Charlotte St. Grade Crossing Elimination

The State Department of Transportation will open bids on March 27 for elimination of the Charlotte Street grade crossing of Long Island Rail Road tracks near Hicksville.

The project is estimated to cost \$1,766,000, to be paid with funds from the Transportation Bond Issue approved by New York voters in 1967.

Charlotte Street is to be rebuilt from Duffy Avenue northward 0.4-mile to West John Street, with a four-lane asphalt pavement generally on the present alignment. The street will pass under a 67-foot span to be built to carry the railroad tracks on their existing alignment.

Governor Rockefeller said the project is one in a continuing series designed to increase the safety of both road and rail traffic throughout the State by replacing grade crossings with bridges.

Court To Hear Bridge Appeal On March Sixth

The State Court of Appeals set March 6 as the hearing date for the State's appeal of a recent Supreme Court decision barring construction of the proposed Oyster Bay-Rye bridge.

Edmund A. Ocker, Oyster Bay Town Board Majority Leader, announced that he had been informed of the hearing date by Stanley Fuld, Chief Judge of the seven-man Court of Appeals, the State's highest court.

Ocker said the hearing was set after attorneys representing the Metropolitan Transportation Authority, which wants to build the bridge, requested action on the matter at the earliest possible date. At a hastily called conference in Albany, Deputy Town Attorney Charles Lynch argued that the Town and other litigants should be given the full 30 days normally allowed to study and respond to the MTA's appeal brief. However, the Court of Appeals agreed to hear the matter on March 6, the last day of its current session. "This means," said Ocker, "that we will have to study the MTA's appeal, prepare, file and be ready to argue our response all within two weeks. It is a great responsibility, but the work done by Town Attorney Bernard McCaffrey and his staff so far has been outstanding."

In early February, State Supreme Court Justice Samuel

Gold ruled that a 1967 State Law authorizing construction of the bridge by the MTA was illegal because the MTA was not authorized to build bridges or highways under the 1965 law that created the agency.

Attorneys for the MTA decided to forgo appealing Justice Gold's decision in the Appellate Division of the State Supreme Court, but instead went immediately to the Court of Appeals for a decision.

Library Budget Meeting

The Board of Trustees of the Hicksville Public Library will hold a special meeting at the library on Wed. Mar. 5th at 8:00 P.M. At this time the proposed 1969-70 budget will be presented by the board for public discussion.

ON DEANS LIST

Philip Paterno, son of Mr. and Mrs. Andrew Paterno, 33 Montana St., Hicksville, has attained a "B" average for students during the recently-completed semester at State University College, New Paltz, and has been named to the Dean's List, an honor reserved for those who have earned a "B" average or higher for all studies completed at the College.

CAMPING PROCEDURES: Scouts Walt Staehle, left, and Scott Rosmaier, right, of Troop 291 of Hicksville demonstrate camping procedures in their booth in the 1969 Scout Cavalcade held at Roosevelt Raceway February 14-16. Function drew over 100,000 participants and spectators. Troop 291 is sponsored by the PTA of Holy Trinity Lutheran School in Hicksville.

Budget Review Panel Meeting

The second public study session of the Jericho Budget Review Panel met on Thursday, February 20, from 8:00 p.m. to 12:00 midnight. Fifteen residents joined the five member Board and six administrators in the discussion of the proposed 1969-70 school budget.

Board President Hal-Curtis Felsner presided at the meeting. Under careful analysis during the study sessions, punctuated by frequent questions from the interested residents, were the areas of Transportation, Operation and Maintenance of Plant, Employee Benefits, Debt Service and Non-Instructional Staff.

Superintendent of Schools David Nydick reviewed each of the particular codes. He explained in detail the purpose and estimated cost of each item. He reported that a thorough review of the custodial services resulted in a reduction of 4 personnel for the new budget. James Slattery, Business Manager, aided in identifying the changes required in debt and bond anticipation payments, retirement, social security, and insurance programs.

John Martin, Supervisor of Buildings and Grounds for the District, explained several specific maintenance needs, including painting, fireproofing regulations, fire alarm systems and other safety factors.

The next meeting of the Budget Review Panel will be held on March 6 at 8:00 p.m. in the Senior High Library to study instructional areas and to summarize budgetary needs.

IMPORTANT NOTICE

Cornelius J. McCormack, president of Hicksville School District 17 Board of Education announced that the preliminary budget hearing has been set for Wednesday, March 5th from 8 to 10 p.m. in the board room of the school administration building on Division Avenue. There will be copies of the budget available and the public will be permitted to ask questions at this hearing.

47 Local Students Win Scholarships

The New York State Education Department recently announced the names of those Hicksville high school pupils who have won Regents College Scholarships this year subject to final verification of eligibility.

In the event that a scholarship winner declines the award or is unable to accept the award for any reason, the scholarship is offered to the highest ranking alternate in that county.

The Regents Scholarship and College Qualification test for these scholarships was taken by approximately 175,000 high school seniors in about 1,200 secondary schools of the State.

The holder of each of these scholarships will be entitled to an annual award of \$250 to \$1,000, depending on family income, for each of four years while attendance at any college in the State of New York approved by the Regents for this purpose. In addition, scholarship holders may be eligible to receive scholar incentive awards of \$100 to \$500, depending on the family income and the cost of tuition at the college.

The State Education Department also announced the names of 884 recipients of the 1969 special New York State scholarships provided for children of deceased or disabled members of the Armed Forces of the United States. The law provides these awards for all eligible applicants. Additional candidates will be notified after their eligibility has been verified.

