Dates For Budget Vote

The annual vote on the school budget, a school facility referendum, the library budget, and for school and library board trustees will be held on Tuesday, June 10th from 10:00 A.M. to 10:00 P.M. Registration will be on Saturday, May 24th from 10:00 A.M. to 5:00 P.M. at the Administration Building on Division Ave.

The public hearing on the school budget and the building referendum will be on Tuesday, June 3, at 8:00 P.M. in the Senior High auditorium.

Library Mails Cards To All Residents

In honor of National Library Week the Hicksville Public Library is mailing to each householder in Hicksville his own library card entitling him to full borrower privileges at the public library. These will be sent on Thursday April 17th. Information pertaining to the card and library services will be enclosed.

This is an attempt on the part of the library to acquaint all the people of Hicksville with the services available to them at their library. There is no more fitting time to do this than National Library Week which is April 20th to April 26th.

National Library Week was established many years ago for this very purpose, acquainting those who don't use the library, with its services, and informing those who do use it of possible revisions and additions of service.

The need for library service to students, for instance, has been in direct proportion to the ex-

pansion of school curricula which as we all know has grown tremendously in recent, or ante-sputnik years, particularly in science and social studies. Today's student would find it very difficult indeed, to keep up with academic demands without the up-to-date reference aids at his local library.

The same applies to a lesser degree to the business man whose current knowledge of markets for his product or opportunities for investment of capital, is a must for his success today. In each case the situation is fluid and must be constantly adjusted. Keeping abreast of current trends via up-to-date financial information at his local library will enable him to arrive at an informed decision.

The library extends an invitation to all. Come in, browse, look around, and let us know how we can help you. Service to you, the community is our reason for being.

PTA Council

The Hicksville Senior High School PTA will hold its next general meeting on Thursday, April 24th in the school auditorium at 8:15 p.m.

The program will be devoted to a discussion of the budget for 1969 1970 with Mr. Donald Abt, Supt. of Schools and a member of the Board of Education as guest speakers.

A question and answer period will follow. All interested members of the community are urged to attend.

HHS-PTA Hold Budget Meeting

The Hicksville Council of P.T.A. Units will devote its April general meeting to a discussion of the school budget. Mr. Donald F. Abt, Superintendent of Schools,

and Mr. Harold Sternberger, a member of the Board of Education will be guest speakers. A question and answer period will follow.

Date: Wednesday, April 26th.
Place: Lee Ave. School, Hicksville.
Time: 8:30 P.M.

Legion Caucus April 23rd

The pre-convention caucus of the Third Division of Nassau County American Legion will convene on April 23rd at the Charles Wagner Post #421, 24 E. Nicholas Street, Hicksville at 8 p.m.

Twenty one North Shore Posts will be represented by more than 300 delegates when the caucus is convened by 3rd Division Commander, John McCarthy of Westbury. Charles Wagner Post Commander, Raymond J. Gamble, will welcome the delegates to Hicksville. The annual business to be conducted includes the nomination of a new county commander; a county vice commander and discussion of several resolutions to be presented at the Nassau County convention at Hempstead in June. Entertainment and refreshments will follow the conclusion of the meeting.

On The Campus

BERMUDA'S COLLEGE WEEKS: FUN AT THE BRACH - The third of Bermuda's 1969 College Weeks sees thousands of students enjoying a day at the Bermudian Beach Club, where a complimentary lunch is served, bands entertain, and a limbo contest is held. Syracuse University's College of Liberal Arts has announced the following students have attained straight "A" averages for the first semester:
Mark D. Mandel of 163 Maytime Drive, Jericho, L.I.

Mr. Steven Brand of 28 Fern Court, Hicksville, has been named to the Dean's list for the Fall semester of 1968-69 at the State University Agricultural and Technical College at Farmingdale, Long Island.

Vincent Hoosack, 69 Twinlawn Ave., HICKSVILLE, and Thomas Judge, 7 Moeller St., HICKSVILLE, are among seniors at Yankton College who are students teaching this spring in preparation for careers in education, it is announced by Glen Bachman, head of the education department.

Hoosack is teaching science at Yankton Middle School under the direction of Bill Bobzin. Judge is teaching social science and physical education at Irene, S.D., high school under the supervision of Supt. Ilo Bossen.

Both young men are lettermen in football at Yankton College.

