## LIBRARY NOTES

The Hicksville Public Library is a busy place this summer and there is something for everyone. The Children's Library is conducting a Summer Reading Game with the timely theme "Blast Off To The Moon." Each child is to read six books. As each book is completed and reviewed, a "space ship" with the reader's name on it is moved along from earth toward the moon.

The Summer Story Hour for children ages 5 through 7 is continuing on each Thursday morning at 10:30. Sometimes the story hour takes place on the library patio, but if the weather is too hot, the air conditioned library is used.

The art classes for children are taking place on Tuesdays and Wednesdays. There is a morning session and an afternoon session. They are, as always, very popular, and the children are producing some lovely paintings.

Each Wednesday evening for the balance of the summer, a series of films will be shown of particular interest to the young adults of the community. Wednesday, July 23 four short films in color on surfing will be shown as well as a film short on a new craze, electronic music. The titles are, "The Surfers," "The Moods of Surfing," "A Study in Wet," and "Lines Horizontal."

The programs start at 8 P.M.

There is a travel display in the foyer of the Hicksville Public Library as well as a table with travel brochures and road maps inside, that may be of use to you as you start off on your summer trip. They are free of charge.

The Young Adult section of the library has a display of books having to do with space travel and the fantastic moon shot, as Neill Armstrong and his courageous crew blast off for the moon.

Among the new books recently arrived at the library are: Another Look At Atlantis, by Willy Ley; Churchill Revised, by A.J. Taylor; Conflict of Generations, by Lewis Feuer; Fidel Castro, by Herbert L. Matthews; Gathering Storm In The Churches, by Jeffrey K. Hadden; Goalie, My Life On Ice, by Rod Gilbert; Going Camping, by Alvin Schwartz; The Indestructible Irish, by John Philip Cohane; The Invisibles: Voodoo Gods In Haiti, by Francis Huxley; The Just War, by Paul Ramsey; My Music, My Life, by Ravi Shanker; Treasury of Knitting Patterns, by Barbara G. Walker; What You Can Do About Cancer, by Joseph C. Maroon, M.D.; White Power-Black Freedom, by Arnold Schuchter.

## Hicksville Fire Department Labor Day Parade and Drill

Chief Clifford Davis, of the Hicksville Fire Department, has announced the appointment of 2nd. Lieutenant Donald Hudson as General Chairman of the 41st Annual Labor Day Parade and Tournament. Lt. Hudson joined Volunteer Hose Company No. 4, H.F.D., February 10, 1959. "Don is an old hand with eight years experience on the tournament com-

mittee, serving in positions as secretary, trophy chairman, journal committee and last year as assistant chairman. He has also served as Fire Inspector, Chief Inspector, Training Committee, and public relations speaker for the Bureau of Fire Prevention," said a spokesman for the Department.

"The Parade this year promises to be the largest

to ever march thru the town of Hicksville. Entries have been received from Nassau, Suffolk, New York State, Connecticut and New Jersey. Almost all the Fire Departments will bring a band to keep their men in step. Old and new fire fighting equipment will be on show but the highlight, for the residents of Hicksville, will be our new 85' Tower Ladder," he concluded.

Chess Tournament Winners from Dutch Lane and East St. Schools. These and other activities make up an excellent summer program for young people of the Hicksville area.

## Chess In Hicksville

It may be time for the Russians to step aside to the United States in the International Chess Tournaments. As every budding chess player knows, the Russians have lead the international chess set for many years. East Street and Dutch Lane elementary schools in Hicksville have taken a course of action to gear local chess students for future Masters Play.

Under the guidance of Martin Cohen, Guidance Counselor, a tournament for fifth and sixth grade students has been introduced. The winners from each building are shown here the day of the big "Play-Off".

It is hoped that the high degree of concentration necessary for tournament play will act as a positive factor in aiding the students in concentrating on their studies.

## SPORTS

By

Howard J. Finnegan

After a three week layoff due to an injury Chris Coletta has retaken his post in the outfield for the Louisville Cornels in the International League.

In the averages listing those who have gone to bat more than 100 times the former Hicksville High diamond star still leads the league.

He has 43 hits in 121 at bats for a .355 batting average.

His return coincides with Louisville's drive into first place. The Cornels recently swept past Rochester to take a game and a half lead. Louisville is a member of the Red Sox chain and Rochester is the Baltimore entry in the International loop. The league is one step removed from the major leagues.

A Hicksville High graduate has never gone so high, and with such success, in organized baseball before. And the town baseball buffs eagerly await any information concerning Chris's progress.