These special awards entitle the holders to \$450 a year for the next four or five years of attendance in an approved college or hospital nursing school located in New York State.

Linda F. Miller, Neil J. Zanzville and Susan P. Zanzville all of Hicksville are among the 884 recipients.

Honor Monsignor Bitterman

More than 300 members, clergy and guests were on hand for the Special Presentation of "THIS IS YOUR LIFE MONSIGNOR BITTERMANN" a surprise program held at the Annual Old timers Nite held at the Knights of Columbus, Hicksville. This unique program was coordinated by Past Grand Knights Walter and Arthur Schreiber under the guidance of Grand Knight Robert De Lorenzo. Surprise guests of the evening included Rev. Leo J. Goggin and Rev. John Wisler, former assistants of St. Ignatius and now pastors of their own parishes.

A delegation from Monsignor's old parish and council were well represented on this auspicious occasion. The Supreme Knight sent a personal commendation and gift to Monsignor Bitterman via the District Deputy. Rev. Frederick Harter, newly appointed pastor of St. Ignatius was on hand with Rev. John Vitas and Rev. Edward Shanahan to join in this warm welcome to Monsignor, now Pastor Emeritus at St. Ignatius. Worthy Past Grand Knights present were: William K. Koutensky; Harry G. Woods; Robert McGregor; Vincent P. Bily; Vincent McGunagle; Walter Schreiber; Arthur Schreiber; James Wise and our present Grand Knight Robert De Lorenzo; Deputy Grand Knight Joseph

Kapinski; Chancellor Larry Trubinski; Warden Frank Karmann; Sy Flanagan, Lecturer and a host of Brother Knights who are still talking about this memorable evening.

One of the special highlights of the evening was the remarks of Past Grand Knight William E. Koutensky as he reflected back on his close personal friendship with the good Monsignor Bitterman who served his church and parishioners so well during his 38 years at St. Ignatius Loyola, Hicksville. "May The Good Lord Bless And Keep Him For Many Years To Come is the wish of all his Brother Knights".

Roosevelt Raceway Opens Mar. 5

Roosevelt Raceway opens its 1969 harness racing season next Wednesday, March 5 with a 70-night meeting to run through May 24. Highlight of the session is the \$185,000 estimated Messenger Stakes for three-year-old pacers to be contested on May 10.

In addition to the stables currently in action at Yonkers, top horses will be shipped in from various winter training centers by trainers Billy Haughton, Stanley Dancer, George Sholly, Skip Lewis, Frank and Bill Popfinger, Bob Walker, Ted Dennis, Frank Mollica and George Phalen.

Immediately on tap March 6 Roosevelt begins its rich Early Bird series for the top horses on the grounds with the \$25,000 final set for March 22. Other stakes on the agenda are the Commodore Pace on April 12, the Harness Writers' Trot on April 26, the Lady Maud on May 17 and the \$30,000 estimated Realization Pace on May 23. First race post time is set at 8 P.M. Once again there will be the usual daily double with exacta wagering in the third, fifth, seventh and ninth races.

The Lion In Winter

Perhaps the grittiest of all centuries is depicted in Joseph E. Levine's presentation of "The Lion In Winter," starring Peter O'Toole and Katharine Hepburn and started its reserved seat engagement on February 26th at the Syosset Theatre.

The Middle Ages, often called the "Heroic Age," was full of high politics and low motives, and two dominant figures, exemplifying both were Henry II of England and his Queen, Eleanor of Aquitaine. They come vividly to life in "THE LION IN WINTER," along with their three ambitious sons, Richard the Lionhearted, John and Geoffrey, all vying for the English throne on one cheerful Christmas day in 1183.

Katharine Hepburn, an actress

who rarely repeats herself on any subject, does indeed repeat one aspect of her earlier career - she appears in period costume for the first time in thirty years. Miss Hepburn is back in wimple and crown as Eleanor of Aquitaine, one of the towering figures of the Middle Ages. Over thirty years ago she played another great queen in John Ford's "Mary of Scotland."

Peter O'Toole brings vividly to life Henry II, the dominant political figure of a turbulent age of castle and wife-snatching, who married a woman almost fifteen years his senior for her beauty, wisdom, political know-how and boundless lands. Together they were unconquerable... together they were, as history attests, also impossible.

"Paint Your Wagon"

"Paint Your Wagon" with Allen Jones follows the current production of "Kismet" with Earl Wrightson and Lois Hunt at the Wedgewood Dinner Theatre at Glen Cove Long Island. "Kismet" closes Sunday March 2 and "Paint Your Wagon" opens March 5.

"Paint Your Wagon" and its beautiful melodies bringing Allen Jones to Long Island and an outstanding cast of players will run through Sunday March 30.

Allen Jones was born in Old Forge, outside Scranton, Pennsylvania, son and grandson of Welsh coal miners. He started singing when he was 4 years old in a church in his home town. As the years passed, he went from being soloist soprano to tenor, while going to school during the week and doing all kind of jobs in the mines in the week-ends. His entire family loved music.

His Grandfather taught singing in Wales and his Father had a magnificent tenor voice and that talent has been passed on to Allen and his son Jack.

Guided by M.G.M. his career rose to a zenith and he starred in such pictures as: "Reckless" with Jean Harlow; "A Night at the Opera" with the Marx Brothers; and "The Firefly" co-starring Jeanette MacDonald, in which he sang the famous "Donkey Serenade".

