Herald Report of School Board Dist. 17 Hicksville

By Shirley Smith

No School Board meeting this week. The next scheduled meeting is Tuesday, April 29, 8:00 P.M. at the Administration Building on Division Avenue.

Some budget news, though. "Your School Tax Dollar," a set of 80 color slides with a 15 minute tape narration is now available for use by organization, at kaffee klatches or for any interested residents of Hicksville. This material has been prepared by the district's administrative staff to help explain the proposed 1969-70 budget. A brief history of school in Hicksville and their development is included, along with explanations of how our tax monies are being spent to educate the children of Hicksville.

Those interested in obtaining this slide presentation should contact the Curriculum Materials Center, Administration Building, Division Avenue. The phone number is WE 5-9000, ext. 429. The slide projector and tape recorder and an operator for the equipment will be provided by the Curriculum Materials Department. If you wish to have someone from Administration at the presentation to answer questions, contact Superintendent Donald Abt's or Assistant Superintendent Charles Abern's offices.

This is an informative, interesting explanation of the budget and our school system. We suggest that you take advantage of this opportunity to learn more about your school district.

SPRING CONCERT AT H.H.S. The Hicksville High School music department presents its annual spring concert on Friday, April 25th 1969. The concert will be given in the senior high school auditorium at 8:00 p.m. The public is invited and admission is free.

Participating are the Symphony Orchestra and four choral groups. There are over 400 students actively involved in this endeavor. Seen here is Mr. Charles Arnold rehearsing one of the choral groups.

LIBRARY NOTES

Did You Know . . .

That many of the teachers of the district take advantage of the Hicksville Public Library's standing offer to conduct story hours for classes in the primary grades? Just this week six kindergarten classes visited the library. They were given a tour of the children's library and general instruction concerning the library. The librarian read three stories to each class and the children enjoyed the visit very much.

Did You Know . . .

that the Hicksville Public Library can arrange for a record player and recordings known as "talking books" for anyone in town who is not able to read to themselves? Books and plays are recorded by leading actors and actresses on these records. Just inquire at the main desk about this service.

Did You Know . . .

that we maintain a telephone reference service? Last year 1,811 reference questions were handled by telephone at the Hicksville Public Library. Sometimes we are able to quickly find an answer to one's question. If, however, we cannot quickly answer the question, we take the patron's telephone number and call him back when the answer is found.

Did You Know . . .

that there is a lovely display in the foyer of the Hicksville Public Library to celebrate National Library Week this week. The vibrant colors of a Peter Max poster are carried out throughout the display. Also in the foyer, is a bulletin board where notices and posters can be found. Information about forthcoming community events are here, Civil

Service examination test announcements are posted, and school and library board meeting announcements can be found. Check the items when you come in.

Did You Know . . .

that we are very proud of the group of student volunteers who organized for the support of the Hicksville Public Library budget? The group has already planned some of their projects and activities. They plan to compose a flyer, distribute material about the budget, write letters to newspapers, collate a brochure on colleges and careers for distribution to high school students, and many other things. We hope their enthusiasm is catching.

Remember to vote "yes" for the library budget on June 10th.

New Bandmaster Seeks Players

Peter J. Seitz of 57 Fireplace Lane, Hicksville, has been named by Charles Wagner Post # 421 American Legion as new bandmaster of the Post's Junior Band the Bellaires. Legionnaire Seitz had previously served in this capacity from 1959 to 1967 during which period the Bellaires won many parade honors.

The junior band is part of the Child Welfare Program of the Charles Wagner Post and uniforms, instruments and instructions are pro-

vided by the Post. The Bellaires feature Glockenspiels and Drums and practice every Saturday morning at the Post Headquarters, 24 E. Nicholas Street, Hicksville, at 10 A.M. There are openings for Bell players and drummers and all applicants must be at least twelve years of age and should report to Bandmaster Seitz at the Legion Clubhouse on Saturdays. Boys and girls will be equally considered for the several open positions in both the bell and drum sections.

