Herald Report of School Board Dist. 17 Hicksville

By Shirley Smith

At the monthly business meeting of the Hicksville School District 17 Board of Education a contract for flooring work to be done in the temporary classrooms at Woodland Avenue, Burns Avenue, Dutch Lane and the Junior High School was awarded to Farley Lab Installation and Company of Babylon, in the amount of \$53,050. This money is in the 1968-69 budget. State approval on the plans for renovation of the science rooms in the Junior and Senior High has been received and the district will now be eligible for state aid on the aid ratio of 56 percent.

Mr. Bill Dean, President of the Hicksville Federation of Teachers, presented petitions signed by 158 Junior High School teachers protesting the physical conditions of the building and the possible cut in instructional staff. The teachers feel any cut would not be in the best interests of the children of Hicksville and their education.

The Board read and discussed letters from citizens and taxpayers of Hicksville. Among these were those from parents requesting transportation for their handicapped children to a

summer camp sponsored by the Town of Oyster Bay Recreation Department. Mr. Harold Sternberger, Board trustee, is working on this problem with Nassau County and Town of Oyster Bay officials and will report at a later date. Mrs. Jeannie Waldenmayer, President of the Junior High School P.T.A. requested that something be done about the cafeteria facilities at the Junior High. There is \$100,000 in Code 600 of the 1969-70 proposed budget which could be used to acquire temporary classrooms to alleviate the over-crowded conditions of the Junior High cafeteria and guidance rooms in the Junior and Senior High. The administration office is investigating the possibility and the Board will decide after receiving Administration's report. The Holy Family School Board would like to be placed on the district's mailing list so they may receive more information and be kept apprised of actions the Hicksville School Board is taking. Mr. Neil McCormack, Board President, directed that copies of the Community Relations Advisory Committee newsletter, Community Education News, be sent

(Continued on Page 12)

Important Notice!

Young adults who are concerned about the recent public library budget defeats will meet at the library on Monday evening March 31st at 8 p.m. The discussion will center around the library budget and the coming budget referendum. Plans for assisting in this campaign will be formulated. All young adults are invited to participate. Remember the date March 31st at the Hicksville Public Library, 169 Jerusalem Avenue.

CONGREGATION SHAAREI ZEDEK celebrated its Golden Anniversary at a Dinner at its Temple on March 22nd. In conjunction with the celebration, three men of the Community were honored and presented with plaques, namely Martin Ginsberg, Malcolm E. Pierce and William E. Koutensky.

Pictured left to right: Malcolm E. Pierce; Bernard Bock; William E. Koutensky; Joseph Steuer; Martin Ginsberg; Rabbi Eli D. Skaisit. (Photo by Charbonnet).

HONORED Hicksville Republican Executive Leader Francis P. Anderson (L) receives plaque as a memento of his eight years of service as area leader. Honoring Anderson upon his retirement

are Town GOP Chairman Angelo D. Roncallo (centre) and Town Supervisor candidate John W. Burke (r.)

Tobay GOP Fetes Anderson

Francis P. Anderson was honored by 1200 guests at the Oyster Bay Town Republican Dinner held last Thursday at the Garden City Hotel following his announcement that he was retiring as Hicksville GOP Executive Leader.

Anderson, Hicksville leader for eight years, was presented with a plaque honoring him for "dedicated service" to the party in his 25 years as a

committeeman, as well as his term as Executive Leader. The plaque was presented by Nassau County's "Mr. Republican", former County Executive and past County GOP Chairman A. Holly Patterson. Anderson was praised by Town Chairman Angelo D. Roncallo as "a great and dedicated Republican."

Anderson, a 30-year resident of Hicksville, said he was stepping down

because of increased duties at the Franklin National Bank, where he is a vice-president, and because his doctor told him to "stop burning the candle at both ends." He told the huge crowd that he was "not stepping out of politics, but just easing up a bit," and said he would continue as a committeeman and a member of the State Republican Committee, a post he has held since January.

Board of Ed. Community Concert To Meet Mon. Set For March 30

With the objective in mind of completing the budget, a meeting of the Board of Education has been called for Monday, March 31 from 8 P. M. to 11 P. M. in the Cafeteria at the Senior H. S.

A concert by the Community Orchestra under the direction of Charles Gouse, will be held at Hicksville Senior High School on Sunday Afternoon, March 30, at 3:00 p.m. Admission is Free.

The program will include: Beethoven's Overture to Egmont; Mozart's Symphony No. 41 in C, "Jupiter"; Sigmund's Summer Night and Bartok's Three Village Scenes.

Soloists in the Bartok work will be: Mezzo Sopranos Sue Heller and Ferné Beyer and Contraltos Shirley Golub and Claire Sigmund.

The soloists have been coached by Miss Harriet Spink of Hicksville.

"Happening" At OLM

March 19, 1969. The world "happening" has come to mean many things to many people. For the parishioners of OLM parish in Hicksville, the "happening" in the School Auditorium on South Oyster Bay Road on Wednesday, April 2nd, 8-10 p.m. will mean the introduction of Our Lady of Mercy's new approach to religious education for all ages, pre-school through adulthood.

A coordinated program in the Elementary, High School and Adult Schools of Religion will be offered for the first time in a combined effort by all three schools of religious instruction, according to Rev. Godfrey H. Slanuch, Moderator.

The "happening" is a follow-up to the plea to the laity by OLM Pastor, Rev. Louis J. Schwebius, that they answer the challenge of Vatican II to assume a greater role in the spiritual formation and education of all parishioners.

Nautical Cadets

Applicants for the Hicksville Police Boys Club Nautical Cadet Corp will be accepted any Friday evening at 7 P.M. at the Hicksville Junior High School. The cadets are open to all boys ages 10 thru 17 from Hicksville and surrounding communities. There are no registration fees and no dues. A parent or guardian must accompany applicant when applying.

L.L. To Meet

The Hicksville International Little League will hold a general meeting on Monday, March 31, at 8:15 p.m. in Room 102 at the Hicksville Senior High School.

Opening Day Ceremonies will be held on April 26, and there are many items concerning Opening Day to be discussed at this meeting," said a spokesman for the League.