Barbara Sahagan, daughter of Mr. and Mrs. Walter Sahagan of 28 Burton Avenue, PLAINVIEW a junior in biology at Simmons College, Boston, Mass. will participate in a ten week student work study program this summer as research assistant in the Department of Biology at Brookhaven National Laboratory, Upton, New York.

Jeannine Rodenbach, a junior at Ashland College, was in the top 10 when students cast their votes in the May Day Queen primary election. She is the daughter of Mr. and Mrs. Warren Rodenbach, 21 Vasser Lane, HICKSVILLE.

All junior class women were listed on the primary ballot for the annual election. May Day festivities will be held on May 10th at the liberal arts college.

Kevin Kerry McCann of 47 Malone Street, HICKSVILLE, has again been named to the Deans List at the State University of N.Y. at Stony Brook for the fall semester '68-'69. Mr. McCann is in his junior year as an engineering major.

Announcement

Mr. and Mrs. Thomas O'Connor of Hicksville announce the marriage of their daughter, Denise Marie to Peter William Lambert, son of Mrs. Seymour Neufeld of Hicksville and the late Leonard W. Lambert.

Our Armed Forces

Army Specialist Four Thomas E. McCarthy Jr., 24, whose parents live at 7 Lawnside Ave., HICKSVILLE, was named post soldier of the month for Kilteen Base, Tex., Feb. 28.

A stock control and accounting specialist with Headquarters Company, Spc. McCarthy was selected for his soldierly appearance, knowledge and performance of duties and military courtesy.

His wife, Nancy, lives at 302 Allen St., Copperas Cove, Tex.

Army Private First Class Jeffrey R. Kuntzi, 19, son of Mr. and Mrs. Wilbur L. Kuntzi, 2 Susan St., HICKSVILLE, was assigned to the 173rd Airborne Brigade in Vietnam, March 16.

A rifleman assigned with the 75th Infantry of the brigade, Pvt. Kuntzi entered the Army in July 1968 and completed his basic training at Ft. Jackson, S.C. He was last stationed at Ft. Benning, Ga.

Pvt. Kuntzi is a 1967 graduate of Hicksville High School.

Marine Corporal Kenneth Henrie, son of Mr. and Mrs. Howard F. Henrie of 30 Lincoln Blvd., OLD BETHPAGE, was awarded the Navy Commendation Medal during ceremonies at the Second Combined Action Group, Da Nang, Vietnam.

He was cited for outstanding achievement while serving with Second Combined Action Group during combat operations in South Vietnam. He was also an active participant in Civic Action Programs set up locally in nearby Vietnamese villages.

His unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials are made available through the Marine Corps Reserve Civic Action Fund.

Corporal Henrie attended Midwestern University, Wichita Falls, Tex.

Airman Apprentice Vincent Boscano, USN, son of Mr. and Mrs. Ralph Boscano of 71 Beaumont Drive, PLAINVIEW is serving aboard the attack aircraft carrier USS Franklin D. Roosevelt, currently undergoing overhaul at the Norfolk Naval Shipyard.

Estimated at a cost of \$44,000,000, this is the largest single overhaul ever to be undertaken at the Norfolk Shipyard.

The Franklin D. Roosevelt has been long known as the "Mediterranean Carrier." Out of 25 years of active Naval service, the carrier has spent 12 years in the Mediterranean Sea. It made its 17th deployment in August 1967-setting a record that no other carrier can match.

In 1966, the carrier made its first combat deployment in the Far East. For eight months it supported U.S. Seventh Fleet operations off the coast of Vietnam.

Army Warrant Officer William R. Squire, 19, son of Mr. and Mrs. Alvin L. Squire, 79 New South Road, HICKSVILLE, was assigned Feb. 26 to the 1st Cavalry Division (Airmobile) in Vietnam, as a helicopter pilot.

State Aid

State aid may be provided for the education of certain handicapped children who cannot attend classes either in Hicksville's regular school system or in the county classes operated under the Board of Cooperative Educational Services. Justification for such aid is required of the Psychology Office in the Hicksville Public Schools. An application for the aid must be received in Albany by January 1st if a grant is desired for the second semester of the school year and by August 1st if it is desired for the first semester. Since several months are required for the completion of the entire application procedure, the initiation of the process must take place far in advance of January or of August.

Any parent who has questions regarding the above may call Dr. Cameron, Chief Psychologist in the Hicksville Public Schools, at We. 5-9000, Ext. 333.

