### OPERATION SPEAK OUT

The Veterans of Foreign Wars is calling all Posts in the United States to participate in a program designed to encourage the "silent majority" to show their support of our government's stand on Vietnam. Operation Speak Out, as the national program is called, is urging church, labor and fraternal organizations to join in statements to newspapers and other ways to show solidarity behind President Nixon and our men in Vietnam. The response so far has been extraordinary. If you haven't done so yet, now's your chance.

### SUPPORT OPERATION SPEAK OUT

### NATIONAL LEGISLATIVE COMMITTEE

The National Legislative Committee of the Veterans of Foreign Wars held their annual meeting in Washington to review the several hundred resolutions approved by the delegates to the National Convention last August.

After reviewing veterans legislation in the 91st Congress, together with approximately 300 approved mandates, the committee showed deep concern in three problem areas:

1. The negative position of the Administration with respect to legislation moving forward in Congress.
2. The position of the Administration, as reflected by its Bureau of the Budget, opposing adequate funds and personnel to operate veterans programs.
3. The bottleneck of bills in the subcommittee on Veterans Affairs in the Senate's Labor and Welfare Committee, where several V.F.W. Priority Legislative Goals have languished for many months.

In light of these findings, the committee requested the following immediate action:

The Commander-in-Chief immediately advise the President of our grave concern on these matters and urge the President to sign those legislative bills thus far opposed by the Administration and when such action is taken on these measures the President be called upon to report favorably on the legislative proposals which the Administration has deferred action, pending studies.

To urge the President to allocate all the funds the Congress appropriates to operate the Veterans Administration.

That an all-out campaign be inaugurated by the Veterans of Foreign Wars, calling for prompt positive action by the Senate Labor and Public Welfare Committee on all bills to provide increased education and training allowances for veterans enrolled under the G.I. Bill.

## Hundreds Participate In 18 Mile "Hunger Walk"

**18 MILES FOR HUNGER:** The column of walkers extended over a half a mile as people concerned with hunger and poverty marched through over five communities in Nassau County, Long Island, on November 11th, Veterans' Day. Walkers were sponsored by donations of money per miles walked, to be given to the Long Island Council of Churches, Garden City, and the Long Island Farm Workers' Service Center, Riverhead.

Over 700 members of ten Lutheran congregations and Long Island Lutheran High School walked through five communities in Nassau County on an 18 mile "Hunger Walk" on Nov. 11. The purpose of the Walk was to focus attention on the needs of the poor and hungry within our communities and to take a bold step forward in a Christian demonstration of the love of God for all men in Jesus Christ. Each walker solicited sponsors who donated an amount of money for each mile completed. These funds are being turned over to the Long Island Council of Churches, Garden City, and the Long Island Farm Workers' Service Center, Riverhead. The money will be used to alleviate hunger and poverty among needy people in Nassau and Suffolk Counties.

The Walk began at 8:45 a.m. on Veterans Days in the parking lot of the National Bank of North America. Making opening remarks and prayers were

Deputy County Executive James Truex of Nassau County, Reverend Arthur Bryant, Pastor of St. Peter's Lutheran Church, Greenpoint, and Reverend Clayton Williams, Executive Director of the Long Island Council of Churches, Garden City.

Participating in the Walk were members of Trinity, Hicksville; Our Redeemer, Seaford; Calvary, East Meadow; St. Peter's, Huntington Station; Good Shepherd, Plainview; Gloria Dei, Huntington Station; Grace, Malverne; St. John's Staten Island; St. John's Sayville; St. David's Massapequa Park; and Long Island Lutheran High School, Brookville.

The walkers continued along a route worked out in cooperation with the Nassau County Police. The route began in Hicksville and continued through Bethpage, Levittown, East Meadow and Westbury, back to Hicksville.