Dividends

William E. Koutensky, President of Long Island National Bank, announces the payment of a 2½ percent stock dividend and a fifteen cents per share cash dividend, payable April 1, 1969.

A.L. Auxiliary

The next meeting of the AMERICAN LEGION AUXILIARY POST 421 will be on April 11, at 7:30 p.m.

It will be held at the Androns Restaurant at 1040 Old Country Road, Plainview at the Manetto Hill Shopping Center. All members and juniors are invited to attend.

Dear Theatregoer:

Our Jones Beach Theatre production of Rodgers and Hammerstein's "South Pacific" this past season was an unprecedented success. The critics acclaimed: "The Perfect Show in the Perfect Setting!" The many theatre parties were all successful and happy.

It gives me pleasure, therefore, to announce that we have concluded arrangements to bring back "South Pacific" for the summer season. For those who would like to plan ahead for theatre parties, contact Gloria Perry at 12 East Sunrise Highway, Freeport, L.I. or call (516) FR 8-2070. For group dining rates at the theatre call 516-SU 5-2420.

Sincerely,

Ray Lomardo

P.S. I will play for free dancing at the Schaefer Dance Tent nightly after the show. The Royal Canadians and I look forward to seeing you then!

Lilco News

Four Long Island Lighting Company employees are attending class in a paper and cardboard room near Albany as part of a unique training program designed to help assure greater electric service reliability to homes and businesses throughout New York State.

The four LILCO men are participating in a one year course being held by the New York Power Pool to prepare for the opening of one of the most vital energy control centers in the United States. A paper and cardboard mock-up of the energy center's control room was constructed to help train the 35 man Power Pool staff for the operation of the facility.

A project of LILCO and the seven other members of the New York Power Pool, the new center is being built in the tiny village of Guilderland, just outside of Albany. When it begins operations this Fall, it will monitor and coordinate the flow of energy from the eight major New York power producers who serve 98 percent of all electric customers in the State.

Closely resembling instruments and equipment contained in an actual control room, the training imitation is being used to realistically simulate operating conditions that will be met in monitoring state-wide power needs. A total of 15 men, including the four from LILCO, were recruited from the Pool's member companies to receive training as the center's energy dispatchers. Together, the 15 have over 125 years of utility operating experience.

The four LILCO personnel participating in the control center training program are: Arthur P. Young, Jr. of Amityville, Albert J. Hoffman from Baldwin, Walter L. Ketcham, of Commack, and Dominic M. Delaney of East Setauket.

The New York Power Pool was established in 1966 by LILCO and the other member companies to improve coordination of inter-company operations and help provide more reliable and economic service to customers. When the \$3 million Control Center becomes operational, its monitoring systems will record and analyze information from over 375 spots within member company systems and from power lines with other regions. Computers capable of scanning this data every few seconds will provide a running picture of electric conditions within the State and enable more rapid and efficient responses to changing power situations. The individual Pool companies will continue to maintain control of power conditions within their own systems.

Dear Friends:

Welcome To A New Columnist

Shirley Smith of Hicksville, well known to many of you as chairman of School District 17 Community Relations Advisory Committee, will be bringing you a new column, "HERALD REPORT OF SCHOOL DISTRICT 17". Shirley's columns will be factual reports of what goes on at our School Board Meetings. We hope that this will encourage more of you to attend... and, if this is impossible, you will at least be informed as to some of the decisions of our hard-working Board.

Speaking of Our Schools

If we are to believe the reports in the two dailies covering this area, teaching and clerical positions are to be cut... they are to be reinstated... they are not to be reinstated... each has startling but conflicting headlines, with little bearing on the truth... but it sells - daily newspapers, I suppose! However, that is another reason why we feel that Shirley Smith's column will be a real community service for all District 17 residents.

The Budget Itself

At this point, our budget and our proposed tax rate, fluctuates from day to day, as our Board of Education and Administration works out each code number at their meetings. The tax rate is also dependent upon whether or not our State government is prevailed upon to restore the proposed 5 per cent cut advocated by Gov. Rockefeller. We feel that this cut will be restored. But as yet this is not official. Mr. Donald Abt, our Superintendent of Schools spoke before our PTA Council last night on the budget. For your information he has graciously consented to let us print his remarks and you will find them on page 4.

Here And There

As we go to press we hear that on April 1st the Hicksville C of C will elect new officers... by the way, they have a really super dance scheduled for May 9th, so put it on your calendar, more on this later... also, we hear that our Telephone Company is asking for a 10 per cent rise in rates... that Mrs. Evelyn B. Rycek of the Roslyn Savings Bank has been elected the first woman president of the Nassau-Suffolk Group of the NY State State Deposit Association, that Mr. William C. Ruckh is a new vice-president of Roslyn Savings Bank and that State Supreme Court Justice Steven Derronian has resigned from this Bank's Board because he is not permitted to serve as trustee of a banking institution. That's all for this week.

Cordially,
Sheila

Hicksville School Budget

The original budget presented to the board by administration reflected an increase of \$622,000 indicating, before negotiations, a tax increase of 62¢ per \$100. Present status of the budget as a result of additions and deletions shows an increase of \$600,000 or a tax increase of 60¢ per \$100, again before negotiations. It is anticipated that the board will make additional cuts.

Now's the

Ramblin' Rose

By Rosemary Walsh

The snow piles in the parking lots have been mercifully melted by the early spring downpours. Suddenly, daffodils appear on sale at roadside stands. We open the car windows, put down the tops of the convertibles and turn off the heaters for brief periods. Crowds fill the parking lots at Jones Beach on Sunday afternoons. Kids are trying out their skates and kites. Little Leagues test the condition of the turf. Coat linings are zipped out and courageously given back row closet space. The sun sets later

while the birds chirp and dogs bark earlier. Spring is out there somewhere. It's not all final-frost will form at night and some rains may show a white flake—but it's on the way and cannot be halted. The warmth, the tulips, the forsythia, the green patches on the lawn, the Easter finery, the proms, graduations, the boat preparations, the open doors and the screens are all inevitable.

And so it is at the Recreation

Office. Basketball leagues from the P.B.C., C.Y.O., and the many small groups are closing down after their final play. Our hockey team, "The North Stars," will have played their championship game against the Chamaine Flyers. The ski trips are finished for the year. The indoor recreation centers have given way to outdoor activities and preparations are hopefully being made for the coming seasons.