Annual Fair

Annual Dutch Lane PTA Fair will be held on Saturday, April 26 at Dutch Lane School, Levittown Parkway and Stuart Ave. in Hicksville.

Hours are from 10:00 a.m. to 4:00 p.m. Free admission and free baby-sitting available -

Events scheduled; games, White elephant sale, Boutique, Early American items, Live plants, Cake sale, Used toys, Refreshments available, and Auction. Fun for all!

Ice Skating Thru Summer

Nassau County will try to prolong this year's ice skating season at Cantiague Park with a special summer season lasting from June 20 to September 7, County Executive Eugene H. Nickerson announced today. The enclosed rink usually closes in mid-April and does not re-open until late October.

"At the request of many skaters and skating clubs, we have studied the capabilities of the rink for retaining ice during the warm months," Nickerson said. "The rink was not, of course, constructed with summer skating in mind so there is no certainty that a good skating surface can be maintained with

hot weather outside. We are, however, willing to operate this summer on an experimental basis with the understanding that the rink may have to be closed down if it doesn't function properly.

The planned schedule is as follows:

1. Public sessions will be held daily, including Saturday and Sunday, from 1:15 to 3:15 p.m. and on Tuesday, Wednesday Saturday evenings from 8 to 10 p.m.
2. Hockey Leagues will operate daily from 3:30 to 5:30 p.m.
3. The Figure Skating School will be held daily Monday through Saturday from 9 a.m. to 1 p.m.

4. Charter rentals will be available Sunday morning from 9 a.m. to 1 p.m., Thursday, Friday, Saturday and Sunday evenings from 5:45 to 7:45 p.m., and on Monday, Thursday, and Sunday from 8 to 10 p.m.

Public session rates will be unchanged from the present \$1 for adults 18 and over and 50 cents for children under 18. Special instructional rates for the Figure Skating School will be announced later.

Bank Assets Soar

The Roslyn Savings Bank reports deposit gains of \$23,246,516 for the twelve month period ending March 31, 1969. Assets of \$216,755,784 represent a \$9,063,000 growth since January 1, 1969. Deposits at quarter-end amounted to \$199,990,865.

Since January 1st, Roslyn Savings Bank has made mortgage commitments in excess of \$11,588,000 on Long Island real estate. For the past several weeks, commitments to individual buyers of homes in Nassau and Western Suffolk counties have been made at the rate of approximately \$1,000,000 per week.

The currently anticipated interest rate on the conventional home mortgage commitments is 7 1/2 per cent, while the rate on VA guaranteed commitments is 7 3/4 per cent.

Roslyn's policy of committing all of its current investment funds in Long Island mortgages has been a boon to Long Island home owners wishing to sell their homes. Likewise, the would-be home buyers on Long Island have been encouraged by the availability of a Roslyn Savings Bank mortgage during a period of scarce mortgage funds.

Roslyn Savings Bank is the only savings bank maintaining three offices located at Roslyn, with branches in Farmingdale and West Hempstead.

Receives Contract

Congressman Lester L. Wolff announced today that the U. S. Department of Commerce has awarded a Hicksville corporation a \$32,510 contract for the development of a radio direction finder used to track weather balloons.

The Servo Corporation of America will receive funds from the Commerce Department's Environmental Science Service Administration.

Our Armed Forces

Radarman Third Class Michael S. Modansky, USN, son of Mr. and Mrs. J. Modansky of 12 Middle Lane, JERICHO, is serving with Commander Coastal Squadron One in Vietnam.

Deployed in support of the U.S. Navy's Market Time Operations, he will participate in coastal patrol operations designed to prevent the infiltration of men and war materials by sea to enemy forces in South Vietnam.

To carry out their mission, the coastal forces utilize the Navy "Swift Boat", capable of extended patrols without refueling and armed with an 81mm mortar launcher, and two 50 caliber machine gun mounts along with small arms.

Prior to his assignment, he completed an intensive three-month training program designed to prepare him for patrol craft duty.

One of the Army badges that soldiers wear with special pride is the Combat Infantryman Badge. It was awarded to Army Private First Class Ronald W. Sterner near Pleiku, Vietnam, March 30.

