National Merit Semifinalists Named By HHS Principal Rusch

Principal Raymond L. Rusch has announced that nine students at Hicksville High School have been named semifinalists in the 1969-70 National Merit Scholarship Program. The students are Linda

Cady, Richard Kleinman, Robert Kleinman, Andrea Rappazzo, Jon Reiser, David Satran, Michele Scholar, Jonathan Tillem, and Richard Weinstein. The 15,000 semifinalists appointed today are

among the nation's most intellectually talented high school seniors. They will compete for about 3,000 Merit Scholarships to be awarded in 1970.

The semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMQST), which was given last February to some 750,000 students in 17,250 schools nationwide.

According to Mr. Rusch, "These students are a credit to themselves and their parents. The community should be very proud of their achievement."

Mothers Meet

The Mothers Auxiliary of St. Ignatius Loyola will have their first meeting of the new school year on Monday, September 22nd at 8:15 p.m. in the School Hall.

Mothers of all children attending St. Ignatius School are invited to attend and join the Auxiliary. It will be an opportunity to renew old friendships and to make new ones by welcoming the mothers of students who have just begun attending St. Ignatius.

BACK FROM ABROAD

Mr. and Mrs. Herb Johnson, of 87 Meyers Ave., Hicksville, have recently returned home from a wonderful vacation in the Scandinavian countries. They covered 22,000 miles in their travels, which took them to Norway, Sweden, and Denmark.

Hicksville AOH Salute Judge Donovan Oct. 11

Commodore John Barry, Division Eleven, Ancient Order of Hibernians, Hicksville will "Salute" one of its distinguished members, The Honorable Francis J. Donovan, District Court Judge, Nassau County at a testimonial dance and buffet to be held Saturday evening, October 11, 1969 at the Msgr. Bittermann Hall of the Knights of Columbus, Heitz Pl. and Bay Ave., Hicksville commencing at 9 P.M. according to Jim Cummings, general dance chairman.

Tickets are \$6.00 per person with wonderful Irish and American music, buffet, refreshments to salute Judge Donovan on this auspicious occasion. For tickets and table reservations phone WE-5-4229. Now tickets will be at a premium knowing the hundreds of the Judge's friends and associates who will want to attend.

Jim Cummings, dance chairman announced that William "Bud" O'Keefe has accepted co-chairman of the "salute" with the Honorable Michael M. D'Auria, Supreme Court Justice; George V. O'Haire, Deputy Town Super-

Judge Francis J. Donovan

visor and Henry M. Curran, Racing Commissioner, in charge of distinguished guests. Committee members include: Stephan Ryan, Div. Pres.; Peter O'Reilly, V.P.; William Collins, Treas.; Larry Roby, George Harkins, Peter Collins, Tom McCormack, Jack Halcott, Frank Larkin, Bill Smothergill, Pat Dowling, Jim O'Sullivan and Patrick McHugh.

ALL WINNERS: These sixth-grade students of the Byrnes Avenue School are seen here with their fifth-grade teacher, Miss Sylvia Hirshhorn, presenting a prize book to the class library. The book, *I Think I Saw A Snail*, was to be given as a prize to the outstanding creative writing student in Miss Hirshhorn's English class. Miss Hirshhorn decided that the 30 students in-

volved in the project were each deserving of the prize and therefore the book would remain in school for the enjoyment of all. (L. to R.) Glenn Greenberg, JoAnn Lesser, Robin Sadowski, Miss Hirshhorn, Thomas Slome, Karen Graniter.

Bazaar

Holy Trinity Episcopal Church is celebrating their annual Bazaar on Friday, September 26, and Saturday, September 27, from 10 a.m. to 10 p.m. A Smorgasboard is featured on Friday from 5 to 8:30 p.m. An Auction will be held on Saturday morning, 11 a.m.

Two day bazaar offers games, prizes, home made items, and a chance to win a trip to Bermuda for two. There will be fun for all at the corner of Old Country Road and Jerusalem Avenue, Hicksville.

Cake Sale

The Rosary Altar Society of Our Lady of Mercy Church, will conduct its Fall Cake Sale on Sunday, September 28. The sale will take place after all Masses, (7:30 A.M.-2 P.M.) on the Church grounds.

"All members have been requested to bake cakes, pies, tarts, and brownies, and a bountiful Harvest of Homemade goodies is anticipated," said a spokesman for the Society.

"Chairlady," Mrs. Frank Matassa of Hicksville, is hard at work, with her committee, to insure that this will be one of the most successful Cake Sales we've ever held," she explained. "This event is the first of this year's planned fund-raising activities, which enables the women of the Society to carry on so many of their charitable works for others," she concluded.

Square Dance

The 7th Annual Square Dance sponsored by the Hicksville Auxiliary of United Cerebral Palsy will be held October 4 at 8 p.m. at the Knights of Columbus hall on Heitz Place in Hicksville. Proceeds of the affair will be used to further treatment of the children and adults at the "Center for Living," in Roosevelt. Tickets and further information may be obtained by calling, WE 5-5224.

Trinity Lutheran

CHRISTIAN EDUCATION - IN TRANSIT is the theme for the Parent-Teacher-Friendship Association of Trinity Lutheran School during the 1969-70 school year. The first meeting is scheduled for Tuesday, September 23rd at 8:15 p.m. in the gymnasium. Speaker at this meeting will be the Reverend Edward H. Stammel, pastor of Trinity for the past 27 years. Future meetings will cover specific topics as they relate to the total Christian Education program. All parents and friends of Christian Education are most cordially invited to attend.

NEW TEACHERS: Trinity Lutheran School, Hicksville, announces five new teachers on its faculty this school year.

Mrs. Margaretha Philcox joins the school as Teacher Director of the Trinity Nursery School after 15 years of teaching experience. Also serving as Nursery teacher and assistant to the director is Miss Joyce Maler. Miss Maler is presently continuing her studies in Nursery Education at Hofstra University. Joining the staff in grade two is Mrs. Gretchen Kuck. Before coming to Trinity, Mrs. Kuck taught at Concordia Lutheran School, Hyattsville, Maryland. She is a graduate of Concordia Teachers College, River Forest, Illinois. Mrs.

Marlene Harwood is now teaching a fourth grade at Trinity. She is a graduate of Oneonta State Teachers College and had done graduate work at N.Y.U. Teaching one of the school's two 5th grade classes is Miss Donna Wasmus, a recent graduate of West Hampton College of Long Island University.

New Faculty Members of Trinity Lutheran School, Hicksville, include (Left to Right) Miss Joyce Maler, nursery teacher, Mrs. Margaretha Philcox, Nursery School Director, Mrs. Gretchen Kuck, teacher of grade two, Mrs. Marlene Harwood, teacher of grade four, and Miss Donna Wasmus, teacher of grade five.

G.I. INSURANCE
Donald E. Johnson, Veterans
Administrator, advises veterans
to convert their G.I. term in-
surance to a permanent plan
now. By doing this they will avoid
astronomical premium costs in
their old age.