All of this means the annual

budget scene begins. We have already trudged out to the Board of Education Meetings on several evenings. The needs for these happenings are accepted as valid parts of our democratic process, but one cannot help a mild repulsion for the grating exchanges that must take place as part of that action. It is our fondest wish that this season of discontent will be shortened this year and that acceptable solutions will be found in time to

save most of the pleasure of these warm, leisurely months. Yours truly can't fathom how all the good things that happen to and for our community through the entire year can all be forgotten at such a lovely time. Speaking of all these beautiful things—please be reminded once again of our magnificent concert this Sunday at 3 P.M. in the High School Auditorium. With these thoughts of Beethoven, birds and budgets I shall ramble off—

Salesmen Honored

Eight salesmen from Bob-Ken-Ford Inc., 217 Bethpage Road, Hicksville, were honored for outstanding sales performance during 1968 at a Ford 300-500 Club program on March 23, at the Concord Hotel, Kiamasha Lake, New York.

S. J. Obringer, Ford Division's New York District sales manager, said a select number of Ford dealership salesmen were presented a club membership award for "excellent retail sales performance."

The 300-50 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country.

Mr. Obringer said the average 300-500 Club member sold nearly \$500,000 worth of automotive merchandise in 1968 to qualify for the national honor.

Local Ford retail salesmen qualifying for 300-50 are: Michael Schuto, Robert Dales, Basil Calomiris, William Bransfield, Peter Elardo, Jerry Carna, Irwin Rothleder, Larry Shiebler.

MRS. BARBARA CUNNINGHAM, chairman of Girls Physical Education Dept. at Hicksville Junior High School was honored for twenty five years of service in the Hicksville school district on March 14th at the Golden Meadowbrook Restaurant.

Mrs. Cunningham began her career in Hicksville when the district had only three buildings—Nicholas St., East Street and the original junior-senior high school. Her day was spent traveling to meet with the girls in all three schools.

Congratulations, Mrs. C. on your 25 years of outstanding service.

Card Party

The Catholic Daughters of America, Court Queen of Angels No. 869, will hold the Tenth Annual Madeline McGunnigle Scholarship Fund Card Party on Wednesday, April 9, 8:15 p.m., at the Old Country Manor, 244 Old Country Rd., Hicksville.

Prizes, Refreshments, Tickets \$1.50 available at the door or call Joan Bickard, WE 5-4610, or Jean Solaski WE 1-5453.

MARTIN BURWASSER: President of Hicksville Jewish Center. Hicksville, New York, receives presentation from Dr. Louis Finkelstein (left) Chancellor of The Jewish Theological Seminary of America and Dr. Bernard Mandelbaum, Seminary President in tribute to his "devoted leadership to his synagogue and dedicated service in behalf of the American Jewish community." Presentation was made at the Synagogue Presidents Day at the Seminary in which nearly 300 congregation leaders from widely-scattered sectors of the nation assembled to hear Seminary leaders discuss its many far-reaching educational programs. Most of the presidents at the day-long event were leaders of congregations affiliated with the Seminary's National Enrollment Plan, in which congregation members contribute to maintain and expand the Seminary's services and programs. Highlighting the "Day" were the remarks of Judge Simon H. Rifkind, chairman of the Seminary's Executive Committee, on ferment among the nation's youth and the role that Judaism and the Seminary play in providing a faith relevant for today's troubled times.

The Financial Dilemma Of Our Board of Education

An Address Given To The PTA Council
By Supt. of Schools Donald Ahl

In order that we may put everything that is happening now in perspective I would like to recap the problems that are and have been confronting your board of Education. The proposed budget submitted to the Board of Education showed an increase of \$622,000. This increase was reflected in the following ways:

Function 00 - Board of Education - was up \$10,898. The increase was basically due to increased monies for conferences of board members, increased tax collection monies for the Town of Oyster Bay and Nassau County, and primarily an increase in district meetings. One additional meeting was added.

Function 100 - Central Administration - was up \$10,164 due to putting back in the budget in Function 160 the sum of \$10,000 for school - community relations purposes. (Budget Brochures, Bulletin Boards, School Calendar, etc.)

Function 200 - Instruction Regular Day School - showed an increase of \$342,086. This increase was due to an additional 200 children attending BOCES for vocational education at an additional cost of \$260,000. The remaining \$82,000 of the \$342,000 increase was the result of normal progression on salary schedules less increased demands for supplies, equipment, etc.

Function 300 - Instruction Special Schools (Summer Element-ART, Summer High School, Adult Education) - reflected an increase of \$27,520. This increase was primarily due to the return to the summer high school of driver education.

Function 400 - Recreation - Showed an increase of \$26,617. This was due to the return of the summer recreation program to our school district. It will be recalled that last year we did not have one because of the austerity provisions.

Function 500 - Transportation - was up \$15,744. This increase is primarily due to transporting an additional 200 students to the BOCES educational program.

Function 600 - Operation and Maintenance of Plant - was up \$106,869. This increase was mandated by the increased demands for maintaining our buildings properly.

Function 700 - Unallocated Expenses - had a net increase of \$82,676. This increase was caused by rental charges for BOCES of \$55,000. In addition, since our vocational printing shop will be turned over to BOCES, we will have to have our printing done on the outside for an increase of approximately \$9700. Finally, this function is up in increased costs for insurance in order that we may protect ourselves for replacement values.

Neither Function 800 which is Debt Service, or Function 900 Transfer of Funds - has increased. In addition to the increase of \$622,574, it was evident at the time that we might have an increased cost this year from April 1 to June 30 reflected in a loss of state aid as a result of the Governor's proposed 5% cut. This would mean that at the end of the year we would have \$200,000 less on hand. At the time it also appeared that we were going to lose an additional \$355,000 in the next

school year, July 1969 to June 1970.

Finally, we knew that with the declining population we were going to receive less basic aid next year and that we were going to have less cash on hand. To gather these last two items total \$275,000.

