Stop Hearings- For Now- On Bridge: Court

State Supreme Court Justice Samuel Gold has granted the Town of Oyster Bay's request to postpone hearings on the Oyster Bay-Rye bridge until litigation brought by the town and other groups questioning the constitutionality of the bridge has been settled by the court.

Town Board Majority Leader Edmund A. Ocker said that he was delighted and relieved that there would be no hearings on this important matter before it has been determined that the state has a right to call such hearings.

Justice Gold, sitting in New York, granted the state's request for an adjournment on its request for a summary judgment dismissing the suit involving the town, the City of Rye, various villages and citizens groups. He set January 27 as the new hearing date on the matter.

He then ordered that all hearings on the bridge be stayed until after the suit is settled.

The town agreed to the adjournment on the suit on the condition that the public hearings be postponed.

The plaintiffs have argued that the enabling acts permitting the construction of the Oyster Bay-Rye bridge are in violation of the state constitution.

They contend that the Metropolitan Transportation Authority, which would control the bridge, may not be enlarged or its powers expanded without a special act of the State Legislature and that construction of a bridge constitutes an expansion of the MTA powers.

The town has also claimed in the suit that the legislation authorizing the extension of the bridge's proposed access road, the Seaford-Oyster Bay Expressway, was enacted illegally.

It contends that, under the Home Rule Law, the town should have approved or requested the legislation since the extension was obviously of local concern.

Ocker, Bayville Mayor Duncan Sterling, Matinecock Mayor George Pidot and Rye officials met for more than an hour with Governor Nelson A. Rockefeller's First Deputy Counsel, Michael Whiteman, at the Governor's New York City offices.

"We questioned the need for the bridge and pointed out that we have seen no studies on the matter on which to base our judgment," said Ocker.

Ocker, who described the meeting as "most cordial," said that he was also concerned about the effects of any bridge and road construction on parts of Oyster Bay outside the North Shore in addition to its obvious effect on that area.

"I think the Governor is now more aware of our concern and the legitimacy of our complaints," said Ocker.

Town Board Names M. Hallsted Christ As New Member

The Oyster Bay Town Board has unanimously selected M. Hallsted Christ of Muttontown as its new member, replacing Ralph J. Marino who has been elected a State senator.

Following the action by the board, Tuesday, Christ was sworn in by his father, Marcus G. Christ, Associate Justice of the State Supreme Court's

Also sworn in at the board meeting by District Court Judge Francis J. Donovan of Hicksville was Phillip B. Healey of Massapequa, who won a landslide victory in November for the final year of the Council term originally held by Angelo D. Ron-

callo, who resigned to become Nassau County Comptroller.

Christ termed the new post "a challenge that excites my interest."

He added, "This is the most important time in the history of Oyster Bay, a time when our entire way of life is threatened

by the encroachment of a proposed bridge across Long Island Sound. I shall do all in my power to protect the integrity and well-being of our community. I know it is an awesome responsibility."

Town Board Majority Leader Edmund A. Ocker praised the board "for choosing a vigorous and intelligent representative of our North Shore at a time when that area in particular, and the whole town in general, is beset by serious problems that demand the type of leadership Hallsted Christ has shown."

Christ, 38, had been Muttontown Village Police Judge. He is a graduate of Colgate University and New York University Law School, a vice president of the Nassau Bar Association and a member of the board of directors of the Nassau County Magistrates Association.

He served as chairman of the Finance Subcommittee of the Nassau County Governmental Revision Commission and was a member of the Glen Cove Charter Revision Commission.

Christ, a Director of the Non-Partisan Civic Association, lives at Remsens Lane, Muttontown, with his wife, Ann, and their four children, Marc, Geraldine, John and Marion.

Ernest Francke GOP Club To Install New Officers

"These men have certainly done a great job on membership and we hope that this year we'll be able to keep up the good work."

LWV To Meet

The January 16th meeting will be held at the home of Mrs. Bruce Hill, 956 North Bay Avenue, North Massapequa at 8:30 P.M. All interested women are welcome to either meeting.

A quick glance over 1968 proves to this reporter that negative votes on our school budget are never really meant and only hurt the children. The results we attain (by only your tax money) make this district a place where ALL types of young people are able to grow and express themselves. God willing we can give all of them their education, recreation, and love of life in one vote this year.

Awards were presented this morning to the Holiday Tournament Champions at Woodland Avenue School. Mr. Don Skupinski coached the victorious quintet that included: Zed Director, Frank Nobile, James Colura, Craig Wohl, Brendan Wallace, Robert Smith, George Emmel, Steven Haller, William Heller, Thomas Garger, Joseph Panara, Richard Maresco, Daniel Newton, Kenneth Monfredo, and Michael Roblotto. Congratulations one and all!

Once again the snow birds will hit the ski trails this Saturday. Two buses of teenagers leave for Hunter Mountain at 6:30 A.M. It's no laughing matter -- this week yours truly makes the trek -- next week be on the lookout in your local supermarket for a rose bush with a plastered limb. We are also planning a Family Ski Trip on January 25. Any other brave souls want to try that 6:30 A.M. reveille.

