## Jericho Canvass To Recruit For Neighborhood Security

Nassau Police Commissioner Francis B. Looney today announced that members of the county police department have started a canvass of Jericho to ask householders to join the police department's NEIGHBORHOOD SECURITY PROGRAM.

"The residents of Jericho," Looney said, "will be visited by a patrolman who will ask them to join the Neighborhood Security Program. Those who join will agree to help each other protect their person and property simply by calling police when they see a crime being committed or when they see a suspicious condition."

Each resident who signs

up for the Program will be issued an identifying red and blue imprinted card which may be displayed in his front window. The card carries the legend "Neighborhood Security Program" on the front, and the telephone number of the precinct stationhouse covering the area on the rear.

"We don't ask or want members of the Neighborhood Security Program to take enforcement action. That's our job," Looney continued. "The Neighborhood Security Program achieves its goal when neighbors become alert to the activities in their neighborhood and call police immediately when they see a crime

being committed or when they observe or learn about a suspicious condition."

The effort in Jericho is being duplicated in every precinct throughout the county. The Department's intention is to enlist the aid of citizens in every neighborhood in every village and town in Nassau County.

"To halt the rise in crime, total community support is necessary," Looney concluded, "Police will stop the crime rise with total community involvement and support. And we hope to achieve this involvement and support through our Neighborhood Security Program."

## Ramblin' Rose

By Rosemary Walsh

As the season progresses most of my teams are fairing very well. I know, I know, I sat and froze during Saturday's Hicksville game and that wasn't exactly a victory—but, there will be other times and by the way remember all those years when there were. If you read the sports pages these Sundays you'll see familiar names of past grads—Brian McAuley making a real name for himself at Wesley in Delaware and Mike Masciello at Army. Keeping on the sports theme our own Ice Hockey Club which we began sponsoring last year (remember they became the County Champions) are off and flying again. In their first game they beat St. Mary's High School 3-0. The scoring was by Mike Mahlstadt unassisted and John Schrink assisted by Mahlstadt on the other two. Mike, by the way, was playing with a bad case of the flu and scored while Hicksville was 2 men short. The shut out was turned in by goalie, Bob Lewis, stopping 19 shots. In their next 2 games it went as follows: Against Stony Brook College they won 9-0, and opposing St. Dominics 13-0. Bob Lewis got both shut outs again as goalie. In the game

against Stony Brook Mike Mahlstadt got 6 goals, Frank Effinger 2 and John Schrink 1 with 6 assists. Against St. Dominics Mike, John, Erik Anderson and Norm Freedman all scored. Sounds to me like the New York Rangers ought to scout these boys. (Can't you just see old Ramblin' on the bench in a hockey uniform.

Now let me tell you of some of our other events to come. On Saturday, November 15th, at 9:30 we will start three new programs.  
Elementary Boys Wrestling 9:30-11:30  
Elementary Girls Gymnastics 9:30-11:30  
Children's Theatre, Junior High Auditorium 9:30-11:30

(This last group is open to all elementary age boys and girls. The boys wrestling will be supervised by Mr. Robin Winkel who was a star wrestler for our varsity team when he attended Hicksville High. The girls gymnastics will be supervised by Miss Ethel Allman who also attended our High School. And the Children's Theatre will be under the direction of Mr. Richard Koebele, who when he

went to Hicksville High was a member of the Theopian Society and therefore a member of the cast of many, many of the shows. He was also featured in Recreation's Teen and Alumni theatres. You can see that all these young people come well trained for their assignments and it makes me mighty proud that they have returned after college to pass along these tremendous skills to our current students. Boy how proud I am of all of these people, aren't you? Well must ramble off.  
Loves ya too.

### Churches Set "Hunger Walk"

A consolidated effort against hunger as it exists in Nassau and Suffolk counties is planned by the Youth Action Committee of Trinity Lutheran Church, Hicksville, for November 11th, Veterans Day. On this date members of Trinity will join with members of nine other Lutheran congregations and some of the students and faculty of Long Island Lutheran High School on an eighteen mile Hunger Walk through five communities in Nassau County. The purpose of the walk, according to the Reverend Edward H. Stammel, pastor of Trinity for over 27 years, is to "focus attention on the needs of our fellow man within our own communities, and to take positive practical action in showing the love Christ has for us."

Pastor Stammel explained other details of the Hunger Walk at a press conference on Thur-

sday, October 30th. Each walker is soliciting sponsors who promise an amount of money for each mile completed on November 11th by that person. These funds will be given to the Long Island Federation of Laborers' Service Center, Riverhead, and to the Long Island Council of Churches, Garden City. The money will be used to alleviate hunger and poverty among migrant laborers and other people in need in Nassau and Suffolk Counties.

