Herald Report of School Board Dist. 17 Hicksville

By Shirley Smith

The Hicksville School Board voted Tuesday night to extend the hours for voter registration. The new time is 10 a.m. to 7 p.m., May 24 at the Administration Building on Division Ave. At the present time this district has a potential of 21,000 voters, but only 11,300 are registered. Elections are coming up and they are important. We will be voting on the 1969-70 budget and electing three Board members. We urge you to register and vote.

Also, at Tuesday's meeting, the Community Relations Advisory Committee requested that the Board budget \$3,000 for 1969-70 to publish the Community Education News. The committee plans to put out five issues at \$300 per issue. They are requesting an additional \$1500 to pay for collating and folding - this is now done by hand. The Board will take their request under advisement.

The PTA Council requested the use of the district addressograph to address copies of a brochure

they are putting out. This brochure is to help pass the proposed budget and will be mailed to all residences in Hicksville. Any expense incurred, due to district employees' overtime, plus all mailing costs, will be paid by the Council. The Board voted unanimously to grant this request.

Harry Kershen, trustee, suggested that the High School students have representatives at each Board meeting and have a regularly scheduled report, under Committee Reports. The Board will discuss this further.

Mr. Joseph Madden, Recreation Director, has received confirmation from the Town of Oyster Bay that our district will be reimbursed \$15,000 for the summer recreation program. We are requesting \$3200 from the Town of Oyster Bay for the program held this year, since January 1, 1969. If granted, this will insure the district some reimbursement.

LIBRARY NOTES

Did You Know . . .

that the Hicksville Public Library has a rotating collection of foreign language books? If you have a relative at home who does not read English, and for whom you would like to borrow a foreign language book, then please come in and ask us to assist you. We will either find something from our shelves, or we will borrow books for you in a foreign language from another library.

Did You Know . . .

That the Hicksville Public Library is situated nearer to its junior and senior high school than almost any other library's proximity to its secondary schools? In some districts the public libraries are from a half mile to two miles from the schools. Here in Hicksville, however, the public library is across the street from the junior high, and three blocks away from the senior high school. Their students fill our library every afternoon from 2:15 until suppertime, and many come back in the evenings to work on those senior themes and term papers that are due around this time of the year.

Did You Know . . .

that there is a lovely patio off the reference section of the Hicksville Public Library. Some of our patrons take a walk to the library and then browse through a few books and enjoy the patio while making their selection.

Did You Know . . .

the library budget will be submitted to the voters on June 10th. By approving the budget for the first time in several years, the community will restore an increased book budget, a full schedule of opening hours, special programs for adults and children and increased reference service. The library will cost the average homeowner about \$16.50 in 1969-70 if the budget is approved. If not approved about \$15.00. Have you seen a better bargain lately? Remember to vote "yes" on the library budget on June 10th.

Ramblin' Rose

by Rosemary Walsh

Well, how did you spend the past glorious week end. I was fortunate enough on Saturday to be one of the honored guests at the first Little League opening of the International Little League at Lee Avenue. Most of the gang was on hand including Mike Petito, our Town Supervisor, Carl Grunewald, our Local Committeeman, and one of our clergy, Rev. Hara of St. Ignatius, and of course those dedicated officers and their auxiliary. Yours truly had a real twinge of reminiscence when I realized that some of the managers announced had been little ole Farm Team Players when I first became involved in Community Recreation. I really think that is great—these young men have run the gamut from Little League to

Pony—Colt—Varsity and are now involved in local colleges or business and see fit to give of their time—hooray for them. I should also note the fine performance of the Junior High School Band under direction of Mr. Henry Gates. Probably while you are reading this, a similar scene will be taking place with the Hicksville Baseball Association at Abe Levitt—Dutch Lane Field. (We wish them the same balmy breezes.) They will be musically supported by the Old Country Road Elementary Band directed by Mr. Norman Ward. Some of these youngsters were really torn by various commitments for this morn, marching as players, or marching as musicians, others had an added perplexity, rehearsal for

their oncoming Confirmation. Having too much to do, certainly, beats too little. I can report that the disentanglement was simplified by the wonderful understanding of the Church, the School, and the Little League people. (Ah! so here is a community and in full cooperation.) A glance at the newspapers or a look at the evening T.V. news will testify that this is a rare commodity and we have it right here in Hicksville. NOW (let's keep it)

Talking of a unified community try not to miss a real Hicksville Night at Hofstra on Friday, May 9. Our stellar varsity Lacrosse team takes on Syosset on the famous Astro-turf. (Remember Syosset made us split North Shore football laurels in a closing

second touchdown.) Also featured will be our famous High School Dance Band led by the genial Mr. J. David Abt. By the way, Coach Bill Meyer has mentored our maturing team for many seasons. He has sent forth an enviable collection of stick men not the least among them is Denny Yatras captaining the Naval Academy Lacrosse Team and threatening to be their leading scorer. Quoted as follows: "He came to the Academy from Hicksville, New York where he learned lacrosse the Long Island way. At Hicksville High, he was quarterback and captain of the football team, in addition to lettering three years in lacrosse playing midfield." Again—a unified community concerned with the whole child can produce such excellent young men and women.