The irrepressible Bethpage Bombers opened the Nassau County Open Slow Pitch softball tourney with a come from behind victory over the Valley Stream Red Caps.

It was a last inning three run rally that overtook the South Shore team and had the Cantiaque Park fans jumping. The score was 13-12.

Standout players from Hicksville on the Bombers were First baseman Stuart Blust and pitcher Joe Sarno. Both did some valuable hitting for the Bombers.

That big showdown between the Hicksville Astros and the World's Champion County Sports from Levittown must be declared no contest. County, with last year's 55 home run hitter, Bernie Smith returning after a broken ankle, won the first game 27-2 and coasted in the second 19-11.

The Nassau County ASA softball playoffs continue at Hicksville's Cantiaque

Hicksville's Chip Jaworski, Howard Schack and Billy Luft are proving the wreckers of the Syosset Community Park night softball league. They along with HHS basketball coach, Buddy Brian are knocking the ball all over the park and have pulled their club far ahead of the field. Of course all the success of these players is gratifying but just why they have to travel the length and breadth of Nassau County is a question. Hicksville used to have the most exciting

summer softball league for post-high school players and adults in Nassau. The games provided competition and interest for hundreds of spectators each night at the high school but they are now a thing of the past.

More than one person was irritated by the picture of the Hicksville Republican leader and Park Commissioner along with Oyster Bay Town Board chairman Ed Ocker looking over another park and baseball diamond area in Plainview. Plainview has long had a fine Community Park for its residents. Bethpage has Massapequa has, Syosset has.

Hicksville has an unmaintained, unlighted Broadway. The entire devotion to it is to get the money from the parking meters along it to maintain those parks in the other Communities. Plainview has no parking meters. Syosset has no parking meters. Need more be said.

The news that the Nassau Football Officials have crammed down the throats of the high schools the new regulation of four officials per game for next fall is just another example of the gouging going on with officials fees.

Everyone admits that there aren't enough qualified officials to make up all the required teams for all the games on a given Saturday. The idea of giving the unknown qualities test under fire is just not right.

The inexperienced man can do more in misdirecting the true course of a game and can contribute to the tempo of the game such a manner as to generate fights and injuries.

We would hope that before it is forced upon them the members of the Athletic Departments at all schools, who play a hand and glove game in these matters, that they will turn their attention to improving the insurance payments for injured athletes.

We can all applaud the expansion of the Hicksville High Cross Country schedule for next fall. The extended effort the athletes must make in this demanding and unhealed sport deserve a complete card. Feature of the slate is a Saturday date in November at Fordham Prep. The meet will be run in Van Cortland Park in New York City.

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor, 13 Millpond Street, Jericho. Deadline for insertion: Monday noon. Telephone WE 8-1965.

## FROM THE EDITOR:

Last year, we printed an editorial outlining the purpose and aims of THE VILLAGER. In order to bring this information to the attention of the newer members of the Birchwood Civic Association and, also, to refresh the memories of the older members, we are pleased to repeat that editorial.

"A number of years ago, George J. Frankel wrote an article for our paper entitled 'The Villager - What Is It?' For the most part, the thoughts expressed are still applicable today. Therefore, although we have taken poetic license by taking some of George's material out of context, we are reprinting most of the article, in essence.

'It was in that year that a handful of residents, who felt that a community newspaper was a vital part of community life,

organized an Editorial Board, provided a name and a masthead, made arrangements for publication, and established a policy of operation. This policy had under gone many changes through the years, as a result of various experiences and situations, and at present is in a form which provides a fair equitable basis upon which to publish a community newspaper.

'THE VILLAGER is the official publication of the Birchwood Civic Association at Jericho, Inc., and the price of a subscription to it is included in the Civic Association dues. Its purpose is to provide news and information to the residents of the Village of Birchwood Park which is of special interest to them. The Editorial Board of THE VILLAGER (which is comprised of the individuals whose names appear on the Masthead) is a

committee of the Civic Association. The Editor is the chairman of the committee. The staff of THE VILLAGER consists of the Editorial Board plus all other regular contributors to the paper.

'In addition to news items, THE VILLAGER staff, the Civic Association committeemen, etc.'

As stated in the first paragraph of our editorial, this still holds true today and it leads to the point we are trying to make. Besides showing what THE VILLAGER represents to our community, we feel that this is a good way to let our readers know that the Editor and the Editorial Board take no pride of authorship. In other words, we welcome articles contributed by any resident of Birchwood Park. You may have something of interest, so please let us hear from you."