Our recreation hockey team, the North Stars, scored a surprise win over the Oyster Bay Gulls 5 to 3. It was a non-league game that brought together leading clubs from this area. Jack Lane and Steve Van Winkler sailed the winning pucks into the nets. Keep up the good work Coach Jurgelovich!

Well Rosie Rec, little old Mother-in-law (twice now, feels great) has work to do, letters to write, trips to plan so I now will ramble along, with best wishes for a Happy 1969 to all.

Hicksville High's basketball team rallied from behind, 18-37, to win its sixth straight, Tuesday evening with a hectic double overtime triumph over Herricks 64-61. The game was at Garden City Park.

After the host team humiliated the Orange with a full court press in the first half Coach Buddy Bryan employed one of his own to shatter the defending champions in the third period.

Hicksville trailed at halftime 38-24. Consistent steals by Bob Rogers and the injection of Paul Masciello disrupted the Herricks floor game. With the scoring evenly divided the Comets pulled ahead 45-44 with 26 seconds left. Herricks scored on a fast break but Don Massey gave Hicksville a three-quarter 47-46 advantage.

A goal by Rich Dohoney opened a 49-46 lead. Rogers increased it with two fouls. He used another

to counter a brace of Herricks free throws.

The Hicksville crowd responded with a deafening roar when Rogers to Masciello to Massey extended the lead to 54-47.

Herricks used the last two minutes to deadlock the game 58-58 after regulation time.

Massey spun in a hook to start the overtime. The Comets defended until 12 seconds left when Herricks again tied the issue.

With 1:59 left Herricks pulled ahead, 61-60, but Massey struck twice from the foul marker and with 7 seconds to go Ed O'Reilly had a clear bank shot.

Massey had 18 points on the contest, Dohoney added 16 before fouling out in the first extra period. Rogers had 9 and Bill Wiffen banded in 12.

The victory followed a home 51-46 victory which opened league play. It was foul con-

versions by Rogers, Massey and Dohoney that fought off Plainville in the final minutes. 1,100 persons attended.

Clearly the Herricks victory was one of the most important for the Orange and Black in the past decade. Coach Bud Bryan takes his club to Farmingdale this Friday night in search of its seventh straight. Our selection.

Hicksville 60 Farmingdale 58

The Hicksville Junior Varsity got back on the right track against Plainville winning 65-61. Bob Abanese drove hard for the basket and scored three lay ups. His industry also earned him two successful foul shots. All this in the final three minutes provided the margin of victory.

Jim Bergholtz, former Hicksville star, scored 34 and 33 points for Kings College in its Christmas tourney victories. He was voted the most valuable player award.

Neil Duncan, who accounted for many wrestling victories while at I.H.S., won his first three matches for Keystone Junior College. For his top caliber performance he was selected as star athlete of the week by the Scranton-Times Globe.

Neil is the son of Mr. and Mrs. Murray Duncan of 73 East Street.

Ten Pin Talk

by
 Henry Dockswell

Those Mary Kahns are real kill-joys. Here we are going into the last night of the First Half of our Split Season, which is always Position Night, and they've already clinched 1st place. They bowled the Sy Bruckners and after a tough fight they whipped them 6 1/2 to 4 1/2. The Kahns have 194 1/2 points and are 26 points ahead of the 2nd place Herb Brody "Black Panthers", who suffered a shutout at the hands of the rampaging Leo Geyers.

Herb cracked a 214 in the last game but it was to no avail. Leo had rapped a 202 in the first game to set his team afire and they went on to administer the shellacking. In three weeks the Geyers went from 16th to 8th and at this stage of the season that's really traveling.

The Sid Holtzmans were in 3rd place and they remained there as they squeezed out a 6-5 win over the Ralph Diamonds. Irv Herskowitz, with a 213, tried to start the Holtzmans off on the right foot but Herbie "Poison Tongue" Mahler picked this spot to bowl his first good one, a crackling 237, to win it for the Diamonds. But the Holtzmans went on to take the next two, even though Burt Benjamin threw a 203 for the Diamonds in the second game. The Holtzmans are now only 3 1/2 points behind the "Black Panthers."

The Julie Gershens went from 5th to 4th as they beat Art Rosenthal's floundering "AWOL'S". Art rolled a 209 in the first to clinch that one for the "AWOL'S" but then all hell seemed to break loose as Lou Truchil smashed a powerful 226 and Ely Fisher threw two beauties, a 206 and a 200, to cement an 8-3 win for the Gershens. Ely has been as hot as a pistol. In three weeks he has thrown four 200 games and raised his average 7 points. The Gershens are now only 3 points behind the Holtzmans.

The 8th place Murray Gittel-mans hiked themselves right into trophy contention with a strong clutch win over Milt Hoffman's 4th place "7-11's". There were no individual heroes but when all the firing was over the Gittel-mans had shut out the "7-11's", pushed them down to 6th place, and raised themselves to 5th on seven points out of 3rd. Next week they'll have the honor of meeting the "7-11's" again.