Pvt. Sterner, son of Mr. and Mrs. Phillip G. Sterner, 38 Alpine Lane, Hicksville, is assigned as a rifleman with Company B, 1st Battalion of the 4th Infantry Division's 8th Infantry.

The CIB has been awarded since late in World War II for sustained ground contact against an enemy.

In honor of its singular meaning, the badge is worn above all other awards and decorations, over the left breast. It is a blue rectangle with a silver rifle mounted on it, superimposed over a curved wreath. Subsequent awards are represented by stars at the top center of the wreath.

Army Private First Class John J. Morrissey, 21, son of John Morrissey, 254 Fair Haven Mall, JERICHO, was assigned to the 173rd Airborne Brigade in Vietnam, March 18.

A rifleman assigned with Company B, 2nd Battalion of the brigade's 503rd Infantry near Bong Son, Pvt. Morrissey entered the Army in July 1968 and completed his basic training at Ft. Lewis, Wash. He was last stationed at Ft. Benning, Ga.

Jack Baier, son of Mr. and Mrs. Jack Baier, Sr., of 12 Jonathan Avenue, HICKSVILLE, was awarded the Silver Star, for bravery in action in Viet Nam on January 6, during a chapel program at Atlantic Union College in South Lancaster, Massachusetts, where he is a freshman physics major. Making the presentation was Brigadier General John Cushman of Fort Devens,

Massachusetts. Baier served as a medical aidman, with the rank of Specialist Five ES, with Company A, 2nd Battalion, 18th Infantry, near Kom Bung.

In a sudden contact with numerous, well-entrenched Viet Cong, several members of Baier's platoon were seriously wounded. Disregarding his own safety, Baier moved forward to treat the wounded, and then moved them to a spot from which they could be evacuated.

Gunnery Mate Third Class Fred W. Schwartz, USCG, son of Mr. and Mrs. Harold B. Schwartz of 63 Arcadia Lane, HICKSVILLE, is serving aboard the U. S. Coast Guard cutter Escanaba on Ocean Station Delta, in the Southern Atlantic.

His ship is presently participating in a new program recently initiated by the Coast Guard which shows the Coast Guard's growing participation in oceanographic and oceanographic engineering.

While on Ocean Station the Escanaba will also be performing its other prescribed duties, as a navigational aid, search and rescue and assistance at sea, and as a first line of defense in our national security.

Dental Technician Third Class Donald F. Habermehl Jr., USN, son of Mr. and Mrs. Donald F. Habermehl Sr. of 23 Pilgram Lane, Westbury, and husband of the former Miss Carol M. Fred of 6 Carroll St., HICKSVILLE, was one of 85 men from the Naval Air Reserve Training Unit in Washington to march in the funeral procession of General Dwight David Eisenhower.

The men escorted the body of the former President from the National Cathedral to the Capitol rotunda.

Arbor Day

Arbor Day is the last Friday in April, April 25th this year. This day, first observed in 1872, is set aside to encourage the planting of trees on private property, along highways and about public buildings. Trees undoubtedly contribute to the wealth, health and comfort of the general public.

The observance of Arbor Day by local schools, civic associations and civic clubs often points out how trees contribute to the beauty of the landscape and contribute to recreation. Trees are used as examples of how nature can be preserved.

We are lucky in our town that Arbor Day comes at the peak of the spring planting season. Why don't you plant a good tree on Arbor Day?

Welcome to a New Business

The CHERRY HILL BOOK STORE, has opened at 667 Mid-Island Plaza. This fine store, owned and operated by Murray J. Simon and Hazel Simon, is Hicksville's only book store. It is a true bookstore - no get-well cards, no stuffed animals, no gifts for Aunt Suzie... just books... books... both paperbacks and hard backs. So, hurry on down... and get acquainted. We know you'll be glad you did.

At The Wedgewood

Margaret Whiting is now playing at the Wedgewood Dinner Theatre in Glen Cove. This production is an adaptation of the memoirs of Gypsy Rose Lee and makes for a pleasant evening's entertainment. Incidentally we also highly recommend the "prime ribs" at this attractive dinner theatre... in fact, all the food is excellent.