## Can We Wave The Flag Too Much?

By Sidney L. DeLave

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to study Lincoln or Shakespeare too much? Is it possible to read the Bible too much? The great, the good, the true, are inexhaustible for inspiration, example and strength. I believe that we are not waving our flag enough, not nearly enough. It seems to me that we are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay. The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us...for loyalty, character, and faith in democracy. Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the zenith of achievement, the goal to which generations have aspired? Ladies and gentlemen, I believe it is time for us...for the mad, rushing Twentieth Century American...to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded. Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corrigedor, Pearl Harbor, The Monitor, The Merrimac, Wake Island, and Korea? Lest we forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great event of our past and present are wrapped up in our flag. It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and truly God's gift to mankind.

That is what the flag means to me. Can we wave it too much? I don't think so.

## Our Police Department

We direct your attention to the various articles on pages 3 and 12 of this issue, regarding our Police Department. These items are indicative of the many activities, programs and sometimes, plain good advice, that our Nassau County Police Department gives us throughout the year, in addition to its 24-hour job of protecting us. THE HERALD feels that our Police Dept. is doing an excellent job and deserves a vote of thanks... which we hereby give them.

## A Letter To The Editor:

Dear Sheila Noeth:

A real surprise came to us in your last week's issue of the paper, when we found a picture of our bakery with nice writing underneath.

Now since it happened three years ago, they widened Broadway and we on that side had to go away. It was the end of a good friendship and relationship. We thought we would become part of the forgotten people in the town. But it's really a good feeling to know that you always will be in the minds of the people of Hicksville, which comes through your efforts in your paper to keep past memories and acquaintances alive.

You write that you miss the cakes from Englert's Bakery and we miss more the good people which we had the pleasure to deal with in the 18 years we were there.

Best wishes and success to your paper which is really growing because it is in good hands.

s Frank & Lina Englert

## Donolli-Kimmes

St. Ignatius R.C. Church on Broadway in Hicksville, was the setting of a beautiful fall wedding on Saturday, October 11, when Miss Nancy Theresa Donolli, daughter of Mr. and Mrs. Emil Donolli of 25 Hanover Place, Hicksville, became the bride of Rancis Kimmes, son of Mr. and Mrs. Clarence Kimmes of Niagara Falls. The double ring ceremony was performed in sign language during the Nuptial Mass by the Rev. Father Eugene Dyer, Director of the Special Service Division of Catholic Charities Of Rockville Center Diocese.

Given in marriage by her father, the bride was stunning in a silk organza gown fashioned in the Grecian style. At the close of the ceremony she presented a bouquet of white chrysanthemums to the Blessed Mother. During the ceremony Schubert's "Ave Maria," "oh! Lord, I Am Not Worthy" and the "Hail Mary" were sung.

Mrs. Raymond Smiley, Jr. sister of the Bride, who is serving in the U. S. Navy and stationed at Norfolk Virginia, was Matron of Honor. Miss Rosemary Donolli, another sister of the bride was a junior bridesmaid. The bridesmaids were Miss Patricia Germano of Lake Ronkonkoma, Miss Evelyn Kempster of Port Jefferson Station and Mrs. Steven Souky of Schenectady.

Sandy Abramson, Jr. of Niagara Falls, cousin of the groom served as best man. The ushers were Henry Pisarski of Buffalo, Samuel Sirrianni of Lewiston and Daniel Donolli, brother of the bride, of Hicksville.

Corsages were presented to Mrs. Thomas Organ of Hicksville, Godmother of the bride, and Mrs. Lois Kasprzycki of Niagara Falls, the groom's godmother.

A reception was held at the American Legion Hall on East Nicolai Street in Hicksville. About 200 relatives and close friends enjoyed the delicious buffet dinner and danced to the music of Art Swanson's orchestra. Following a honeymoon in the Poconos, the couple will make their home in Cheektowaga, N.Y.

