## Dear Friends

WE ARE PLEASED to bring you a reply to the four questions we asked our Town Board, in this column, last week:

Dear Sheila:

Councilman A. Carl Grunewald has asked me to reply with a letter to the editor concerning your column inquiry, but, as per our conversation, I am giving you the answers to the questions you posed so you may incorporate them into your next column.

1)--On the matter of another traffic light at the intersection of Broadway and Newbridge Road, please be advised that Councilman A. Carl Grunewald has made a personal trip to the New York State Traffic Control office in Babylon and presented the matter to them. This was done in March and an answer is expected from the state in the near future.

2)--The left-turn arrows in the traffic light at the intersection of Old Country Road and South Oyster Bay Road are faint. However, this intersection is controlled by the County of Nassau, not by the Town of Oyster Bay. Mr. Grunewald is forwarding a notation of this problem to the County.

3)--In response to our plans for a Hicksville park on the acreage between Old Country Road and Plainview Road, please be advised that, though the process of construction is hampered by condemnation litigation, the Town has moved to raze the buildings and fill in the site. The plan is to convert this acreage into a temporary play area until the litigation is concluded.

4)--Meetings have already been held between the attorney for the Gregory Museum and the Oyster Bay Town Attorney to reach an agreement to permit use of the Hicksville Court House as a museum and thus prevent deterioration of the site. The present plans call for a lease to be drawn and brought to the Town Board for approval.

Our own School Board Member and immediate past president Cornelius McCormack tells us that for the past two years, for two or three weeks during the summer, the escalators in the Hicksville R.R. Station have not been run. WHY? The Hicksville station serves one of the largest groups of LIRR commuters and they deserve better treatment than that. Also, this cannot be blamed on the Budd Car Company, who seem to be responsible for a great many of the LIRR's present problems. We respectfully suggest that these escalators should be kept running every day at least during our peak commuting hours.

For this week, we must close, with best wishes, and the hope that you are all enjoying a pleasant vacation.

Sincerely,  
Sheila Hoegl Noeth

## Republican Club of Hicksville News

The meeting will feature Judge Benjamin Zipper, incumbent candidate for

the District Court. Also featured as speaker are the Trustee candidates for the Jones Fund, William Buchman, Robert Michaelis and Grey Mason.

## Boycott Rally

# Meat Boycott Hits The Levitt Home Area

South Hicksville, South Westbury, eastern East Meadow, North Wantagh and Levittown housewives are joining forces in a determined effort to force sky-high meat prices down to realistic levels. Hundreds of these angry housewives have banded together under the name FLP, which stands for "For Lower Prices" and plan to conduct a meat boycott which is scheduled to go into effect on Monday morning, Aug. 11.

At an organization meeting held on Monday evening, Aug. 4 at Levittown Hall, one of the group's organizers, Mrs. Ross De Lorenzo of Orchid Lane, Levittown, spoke "With your cooperation we will conduct this meat boycott as long as it is necessary...until they bring prices down to a realistic level," she told an audience of over 150 applauding housewives. We do not want you to absent yourself from your usual shopping place. Do all your regular shopping BUT DON'T BUY ANY MEAT," she continued as the audience nodded approvingly. "We want our merchants to know we are here...we are buying...but not meat! Also, it would not be advisable to stock up this week, as it is the meat distributors who must feel the pinch from our boycott and if they sell twice as much this week, our boycott will be ineffectual," she stated. "We must all lighten our belts and learn to make wholesome, meatless meals until we have proven our point through this boycott," she concluded.

"Yes," said Mrs. Pat Coffey of Levittown, "We had better take advantage of this opportunity to do without meat voluntarily, before these constantly soaring meat prices force us to do without it anyway."

### Library Children's Room

The Children's Art Classes Exhibit will be held in the small auditorium through August 30.

On Friday afternoon, August 8, at 3:00 p.m. there will be a special party for the children who participated in the Art Classes.

DISCUSSING MEAT BOYCOTT: (l to r) Assemblyman Stanley Harwood, angry housewife and boycott organizer Mickey De Lorenzo, and candidate Edward Grause of East Meadow, seen at Monday evening's organization of FLP (For Lower Prices), where a meat boycott was planned which will begin next Monday morning at a Boycott Rally, 11 a.m. in May's parking lot on Division Avenue in Levittown.

wood of Levittown spoke at the informal organization meeting along with other interested citizens which included Edward Grause of East Meadow and Hempstead Town Councilman George Murphy. "The entire Harwood family will definitely take part in this boycott," Assemblyman Harwood said, when questioned as to his intention to participate in the meat boycott which will start on Monday Aug. 11.

### BOYCOTT RALLY AUG 11

A boycott rally was called by FLP, for Monday morning, 11 a.m. August 11 at the rear of May's parking lot, Division Avenue in Levittown.

"This rally will start off the meat boycott and all shoppers will be urged not to buy meat...to join the boycott and help bring meat prices down now," said Mrs. Charles Malamud of Westbury, one of the group's irate founders. "We know we can

help everyone, if they will all join in and help the boycott now," she concluded.

Also on the steering committee are Mrs. Bea Rubin of Westbury, Mrs. Richard Placente of Levittown, Mrs. Lila Diamond of Westbury, Mrs. William Caunitz of Levittown.

We are planning a series of meatless meals, with appropriate recipes," said Mrs. De Lorenzo, "and THE MID ISLAND HERALD has printed them for us this week, on Page 11. We'd like to hear from all FLP members as the boycott progresses. Let us know of your experiences, give us additional recipes and menus if you have them, and of course, we'll be happy to answer your questions."