The Hunger Walk, with an anticipated 1000 people involved, will begin at 9:00 a.m. and will continue eighteen miles through Hicksville, Bethpage, Levittown, East Meadow, and Westbury. Participating in the Walk will be members of Trinity, Hicksville; Our Redeemer, Seaford; Calvary, East Meadow; St. Peter's, Huntington Station; Good Shepherd, Plainview;

Gloria Dei, Huntington Station; Grace, Malverne; St. John's, Staten Island; St. John's, Sayville; St. David's, Massapequa Park; and some of the students and faculty from Long Island Lutheran High School, Brookville.

Also making statements at the press conference at Trinity on Thursday were the Reverend Arthur Bryant, Pastor of St. Peter's Lutheran Church, Greenport and a crusader for the rights and living conditions of migrants, and the Reverend Clayton Williams, Executive Director of the Long Island Council of Churches.

As explained at the conference, this Hunger Walk of November 11th is not a goal in itself, but only the beginning of greater involvement of Christians on Long Island answering community needs.

### A Letter To The Editor:

Dear Editor:  
As a local resident who is also a member of the Nassau County Diabetes Lay Society, I should like to alert my neighbors to the fact that November 22nd and 23rd are the dates chosen for the free diabetes detection test.

Diabetes is a hereditary disease which ranks high on the list of causes of death by disease. The usual symptoms are: increase in thirst, constant hunger, frequent urination, loss of weight, intense itching, easy tiring, pain in fingers and toes, changes in vision and slow healing of cuts and bruises. However, diabetes may be present with no symptoms at all.

It is therefore important to have every member of the family tested so as to learn whether any might be among the estimated half million undetected diabetics in this country.

Fortunately, such tests are available on November 22nd and 23rd, entirely free of charge, at many convenient locations. Information may be obtained by calling 538-6688 from November 1st through November 23rd.

Sincerely,  
Mrs. Eileen Hax

### Dear Friends

Dear Friends:  
THANK YOU for the many notes and phone calls praising last week's ANNUAL HICKSVILLE SUPPLEMENT. As we said, this is a first and on this we hope that working together we'll help to accomplish worthwhile community goals...and, make our SECOND ANNUAL SUPPLEMENT better. Anyway, needless to say, there were a few inadvertent omissions. We don't know how they occurred, but the Fork Lane School questionnaire apparently got lost. And, the Civil Defense Director's name was incorrect in one place. If you nice people will send us this information again, we'll print it with the suggestion that it be clipped and kept with the FIRST ANNUAL SUPPLEMENT.

We'd also like to thank all those who attended the preliminary meetings, and helped us to get this "first" off the ground. We plan to call another meeting of all organization presidents, plus any other interested Hicksvillians, in the middle of January, so that we can plan to bring the Hicksville Community Council into being, and, we hope at the same time, to make many improvements for the Second Annual scheduled for next Fall.

INDIVIDUAL THANKS are due to all the local firms who supported the Hicksville Chamber of Commerce map, which we used on the last page of our first annual Hicksville Supplement: to the National Bank of North America, the Long Island National Bank, the Hicksville Telephone Answering Service, Bob Ken Ford, the Old Country Manor, Robert Chevrolet, the Greater New York Air Conditioning Co., Inc., Hicksville Travel Corp., Dalton Funeral Homes, Inc., Astro Motor Inn, Hicksville Motor Lodge, Mid-Island Liquors, Vernon C. P.S. The now infamous Dairy Store case won another deferment yesterday!! In the meantime, take a look at the lot next to the Dairy Store cluttered with old signs and even older trucks! It certainly helps to make a slum out of that section of Hicksville! I wonder just how long you or I could get deferments and keep doing business with 8 violations against us? We'll see...but we are also looking into other ways to solve this disgusting problem...because along with most of you...we DO CARE what happens to Hicksville.

P.S. No. 2 We'd suggest that the Town of Oyster Bay close the exits from Mid Island Plaza on both Rotary and Jeannson Places. They have been creating great traffic problems for over two years now, and the opening of Klein's is making the problem even more acute. It is our understanding that the Nassau County Police Dept. made a survey of this situation some time ago and recommended that these exits or entrances (whatever they may be termed) be closed! What are we waiting for?

P.S. No. 3 CONGRATULATIONS to all our recently elected Town Officials. We are happy to know that most of you have pledged to see that our Town continues to maintain its suburban atmosphere. Also, we hope to hear from you and those who are serving on your various committees, as to whatever your plans may be. We in Hicksville have lots of problems...but we're sure you are all going to work hard to help us solve them. So, the best to all of you.