The guy that made the loudest noise of the night was Stan Brizel. He whacked a 245, a 211 and a 191 for a 647 series just 1 pin shy of Herb Brody's 648. Stan has been just beautiful these last 6 weeks. He has a total of 8 good ones but 6 of them have come in the past 6 weeks and have raised his average 10 points to a fine 170. Stan led by Shapiro's "Ily Hopes" to an 8-3 win over the Sid Simons. The only game the Simons won was when Capt. Sid threw a 225 in the middle game.

The Murray Kowliowitz finally got back in stride. After losing 3 series in a row and sliding from 3rd to 7th place they woke up. Against whom? The Sid Sachs' "Chargers". Capt. Murray fired a 220 and a 211. Dave Altman threw a 200 and if looked like they were riding to a shutout win. Suddenly Sachs woke up. He started twisting his hands like crazy and forced a 216 out of the pins to salvage 3 points for his "Chargers".

The Jericho High Varsity swimming team lost its third match of the season against Plainview-Kennedy High School last Friday, January 3. The team's record is now 1 and 3.

In a fierce game against Syosset last Friday night, Jericho almost staged an upset by leading Syosset in the scoring for three quarters but losing in the last quarter by the close score of 35-34. Once again, Phil Goldstein was the high scorer but a surprisingly good game was put in by Don Lomuro on the boards. Jericho is looking forward to their first victory against Manhasset this Friday night.

Fiction And Fact

By Dottie Mills

Teen-Age Independence

Three little words that stand a good chance of replacing the other three made so popular by song writers, poets, Doris Day and Rock Hudson. If you're a teen-ager and are anxious to start casting off the chains of dependence then you know that a major requirement of your goal involves dollars and cents. Would you believe Jericho Public Library has a plan to speed you on your way.

The Library hires teen-age boys and girls as pages. (A page shelves books after they are returned by patrons.) Beginning pages are paid \$1.00 per hour and must be fourteen years old. An increase in pay is granted after the page has completed one year of satisfactory employment.

As a preliminary step to hiring, the Library has a program of volunteer training for each applicant. It is from the ranks of the volunteers that paid employees are selected. In short, if you want a paid job you must first put in training time as a volunteer and be thirteen years old. You will be taught how to shelve books in their proper

sequence, search for reserve books, and other Library routines you will be expected to perform when you are hired. Pages employed by the Library are selected from the volunteers, and only from the volunteers, as vacancies occur.

If the need for some independence of the weekly allowance stirs in your vitals then follow these two simple steps:

1) Think carefully about your available free time after school and on weekends and how much you can assure to the Library for volunteer work. (Remember the Jericho Library is open Saturday from 10 - 5 and Sunday 1 - 5.)

2) Call Mrs. Blatt at WE 8-0507. Mrs. Blatt is in charge of scheduling volunteers in the Library. She will ask for your name, address, phone number, age, grade in school, and what hours and days you can give to the Library. One other thing, talk it over with your parents. They may want you to think carefully about time taken away from homework and studying; transportation to and from the Library, etc. Think it over. Then call Mrs. Blatt.

Communications

The Board of Education received the following written communications:

a) a statement of congratulation for the district's "safety conscious attitude" which has resulted in an auto and business insurance credit from 28% to 38% for school year '68-69.

b) a reprint from Elementary Principal's Letter (Dec. 1968) featuring an article by Norman H. Skind, Can-tague Principal, describing the personal tutoring program which has been assisting students for the past three years.

Hyde Appointed

Jackson Librarian

The Board of Education approved the appointment of William Hyde as librarian of the Jackson School; Mr. Hyde, a Jericho teacher for 22 years, will replace Mrs. Elizabeth Knutson who is moving to Minnesota. Mrs. Shirley Aronson will teach Mr. Hyde's former 4th grade class.

Flamenco Program

Saturday, Jan. 18th

Spain will come to Jericho on January 18, 1969, when "Antonio & His Ballet Flamenco" perform in the Jericho High School Auditorium in a benefit for the Jericho Teachers Association Scholarship Fund. Ticket monies will be used to finance \$200 yearly scholarships for deserving Jericho seniors entering college in September.

Flamenco, the music of the gypsies of Andalusia, is rooted in Arab folk song, Hebrew liturgical chant, and India raga, and ancient Iberian music. The most colorful and complicated of Western musical folk arts, flamenco, combines guitarists, singers, and dancers in compositions which tell stories of love, death, hate, and joy in a unique musical manner.

Antonio appeared here with his company last year, and often comments about the warmth and friendliness of the Jericho audience.

Youth Service At Temple

On Friday night, January 24th, the Youth Group of Temple Or Elohim, Jericho, will participate in the regular Sabbath Services of the Congregation beginning at 8:45 P.M. There will be original sermons on the theme "Separate Yourself From the Community?" The basic problem the youth will discuss will be that of how this may improve society.

In the light of the student revolt this is most relevant. Original musical settings of the traditional service are being worked out by Ed Green, who is presently studying musical composition. Participating in the services will be: Mitchell Reff, President of the Youth Group, Jane Weston, Melanie Siegel, Diane Schuman and others. Of course, the service is open to the entire community and an Oneg Shabbat will follow.