Mrs. De Lorenzo may be reached at 741-0475, Mrs. Placente at 796-8058, Mrs. Diamond at ED 4-5406, Mrs. Caunitz at PE 5-0693 and Mrs. Malamud at 997-7931.

HELP OUR COMMUTERS: James A. Rousmaniere, the Democratic party's candidate to oppose John Burke, hold the L.I.R.R. petition steady as Miss Linda Tully of Hicksville signs up at the Hicksville Railroad station. The petition campaign which had an original goal of 25,000 signatures, now has accumulated well over that number and has raised its sights to 100,000 signatures.

**AMENDMENT TO BUILDING ZONE ORDINANCES**

BE IT ORDAINED by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Building Zone Ordinance of the Town of Oyster Bay, as amended and revised, be amended in the following form:

"ARTICLE XIV-A OUTDOOR WATER POOLS" of the Building Zone Ordinance of the Town of Oyster Bay, Nassau County, New York, as amended and revised, be and the same is hereby REPEALED and a new ARTICLE XIV-A be and the same is hereby inserted in lieu thereof, to read as follows:

**ARTICLE XIV - A OUTDOOR SWIMMING POOLS**

**Zoning Ordinance Section 1. Coverage:**

In any use district no outdoor water pool shall be constructed, erected or maintained unless in conformity with this Article.

**Section 2. Definition:**

Outdoor swimming pools shall for the purpose of this ordinance be construed to mean swimming pool tank, depression or excavation in any material, dike or berm constructed, erected, excavated or maintained which will cause the retaining of water to a greater depth than 18 inches and having a larger plane surface area of water greater than 100 square feet. The word Pool shall be construed to mean Outdoor Swimming Pool.

**Section 3. Permits:**

All underground swimming pools, regardless of size, shall require a permit. Above ground pools having a capacity of over 5,000 gallons shall require a permit. Permits for the construction, erection and maintenance of such pool shall be issued by the Building Department and shall be subject to all applicable provisions of the Building Code of the Town of Oyster Bay, as amended, and the Building Zone Ordinance of the Town of Oyster Bay, as amended.

**Section 4. Materials of Construction:**

No pool shall be built, constructed or maintained except of materials having adequate strength to retain the water contained therein. They shall be designed in accordance with sound engineering practice and the applicant may be required to furnish complete plans, data and specifications to enable the building inspector to evaluate the structure.

**Section 5. Water Disposal:**

Water overflowing from the pool, and when the pool is emptied; the water therefrom, shall be disposed of on the owners land and be restrained from flowing on the land of an adjoining property owner. In the event that a swimming pool has a capacity of over 5,000 gallons, water from such pool shall not be permitted to flow into an abutting street. If a permit is required, as per Section 3 of this ordinance, the applicant shall indicate on his application the plan for the disposal of water.

**Section 6. Fencing:**

(a) Adequate fencing shall be provided to prevent accidental entry and unauthorized use of the pool, which fencing shall be at least two (2) feet distant from the pool. Such fencing

Miss Diane M. Connelly

Mr. and Mrs. Edward Connelly of Seaford, have announced the engagement of their daughter Diane Marie to Joseph M. Havlik, son of Mr. and Mrs. Joseph Havlik of Hicksville.

shall be erected and maintained so as to completely enclose at least the outside perimeter of the pool, or the perimeter yard in which the pool is situated.

(b) Fences constructed under the provisions of this ordinance shall be constructed of metal, wood, or other suitable material, shall contain no openings or projections which would permit hand or toe holds sufficient for climbing, as determined by the Building Department. The fence shall be at least four (4) feet in height from ground and be no more than one (1) inch from the ground at the bottom and be supported by posts that are at least eight (8) feet on center.

(c) Gates or doors - All gates or doors must be equipped with a self closing, self latching device located on the inside of the gate or door. Such gate or door must be securely closed and locked at all times when not in actual use.

**Section 7.**

The provisions of paragraph No. 6 shall not apply if:

(a) The sides of an above ground pool are at least four (4) feet in height from the grade and of such a construction that the sides are smooth and perpendicular to the ground, and contain no projections or appurtenances to provide hand or foot holds, and.

(b) Any ladder or other device used for the purpose of entry into the swimming pool as described in 7(a) above, shall be removed from said pool and securely locked during all times when the owner or the immediate adult members of his family are not actually present at the pool.

(c) In the event the swimming pool complies with paragraph 7(a), in lieu of complying with paragraph 7(b), hereof, the owner may fence the immediate area surrounding the entry way to said pool by complying with the fencing and gate requirements of paragraph 6 of this ordinance.

**Section 8. Size and Location:**

All swimming pools shall comply with the requirements of the provisions of this ordinance applicable to accessory buildings, except that the yard area occupied by such pools shall not be included in

## Down Memory Lane

**GROUNDBREAKING** for the Hicksville Firestone Store took place in May 1955. (I to r standing) Pastor - Cranson Clayton, Architect Samuel Scheiner, Builder Arthur Funfeld, Frank Chlumsky, and Pat Bufalino. (kneeling) Firestone Partners Frank Ehman and Cliff Freitag. Long Island National Bank President William

Koutensky wields the shovel. Remember? What a fine addition to the Hicksville scene is this well kept and well run business. We hope under the guidance of our Hicksville 12 man advisory committee and our Town of Oyster Bay elected officials "our town" will continue its well-planned growth in the future.