ROTC Training

The Nassau American Legion has begun a campaign to have universities and colleges retain ROTC training on their campuses and continue granting academic credit to all students in the program.

The Legion has called upon all veterans of all wars of the U.S. Armed Forces individually and through their respective veterans organizations to unite in this patriotic effort to stop the current dangerous nationwide movement of universities and colleges to eliminate academic credit for military training of students for the Reserve Officers Training Corps.

The present trend, County Commander Edward F. X. LaJoie said, is relegating the Army, Navy and Air Force Units to the status of programs entirely

Obituary

Rev. Robert E. Peterman

It is with regret that we report the passing on April 9th of Rev. Robert E. Peterman, retired, of St. Stephen's Lutheran Church. Rev. Peterman, formerly of 235 Jerusalem Avenue was both a minister and an educator in special education teaching problem children in special education classes.

The Rev. Peterman retired from teaching in 1949. He had lived on Long Island for 54 years and was well known to Hicksville residents who took part in community affairs through the years.

He is survived by his wife, Mary, his son Dr. Robert A. Peterman, one grandchild and two great-grandchildren. Services were held at the Wagner Funeral Home. Interment took place in the Plain Lawn Cemetery in Hicksville.

Mrs. Jean Haydu

Represents District 17

Mrs. Jean Haydu, foreign language teacher at the Dutch Lane School in Hicksville represented the school district at the first international meeting of the New York State Federation of Foreign Language Teachers and the Ontario Modern Language Teachers' Association; held recently in Buffalo, New York.

It was a three-strand meeting devoted to the multi-media approach to the teaching of foreign language; the training and hiring of FLES (Foreign Language in the Elementary Schools) teacher and the FLES techniques. Mrs. Haydu was asked to speak on the topic: "Classroom Magic." She quoted Mr. Gerald Green of the New York State Education Department who said that FLES was an "academic discipline" in a linguistic setting and that essential components for "magic" in the classroom were "blood, sweat and tears," on the part of the teacher. It was her opinion that since language learning was a prime goal of the FLES program, that very great effort had to go on behind the scenes for every class that seemed "magical." Mrs. Haydu's talk and Hicksville's role in the language field received a fine ovation at the conference.

Biafra

For almost two years Nigerians and Biafrans have been killing each other in what is called a civil war, or a war of secession. Many have died fighting for what they consider to be right. But many others who do not bear arms, the women and children of Biafra, have also died

because we have not cared enough. Each day, hundreds perish not from a well-aimed bullet or rocket. They starve to death. They literally die because they have no food.

For \$4,000 our community can finance a relief flight from Sao Tome to dying Biafra. The plane will contain food and medicine to

Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

GENERAL HOSPITAL for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

PSYCHIATRIC HOSPITAL for the mentally and emotionally ill, for the alcoholic and drug-addictive. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

NURSING HOME for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

NOW... a new hospital of physical medicine and rehabilitation for extended illness.

CHRONIC CARE HOSPITAL staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

Facilities and Treatments include:

1. Swimming pool and Hubbard tanks for hydrotherapy.
2. Gymnasium for physiotherapy.
3. Daily living activities program and crafts.
4. Speech therapy program. 5. Inhalation therapy.

Ten Pin Talk

Henry Dockswell

Evidently it was too much to expect that one team should retain the lead for three weeks in a row.

The Leo Geyers had managed to stay on top for the last two weeks but this week they fell to 3rd place when Sid Sachs and his last place "Chargers" rose up and smote them with a 7-4 defeat. The Geyers almost suffered a shut out, for it wasn't until the last man in the last frame of the last game that they pulled out their one victory. Funny thing was that this was the game that Sid Sachs bowled his 209 but the "Chargers" still lost it by 14 pins. As the Geyers fell two places to 3rd the "Chargers" rose two places to 16th.

Irv Simes and his 3rd place "Spoilers" took possession of the league lead. They split the first two games with the Murray Kowlowitz but then in the rubber game Capt. Irv and Lew Marks came alive. Irv cracked a 226 and Lew "Touch me for luck" Marks started his shenanigans again with a 210. This brought them a 7-4 victory and the top spot.