Now to a more gentle art—our Folk Singers are readying a Spring performance at the Junior High School Auditorium for the next week end. They are

talented, easy to listen to and even old Mother Rec understands their fine music.

Anyone who studies the schedule will surmise that a ramble is not enough, however, with a spring step I shall ramble off to all these events and see you there—

Music Of The Thirties

A series of special assemblies has been held at the Hicksville Senior High School this year as part of a cultural program arranged by the high school administrators. Sixth in the series was, "The Big Band Era."

Mr. David Abt, director of bands, presented the program in the auditorium, to over 750 enthusiastic students. Featured along with the band were a vocal group, a vocalist, and a trumpet soloist.

Jericho School Board Election

On May 7, residents of the Jericho School District will be asked to vote for the School Budget, and for two members of the Board of Education.

Sam Springer, who is completing his third year on the Board, is running for another three-year term, uncontested.

Hal-Curtis Felsher, who is completing his second term on the Board, is running for re-election. He has served as Vice-

President for one year, and was President of the Board for two years. Opposing him is Seymour Licht.

Since Mr. Licht declared himself a candidate only a few hours before the deadline for filing applications, which was midnight, April 23, the Board of Directors of the Birchwood Civic Association has not had an opportunity to meet to officially endorse a candidate.

Ten Pin Talk

Henry Dockswell

The first 3 teams are still playing musical chairs with the league lead and the second three teams are still hanging on like mad for that stretch run. Only 7 points separate the 6th place Sid Holtzmans from the new leader this week, the Leo Geysers.

Milt Hoffman's "7-11's", last week's leaders, were trounced 8-3 by Herb Brody's "Black Panthers." Sy Cohen, of the "7-11's" cracked a 202 to start his mates off on the right foot but then the "Panthers" exploded. Dave Kaye fired a 219, Cap't. Herb and Sy Shostack each rapped a 201 and Bill Sussman put the finishing touch on with a 210. The "7-11's" slipped to 2nd and the Panthers crept up to 3rd.

The Leo Geysers took possession of the top spot when Sam

Margolies threw a powerful 222 in the first and Cap't. Leo came up with a 211 in the second. This was enough for a 7-4 win over the Sid Simons.

The battle between Irv Simes' "Spoilers" and Julie Gershen's "Hatchmen" saw some heavy artillery wheel into action. Julie started it all with a modest 200 but lost the game. Then Eli Fisher boomed a 256 to even the score for the "Hatchmen." Buddy Flanders saw his 205 dwarfed by Eli's big one but he came right back with 215 in the rubber game. Then Irv Simes let loose with a 259 and victory belonged to the "Spoilers" but only by a 6-3 margin. The "Spoilers" slipped one notch to 4th.

In the race for Overall champion the Mary Kahns, First Half winners, are still leading. In 2nd place are the Sid Holtzmans, who finished 2nd, trailing by 15½ points. In 3rd place are Herb Brody's "Black Panthers", who finished 3rd, and they trail by 16½ points.

Sid Sachs leads the pack with 23 two hundred games and right on his heels are Milt Hoffman with 22 and Bill Kellerman with 21.

Sid also is tops so far in Hi average with a 182 but close behind are Leo Geyer and Irv Simes at 179.

In the race for Most Improved Bowler one guy is so far ahead that we can start printing the name plate on his trophy right now. Lew Marks' wife Lee must have discovered a magic potion sometime soon after New Years. Since the end of the First Half, on January 13, Lew has jumped from 159 to a captains rating of 172. That's 13 points and only a witches brew could have done that.

Four weeks to go and only Lew's trophy is in the bag.

B.C.A. Summer Mixed Bowling

By Henry Dockswell

Monday night, June 2, starting at 9:00 p.m. our BCA Summer Mixed Bowling League will start its 13 week summer session at Syosset Lanes.

Most everybody that bowled in this league last summer signed up and paid the \$7.00 registration fee at the close of last summer's session. Most everybody will be bowling with their same partners but there have been some changes.