New Zealand Lamb

Last week we were the guest of the New Zealand Lamb Producers Association for luncheon at the Milleridge Inn. It was delicious, from the Islander's Teriyaki (lamb hors d'oeuvre), Toheroa (giant clam) soup, Kiwi Kebabs which was delicate chops from New Zealand's small-boned lamb, as well as roast leg of lamb Wellington with the traditional mint sauce. The luncheon also included a vegetable garland, fresh green salad and or dessert, a favorite New Zealand dish - meringue with whipped cream and fresh strawberries! So, now you know what happened to my ambitious Lenten dieting! We must say that it was a delightful change in meat taste, and we, for one, recommend that you start asking your butcher for New Zealand Spring Lamb... it's really great!

SPORTS

By

Howard J. Finnegan

It was palpation week for the followers of Hicksville High School athletic fortunes.

The hazardous conditions associated with league openers were confronted and overcome but not without summoning the greatest of efforts.

Already badly shaken by a 5-4 holiday loss to Levittown Division, Hicksville's Lacrosse team was stunned as it looked at an 0-3 deficit in the second period against MacArthur.

Pat Dowling rallied the Orange and Black and scored three goals to tie the first league contest 3-3 at the end of regulation play.

In the two overtime periods MacArthur notched another goal but Dowling's efforts had Hicksville free wheeling again. Chuck Brady, Rich Kowalchuk and Brian McAuley found the range. Hicksville won 6-4.

Goalie Ron Greguski was called upon to make 21 saves for the Comets.

After a 2-0 loss Hicksville's baseball team was under pressure in the return match with Clark.

The Comets won 5-4 as Doug Breuch walked the bases loaded in the last inning. He forced home the winning run to give pitcher Bob Rangers the victory.

Rogers had taken over in the second inning. Gary Jackson started for the Comets the day previous and went two fluid innings before rain washed out the game. He started the next afternoon but needed early help from Rogers.

Kevin McHugh had 3 for 3 for the Comets and Tony DeFendis utilized his single to gain a Hicksville score. He dived head first into the waiting catcher and tore the ball out of the mitt to get a safe single at home.

Before he got the vital free pass for 90 feet Breuch contributed a double in a two run Hicksville second inning.

Dean Lewis sailed home a goal with 30 seconds left in the second overtime period to give the Hicksville Junior Varsity Lacrosse team a 4-3 win over previously undefeated MacArthur.

It was his second goal of the day. In the wildly exciting game the visitors matched his first and those of Charlie Kyriou and Clint Brown to maintain a 3-3 deadlock after four periods.

Lewis's shot preserved a stimulating victory for coach Joe Umbria's team while George Pislis stood fast in the goal. He turned back 16 shots on goal.

Steve Marlow worked a comfortable game for substitute

coach, Carl Schultz, as Hicksville bested St. Dominic's 4-1 in a non-league diamond game.

Head coach, Dick Hogan, had to be off for the birth of his second son so Schultz got the task of filling in.

Marlow toiled solidly allowing

just four hits and striking out 8.

DeFendis chimed in with three hits and McLaugh came back with... 2 Pete Swedella delivered a long fly to drive in the first run.

The Comet baseball team has a non-league game with Bethpage carded for the home field this Friday. Plainedge is in for a league match on Tuesday with the second game on the Red Devils field in North Massapequa on Wednesday.

The Lacrosse team had Clarke at Home Friday and travels to Farmingdale on Tuesday.

Our choices: Hicksville 7,

Clarke 5

Hicksville 8, Farmingdale 3. If the intensive effort and work on the part of the athletes continues Hicksville will be in the headlines again in track and field results.

According to coach Ken Kingsley the present group of boys are the hardest working earnest individuals to come out for the sport in a long time.

It was a team of all sophomores and Juniors that turned in a surprise 82-54 league victory over MacArthur last week.

In the 100 and 220 yard dashes it was Ed O'Reilly who turned in a

double victory. His times were :10.7 and 0:23.7.

