'Y' ANNOUNCES FIRST MILLION \$ BUDGET

The Board of Directors of the Long Island YMCA has announced a 1969 budget that, for the first time, exceeds a million dollars, according to Elston Swanson, Long Island "Y" President. The budget covers the program and activities of the eight branch YMCAs in Nassau and Suffolk Counties, and the Central Office in Jericho, which coordinates program and activities of the eight branches. "This is a tightly drawn budget that is realistic - and that will make more active YMCA programs available to greater numbers of young people and adults in all Long Island communities," said Swanson.

Long Island communities," said Swanson.

The one-million-dollar budget for 1969 includes expanded physical, social and educational programs at the branch YMCAs at Brookhaven, Five Towns, Huntington, Mid-Nassau, Glen Cove, Smithtown and Elmont, and a new branch planned for Manhasset. The YMCA of Nassau-Suffolk Counties currently operates its own buildings at each branch location, with the exception of the new branch effort just getting under way in Manhasset area, Some 20,000 youngsters, young adults and men and women are active in broad-ranging YMCA programs that include physical conditioning, swing, swinning, basketball, art and women, Total attendance at all "YP ac-

tivities in '68 is close to 400,000 people. The Long Island "Y" presently operates indoor swimming pool programs —at Huntington, Neighborhood House "Y" in Glen Cove, and the Mid-Nassau "Y" in Hempstead, An indoor pool will shortly be available at the West Nassau "Y" in Elmort.

Urges Spinal Examinations

The Chirogractic Association of New York (CANY) is urging parents to make a "New Year's health resolution" - to give regular spiral examinations to their child in the interest of sood posture and good health.

Dr. Watter Dunbar, of Hickswille, L.I., CANY president, said studies show that 57.9 percent of the nation's schoolenildron do not pass physical fitness tests. "This underlines the need for spiral earnitations."

Dr. Dunbar said that because youngeers are constantly engaged in physical activity, they can acquire structural problems that could go unnoticed without a professional examination.

Posture defects in children often do not receive proper attention, he said. This is because a spiral curvature or some other problem is considered to be a case of heredity.

"However, research shows that while heredity is an important factor in a child's spiral problem, it accounts for only a

small percentage of spinal dia-orders.

"Neglect of minor falls, strains, sprains and daily inci-dents in the life of an active child are the major causes of structural spinal disorders," he said.

said.

As a public service, the CANY is emphasizing to parents that went may appear to be minor spinal distortions in childrenactually can have serious effects if they are not corrected.

trailly can may see and the they are not corrected.

"Children are particularly prone to spinal injuries because of the falls and jars their bodies suffer in the rugged play of the growing youngster," Dr. Dunbar added.

upon registering the child. The new amendment refers to chil-dren entering a school district for the first time, irrespective of the age of the child or de-grade level at which he enters. This includes children trans-ferring in from other districts.

The only exemptions to the amended Health Law are for specific reasons of the child's written statement) or for reasons written statement) or for reasons of religious training (requiring a parent's written statement of bona fide membership in the religious organization).

If a child has already had the measles, a certificate from the parent or physician to that effect will be satisfactory evidence of

immunity.

Forms will be available in the school offices.

Happy Holidays and Joyous New Year's wishes are in our thoughts and hearts as we meet one another during this Holiday Season.

I would like to take this opportunity to express my own personal good wishes, as well as those of the Birchwood Civic Association Board of Directors, to our community and members through the Association's voice, THE VILLAGER.

We hope that we may share with all of Jericho, the joys, contentment and good life which can come from working and playing together in, and about, our community during this coming year, 1969.

Margiotta Proposes Penalties For Taylor Law Violators

ALBAN! — A move to put bigger teeth in the State's Taylor Law, "So those who dely it will feel its bite" was amounced by Assemblyman Joseph M, Margiotta (R) of! niondale, Long Island, Margiotta said he has prefilled two bills in the Legislature that are aimed at public employees who strike in violation of the Taylor Law, which was enacted by the Legislature in 1961 to bar such walkouts.

One of Margiotta's proposals states that for each day a public employee is but on strike, he will lose one month's credit time of the state pension system. The other makes striking teachers,

Margiotta, who is vice Chairman of the John Legislative Committee on Education, said be decided to submit his proposals after conferring with other lawmakers throughout the state and members of the legislative unit of the Nassau F-TA, which recently went on record in opposition to teachers walkouts.

Margiotta also indicated be would support revisions in the Taylor Law regarding grievance procedures. He noted that while the law provides for fact-finding and mediation of contract disputes, it falls to make mediation mandatory, or its results binding. "Establishment of the

"Recent events make it obvious that the punitive aspects of the Taylor Law are not sufficient to prevent public employee strikes which, in the final analysis, victimize millions of innocent citizens who are not a party to these disputes.