His show-business career has included all the popular operettas and many shows such as Guys and Dolls and Silk Stockings. Those wishing to see him at the Wedgewood may make reservations for opening night Wednesday, March 5, or subsequent performances of "Paint Your Wagon" by calling the Wedgewood at 516 OR 6-1100.

IMMEDIATE AND LONG-RANGE PROBLEMS confronting our County, were discussed last Friday evening at a dinner and informal press conference held at the Garden City Hotel by the Nassau County Press Association to which they invited all members of the Nassau County Board of Supervisors.

In the upper picture (L. to R.) Nassau Star Publisher Irene Harris, Presiding Supervisor of the Town of Hempstead Ralph G. Caso, Illustrated News Publisher James Carr, Presiding Supervisor of the Town of Oyster Bay Michael Petito, Mid Island Representative Peter Hoegl and Allison Stewart of the Illustrated News.

In the lower picture we see all the members of the association who attended this press conference, which is the first in a series of such conferences planned by the Press Association, covering the functions and responsibilities of the various levels of government. "Based on the enthusiastic participation of the editors and publishers and the eloquence of the participants, at this conference, which ran far beyond its time limit and excited much interest, it is believed that future such affairs will be equally stimulating," said a spokesman for the Nassau County Press Association. (Photos by Brennan).

Nassau County Press Association Holds Informal Press Conference

Improved public mass-transportation facilities, beginning with the modernization of the Long Island Rail Road, is a "must" if Nassau County is to keep pace with the demands inherent in its current rapid growth, members of the Nassau County Press Association were told at a meeting in the Garden City Hotel Friday night.

Speaking at a session of the press association, comprised of the editors and publishers of 51 Nassau weekly newspapers, Hempstead Town Presiding Supervisor Ralph G. Caso said:

"We must try to assist the Long Island Rail Road, we must give our support to it. Without money, the LIRR cannot make the improvements that must be made."

"I think the money must come from the State," he asserted, adding that increased aid from both the State and Federal governments would be required to improve over-all mass transportation in the County.

Oyster Bay Town Supervisor Michael N. Petito, a Democrat, agreeing in principle with his

Republican colleague on the Nassau Board of Supervisors that transportation improvements must begin with the Long Island Rail Road, said:

"People on Long Island don't care to ride buses. They are not riding them because they don't want to ride them. Thus, we are left with the Long Island Rail Road. Thus, we get such outlandish ideas as STOL (short takeoff and landing aircraft) helicopters and monorails."

"Perhaps," he added, "somewhere in here lies the answer."

Both also and Petito, responding to invitations extended by the press association to members of the Nassau County Board of Supervisors, participated in an informal discussion of the immediate and long-range problems confronting Nassau County.

The session, described by Nassau County Press Association President Sheil Hoegl Noeth as "the first in a series of informal press conferences to be conducted by Nassau weekly

newspapers into the functions and responsibilities of the various levels of government," covered such topics as:

Improvements in snow removal; discussion of County Executive Nickerson's proposal to consolidate Town Highway Departments into the County system; the prospects for a five percent budget cutback in the Town of Hempstead, and the chances for passage in the State Legislature of a bill calling for the formation of Rockland, Westchester, Nassau and Suffolk Counties into a separate state.

On the matter of County Executive Nickerson's refusal to pay the LIRR some \$3-million the County reportedly owes the railroad, Caso took issue with Nickerson's position, saying that he would want to see the money paid "under protest" until such time as the courts decide on the constitutionality of the matter.

Caso added, however, that he would first demand from Dr. William Ronan, Metropolitan

Dear Friends:

You Are All Invited

Yes, that's right...you are all invited by Gov. Rockefeller to a Town Meeting scheduled for 10 a.m. on Friday, March 7th in the Georgian Room of the Garden City Hotel. This Town Meeting, which is scheduled to last about two hours is the twelfth so far throughout our State, and the first this year in Nassau County. The purpose of this meeting is for our Governor to present his program and budget to us and to elicit our opinions, whether they be praise or gripes. You will have the opportunity to ask your questions from the floor, or, envelopes will be provided for those of you who would like your questions answered in writing. Hope to see you there.

Sincerely,

SPORTS

By

Howard J. Finnegan

Hicksville High concluded the regular season basketball campaign with a 61-53 victory at MacArthur, Tuesday night.

Coupled with a seven point win over Clarke, Friday, the Comets ended with a 12 won and 6 lost on the campaign. Their league record was 8 wins and 4 defeats. It was good enough for a third place finish and a playoff berth in the County Tournament.

That Tournament will get underway this Friday night. The pairings and the sites will be made very late in the week and information as to who and where Hicksville will play will have to be obtained from the high school.

Tickets to playoff games will be sold at the school. Playoff games start promptly at 8:00 p.m. There is never a Junior Varsity contest.

Even in the final Hicksville demonstrated the same characteristics that marked it as a team when the season started three months ago. Certain factors kept it from establishing a truly

great record—three games were lost in overtime by a lone basket—and they are still evident as the Orange goes into the playoffs.

However the surge of center Don Massey has been a revealing force for Hicksville and for a team termed just a shade and a second from great things a scorching playoff series is possible.

He was the big man against MacArthur as he pulled down 23 rebounds and controlled the ball as the Generals tried to press Hicksville off the court.

Hicksville built a 19-13 quarter lead. In the second period Massey sunk 10 points and was aided by Joe Zukerman's 7. All this came about while Bob Rogers was riding the bench with three fouls. It held MacArthur off at the intermission 36-33.

The host team actually soared into the lead 41-37 before Rogers and Massey could regroup the Comets. Massey and Zukerman tossed in a total of four fouls but

MacArthur seized the lead, 44-42, at the period's end.