Now, if we had a proposed budget increase of \$622,000, \$200,000 loss of aid this year, \$355,000 loss of aid next year, and \$275,000, the sum total is \$1,452,000. Since our tax rate is effective 10c per \$100 of assessed valuation for every \$100,000 increase in our budget, this would mean we were confronted with an approximate tax increase of \$1.45. IT IS TO BE NOTED THAT THIS IS PRIOR TO ANY NEGOTIATIONS FOR CHANGE IN CONTRACT WITH ALL THE DISTRICT'S PROFESSIONAL AND NON-PROFESSIONAL PERSONNEL.

Subsequent to this understanding, 1) The Governor made it clear that the 5% cut for this year would not be established for our finances indicated that we would not be short \$275,000 at the end of this year. At this time, however, it is not clear as to whether or not we will suffer a loss in our next fiscal year as a result of state action (the \$355,000) This would mean that we are still confronted with an increase in budget of \$622,000

and a possible loss of aid next year of \$355,000. This is a total increase of \$977,000 of a tax increase of 97c.

As time progressed, we received notification from BOCES that there would be a probable increase in tuition costs for all of our students next year. This meant that we would have to add to our budget \$245,000 additional money. In addition, the requests for sabbatical leave and for horizontal movement on salary schedules indicated that we had to add another \$200,000

"I" To Join P.T.A.

In Closing Generation Gap

After years of working for students, the Jericho P.T.A. is now working with students in establishing a parent-teacher-student association.

Mrs. Mary Caputo, President of the Jericho P.T.A. Council, has indicated that "involving students meaningfully in the activities of our P.T.A. will give them an opportunity to make a significant contribution to school and community and will consequently broaden their scope. Their participation will, hopefully, bring us closer together."

A special joint committee of P.T.A. and Jericho High School Student Council members developed a Roundtable Meeting which was held on March 18. School administrators, Department Chairmen, teachers, students and P.T.A. members participated in the discussions of "Establishment of a Better Communication and Understanding between Adults and Students" and "Possible Student Involvement in a P.T.S.A." It is hoped that an outgrowth of the Roundtable will be a concerted formulation of plans and projects of mutual interest to parents, teachers and students.

Jericho Rates First

The New York State Education Department released district-by-district results of the standardized tests administered to all New York State students in grades 1, 3 and 6 in the fall of 1967. The test results, in the areas of arithmetic and reading reported the percentage of pupils in each of the three grades in Nassau County who fall below State

established minimum competency levels in the subjects.

The Jericho Public Schools had the lowest percentage below minimum competency of all Nassau districts, in the figures released by the State.

New York State standardized tests are but one of the objective measurements used to evaluate the performance of our students and other students throughout the State.

The results cited by the Education Department tend to confirm the generally high performance level of Jericho students by defining the small percentage below State minimums.

Bus Transportation

Parents desiring bus transportation for students attending non-public schools are required by law to file a written application for such service prior to April 1st preceding the school year for which transportation is requested. Applications should be addressed to Transportation Department, Jericho Public Schools, Jericho, L.I., N.Y. 11753.

Study Centers Reopen

The Elementary after-school Study Center Program began Monday, March 17 at each of the four elementary schools. Made possible by an ESEA Title I federal grant, the Study Centers began in March of 1967. Since then, over 900 pupils have received after-school assistance from Jericho teachers.

The following services will be available to all resident elementary school students in each elementary school:

SCHOOL LIBRARY will be open for research, reports or leisure reading. A teacher will supervise and will assist students in the Language Arts.

MATH HELP will be provided in a separate classroom.

Study Centers will be open MONDAYS through THURSDAYS from 3:30 to 5:00 p.m.

Students must come prepared to study, bringing with them all books, materials and assignments in order for the teacher to effectively provide assistance.

Study Centers will operate for a ten week period, under the supervision of Robert Perna, Administrative Assistant to the Superintendent.

Jericho at Music Festival

Seven of Jericho's outstanding young musicians participated in the 1969 Junior High School Festival Concert, held at Freeport High School on February 22. Sponsored by the Nassau Music Educators Association, the program included challenging works by Schubert, Tchaikowsky, Shostakovich and Bernstein.

Jericho's representatives at the All-Nassau Band and Orchestra concert were Ellen Rader, Ross Kaufman, Laura Herrick, Joan Regan, Carol Sadowski, Deborah Schindler and George Ploska. These talented students worked with music directors John Norton and Alan Arnold of the Jericho Schools.

Engagements Announced

Helene Leslie Reback

Mr. & Mrs. Ruby Reback of 7 Middle Lane, Jericho announce the engagement of their daughter, Helene Leslie, to Charles Martin Spitzer, son of Mrs. Hennie Spitzer of Bayside, New York, and the late Bernard Spitzer. Miss Reback is a graduate of Jericho High School and Rider College, Trenton, New Jersey. She is presently employed as a legal secretary. Mr. Spitzer is a graduate of Bayside High School, City College in New York City, and will graduate in June from the Brooklyn Law School.

Mr. & Mrs. Sheldon Manus of Syosset announce the engagement of their daughter, Karen Leslie, to Stephen Fred Goldenberg, son of Dr. & Mrs. Harold Goldenberg of 46 Hazelwood Drive, Jericho, on February 14, 1969. Miss Manus will graduate Boston University in May of this year. Mr. Goldenberg graduated Boston University in May, 1968, and is now attending Brooklyn Law School.

Books Needed For Annual Sale

The Friends of the Jericho Public Library are planning to hold its annual book sale, on the grounds of the Jericho Public Library, on Sunday, May 18th. (Rain Date - May 25th). For those wishing to donate books, between now and that date, book drops have been arranged - between 10 A.M. and 5 P.M. - at the following garages: Bea Felsner, 114 Bounty Lane (East Birchwood); Selma Constant, 9 Otsego Place (West Birchwood).

COMING SATURDAY MAY 3rd B.C.A. Elections Night Dance

Ten Pin Talk

Henry Dockswell

We had quite an explosion last Monday night at Syosset Lanes and from a somewhat unexpected source. Most, of not all, of the really big games are fashioned by one of our 18 team captains. But not this one. Horace Bernstein started his third game with 8 strikes in a row and with a better break on his ninth throw he would have had that one too. But howling being what it is he had to be satisfied with spares in his last 2 frames for a whopping 265.