## Let's Go Housewives...

We'd like to thank those who were kind enough to invite us to attend the LIA breakfast for our Governor held this morning at the Garden City Hotel, even though we are a publisher...and editor...we are also a member of the WORKING press, and we were working...to bring out this week's HERALD...so, this time we couldn't attend.

However, through radio broadcasts we learned that Governor Rockefeller promised that the problems of the LIRR will be straightened out in two months (no more...no less). And this we are happy to hear...for we believe that all our commuters really want is results...not even firings...just RESULTS!

## Let's Go Rocky. . .

It's heartening to find that such a large group of housewives in our areas are joining together in a meat boycott in order to force meat prices down to a realistic level. In this week's HERALD, you'll read all the details, also some menus and recipes for meatless meals, with more to come next week.

All too often we complain about high prices...and let it go at that. Now we have an opportunity to work together through the FLP (For Lower Prices) organization, for good of all. We urge as many of you as possible to join FLP and to participate faithfully in the meat boycott.

An aroused public can accomplish a lot. Just how aroused are you about high meat prices?

## Margiotta To Receive N.C. Press Association "Grass Roots Award"

The Nassau County Press Association announced that it has selected Assemblyman Joseph M. Margiotta to receive its "Grass Roots Award" for 1969.

The organization representing 51 weekly

newspapers in Nassau, voted its award to Margiotta because of his continued efforts in behalf of the residents of Nassau County, according to Murray Rosen, president of the association.

"This is the fifth consecutive year that the association of weekly newspapers has paid tribute to a member of the community for outstanding service to the public," Mr. Rosen said. "Last year's salute was awarded to Mr. Ralph G. Caso, Hempstead Town Presiding Supervisor. Others so honored include State Senator Edward Speno and State Assemblyman John Thorp.

Dear Sir:

I wondered if the Town Board could not see that the lot on the corner of South Broadway and Mineola Ave., was cleaned up. It is full of trash bags and old carpet pieces and what not. And it is a disgrace to the town of Hicksville.

Sincerely,  
Mrs. Norman Godfrey  
505 S. Broadway,  
Hicksville, N.Y.

Dear Sheila:

The time has come to show the men of the meat industry that we

are no longer willing to stand for the exorbitant prices we are being forced to pay for the most basic necessities.

When it comes to the point where we cannot even economize by purchasing cheaper cuts of meats, since these are going up in price even faster than expensive cuts, it is time to take action. We must show the National Livestock and Meat Board that contrary to its belief, the consumer is not willing to pay outrageous prices for meat.

Housewives in the Levittown areas intend to boycott and show the powers that be that we refuse

to buy meat at such high prices.  
Mickey DeLorenzo

Dear Editor,

"The greatest week since the creation."

Surely July twentieth ought to be celebrated and commemorated forever as a reminder that man was not always able to travel in space just as July fourth serves to remind us, yearly, that freedom is dearly bought and precious to preserve.

Sincerely,  
Mona Oppenheim

Mr. and Mrs. Robert Tolces of 28 Apollo Lane, HICKSVILLE, recently visited the state-owned Ringling Museums while vacationing on Florida's lower west coast.

Mr. and Mrs. Andrew Weierich, of JERICHO, are pleased to announce the engagement of their daughter, Loretta Anne, to Alfred Vargas-Belancourt of Farmingville. Wedding plans are set for next fall.

The Tobay Gulls, representing the Town of Oyster Bay in the summer Ice Hockey League (boys 15-19) at Cantiague Park knocked off one of the loop powers recently when they defeated the L. I. Athletic Club, 3-1.

The LIAC squad, made up

mostly of college boys, while the Gulls for the most part, are high-school students. Phil Malstadt of Hicksville, 16, has been playing a consistently fine game at center and on the wing.

Belated Birthday greetings go to Mrs. Martha Martino, of East St., HICKSVILLE, who recently celebrated her birthday. She has also returned home from a stay in Nassau Hospital, and is feeling much better.

Congratulations to Dale Elizabeth Wicks, daughter of Mr. and Mrs. Arthur P. Wicks, of HICKSVILLE, whose engagement to Christopher Paine James of Wenham, Mass., was recently announced.

Mr. and Mrs. Fred Goldstein,

of OLD BETHPAGE, recently announced the engagement of their daughter, Karen Ellen, to Gary Jay Brachfeld of Floral Park.

Nassau Police Commissioner, Francis B. Looney, announced recently that 90 men and women have graduated from the Police Training Center in a ceremony held at the County Police Auditorium in Mineola.

Among the local residents to graduate are: William P. Costello, Jr., Hicksville; George F. Daur, of Hicksville; Thomas E. McKeever, of Plainview; Thomas M. Hughes, Hicksville; and John A. Simensen, Jericho.

The Joseph Barry Council Number 2520, Knights of Columbus softball team held on to its lead in the night division of Council play by beating back Oceanside, its nearest competitor 3-2.

That moved the club's mark to 11 wins and 2 losses on the season. It still had to engage Oceanside

again, Baldwin, Hewlett, East Meadow and Valley Stream before the title can be safely tucked away.

The team uses Cantiague Park, Hicksville, for all its home games on Thursday nights.

It was two doubles by right-fielder Mike Crowain that rang up big against Oceanside. They

chased home two runs and pitcher John Lupski delivered the third.

Up to that point it was the infusion of Dennis Conolly in the lineup that surged the team. In three previous contests he went 7 hits in 11 at bats.