But right behind them, only 1/2 point away, are the Milt Hoffman "7-11's". The "7-11's" started out in 4th place, but then with Milt throwing a timely 227 and Mal Ratnor rolling a 206 they pounded out a 7-4 win over the sinking Julie Gershen "Hatchmen". The "Hatchmen" have now stopped sinking. They wound up the First Half in 5th place but this Second Half has been disastrous. They finally hit bottom as they landed in the cellar.

The biggest bomb of the night was dropped by Mel Corwin. As a member of Bill Kellerman's "Gurus" he had seen them split the first two games with Hy Shapiro's "Hy Hopes". He

started the third game innocently enough but suddenly he ripped off 8 strikes in a row and wound up with a bee-oo-tiful 246. Capt. Bill joined him with a calm, cool and collected 203 and the "Gurus" were winners, 8-3. Mel was so elated that he took the sheet home and said he was going to paste it on the wall for his son to see first thing next morning.

Lots of bombing took place during the meeting of the Murray Gittelmans and the Sid Holtzmans. Murray swung out with a 203 in the first but then Bernie Kaplan 222, Irv Herskowitz 206 and Capt. Holtzman with a 212 AND a 219 completely overwhelmed the Gittelmans and won the series 8-3.

Sam Springer with a 220 and Art Rosenthal with a 204 closed out the individual scoring. We should mention that Art's 204 was instrumental in fashioning the only shut out of the night, over the Ralph Diamonds.

Honor Guard

Peter Springer, Jericho graduate, Class of '68, served recently in the Honor Guard at the funeral services of former President Dwight D. Eisenhower. A member of the United States Coast Guard, Peter was one of 81 trainees from a list of more than 1500 young servicemen selected to participate in the rites.

Peter is the son of Mr. and Mrs. Sam Springer of Brookville. Mr. Springer is a member of the Jericho Board of Education and also serves as the Board's Legislative Chairman.

Following his Coast Guard service, Peter will pursue a college career. Having many interests, Peter's future may find him preparing for a career in either business administration or physical education. He will be on active duty for several more months.

On behalf of all residents in the Jericho School District, Board member Sam Springer and Superintendent of Schools David Nydick met with Senator John Caemmerer on April 7. Mr. Springer presented a petition bearing nearly 1500 names and addresses of Jericho taxpayers, urging passage of Senator Caemmerer's proposed amendment to the New York State Real Property Tax Law. The amendment would provide for the return and retention to Jericho tax rolls of state-owned tax exempt properties whose assessed valuation is \$1 1/2 million.

During the discussion which followed the presentation in the senator's office, Mr. Springer

Fiction And Fact

POTPOURRI

That wonderful day is rapidly approaching when we can all concentrate on the truly important things in life - will Fay Wray survive her matting by King Kong? On Monday, April 21st at 8:30 P.M. the next adult film series will kick off with that 1933 film classic. The series will be held, as in the past, in the auditorium of the Jackson School. Unfortunately the "free" label will be taken off this particular evening's entertainment. The distributor of King Kong informed your Library representative that public showing of the film was limited to theatrical showings and therefore to showings for which admission is charged. Further discussion revealed that 25 cents was the lowest amount that could be collected and still meet the distributor's requirements. Therefore, come prepared to shell out a paltry 25 cents for an evening of hissing and screaming. The short subject that will accompany the feature is related in that the gentleman who accomplished unbelievable special effects in Kong did the same thing for Lost World Revisited.

The Friends of the Library will serve coffee and cake from eight to eight-thirty. All film programs start promptly at 8:30 P.M.

The next day, Tuesday, April 22nd, the small fry will invade the downstairs room at the Jericho Jewish Center for the beginning of the next children's film series. This series is for pre-school age children and is held each

Tuesday morning from 10:30 A.M. to approximately 11:15. The first program will consist of the following films: Andy and the Lion, The Camel who took a walk, and Caps for sale. No admission is charged for this series and it is open to residents of the school district and to non-residents. The series will continue through June 10th.

BOOKS FOR SALE

On Sunday, May 18th the Friends of the Jericho Public Library will hold its third annual book sale. Each year this sale has been greeted and supported with enthusiasm by the people of Jericho. One of the main reasons for the success of each sale has been the fact that people have had a large selection of books from which to choose. These books must come from somewhere and that somewhere is you. Dig down into those stacks of books you have piled on the floor of the cellar and in the attic. Perhaps there are several on your shelves that you've been meaning to get rid of to make way for newer purchases. Tie them up or put them into strong boxes and drop them off at the Felsher garage at 114 Bouty Lane. (In West Birchwood they can be dropped at the Constant's garage at 9 Otsego Place.) Children's books are in special demand. Last year the book sale could have used hundreds more than was available to sell. Paperbacks are popular also. Be a Friend and contribute your books.