In that same game the opposing captain, Milt Hoffman, threw a 215 and his "7-11's" came within 8 pins of stealing that game from Horace and the rest of the Sy Bruckners. It ended with the Bruckners on top 8-3. Milt's "7-11's", who were in 1st place, dropped to 3rd.

The Leo Geysers, who were in 1st place, previously to being kicked out by the "7-11's", rammed a shutout down the throats of Hy Shapiro's "Hy Hopes" and recaptured the top spot. Sam Margolies with a 221 and Mort Levine with a 201 led the way. This was Sam's second good one and believe it or not this was Mort's first of the year. He used to get them more often.

Irv Simes' "Spoilers" have

been in 2nd place for three weeks in a row and they held that position again this week due to an 8-3 win over Art Rosenthal's "AWOL'S". Irv and Lew Marks (whose name I won't mention) were the spearheads. Irv rapped a 216 and a 205 and Lew rolled a 208 and a 218. They each did it in the first and third games. Why they skipped that second game we'll never know.

Herb Brody's "Black Panthers" wound up the First Half in 3rd place and right now, at midpoint in the Second Half, they are in 4th. We think that a pretty fair share of the credit for that is due to Sy Schostack, a newcomer to the league this year. Sy started the year off with a 147 average. To date he has raised it to a strong 164 and this week he bowled his eighth good one, a 207, to lead the "Panthers" to an 8-3 victory over the fading Murray Guttmans. Four weeks ago the Guttmans were sitting in 1st place. This was their fourth defeat in a row and they've fallen to 10th.

Gil Stein with a 221, Murray Kowlowitz with a 215, Norm Ney with a 216, Marv Kahn with a 207, Dave Altman with a 204 and Hennie Kaplan with a 201 closed out the individual scoring.

Fiction And Fact

by Dottie Mills

Story Hour Tickets

Tickets for the two very special story hours to be held on April 11th are going fast. The number of tickets available for each of the two sessions is limited. The first session is for children in grades 1-3, the second is for grades 4-6. Only residents of District No. 15 are eligible to obtain tickets for their children. The tickets are free and will be given to patrons on a first come, first served basis. A fast glance at your calendar will tell you that April 11th falls on a Friday during the Spring recess. Mrs. Geri Collura, storyteller par excellence, will be hostess for the two sessions. Each story hour will be held in the lobby of the Jericho High School. Get your tickets today. Absolutely NO ONE will be admitted without a ticket.

Sunday Hours

Since the very first Sunday Jericho Library opened its doors to the public those four hours between one and five o'clock have been the busiest of any other hours, comparatively speaking, during the regular week. All those people who find it difficult for one reason or another to get to the library on Saturday or during the evening on the two nights the library is open, have looked upon Sunday as a godsend. It is however, a day when it is impossible to reference and research service. In order to provide Sunday hours the library provides a skeleton staff; one which is simply geared to checking in returned books, collecting fines, and checking out books. The volume of this incoming and outgoing traffic is such that any kind of reference or research service on the part of the staff will hold up those patrons who merely wish to take out books, actually the basic reason for the library's being open on Sunday.

In light of this explanation

therefore, it would be wise to check with the students who live in your house and are inclined to put off their school assignments until the very last moment, namely the Sunday before it's due. You should warn them that Sunday is not the day to go to the library and expect all kinds of professional reference help. During the week and on Saturdays they can reasonably expect this type of assistance. On Sundays the library is manned by clerical people who are at the library solely to check books in and out.

Fine - Free Period....

As just about everyone knows by now the Jericho Public Library is celebrating its third anniversary by offering its patrons the opportunity to return to the library books that are long overdue. Some clarification of the rules has become necessary. First of all, no books from other libraries will be accepted on a fine-free basis. Fines will be collected. Books on which there is a very heavy demand, and these are usually 7-day, current books (e.g. Roth's Portnoy's complaint) will not be treated as fine-free books. In the past it has been the library's experience that these popular current novels would be passed around the neighborhood, bringing the reserve list to a complete standstill, and depriving those people of their right to read the book in turn, without any fines being levied on the perpetrator. Therefore, books on which the library has a reserve list will not come under the fine-free grace period. By the way, the aforementioned book, Portnoy's complaint, has been so heavily reserved that the library has provided a visible reserve list so that patrons can check for themselves how far up the list they have traveled.

HIGH STYLE

by Arturo's

How to put sheen in dry, lifeless hair? Devoted daily brushing!

One man's pinup is another man's voodoo doll. In Watasi territory, the ideal beauty is long and lean--preferably six feet tall!

Large, dark, melting eyes set an Arab's heart afire--and why not? That's all he can see of those white-veiled, white-robed women...

Before hypo-allergenic beauty aids came on the market, bathing the face in dew from the fields on the first of May was considered a surefire formula for perfect skin.

A folk remedy for girls who didn't want freckles was to avoid sniffling lilies--especially tiger lilies.

Let us help to find a new you! Stop in to see us soon at

Jericho, L.I. 11753 931-8295

POST OFFICE HONORS AMERICAN LEGION: The United States Post Office cognizant of the American Legion's 50th Anniversary, issued a new 6 cent postage stamp, commemorating the historic event.

The new red, white and blue stamp went on sale to the general public at the Hicksville Post Office on March 17th.

Charles Wagner Post No. 421 Commander Raymond J. Gamble is shown receiving a full sheet of the Legion stamp from Postmaster Ralph G. Cascardo.

Financial Dilemma

(Continued from Page 4)

Thus this \$440,000 increase would have to be added to the \$977,000 and our tax increase is again back up to \$1.41 per hundred. AGAIN THIS IS BEFORE NEGOTIATIONS.

The Board knew that we were going to operate next year with at least 9 teachers less than we have had this year. This dropping of \$90,000 would provide a tax increase of \$1.32 instead of \$1.41. If at this time we decide, as a Board, that the political climate in Albany is one that there will not be a 5% cut in aid next year, we would subtract 35¢ from this amount. This would bring up to a tax increase of 97¢.