Rogers started the last period with a driving layup. The play that brought Hicksville alive was a Rich Doherty to Rogers to Zukerman quick downcourt relay that netted a basket and the lead. Zukerman was fouled on the shot and converted.

Massey, Rogers, Zukerman and again Massey, raided the Generals' nets and Hicksville was up 51-47 with three minutes remaining. Rogers and Bill Wiffen added a pair of fouls each and Hicksville was home free.

Seventeen year old Richard Kowalchuk produced the excitement promised in the 1969 North Shore Wrestling Championships.

He swept past five opponents to win the 156-pound championship and remained undefeated on the entire season.

He was joined in the distinguished championship circle by team mate Kenny Hirschfeld who won the 98-pound title.

Their efforts carried coach Steve Toman's young team to a fourth place finish in a large field of 28 schools.

The Hicksville total of 46 points was helped greatly by the fine third place finishes of Tony Defendis and Kirk Jergelevich. Tony went to the semi-finals in the 115-lb. division and Kirk advanced to that high point also on the 136 lb. class.

All four boys along with team mate Greg Reilly qualified for the Nassau County Championships which will be held this week-end.

At the Fall and Winter Sports Dinner of the University of Maryland, Ralph Sonntag of Hicksville was one of 44 varsity football players to receive a varsity letter for performance during the 1968 season.

Ralph is one of the most outstanding gridiron products to come out of Hicksville. While playing for coach Jim Grantham he won all league, all County and all Metropolitan honors.

He was a member of the starting team for Maryland for the second year in a row.

He is currently aiming at the NCAA College wrestling tournament. He is a heavyweight on the wrestling squad and has won eight of ten matches in 1969. Two of those were by pins.

Its on to the National Junior College Wrestling Championships, at Worthington, Minnesota, for Hicksville's Neil Duncan and his Keystone JC team.

Neil won his 13th straight match when he defeated Don Krobe of Wesley College, Penna., in the Junior College Regional Section 19 finals at Ocean County College in Toms River, New Jersey. He competed in the 137-pound division.

He won in a pin at 2:39 of the first period. All five of the Keystone finalists won their last match with pins.

The President of Keystone College, he attends all the school's athletic activities, was elated at Neil's and his teammates work. He hopes a T.V. sendoff on a Scranton, Pa., station will spur the boys in the Nationals.

A surprise for Neil was that his brother, Bruce, obtained a three day pass from the Army and was able to attend the Regional matches at Toms River. He joined his Mother and Father, Mr. and Mrs. Murray Duncan of East Street, to watch Neil annex the title.

Men In Service

Marine Private First Class Kevin Evers, son of Mr. and Mrs. Richard Evers of 24 South Elm Street, HICKSVILLE, has completed the Basic Relay Operator's School at Camp Pendleton, California. He is now attached to the Headquarters Company of the 27th Marine Regiment at Camp Pendleton where he is undergoing further communications training.

LETTERS TO THE EDITOR

Dear Mrs. Noeth:

For the past several weeks I have noticed the various local newspapers printing complaints registered from certain local residents attesting to the poor snow removal job done by the Towns of Oyster Bay and Hempstead.

I consider myself lucky and am proud of having been born in America and likewise proud and happy that I am a resident of Nassau County for over ten years.

I am not blind to the fact that sometimes things could have been better planned for and carried out, not only in America but locally also, by the same token I must state that by far our police, sanitation, and government is far more efficient and competent than any other in the world. I am especially proud and fond of Nassau County. Recalling past snow storms of years before and of this year while driving my automobile and that my first view of a plow at work at 3 AM was on the Northern State Parkway just over the Nassau County line. As a matter of fact I live on Acre Lane in Hicksville and during the severe snow storm two weeks ago I counted one snow plow passing my home about every two hours all during that Sunday night and Monday morning.

I suggest that some of our complainers take a car ride into Queens or Bronx County, and see what still remains - or still blocks the streets - more than two weeks after the snow.

I am not suggesting "Nassau County Right or Wrong" but how about being a little appreciative of what we have and of the men who dedicate and even risk their lives for us every hour of every day.

Respectfully submitted,
BERNARD KUSHNER

Gentlemen:

I know I speak for all the business students of Hicksville High School when I say thank you for that wonderful article about our business teacher, teacher, our business teacher, entitled, "Learning is Their Business".

We cannot show our gratitude enough for all the countless hours that they have put into helping us

in and after school. Since their rewards are few, we really appreciate the kind thought of writing about our great teachers at HHS.

Thank you again.

Sincerely,
A grateful student.

Dear Editor:

I enjoy your paper very much. It has everything I could want except for coverage of High School Girls Sports. Frequently you run photos of the Junior High but never a word is mentioned about the High School teams. You do a fine job on keeping up with the boys and we all appreciate that. But do you think that once in a while you could mention what's up with the girls too? There never has been much enthusiasm concerning girls sports but maybe the time has come for it to start. Your media may just be the one to do it.

We work very hard to achieve success in our playing whether it be Hockey, Volleyball, Basketball or any other sports played at Hicksville. We are proud to belong to such a fine Athletic Department and have kept up the tradition of winning; for this recognition is deserved.

If you have no one qualified to write on this subject, I would be more than happy to do it. I am actively involved in sports all year long and as a Senior, am not a newcomer to High School Sports.

I hope that something can come from this correspondence. I am anxiously awaiting your reply. Thank you,

Yours Truly,
Jenny Kirkpatrick

Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

GENERAL HOSPITAL for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

PSYCHIATRIC HOSPITAL for the mentally and emotionally ill, for the alcoholic and drug addictive. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

NURSING HOME for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

NOW... a new hospital of physical medicine and rehabilitation for extended illness.