Letters to The Editor

Editor
Mid-Island Herald
Hicksville, New York

Dear Mrs. Noeth,

It is regrettable that Mr. Fetta did not apply more reason than emotion when urging a delaying action on the implementation of Family Living courses (Herald, April 10). His reference to "a recent sex-ed (co-ed) class presentation in the nearby Smithtown School District" is a lurid, insinuating and unjust indictment based admittedly upon second-hand information. It is precisely this approach that will continue the factionalization of our district which he implicitly deplors.

His letter raises a number of questions. Why should there be any delay in the implementation of Family Living courses? And why delay until 1971? The statistics on problems related to such a course, namely, the extent of venereal diseases, illegitimate births, abortions and the use of drugs among young people indicate a real and desperate need for some kind of action. Is delay the appropriate response?

Presumably the freedom of choice has been possessed by parents in this matter since courses on human sexuality are very recent additions to the educational program. Can parents do the job alone? It is not a blanket indictment against parents to suggest that the above mentioned social problems reveal, at the least, that we cannot do the task adequately alone. Indeed, the very personal and delicate nature of both sex and parent-child relations may make it impossible for parents to do the best they wish to do. This is not to condemn parents; it is to recognize the nature of the problem. One choice we do have as parents is to seek potentially better solutions or continue paying in hard cold cash for social assistance programs designed to cope with the consequences of ignorance in the very complex field of human sexuality.

Because Mr. Fetta presents no alternative proposals, one questions if he would support a Family Living course that was developed strictly at the local level. Unless there is a firm belief in the desirability for some method that effectively meets a proven need, a debate on mandated or optional programs will become irrelevant.

Mr. Fetta has been around long enough to know that the State Education Dept. only presents broad curriculum goals. The content that determines the quality of education in a district is established by the district's professional administrators originally, and then finally, by the implementation in the classroom. If our existing local control is usurped, the reason can well be our own inaction.

I believe Mr. Fetta is tragically wrong in blaming the State Ed. Dept. for either the quantity or quality of our pilot and experimental programs. The grade level and content of a foreign language program, various reading programs, and special science instruction, for instance, are local district decisions. That the utilization of special programs in our district needs constructive, creative criticism is another topic in itself, as shown by Mr. Fetta's erroneous analysis. One cannot help but regret the removal from the Board of Education of those members who were both concerned and knowledgeable in this area.

Since our schools should be meeting the needs of our students, it would be appropriate and valuable to have the opinions of the young people for whom the

proposal courses would be established to help in determining the type of curriculum most suited to their needs.

Emotionally charged statements, postponement of action, and the transference of the location for decision-making from the State to the local level are not solutions. If mandate equals "rush", it is because the need is great; not because there are malicious people in the State Ed Dept. striving to take away the freedoms of parents.

Respectfully yours,
Diane W. Parker

Greetings! For today I think I'll start with a few program notes. You are reminded that "Arsenic and Old Lace" is being presented by the Junior High Recreation Players—curtain time is 8 P.M. on this Thursday and Friday. You may still be able to make the Friday performance. By the time you read this you have missed our hockey team in an exhibition game Thursday night. They played a team from Pointe Clair, Quebec. Let's hope they

fared well in this international venture. Look for performances by the Recreation Folk Singers and the Community Chorus—more details on these dates and times later.

A look out the window over the High School ball fields attests to the fact that the groundsman are shaping up the diamonds for the community baseball and softball season. We already have several Little League Openings on the calendar. Be patient all you ball players—our groundsman know that pitchers rubbers and home plates have to be installed along with other details. There are 27 diamonds on school district fields and it all takes time.

Contact has been made with the County Recreation Department concerning summer swim lessons. Hicksville Recreation will have exclusive use of the pool from 8 A.M. to 9 A.M. during July and early August. The school

Recreation staff will teach children to swim and improve those in the "dog paddle" stage. While in contact with the County we learned that the ice rink will be kept open during the summer so some plans will be made around this unique "hot weather" sport. No bikinis on the ice please!