The Board of Education then proceeded to examine the budget. The Board deleted from Function 00 - Board of Education - the sum of \$20,645 by eliminating negotiation money and curtailing district meeting expenses. In Function 100 - Central Administration - the Board eliminated \$11,684 by again cutting out the cost of our printing material to the public under school - community relations. To date as things stand, the Board of Education has eliminated \$134,320 from Function 200 - Regular Day School. This includes abolishing the following positions: 2 Elementary Assistant Principals and 7 Clerks, and a cut in some equipment. Tuesday the Board Completed Function 220. The entire code of 20 has not been completed. In Function 300 the Board of Education has cut \$21,725 by eliminating driver ed. from the summer high school.

Function 400 - Recreation - the Board of Education has not yet considered.

In Function 500 - Transportation - the Board simply rounded out the figures presented to it and cut \$94.

In Function 600 - Operation and Maintenance of Plant - the Board of Education added \$91,970 to the original increased of \$106,869 mentioned before. This increase was for rental or purchase of temporary cafeteria facilities at both the junior and

senior high schools for guidance offices. Many of our present staff are working in storage closets and other unreasonable circumstances.

Function 700 - Unallocated Expenses - the Board of Education has not as yet considered.

In Function 800 - Debt Service - the Board of Education has added the sum of \$10,000 in order that we may increase our earnings on short term borrowing.

As far as we have gone today, it would appear that before negotiations, our tax increase is approximately 54¢. This will change as the Board continues to consider the rest of Function 200 and Functions 400 and 700.

WIN A TRIP TO NASSAU

(a little south of Grand Bahama Island)

Grand Opening Sweepstakes

(a little north of Hicksville)

We just opened our Nassau office—a new regional office at 366 North Broadway, Jericho. Now you can get full Marine Midland banking service right here in Nassau. Because our new office is more than an ordinary branch office, we're making the opening more than an ordinary opening. We're giving away a free trip for two to Nassau.

The one in the Bahamas. You may win a fabulous holiday. (You'll get round-trip accommodations for two on Pan American World Airways, plus \$270 expense money. The rest of the planning—and all the fun—is yours.) You don't have to open an account or make a deposit to enter our Nassau Sweepstakes. All you do is fill out the free ticket below and drop it off in person at our new Nassau office.

Any time between now and April 18, 1969. While you're there, say hello to Tom Donovan, our vice president in charge, or Roger Baumberger or John Flannery, asst. vice presidents. They'll be happy to tell you about our many banking services, including free customized checks and our unique check guarantee card. You can get them all without leaving Nassau. The one on Long Island.

Thomas Donovan,
Vice President

Roger Baumberger,
Asst. Vice President

John Flannery,
Asst. Vice President

Free premiums

Open a checking account or a savings account of \$100 or more at our new Nassau office and take your pick of any one of these gifts. Offer good only through April 18.

Facial sauna

Choice of a vinyl overnight bag
or attache case

10" Teflon-coated fry pan
Plus Pan-regulated thermostat

Six steak knives

High-intensity lamp

No Purchase Required
Sweepstakes Rules

1. The sweepstakes is open to all residents of the United States and Canada except wholesalers and their families of Marine Midland Grace Trust Company, Pan American World Airways and subsidiary companies and their respective advertising agencies.
2. Entries do not have to be deposited or open an account with Marine Midland Grace Trust Company. See purchase required.
3. Only requirement to enter is to fill out the sweepstakes ticket completely and deposit it in the box at the Nassau Office of Marine Midland Grace Trust Company, 366 North Broadway, Jericho, New York, in person between now and April 18, 1969, not valid, if mailed.
4. Entries can submit only one ticket per visit to bank.
5. The drawing will be held at 11 a.m. on April 21, 1969, at the bank's Nassau office, 366 North Broadway, Jericho, New York. A bank representative will draw the winning coupon from a covered drum, under the supervision of Thomas F. Donovan, vice president. The drawing is not required to be present. Notification by registered mail will be sent to the winner within 48 hours. The bank will be the sole judge as to the eligibility of the winning ticket.
6. The sweepstakes prize consists of round-trip accommodations (economy) for two adults on Pan American World Airways from New York City to Nassau, Bahamas, plus \$270 expense money.
7. The sweepstakes trip must be scheduled and taken on or before December 31, 1969.
8. In the event that the winner is a minor, the bank reserves the right to pay the equivalent of the ticket and expense, \$300, in the form of a check payable to the parent or guardian of each winner in trust for the winner.
9. Taxes on the prize are the responsibility of the winner or his parent or guardian.

Free door prize for everyone

We'd like everyone to see our new office. So anyone who drops in between now and April 18 gets a free gift. You don't have to open an account or make a deposit to get one. You'll receive a handy dashboard coin holder and a copy of our book "How to Manage Your Money."

Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

GENERAL HOSPITAL for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

PSYCHIATRIC HOSPITAL for the mentally and emotionally ill, for the alcoholic and drug addictive. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

NURSING HOME for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

NOW... a new hospital of physical medicine and rehabilitation for extended illness.

CHRONIC CARE HOSPITAL staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

Facilities and Treatments include:
1. Swimming pool and Hubbard tanks for hydrotherapy.
2. Gymnasium for physiotherapy.
3. Daily living activities program and crafts.
4. Speech therapy program. 5. Inhalation therapy.

SPORTS

By

Howard J. Finnegan

Struggling for a lifeline, Elmont High grabbed a quick goal in the overtime period and held on to repulse an audacious Hicksville contingent, 10-7, in the season's Lacrosse opener.

Coming 11 seconds after the start of the extra period, the goal broke a 6-6 deadlock and enabled Elmont to hold its stellar ranking on the South Shore. The game was played at Elmont, Saturday morning.

The game but tiring Hicksville team, which had carried the fight throughout to the hosts, had to gamble to recover and in the loose play gave up two more goals. The Comets fired back with one just before the finish.

Coach Bill Meyers, "saw many good points in the Performance" and was only disappointed that his players bid for a major upset fell short of reward.

Richard Kowalchuk banged home three goals for Hicksville and got an assist on another. Steve Van Wickler caught the nets for two goals and Pat Dowling and Brian McAuley each had one with the latter in on an assist.

Charles Arnone worked the ball in and got assists on two Hicksville goals.

Goalie Ken Larsen was credited with 16 saves for the Orange and Black. Hicksville gave the Elmont goalie a busy morning as he was required to check 29 shots on net.

The two teams traded goal for goal in the first three periods ending in a 6-6 tie. The fourth period was cautious and scoreless.