CHRONIC CARE HOSPITAL staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

Jericho Community Joins UJA Drive

A poll on drug use in Jericho High School was taken recently by the JER-ECHO, the student-run newspaper. Such questions were asked as: "Have you ever smoked marijuana?" "How prevalent, do you think, is the use of marijuana by Jericho High Students?" Do you think marijuana should be legalized?" and "Have you ever bought, exchanged, or used marijuana or any form of stronger narcotics on the school grounds? (anytime, anywhere on the school grounds)." Responses were garnered from 760 students.

The results proved that 29 per cent of those polled have tried marijuana; 14 per cent of the students have tried marijuana more than once and 8 per cent use it regularly. A greater percentage of upperclassmen use marijuana than do sophomores. Curiosity was found to be the major motive for those who have smoked marijuana. The poll also indicated that 13 per cent have either bought, exchanged, or used marijuana or any form of stronger narcotics on the school grounds.

Mr. R. Manheimer, principal, said that no cases of marijuana use or sales on school grounds had ever been reported to him.

The Jericho basketball team started off last week with a stunning victory over Locust Valley. Phil Goldstein lead the scoring with almost a third of the total score, 24 to be exact. The win was not evident until the end of the third quarter when Jericho

This Saturday night, March 1, 1969, our Jericho Community will climax its 1969 United Jewish Appeal drive with a cocktail-Buffet-Dance. The affair will be held at the Jericho Jewish Center on Broadway in Jericho.

This is the ninth consecutive year that Jericho has joined the International UJA Drive. From its initial effort in 1959, when about \$3000 was raised our community has come all the way to a high of \$45,000 raised in 1968.

Each of the annual affairs have been enjoyable ones. Lots of food, liquor, music and dancing and just a few speakers. This year's charge of \$12 per couple, as in the past, is just barely enough to cover the cost of the affair. We hope that all of you have sent in your reservation cards that you received in the mail together with the invitations. For those of you who have either misplaced the reservation card or neglected to send it back, come on down Saturday night. You won't be sorry. Many of your friends and neighbors will be there and you'll

have a fine time.

Everyone of us can do our share. Many have contributed time and effort. Others have contributed liquor, food and services. But mostly the work of the UJA needs a little of our money to continue its life-saving efforts throughout the world. All of us could do more but each of us should do something.

This year Irving James is the chairman of the Jericho Drive. Irv has been involved in many organizational drives, affairs and functions and he hopes that Jericho will continue to show its willingness to help.

The committee, under Irv's supervision, will continue its efforts, even after the affair, to complete the drive. Almost everybody will have been contacted by now. We hope to see all of you at the affair, Saturday night, but either way, help us to help those that so sorely need our help.

Send your contribution to Irving James, 130 Bounty Lane, Jericho, New York.

On the left, Irving James, chairman of the 1969 United Jewish Appeal Drive, Jericho Division. On the right, the Honorable Ralph Diamond, Councilman of the Town of

Oyster Bay and a past chairman of the UJA Jericho Division. Both will attend the UJA affair, Saturday night, March 1, 1969 to be held at the Jericho Jewish Center.

Ten Pin Talk

Harry Dockswell

We've just completed our 5th week of the Second Half and this is the third time that the lead has been shared by two teams. No one team has yet stepped out to take charge.

This past Monday night the 200 gang clanged 23 times with 11 of them coming in the First game. Six men fashioned doubles and three teams scored shutouts. And strange as it seems none of the double men brought a shutout to their teams.

Big man of the night was Murray Gittelman (did you ever see Murray) who rapped a 233 and a 214 for a booming 637 series. His first one, the 233, was countered by Gerry Reichgott's 211 and the Gittelmans lost it to the Sam Springers. But Murray kept going and they won the next two games for an 8-3 victory. They needed those two games to stay in a tie for the lead. The 211 Gerry threw was his first good one all year. He's been having a very rough time with that bowling ball of his so maybe now the tide has changed for him.

Milt Hoffman's "7-11's" made a big move when they scored their second shutout in a row to move from 5th up into a tie for the lead. Last time out they clobbered the Sid Holtzmans and this time they whitewashed Bill Kellerman's "Gurus." In two weeks they went from 10th to 1st. That's travelling and in the right direction.

The Ralph Diamonds, in 3rd place and the Leo Geyers in 4th place had their own position night. Ralph acted like a real captain when he threw a 204 and a 206 but much to his chagrin his team wound up on the short end of a 7-4 score. They dropped to 5th and the Geyers remained in 4th. Larry Schwartz got the biggest hand of the night as he came in with his first good one of the year, a 203, to help the Geyers on the way to victory.

Sy Bruckner, who last time out cracked three 200's, is still in a bombing mood. This time he threw a 206 and a 215 for a 599 series and watched helplessly as his men suffered an 11-0 beating at the hands of Irv Simes' "Spoilers." Irv and teammate Lew Marks were the chief culprits as they tossed a 200 and a 202 respectively. The Bruckners, who started the evening tied for the lead, sunk to 6th place while the "Spoilers" went from 8th to 3rd. Lew has been firing that ball like crazy this Second Half. In 5 weeks he has thrown 4 good ones of them was a gigantic 256! whereas in the entire First Half he could only manage one.

Norm Ney with a 213 and 216, Hal Goldenberg with a 214 and a 228 and Monroe Hyman with a 200 and a 209 were the other doubles men.