Veteran policyholders can
convert to any of seven per-
manent plans through the VA,
such as modified life, ordinary
life, 30 payment life, 20 payment
life, 20 year endowment, en-
dowment at age 60 and en-
dowment at 85.

**G.I. EDUCATIONAL
BILL**
The VA has told Congress it
expects 685,000 to take advantage
of the G.I. entitlement bill this fall.
Last year's peak enrollment in
the fall was 553,000.

To insure that education checks
are received by the students on
time the VA has this advice to
offer.

If the veteran in college last
spring or summer followed in-
structions by returning his cer-
tificate of attendance at the end
of the term he has nothing to
worry about, and if the college
registrar followed through with
his fall enrollment certificate the
checks will come to him auto-
matically.

For the veterans who are
enrolling for the first time this
fall or who have changed their
college or program, must be

**GRUMMAN SCHOLARSHIP
WINNER:** Robert C. Carlson, a
senior at John F. Kennedy High
School of Plainview, is son of
Mr. & Mrs. Edward Carlson of 17
Edgewood Drive, Plainview, is
one of the ten winners of four-
year engineering college
scholarship for 1969 awarded by
Grumman Aircraft Engineering
Corp.

Carlson won one of the three
special grants awarded depen-
dents of Grumman employees.
His father is in the Grumman
Accounting Dept. Young Carlson
plans to enter MIT this Fall and
major in Physics.

Some 274 college grants have
been made to Nassau and Suffolk
high school students, by
Grumman since the Engineering
Scholarship Plan was launched in
1944. Many of the early winners
now hold highly responsible
positions with the Bethpage
aerospace company.

The Grumman scholarships
provided the winners, who
graduated from high school this
June, with four full years of
tuition at any accredited
engineering school of their own
choice, plus laboratory fees.

The student winners may
choose to specialize in either
aero-nautical, mechanical, civil,
electrical engineering, or other
suitable courses, including
physics and mathematics,
providing their primary interest
is a long term career in
engineering or supporting fields

Our Armed Forces

Airman John T. Roach, son of
Mr. and Mrs. John T. Roach of
102 W. John St., HICKSVILLE, is
among the thousands of per-
sonnel from Keesler AFB, Miss.,
who have joined the massive
effort to help nearby com-
munities recover from the
destruction of Hurricane
Camille.

Airman Roach and others from
the Air Training Command base
located at Biloxi are aiding Civil
Defense teams and city crews in
the distribution of food, clearing
debris, and directing traffic.
Heavy equipment is assigned
throughout the Biloxi area to help
clear wreckage. Medical teams
from the base are augmenting
helath staffs in the stricken
communities of Bay St. Louis,
Waveland, Pass Christian and
Gulfport as well as Biloxi.

The airman is a graduate of
Hicksville Senior High School.
Navy Ensign Dennis A. Yatras,
son of Mr. and Mrs. Andrew
Yatras of 39 Twin Lanes Ave.,
HICKSVILLE, and husband of
the former Miss Nancy Y. Carly
of Cherry Hill, N. J., has com-
pleted a four-week Flight
Systems course at the Naval
Aviation Schools Command, U. S.
Naval Air Station, Pensacola,
Fla.

He will now proceed to the next
phase in the Naval Aviation
Program.

Seaman Apprentice John F.
Santos, USCG, son of Mr. and
Mrs. Ralph Santos of 39 Libby
Ave., HICKSVILLE, graduated
from recruit training at the Coast
in the aerospace effort.

There was a record list of over
300 applicants for the grants this
year, including 70 vying for the
three special awards made an-
nually to "dependents" of
Grumman employees.

The three "dependent" grants
are made solely on the basis of
results in the College Entrance
board tests in March, while the
other seven Grumman
Engineering Scholarships open to
any high-ranking senior in a
Nassau or Suffolk high school,
are conferred by the Company on
the basis of scholastic
achievement, and engineering or
science aptitude, and an interest
in the aerospace industry. Three
alternates in this category are
also selected each year.

Young Carlson, who ranks 4th
in a class of 450, is exceptionally
strong in physics and chemistry.
He carried off the school's top
Physics Award, is a member of
the National Honor Society,
Mathletes, Debating Club and the
soccer team, in addition to being
a contributor to the school's
German language magazine.

Guard Training Center, Cape
May, N. J.
During his eight-week training
period he received instruction in
military customs and traditions,
swimming, military drill,
seamanship and weapons training.

Airman Anthony Ardito, son of
Mr. and Mrs. Alfred V. Ardito of
296 Manetto Hill Road,
PLAINVIEW, has completed
basic training at Lackland AFB,
Tex. He has been assigned to
Sheppard AFB, Tex., for training
in aircraft maintenance. Airman
Ardito is a graduate of Plainview
High School.

Army Sergeant Daniel
Hawhurst, 22, son of Mr. and
Mrs. Harold Hawhurst, 20
Laurel St., HICKSVILLE,
received the Bronze Star Medal
Aug. 13 near Pleiku, Vietnam.

Sgt. Hawhurst earned the
award for outstandingly
meritorious service as a squad
sergeant in Company D, 1st
Battalion of the 4th Infantry
Division's 35th Infantry in
Vietnam.
During the same ceremony, he
also received the Air Medal for
meritorious service while par-
ticipating in aerial flight in
support of ground operations.

Specialist Four Stephen H.
Leeser, 21, son of Mr. and Mrs.
Henry Leeser, 17 Quaker Lane,
LEWITTOWN, received the
Army Commendation Medal
August 9 while serving with the
64th Quartermaster Battalion
near Long Binh, Vietnam.

Spec. 4 Leeser earned the
award for meritorious service as
a radio operator in the battalion's
Headquarters Detachment.

Fire Control Technician Third
Class M. J. Cafiero, USN, son of
Mrs. Elizabeth Cafiero of 30
Steven St., and husband of Mrs.
Janet Cafiero of 35 Audrey Ave.,
all of PLAINVIEW, is serving
aboard the attack aircraft
carrier USS Forrestal.

The Forrestal is now partici-
pating in refresher training in
the Caribbean Sea.

Naval Aviation Officer Can-
didate David H. Grant, son of Mr.
and Mrs. Edmond Grant of 76
Hedgerow Lane, JERICHO, is
attending a summer training
period at the Naval Aviation
Schools Command, Naval Air
Station, Pensacola, Fla.

When he completes this
segment of training he will be
commissioned an Ensign in the
Navy and be ordered to active
duty.

Boilerman Third Class Daniel
A. Little, USN, son of Mr. and
Mrs. Henry G. Little of 17 Bridge
Lane, HICKSVILLE, is serving
aboard the attack aircraft
carrier USS Forrestal.

Army PFC David A. Silver-
man, son of Mr. and Mrs. H.
Silverman of 30 Schultz St.,
Westbury, has been assigned to
Special Troops, Berlin Brigade,
in Germany. PFC Silverman
reported to Oakland, Calif. on
Aug. 2 for shipment to Vietnam,
but was held over and sent, via
Fl. Dix, N. J., to Frankfurt
Germany's 21st Replacement
Battalion and then to Berlin.