Joe Schreiber was another double winner with a broad jump of 17 feet 8 inches and 35 feet 11 inches in the triple jump.

Brian Golden cleared 5 feet, 6 inches to win the High Jump and Don Stefek cleared 10 feet for the Pole Vault honors.

Larry Blauvelt circled the track in 0:54.8 to annex the 400 and the two mile run saw John Johnston take ten minutes and 25 seconds to pull down the blue ribbon.

More than 250 Nassau Community College students are engaged in a business of mercy to bring relief to both Nigerian and Biafran victims through a giant benefit bazaar to be held on the campus Saturday, April 26, from 7 p.m. to midnight.

services to enliven the benefit with continuous music, and Phi Theta Kappa, the college's honor society, will stage a dance contest every hour to the Sun's music. The professional African Dance Group is also donating its services.

Sparking the drive is Gamma Tau Gamma, the college's Engineering Society. V. P. Don Blind of Lindenhurst and Secretary Joe Bocci of Elmont, who are on the arrangements committee, reported that 15 clubs are setting up booths offering a belly-laugh variety of entertainment.

"The clubs are using all kinds of crazy ideas to raise money," said Don. "The Sigma Theta Chi sorority, for example, is setting up a booth to offer old-style slapstick participation. Darleen Doscher said that their members (one at a time) will act as targets for gelatine tossers; and if they don't dodge deftly enough, POW, they'll get it from a bucket of whipped cream!"

"And Lori Lyons, president of the International Club (who lives in Great Neck) said that her outfit will run a turtle race," Don added.

President Robert Simending said that all funds will go to the Nigerian - Biafran Emergency Relief Fund, which is affiliated with CARE.

For a \$2 admission to the Fieldhouse bazaar the contributor will get a book of coupons which can be used to buy refreshments or take chances at the entertainment booths.

Another unusual feature of the benefit will be the contribution of the Chapel Players, student theatre group on campus. They have scheduled for the evening before the bazaar - Friday evening, April 25 - a special performance of "On Borrowed Time," their next production. Curtain time is 8:30 p.m. at the College Workshop Theatre. Admission for this benefit performance has been raised to \$1 for college personnel, \$2 for others, with the entire proceeds going to the relief fund.

Ramblin' Rose

by Rosemary Walsh

Two old friends came to visit us this week—one a former student from the high school, Tommy Sullivan—another a retired custodian, Harry Hoffman, they both caused us to reminisce a little.

Tommy Sullivan is part of a musical group called "The Brooklyn Bridge". The group has its roots in Hicksville with several of the alumni being part of the contingent. They have attained the "Golden Record" level, appearances on T.V. (Ed Sullivan, etc.) and at the moment are scheduled for the Electric Circus and some prom dates.

We got to know Tom when he led our first "Battle of the Bands" winners back there in the dark ages. He reminds us that some of the lessons learned then stood him in good stead. The "Battle of the Bands" format requires the ability to set us quickly. This is no mean assignment when one considers the extensiveness of electrical equipment involved. Well—at one of Tom's earlier auditions this

skill helped considerably. Good luck, Tom! We expect to hear a lot more about "The Brooklyn Bridge".

Our other old friend—Harry Hoffman, drops in on occasion for a visit. Harry served as custodian at Lee Avenue for many years. We first got to know him when serving as a P.T.A. officer at that school and later in our current recreation job. Anyone who has done community work that involves the school is very cognizant of the contribution made by the school custodian. He often can make or break an event. It is our pleasure to report that Harry always aided in the success of those many little ventures. This by the way is typical of our district custodial people. When you are caught up in one of these affairs the temptation to lose your sanity is always prominently present—thanks to Harry and his colleagues our sanity has been preserved many times. Harry likes to talk about his hobby. He

is a pigeon fancier—there's probably another name. Flying these little birds can be a very rewarding sport. Their well known ability to get home never ceases to inspire wonderment. Mr. Hoffman has gained widespread recognition for his breeding and training techniques.