More about summer—the success of past summer recreation programs has been due, in part, to the dedicated services of the high school volunteers and paid leaders. This system has had many salutary results. Budding teachers have gotten a start, relations among children and teenagers have been enhanced, and a service experience has been realized by the student leaders. We shall have to pick up the traces and refurbish this summer student leader system. On that note of high optimism I shall ramble off.

SPORTS

By
Howard J. Finnegan

Levittown Division, which more than once has gouged the enamel off a prestige athletic campaign of Hicksville, got its claws in the Comets 1969 Lacrosse record and scratched out a 5-4 victory.

Division won the championship of the Bethpage Easter tournament with a ground hugging shot in the second overtime. The upset cost Hicksville its second defeat of the year as against four wins. Only 31 seconds remained in the period when the goal came.

Drilling three ankle high shots at the Hicksville nets in the first period, Division rushed in front 3-0. Another success in the second period had Division ahead 4-0 at halftime.

Hicksville was still perplexed late in the third period but suddenly came awake when Pat Dowling broke loose and drove home a goal.

Three straight goals by the Orange and Black--Dowling again, Rich Kowalchuk, Charlie Arnone--tied the game in regulation play.

Hicksville had all the best of play in the first and second overtimes until that fateful last minute. The Comets lost possession on indifferent play. A foul set them down one man and on their only offense thrust in 18 minutes the dragons scored to win it.

Coach Bill Meyers team will open league play this Friday at MacArthur and will visit Syosset next Tuesday. 4:00 P.M. starting time both days.

Our Selections:
Hicksville 7 MacArthur 5
Hicksville 9 Syosset 4
Clarke High snapped Hicksville's winning streak, 2-0, Tuesday, and threw the NSAL Section One baseball race wide open. The Comets only got two hits. Bob Skrowski was tagged with the defeat.

The league season had started encouragingly as Skrowski went the route in disposing of Syosset 7-2. Hicksville built a big lead on three hits by Pete Swedella and two by Doug Bousch.

Skrowski had been effective in Connie Mack play last summer but somehow never completed a game. He slowed but did not

falter in the last two innings and coach Dick Hogan was content to let him finish.

In a critical visit to the Syosset diamond Gary Jackson came up with a three hitter for the Orange and Hicksville won 3-1. He struck out nine along the way.

Jackson got the ball rolling in his own cause with a triple to right which produced the first Comet run. Swedell and Chip Bayer slapped out a double and single respectively which chased over the other Hicksville runs.

In a non-league contest Hicksville stretched its mark to five in a row by defeating Levittown Division 2-1.

Starting with St. Dominic at home Friday Hicksville has a busy schedule in the immediate future. Chaminade visits the local diamond Saturday morning. In League encounters Farmingdale is engaged Tuesday and Wednesday afternoons. The first game will be at Hicksville.

Hicksville's Junior Varsity baseball team rapped out ten hits in support of pitcher Gary Daub as the Comets registered an 8-3 win over Levittown Division.

It was the third victory as against 1 loss and 1 tie.

Hicksville had previously split with Syosset. Daub turned in an excellent three hitter but lost 2-1.

In the return match Frank Feeley held the Braves to a lone hit as Gary Descent and Matt Tedesco garnered two hit each. The Comets won 3-0.

Catcher Descent leads coach Bob Hilsky's club at the plate with 7 hits in 12 at bats. Operating from shortstop Tedesco has four hits as does Dennis McLaughlin. Wes Oldenburg and Tony Esposito have contributed two timely hits apiece in the opening victories.

The Board of Directors of Hicksville Alumni has brought a block of 25 tickets to the Hicksville-Syosset Lacrosse game May 9th. The game is carded under the lights of Hofstra Stadium on the new Astro Turf.

The game will be a showcase for the Hicksville athletes and as much community support and attendance as possible is needed. Tickets may be purchased at the high school.

LIBRARY NOTES

Mr. Gardiner E. Gregory, Director of The Gregory Museum, 207 Cottage Boulevard, Hicksville, will lecture at "Earth Science and Gem Show" in Lancaster, Pennsylvania on May 3rd and 4th.

On May 14th, he will be the guest lecturer at the Pennsylvania Earth Science Association banquet at the Village Inn, Lehigh Valley, Pennsylvania.

Mr. Gregory will also Lecture at the "International Gem and Mineral Show" to be held at the Hilton Hotel in Washington, D.C. from July 3-6.