While in Berlin, PFC Silver-
man was first assigned to the
infantry, then to Berlin Brigade's
Adjutant General's Office and
now to G-2 Security. He has 14
months remaining in the service.
PFC Silverman is a 1964

Tony Scotti is back home after a brief stay in Mid Island Hospital and is back at work at Sears in HICKSVILLE.

Mr. and Mrs. Sherwood Gillette, of 116 Spindle Rd., HICKSVILLE, announce the marriage of their daughter, Mary Jane, to James Rerici on Sunday, Aug. 31, at the United Methodist Church, Hicksville.

Mr. Rerici is a policeman with the Nassau County Police Dept. The couple are both alumni of Hicksville High School.

Following a tour of the Southern States, the couple will reside in Levittown.

Incidentally, we heard that one of the souvenir post cards sold on Long Island depicting the Van-

derbilt Museum, shows a polar bear that was caught by Mr. Stoll on one of his previous expeditions. We wish him good luck and good hunting on his safari to Africa. He is expected back sometime in November.

Happy Anniversary to Penny and Al Froeschl of Patchogue who celebrated their 7th wedding anniversary recently. Penny is the daughter of Dick and Agnes Moore, Summer Lane, HICKSVILLE, and the mother of Jennifer, Kim, and Christopher.

Congratulations to Charles L. Cassar who has been named director, marketing services for the CBS Electronic Video Recording Division, it was announced recently. Mr. Cassar

makes his home at 162 Rim Lane, HICKSVILLE, with his wife, Elizabeth, and his son Bradley. Another son, Lawrence, resides in Mineola.

Ronnie Sue Charnakoff, of 20 Roxbury Ave., PLAINVIEW, is among the student teachers of the University of Conn. to participate in practical classroom experience and in urban involvement programs.

Among the members of the Town of Oyster Bay, Department of Recreation and Community Activities, Senior Citizens Division, are James C. Arvanitis, Director, and Adelaide Attard, Supervisor. For further information, call 921-5770.

Hicksville Library Story Hour

The Pre-School Story Time—for children 3 1/2 to 5 years of age. It will be held on Wednesday mornings from 10:30-11:00 in the auditorium.

The Picture Book Story Time is for children from 5 to 8 years of age. It will be held Tuesday afternoons from 4:00-4:45 in the auditorium. Films for this group will be shown the first and third Saturdays of each month starting Nov. 1st.

Both Story Hour programs will start Oct. 1st. They will not be held on holidays or during Christmas week and will conclude the last week in May.

HICKSVILLE. Hurry up and get better!

Mr. and Mrs. Jacob Landy, of Gardena Lane, HICKSVILLE, wish to thank the HICKSVILLE V.F.W. for the many packages their son, PFC Michael Landy, now serving in Vietnam, has received. "We understand that the HICKSVILLE V.F.W. are constantly sending similar packages to many Hicksville boys in Service in Vietnam," they said.

TO Bay Issues Parking Permit For Disabled

Thomas R. Amato has been trying for three years to obtain a special parking permit that would enable him to park closer to his place of employment. Amato had no luck at all, however, until the Town of Oyster Bay recently passed legislation permitting the creation of an ordinance calling for "Parking Permits for Physically Disabled Drivers."

Recently Town Clerk William B. (Bud) O'Keefe and Councilman A. Carl Grunewald presented Amato, a key punch operator for Computer Fulfillment Corp., Hicksville, with the first permit issued under the new ordinance.

"I have been trying to obtain a permit of this type for years," Amato told O'Keefe.

"I have written several letters to County Executive Eugene Nickerson, The Paraplegic Veterans Association, The Division of Vocational Rehabilitation, The U. S. Transportation Department, the President of the U. S. and the Veteran's Administration," Amato said none of these were able to help him.

The new ordinance calls for the Town to set aside public places, streets, or portions of streets, as parking spaces for motor vehicles for the sole and exclusive use by the holders of valid physically disabled driver parking permits. These locations will be only in unincorporated areas of the township.

The Superintendent of Parks will be authorized to install a sign at each of these sites following the issuance of such a permit. Fines will be levied against violators.

Grunewald said any party with a permanent physical disability—and he stressed permanency—seriously impairing mobility as certified in writing by a physician may make application to the Town Clerk for a permit.

PARKING PERMIT: Oyster Bay Town Clerk William B. (Bud) O'Keefe plants the first permit issued under new Town legislation on the windshield of Thomas Amato's car. Amato, a 23-year-old key punch operator, said he had been trying for three years to obtain such a permit from various sources without success until the Town stepped into the picture. Councilman A. Carl Grunewald, rear, sponsored the first ordinance. Permits are obtainable for those with permanent disablements by contacting the Town Clerk.

Cars And Grades Don't Mix Well During The Week

The more a student uses a car during the week, the poorer the student's grades will be, emphasized James C. Mack, Regional Manager of the Allstate Insurance Companies.

Referring to "A Teenage Pattern," an Allstate study of 20,000 high school students, Mack stated the major finding: Grades go down as driving privileges are extended.

"Parents are the only people who can supervise and enforce sensible use of the automobile during the academic year," he said.

In addition young drivers are becoming involved in more auto accidents than ever before, the insurance executive said.

Citing late statistics, he urged parents to exercise strict control over their children's driving.

"Parents simply must realize the importance of strict supervision of their children's driving habits," said Mack. "Young drivers have the highest crash and death rate of any age group on the road today."

"The other important reason for parental control of young drivers is that their education will suffer if they are allowed too much use of a car."

He noted with concern late accident figures from the National Safety Council, which show that drivers in the 15-24 age group have a crash and death rate nearly double that of older drivers.

Young drivers under 24 have crashes at an annual rate of 41 per 100 drivers while drivers aged 40-65 have 18 collisions per 100 drivers.

"Many of these crashes could have been prevented if the drivers involved had been properly trained," said Mack. "Experience shows that trained young drivers have 50 per cent fewer crashes than untrained drivers of the same age."

But even if the young driver is well trained, studies must come before driving. The Allstate "A Teenage Pattern" study showed that too much use of a car affects the grades of good students as well as poor students.

Grades start to suffer when the car is used more than two days out of five during the school week. Students who do not drive or who use the car only on weekends have the best grades, while those who drive two to four

Dear Friends:

FOR ALL THE CONCERNED CITIZENS who have inquired about the Dairy Store court case which was scheduled for Sept. 10, Mr. Sobel brought a statement from his lawyer stating that his lawyer had to appear in another court and, because of this, the case was rescheduled for Wednesday Sept. 24. It is to be hoped that the attorney involved will be able to make this appearance in the meantime, the original seven violations which we printed for your information two weeks ago, still exist as far as being answered is concerned and Mr. Sobel, at HERALD presstime, had not applied for either a certificate of occupancy or for the necessary sign permits! This in itself is amazing - something like driving your car without a license plate - how long would we get away with something like that? Anyway, we'll have more on this strange situation by next week, we trust.