We must report that our North Star Hockey Champions were treated to a loss against the Pointe Claire, Canada Hockey Team. It's well known that hockey is to Canada as baseball is to U.S. so it's no small surprise that our boys suffered a defeat. However, it's a start and was an honor to meet such a formidable international opponent.

A meeting involving Town of Oyster Bay Officials, the Board of Education, and respective recreation administrators took place this week. The purpose was to establish cooperation in order to insure maximum benefit for Hicksville—especially for the coming summer.

As "corresponding secretary" for the group it can be reported that progress was made.

Ramblin' off time folks—see you at little league openings!

Twenty Two men stepped up to the line this past Monday night and with six of them hitting the bull's eye twice they rang that 200 gong 28 times. That's a new record. If this keeps up we'll need the full page of the Villager to report the bowling news.

With only 4 weeks left the race is getting tighter and tighter. Right now we have a tie for 1st place and the 6th place team is only 8 points away from the top. The Leo Geyers climbed back into the lead when he and two of his cubs sang out as a trio. Leo led the way with a 224, Sid Lowenthal backed him up with a 209 and Larry Schwartz completed the chorus with a 201. They beat the Norm Neys 8-3.

Sharing the top spot are the Mill Hoffman "7-11's." They had no individual heroes but a fine team effort brought them a 7-4 victory over the Murray Kowlowitzs despite Mike Hauptman's 203.

In 3rd place are the Irv Simes "Spoilers" who were involved in quite a slugfest with the Sid Holtzman who are in 6th. Lew Marks cracked a powerful double, a 222 and a 223 for a 616 series, and teammate Buddy Flanders followed up with another fine double, a 223 and a 208 and an even better series of 623. With such bowling you wonder how the "Spoilers" could lose, but they did by a score of 8-3. The opposing cap't. Sid Holtzman, rapped a 220, Bernie

Kaplan hit for a 212 and a 214 and that dancing master of the art of bowling, Irv "Twinkle Toes" Herskowitz, adagioed a gigantic 256. Irv, you're beautiful! With that kind of bowling it was no wonder that the Holtzmans set a new Hi Game Scratch record of 974.

Herb Brody's 4th place 'Black Panthers' were lucky to remain in that spot when the night was over. They were meeting Julie Gershen's "Hatchmen" and right quick Julie threw a 206 and a 205 to clinch the first two games. It wasn't until Herb woke up in the third game and boomed a 223 that the "Panthers" salvaged 3 points.

Bill Kellerman, captain of the "Gurus," nearby bit through his pipe as he watched his double go down the drain. He fired a 203 in each of the first two games and saw his "Gurus" lose both to the Ralph Diamonds. Burt Benjamin with a 223 and Nat Warren with a 206 were the big guns for the Diamonds as they came out on top with an 8-3 win.

The only shut out of the night was fashioned by Sid Sachs and his "Chargers." Sid cracked an even 200 (his 23rd and he now leads Mill Hoffman by 1) and led his men to the 11-0 win over the Sy Bruckners.

Here is a run down of the other heroes of the night: Murray Gittelman 204 and 202, Red Karbel 216, Irv Galt 214, Hy Shapiro 213, Sid Lang 210, Nelson Burack 206 and Monroe Hyman 206.

BCA Endorses Jericho School Budget

By Bernyce Shimberg

A motion to endorse the Jericho School Budget for 1969-70 was passed by the Board of Directors of the Birchwood Civic Association on April 15, 1969. Your B.C.A. urges you to "make a note to vote" on Wednesday, May 7, 1969, from 2 PM in the gymnasium at Jericho High School, and to VOTE YES!!!!

After many months of study and review, the Jericho School Budget for 1969-70 was finalized and presented to the public. Two members of the B.C.A. Board of Directors, Bernyce Shimberg and Bernice Baiman, served as members of the Budget Review Panel attended every meeting, where each item of the budget was discussed in great detail. The proposed budget is a result of the recommendations of the Panel members, tempered by the School Board's attempt to balance the strong educational aspirations of the students and community with realistic financial limitations.