Mrs. Kimmes attended the Suffolk School for the Deaf in Lake Ronkonkoma and was graduated from St. Mary's School for the Deaf in Buffalo. She has been employed in the Key Punch Department at Grumman Aircraft Plant in Bethpage. Mr. Dimmes attended St. Mary's and is employed at the Westinghouse Corporation in Buffalo.

Guests included the groom's Grandfather Martin Constantine of Niagara Falls and friends from Washington, D.C., Buffalo and Philadelphia.

## Ramblin' Rose

By Rosemary Walsh

Hooray, hooray, Saturday we won! Now one more and I can start that fall house cleaning that I must do at sometime. Saturday mornings are kept busy with our playgrounds, bowling and now our three new activities.

It may seem a little early in the game to discuss skiing but we are about five weeks away from our first trip. This is

evidenced by more frequent visits to our office by our ski enthusiasts, Andrea Tyson, Joe Mifsud and company.

We have big plans for the coming season. As long as the interest is there and the weather right, trips will go out every weekend. They will encompass elementary youngsters, all teenagers, and family groups. For the information of the

uninitiated, the cost of a one day ski trip is about \$18 and includes transportation, lift tickets, instruction, plus the rental of boots, skis, and poles. It's a little less for people who own their own equipment (\$14).

Members of our recreation staff chaperone the groups under the tutelage of our own Jean-Claud Killy, Mr. Ken Kingsley, of the Junior

High Physical Education Department. I also get out on the slopes after a fashion, usually flat out.

Start thinking about it. When Thanksgiving goes winter is not far behind. Let us help introduce a leisure sport that can be enjoyed for a life time but is learned best when young.

Talking about winter sports, our Hicksville North Stars Hockey Team did it again. This time they checked Rockville Center High into the boards to the tune of 10-1. Responsible for this seeming football

score were Bob Lewis holding the big stick in the goal and Mike Mahlstadt, Norm Freedman, and John Schrink sharing the goal honors.

The entire recreation program for this school year is starting to get into a final shape. In ensuing weeks we will give you the final format in case you have missed some of our new activities. As I mentioned this week we kick off our Children's Theatre, Elementary Wrestling, and Elementary Gymnastics.

## Ten Pin Talk

by Henry Dockswell

There was plenty of action at Syosset Lanes last Monday night. 18 times the 200 Gong rang and 3 of them were real bombs. Then after all the firing was over almost every team was juggled out of their position. Only two teams remained in the same spot: the 1st place Sid Holtzmans and the last place Red Karbels refused to budge.

The Karbels won their series from the Bernie Kaplans 8-3 but it wasn't quite enough to get out of the cellar. Red led the way with a crashing double, a 222 and a 211 for a 626 series. The Holtzmans were beaten, in a close one, by the Milt Goldbergs, 6-5, but remained on top although their 9 point lead was cut down to 3. It looked for awhile as though the Holtzmans would be shutout until Cap't Sid crashed one of the big ones of the night, a 233, and salvaged the last game for his men.

The heartbreak of the night was suffered by the Herb Brodys. Cap't Herb boomed another big one, a 242, teammates Hal Goldenberg and Sid Lang cracked a 216 and a 200, respectively, and still they lost 8-3 to the Bill Sussmans. Hal's 216 was in the same game as Herb's 242 and they still lost that one by 6 pins. The Brodys were only 3 men which probably accounts for the loss. The Sussmans, though, led by Buddy Flander's 201, came up with a fine team effort to accomplish the victory.

There was an individual heartbreak too, suffered by the amazing Sid Simon. He threw a 226 and a 202 and saw his guys go down to an 11-0 loss. The second time his name was announced one of the men shook his head in a bewildered sort of way and muttered "I think I'll go out and get stabbed." Another fellow was seen to go over to Sid and ask, "Where did you say you parked

your car that night?" What some people won't do to get a 200 game. When the series was over and the Lew Marks' had completed the whitewash Simon was taking deep breaths to stop his lung from collapsing again (that's a sick joke but Sid likes sick jokes).