ADULT EDUCATION CLASSES are scheduled to start on Tuesday evening, Sept. 23rd. It's not too late to sign up, if you are interested and the list of courses available is exciting... for example Boating - Power and Sail; Bookkeeping, Creative Writing for Beginners; Driver Education; 3 courses of Electronics, 3 courses of Para Psychology; Conversational French, Refinishing and Antiquing Furniture; Dictation and Typing Transcription; Conversational German, Gourmet Cooking (if you take this one, I'll volunteer to sample the results!) Handwriting Analysis; Introduction to Computers and Data Processing; Conversational Italian; Law Everyone Should Know; Office Practice; Poetry Forms; Parent's Workshop on College Admissions and Financing College; Public Speaking; Preparation for Real Estate and Notary; Script Shorthand, Conversational Spanish; Telephone Switchboard Operation; 2 courses of Typing; Beginning Tenor Banjo; 2 courses of Cake Decorating; Ceramic Decoration; Ceramic Sculpture; 2 courses of Contract Bridge; Interior Design; Knitting and Crocheting; Oil Painting; 2 courses of Physical Education; Beginners Piano Lessons; Rug Hooking, Sewing (about 5 different courses); Senior Citizens Groups; Sketching and Painting; and 2 courses of Social Dancing. If you haven't already done so, come on down to HHS and sign up for an interesting course!

WE'D LIKE TO REPORT PROGRESS on the attempt we are making to preserve our historic Hicksville Courthouse and use it as a museum - we'd also like to say that progress has been made in reference to the traffic tie-ups that continually occur on Nevada Street... but such is not the case, at least at press time. But, we are not giving up... and perhaps by next week we may have good news on these two problems.

HERE AND THERE David and Julie Eisenhower are scheduled to be presented on Oct. 13th when Salisbury Park is officially renamed Dwight D. Eisenhower Memorial Park. "We are delighted that these two wonderful young people will be the guests of Nassau County on the Oct 13th Columbus Day holiday," Congressman John Wyder, told me, "And County Exec. Nickerson joined with Presiding Supervisor of the Town of Hempstead Ralph Caso, and other dignitaries to welcome the young couple.

.....Registration for the 1969 Punt, Pass and Kick competition open to boys 8 to 13 years of age is now underway thru Oct 10th at Ford dealerships in the NY district, so hurry on down to BOB KEN FORD and register for this exciting event, boys. It's a good way to test your football skill....."Welcome Aboard" to Catherine T. Madden who has joined the staff of Malloy Catholic College for Women, as assistant director of college relations...and best wishes for a successful Fair to the Huntington YMCA, who have scheduled their annual Antique, Art and Crafts Fair for Sunday, Oct 5 (rain date Oct 12) in their own parking field on Route 25A...and, another "Welcome Aboard" to Frank Colletta, a 1962 graduate of HHS who has joined the HHS faculty this fall. Since graduating he has attended State Un. College at New Paltz where he earned his BA plus 49 graduate credits in sculpture. His sculpture is currently being shown at the Island Art Gallery in Smithtown.....TOB Councilman Healey will host an upcoming weekly radio program titled "Local Government on Post College radio station WCWP each Sunday from 7:15 to 7:30 p.m.

Until next week, do your best, and don't forget to send your news items to THE HERALD (our news deadline is Wednesday at noon. Sincerely,
Sheila Hoegl Noeth

Thunderbird for 1970 presents a bold new look, highlighted by a dramatic front end design. All models feature a longer, lower hood and three section extruded aluminum grille for a more formal appearance. Included in the Special Brougham option group, shown here on the Thunderbird two-door Landau, are such features as grille lamps, color-keyed wheel covers and high-back bucket seats. Thunderbirds also have hidden windshield wipers and hidden radio antennas to emphasize the clean design.

LIBRARY NOTES

With the soft days of summer falling farther and farther behind, older students are once again mulling over their futures, and trying to make decisions on what their next step should be.

Whatever the decision—or even if the decision is still to be made—the Hicksville Public Library is ready and able to help. Through efforts of the Young Adult librarian, the library has prepared a pamphlet, *College and Career*, listing the names and locations of all the books necessary to help the puzzled decision-maker.

Is the decision for college? The pamphlet lists Directories to college, junior colleges, and universities throughout the United States, as well as abroad.

How to get into college? The Directory lists eight books on college admissions— from Benjamin Fine's general book on *How To Be Accepted at the College of Your Choice*, to the more specific *Admission to College, A Guide To Students and Their Parents*.

Want to know more about the colleges you've picked? The library has a collection of more than 1500 college catalogues which can be consulted on the premises.

College Boards got you down? See the Directory for "how to" books to help you to score your highest. Can you beat the high cost of a college education? Well, it's not easy—but the library has information on loans, scholarships, fellowships, government

aid, work-study programs, and you-name-it.

Study abroad and graduate study are also covered, and if you're planning now for next summer—there are even guides for summer study and ideas for student vacations.

Are you, perhaps, a college student wondering which direction to take after college? The library's *career file*, which contains job information on over 3000 fields of endeavor, will give you a quick run-down on the job, the requirements necessary to fill it, and the possibilities it can hold for the future.

Are you interested in training for a job, rather than in going to college? The library lists vocational school directories, books on where and how to find a job, career planning handbooks, as well as books on various fields, from *How To Become an Airline Stewardess to Your Career in Law Enforcement*. It has, as well, a small collection of catalogues from vocational schools in the New York area.

For these students, too the career file can help, with job descriptions, educational preparation, salary expectations, and job opportunities.

So—to all those who are pondering their futures—the library extends a warm welcome! Come in and pick up your *College and Career* pamphlet at the Young Adult desk. If you need additional help, any one of the Reference Staff will be happy to lend a hand. The sky's your limit.

Art Exhibit At Mercy Hospital

HJC Sisterhood

The first meeting of the Hicksville Jewish Center Sisterhood will be held on Wednesday, September 24, at 8:30 p.m. at the Temple on Jerusalem Ave. and Maglie Dr.

There will be a panel and discussion on the topic, "Are You a Jewish Mother?"

Refreshments will be served. All members and friends are invited.

Plainview-Old Bethpage Public Library

THE PLAINVIEW-OLD BETHPAGE PUBLIC LIBRARY is a center for cultural, civic and educational activity of all types because this is what the Plainview-Old Bethpage Community wishes, indeed expects of it. Beyond the 105,290 volumes of books, 482 titles of periodicals, 16,946 pamphlets, and 1,738 records the Plainview-Old Bethpage Public Library offers a gamut of activities to exemplify the varied levels of taste and age within the community.

THE SEPTEMBER-OCTOBER PROGRAM OFFERS:

• a new Story Hour for 5 to 7 year olds every Friday afternoon at 4:00 P.M.

• September 19 is the second of the four one-session courses (7:00-10:30 P.M.) on Hunter Safety. Open to 14 year olds and older, the course is a necessary preparation for New York State Hunting License. There is no fee but registration must be made in advance by telephone (We. 8-0077). The other two dates for the

course are October 3 and October 17.

• September 24 at 8:30 P.M. a Yoga lecture will be given by Sachindra Majumdar to serve as an introduction for the course which begins October 8 at 10:00 P.M.

• October 1. For the first time the Great Books of the Western World Seminar is now being offered to our high school patrons beginning October 1 and continuing on alternate Wednesdays. The two group course: ages 14-15 meet at 7:30; ages 16-18 meet at 8:30.