The next contest for the Comets will be at powerful East Meadow, Wednesday, April 3, at 10:30 a.m.

Look for an upset: Hicksville 8 East Meadow 5.

Out of the fifty boys who will comprise the HHS Track team only eight or nine will be seniors. A great deal of credit must be extended to the young team since it will be going heavily against the odds in its league circle.

Once again the underprivileged status of Hicksville High athletes is underscored. All schools in the league Hicksville is in have Winter Track teams.

This leaves the Orange and

Black well behind and only hard training and maximum effort can get a Hicksville boy a high finish in meets against the other schools.

Their progress will be worth watching.

In the distance events John Morrissey, John Johnston, Jim Mattis, Jan Sokol and Bill Sanderson will be the front runners for coach Ken Kingsley. Bill Sanderson will be the Hicksville miler.

Bill has received a nomination to the Naval Academy at Annapolis and is awaiting final acceptance.

For the short bursts Kingsley has sprinters Gary Napel, Ed O'Reilly, Jim Ajello and Bob Seauzillo. The latter two are very promising sophomores. Hicksville fans will remember the fast dashes of O'Reilly for Jim Grantham's successful 1968 gridiron team.

Assignments in the field events will go to Tom Merendini, Larry Blauvelt, Ray Gamble and John Leever.

As the campaign gets rolling we will be hearing from a great many more boys according to their coach.

The 1969 Baseball season starts Tuesday, April 1, at HHS with visiting Carle Place providing the opening day opponent.

Coach Richard Hogan, he and the Comets have the best ten year won and lost record in Nassau County, is uncommitted about prospects but the ingredients for a good campaign are on hand.

The pitching contingent is experienced and talented. Lead by the veterans from 1968 --- 13 won and 5 lost on the season--- Dave Skonorski and Bob Rogers the mound crew is backed up by Ron Dechent, Gary Jackson and Warren Uss.

Hicksville has a 24 game schedule so that all will have the chance to demonstrate their wares.

Mike Glibowski is the Comet catcher. Shortstop belongs to Don Cook. Charles Reilly has secured a start at second and Dennis Patelis will operate around first-base.

The trio of Jay Bayer, Doug Breuseh and Pete Swedella have the outfield patrol for the early going.

Bob Rogers and Don Massey,

Library Notes On Gardening

The snowy winter of discontent is over, and now it is a busy time for those who are pondering about various garden projects. Gardening is an art as well as a science which has been practiced since the earliest times of human history. As time and environment changes there seem to appear new plants for gardening; accordingly new plans, new techniques, and new solutions are required.

both stand outs on coach Buddy Bryan's 1969 team, have been named as two of Long Island's student athletes by the magazine High School Basketball II - Illustrated.

Hicksville High which at one time commanded great respect and attention because of the caliber of its non-league basketball opponents is on the way back in scheduling.

Coach Bryan has announced that the dreadfully dreary Christmas Tournament at New Hyde Park is dropped from next year's schedule. Powerhouse Uniondale and Great Neck will be added in its place. Plainview, East Meadow and Bethpage will be the other non-league foes.

It falls short of the supreme efforts against St. Agnes, Lutheran Great Neck North and Hempstead but is however worthy of the school which is the largest in Nassau County.

If you want to improve your home grounds in order to provide flowers and plants to decorate your home, and to provide vegetables and fruits for your table, or to improve your knowledge in gardening, the Hicksville Public Library can make helpful suggestions. We have a collection on gardening that is serviceable to the demands of the layman, students, and professionals alike. For example, one cannot get basic in-

formation from New Illustrated Encyclopedia of Gardening, and The American Home Garden Book and Plant Encyclopedia, The Gardener's Directory is a must for those who want to visit botanical gardens, garden centers, to join horticultural societies, and to obtain unusual plant materials.

Exotica 3 is a pictorial encyclopedia describing nearly 9,000 different species of foreign plants and cultivars.

LEGAL NOTICE

NOTICE TO BIDDERS - HICKSVILLE WATER DISTRICT
Notice is hereby given that SEALED PROPOSALS for Landscaping and Paving of Plant No. 1 Bethpage Road, Hicksville, New York, will be received by the BOARD OF COMMISSIONERS of the HICKSVILLE WATER DISTRICT, at the office of the Board, 4 Dean Street, Hicksville, New York, until 8:00 P.M., Prequalifying Time on Tuesday, April 8, 1969, at which time and place they will

be publicly opened and read. Instructions for Bidders, Proposal, Plans, Specifications and Contract Forms may be obtained at the main office of the Hicksville Water District, 4 Dean Street, Hicksville, New York. A deposit of \$10.00 is required for each set of documents furnished which will be refunded if the set is returned in good condition within thirty (30) days after the bids have been opened and acted upon by the Board of Commissioners of the Hicksville Water District.
Each Proposal submitted must be accompanied by a certified check or bid bond, payable to the Hicksville Water District, in a sum equivalent to five per cent (5%) of the total amount of the bid, and a commitment by the Bidder that, if his bid is accepted he will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the Contract.
The Board of Commissioners of the Hicksville Water District reserves the right to reject any or all bids, to waive any informalities therein and to accept the bid which, in its opinion, is in the best interests of the Water District.

Seniors Orchestra To Organize

Senior Citizens interested in the formation of a Senior-Citizens Orchestra and Band are invited to attend a special organizational meeting at the Recreation Administration Building, located in Salisbury Park, on Monday, March 31 at 2:30 p.m.

"We are interested," said A. Simms, P.W. Commissioner "in the retired professional as well as the amateur. The Division of Recreation and Parks has been in contact with Local 802 of the American Federation of Musicians who would also like to see the talents of their retired members appreciated by our residents."

POSTMASTERS FETED: The Nassau County Press Association held a dinner last Friday evening at the Garden City Hotel, to honor their postmasters and their efficient postal staffs. Left to right in the above picture are Vincent E. Hannigan, Customers Relations Representative of the Hicksville Post Office, Ralph G. Cascardo, Hicksville Postmaster, Sheila H. Noth, Herald Publisher (and Nassau County Press Association president) and Mr. Herman Rundell, second-class mail expert from the main post office in Brooklyn, who was guest speaker of the evening.