Those efforts gave Manager Charlie Schneider a two game lead to work with in the final stretch run.

Leading home run hitter on the club is first baseman Ray Guckenberger who is followed by Jim McGovern. Jim plays left center on the defense.

Larry Traubeuski is the second baseman. Jim Dorsey handles the traffic at shortstop and John Pscola has the hot corner. Jim Carroll and Bill

Schneider join in the outfield patrol.

Calling the shots from the transmission position behind the plate is catcher Howard Schack.

As feared in this corner last week, the Hicksville Connie Mack team failed to generate enough runs for Garry Jackson and lost its bid for the Albany State Playoffs this week-end, 2-1, to Islip.

It was a tough break for the Sutter crew which left 11 runners on bases and erased even more itself. The team members do not always appear mechanically knowledgeable and are blunting their natural abundant talent.

For Jackson it was another disappointing but brilliant effort which does not diminish the growing respect for his talents. Sutter's still leads the Connie Mack league and showed its merit in returning home Sunday to defeat Copiague in a double header.

Contrary to playoff rules, the game with Islip only went seven innings instead of nine. Elmont, which won, refused to play its game unless the game would go the full nine. The shortchanging of the two innings barbs, the Hicksville supporters but in seven swings each it was Islip that got one additional run.

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor, 13 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 8-1965.

## A Birchwoodite On Lunar Landing Program

George J. Frankel, of Jericho, is one of the Grumman Aerospace Corporation engineers who participated in the Project Apollo Lunar Module Moon Landing Program.

Mr. Frankel's most recent LM assignment was ashead of the LM Safety Hazard Review Team. This team comprised eighteen experts in various disciplines, including one in each of the LM subsystems. The review was conducted both at Grumman's Bethpage facility and at NASA's John F. Kennedy Space Center, Cape Kennedy, Florida.

The team reviewed in detail the various Test and Checkout Procedures which were accomplished in the Manned Spacecraft Operations Building, the Vertical Assembly Building, and on the Launch Complex to prepare the vehicle for launch. The purpose of the review was to identify errors, inconsistencies, or incompatibilities in the procedures which could result in a hazardous condition for either the crew or the hardware.

Prior to that assignment, Mr. Frankel was Test Director of the Manned Chamber Tests of the LM Environmental Control Subsystem (ECS) which was conducted in the LM Internal Environment Simulator.

Astronauts: Col. James Mc-

Divitt, Lt. Col. James Irwin, Lt. Com. John Bull, and civilian Astronaut Mr. Russell Schweickart participated in a series of development tests of the ECS. The ECS provided life support functions to the astronauts while operating in various temperature and pressure modes under stresses anticipated during the lunar landing mission. The space-suited astronauts were subjected to simulated altitudes as high as 150,000 feet. They were biomedically instrumented for electrocardiogram, heart rate, respiration rate, temperature and oxygen and carbon dioxide partial pressures.

George, who resides on Fountain Lane with his wife Mimi, and their three children, Paul, Alice, and Lee, is a past-President of the Birchwood Civic Association at Jericho, Inc., and a founder and past-Editor of the VILLAGER.

(Ed. Note: Mentioned in last week's issue, we would like to learn either via personal or company releases about other Birchwood residents who played a part in landing men on the moon. We are not aware of the identity of these people and would welcome such news which we could then bring to the attention of our readers.)

A NEW WIRE FENCE WAS ERECTED on the Merry Lane perimeter of Floyd's parking lot last week and a general cleanup of the area was also begun by Floyd's management. This action, though long-awaited, is sincerely appreciated by the residents of Birchwood. The Villager first brought the generally rundown condition of the fence and area to the community's attention in its July 11, 1968 edition, replete with a large photo. Subsequently, another photo and article appeared in later issues, pointing up the dismal appearance of the area.

## Rider Sought For Car Pool

Are you tired of taking a daily "beating" on the Long Island Railroad? Perhaps, you are a newcomer to the community searching for a better way to commute to New York City. In either event, one of the neighborhood car pools is looking for another rider.

This particular car pool departs from East Birchwood at 7:15 A.M. each weekday and travels either to Shea Stadium parking lot (the Willets Point Station of the Flushing Line) or to the 170th Street and Hillside Avenue Station of the Independent Line, depending on daily traffic and weather conditions. Departure for the return trip home is 6:15 P.M.

Interested parties, please telephone WE 8-1965 for additional information.

## Old Pros Beat KC

In a battle of veteran right handers, Joe Wasp of the Syosset Old Pros outlasted John Walsh and his Syosset Knights of Columbus Softballers 5-3 on the winners field in Syosset last Sunday. It was Wasp's seventh victory in Veterans League Softball play and he continues to dominate as that League top hurler. The Old Pros have now taken three League games from the K C and Wasp has yet to be beaten by John Walsh's club this year.

In the game, Jim "Pop" Savage's Syosset Old Pros were led by Ed Greeley and George Oelckers timely hitting as well as some clutch hitting by the Pros Vinnie Capobianco. Outstanding defensive performances were turned in by Bill Meldau, Bud Summa, Dick Grieb, Bob Peck,

Ed Keenan, Artie Pieper and Bob Grant as well for the Old Pros.

'Pop' has advised that the Old Pros continue to maintain their high standing in Veterans League play and will meet the Syosset American Legion Team in a Veterans League game this Sunday at Calvert Manor Field in Syosset. The game is scheduled for 1:30 PM. Four League games remain for the Old Pros who are right in there battling for the championship and final playoffs are scheduled to begin September 7th.