The biggest game of the night was thrown by Bernie Grill. Bernie joined the league about a month ago when he replaced Sam Margolis on Norm Ney's team. He has been improving steadily and it looks now as though he might have arrived, if you can call bowling a 248 arriving. We think you can.

The Leo Geysers did themselves proud. Les Goldstein smacked a 210 for Les. In the first game, to get them off winging and they went all the way to blank the Murray Kowlowitzs 11-0 despite Cap't Murrays 201. The win put the Geysers in 2nd place only three points behind the league leaders.

Completing the shutout brigade were the Simses' boys. Cap't. Irv Simses tossed a 213 in the final game to blank the Hy Shapiros and raise his team's standing by six notches to 2nd place.

Here are the other men who came up with big games: Elliot Spencer 218, Ralph Diamond 211, Burt Benjamin 209, Julie Gershens 206, and Murray Sussman 203.

## Musical Youth Group Picks Stephen Molina

Stephen Molina, an eleventh grader in Jericho Senior High School has been selected to represent "American Youth Performs," a nationwide musical organization. Sponsored by American Airlines Foundation, "American Youth Performs" is a non-profit aggregation of approximately 200 outstanding high school musicians and singers. The group's activities reach a crescendo with a spring concert presented at Carnegie Hall. Last year an unprecedented representation of five of Jericho's young musicians performed as members of the orchestra.

Stephen Molina has been chosen to represent "American Youth Performs" in its promotional campaign. Photographs of Stephen will be used on posters and covers of the group's brochure. Stephen's fine scholastic record, athletic participation and musical talent make him a fitting choice to attract other high school students to the program by projecting a well-rounded image of American youth. Stephen has also been occupied as co-captain of the JV Basketball team and a member of the yearbook staff. He also won a scholarship for participation in the National Music Camp,

## Chanukah Family Service At Temple

In celebration of the stirring festival of Chanukah, Temple Or Elohim will hold its annual Chanukah Family Service Friday night, December 6th at 8 P.M.

This service is designed for the family, as a unit, to worship together. Chanukah celebrates the victory of the Maccabees and the cleansing of the Temple in Jerusalem and its rededication to the worship of God. It was through the heroic efforts of Mattathias and his sons, the outstanding personality being Judah, that Judaism was saved from paganism. Because of this turning point in world history, Judaism was able to give birth to its two daughter religions, Christianity and Islam.

In addition, members of the Religious School will join in conducting services and the fifth grade will help lead the musical responses. The public is cordially invited to join with us at this Sabbath Service.

summer 1967. The publications will show photos of Stephen in football uniform as well as Stephen performing on string bass.

Professor Desi Bogner, filmmaker and film producer for National Educational Television, visited Jericho High School recently to photograph Stephen for the American Airlines project. He commended both Stephen and Alan Arnold, music instructor, for Jericho's excellent musical achievements.

## Quarterback Club Meets Wednesdays

Parents and students are sharing offensive-defensive positions as Jericho High School's football team bridges the "generation gap" by involving parents in gridiron strategy sessions. The school's Quarterback Club meets Wednesday evenings at 7:30 P.M. in the Junior High Cafeteria A. Players and parents view films of past games, discuss team plays and prepare strategy for upcoming clashes.

Coach Steven Golder of Jericho's Physical Education Department states: "The Quarterback Club gives parents and fans a great chance to find out what really happened in Saturday's game by viewing the actual films." The first several Quarterback Club meetings have seen fifteen parents actively joining the players in a new team spirit.

## Reminder To BCA Officials

All Birchwood Civic Association Officers and Directors are requested to be at the Town & Country Diner by 8:45 P.M. for the regular monthly meeting scheduled for Tuesday, November 18th.

If unable to attend, please notify President Don Becker beforehand (681-3069), or contact any other fellow officer.