The Sid Simons were the only other team to score a shutout as they whipped Herb Brody's "Black Panthers" and for individual honorable mention we have: Bernie Kaplan 220, Sy Shostack 214, Mike Hauptman and Lou Truchel each with 211, Irv Herskowitz 209, Red Karbel 209 and Sid Sachs (who's he? a 200).

1969 special New York State scholarship for children of veterans. These special awards are given to approximately 800 pupils and entitle students to \$450 annually for four or five years attendance at an approved New York State college.

Jericho salutes each of the scholarship winners and alternates for their success. The 46 winners and alternates represent approximately 17 per cent of the Jericho Senior Class of 1969, an accomplishment for which the District is proud.

John Stephen Robinson, Headmaster from Hertfordshire, England, visited Jericho on February 18 and 19.

The February 24th Book Talks, sponsored by the "Friends of the Jericho Library," will be postponed until March 3rd, 10 A.M. at the Chase Manhattan Bank, Jericho Turnpike, Syosset.

Jericho School News

Two new special-interest courses are being offered, as of Feb. 26, on a voluntary participation basis for Jericho Senior High students. The courses, "Human Values in the 20th Century" and "The New Left," will be presented on Wednesday evenings. The courses, designed jointly by administration, teaching staff and the Student Council, will be conducted by Jericho teachers, Howard Daman and Robert Stevens.

More than 100 students have elected to join these voluntary, cost-free seminars.

Howard Daman, Senior High English teacher and nationally known author of text books, will guide the 10 session "Human Values" course. The emphasis will be on the process of determining values, conflicting values, and changing values. These values will be examined from a multi-sided approach; such topics as prejudice and youth movements will be included in a range of subjects determined by the concerns of the participants. Daman has indicated that "values will be examined, not mandated" in the exploratory-type seminar.

Robert Stevens, Social Studies teacher with experience in the National Teacher Corps Program, will lead the 10 session classes on "The New Left," a journalistic phrase denoting various social changes. The discussions, geared to student interests, will include a study of individual and group philosophies and the ends and means desired in social change.

Both courses will consist of discussions, selected readings and individual or small group investigations. No assignment of papers will be made, nor will tests be given. No grades or credits will be granted for these special-interest studies which will increase the students' awareness of contemporary life.

COUNTY WELFARE SPEAKER

Mrs. Ruby Jackson, from the Nassau County Department of Welfare and a member of the N.A.A.C.P., will be the next speaker to appear at the Jericho Senior High School as part of the continuing forum to present various contemporary points of view as they relate to the curriculum.

Mrs. Jackson will address students from the Senior High Social Studies and Economics classes on Wednesday, March 5 at 3:30 p.m. in the Speech and Drama Room. Students interested in hearing her remarks on "Welfare" may attend the after-school forum on a voluntary basis. A question and answer period will follow Mrs. Jackson's comments; at this time students and teachers will be able to gain additional information and to compare Mrs. Jackson's views with those of other invited speakers.

REGENTS SCHOLARSHIPS

The New York State Education Department has announced that the following 31 Jericho High School students have won Regents College Scholarships: Robert Abuhoff, Wendy

Jericho is able to beat Wheatley High School this week. Jericho will be tied for third place with Manhasset and Wheatley.

The Varsity Swimming team won their first league meet by outswimming Uniondale 49-47. Although this was the team's first league win, they have won two non-league meets.

Baschkopf, Eugene Bogart, Alan Bunin, Lorraine Feldman, Isabelle Flaherty, Elyse Foster, Lawrence Friedman, Ira Goldman, Edward Green, Frances Gustman, Steven Herrick, Eric Hundert, David Kass, Nadine Klein, Kenneth Kopelman, Lawrence Levinson, Eric Mendelson, Neil Minikes, Harvey Morrison, Dean Nataro, Barbara Penn, Richard Reisman, Robert Romanoff, Gail Silverstein, Mark Silver, Robert Spielman, Scott Storm, Sherwin Straus, Mark Thierman and Andrew Vantosh.

The holder of each of the Regents Scholarships will be entitled to an annual award of \$250 to \$1000, depending upon family income, for each of four years while in attendance at any approved college in the State of New York. In addition, scholarship holders may be eligible to receive scholar incentive awards of \$100 to \$500, depending upon the cost of tuition at the college and family income.

In the event that a scholarship winner declines the award or is unable to accept the award, the scholarship is then offered to the highest ranking alternate in the county.

Fifteen alternates have also been selected from among the 175,000 high school seniors who took the Regents Scholarship and College Qualification Test. Jericho's alternates are: Gail Abbott, Maureen Byrnes, Dennis Cashton, Cynthia Chazotte, David Coburn, Samuel Feldshon, Steven Hahn, Ira Lerner, Jack Lubner, Scott Meyer, Kenneth Schechter, Bruce Shulman, Jeff Steinberg, Hunter Tashman and Kirby Wohlender.

In addition to being a Regents scholarship winner, Alan Bunin has also been named to receive a

Tribute To A Friend

Mrs. Ruth Daly, a girls' gym and health education teacher in the Hicksville High School, retired last July after 37 years of service with the Hicksville Public Schools. Mrs. Daly was well-known to all the graduates of Hicksville Senior High School in those years, since she always accompanied the Senior Class on its annual trip to Washington. For many years she also directed the Annual Variety Show.