In other Veterans League action the Bayville American Legion defeated the Syosset American Legion 21-9, while Nassau county Roads swept a doubleheader from Twin Harbors of Bayville by scores of 21-9 and 9-7.

## B.C.A. Summer Bowling League

Ten weeks of bowling completed 3 more nights to go that is the situation in the B.C.A. Mixed Summer Bowling League. Last Monday night's results saw the leading teams in the two divisions maintain the same front-running positions they have held practically since the first week... Simon-Graft in Section A and Luxemburg-Minoff in Section B.

Here is how both divisions shaped-up after completion of play at Syosset Lanes.

SECTION A		POINTS
POSITION	TEAM	
1	Simon-Graft	79
2	Marks-Urbont	62
2	Brizel-Lang	62
4	Springer-Goldenberg	59
5	Kaye-Kahn	58
6	Diamond-Warren	53
7	Reichgott-Holtzman	50
8	Dockswell-Sachs	49
9	Rosenthal-Brody	47
10	Gershen-Truchil	46
11	Stein-Briendel	44
11	Bruckner-Glucksman	44
SECTION B		POINTS
POSITION	TEAM	
1	Luxemburg-Minoff	73
2	Petzhold-Barth	66 1/2
3	Mahler-Lowenthal	66
4	Gold-Fallick	65
5	Lieberman-Dembart	63
6	Simes-Geyer	57 1/2
7	Jacobs-Spiegel	54
8	Cohen-Keller	50 1/2
9	Goldstein-Hauptman	42 1/2
10	Cushing-Stolberg	42
11	Meadow-Ladmer	41 1/2
12	Eisman-Lemberg	32 1/2

Individual Data: Sid Sachs came up with a 253 to take over high game laurels. Before play began, Leo Geyer had a 185 average to lead the men, followed by Sid Sachs with 184 and Nat Warren 183. It will take a computer and a slide-rule wielded by the league statistician to determine who will have high average when the league completes its schedule on August 25th. Bobbe Stein still leads the women bowlers with an average of 163.

## DUES ANYONE?

There is still time to retain your membership in good standing with the Birchwood Civic Association. Get your dues in now!

If, for some reason, you have overlooked the yearly dues, mail your \$5.00 check immediately to the Financial Secretary of the B.C.A. - Harry Seaton of 41 Bounty Lane.

Or, if it is more convenient, you can hand your check to any Board member or officer.

## Spartans Plan Midnight Sail

The Ladies Auxiliary of the Syosset Spartans are planning a Moonlight Boatripe on August 29th. The gangplank will go up at 9 p.m. at the Captree Boat Basin. There will be dancing to the music of Jim Perry's Band. Tickets are on sale now at \$15 per couple and this includes door prizes, sandwiches and set-ups, or tickets or information, call Carole Langion WA 1-5607, Lois Chandler WA 1-4189 or Lillian Gulmi 433-1192. Capacity is limited, so hurry.

## READ THE LEGALS

Gentle, marvelous way to remove that last bit of mascara: wind strip of face tissue around index finger... roll up your eye, blinking onto the tissue-wrapped finger.

When you have deep labial lines (the ones from nose to mouth-corners), flatten them out by brushing light make-up in the crease, then brushing on darker make-up next to it.

Dry scalp? And no fancy treatment oils around? Massage 15 minutes, slowly, salon-style, using olive oil, castor oil, ... peanut oil, ... sesame seed oil. What's good on a salad is good for your scalp!

At the Court of Louis XIII in France, his queen, Anne of Austria, and her ladies used almond paste and cream of vanilla to whiten their skin.

For soft and young-forever lips: "dress" your mouth for bed in vaseline, pomade, or even lip glass. Protect them always with some emollient.

# Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

**GENERAL HOSPITAL** for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

**PSYCHIATRIC HOSPITAL** for the mentally and emotionally ill, for the alcoholic and drug addictive. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

**NURSING HOME** for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

**NOW**... a new hospital of physical medicine and rehabilitation for extended illness.

**CHRONIC CARE HOSPITAL** staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

Facilities and Treatments include:  
1. Swimming pool and Hubbard tanks for hydrotherapy.  
2. Gymnasium for physiotherapy.  
3. Daily living activities program and crafts.  
4. Speech therapy program. 5. Inhalation therapy.

# Long Island's Heritage Discovered By HJS Students

Twenty 7th and 8th grade students from Hicksville's public and parochial schools have been making the "grand tour" this July. Through a program funded by federal educational appropriations and administered at the Junior High School by Dr. Manus Clancy, the group has visited most of central Long Island's places of scenic, historic and cultural interest.

The new District 17 Program affords students an opportunity to deepen their knowledge and appreciation of Long Island's heritage by classroom activities and field trips. During this July, the group made seven half-day excursions by bus to almost twenty-five places of local interest.

On tours conducted by Richard Evers of the Junior High faculty and a local historian, the students were introduced to various aspects of Long Island's heritage.

For example, walking trips over the island's glacial moraine, to High Hill, the highest elevation on the island and hikes along the north shore beaches and through Long Island forest preserves at Garvie's Point, Melville Woods, and Tackapousha Preserve enabled the class to note and enjoy the natural environment of Nassau.