## Baumel Resigns BCA Board After 12 Years

The Board of Directors of the Birchwood Civic Association has regretfully accepted the resignation of Irwin Baumel as a director of the Board.

Baumel had served as an officer or director for 12 consecutive years. Win, as he is called by his friends and associates, was first elected to the Board in 1957 and served as Chairman of the Architectural Control Committee. Various positions followed and then he became president of the BCA in 1960, serving for two terms.

Win had found it increasingly difficult in the past few months to make the monthly meetings of the organization and to give the 100 per cent effort he usually puts into everything. Also, he recently took an important position with a new firm which will now command most of his time.

However, Baumel has a personal philosophy about such things which is best exemplified by the answer he gave to an interviewer's question in 1960, when he ascended to the presidency, concerning former BCA officials who had retired from civic life. Win told the questioner, "The people who served in the past worked hard and effectively and for a long time. They deserve a rest. It is almost a duty for everyone to serve for a reasonable period of

time in some capacity."

Baumel then revealed to the interviewer his feelings about civic organizations, and the BCA in particular, when the following question was put to him, "Many people feel that after three years, a civic association has accomplished its major projects and can no longer maintain itself. Do you believe you have been elected president of a practically defunct organization?"

Win replied, "Nothing could be further from the truth. The function of the civic association is to protect the interests of the community; to protect property values; and to work for the possible improvement of the health and welfare of the residents. In a sense, it is an insurance company that considers the interests of the community whenever it is called upon."

Irwin Baumel, to this day, feels the same way about the Birchwood Civic Association and his resignation was submitted with deep regret and only after long deliberation. Win will not sever all connections with the organization, however, as he will continue to serve on the Editorial Board of The Villager and has requested to continue as a member of the BCA's Constitution Committee.

## Syosset Board of Ed. Policy Re Unlawful Building Occupancy

Concern over situations which have developed in other communities recently has prompted the Syosset Board of Education to establish policy guidelines covering the unlawful seizure or occupancy of school buildings or property.

"We do not anticipate any such incidents in Syosset," said Board of Education President, Simeon A. Wittenberg, "but it was felt that a definitive policy covering the possibility would be established for the information and guidance of administrators, parents and students."

Information sheets outlining the Board policy have already been distributed to students and the professional staff at the high school.

The policy covers action to be taken by school officials in the event that individuals or groups, including students, occupy a school building and refuse to leave after being ordered to do so by the principal.

restraint, calm and reason should be exercised in efforts to remove unlawful groups or individuals from buildings. Enforcement authorities would be called, according to the policy, in cases where individuals refused to vacate the premises.

Upon notification of unlawful seizure or occupancy of a school building, the policy calls for the principal to notify the Office of the Superintendent, enforcement authorities and parents or legal guardians of any students involved. Parents would be requested to come to school to remove their own children, and enforcement authorities would be called upon to remove those who persist in the illegal action, using the least amount of force necessary within the bounds of reason and safety. Those who refuse to leave peacefully and "unlawfully" would have formal charges preferred against them by the Board of Education.

The policy also specifically prohibits members of the professional staff from joining or assisting students or others in the unlawful occupancy or seizure of school property in any case. Any staff member so doing would be ordered to cease such activity immediately and would be suspended without pay pending a hearing before the Board of Education on charges of insubordination. Charges would also be preferred with the courts against such staff members, according to the policy statement.

In a preface to the policy, the Board restated its approval and support of an educational program which encourages freedom of inquiry and democratic participation. Noting incidents in other areas, the Board continued, "We cannot allow persons with disruptive intent to endanger the safety of pupils or school personnel, damage property, interfere with the educational process, or attempt to close schools."

The policy stated that

One of the oldest beauty aids is the mask. Masks were used by Cleopatra and other great beauties of ancient times.

If your beauty treatments do not neglect these important areas: the hands, neck, elbows and knees.

If you want to feel as lovely as you look, try a bubble bath. Step in. Relax. Soak. Scrub. Rub. Step out.