(Photo by Drennan).

CHARLES F. GOUSE, director of instrumental music for the Hicksville public schools is seen here holding his recently-published book, *Learn to Play Trumpet*. Mr. Gouse will follow this publication with six other music books, all from the Alfred Music Company.

At a recent ceremony we see Chief Warrant Officer Walter J. Pollack, a Hicksville resident, receiving his Observer wings from Major Richard Bifulco, Commander of Nassau Senior Squadron C. A. P. In order to be eligible for the Observer rating, a CAP member must have completed a comprehensive ground school course covering meteorology, navigation, radio navigation and other phases, as well as logging the required flight time in aircraft. Mr. Pollack is assigned as the squadrons Personnel Officer.

Civil Air Patrol is the all volunteer, official auxiliary of the United States Air Force.

METHODOLOGY: Mrs. Charlotte Dwyer, (L.) 9th grade English teacher, and Miss Phyllis Ebert, (R.) 10th grade English teacher, represented the Hicksville junior and senior high schools at a special joint meeting of The Long Island Educational Communications Council, The Nassau Council of English Chairmen, and The Nassau English Council. The meeting was held on March 19th, and the evening's discussion was on the Inquiry Methodology of Teaching.

School Board

(Continued from Page 1)

to the Holy Family School Board. This newsletter is in the mail and should be received by all Hicksville residents this week.

A preliminary report was made by the Educational Advisory Panel listing their agenda for the current school year. Items on the agenda are the educational evaluation of the 8-Period Day, the tracking system, utilization of the departmental system in the elementary schools, lack of facilities at the Junior High, the physical education program at the elementary and secondary levels, school libraries, and any other matters relevant to the quality of education in Hicksville. The Panel is meeting weekly and will submit reports to the Board as progress is made.

The Board granted sabbatical leave to 23 of the Hicksville educational staff for the 1969-70 school year. This will cost the district about \$130,000. The Board also approved two new textbooks for the language arts program—American Literature and The Lively Arts.

At recent budget meetings the Board has passed the following functions:

- Code 000—Board of Education—\$60,000
- Code 100—Central Administration—\$304,700
- Code 200—211—Principals—\$573,708
- 212—Supervisors—\$274,875
- 220—Teachers—\$8,000,000 (no curtailment of staff necessary)
- Code 300—Special Schools—\$114,272 (with elimination of summer school driver education)
- Code 500—Transportation—\$60,000
- Code 600—Operation and Maintenance—\$1,370,000
- Code 800—Debt Service—\$1,223,000
- Code 900—Inter-District Transfer—\$6,300 (for free lunch program)

The amounts in these codes do not include salaries and benefits, which are still being negotiated. The Board will hold another public budget hearing Monday, March 31 at 8 P.M. in the High School Cafeteria.

LEGAL NOTICE

"NOTICE TO TAXPAYERS"
RE: SUPPLEMENTAL SECOND HALF 1968-69

SCHOOL TAXES
The undersigned Receiver of Taxes for the Town of Hempstead, County of Nassau, State of New York, hereby gives notice that he has received the Supplemental Second Half School Tax Roll and Warrant attached thereto dated March 24, 1969 and will be in attendance to receive taxes at

200 NORTH FRANKLIN STREET, HEMPSTEAD, N.Y. 11550

on **TUESDAY, APRIL 1, 1969** and each weekday thereafter from 9:00 A.M. to 4:45 P.M. (Saturdays, Sundays and holidays excepted).

PENALTIES:
Second half due and payable April 1, 1969. Penalty on the second half will be added after May 10, 1969 at the rate of one percent per month from April 1, 1969 calculated to the end of the month during which payment is made.

Taxes are payable by cash, certified checks or money orders. Uncertified checks will be accepted subject to collection only. When sending for tax bills, please state the School District

location, Section, Block and Lot numbers in accordance with the Nassau County Tax Map.

After May 31, 1969 the Supplemental Second Half 1968-69 School Tax Roll will be turned over to the County Treasurer and all payments after that date should be made at the Office of the County Treasurer, Nassau County Office Building, 240 Old Country Road, Mineola, N.Y. 11501.

HENRY C. VON ELM
Receiver of Taxes
Town of Hempstead

NOTICE TO BIDDERS

Notice is hereby given that Sealed Proposals for the purchase of **SODIUM HEXAMETAPHOSPHATE** will be received by the Board of Commissioners of the Hicksville Water District in the Office of the Board at 4 Dean Street, Hicksville, New York, until 8:00 P.M. on April 8, 1969, at which time they will be publicly opened and read.

Plans, specifications, information to bidders and Contract Forms may be obtained at the District Office, 4 Dean Street, Hicksville, New York.

Each proposal must be accompanied by a certified check or bid bond in the amount of five percent (5%) of the bid amount made payable to the Hicksville Water District, as assurance that the bid is made in good faith.

The Board reserves the right to reject any and all bids, waive any information, and to accept such bid which in its opinion is in the best interest of the Water District.

"NOTICE TO TAXPAYERS" RE: SUPPLEMENTAL SECOND HALF 1968-69 SCHOOL TAXES.

The undersigned Receiver of Taxes for the Town of Oyster Bay, County of Nassau, State of New York, hereby gives notice that he has received the Supplemental Second Half School Tax Roll and Warrant attached thereto dated March 24, 1969 and will be in attendance to receive taxes at

TOWN HALL, AUDREY AVE., OYSTER BAY, N.Y. 11771

on **TUESDAY, APRIL 1, 1969** and each weekday from 9:00 A.M. to 4:45 P.M. (Saturdays, Sundays and holidays excepted).

PENALTIES:
Second half due and payable April 1, 1969. Penalty on the second half will be added after May 10, 1969 at the rate of one percent per month from April 1, 1969 calculated to the end of the month during which payment is made.

Taxes are payable by cash, certified checks or Post Office money orders. Uncertified checks will be accepted subject to collection only.

When sending for tax bills, please state the School District location, Section, Block and Lot numbers in accordance with the Nassau County Tax Map.

After May 31, 1969, the 1968-69 School Tax Roll will be turned over to the County Treasurer, Mineola, N.Y. and all payments after that date should be made at the Office of the County Treasurer.