• October 4. A party evening in Manhattan! Leaving Plainview at 6:00 P.M. a bus will take groups, clubs, couples and individuals to Broadway at 50th Street to do their own thing: theatre, dinner, cocktails. The bus will leave Manhattan (Broadway & 50th St.) at 1:00 A.M. The library furnishes information on what is happening in New York in the fall. The purpose of this bus service is to

Tired of drab post office lobbies with nothing more interesting to look at than scratchy pen-and-ink sets and posters of wanted fugitives?

Don't give up hope. The Post Office Department has discovered a cure.

It's girls. Trim, neat, miniskirted girls. Special uniforms, too—like airline stewardesses.

They're called "Miss ZIP". And they are starting to ornament post office lobbies in key cities across the country.

Their job is to help postal patrons get better service and quicker answers to puzzling questions.

Just want one stamp? Miss ZIP will reach into her bag of tricks and sell it to you. No standing in line.

Need to find out a ZIP Code number for a letter you are

mailing? Miss ZIP has the answer.

Not sure where to go to dispatch an air mail parcel post package? Miss Zip will steer you.

The Post Office Department says that postal patrons are delighted with this addition to the Department's modernization program. Miss ZIPS are on duty now in such cities as Louisville, Memphis, Chicago and Cincinnati.

Woman, young and old, appreciate their help. Men appreciate them, help or not. And, best of all, says the Department: dogs don't bite them.

Eight Miss ZIPS will arrive in Washington on September 8, at 9:30 A.M., to help out with the Department's annual mass-meeting with major business users of the mails, National Postal Forum III.

You Can Help

I.H.B. Needs Sighted Volunteers To Prepare Braille Textbooks

It is estimated that some three hundred eighty-five blind and partially blind pupils are now enrolled in the Nassau and Suffolk public schools. To provide the necessary Braille textbooks for the blind students, The Industrial Home for the Blind is offering two classes in Braille instruction to sighted persons this Fall. Registration for the Monday evening class, September 29, from 8:00 to 10:00 P.M., will be held at The John Philip Sousa Junior High School, Sands Point Road, Port Washington. Registration for the morning class begins Monday, October 6, from 9:30 to 11:30 A.M. at the IHR Nassau - Suffolk Braille Library, 329 Hempstead Turnpike, in West Hempstead. The class meets at the specified date and time once a week for twenty-two weeks.

Although there is no charge for the Braille instruction, nor for the special Braille paper used for lessons and practice, the student is expected to pay \$4.75 to defray the cost of the required inkprint textbook, the slate and stylus.

HOW WE CAN HELP: Mrs. Virginia Scharoff, Co-Ordinator of Volunteer Transcribing Services for The Industrial Home for the Blind, is shown here at the blackboard demonstrating the A.B.C.D of the alphabet. Of course, the Braille dots are raised so that a blind student can feel them.

The equipment used in the reproduction of Braille Dots. Interested persons should call Mrs. Virginia Scharoff, IHB Co-ordinator, Volunteer Transcribing

Services, at the IHB Nassau - Suffolk Braille Library, Ivanhoe 5-2557.

Upon completion of the course and the preparation of a fifty page manuscript into Braille from printed material, the student is certified by the Library of Congress, Division for the Blind and Physically Handicapped, Washington, D.C. Once certified, the brailist becomes eligible to join the Life - Liners, the IHB Volunteer Transcribers Service.

"A volunteer transcriber holds the keys which unlock the doors to the education of a blind youngster," says Mrs. Scharoff. "Working at a kitchen table in the home, or in the shade of a patio, or maybe even while on vacation, the transcriber turns out the Brailled pages essential for a blind child who attends the neighborhood school with his sighted schoolmates. The transcriber shares in the achievement of a blind graduate, shares in the knowledge that, like her own children, a blind boy or girl grows up in the warmth and encouragement of a family circle."

Children's Safety Town At Eisenhower Park

Following the recent approval by the Board of Supervisors of the appropriation of funds to develop and implement "Children's Safety Town," County Executive Eugene H. Nickerson announced a proposal to extend safety education programs to students of all ages.

"Safety Town," a federally funded project, will open next year in Eisenhower Park. It will be specially constructed to train 19,000 children in the early grades in "on-the-road citizenship." The Nassau County Police Department serves as project director for the program.

The new proposal made by the Nickerson-appointed Traffic Safety Board is for the county's 56 school districts to undertake extensive traffic safety programs from kindergarten through the 12th grade. The program will be directed by a Nassau County School Traffic Safety Coordinator. A request to New York State for \$26,000 in federal fund is now being prepared for the signature of the County Executive by the Traffic Safety Board. If approved, the grant will pay the salaries of the coordinator and one stenographer, consultation fees, and the cost of office equipment. Nickerson said the Nassau County Board of Cooperative Educational Services will serve as project director for the program. The coordinator will work out of, and under the direction of, the BOCES office.

If establishment of the office is approved, the appointee will coordinate all existing traffic safety programs within the various school districts.

The proposal specifies that the coordinator must be a New York State certified teacher with administrative experience and a knowledge of all the rudiments of traffic safety. He will recommend improvements in those districts where he believes they

are needed and will recommend the inclusion of such programs where none exist.

Nickerson said the coordination of traffic safety programs is a necessary addition to the "Safety Town" project, which is limited to students in classes from kindergarten to the third grade.

"Instruction in traffic safety throughout all the primary and secondary grades is vital," Nickerson said.

He emphasized that "failure to supplement and follow through on the early lessons taught at 'Safety Town' might greatly diminish the anticipated success of the program."

Marvin Wagner, director of the Traffic Safety Board, said, "The attitudes with which the adult approaches the driving task have been instilled during the many years of his development. If these attitudes, both as a pedestrian and as a driver, are to be sound and adequate, they must be inculcated early, and maintained and enhanced throughout the person's developmental period. To accomplish this, traffic safety education should begin when the child enters school, and should continue throughout the child's period of growth and development."

Bonneville

(We take the fun of driving seriously.)

This is the way it's going to be. Pontiac's 70's

Surprised that Pontiac's setting the style for the umpteenth straight year? Of course not.

But you may be a bit dazzled to find out that Pontiac finally outdid Pontiac.

Take Bonneville. From the strong, new bumper grille to the standard 455 under the hood, it's a rouser.

Inside: instant limousine. So luxurious some of the traditional big boys are already screaming.

One of the nicest things we could have done for Grand Prix's luxury was to leave it alone. We did. But we popped in a 455 V-8 for you to order. (It's an old Pontiac proverb that luxury

should have power.)

Enter LeMans Sport. A brand-new series in the Pontiac stable. Wait'll competition sees it pull the new 400-cubes-under-the-hood trick. We'll show you that one-if you check the right box on the order form.

By now, you've spotted our '70 GTO. But maybe you haven't heard it. A sound so tough we've thrown modesty to the wind and dubbed GTO "The Humbler."

This is Pontiac '70. And we figure this is the way driving's going to be. So why wait?