## SPORTS

By

Howard J. Finnegan

Fighting to redeem this 1969 season Hicksville's eleven called up Junior varsity players, relied on the inexperienced and pumped new hope in the Seniors to overcome the injured and lethargic.

The efforts worked as Hicksville disappointed MacArthur for the ninth straight time by winning unexpectedly, 22-6.

The Glory game followers were not there but the slimmest Orange and Black following in year's was rewarded.

The quarterbacking of Bill Meddis and Clint Brown plus the smashing plunges of John McDermott established early that Hicksville would be in Command All day.

McDermott gained over 100 yards rushing for the fourth time in a row and scored twice and added two extra point plunges.

Chuck Arnone took a cut in pass from Meddis and swung wide 25 additional yards to score.

MacArthur, aided by three 15-yard penalties, scored in the waning minutes.

Two imposing to the line ups were Roger Koenig and Dennis Mulligan. Both stand very tall. Mulligan constantly harassed the Generals possessor.

He had his Arms extended on each pass rush and the MacArthur Aerial blitz which exploded for 36 points against Seaford never got moving.

Leading 14-0 in the third quarter Hicksville had one bad moment when the home team recovered a blocked punt on the Comet 11.

Koenig then reared up and with a vice grip to catch the MacArthur runner by the back of his shirt. Koenig did not release the hold until a fumble gave Hicksville the ball on the eight.

Hicksville now has a 2 win, 3 lost and 1 tied 1969 record.

The issue has been forced squarely. The ghastly tie with Plainedge rankles but the three losses are not that bad. Farmingdale, Levittown Division and Syosset have a combined record of 17 wins and 0 losses against the field.

Hicksville travels to Clarke of South Westbury - just south of the Salisbury theatre on Old Country Road - in attempt to salvage a winning campaign.

Hicksville 14, Clarke 12

It was an all new rebuilding Jask for Junior Varsity Coach Bill Meyer and his Assistants Dick Hogan and Jay McAuley when their players answered the call to move up to the beleaguered varsity.

With nine key players not available the coaching staff reorganized the remaining players and got a very commendable first outing from the group.

The new Hicksville J.V. refused to bow to MacArthur, Saturday, and did very well to hold onto a spirited 50 deadkick.

The running as well as the ball control of quarterback Steve Hotakis figured importantly.

On defense Richard Kishunuk operated out of the cornerback slot to blunt many a general thrust.

Halfback Steve Stefani was playing a fine game before a leg injury removed him from the contest.

Hicksville penetrated the ten yard line twice.

Undeclared Meadowbrook Junior High completed its season with a 28-19 triumph over Hicksville.

The continuous power from the East Meadow School District where they turn the effort to build powerhouse elevens-used three

70-yard thunderbolt plays to get past Coach Ken Kingsley's Hicksville crew.

Sam Lippin kept Hicksville in the game. He scored on a cross-back that developed into a 60-yard scoring play.

Shortly after he took a five yard pass from quarterback Randy Waub and flew into the end zone.

Bill Jurgelevich's defending Nassau County Scholastic team from Hicksville has gotten the ice hockey season off in a blaze at Hicksville's Cantigue Park rink.

The private club non-supported by the school district has won its first four games and scored 40 goals. The opposition is yet to score.

The team gets its big test this Friday night when it engages powerful Chaminade in the midnight (12:00 p.m.) contest.

The rink must be open for public skating and the Hockey Clubs cannot get use of the Arena until 11:00 p.m. on Fridays.

The position of HHS principal Raymond Rusch, Athletic director Army Tomaini and basketball Coach Bud Bryan has to be admired.

The New York Mets have asked Hicksville to play a preliminary basketball game in the Hempstead Gardens.

The exposure is wanted but not at the price of violating a commitment to Levittown Division.