The students were introduced also to local areas and sites associated by history and tradition with the Indians. The Colonial and Revolutionary eras were recalled and brought alive by visits to buildings dating back to these periods of time, such as the working grist mill at Saddlecock which dates to 1702, the Conklin House in Huntington and Raynham Hall, Oyster Bay which was the home of Washington's spies, the Townsend family. Nineteenth century Long Island was glimpsed through a private

tour of the Long Island pre-Civil War farm village being restored at Old Bethpage, which will be open to the general public in 1970. Also seen as indicative of life and culture of the 1800's were: Walt Whitman's birthplace in South Huntington; the oldest school house in Nassau County, that at Manhasset, dating to 1826; the Albin house, the Braun house, ice house and barn-slaughter house

on Broadway, Hicksville and the late-nineteenth century courthouse and jail on Heitz Place, Hicksville.

Among the places of worship associated with Long Island's past and present which the students found historically interesting were: the Indian praying ground on Manetto Hill; the Quaker Meeting House at Jericho which dates to 1788 and in

which the group had a private tour; the old Methodist Church of Plainview which dated to the early 1800's; the Presbyterian Church at Sweet Hollow, Melville; the Church of Christ building on Broadway which marks the site of Hicksville's earliest church and the Mormon Temple from the New York's World's Fair which was relocated in Plainview a few years ago.

# Ramblin' Rose

by Rosemary Walsh

Well, we made it—here we are in our last week of a very successful (rain and all) program. Through patchy skies we managed to bring almost 200 children to Shea Stadium for a special double header. The Mets were mashed but everyone had a great time. (The leaders were exhausted).

Friday was one of the busiest days of the season. We started at 8 A.M. and finished at about midnight. The Junior Olympics filled the morning session. The elementary schools gathered at the High School for a series of track, field, and novelty events. East Street walked off easily with the team title. (That should make Principal John McGovern, happy again as well as Steve Tomaini, the Leader-in-Charge.) They

scored 54 points to win and were trailed in the second slot by Fork Lane (score of 24 points). Third place honors went to Lee Avenue (19 points).

The banner winner was Dutch Lane with a unique windmill theme. East won the soft ball throw relay while J. Maunn took individual honors with a 178 foot throw. J. Solosky and R. Gramaglia were second and third. In the girl's division J. Travis led S. Lawrence and H. Colletta with a throw of 133 feet.

The ten man long jump went to Lee Avenue. The individual award winners were Cranmer, Leifger, and Stefaniew. The girls out-jumped the boys. Miss Greco made the longest leap of the day followed by Colton and Kaminski. Forty yard dash champions

were Ed Luniewski and Erin Baldwin at the third and fourth grade level. Fifth and sixth champions were Jim Cranmer and Doreen Greggo. Gary Samowitz, Colin Quinn, Paul Carter, Tony Fighuolo, Debbie Ferro, and Linda Maccia shared place honors.

The olympics were capped off with a pony express relay (with mail bags thanks to our local post office), a crazy dress race, thirty two man (boys and Girls) relay plus a tug of war. The crazy dress was so hilarious that the adults had to walk away to regain composure.

At one o'clock we then dashed off to Rye Playland for the annual staff day. Roller coasting, and "bump-em" cars.

This is a 32 man relay at Jr. Olympic Day, Woodland Fashion Show -- homemade aprons by these proud beauties. Now here is a thriller—the Pony Express Ride. Mr. Hogan starting. One of the funniest events of Jr. Olympic Day—The Crazy Dress Relay. Tug-O-War—takes all kinds of strength male and female.

# Meatless Meals For Local Boycott

## Shrimp Toast Is Snack Supreme

Chinese cooking is in! It is an easy, breezy style for the most part because the Chinese like to cook things in the shortest possible time. Like the French, early Chinese cooks needed to economize on fuel and so from necessity created many of the classic dishes that cook in a hurry. Chinese-style Shrimp Toast is no exception to the rule. This snack superior for all seasons and occasions requires about 30 seconds in an unusually small amount of hot fat. Spread the triangles ahead if you wish and at serving time turn them out hot, crisp - and fast. The recipe, adapted to easy, handy canned shrimp, is one to cherish and pass along with pride.

### SHRIMP TOAST

- 2 cans (4½ ounces each) shrimp
- ½ cup finely chopped water chestnuts or celery
- 1 tablespoon cornstarch
- 2 eggs
- ½ teaspoon sugar
- ½ teaspoon soy sauce
- 6 slices two-day old bread, crusts removed

Drain shrimp and chop coarsely. Combine with water chestnuts or celery, cornstarch, eggs, sugar, and soy sauce. Mix well and spread evenly over the bread all the way to the edges. Cut each slice into triangles. Fill a heavy skillet with cooking oil to a depth of one inch and heat oil to about 375 degrees or until, by test, it will quickly brown a small piece of stale bread. Lower the filled bread, shrimp side down, into the hot oil and fry about 15 seconds. Turn and fry on the other side a few seconds or until golden brown. Drain on absorbent paper. Serve hot; Makes 12 servings.

### Clam-Stuffed Shrimp

Shell and devein shrimp. Split each along vein side about halfway through. Combine crumbs and butter or margarine. Stir in clams, parsley, garlic powder, salt, and pepper. Stuff each shrimp with clam mixture. Arrange in 12 x 7½ x 2 inch baking dish. Bake in moderate oven (350°) 18 to 20 minutes, basting occasionally with sherry. Makes 4 servings.