Equally recognized by generations of faculty members and students was Mrs. Daly's dedication and concern for the health and personal growth of her pupils. For her, good health involved the whole person always, physically, mentally, and emotionally, and this was not a matter to be divided into parts to be considered isolated from one another. She made each student feel that he counted and was appreciated and at the same time constantly encouraged him to keep his standards high. She set the example herself for the positive attitudes and good manners that she believed in for him.

Her concern for good health extended to the community or perhaps might be called a natural part of it. She taught First Aid classes during the Second World War, and was and still is active in the American Cancer Society. She is also still a frequent speaker to school, church and parent groups on health.

Mrs. Daly helped organize the Hicksville Classroom Teachers Association and was its president from 1950 to 1951. After attending a meeting of the House of Delegates of the New York State Teachers Association as one of the two first delegates, she came back full of enthusiasm for a local association. This was successfully begun and independently organized and run in spite of administration opposition.

Mrs. Daly has brought fame and honor to the teaching profession in Hicksville.

Library Notes

Few people are aware of the extent and variety of business material and information available to them in the Hicksville Public Library. This library, for instance, has a large circulating collection of books on all aspects of business, including accounting, budgeting, personnel management, marketing and so forth. There are also numerous works on various types of business, from discussions of giant enterprises, such as banking, insurance and public utilities, to material on how to establish and operate a small retail business. These are designed to answer the questions of business men, students, employees, investors and even consumers.

The library has, in addition to the above collection, a large number of directories, including THOMAS' REGISTER OF AMERICAN MANUFACTURERS, POOR'S REGISTER OF DIRECTORS and regional directories for all cities in the U.S. with a population of 1,000,000 or more. These will be found in the reference section.

The reference department also has marketing and statistical information, including the ECONOMIC ALMANAC, EDITOR AND PUBLISHER'S MARKET GUIDE, THE FEDERAL RESERVE BULLETIN, THE RAND McNALLY COMMERCIAL ATLAS, THE CENSUS OF BUSINESS and THE CENSUS OF MANUFACTURES and other publications of the U. S. Census Bureau, to name a few.

For those interested in securities and investment information, the library has the Moody's Manuals and also subscribes to various financial periodicals including the WALL STREET JOURNAL, FORBES, BARRON'S, BUSINESS WEEK, NATION'S BUSINESS, and the HARVARD BUSINESS REVIEW.

PRENTICE HALL'S FEDERAL TAX GUIDE and NEW YORK TAXES are examples of reference aids available to accountants and businessmen for the solution of tax problems. These are supplemented by various publications of the U. S. Internal Revenue Service and the New York Department of Commerce.

The library's pamphlet file also contains much useful material on the above subjects, most of which is available for home use. If you haven't already used the business collection of the library, come in and familiarize yourself with it, and discover how it can be of use to you.

Mr. Robert Zaleski, and Mr. Robert Sklarz, social studies teachers at Hicksville Senior High School, look over part of the huge collection of American history memorabilia that they have gathered. This material has been displayed in the window at the main entrance of the high school to celebrate February as "American History Month."

Ramblin' Rose

by Rosemary Walsh

You know as I ramble round the district, viewing our Recreation Program and visiting with our community groups, it dawns on little ole me that there are many unsung heroes and heroines about—firstly, all those dedicated people who voluntarily give of their time to support these programs; secondly, the custodial staff from painters, carpenters, plumbers, groundsmen and general maintenance staff that keep these buildings ready for use some 16 hours per day. (Remember our school buildings are the only source for such use.) There's no question that without our dedicated teaching staff, administrators, and the children themselves, we'd have no schools—but these other people are set way in the backdrop of the scene, go almost unnoticed. The many clerical gals, secretaries (not the least of which is our own Jean (Mrs. Sawyer), who man the phones, deal with the public, and here at the Administration Building, along with the able assistance of Jim Moakley and his staff, turn out reams and reams of pertinent material. (Would you believe a printing company.) Long ago as an unknowing parent I thought the school day commenced with classes and closed with dismissal, how foolish I was. I know as I write I am omitting some one unintentionally. Oh yes, our school nurses, the business offices, the cafeteria people, the lay help—just how could we function, where would our marvelous adults of the future be without all of them.

Enough seriousness, now, for old Mother Rec—but even I must

open up now and then (my husband, Jim, would question if I ever stop).

Jerry Zettler, dear old ex Board President, dropped by to notify us of a wonderful event taking place at the Canticque Ice Rink this weekend. It is sponsored by their Figure Skating Club and the New York State Regional Council of Figure Skaters. It is a first—the Annual Nassau County Figure Skating Championship on Saturday,

March 1 and Sunday, March 2 at 7 P.M. Sounds exciting—everyone is welcome and admission is free. They will have National Singles and Pairs featured and Ken Lebel, the World Champion Barrel Jumper. Yours truly hopes to catch the Sunday events, but on Saturday and early Sunday I shall be ski ramblin' again with our Senior High School students. This time I shall be attempting bottoms up. Bye now, Ski ya soon—

PBC Will Now Include Girls

The Hicksville Unit Ladies Auxiliary of the Police Boys Club, Inc. would like to announce that we are now accepting Girls into the Police Boys Club.

We are holding a General Registration of all Girls ages 8 through 18 inclusive on March 11, at 8:00 p.m. at the P.B.C. Clubhouse, 85 Bethpage Road, Hicksville, N.Y. Any Girls who wish to join the club, may register on this date.

L.I.A. Calls For Action On Bridge

JERICHO—The Long Island Association of Commerce & Industry today called for action on a bridge crossing L.I. Sound between mid-Suffolk and Connecticut.