Mr. Rush will agree to the game if it is a travel date. Levittown and Hicksville informed the Mets that they would switch from Division's gym on December 23rd.

The Nets want Hicksville to play Uniondale on that date and by pass Levittown Division.

This is no go with the Hicksville men since the first duty is to Athletic rival and associate Levittown Division.

To stand by your word is one of the finer aspects of competition. And Hicksville will do it!

## "Operation Crime Stop"

The Nassau County Police Department's "Operation Crime Stop" will be on patrol this holiday season, it was announced by Police Commissioner Francis B. Looney.

Plainclothes police, riding in unmarked cars, are scheduled to cruise throughout Nassau County starting December 2nd, and the patrols will continue to January 2nd.

Under orders to be watchful for situations attractive to criminals, the eight "Crime Stop" patrols will be deployed to bring heavily armed and well-trained police to the scene of crimes in the shortest possible time.

Crime Stop patrols will also conduct periodic checks of banks and other businesses attractive to criminals.

Looney noted that many crimes during the holiday season could be prevented provided the public becomes more wary. He warned:

**SHOPPERS** not to display large sums of money or expensive jewelry, and to guard their possessions in crowds.

**MOTORISTS** to lock car doors while driving and while parked, and not to tempt thieves by leaving packages exposed to view.

**HOMEOWNERS** to be careful when strangers seek admittance or informations, and when fast-talking salesmen offer "too-good-

to-pass-up" bargains.

**STORE OWNERS** not to keep large sums of money on hand, not to cash checks for strangers, and to secure doors and windows on closing.

## Cof C Board To Meet

## Police Ready To Aid Parents Re Narcotics

Nassau Police Commissioner Francis B. Looney today announced a new police service for parents concerned about narcotics.

Any parent who believes a son or daughter is using or misusing narcotics or drugs can call anonymously for help.

"Our Narcotics Bureau," said Looney, "through long experience, can guide worried parents to professional or medical aid. Our concern, as in all narcotics matters, is to help young people who become involved with narcotics."

Concerned parents can call Pioneer 6-1000 and ask for the Narcotics Bureau. Then, after outlining their problem, an experienced officer will direct them to a source of help. At no time need the caller identify himself or herself.

"We have experienced such calls in the past," Looney added, "and want now to encourage others to seek help in eliminating a problem in our society."

The new program is an extension of the department's Anonymous Analysis service. If parents find a substance in their home they suspect may be a drug or narcotic, it can be placed in an envelope addressed to the Narcotics Bureau and left at headquarters or a precinct stationhouse. ## Police Act To Prevent Holiday Traffic Toll

Nassau Police Commissioner Francis B. Looney announced "Operation All-out," a drive to cut the holiday traffic toll in the county, will commence November 26.

The major police efforts during the Thanksgiving, Christmas, and New York holiday periods will be focused to create saturation traffic patrol. All marked police vehicles, and many unmarked police cars will be on patrol; all high frequency accident areas will be manned; radar teams will be assigned to key areas, and breathalyzer technicians will stand by in precinct stationhouses.

Precinct commanders will be assigned to visit each office, agency, and plant within their commands to deliver a personal appeal from Looney requesting employers to take measures to insure the safe departure of employees from office parties, recommending that car pools, operated by non-drinking em-

ployees, be available to transport party participants to their homes. Patrols will also check licensed premises to discourage intoxicated persons who might attempt to drive their vehicles. The drive will operate from 4:00 P.M., November 26 to 8:00 A.M., December 3; from 4:00 P.M., December 24 to 8:00 A.M., December 26; from 4:00 P.M., December 31 to 8:00 A.M., January 2, 1970.

Instituting "Operation All-out," Commissioner Looney said, "I cannot emphasize enough, the necessity of each member of the department understanding the importance of this program. The successful outcome will depend on the complete cooperation of all police personnel."

During the first ten months of 1969, 95 persons have died on the highways in the county police District compared to 70 during the same period in 1968.