The League will operate exactly the same as last year. There will be two divisions of 12 teams each and it will be a trophy league. The weekly fee will be \$7.00 per couple. This will cover everything: bowling, trophies, Sec'y fee and our Summer Bowling Dinner which is already set. The affair is at the Golden Meadowbrook, Saturday night, Sept. 28, 1969 so mark that date down in your social calendar.

Those of you who do not remember whether you are signed up and those of you who may be bowling with other partners please give me a call so we can be all squared away come Monday night, June 2.

Right now we have a full quota of teams but as always there will probably be some late openings so those of you who may still wish to join us call me at OV 1-0421.

IDEA MAN - Dan Katzenstein of Jericho shared the top award of \$2,000 in U. S. Savings Bonds during April given at Grumman Aircraft Engineering Corp. of Bethpage for money and time saving suggestions. Katzenstein is an engineer now assigned to Lunar Module Environmental Test, and shared the award with Marty Errente of Dix Hills, another Grumman Engineer working on the space craft. They submitted a proposal to freeze sections of plumbing (space vehicles) to create leak-tight plugs around a faulty part that must be removed from a line. This method does away with the necessity of draining the whole line. This "plumbing" adaption for spacecraft uses liquid nitrogen, and is applied to a water-glycol filled line. Katzenstein's Jericho residence is at 105 Columbia Drive.

ROSS MEADOW ENGAGED

Dr. & Mrs. Arthur Meadow of 112 Village Drive, Jericho, announce the engagement of their son, Ross, to Miss Paulette Frank, daughter of Mr. & Mrs. Norman Frank to New Hyde Park. Ross, former student of Jericho High School and Rockwood Academy of Massachusetts, is presently employed by a film company.

"Exuberance" At Jericho High School

On Sunday, May 4, at 2:00 p.m., an original sculpture, "Exuberance," will be unveiled at the Jericho High School in Jericho, Long Island. This sculptural work, cast in bronze, has been executed by the sculptor Peter Lipman-Wulf, and was commissioned by the Creative Arts Workshop of Jericho as a lasting gift to the Jericho Schools.

Mr. Lipman-Wulf is a sculptor especially well known in Long Island through many one man shows of his work and through his teaching activities as Professor of Art at Adelphi University. This is his third work adorning a Long Island school. A monumental bronze group, "Ballet Dancers," stands in front of the Swirl Library of Adelphi University, and a large ceramic mural, "Joy of Life," ornaments a wide wall of Mill Lane Junior High School in Farmingdale. His bronze

group, "Exuberance," will be erected in the front court of the Jericho High School.

The sculptor has chosen the theme of the dance, "Exuberance" is full of joy and optimistic feeling, an all embracing gesture to happiness. The work is conceived in a semi-abstract vein and depicts two dancers.

The sculpture is composed by a very complicated open form and has been realized through the lost wax process. The wax model is melted out by the foundry in the casting procedure and replaced by the bronze material. The actual work is unique and cannot be reproduced or duplicated.

Sculptures and graphics of Peter Lipman-Wulf are in more than 70 public collections throughout the United States and Europe.

Letter To The Editor

Hal-Curtis Felsher and Sam Springer are running for re-election to the Jericho Board of Education. Mr. Springer is running unopposed, while Mr. Felsher is being opposed by Seymour Licht.

Hal-Curtis Felsher has served long and well on the Jericho Board of Education. Under his able leadership as President, the School District has moved forward. He is conscious of rising costs, yet aware of the need for continued improvement in our educational system.

Having sat through many meetings with Mr. Felsher and Mr. Licht, and having had the opportunity to observe first-hand both gentlemen's actions and reactions to various situations which involved their philosophy of education, we strongly recommend that, on May 7, the residents of the Jericho School District vote with confidence for the re-election of Hal-Curtis Felsher and Sam Springer, so that we can continue to move forward and not backward.

Sincerely,
Bernice Baiman

Harold Sternberger, trustee, reported that the Adult Education has been a big success this year. The spring registration was even higher than the fall. The program has been more than self-sustaining. A complete financial report will be forwarded to the Board in the near future.

Mr. Sternberger will also present recommendations for new policy at the next meeting, May 13. He will move to amend the policy regarding transportation to summer programs, specifically to provide transportation for handicapped children to a summer recreation program sponsored by the Town of Oyster Bay. The cost for this will be approximately \$6300, if all 89 handicapped children in the district participate. At the present time, approximately 30 children are requesting the transportation, at a cost of \$2100. This matter will be decided upon at the next meeting. There is no provision in the summer recreation program of the Hicksville School District for handicapped children.