Historically, the B.C.A. has always voted on whether or not to endorse the Jericho School Budget. This year, David Nydick, Superintendent of Jericho Schools, was invited to attend the April 15 meeting in order to answer any questions the Board might have on the budget. Mr. Nydick, James W. Slattery, Business Manager; Edmund A. Tanzi, Director of Instruction; and Robert Mannheimer, Jericho High School Principal; attended the meeting. Various aspects of the budget were reviewed,

questions were answered, and the B.C.A. was assured that the tax increase over last year will be held to a maximum of \$.999, since this Budget contains a contingency fund for salary increases which might result from the negotiations currently going on under the N.Y.S. Taylor Law. This year's Budget totals \$7,004,318. The tax rate is estimated at \$9.289 per \$100 of assessed value.

The Jericho Education Committee recommended endorsement of the Budget because they felt that it was prudent, realistic, yet within the framework of Jericho's educational goals. Remember, "make a note to vote" for the Jericho School Budget on May 7, 1969, from 2 PM to 10 PM in the gymnasium at Jericho High School, and VOTE YES!!!

Bernstein Leaves BCA Board After 13 Years

For more than a decade (13 years), Horace Bernstein has given unstinting service to our community but now he has decided to call it quits. A member of the Birchwood Civic Association since its inception, Bernstein has been forced to retire from active participation on the Board of Directors in order to devote more time to his business interests. When the new slate of officers is installed on Saturday night, May 3rd, Horace's name will be missing for the first time since 1956.

In 1956 and 1957, Bernstein was a member of the Forming Committee of the BCA which met at the Hotel Roosevelt in New York City. When the Board officially began operating in 1958, he was its Recording Secretary. In the ensuing years, Horace held the following positions: 1959-1961 Financial Secretary; 1962 2nd Vice-President; 1963 1st Vice-President; 1964-1965 President; 1966-1969 Member of the Board of Directors.

In addition, he served as Editor of The Villager for three years; was Chairman of the Syosset Education Committee for two

years; represented the BCA on the Joint Civic Council for five years; and was Membership Chairman for three years. Horace Bernstein has compiled an enviable record in civic affairs. We know the entire community of East Birchwood joins us in expressing sincere appreciation for his efforts in our behalf.

Board Nominations For BCA Completed

The Nominating Committee of the Birchwood Civic Association has completed its slate of officers and directors for the coming year, effective with the Election-Installation Night Dance on Saturday, May 3rd.

The work of the Committee was made more difficult than usual as four members of the current board decided to retire and not seek re-election. Also, despite previous articles in this paper requesting interested parties to contact the Committee, no additional candidates other than those who presented themselves were forthcoming. In addition, there were no petitions filed by any resident member as provided by the BCA's Constitution. This resulted in only the exact amount of candidates being selected for the available vacancies.

The officer nominees are, as follows (one year term): President Don Becker; 1st Vice-President Fred Rothman; 2nd Vice-President Dot Petzholt; Financial Secretary Harry Sexton; Treasurer Morris Mishkin; Recording Secretary Dr. Lester Goldstein; Corresponding Secretary Irv Herskowitz.

For members of the Board of Directors to fill the existing vacancies (two year term): Sy Bruckner, Leo Geyer, Jerry Gold, Arlene Locker, Milton Mensch, Ed Petzholt, William Siegel, Bernyce Shimberg, Erwin Soroka.

Presently, there are nine other members of the Board of Directors whose terms do not expire until next year: Irwin Baumei, Bernice Baiman, Ralph Diamond, Mike Hauptman, Aaron Mansbach, Dr. Arthur Meadow, Art Rosenthal, Sam Saitz, Lotte Stein.

The four retiring members of the board are Sid Simon and Irv Galt, outgoing 1st Vice-President

and Recording Secretary, respectively; and Horace Bernstein and Fred Green, Directors.

Messrs. Bruckner, Mensch, Siegel and Soroka and Dr. Goldstein represent new faces on the Board; all other nominees have previously served on the Board in some capacity. A thumb-nail sketch of each of the five new members follows.

Sy Bruckner: makes his home at 6 Freedom Drive with his wife and three boys - is in the ladies sleepwear business in New York City.