William J. Casey, president of the 1,000-member regional chamber of commerce, said that the prospect of lengthy litigation stalling and perhaps ruling out construction of a bridge between Oyster Bay Town and Westchester County, combined with the urgent need for linking 6-million-population Connecticut and 2.5-million-population Nassau-Suffolk in a community of economic interest, has produced a "climate of urgency."

The Association has endorsed construction of both L.I. Sound

spans, but favors construction of an easterly bridge in Suffolk County first. This policy was reiterated on January 24 by the chamber's executive committee.

Casey said, "Long Island can no longer afford to delay and fumble a coherent approach to Long Island's transportation problems. Even if the Oyster Bay Bridge goes forward, it offers no fundamental solution to the prime economic need to connect Long Island's rapidly growing Suffolk County with New England industrial centers. Therefore, an Oyster Bay Bridge must not be permitted to preempt the financing capability of a Suffolk Bridge. If Oyster Bay goes forward, a Suffolk Bridge should be undertaken in the same time span."

Figure Skating

Over 100 of the top skaters in the northeast will participate in the First Annual Nassau County Figure Skating Championships to be held at the Cantigue Park indoor artificial ice rink on Saturday and Sunday evenings, March 1 and 2, Public Works Commissioner Herbert J. Simms announced today.

Special highlights on March 1 will be a demonstration of barrel jumping performed by Ken Lebel, three-time World Champion and holder of many National Speed Skating titles, and a figure skating exhibition by Louise Vacca of Lindenhurst, 1969 National Junior Ladies Champion. The competitions are sanctioned by the United States Figure Skating Association and sponsored by the Cantigue Figure Skating Club in cooperation with the New York Council of Figure Skating Clubs.

No admission fee will be charged. The starting time for both evenings is 7 P.M.

Cantigue County Park is located off West John Street in Hicksville.

GIRL SCOUTS 57th ANNIVERSARY HONORED IN OYSTER BAY: The week of March 24th - 31st will be honored as Girl Scout Week in Oyster Bay Township commemorating the 57th anniversary of scouting in the U.S.A. Pictured in Town Hall ceremony proclaiming the occasion are, left to right, Mrs. James Karcher, President of the Mid Island Girl Scout Council, Brownie scout Pamela Whitman, Town Supervisor Michael Petito and Senior Scout Penny Anderson.

Commissioner Herbert J. Simms. The contest, which will be held between March 1 and April 27, is open to all Nassau youngsters between the ages of 7 and 18.

Poems may be on any subject and in any format or length. Contestants may submit more than one entry. Judging will be based on content, literary ability and presentation of theme. Entries should be printed or typed on 8x10 inch paper and signed by the contestant. Applications are now available at the Park and must be returned by April 27.

First, second and third place awards will be presented in four age groups - 7 to 9, 10 to 12, 13 to 15, and 16 to 18 - on Sunday, May 11, at 2 P.M. at the Park. Morley Park is located off Seagrass Road north of the Long Island Expressway in the Roslyn-North Hills area.

On February 21 and 22nd, these young musicians from Hicksville Junior High School participated in the annual Nassau Music Educator's Association Festival held at Freeport High School. From left to right are (top row) Susan

Smith, Jeffrey Rizzo, John Taylor. (Bottom Row) Robin Dwyer, Arlene Travis, Lori Morrison. They were selected because of their ability and proficiency as instrumentalists. All are members of the Junior High School A Band.

Airman First Class Matthew F. Vacante, son of Mr. and Mrs. Matthew Vacante, 500 Dawson Lane, JERICHO, is on duty at Nakhon Phanom Royal Thai AFB, Thailand.

Airman Vacante, an aircraft mechanic, is a member of the Pacific Air Forces. Before his arrival in Thailand, he was assigned at Pope AFB, N.C.

The airman attended John F. Kennedy High School in PLAINVIEW.

Transportation Authority president, that the money thus paid would be used for improvements - and not as partial repayment to the State of its \$8-million loan to the carrier.

Both Caso and Petito, discussing the recent storm, agreed on the need for major improvements in snow removal operations.

Pointing out that "we haven't had a snowstorm such as this since 1947," Caso said: "We must rely on weather advisories, and this time the advisories were wrong."

Caso, who is currently conducting an investigation into the entire matter of snow removal during this month's storm, indicated he would favor consideration of ordinances calling for the removal of parked and abandoned vehicles during such emergencies.

Petito, asserting that removal of the anticipated four to six inches of snow would have presented no problem, said:

"We are not equipped to handle the amount of snow that did fall, but we are working toward a solution of that problem."

Both supervisors agreed to disagree with County Executive Nickerson's proposal to consolidate Town Highway Departments into the County system, with Caso describing the

plan as a call for "a massive bureaucracy in the highway systems."

In response to a question regarding the proposed Oyster Bay to Rye bridge, Petito said that while such a bridge would certainly affect the entire Town of Oyster Bay, it was not solely a North Shore issue.

"Tied in with the bridge concept," he said, "is an arterial highway - the Atlantic Expressway - which would affect the South Shore, too."

"It makes more sense," he declared, "to place the bridge in Port Jefferson."

Both Supervisors agreed that a bill pre-filed in Albany, calling for the consolidation of Rockland, Westchester, Nassau and Suffolk Counties into a separate state would never get out of committee. "We haven't taken it seriously," Petito said.

In regard to taxes, Caso said he would be meeting this week with his department heads, asking for a five-percent reduction in the budget. He added his belief that more taxes paid to the State and Federal governments should be returned to the counties.

Caso expressed agreement with several of the publishers that there is a need for more light manufacturing in the County to carry more of the tax burden.