IT'S THAT TIME - AGAIN!

## HHS NEWS

By David Satran

Returning from a recent conference of local high school guidance counselors, Mr. Lou Plochochi, one of the new counselors at Hicksville High, observed that "we're way ahead of most of these other schools." This is truly a credit to Guidance Chairman Robert French and the dedicated members of his department. Hicksville has never been blinded by success, however, and Mr. Plochochi readily asserted that "there's still plenty of room for improvement within our own department."

As criteria for entry into the nation's colleges become more demanding and admissions procedure becomes more confusing for student and parent alike, the crying need for an organized guidance center evidences itself.

I feel safe in saying that a majority of the High School's students, a very substantial majority, are distressed by the treatment they receive when they approach the Guidance Department. It would be a serious mistake to shrug off this discontent as a necessary outgrowth of a school as large as Hicksville. There are improvements that need to be made. Why haven't partitions been erected in order that a student can consult with his counselor without disturbing or being disturbed by the other counselors and secretaries? And most importantly, why is the Guidance Department located in the Administration Building instead of in the High School where it can best serve the students? Why?

## "Delightful Daisies" Learn Hair Styling

On October 29, Miss Laurene, hair stylist at Jason's Beauty Salon, lectured on hair grooming to a group of Blue Birds (7-9 year olds).

The girls, who call themselves, "The Delightful Daisies", invited Miss Laurene to give them rules on the proper way to take care of their hair. She also showed them different hair styles.

The lecture was held at the Jamaica Free School and the mothers of the "Daisies" also attended, and were delighted with the rules that Miss Laurene handed down, especially the one about hair being washed twice a week.

It was a very enlightening meeting and was enjoyed by one and all.

IN THE UPPER PICTURE: Linda Shapiro is having her hair done while the mothers and other Blue Birds watch. While in the lower picture Miss Laurene prepares to comb Karen Stivka's hair while Debra Boreskin waits her turn.

## LIBRARY NOTES

Fall is here, and winter's not far behind, as we discovered when the cold winds blew through Hicksville last week. Now is the time of year when it becomes fun to stay home on cold afternoons and warm the kitchen with dinner preparations - and a good time, too, for experimenting with new recipes to spice up the same old three-a-day.

Here at the Hicksville Library, where our stock of cookbooks is constantly expanding, we welcome browsers looking for something really different - or a new way to prepare the same old thing. Is it chicken? Try *Chicken Cookery Round the World* by Hentiette Holthausen (641.365 H). Food for your favorite Hindu philosopher - (doesn't every Hicksville home have one?) - how about *The Yoga Cookbook* by Edna Thompson (641.567 T)? With the holidays ahead, try the *Twelve Days of Christmas Cookbook* by Suzanne Huntley (641.568 H); and for after the holidays, *The Benevolent Bean* by Margaret and Ance Keys (641.6565 K). Whatever your food desire, the Library, with its collection of over eight hundred cookbooks, owns at least one book that should help you fulfill it.

Just to start you off, we'll print here two recipes for a favorite Fall dessert. A trip through the countryside this weekend will show you mountains of yellow pumpkins. Some of them will be Jack-O-Lanterns this week, but loads of others will be ending up as one of our favorite dishes - Pumpkin Pie!

If you're a traditionalist about your Pumpkin Pie, here's a recipe from out-East Long Island:

### Brown Sugar Pumpkin Pie

½ recipe plain pastry  
¾ cup brown sugar, firmly packed  
½ tsp. salt; ½ tsp. nutmeg  
1 tsp. grated lemon rind  
½ tsp. ginger; ½ tsp. mace  
½ tsp. vanilla extract  
2 cups cooked pumpkin  
3 eggs, beaten slightly  
¾ cups rich milk, scalded  
Line 9" pie pan with pastry. Mix brown sugar, salt, lemon rind, spices and vanilla thoroughly with the pumpkin. Stir in eggs and add milk gradually. Pour mixture into pastry-lined pan. Bake at 450 F. oven for 10 minutes; then reduce heat to 350 F. and bake 30 to 40 minutes longer, or until knife comes out clean when inserted in custard.

Or, for a modern-day version, try this recipe that comes from a New England kitchen.