### Hebrew New Year Card

The Sisterhood of Temple Or-Elohim has made arrangements to accommodate those people who are interested in having personalized Hebrew New Year cards printed.

Eight styles and sizes are available in three price ranges. Interested parties are requested to contact Sonia Rosenthal, 13 Millpond Street, Jericho, or telephone WE 8-1965.

As Rosh Hashanah comes early this year, September 13th, it is suggested that orders be placed as soon as possible.

### 1969-'70 Art Tours

For the 3rd consecutive year The Friends of the Jericho Public Library is sponsoring an Art Education Series.

The series, consisting of 8 sessions, will start on Tuesday, September 30th and continue on alternate Tuesdays. Starting time will be at 9:30 A.M. in the Birchwood Shopping Center. We will return at approximately 2:45 P.M.

We have a brand new "leader" with a brand new approach. She is Constance Schwartz, Chairman of Nassau County Art Societies Committee of Office of Performing and Fine Arts.

Connie's lecturing background includes exhibitions at Guggenheim, Whitney, Modern Art, Metropolitan and Jewish Museums and leading galleries throughout the Metropolitan Area. Connie is also Discussion Leader for New York University's Extension Program.

We expect the new series to be a great one. Membership is open to a limited number and requests for same should be made as soon as possible.

Please contact Bea Felsner at OV 1-3236 or Selma Gold at OV 1-1243.

### Hadassah Happenings

The Jericho Chapter of Hadassah is planning to attend the presentation of the play "Much Ado About Nothing" on Thursday August 14th at the Shakespearean Festival in Stratford, Conn. A bus will leave Waldbaum's shopping center at 9 A.M. For information, please call 935-5871.

The Chapter is proud to sponsor a series of art lecture tours starting this September, on Tuesdays. We are fortunate in obtaining the renowned artist, Miriam Axelrod, who will direct the tours. Early reservations are recommended by calling 935-5871.

#### SPECIAL NOTICE

# Ramblin' Rose

by Rosemary Walsh

Two weeks down and four to go for the summer recreation program. Some activities will continue into August and possibly even September. Certainly the Film Workshop and the Graduate Theatre will have such extended schedules.

Last Friday was "Parade on Wheels Day" at all the elementary playgrounds. As usual we expected the unusual and were not disappointed. Would you believe an elephant like escorted by a ring master (handiwork of Raymond and Bobby Koppel—with a probable assist from Mr. and Mrs. Koppel)... an elephant bike??? How about a rocket ship made out of a golf bag and cart. I can envision some poor dad making the eighteen with a hand full of clubs.

This week's special event is champions day. Nok-hockey experts, checker players, chess enthusiasts, and others will get a chance to demonstrate their prowess. A few new and novel contests will open for the budding Jack Nicklaus's, Gary Players, and Lee Trevino's. Plastic clubs and whiffle balls will be employed. The hole of course will be a hula hoop... fore! And for the young gourmet chef, homemaker we have a bake-a-cake contest—yummy!

The swimming instruction program has captured the interest of many. We use the Cantiague pool (thanks to the cooperation of Mr. Keith Crawford and Mr. James Harrington). Emphasis is on novice swimmers. In our island community (filled with back yard pools of all descriptions, hundreds of boats in local harbors, and a selection of the world's best beaches) having the ability to swim is not just a good idea it is an essential one. (Please Mothers, have them wear their swimsuits and bring along a change of clothes, for expediency.)

The Trip Schedule is subject to many variables (weather, etc) please have the youngsters keep close attention to these modifications.

There are still plenty of attractions on the calendar. If you have not received a recreation brochure call us at WE 5-9000 ext. 400. We will hand deliver enough for you and your neighbors.

Don't forget: The Stage Band Show—East Street School, Wednesday at 4 P.M.; our extensive trip schedule; Tennis lessons by appointment (call the same number); Wednesday night Teen Dances at the High School; Night Game at Shea Stadium on July 25th—this is a teen trip; and many, many others. Call us for information—catch me while I am ramblin' round.

## Elected Trustee

At the recent annual meeting of the Huntington Historical Society, Thomas J. Casey was elected a Trustee. Mr. Casey is Vice President of the Long Island National Bank.

This society is composed of persons interested in the history of Long Island and Huntington in particular. A comprehensive program of educational activities affords the general public the opportunity to learn more about our American heritage. The society maintains the Conklin House and the Powell House, which are excellent examples of Pre-Revolutionary architecture and Colonial living.