- 1 pound large raw shrimp in shells (about 16 shrimp)
- ¼ cup rich round cracker crumbs (about 18 crackers)
- 3 tablespoons butter or margarine, melted
- 1 7 or 7½ ounce can minced clams, drained
- 2 tablespoons snipped parsley
- ¼ teaspoon garlic powder
- ¼ teaspoon salt
- Dash pepper
- 1/3 cup dry sherry

### Tuna or Salmon Loaf

- 2 cups tuna or salmon, flaked
- 2 teaspoons lemon juice
- 1 cup bread crumbs
- 1 egg, beaten
- ¼ cup butter or margarine
- ½ onion, minced
- ½ cup chopped green pepper
- 1 tomato, finely chopped
- ½ teaspoon salt
- ¼ teaspoon pepper
- ¼ teaspoon tarragon

Mix tuna or salmon with lemon juice; add bread crumbs and egg and mix. Melt butter in saucepan over low heat; saute onion, pepper and tomato until lightly browned. Add with seasonings to fish mixture; mix well. Bake in greased 9 x 5 x 3-inch loaf pan in moderate oven (375 F.) about 40 minutes. Makes 6 servings.

### Manhattan Fish Fillets

- 1 can (10½ oz.) Campbell's Tomato Soup
- 1 pound fish fillets
- 2 tablespoons chopped parsley
- 6 thin lemon slices

Spread one tablespoon soup on each fish fillet, sprinkle with parsley. Roll fillets, place in shallow baking dish (10x8x2"). Pour on remaining soup, top with lemon slices. Bake at 375 deg. for 25 minutes or until fish fillets flake easily. Makes 4 servings. Double to make serving for 8.

### Welsh Rarebit

- 1½ tablespoons butter or margarine
  - 1½ tablespoons enriched flour
  - ½ cups milk
  - 1 cup grated American or nippy, spreading cheese
  - ½ teaspoon salt
  - ½ teaspoon dry mustard
  - Dash paprika
- Melt butter, add flour, blend. Add milk, stir till melted. Add seasonings. Serve hot over buttered toast or crackers, or pour over slice of tomato on toast garnish with paprika. Makes 6 servings.

### Baked Noodle Ring

- 1 8 oz. package noodles
- 1/3 cup dry bread crumbs
- 1 cup grated American cheese
- 2½ cups milk
- 4 slightly beaten eggs
- 1 teaspoon salt
- 1 teaspoon Worcestershire sauce

Cook noodles in boiling, salted water, rinse and drain. Alternate layers of noodles, crumbs and cheese in greased 2 qt. mold (ring).

Combine milk, eggs and Worcestershire sauce, pour over noodles. Bake in pan of hot water in moderate oven (350 deg.) about 45 minutes. Cheese may be omitted and 3 tablespoons butter added. Makes 6 servings.

### One Bowl Pizza (Makes 2)

- 2½ to 3 cups unsifted flour
- 1½ teaspoons sugar
- 2 teaspoons salt
- 1 pkg. Fleischmann's Active Dry Yeast
- 1 cup very hot tap water
- 2 tablespoons Planters peanut oil
- 1 large can pizza sauce
- 4 ounces thinly sliced mozzarella cheese
- ¼ cup grated Parmesan cheese

In a large bowl thoroughly mix 1 cup flour, sugar, salt and undissolved Fleischmann's Active Dry Yeast.

Gradually add very hot tap water and Planters peanut oil to dry ingredients and beat 1 minute at low speed of electric mixer, scraping bowl occasionally. Stir in enough additional flour to make a soft dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 45 minutes. Punch dough down and divide in half. Press each piece of dough into a greased 12-inch pizza pan, forming a standing rim of dough. Top with pizza sauce and mozzarella cheese, sprinkle on ¼ cup grated parmesan cheese. Salt and pepper to taste. Bake in moderate oven (350°) about 30 to 35 minutes, or until done.

## Planned-Overs... Make-Ahead Entree

"What's in a name?" Everything. Somehow, leftovers are much tastier when they're called "planned-overs," and with a little ingenuity, you can turn planned-overs into Saucy Rice-Scallop Croquettes.

The planned-over in this case is rice combined with scallops. Yes—rice. Rice keeps well in the refrigerator for about a week. Just put it in a tightly closed container so the grains will not dry out or absorb other food flavors. The next time you prepare rice, make an extra amount for future use in this croquette recipe.

Busy homemakers will also appreciate the fact that this recipe can be prepared ahead of time. Early in the day, combine the ingredients, form the mixture into croquettes and chill until about 10 minutes before mealtime. Then, fry, drain and they're ready to serve. Hot mustard or tartar sauce makes a spicy accompaniment.

### SAUCY RICE-SCALLOP CROQUETTES

- ½ cup finely chopped onions
- 3 tablespoons butter or margarine
- 1 pound scallops, finely chopped
- 3 tablespoons flour
- ½ cup milk
- 2 teaspoons salt
- ¼ teaspoon pepper
- 2 teaspoons lemon juice
- 2 cups cooked rice
- 1 egg, slightly beaten
- 2 tablespoons water bread crumbs

Saute onions in butter until soft but not brown. Add scallops and cook 3 to 4 minutes. Blend in flour. Add milk, salt and pepper. Cook until thickened. Remove from heat; add rice and lemon juice. Chill. Form into 12 croquettes. Mix water and egg. Dip croquettes in egg mixture. Roll in crumbs. Chill several hours. Fry croquettes in deep fat 375 degrees, 3 to 4 minutes. Serve with hot mustard or tartar sauce. Makes 6 servings.