It's at your Pontiac dealer's now.

Complete Hospital Care

For the first time, four hospitals, each serving a different medical need, are coordinated under one administration, in one private hospital center. Fully accredited, Brunswick serves nearly 600 patients in an aggregate of 20 buildings on forty beautifully landscaped acres.

GENERAL HOSPITAL for medicine, surgery, obstetrics and psychiatry. Mentally ill patients can be admitted to special pavilions under Blue Cross or other insurance plans.

PSYCHIATRIC HOSPITAL for the mentally and emotionally ill, for the alcoholic and drug addictive. An individual therapy program is designed for each patient by one of our fully-qualified resident psychiatrists.

NURSING HOME for the geriatric convalescent, cardiac and diabetic patient. In addition to 24-hour skilled nursing care, the services of a resident physician are available.

NOW ... a new hospital of physical medicine and rehabilitation for extended illness.

CHRONIC CARE HOSPITAL staffed by specially trained physicians and rehabilitative nursing personnel; designed exclusively for the long-term, restorative treatment of the chronically-ill and physically disabled. Most Major Medical insurance plans will cover patients admitted to this hospital.

- Facilities and Treatments include:
1. Swimming pool and Hubbard tanks for hydrotherapy.
 2. Gymnasium for physiotherapy.
 3. Daily living activities program and crafts.
 4. Speech therapy program. 5. Inhalation therapy.

Tobay To Experiment With Plastic Garbage Bags

An experiment the Town of Oyster Bay plans to conduct may radically change the concept of garbage collection on Long Island.

Town Councilmen M. Hallsted Christ and Ralph Diamond, who are working jointly on the project, said today that the Town planned to experiment with plastic polyethylene refuse bags as a replacement for garbage cans. Diamond indicated the Sanitation Division of the Town's Department of Public Works is conducting preliminary studies on cost and distribution methods. Diamond said he has suggested Jericho as the site for the pilot project.

Christ said the experiment will be on a voluntary basis where users purchase their own bags for a minimal cost of approximately four cents each. He said most users will probably utilize the bags with the cans.

"A case for handling bagged refuse has been substantiated in other areas," Christ claimed. "Since the sanitation worker does not have to make a return trip to the property line with an empty garbage can he is able to pick up more material in the course of a working period."

Christ said public enthusiasm has run high in areas where other municipalities have begun using the polyethylene bags, and he cited a number of possible advantages that make this experiment desirable. Those advantages are:

They will reduce the clutter of cans disturbing residents during morning-hour collections.

They do not lose their covers. Easily tied, no papers or ashes blow from cans or from the sanitation vehicles themselves.

Sanitation men must also frequently stop to pick up debris blown by the wind as a can is lifted and dumped into the refuse truck so this will be another time-saving device.

Polyethylene bars odor transfer and animals do not pick up the garbage scent.

They require no scrubbing to keep bacteria, odors and insects under control. Polyethylene bags do not freeze to the ground during the winter and they do not accumulate rain water.

"These are just a number of advantages," Diamond said. "In addition there have been tangible results in improving the morale of the sanitation workers who use these bags. Not only can collectors work at least 15 per cent faster than before, but there is less chance of an injury since there are no heavy cans included in the weight lifting and the bags do not have to be shaken and held until empty. They are just dumped into the packer."

The Town will make a minimal initial purchase of a number of bags after advertising for bids. Christ said the residents involved in the pilot program will be advised as the study develops.

From The Fire Chief

The following message is in conjunction with the annual fund raising drive conducted by the Jericho Volunteer Fire Department:

As Chief of your Volunteer Fire Department, I cannot emphasize enough the need for fire education and fire safety. The Fire Service is exposed to hazards and risks, but through training and planning your Fire Department has learned to cope with the dangers of fire.

Your Volunteer Fire Department knows from experience that our greatest enemy is the careless use of matches, smoking, over-loading of electrical lines and the need for clean-up.

As your Chief, I implore you-PLEASE don't give fire a place or a chance to start. Practice Fire Safety every day. Plan and practice Fire Drills in your home so that your family will know the proper means of escape if an emergency arises. Your Fire Department will gladly assist you in planning Fire Drills in your home.

Please help us to help you.

Joseph J. Grillo
 Chief, Jericho Fire Department

AT LONG LAST - the entrance gates at Birchwood Park Drive and Village Drive have been repaired. Irwin, Baume, past president of the Birchwood Civic Association, was appointed Chairman of a special committee a few months ago for the purpose of reconditioning the gates. A tip of the hat to Irwin for the expeditious manner in which this was accomplished. (One section of the Gates is pictured above.)

Overview Of The Jericho School District

School District Defined

Union Free School District No. 15 is often called the Jericho School District. However, the school district itself is partially located in the town of Oyster Bay and partially in the Town of North Hempstead. The district itself is comprised of sections of the Hamlet of Jericho, the Village of Brookville, the Village of Muttontown and the Village of Old Westbury.

Board of Education

A five member Board of Education, elected by the people, and serving without salary, is responsible for school management. Each member serves for a term of three years. Elections are held each year on the Wednesday following the first Tuesday of May. Regular public monthly Board meetings are held on the last Thursday except for

holidays of each month in the Speech and Drama Room of the High School.

School Staff

The task of educating about 3300 students from kindergarten through high school is a large one and requires the unceasing attention and devoted efforts of about 290 teachers (including supervisory personnel) as well as a clerical and maintenance staff of approximately 120 employees. Some part time staff help are also employed.

School Buildings

The School district operates four elementary schools and one Junior High School and one Senior High School. The Central Administrative Offices are housed in the Junior High School.

Ten Pin Talk

By Henry Dockswell

Last Week We reported that the Leo Geyers were the only team to score a shutout and therefore had taken undisputed possession of 1st place. That was a mistake. Our league secretary informed me that the Geyers had lost one game so they actually had shared the lead with 5 other teams.

This week, however, one team did score a shutout and they have the honor of being the first team to administer a whitewash. They are the Sid Sachs'. With Cap't Sid leading the way, with the best game thrown so far, a 244, the Sachs' narrowly bested the Red Karbels in each of the three games. That second game was a thriller. As anchor man Sachs stepped to the line in the 10th frame he needed two strikes and 9 pins to make his team a winner. He went into his mystic gyrations and got just that, 2 strikes and 9 pins to win the game by one point. The sweep brought the Sachs' up to 5th place just one point behind the 4 teams that now share 1st place.

Mike Hauptman, Buddy Flanders and Murray Kowliowitz had a bang up night as each of them threw a double.

Mike's was the best. He boomed a 243, a 213, and a 180 for a New Hi Series of 636. Buddy Flanders cracked a 216 and a 204 and Murray twice threw a 203.

Three men repeated from last week, Sid Sachs with his 244, Julie Geraben with a 218 and Leo Geyer with a 201. At this moment Julie leads the race for Most 200 games with 3.

The Julie Gershens, on paper, have the second strongest team in the league and they showed that this wasn't just a paper figure last Monday night. With Julie leading the way and Irv Herskowitz bringing in his first good one, a 208, the Gershens pounded out a New Hi Team Series Scratch of 2570. They beat the Hy Shapiros 7-4 and went into a 4 way tie for 7th place.