Our children, for example, must be protected against the loss of weeks or months of education which we now know can result from an ille gal walkout, Commuters must be assured of public transportation to and from their jobs. Adequate police and fire protection must be maintained at all times. Garbage must be collected to prevent health bazards.

"However, we cannot ignore
the fact that some public employee strikes have occurred because one side or the other has

Hicksville High repulsed a blistering all court press by Elmont to win the Christmas Tournament on the beards of New Hyde Park, 61-53, Sahrday. It was a tremendous upset for the Orange and Black which lost its first two games of the season. The Comets won twice before the Elmout game in upending East Meadow by 15 points and taking the first round game from Sewanbaka, 59-53.

In each of the three wins, played away from home, Hicksville fell behind by ten points. Each time Coach Buddy Bryan had to lead his grooping players back. The East Meadow and Sewanbaka rallies were happy events but the Elmott one was redeeming for Bryan and his crew.

The 1967 Tourney opener saw an excellent Elmont team demolish Hicksville by 45 points in a never-let-up first round opener.

The pattern of the Sewanbaka contest presented the trademark of all three victories. After a stinging press forced multiple Hicksville errors in the early part of the game, a relaxed Don Massey took over the backboards. His 23 strong rebounds swung control to Hicksville. Bob Rogers floor game and the shooting of Bill Wiffen helped combine to close a ten point gap to 32-29 at halftime.

Sewanbaka extended a 46-44 three quarter lead to a 52-46 with four minutes left. Here a give and go to Massey from Rogers and Wiffen resulted in a sparking basket. Joe Zuckerman, inserted by Bryan in the second half, once again displayed a remarkable tenacity to be where the ball is and hit a free ball from underpreath. Wiffen sailed a one-hander from the side. Rogers god 'two from the foul line and Hicksville was ahead. Zuckerman found a ball just bouncing around again and pushed it through the nets. Wiffen and Massey sank fouls and the Orange had outscored the Indians 13-1 in the final stretch.

Wiffen and Massey each contributed 17 points in the balanced Hicksville attack and Zuckerman picked up 12. Rogers had 6 an Doug Dohney a needed 7.

Hicksville High's Junior Varsity football team went unbeaten this past fall for the first time in 15 years. The Team had a 6 won and 2 tie record.

Quarterback CliniBrown threw 11 touchdowns on the season. According to the JV records this surpasses the TD mark made by Jeff Doolitile as he was coming up in the Orange ranks.

It was the running of Chuck Arnone that really caused the Saturday morning excitement as he scampared away for 11 touch

ered away for 11 touch-

downs. Jim Agello had 7 and Tom Spadola chimed in with 5 points.
The extra point has been an instorical worry at Hicksville since 1925. This season Brism McAuley had the leg to boot them home for varsity coach and Jim Grancham and Spadola demon-strated that he may solve the problem in future years. He had 11 placements sail over the cross bar successfully.
The JV team has stretched its non-losing streak to 14 since that 2-0 defeat at the hands of Syosset early in 1967. The club is coached by Bill Meyer and his assistant, Dick Hogan. This year Adamo Tomani also assisted with the

team.

Hicksville tore up the gridiron for 139 points while relinquishing only 39, Middle Line backer Tony Giacommaggio bulwalked the defense for Meyer and he bad excellent support from Larry Genna and Paul McGowen.

Snow Removal Contracts Cause Complaints

JERICHO, - Homeowners were cautioned today by the Better Business Bureau to check carefully before signing contracts for snow removal.

When the snows begin to fall, the Burnau anticipates the usual flurry of complaints from irrate homeowners who sign for 24-hour fast snow removal, with a small

minority of "over ambitious" contractors who discover after, the fact that they have too many clients for the equipment and manpower available.

The presentation of complaints against one company, in the past, resulted in the explanation that they were unable to live up to the contract because of "circum-

John P. Sullivan, Executive Director of the Long Island Better
Business Bureau says: "Remember, if the price for such a
service sounds too good to be
true, it probably is". He advises
that homeowners ask that a contract contain a clause giving
specific time limits for starting
and completing the snow removal
after a snowfall.

Mr. Sullivan also suggests that
homeowners consider adding a
penalty clause in case the company defaults on the terms of the
contract.

Fiftieth Anniversary

Julia and Roy H. Bloom of 81 East Avenus colabrated their 50th wedding anniversary on Decem-ber 18th. Friends and neighbors shared the joy of the day by holding a successful surprise open-house

party.

Mr and Mrs. Bloom were most appreciative of the efforts of all those who beloed make this a very special day.