## LIGHT AS A BUTTERFLY

When you're on a diet, a sweet ending for dinner can do much to boost your morale. Just aim to make it a light one, like this Fruit Dream that's based on D-Zerta Low Calorie Gelatin Dessert. Garnishes like a bit more fruit, a spoonful of prepared low calorie whipped topping, or a small sprinkle of coconut add a few more calories but give it a "party" look.

### FRUIT DREAM

- 1 envelope (4-serving size) low calorie orange flavor gelatin
- Dash of salt
- 1½ cups boiling water
- ½ cup milk
- ½ teaspoon grated orange rind
- ¼ cup drained low calorie fruit cocktail
- ¼ cup diced orange sections

Dissolve gelatin and salt in boiling water. Cool. Stir in milk and orange rind. Chill until thickened; fold in fruits. Pour into dessert dishes or individual molds. Chill until firm. Serve from glasses or unmold. Garnish, if desired. Makes 2½ cups or 4 servings—about 40 calories each, served plain.

### SHRIMP FURTERS

- 8 Tip-Top frankfurter rolls, split
- ½ cup melted butter
- 4 pounds medium-size shrimp, shelled and deveined
- 1 cup lemon juice
- 1 cup olive oil
- 4 cloves garlic, crushed or minced

Rinse shrimp and dry. Place in glass or stainless steel container. Cover with marinade made by combining lemon juice, olive oil and garlic. Let refrigerate for several hours or overnight. Remove shrimp from marinade and thread onto metal skewers. Broil about 5 minutes on each side, depending on size of shrimp, basting several times with marinade. Meanwhile brush insides of rolls with butter and toast, cut sides down, or wrap in foil and warm. Remove shrimp from skewers and place in buns and serve immediately. Yield: 8 servings.

# LIBRARY NOTES

August is here, and the summer programs of the Children's Room of the Hicksville Public Library - which this year brought to the youngsters the opportunities to exercise their creative talents, to enter the wonderful world of literature, and to be enchanted by the art of the storyteller - are at their mid-way point.

The popular children's art classes, which were once more made possible (after a year's enforced absence) by the passing of this year's budget, have officially ended for the summer - and the outstanding results are on view to patrons who visit the exhibit room in the Library's small Auditorium.

Each of the one hundred children who were able to participate received four sessions of art instruction, under the guidance of Mrs. Irene Ziolkowski of Westbury, who teaches also at St. Ignatius Loyola School in Hicksville, and at Holy Child in Westbury.

Each session had its own theme, and each stressed its own technique, self-portraits in water color, to creating designs with varicolored strands of yarn. Visitors to the exhibit are daily showing delight with the results. The exhibit will continue through August 29th, and a party is being planned for the participants in

the program, to be held on Friday, August 8th, at 3 p.m.

While the art classes are over for the season, there are still some three-hundred youngsters taking part in programs currently under way in the Children's Room.

Of the 239 boys and girls enrolled in the Apollo Adventurers Summer Reading Game, 54 have already completed their "trip to the Moon" and returned to earth; three have made the round trip twice, and one daring adventurer is on her third trip 'round.

Those have not yet completed the game are well on their way, and reading avidly to catch up. Since each trip involves reading and reporting on seven books, in various subject categories, the circulation desk has been kept busy charging books in and out.

All reports are due by August 15th, and those who have completed the requirements by that time will be eligible for the Children's Room's annual trip.

This year the trip, in keeping with the theme, will be "An Afternoon at Hayden Planetarium," and the literary space travelers who have completed their trips to the Moon, will participate in the Planetarium's program of "One Hundred Times Around the Sun." A morning visit to the Central Park Zoo, where the travelers

# Tobay Schedules Super Jam Session At Syosset Park

Residents of the Syosset-Woodbury Park District are invited to join in on a "Super Jam Session" at Syosset-Woodbury

Community Park. The invitation comes from Councilman Ralph Diamond.

"The Department of Recreation and Community Activities is sponsoring the session," Diamond said. "It's scheduled for Tuesday, August 12, from 7-10:30 P.M."

Among the talented local musicians who have signed up to participate in this session of Rock and Blues music are Joe Massaro, Larry Zampino, Doug Hedwig, Chuck Phinney, Peter Eggers, Barry Floyd, Chuck Jacob, Mitchell Endick, Dean Kraus and Ed Merrian.

Also Danny Horton, John Valente, John Steinert, Clem Bosco, Doug Kline, Jim Steinert, Mark Pierce and Doug Steigmeyer.

So, once again, a summer of pleasurable activity will end, leaving the youngsters eagerly anticipating the announcement of the Library's Fall programs.

# 'Beat It, Beatnik!'

On a hot, humid July 31 evening, over 400 parents, guests and students attended the play, Beat It, Beatnik in the Hicksville Junior High School auditorium. (Pictures on page 8)

The play was produced by Mr. Lawrence Redican as part of the ESEA, Title I Summer Project. Members of the cast and stage crew came from all of the local public and non-public schools.

At the conclusion of the play, all those who attended visited an art exhibit and other materials created by the students.

For those who came, it was a fun evening. For those who missed the opportunity to view the creative talents of Hicksville students, perhaps there is next year.

# Little League To Meet

The Hicksville International Little League will hold a GENERAL MEETING on August 21, at 8:30 p.m. in the American Legion Hall, 24 Nicholai Street for the election of officers. Refreshments will be served. ALL PARENTS are urged to attend.