The Bill Sussmans are the only team stronger, again on paper, than the Gershens. But they are having tough sledding and they may continue to find the going rough because they have to give away a lot of pins each week. Last week they spotted the Murray Kowliowitzs 41 pins and lost to them 8-3. This week they gave the Milt Goldbergs 36 pins and just barely eeked out a 6-5 win. Courage, Bill, after our 3 weeks of bowling for average a truer picture will emerge.

Here are the rest of the men who broke the sound barrier this week: Sam Briendel 222, Irv Simes 215, Sy Schostack 211, Les Goldstein 210, Art Rosenthal 205, Bill Sussman 205, Sam Springer 204 and Herb Mahler and Burt Benjamin each with a 200.

Remember, men, no bowling this coming Monday night because of Yom Kippur.

White Elephant Sale 8-9

On Tuesday October 7th the Sisterhood of the Jericho Jewish Center will have a White Elephant Sale for its next meeting. Members are asked to bring new unused items in before meeting, donor credit on all items brought in. Marilyn Siber will act as Auctioneer. Do come and join us for an evening of fun.

Summer Bowling League Dinner-Dance Sept. 20

The annual dinner-dance of the Birchwood Civic Association Mixed Summer Bowling League will be held Saturday, September 20th, starting at 9 P.M.

Features will be the cocktail hour, (with plenty of hors d'oeuvres), dinner, dancing and the presentation of trophies.

Jericho Little League Dinner October 2nd

The 1969 Little League Annual Award Dinner will be held on Thursday evening, October 2nd at the Huntington Town House at 7:00 p.m.

This year the League had the largest group of boys ever to be registered. The Huntington Town House has reserved space for our dinner to accommodate between 600 and 650 people. The registration this year numbers 430 boys. As a result the ticket sales will be on a first come - first served basis.

There will be two guest speakers. One will be from the New York Giants, and the other speaker will be from either the New York Jets or the New York Yankees (the Mets are playing out of town on that date - their last game of the season). Also, there will be the largest array of door prizes ever assembled.

Local Residents Honored

On Tuesday, Sept. 16, Nassau Police Commissioner Francis B. Looney, awarded Commendations, Exceptional Police Duty and Excellent Police Duty Certificates on the grounds of Police Headquarters in Mineola.

Among those to receive top awards, Commendation certificates, was Detective Arthur L. Cunn, of Hicksville. Cunn was cited for outstanding police work in two separate instances: for his skill and courage on July 11, 1968, in locating and removing a live hand grenade, rigged to go off by vibrations from beneath the dashboard of the County Executive's car, and for the courage and skill he displayed on the night of March 27, 1969 in climbing the narrow and slippery ladder of a water tower on Drexel Ave., Westbury, to search for a

jar of high explosives which an unknown telephone caller reported had been placed somewhere on the 160 foot tower. At the 90 foot level, Cunn's flashlight spotlighted the jar on the crossbeam. He crawled out on the narrow beam, examined the liquid which half filled the jar, placed it in his pocket, then made his way back to the ladder and down to the ground. He placed the jar in the bomb truck's four foot wide explosive tank and detonated it electronically. It proved to be a high order explosive—exploding loudly, and shooting flames 100 feet into the air.

Among the Excellent Police Duty award winners were: Detectives Daniel Lannon, Hicksville, Patrick O'Gara, Levittown; Patrolmen Thomas

Buy Chrysanthemums Now

The most popular garden flower in the fall is the chrysanthemum. There many kinds of pom poms and the colors range white to yellow, bronze and purple with different depths of color.

Also, Patrolmen, Ronald Held, Levittown, Louis Isnardi, Levittown, Robert Madonna, Levittown, Richard Meinsen, Levittown, William Nalepa, Hicksville, Thomas Organ, Hicksville, Gregory Vazquez, Hicksville, and Detective Joseph N. Squicciarini, Levittown.

YOUR COOPERATIVE EXTENSION AGENT RECOMMENDS that you buy your chrysanthemum plants early. Buy them when they are in bud rather than in full flower for longer lasting satisfaction.

Many garden supply dealers and roadside stands have beautiful chrysanthemum plants now, all packaged and ready to go. Before planting, be sure to prepare the soil well to receive them. Then remove the containers carefully, whether they are plastic or tar paper.

After planting, give them a good drink of water. You may have to stake the tall ones. It is probably too late to do any disbudding to get larger

Men In Service

Marine Corporal William H. Jansen Jr., son of Mr. and Mrs. William H. Jansen Sr. of 27 Lawrence St., HICKSVILLE, was awarded the Navy Achievement Medal with Combat "V" during ceremonies held at Marine Corps Base, Camp Lejeune, N.C.

He received the award for outstanding achievement in the performance of his duties in the field of radio repairman.

Ramblin' Rose

By Rosemary Walsh

My oh my, what a busy time—and so many teams to worry about, for now I'm still putting the hex on the Cubs so my Amazing Mets stay in there—but in addition I've got the Jets, worrying about Army (as long as Mike Masciello is still at the Point), my Notre Damers will soon be starting (what will I do the day they play each other? I don't know). And last but certainly not least, my Comets. While I've been game watching, the boss was off on one of those fishing boats again and would you believe won the pool for the biggest and again they really were pulling them in. Guess there's a magic touch. Now that's our recreation, but about yours. We are readying for the opening weekend. The first Teen Dance will be held on October 17 at the Junior High School and the regular Saturday morning programs around the district on the 18th. However, as I mentioned briefly last week we've got

some very special programs planned. Two that we are currently attempting to bring to fruition are a Dance Ensemble and a Civic Boys Choir.

The boys choir will be made up of talented young male singers, they are being recruited and auditioned by the choir director, Mr. Gerald Barker. If you have such a talented youngster you may contact this office for appointments. The Dance Ensemble directed by Mrs. Jo Dodson will soon follow the same pattern. All of this we hope will lead to an Elizabethan Production including these groups, a drama group and our Recorder Consort. However, final plans are in the distant future. But, regarding our Recorder Consort, under direction of Mr. Gerald Burakoff, I believe I told you earlier they had been honored by an invitation to perform next month at the State University at Oneonta for their Music Department. Yours

truly will be up there this week making final arrangements.

This weekend the P.T.A. is sponsoring a dance for the High School students—We understand that the testimonial dinner for Lou Millevotte is a sell out—see you there. Also hope to see all you Community Leaders at the meeting "Dear Sheila" has scheduled for Thursday, September 25 in the Library. A special Herald Hicksville supplement sounds groovy and we can surely get all our ideas and plans coordinated. Have had the pleasure of seeing some of the old school family in this last week or so. Mr. Bill McCarthy, now Assistant Superintendent in Huntington, and Dr. Fred Bergmann, Principal of Willits School in Syosset; they are just as dear as ever. So are all of you—will ramble off now Loves ya

Cars And Grades

school days a week have significantly poorer grades, the survey proved.