Dr. Lester Goldstein: dentist - residing at 210 Birchwood Park Drive with his wife and 2 daughters.

Milton Mensch: resides at 18 Maiden Lane with his wife and two daughters - is an advertising account executive in New York City.

Erwin Soroka: lives at 208 Forest Drive with his wife, son and daughter - teaches school at a Queens Junior High School - presently running for election to the Syosset School Board.

William Siegel: Attorney, works with the village attorney of Lake Success - lives at 38 Magnolia Lane with his wife and two children.

Long Distance Walk

Walter James Drescher, a world champion walker plans to celebrate his 65th birthday, which is tomorrow, April 25th, by walking a mile for each year he has lived. Congratulations and a happy birthday to this well preserved senior citizen, who is a true sportsman. Mr. Drescher is employed as a butcher by the Hicksville Trunz Store.

Down Memory Lane

Mrs. Olga A. Arnold of Princess Street writes to tell us that last week's "Memory Lane" picture of the Hicksville Inn was located on the corner of West John St. and Broadway where Central Federal is now located. Thanks, Mrs. Arnold. And, the week before, Henry Lensky of 22 Amherst Lane wrote and told us that he well remembers the large group of people in that picture. "It was taken about eleven years ago, I believe at the American Legion building in Hicksville. The occasion was a meeting of interested citizens to discuss and listen to prospective school board candidates. My wife is at the extreme right front row." He writes, "Thank you Mr. Lensky. Sometimes times don't change as much as we think. And it's reassuring to note that there are still concerned citizens willing to serve in this capacity."

Until next week, do your best.

Sincerely,
Shelia Noeth

Welfare High

JERICHO, L.I.—Nassau County welfare recipients receive more public assistance money per recipient than any other county in New York State and Suffolk ranks fourth, according to a report, "Welfare on Long Island", released today by the Bureau of Government Research, a division of the Long Island Association.

Data in the 17-page report, compiled under the supervision of BGA Director, John Brewer, reveals that the statewide average in October 1968 was \$67.39 per recipient compared to Nassau's \$83.14 and Suffolk was fourth at \$65.99, behind Westchester's \$81.99 and New York City's \$70.21 per recipient average.

However, in terms of the portion of the population getting assistance, Nassau ranks 39th among the 57 counties, excluding New York City, and Suffolk ranks 11th. About 22 persons out of each 1,000 in Nassau get public assistance compared to 38 of each 1,000 in Suffolk. New York City has more than twice the number of recipients per 1,000 than any of the 57 counties outside the city, with a rate of 118 per 1,000.

Lutheran High Plans Summer Programs

Lacrosse is the new addition to the galaxy of Lutheran High Sport Schools which are offered for the seventh straight summer here on the 32-acre wooded Long Island Lutheran High School campus, boasting one of the finest gymnasiums in the East. Basketball is the original Sport School, having started in 1963. Wrestling was added a year later, girls' gymnastics in 1966, and football in '67.

The cage sessions continue as the longest and largest. There are three two-week programs scheduled, June 30-July 11, July 14-25, and July 28-Aug. 8. Wrestling is down for a pair of two-week clinics, June 30-July 11

and July 14-25, and girls' gymnastics one, Aug. 11-22.

One-week programs are on tap for lacrosse, July 7-11 and July 14-18, and football, Aug. 4-8 and Aug. 11-15. Both schools will be conducted at night, 6-8:30.

Once again, top-flight staffs have been assembled to conduct each of the Sport Schools.

Jim Amen, Jr., head coach at John F. Kennedy High School in Plainview, will head the new lacrosse program. Returning this summer are Frank Gugliotta of Walt Whitman High School in basketball, former Hofstra University coach Pete Damone in wrestling, Bruce Gehrke of Mineola High School in football, and Carol Alberts of Lynbrook in girls' gymnastics.

The Lutheran Sport Schools have enjoyed a singular success in the metropolitan area because of the individual attention each "student" receives. The excellence of the program is expected to continue under the direction of Jim Juergensen, Lutheran High's assistant varsity basketball coach, who takes over the reins this summer.