At both the Pennsylvania and Washington show The Gregory Museum will have displays of minerals and jewelry, and will give demonstrations on the petrographic microscope, photomicrography, photomicrography, and faceting of gem stones.

Mr. Gregory is the Director of Curriculum Materials in the Hicksville Public Schools.

H.H.S. Senior Gary Anderson recently had a one-man show in the school library featuring his woodcuts. Gary is seen here at work on a new series of woodcuts. Insets show two of the prints that the young artist displayed. His accomplishments in this intricate and difficult art form have brought much honor and favorable comment to his art teacher Mr. Richard Ericson, and Hicksville schools.

Club chairmen, Cub Scout den mothers, Boy Scout leaders, P.T.A. presidents, teachers, youth group leaders, and parents should be aware of the 16 mm sound films available at the Hicksville Public Library in both black and white and color. Very often a film related to a theme for a meeting, or a film to stimulate discussions at a youth meeting, or one just for fun at a children's party is available at the library. All that is needed is your library card, and a 16 mm sound projector owned, rented or borrowed for the occasion. There is no charge for the film.

To illustrate the variety of topics with which the films deal, may we suggest some of the following uses for them. One of the women's clubs or art associations might be interested in showing THE WYETH PHENOMENON, a 23 minute color film showing Andrew Wyeth's paintings emphasizing his strength in portraying traditional American subjects. An historical organization would find interesting TRUE STORY OF THE CIVIL WAR, a 33 minute black and white film with original Matthew Brady photographs, newspaper cartoons and headlines of the 1860's. One of the youth groups affiliated with a local church might like to use HOOKED, a 20 minute black and white sound film with former addicts recounting the hopelessness of an addicts life. These are but three of the twenty-five films available at the Hicksville Public Library during the month of April.

In May, MIKE MULLIGAN AND HIS STEAMSHOVEL, will be among the films on hand and is a favorite of mothers planning a

children's party for youngsters in the primary grades. LOU GEHRIG would be an interesting film to show at a Little League organizational meeting and it includes the touching farewell at Yankee Stadium on July 4, 1939. MAJOR RELIGIONS OF THE WORLD could be used in conjunction with a church or Sunday school program.

Among the films available in June, BOY'S TRIP INTO GRAND CANYON would be of interest to scouts of all ages. It follows a pack train adventure down into the awesome canyon. It is in color and runs fifteen minutes. EDDIE RICKEN-BACKER would be an interesting film to those over sixty-five who like to reminisce about one of their contemporaries. Ricken-backer, now 79 and still "going strong" is an inspiration to everyone. LEARNING ABOUT FLOWERS, a ten minute color film in sound explains about different kinds of flowering plants through the use of time lapse photography. It would be of interest to gardening clubs, photography clubs, and many other types of organizations.

During the year the Hicksville Public Library makes available to its patrons over 770 films. There are two collections of films which may be borrowed by Hicksville residents. One collection is a rotating collection of 269 films owned by eleven cooperating libraries. Each library keeps twenty-five films for twenty-five days after which time they are shipped on to the next library whose turn it is to have them, and then receive twenty-five more from one of the other eleven libraries. In this way each of the participating libraries

has films for almost a month so that over the course of a year's time, each library has made 269 films available to its patrons. The other source of films is the Nassau Library System's collection of over 500 films. These are stored at the system headquarters in Roosevelt Field and are sent on to any one of the 53 libraries in the Nassau Library System at a patron's request. Needless to say, the sooner one can reserve a film for a specific date, the better chance one will have of obtaining it.

Each year the Nassau Library System and the rotating collection discard damaged or obsolete films and add new ones. Over 100 new titles were added by the Nassau Library System this year. Some of these titles are: AUTOMOBILES: THE GREAT LOVE AFFAIR (54 min.); BEYOND LSD (color 25 min.); ELSA THE LIONESS (30 min.); HERITAGE OF THE NEGRO (30 min.); THE MOODS OF SURFING (color 15 min.) and THE NEW MORALITY (37 min.).

Reservations can be made for a Nassau Library System film up to three months in advance and should be made early as possible since 53 libraries use the service. Reservations for the rotating collection (11 participating libraries) are taken from the first day of each month. Listings are available at the library. Make your reservations as early as possible so you won't be disappointed.

Over 75 films are requested by Hicksville classroom teachers each month! Another reason for voting "YES" for your public library budget, June 10.