Mack made these recommendations to parents interested in helping their children become good students and good drivers:

1. Make sure that scholarship comes first and driving second.
 2. See that they get proper driver training in a high school.
 3. Restrict the use of cars to weekends and keep the week days for school work. There will be exceptions, but this is a good basic approach.
 4. Don't permit a teenager to have a part-time job just to pay for a car or to support one.
 5. Keep the keys in your own pocket and lend the car only under the proper circumstances.
- "It's up to the parents to keep cars and school work in their proper perspective and to provide the guidance and example in use of the car", the business leader added.

Traffic Safety Program

Nassau Police Commissioner Francis B. Looney today reported the county police department traffic safety program began again on Monday, September 15, with a specially equipped trailer that will continually tour the county.

The trailer, staffed by members of the department's Traffic Safety Division, will carry a reactometer for testing drivers' brake reaction time, an animated display of vehicles on roadways, static displays of accident situations, a model of the Safety Town which will soon be built in Eisenhower Park, and other safety displays and literature.

"We are not seeking to punish poor drivers," Looney said. "Our purpose is to show drivers what is involved in today's driving conditions, and point out his emergency reaction limitations and capabilities."

Each day, except Sunday, the trailer will move to different shopping centers, schools or industrial areas.

At each stop, the trailer will be open from 9:00 A.M. to 6:00 P.M. Persons using the equipment and taking the test will not be asked to identify themselves.

Traffic Safety Trailer Schedule

- Thursday, September 18, Times Square Store, Levittown.
- Friday, September 19, Sears Roebuck, Hicksville.
- Saturday, September 20, Open House, New Second Precinct Stationhouse.
- Monday, September 22, Town of Hempstead Parking Field - Gardiners Avenue and Hempstead Turnpike, Levittown.
- Tuesday, September 23, Floyds, Jericho.
- Friday, September 26, Roosevelt Field, Westbury.
- Saturday, September 27, Eisenhower Park.

Some People Can Fall Asleep Any Place

If you have trouble sleeping, science has found a non-habit-forming way to bring natural-like sleep.

If you're one of those people who can fall asleep easily, almost any place, you're fortunate. But if you can't sleep because of simple nervous tension or daily problems, you need SOMINEX—the modern aid to sleep.

SOMINEX was tested in three leading hospitals and among hundreds of private patients. SOMINEX is so effective, it is used with confidence by more men and women than all other advertised sleeping aids combined. So if you can't sleep, just take two SOMINEX tablets before retiring. You'll enjoy a wonderful night's sleep. No prescription needed. Take SOMINEX tonight — and sleep!

Absolutely Not Habit-Forming
 Just take two SOMINEX tablets as directed for 100% safe sleep. You enjoy restful natural-like sleep, yet you'll be alert to any emergency. That's because SOMINEX contains no barbiturates, no bromides, no narcotics. In the morning, you wake up refreshed, without that dull, "morning-after" feeling. And SOMINEX is absolutely not habit-forming.

Mr. Gardiner Gregory, Director of The Gregory Museum breaks out specimens of apophyllite at the 226 stope of the Gaspé Copper Mine in Murdochville, Gaspé Peninsula, Quebec, Canada, some 1700' underground.

This summer Mr. and Mrs. Gregory collected mineral specimens for The Gregory Museum in the underground workings of the Needle Mountain Mine

of the Gaspé Copper Company in Murdochville, Gaspé Peninsula, Quebec, Canada.

Working over 1700' underground with miner lights for illumination, the Gregorlys collected specimens of apophyllite, calcite, bornite, calcopyrite, pyrite, and wollastonite.

The over forty miles of underground tunnels can be reached by elevator or special trucks traveling along inclined open slopes.

DATLINE: WEST POINT. Army coach Tom Cahill announced this week that Third Year man Mike Masciello of Hicksville, New York will be the starting tight end for the Black Knights in the season opener against New Mexico.

Mike was Hicksville High's All-American Scholastic end in 1966 as well as All-American Scholar football player. His record breaking pass receptions were the driving force in Hicksville's 8 and 0 campaign and vote as the Nassau County Championship that season.

COACH BOB HILSKY is factual about the 1969 Hicksville High Cross Country team. He has John Johnston, John Lewer and Paul Fuller as returning letterman. Bidding to make the varsity in support of the veterans are Sophomore Peter Colling and Senior Mike Scanlon. The Junior class is represented by Joyn Kearney, James Mattis, Garrett Van Henten, Sheldon Melnitsky and Kevin Master.

In pre-season workouts Melnitsky, Kearney have gotten the commet of "especially impressive."

Adjustment from the one and quarter mile Junior High course to the two and a half mile high school stretch takes a while for the sophomores. However Robert Martin, Peter Colling and Thomas Lawton have demonstrated the effort and determination to conquer it.

Other candidates working out are Richard Allison, Kurt Spielmann, Joseph Pucci, John Ebbecke, Jeffrey Neirs, Mike Midgett, James German, Gary Haag, James Mattis, Kevin Masters, Vincent Luse, Kenneth Kawaller.

Great Neck South will provide non-league competition on its home grounds September 23 League action starts on September 26th and 30th. MacArthur and Herricks in that order at Eisenhower Park.

ONE THAT should be hung in the locker room! "Hicksville always has a bunch of animals running around" is the direct quote attributed to the Syosset High School football coach in one of the Long Island Daily papers.

Let us see how that goes in the last 14 seconds this year.

CHRIS COLETTA, the only ex-Hicksville High baseball star with a chance of making the major leagues, gave it a good try

for Louisville out the Cornels season ended on a dismal note.

Going into the final week of the International league season Louisville led the field but faltered. Chris hit in a second inning run with a single and added a home run in the seventh but the Cornels were eliminated 7-6 by Rochester in the regular season race.

In the Governor's Cup playoffs Lousville took a 2-0 lead of Syracuse but lost three straight to end its season. Chris came to bat 19 times in the playoffs an rapped out five hits. He completed his season with a .294 average. It ranked number six for those who had 350 or more at bats.

VINCE HANNIGAN smashed in and made some crucial stops for the Long Island Bulls in their season debut at Hofstra Astro-turfi College. His work kept the public address speaker going overtime announcing his tackles but it only helped stay a landslide for the Bulls. Bridgeport won the contest 31-14. Three times the orange and Black football star stopped the visitors on fourth down rushes but it only delayed the tide.

WHILE IT IS understandably gratifying to Lou Millevite the landslide response of ticket applications to his testimonial dinner by the Hicksville Alumni Association has caused the organization a major headache.

Within three days of the mailing to Alumni members the Dinner committee was 100 requests oversubscribed for the October 18th Homecoming Dinner which has been designated in honor of the former Hicksville Athletic Director.

There have been emergency meetings all week as the Association seeks ways to accommodate all who made the initial response. Involved are contractual agreements already made and the desire to maintain the tone and standard for the Dinner as previously planned. Bookings in Restaurants and halls have to be made one to two years in advance and there isn't much chance of changing a commitment.

Right now a ticket to the Dinner is the most prized ducat in town. For those who argue that Hicksville isn't a community anymore and cannot demonstrate its appreciation for long and devoted service we advise they keep out of the Alumni committee's way!