Fluffy Pumpkin Pie  
½ cup sugar; ¼ tsp salt  
1 tsp. cinnamon; ½ tsp nutmeg  
½ tsp. cloves; ¼ tsp ginger  
1 cup cooked or canned pumpkin  
1 cup milk  
2 eggs and 1 egg yolk, well beaten together  
1 egg white, stiffly beaten  
1 nine-inch unbaked pie shell  
whipped cream

Mix sugar, spices and salt. Combine with pumpkin. Add milk and mix well. Stir in well-beaten eggs plus yolk. Fold in stiffly beaten egg white. Pour into pastry shell. Bake at 425 F. for 45 minutes. Cool. Top with swirls of whipped cream. Serve. Eat.

Both the above recipes are taken from the pages of *How America Eats* by Clementine Paddelford (641.5 P).

## Jericho Inaugurates Mental Health Series

In keeping with the district-wide goal of effective communication among students-parents-teachers, Jericho's PTA, Student-Faculty Council and administrative staff has planned a series of Mental Health meetings.

With the assistance of school psychologists Dr. Stanton Donovan, Dr. Ann Frisch, Mr. Anthony Cosenza and Mrs. Paula Kirsch, meetings at both elementary and secondary levels will be held during the upcoming months.

A "live" dramatic presentation performed by the Plays for Living (members of the Family Service Association of America) will be followed by panel discussions and audience participation.

The first program for elementary school parents was presented this week at the George A. Jackson School. The play, "There Was a Little Boy," was the source of discussions concerning discipline and emotional difficulties of youngsters.

A program for students,

parents, and teachers in the Junior-Senior High School will feature the play, "Underground Bird," a forceful performance of the narcotics problem. Further details of the secondary program, scheduled for November, will be forthcoming.

Preparing the programs, under the auspices of Jericho's PTA Council, has resulted in more meaningful dialog among students, teachers and parents. President of the PTA Council, Mrs. Mary Caputo, has coordinated the programs with parents, student representatives Jeff Young and Robert Hahn, school psychologist, Principals Robert Manheimer and Arthur Rathje.

## Ten Pin Talk

by Henry Dockswell

We have a new league leader. After holding onto 1st place for 4 weeks in a row the Julie Gershens absorbed their first shelling by whitewash. The 2nd place Sid Holtzmans pounced on them, beat them and changed places with them. But you can't say that Freddy Rothman didn't throw his whole body in the path of the victory bent Holtzmans. He rapped a 212 and 202 but to no avail as the Holtzmans ran right over him.

There were only eleven 200 games thrown last Monday night (it was so hot at Syosset Lanes last Monday night that we heard one of the men ask Joe, the Lanes manager, if he was supplying towels with the steam bath) but four of them occurred in the match between the Norm Neys and the Bill Sussmans. The Sussmans took the first game and even though Cap't. Bill cracked a 218 in the second Dave Dembart countered with a 222 and stole it for the Neys. In the rubber game Buddy Flanders fired a 213 for the Sussmans but Cap't. Norm New threw a 200 and with some timely help from his teammates they clinched an 8-3 victory.

Sid Simon is still astounding all of us with his remarkably fast recovery from his accident. He threw another good one, a 217, but unfortunately he didn't get enough help from his men. They lost all three games as the opposition: Cap't. Irv Simes, tossed a 214 to lead his sluggers to the only other shutout win of the night.

Three other men came up with some individual heroics: Hal Goldenberg with a 220, Mike Hauptman with a 212 and Murray Kowlowitz with a 207.

It was an unusually quiet bowling night so some of the men, before they left, found somewhat of an outlet for their unspent energies in a political discussion. Red Karbel, Phil Roggen, Sam Springer, Eli Goldstein, Councilman Ralph Diamond, yours truly and a few others had quite a debate. It was Election Eve and therefore an appropriate time for such a discussion. We must say that some of the opinions and ideas expressed were a bit startling. Not only for their subject matter but also by the amount of vehemence with which they were expressed. It was very interesting and very lively while it lasted.

Make your hair gleamingly healthy by keeping scalp in shape. Use comb with smooth-edged teeth (tortoise is best)... and avoid raking scalp - it's the same tender skin as your face!

In 16th century England, people whitened teeth with mixture of powdered brick, eggshells, coral, cuttlebone... with myrrh added for flavor.

Create rouge that matches your lips: streak lipstick in palm of hand, add drop of baby oil, mix... dab on cheeks with fingertips, smooth with damp make-up sponge.

Farmingdale High reeled off a 67-yard off tackle touchdown on the first play from scrimmage and proceeded to crush Hicksville 28-0.

A sparse Hicksville crowd saw the Orange and Black complete its first gridiron season without recording a victory on the home sod in 30 years.