Mr. Casey is a Director of the Long Island Bankers Association, and a Councilman in the Town of Huntington. He majored in history at St. Francis College and later studied law at Columbia and New York Law Schools. He is a member of the New York Bar.

In the upper picture is: The Parade on Wheels at the Lee-Senior High Playground While in the lower scene we see Miss Glanelli gives Swimming instruction to Recreators at Cantiague.

thereafter, the Town Board shall take such action as it deems to be in the public interest, including the interest of the Town employees involved.

AMEND Section 11.1 to read as follows:

11.1 No employee of the Town of Oyster Bay, or employee organization shall engage in a strike, and no employee of the Town of Oyster Bay or employee organization shall cause, instigate, encourage or condone a strike.

AMEND Section 11.2 to read as follows:

11.2 Violations and penalties; presumption; prohibition against consent to strike; determinations; notice; probation; payroll deductions; objections; and restoration. (a) Violations, and penalties. A Town employee shall violate this section by engaging in a strike or violating paragraph (c) of this section and shall be liable as provided in this section pursuant to the procedures contained herein. In addition, any Town employee who violates Section 11.1 of this local law may be subject to removal or other disciplinary action provided by law for misconduct.

(b) Presumption. For purposes of this section an employee who is absent from work without permission, or who abstains wholly or in part from the full performance of his duties in his normal manner without permission, on the date or dates when a strike occurs, shall be presumed to have engaged in such strike on such date or dates.

(c) Prohibition against consent to strike. No person exercising on behalf of the Town of Oyster Bay any authority, supervision or direction over any Town employee shall have the power to authorize, approve, condone or consent to a strike, or the engaging in a strike, by one or more Town employees, and such person shall not authorize, approve, condone or consent to such strike or engagement.

(d) Determination. In the event that appears that a violation of this section may have occurred, the Supervisor of the Town of Oyster Bay shall, on the basis of such investigation and affidavits as he may deem appropriate, determine whether or not such violation has occurred and the date or dates of such violation. If the Supervisor of the Town of Oyster Bay determines that such violation has occurred, he shall further determine, on the basis of such further investigation and affidavits as he may deem appropriate, the names of employees who committed such violation, and the date or dates thereof. Such determination shall not be deemed to be final until the completion of the procedures provided for in this section.

(e) Notice. The Supervisor of the Town of Oyster Bay shall forthwith notify each employee that he has been found to have committed such violation and the date or dates thereof; he shall also notify the Town Comptroller of the names of all such employees and of the total number of days, or part thereof, on which it has been determined that such violation occurred. Notice to each employee shall be by personal service or by certified mail to his last address filed by him with his employer.

(f) Probation. Notwithstanding any inconsistent provision of law,

## LEGAL NOTICE

any Town employee who has been determined to have violated this section shall be on probation for a term of one year following such determination during which period he shall serve without tenure.

(g) Payroll deductions. Not earlier than thirty or later than ninety days following the date of such determination, the Town Comptroller shall deduct from the compensation of each such Town employee an amount equal to twice his daily rate of pay for each day or part thereof that it was determined that he had violated this section; such rate of pay to be computed as of the time of such violation. In computing such deduction, credit shall be allowed for amounts already withheld from such employee's compensation on account of his absence from work or other withholding of services on such day or days.

(h) Objections and restoration. Any employee determined to have violated this section may object to such determination by filing with the Supervisor of the Town of Oyster Bay (within twenty days of the date on which notice was served or mailed to him pursuant to paragraph (e) of this section) his sworn affidavit, supported by available documentary proof, containing a short and plain statement of the facts upon which he relies to show that such determination was incorrect. Such affidavit shall be subject to the penalties of perjury. If the Supervisor of the Town of Oyster Bay shall determine that the affidavit and supporting proof establishes that the employee did not violate this section, he shall sustain the objection. If the Supervisor of the Town of Oyster Bay shall determine that the affidavit and supporting proof fails to establish that the employee did not violate this section, he shall dismiss the objection and so notify the employee.

If the Supervisor of the Town of Oyster Bay shall determine that the affidavit and supporting proof raises a question of fact which, if resolved in favor of the employee, would establish that the employee did not violate this section, he shall appoint a hearing officer to determine whether in fact the employee did violate this section after a hearing at which such employee shall bear the burden of proof. If the hearing officer shall determine that the employee failed to establish that he did not violate this section, the Supervisor of the Town of Oyster Bay shall so notify the employee. If the Supervisor of the Town of Oyster Bay sustains an objection or the hearing officer determines on a preponderance of the evidence that such employee did not violate this section, the Supervisor of the Town of Oyster Bay shall forthwith restore to the employee the tenure suspended pursuant to paragraph (f) of this section, and notify the Town Comptroller who shall thereupon cease all further deductions and refund any deduction previously made pursuant to this section. The determination provided in this paragraph shall be reviewable pursuant to article seventy-eight of the civil practice law and rules.

