the topic of the "Nurserymen's Labor Market." The place will be the Milleridge Inn in Jericho at 8:30 p.m.

Following a Board of Directors meeting and dinner, two speakers are appearing through the courtesy of the Administrative Management Society. This international chapter-oriented society provides a climate for, and the tools to achieve, an exchange of management information necessary to the practice and development of management expertise.

The members of the AMS

Speakers Bureau of the LINA meeting are William Callahan with the Manhattan law firm of Leaf, Kurzman & Duell, who is well known to the circles of labor management; and Bryce C. Porter, Executive Director of the Heritage Group, a grass roots, negro self-help organization. These gentlemen will delve into the Nurserymen's Labor Market and produce a bumper crop in interest; they will also answer questions on that occasion.

Christian Science Topic

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon in all Christian Science churches this Sunday, December 22. Services at First Church of Christ, Scientist, Fulton and Hilton Avenues, Hempstead will begin at 9:30 and 11 A.M. Sunday School classes for pupils up to the age of twenty are held at the same hours.

Bells on clothing were popular in Germany during the 1500's, when gentlemen went tinkling about the countryside with their clothes trimmed with hundreds of little bells.

 Material Can Be Dropped At Editor's Residence - 13 Millpond Street, Jericho. WE 8-1965

FROM THE EDITOR:

As another holiday season is now upon us, we extend to each of you our warmest greetings and best wishes for a Happy Chanukah, Merry Christmas and a Joyous New Year.

This festive season is filled with prom-

ise; it is a joyful, eager time for children. For grown-ups, it is a special time of gratitude, compassion and faith, and we are inspired by a vision of hope, brotherhood and universal peace.

We pay the coming

New Year will truly result in peace on earth. Also, it is our sincerest hope that, for each and every one of you, this will be a cheerful holiday season and the New Year will be filled with health and happiness.

Fiction And Fact

By Dottie Mills

LIBRARY PATRONS—CAUTION!
 The snow and freezing weather just adds to the discomfort and inconvenience. Visitors to the Library are already aware that Merry Lane becomes Suicide Alley when covered with snow and/or ice. Be especially careful, if you manage to navigate the hill, to park on level ground next to the gas station. If you park your car directly in front of the library you will be unable to get traction enough to get rolling toward the corner.

Residents are also reminded that Jericho Public Library closes its doors along with the schools when snow days are announced. No fines are charged for these days of unexpected closing nor for days when holidays are observed (Dec. 24 & 25, Dec. 31 & Jan. 1).

At this time the Board of Trustees of Jericho Public Library and its staff wish all its patrons a very Happy Holiday season.

School Board Seeks District Treasurer

The Jericho Board of Education is seeking a district treasurer. The treasurer will replace Leo Superman, whose firm, Superman, Orenstein and Goodman, will assume additional responsibilities for the district Treasurer's Duties:

The treasurer is considered to be the custodian of all funds belonging to the school district. He is responsible for all deposits, receipts, and payments of all services, materials, and payroll. The treasurer's cash book should be balanced on the last day of each month and reconciled with the balance on the last day of each month and reconciled with the balance of bank statements.

A formal monthly report must be made and presented to the Board and its regular monthly meeting.

The Board also may require additional duties which are consistent with the law Requirements:

Candidates for the position of treasurer must be residents of the Jericho district.

It is a legal requirement that the treasurer be bonded.

The treasurer should expect to expand approximately fifteen to thirty hours per month in the performance of all duties assigned by the Board of Education.

Extended Closing Date for Application:

Any Jericho resident interested in the position is requested to apply in writing to the Superintendent of Schools, providing a brief resume of qualifications, on or before Wednesday, January 8, 1969.

Jericho School News

James Slattery, Business Manager of the Jericho Public Schools, has been unanimously elected President of the Nassau County Chapter of the New York State Association of School Business Officials. Mr. Slattery will preside over the school business composed of 95 members representing all Nassau school districts.

A Jericho resident, Mr. Slattery is the father of four sons and a daughter. Two sons are in the Air Force, another boy will graduate from college in June, and his youngest son is a Jericho Senior. His daughter is in the Junior High.

Mr. Slattery joined the Jericho system as District Clerk in 1957. He was appointed to the position of business manager in 1960.

As business manager, Mr. Slattery is responsible for the complete purchasing and accounting operation, as well as well as the coordination of all the financial and business affairs of the school. Jericho is proud that Mr. Slattery's new office will provide opportunities for other districts to share his skills and acumen.

Jericho will be the host for the North Nassau Wrestling Tournament to be conducted on Saturday morning, December 21 at 10 a.m. Five local districts will participate in the event from 10 a.m. to 2 p.m. Finals will be held in the evening, beginning at 7 p.m. Admissions \$1 for adults, 50c for students.

The Administrative Staff of the Jericho Public Schools is establishing a new Community Resources File. The Community Resources File will list persons in as many fields as possible, in order to identify talented and qualified people who are willing to assist in the learning program. The immeasurable value to the students who will benefit from the experiences and skills of residents who offer professional or vocational background will be felt by the schools and the community.

Citizens who participate in the community resources program will have the opportunity to serve students in various ways, by offering their talents in classrooms, at assemblies, on trips, or in advisory capacities.

If you are interested in offering your talents and services, kindly call 681-4100. A Community Resources File form will be mailed to you for your consideration.

4-H Club News

A new club was formed in Hicksville on October 30th. It will be known as "The 4-H Rolling Pins of Hicksville." Mrs. E. Fleckenstein is the Leader and Mrs. Reboli is the Co-Leader. The elected officers are as follows: President; Susan Schuler, Vice President; Susan Broke, Secretary; Debbie Reboli, Treasurer; Lori Fleckenstein, Reporter; Kathleen O'Connor. They have been very busy making wash mitts, tea aprons, and purses for the 4-H Fair.

When working in the kitchen recently, the delicious aroma of their cinnamon apples and strawberries was apparent to many on the Street.

Etcetera

by Nadine Klein and Mitchell Klein (Jericho High School)

Taking their cue from girls in neighboring school districts, many Jericho girls planned to wear pants to school this past Tuesday, December 17. Scheduled for that morning was the Student Council meeting at which the student dress code was to be discussed. Kenneth T. Schechter, President of the Student Council, expected that Mr. Manheimer would be present at this very important meeting. You will definitely know about the results of this meeting in our next column.

Getting involved in outside events seems to be spreading in our high school. Cold Spring Harbor challenged our high school to a match for the aid of the Balfour children. Cold Spring Harbor will walk from their high school and end at our school, where we will supply them with cake and hot drinks. Then we will challenge another high school and march there. Money is collected from motorists passing by the marchers and in turn is donated to the Balfour fund. Lynn Silber, who is in charge of the Jericho march, is planning our march at the end of January on a Saturday.

Last Friday night (December 13) the Jericho Varsity Basketball team started their league season with a disappointing loss against Plaindeco. Jericho had a 6-0 lead during the first few minutes of play, but by halftime we were losing 32-21 and the final score was 69-50. The high scorer of the game was the team captain, Phil Goldstein, who many of the spectators believe could score more points if he could improve his foul shots.

The Jericho Varsity wrestling team won their second meet by beating Plainview Kennedy 39-13. The best wrestling was displayed by Scott Blanchard, Jay Chertok, and Steven Levine.

The Varsity Swimming team also had a good start by out-swimming Cold Spring Harbor and thus winning our first meet. Jimmy Eisenstein broke the school record for the 100 yard breaststroke with a 1:10.9. Our next possible victory will be against Brentwood High School on December 20.

We wish all our readers happy holidays and peace in 1969.

clinch that one for the "Hy Hopes".

Sam Saitz also flexed his muscles. His team, the Sam Springers, went into the rubber game tied at one win apiece with Sy Brueckners. Then Sam cut loose with the gymnastics. He cracked a 210, his first good one of the year, and cemented a 8-3 win for the Springers.

By this time we had all had our free holiday drink, courtesy of Syosset Lanes, and we went home.

COME ON YOU GUYS! Public Works Commissioner Herbert J. Simins of JERICHO urges on two of his less sylph-like subordinates Joseph Halper of Oceanside, Superintendent of Recreation (center) and Joseph King of Massapequa, Assistant Superintendent of Road Maintenance, at the jogging course at Salisbury Park. The new course is a circular measured mile area with posts marking every tenth of a mile so that joggers may set individual goals.

Your old oil tank makes a perfect mailbox for the Sunday paper.

Newspaper deliveries are OK. Oil deliveries are ridiculous. Switch to modern gas heat: there are no deliveries—it's always there when you need it.

It may not be much fun walking out to that mailbox on the coldest day of the year, but it's even less fun waiting for an oil delivery when your house is freezing. Gas heat eliminates the problem of deliveries and other problems, too.

For example, gas heat is cleaner which helps solve the problem of having to clean drapes, walls and furniture all too often.

With gas heat there are no expensive service contracts to worry about.

You can have gas heat installed in your home for less than the cost of a major appliance (it takes less than a day to install). Financing? LILCO can arrange for payments as low as \$10 a month.

Ask for a free home heating survey and a guaranteed estimate of your annual heating costs.

Call (516) 747-1041 and ask for Miss Jones. Right now you can get your choice of a free gas clothes dryer or water heater or a \$75 allowance toward modern gas heat.

And you get to keep your old oil tank as a memento of times gone by.

Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

GENERAL HOSPITAL for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

PSYCHIATRIC HOSPITAL for the mentally and emotionally ill, for the alcoholic and drug addict. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

NURSING HOME for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

NOW... a new hospital of physical medicine and rehabilitation for extended illness.

CHRONIC CARE HOSPITAL staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

Facilities and Treatments Include:
1. Swimming pool and Hubbard tanks for hydrotherapy.
2. Gymnasium for physiotherapy.
3. Daily living activities program and crafts.
4. Speech therapy program. 5. Inhalation therapy.