As the Dalers made a strong bid for top rating in Nassau Hicksvilles statue sunk to a decade low.

Hicksville is now 1-3-1 on the 1969 Campaign.

Four players strove manfully, under heavy burdens, to make a game of it for Hicksville.

Rick Kowalchuck took a battered ankle into the game - he did not practice all week - and went two ways at center and defensive line backer.

He suffered a back injury in the fourth period but fortunately it was reported not to be serious.

Gary Napel struggled with a sore leg and had to be removed.

Kurt Jurgelitch operated with a sore shoulder and battled strongly in the line.

John McDermott hit the line for 122 yards rushing almost unaided, did the punting under sever pressure and played on defense.

Their efforts were commendable.

Hicksville reached the Daler 18, 21 and 1 yard lines but fumbles and a puzzling penalty always set the drives back.

Hicksville, on the brink of a major season disaster, travels to MacArthur - 7 miles straight down Broadway taking the right fork on to Wantagh Avenue after passing Grumman - for a league contest Saturday.

Hicksville has never lost to MacArthur. The injuries and

other factors will contrive to end the nine-year streak.

MacArthur posted an impressive 36-0 victory over Seaford last week and is primed.

Our Selection: MacArthur 29; Hicksville 7.

The one bright spot in Hicksville football was achieved by the Junior High team when it demolished Port Washington, 51-0.

Quarterback Bobby Daub passed for five touchdowns in the rout. Ray Walkolwair was his favorite target as he accepted scoring aeriels of 46, 28, 16 and 15 yards.

Paul Parsons grabbed a Daub look-in for five yards and a TD.

Sam Lippin tallied twice with 15 yards and 8 yards credits.

Julio Gildamarid went over on a 3-yard plunge.

Extra point conversions were garnered on two Tippin runs and a pass reception by Parsons. Those three were good for 6 points.

Ivan Hapel picked off two interceptions, one he raced back 50-yards for an apparent score but an unrelated clipping infraction cost the score.

Coach Ken Kingsley flooded the game with subs but the score mounted rapidly. It was Hicksvilles fourth win against one loss.

Hicksville Junior varsity carried a 6-0 lead into the locker room at halftime but suffered a complete second half collapse and lost 48-6.

But in Kansas Bruce Cerone has taken the National lead in NIAA pass receiving as he defends his 1969 Championship. The Ex- Hicksville headliner has caught 42 passes for 782 yards and 9 touchdowns.

**To Discuss Problems If Catholic Schools Close**

"What Happens if the Catholic Schools Close?" will be the theme of a public meeting sponsored by the Long Island Division of the American Jewish Committee at the Garden City Hotel on Wednesday, November 12th at 8:30 P.M. Joining in a discussion of this issue will be the Reverend Patrick E. Shanahan, Superintendent of Schools for the Catholic Diocese of Rockville Centre and Milton Kurland of West Hempstead, president of the Nassau-Suffolk School Boards Association. The moderator will be Alvin Silverman of Roslyn, chairman of the Division's Education Committee and vice president of the Roslyn School Board.

The discussion will take place against the background of recent statements by Catholic sources that a number of parochial schools will be closed by next June unless the State agrees to provide financial aid. In September, the New York State Association of Catholic School Superintendents appeared before the New York State Board of Regents to press the case for public support of parochial schools. In 1967, the American Jewish Committee strongly opposed the campaign to remove Article 11, Section 3 from the New

York State Constitution. This section forbids direct or indirect aid to denominational schools. In announcing the forum, Jacob Imberman, president of the Committee's Long Island Division, stated, "The purpose of the November 12th meeting will be to explore the problems of public and parochial schools rationally and to clarify this issue, which is certain to be one of the most significant questions confronting the next session of the State Legislature."

The general public is invited to attend this meeting, which will take place in the Regency Room of the Garden City Hotel.

Mike Masciello made two pass catches in a valiant attempt to save Army against the Air Force. He thrilled 42,000 at the Point with an apparent touchdown catch in the same style as those with which he carried Hicksville to an undefeated 1966 season.

However the Cadets were off-side and it took another Masciello grab to set up a field goal from the eleven. It tied the score 6-6. Air Force then returned the kickoff 97 yards for the 13-6 victory.

**World Community Day**

The East Nassau Council of Church Women United will observe World Community Day at the Plainview United Methodist Church, 992 Old Country Road, on Friday, November 7th at 10:30 a.m.

The speaker will be the Rev. James J. Benson, minister of the Hicksville United Methodist Church. A coffee hour will follow the service, and a sitter will be available for young children.

All concerned women are urged to attend this world-wide prayer service.