AMEND sub-section (b) of Section 11.3 to read as follows:

11.3(b) In the event that it appears that a violation of section 11.1 of this local law may have occurred it shall be the duty of the Supervisor of the Town of Oyster Bay to:

town public employment relations board and the town attorney; and

2. To provide the said board and the town attorney with such facilities, assistance and data as will enable the said board and the town attorney to carry out their duties under this section.

AMEND sub-section (c) of Section 11.3 to read as follows:

11.3(c) In the event that it appears that a violation of section 11.1 of this local law may have occurred, the town attorney, or the town public employment relations board on its own motion, shall forthwith institute proceedings before the town public employment relations board to determine whether such employee organization has violated the provisions of section 11.1 of this local law.

AMEND sub-section (e) of Section 11.3 by DELETING therefrom paragraph 3.

AMEND sub-section (f) of Section 11.3 to read as follows:

11.3 (f) If the said board determines that an employee organization has violated the provisions of section 11.1 of this local law, the said board shall order forfeiture of the rights granted pursuant to the provisions of subdivision (b) of section 9.0 of this local law for such specified period of time as the board shall determine; or, in the discretion of the board, for an indefinite period of time subject to restoration upon application, with notice to all interested parties, supported by proof of good faith compliance with the requirements of Section 11.1 of this local law since the date of such violation, such proof to include, for example, the successful negotiation, without a violation of section 11.1 of this local law, of a contract covering the employees in the unit affected by such violation; provided, however, that where a fine imposed on an employee organization pursuant to subdivision two of section seven hundred fifty-one of the judiciary law remains wholly or partly unpaid, after the exhaustion of the cash and securities of the employee organization, the board shall direct that, notwithstanding such forfeiture, such membership dues deduction shall be continued to the extent necessary to pay such fine and the Town shall transmit such moneys to the court. In fixing the duration of the forfeiture, the board shall consider all the relevant facts and circumstances, including but not limited to:

(i) the extent of any willful defiance of Section 11.1 of this local law, (ii) the impact of the strike on the public health, safety and welfare of the community, and (iii) the financial resources of the

employee organization; and the board may consider (i) the refusal of the employee organization or the Town or the representative thereof, to submit to the mediation and fact-finding procedures provided in Section 10.0 and (ii) whether, if so alleged by the employee organization, the Town or its representatives engaged in such acts of extreme provocation as to detract from the responsibility of the employee organization for the strike. In determining the financial resources of the employee organization, the board shall consider both the income and the assets of such employee organization. In the event membership dues are collected by the public employer as provided in paragraph (b) of Section 9.0 of this local law, the books and records of the Town shall be prima facie evidence of the amount so collected.

ADD to Section 11.3 a new sub-section to be designated as sub-section (h) which shall read as follows:

11.3 (h) No compensation shall be paid by the Town to a Town employee with respect to any day or part thereof when such employee is engaged in a strike against the Town. The Town Comptroller shall withhold such compensation upon receipt of the notice provided by sub-section (e) of section 11.2 of this local law; notwithstanding the failure to have received such notice, no Town employee or officer having knowledge that such employee has so engaged in such a strike shall deliver or cause to be delivered to such employee any cash, check or payment which, in whole or in part, represents such compensation.

AMEND Section 11.4 to read as follows:

11.4 Orders of the town public employment relations board made pursuant to this local law (including, but not limited to, orders made pursuant to section 11.3 of this local law) shall be (a) reviewable as provided by law and (b) enforceable upon petition of such board, by the Supreme Court, which shall have jurisdiction of the proceeding and the power to grant such temporary relief or affirmative or restraining orders as it deems just and proper. The failure to perform the duties required by Section 11.2 and 11.3 of this local law and by Section 211 of the Civil Service Law shall be reviewable in a proceeding under article seventy-eight of the Civil Practice Law and Rules by any taxpayer as defined in Section 102 of the said Civil Service Law. Any such taxpayer shall also have standing to institute any action described in subdivision one and two of

Section 102 of the Civil Service Law.

ADD a new Section to be designated as Section 11.5 to read as follows:
