Grunewald To Speak At

Traffic Safety Seminar

Councilman A. Carl Grunewald, the Safety Officer for the Town of Oyster Bay, has been invited to address fellow New York State Traffic Safety Council officials at a Traffic Safety seminar in Syracuse.

Grunewald said he will be speaking on Wednesday, December 3, as part of a workshop designed to inform public officials and community leaders how they can "best achieve a balanced highway safety program, optimum allocation of available traffic safety resources and the setting of priorities to reduce traffic accidents in local communities."

The seminar is being sponsored by the State Traffic Safety Council in cooperation with the

New York State Interdepartmental Traffic Safety Committee and the New York State Association of Traffic Safety Boards.

Grunewald has been asked to address the workshop on "Development of an Accident Prevention Program Without Special Staff and Budget" as part of a panel discussion on "Local Participation in Traffic Safety Problems."

Other subjects on the panel agenda are "Cooperation Between Public and Private Sector for Traffic Safety, Program Development; Municipal Traffic Safety Course; and Project Application and Funding.

Dress Code Decision Rendered

Judge Bernard Meyer of the Nassau County Supreme Court recently rendered his decision in the suit to invalidate the dress regulations for the secondary schools adopted by the Board of Education of the Hicksville Public Schools. Except for the blanket prohibition of the wearing of slacks by girls, he sustained the right of the Board to make and enforce the regulations. He said: "It is the Board's duty to protect its students against injury and it, therefore,

has implied power to regulate dress for reasons of safety, in addition to the express power to do so for reasons of order and discipline." Relating to the power of the Board, he quoted Education Law Section 1709, subdivision 2, to affirm that they have the power and duty "To establish such rules and regulations concerning the order and discipline of the schools, in the several departments thereof, as they may deem necessary to secure the best educational results."

In striking down the prohibition against slacks, Judge Meyer affirmed the right of the Board to control the type of slacks worn and referred to the validity of the criteria used for evaluating what is and is not permissible in the matter of dress. He stated, "Such regulations are valid because they relate the prohibition to an area within the Board's authorized concerns; the flat prohibition of all slacks is invalid precisely because it does not." In spite of his decision limiting their authority in regard to slacks, Judge Meyer referred to the Board's action in submitting the proposed dress regulations to a referendum of the students and their parents as "commendable."

When asked to comment on Judge Meyer's decision, Superintendent of Schools Donald F. Abt said: "I am gratified by both the substance and the implications of the decision. From the very inception of the move to establish a dress code we have taken the position that this kind of action on our part was not only legal and permissible but obligatory as part of Board responsibility to make reasonable rules for the smooth operation of the schools. Our defense was based upon the premise that the right of a school board to determine, within reason, how the best educational results could be obtained should not be infringed. It is clear that Judge Meyer found our arguments persuasive and that he has sustained us in our judgment on how our obligations might be carried out. I should like to congratulate the students, parents, and teachers of this community for the mature fashion in which they conducted themselves during this period and to thank them for the support they gave us in this challenge to our authority. The issue is now settled and our main task of providing quality education continues to go forward."

Named To Board

Miss Grace J. Flippinger of 31 Meadow Lane, HICKSVILLE, has been named to the Board of Directors of the American Cancer Society, Nassau Division. It is announced by Warren J. PRESIDENTS VETERANS DAY MESSAGE

President Nixon expressed his gratitude to hospitalized veterans in a letter written to all patients in VA hospitals, throughout the 50 States of the Union, on Veterans Day. Members of the VFW - and I'm sure all Americans - concur with the President's message to these brave men and women. The letter appeared in the Congressional Record and we would like to print it in this column:

THE WHITE HOUSE

Washington, November 11, 1969

Writing of the men who served under him at Valley Forge, George Washington said, "...no history... can furnish an instance of an Army's suffering such uncommon hardships as ours have done, and bearing them with the same patience and fortitude."

Patience and fortitude in the face of hardship have, since the American Revolution, been the pride of the American man and

Our Armed Forces

Airman Karl J. Goehler, son of Mr. and Mrs. Karl W. Goehler of 122 Seaman Road, Jericho, has graduated at Sheppard AFB, Tex., from the U.S. Air Force aircraft mechanics course.

The airman, now trained to maintain and service reciprocating engine aircraft and aircraft systems, is being assigned to Shaw AFB, S.C. for duty with the Tactical Air Command which provides combat air support for U.S. ground forces.

Airman Goehler is a 1967 graduate of Jericho High School.

Army Private First Class Paul J. Schulatta, 20, son of Mr. and Mrs. Joseph Schulatta, 66 Knoll Lane, LEVITTOWN, was assigned as a rifleman with the 25th Infantry Division in Vietnam, Oct. 21.

Airman Francis Petrosky, son of Mr. and Mrs. Frank J. Petrosky, 137 Miller Road,

HICKSVILLE, has completed basic training at Lackland AFB, Tex. He has been assigned to Keesler AFB, Miss., for training in communications electronics systems. Airman Petrosky is a 1968 graduate of Hicksville High School.

Navy Ensign Kenneth H. Carlsen, husband of the former Miss Eileen R. Maier of 142 Lee Ave., HICKSVILLE, was graduated from Officer Candidate School (OCS) at Newport, R.I.

He became proficient in the naval sciences in the 18 weeks of intensive training comprising the difficult course.

During his four months at OCS, he spent a total of 520 hours on military, tactical, organizational, and technological subjects.

Airman First Class Arthur R. Search, son of Mr. and Mrs. Allen Search of 46 Edward Ave., HICKSVILLE, has arrived for

women who have served with valor and distinction the cause of freedom.

For many the hardships of battle did not end on the battlefield. Yet the men and women veterans who are now in our veterans hospitals still display the patience and fortitude which marked their contributions to their country.

I salute all of the veterans now in our veterans hospitals. Men and women of undoubted courage when duty called, they deserve the best care a grateful nation can give them.

But even more than care, they deserve thanks on this day of commemoration. To all the men and women in our veterans hospitals, I send the gratitude of all Americans.

Herald Report School District 17 Hicksville by Shirley Smith

The Hicksville School Board is investigating the possibility of offering a student-accident insurance plan (Continental Casualty Ins. Co.) to parents, beginning Feb. 1, 1970. A full coverage plan (insured would not have to pay minimum fee, i. e., no \$10 or \$25, etc. deductible), if adopted, would be offered to all students in the district. The same plan would be available to all, but parents would have the option of 24-hour or school-time coverage. Premiums range from \$3 to \$5 per person for a school year. How to handle premium payments is the problem currently under advisement. More information will be presented at the next Board meeting.

In order to handle correspondence more efficiently, all letters addressed to the School Board or Board president will be sent to the Secretary of the Board. He will respond to all correspondence and place on the agenda those letters which require Board action. In the past, this has been done by the Superintendent's office.

The Board approved coordinators and teachers for an E.S.E.A. Title I Tutorial Service project schedule Dec. 2, 1969 through May 28, 1970. Two hundred thirty-six (236) third and sixth graders who scored in the lower 10 per cent on the New York State Minimum Competency Test will participate in this federally funded program. Instruction for groups of 3-6 students per teacher will be held after school-one hour, Tuesday and Thursday.

The Board voted to close district schools and offices on

February 23, 1970 in observance of Washington's Birthday. Note this on your school calendar.

Authorization was given by the Board to dispose of 18,510 obsolete textbooks. The government of Puerto Rico will pick up the books and ship them at their own expense. Copyright dates for the bulk of the books range from 1933 through 1962. Only 719 (all at the elementary level) are copyrighted between 1963 and 1966.

The prohibition of wearing slacks to school was officially deleted from the Dress Code for Secondary Schools. The revision reads:

"Slacks may be worn so long as they conform to other provisions herein pertaining to safety, provocative effects, distractive influence and disciplinary violations."

Charles Felta asked the Board to report on findings in the district of overcharging by book publishers. He offered to present the district with a list of the books in question. Joseph Catalano, School Board attorney, said that the district has, to date, no evidence of any overcharging. Administration was directed to check the matter further and report back to the Board.

The Board accepted an offer from Nassau County for \$21,000 for the condemnation of property at Old Country Road School. Approximately 12,300 square feet were taken by the County for the widening of Old Country Road.

There will be only one Board meeting in December-December 9 at 8 P.M. in the Conference Room of the Administration Building.

From Our Postmaster

"Don't take a chance on disappointing someone you love, send your gift parcels and cards early enough to insure their delivery before Christmas, not after." Postmaster Ralph G. Cascardo advised today.

"On the day after Christmas a post office building can be the most depressing place in the world," Cascardo added, "if it still contains a mountain of messages of love and cheer that didn't make it because they were mailed too late."

Such disappointments can be avoided if Christmas mailers will observe the following mailing schedule.

Gift parcels going to distant states should be mailed by December 1. Parcels going to local and nearby areas should be mailed not later than December 13.

The name and address of both the sender and addressee should be enclosed in each gift parcel to permit identity in case of damage or loss of the outside address label. The outside label should be placed on only one side of each parcel.

Greeting cards going to distant states should be mailed not later than December 10. Cards going to local and nearby areas should be in the mail by December 15.

Postmaster Cascardo also emphasized the importance of using ZIP Codes and adding a return address to all Christmas mail. It only takes a couple extra seconds, but pays big dividends.

ZIP Codes enable postal employees to sort and handle the mail faster. A return address insures that mail that can't be delivered because of an illegible or incomplete mailing address will be returned to the sender.

"A return address might not seem very important," Cascardo noted, "but last year over 32 billion pieces of mail went to postal dead letter branches because the mailing address couldn't be read and there was no return address on the envelope. If you estimate the worth of each of these pieces at twenty-five cents, including postage, postal customers lost over \$7.5 million last year to dead letter offices. And none of this would have happened if the envelopes had contained a return address."

Are you all stuffed and relaxed from the "Big Bird"? It is really a warm, wonderful, American family day isn't it? In addition to the feasting there are the parades for the young ones in the A.M. and all those football games in the afternoon and evening. Speaking of football, I'm off to Philadelphia for the Army-Navy game and you know this time I have no mixed feelings, it'll be Army all the way. Say, our football team finished its season in fine style last Saturday, as I'm sure you know, on Channel 11 at 11 A.M. (20-0). I was waving, didn't you see me? It's sorta kinda sad for "the old gang" that

gathers each week end-but we despair not, for comes December 9 our basketball season opens and we shall all be together again (this time inside where it's nice and warm).

More on the sports front, fans-The Hicksville Recreation's club hockey team, continues to demolish the opposition. The latest victim was Chaminade. However, the Mineola club did break our record of 11 games without being scored upon. They slipped one in during the final period. Doug Abrams and Bob Lewis share the goal tending honors with a record of 562 minutes of play without an opponent's goal.

The first notice of a skiing trip has gone out to the High School. It will be an overnight at Lake Placid. All high school students in the community, regardless of what high school they attend, are invited. The trip will be made on December 29th and 30th. If you are interested please call the Recreation Office, WE9-9000 ext. 200. The first Junior High trip will be on December 13th. This will be a one day run to Hunter Mountain. Call or listen for announcements. Well-here we go with the long undies again, and those middle of the night risings.

Now to some of the cultural things we do. (You know I'm not only sports-minded, nor are a lot of young folks, I find). On a recent visit to a practice of our Boys' Choir I discovered among those cherubic faces the same young men that I see on the trampolines at the Saturday Morning Centers and who also made our trips to Shea Stadium

To Run For Fire Commissioner

MAYNARD GLENN MUNCH is a candidate for the office of Fire Commissioner. His record shows that he has served with the Hicksville Fire Dept. for seventeen years. He has been treasurer, Lieut. and Capt. of Volunteer Hose Company 4. Mr. Munch led the annual Fund Drive of the Hicksville Fire Dept. for seven years. He has been a member of the Volunteer and Exempt Firemen's Benevolent Association and their treasurer for the past thirteen years. In 1967 he was awarded the Fireman of the Year Award. Mr. Munch has been physics teacher at Hicksville High School for the past 18 years.

Hicksville Fire District Election For Fire Commissioner on DECEMBER 9.

Voting at the East Marie Street Firehouse from 7 p.m. to 10 p.m.

Voters qualifications are 21 years of age minimum and resident of Hicksville for thirty days.

THOMAS COLWELL, resident of Hicksville, declared his candidacy for the position of Commissioner of the Local Board of Fire Commissioners, Hicksville Fire District.

Mr. Colwell, a local businessman for a number of years, has been a resident of Hicksville for 18 years and a member of the Fire Department for 14 years. He was active in the Hicksville P.B.C. for many years, serving that organization as President. As a member of the Fire Department, he has contributed many hours of his time to various department organizations and projects.

A member of the local V.F.W. and American Legion Posts, Mr. Colwell has two sons in the U.S. Marine Corps, one currently in Vietnam and the other just completing a tour of duty.

Dear Friends:

AS WE GO TO PRESS: (and it is 24 hours early this week because of Thanksgiving) there is good news all around. First of all Mrs. Hugh Conover, Mr. Herbert Johnson and Mrs. Jerome Zettler will be heading up the county-wide fund drive of our own Gregory Museum, and it is almost a certainty that the Hicksville Courthouse will be its future home. More details on this next week when details will undoubtedly be firmed up.

ANOTHER ITEM OF GOOD NEWS: new traffic control orders have been issued by the State Dept. of Transportation as follows: Town of Oyster Bay - (1) Ordered the installation of a semi-traffic-actuated signal on Route 106 at its intersection with Stewart Avenue (Hempstead Avenue). (2) Ordered the installation of a full-traffic-actuated signal on Route 107 at its intersection with Lewis Street and Somerset Avenue. (3) Ordered the installation of a semi-traffic-actuated signal on Route 107 at its intersection with Nicholas Street. (4) Prohibited stopping on the east side of Route 107 from Route 24 southerly 160 feet.

Levittown - Ordered a stop sign on the exit driveway from the Town of Hempstead Parking Field L-15 at its intersection with Route 115.

AND ANOTHER ITEM OF GOOD NEWS: is that a Hicksville and Plainview areas Chapter of the FISH PROGRAM is now formed. This rapidly expanding organization is worldwide and its activities are based on Matthew 25: 31-46 the 40th verse of which reads: "And the King will answer them, 'Truly, I say to you, as you did it to one of *(continued on Page 11)*'"

LETTER To The EDITOR

Dear Mrs. Noeth:

Here is another Hicksville problem you might be able to help solve: the parking situation at the new Post Office on West John Street. When the Post Office first opened there was no restriction about parking at the curb in front of the building, particularly when all the parking slots were occupied. Now that there are "No Parking at any time" signs all along the curb, the traffic congestion on West John Street is a problem. Cars going west line up waiting to make a left turn until there is a vacant slot in the parking area, and cars going east are lined up on West John Street, waiting to make a right turn when there are vacant slots. This condition exists from about 8 to 8:30 A.M.

I am sure if parking was allowed in front of the building on the curb this congestion could be alleviated. Ordinarily it only takes approximately five or ten minutes to go into the building and check the drawer - if ten or fifteen minutes restricted parking signs were placed along the curb in front of the building this would be a great help.

Very truly yours
C. Johnsen

this summer. By the way, I predict that this choir, as our Recorder group has done, will make history for our school district. As I approached the rehearsal from the parking lot I heard this beautiful sound and felt I was in some magnificent cathedral. As soon as I have a concert date you can be sure I'll let you know. Another of our arts is also taking fine shape, the Children's Theatre, and they have a holiday play already in rehearsal, "Time Out for Christmas," by next week I'll give you particulars and the cast. Well must ramble off Love ya

Plainview-Old Bethpage High School Music Students Honored

Twenty-five Plainview high school music students were selected to participate in the 1969 N.Y.S. School Music Association All-County Choir Band and Orchestra. These students were selected on the basis of individual audition from thousands of high school students throughout the county.

PLAINVIEW HIGH SCHOOL

Deborah Grofik, soprano; Lillian Mare, soprano; Christine Raabe, alto; Laurie Gershenfeld, alto; Stuart Bender, tenor; Jeffrey Hyams, tenor; John Autenrieth, bass; Alan Siegal, bass; Michael Goldschlager, cello; Jeff Adler, band; Roy Chessari, band; Steve Lammer, band; Ron Gewirtzmann, band.

KENNEDY HIGH SCHOOL

Fern Pardes, soprano; Stephanie Pagiavlas, alto; Matthew Kwiat, tenor; Richard Green, bass; Gail Youngs, soprano; Ronnie Leizer, alto; Steven Brett, tenor; Howard McNally, bass; Charles Seiler, percussion; Connie Lorber, viola; Ken Rosenthal, flute; Rod Morgenstein, percussion.

The All-County Festival Concert was held at 8:15 p.m. on November 22nd at the Farmingdale High School auditorium.

Plainview residents are very proud of these students and the recognition they are bringing to themselves, to their high schools and to their community.

It was turkey time again in Hicksville schools, and students at Burns Avenue decorated their bulletin board in anticipation of the goodies to come. Denise Boyajian and Richard Davidowsky from Miss Gordon's first grade class are seen posing in front of a huge "Tom Turkey" while Jamie Sailer, Paulette Mensching and Mary Ann Murray from Mrs. Betty Grayson's morning Kindergarten grin in front of the beautiful bulletin board that says, "Let Your Living Be Thanksgiving. We hope they all did."

The boys in Mrs. Gladys Seisler's class in our Jericho Schools help their teacher prepare the Thanksgiving stuffing.

SPORTS

By

Howard J. Finnegan

Hicksville High School completed the 1969 gridiron campaign winging at East Meadow by soundly beating the Jets 20-0.

The Orange and Black scored its third straight victory to finish on the winning side of the ledger. Hicksville had 4 wins, 3 losses and a tie.

Jim Grantham's team lost three early season games to clubs which had a combined record against the field of 23 wins and no losses.

The victory of East Meadow spiked the invincible theory advanced by many concerning the South Shore Section one teams.

The game was televised over Channel 11 WPIX, New York. Hicksville floundered a bit in an early morning freeze but got rolling in the second period.

Fullback John McDermott picked up 22 yards in a pair of rushes. Chuck Arnone skirred left end for 32 and McDermott got three more calls. He moved the ball to the 18.

There quarterback Dennis Meddis passed to Gary Hopel. The Orange end took the ball on a cross over and romped into the endzone. Arnone ran for the two point try and Hicksville had an 8-0 lead.

Arnone on a six yard pass from Meddis and a beautiful 37-yard run scored Hicksville's second half touchdowns.

It was the first victory ever for Hicksville over East Meadow. The schools met in two games almost two decades back. One ended in a 13-13 draw and the Jets won the other 26-0.

The Hicksville Junior varsity grabbed a quick 6-0 lead in the first against East Meadow.

The strong Jets - season record 7 wins and 1 loss - responded with two tallies, as the young Comets made two tragic mistakes on kickoffs, and won 16-6.

Richard Dohoney, varsity star on last year's Hicksville basketball team, got a big assist

from his coach Bud Bryan.

Richard went to Arizona University on a minor golf scholarship.

At the start of the school year Bryan took the time to write the Arizona basketball coach - a man he does not know - to refer to Dohoney's potential basketball ability.

The Arizona coach looked Dohoney up and asked him to try out for the team.

Richard has been selected as a member of the Freshman team and will be on the floor of the Los Angeles sports palace when Arizona opens its season against UCLA.

It will be back to the TV screen this Saturday for Hicksville fans. End Mike Masciello will play for West Point in the Army-Navy classic. It is the most outstanding accomplishment for an ex-orange and black football player since the school first started playing the game.

Mr. Raymond Rusch, Hicksville High School Principal, recently awarded trophies to participants in the Boys' Intramural Basketball Tournament.

These trophy recipients accumulated the most points during the nine week Intramural Program while competing in either the Three Man Team or Foul Shooting Tournaments.

Champions in the Three Man Team Contest were Gary Gaffney, Ken Hartman, Tom Quinn, Tom O'Reilly, Richard Janawsky, Nick Nickelsen, Robert Weiss, and Charles Broussard. Chris Lindquist, Tom O'Reilly, Richard Janawsky, and Nick Nickelsen were the high scorers in the Foul Shooting Tournament.

The program was conducted after school hours by Mr. Nick Monfredo. The very active program was conducted under the auspices of the Hicksville Physical Education Department.

Agnes M. Picon of PLAINVIEW died on Nov. 15. She is survived by her two sons, Anthony and James and seven grandchildren.

PATRICK F. CAPUTO ELECTED TO BOARD OF LONG ISLAND NATIONAL BANK. Patrick F. Caputo, Old Westbury businessman, is congratulated by Charles R. Carroll on his election to the Board of the Hicksville based bank. Beaming their approval (left to right) are James Dinkelacker, Executive Vice President, Charles R. Carroll, Chairman of the Board, Mr. Caputo and William E. Koulsensky, President.

Mr. Caputo is a past President of the Hicksville Chamber of Commerce, The Kiwanis Club of Hicksville and a past President and Chairman of the Board of the Oil Heat Institute of Long Island, as well as a past President of the New York State Food Merchants Association Apron Club and a Trustee of the Wyckoff Heights Hospital.

LIBRARY NOTES

Hicksville Public Library's offerings for children have been many and varied this season, and will continue at this pace for the weeks ahead.

Of interest to all the children is the news that during National Book Week, November 16-22, we added over 400 new books to the children's collection. Books with shiny new covers were displayed on a central table during Book Week and will now be in their proper places on the shelves - fiction, non-fiction, biography, easy books, books for beginning readers and young readers.

That same week our "happening" was a puppet show produced by four Hicksville boys. We can thank Tom McLaughlin, Brian and Kevin Maher and Bradley Rosen for two truly fine performances of "The Tale of the Hungry Ogre" before audiences of 479 people, both children and adults.

In addition to story hour and the puppet show there was a contest during Book Week, with

winners awarded prizes at the final performance of the puppet show. Winners include Colleen David, Debra Powell, and Debbie Stahley.

We'll move right into another contest for our holiday season celebration. This time it is for all young camera "buffs" of Hicksville, a photography contest, but with a different angle. The pictures must all be taken in the children's room of the library, and prizes will be awarded at the holiday party in late December. Beginning date is December 1, with a deadline to be announced soon.

The first series of Art Classes is now completed and the second is beginning. We are sorry we could not accommodate the many, many applicants.

After the first of the year, we will announce details of another contest - this time story writing - but it must be remembered that the Hicksville Public Library Children's Room welcomes all original poems, book reviews,

Art Show

"Rose Wenck, Jericho, and Olga Hoebel, Hicksville, are showing paintings in a membership art show of the Long Island Branch, National League of American Pen Women, from December 1st to 26th inclusive at the Freeport Memorial Library, Merrick Road, Freeport.

The exhibit will feature oils and water colors, and will be open to the public during library hours.

The branch held a poets and writers meeting at the home of Sarah Singer, New Hyde Park, on November 18th. Mrs. Anna Di Bella, writer and past president of the Manhattan Branch, was the guest speaker. She spoke on: How to create a poem.

Emily Waxberg, Hicksville, won first award in sculpture in the New York State Art Show of the Pen Women which had been held in New York City at the First National City Bank. Mrs. Waxberg is a member of the Long Island Branch.

and articles at any time, so that they might be collected into a bulletin for publication. Please include name, age and address with the literary works.

MID-ISLAND 4-H GIRLS LEADERS COUNCIL

Hear ye-hear ye--it's that time again:

Saturday, Dec. 6th, from 10:00 AM to 2:30 PM at Levittown Hall, Hicksville, the annual "Family Fair", sponsored by the Mid Island 4-H Girls Council, with the help of the Mid Island 4-H Boys Council, will be held. All the public is invited. Many busy hands have created lovely holiday gifts and decorations in all price ranges. Plants have been carefully tended for months to be sold this day and cakes and cookies will abound and many games will bring fun and happiness to young and old alike. Refreshments will be available, so please plan to spend the day with us. See you at the fair, Levittown Hall, Levittown Parkway on the 6th of December.

NEW CLUB FORMED

On October 17th the 4-H "Wildcats" were born. Mrs. Oehler of 17 Euhl Avenue, Hicksville is their leader. The members are: Iris Kinzer, Dolores Oehler, Loretta Campisi, Margaret Sarluco, Joan Mills, Jill Watson, Mary Beth Werner, Linda Sarluco, Rose Mary Sarluco, Eileen Maljender. On October 24th the 4-H "Wildcats" had their first meeting. At the meeting they decided on things like the club song and collecting money for UNICEF on Halloween. They also decided on the things they would make for the fair. They decided on Octobuss Dolls and Dusters. They will also make other things on their own.

Chase Manhattan Issues Booklet

Increased opportunities arising from a rapidly expanding Gross National Product in the 1970's, combined with a favorable government regulatory and tax climate, create a strong attraction for foreign investment in the United States market, according to the Chase Manhattan Bank, N.A.

In a new booklet, entitled "The Trillion-Dollar Economy: Opportunities for Foreign Investors," the bank estimates that the U. S. economy by the end of 1970 "will be generating goods and services at an annual rate of one trillion dollars.

"With the relatively good population and labor force increases expected, a growing supply of savings and investment and rising productivity, the U.S. GNP in real terms is expected to have the potential to grow about 4 percent per year through 1980. Inflation is expected to average 2.5 percent annually. This growing productive capability, coupled with a vast collection of unmet and increasing needs - from both the public and private sectors - points to a period of unprecedented economic expansion."

Christmas Party

On Monday night, December 1, the Rosary Altar Society of Our Lady of Mercy Church will hold its annual Christmas Party. A variety show entitled, JOY THROUGH THE SEASONS, will be presented by the Rosarian Drama Group, under the direction of Mrs. Arthur Giovannelli.

The program, for the evening will also include a Christmas Boutique, the proceeds being used to help needy families.

Rummage Sale

The Episcopal Church Women of Holy Trinity Episcopal Church in Hicksville will hold a RUMMAGE SALE on Saturday, November 29, from 10 a.m. to 6 p.m.

Business Meeting

The Joseph F. Lamb Council No. 5723, Knights of Columbus, PLAINVIEW, will hold a Business Meeting Thursday, Dec. 4th at 8:30 p.m. at the American Legion Hall in Plainview.

Ten Pin Talk

by Henry Dockswell

The race is so close that we are beginning to expect to see a new league leader at the close of each night's action. Our expectations were fulfilled as the 6th place Bill Kellermans clobbered the 4th place Irv Simes' and climbed into the top spot by a 1/2 point. Cap't Kellerman started his kleglers off by rapping a 202 in the first. Teammate Elliot Spencer took up the cudgel and smacked a 214 in the last game to complete a sweep. This blanking drove the Simes' down to 7th but they are still only 8 1/2 points out so next week the ball could bounce the other way.

Cap't Murray Kowlowitz informed his teammates, in language that they could not mistake, that he was ready for the climb back up. Some weeks ago they were tied for 2nd but then they ran into a few tarters and they sunk to 10th. "I'm ready," he sang out as he cracked a 206 and a 218 to beat the Red Karbels into 8-3 submission. The Kowlowitzs rose to 5th only 6 points back. The Karbels? They fell back into the cellar.

Two weeks ago the Sid Holtzmanns sat atop the league and then were grudgingly forced back into a tie for 2nd. This week, though, Cap't Sid threw a 201. Joe Jacobs smashed the high game of the night, a 225, and they beat the Bernie Kaplans 8-3 to take undisputed possession of 2nd place only 1/2 point away from the kingpin's seat.

Last week's leaders, the Leo Geyers, dropped to 3rd. The 11th place Milt Goldbergs shot them

down, 7-4 and it's a good thing Cap't Leo showed up. He rapped a 212 in the second game to stave off a shutout but Leo has high hopes because his men are only 1 1/2 points behind.

There was lots of firing in the conflict between the Milt Hoffmanns and the Ralph Diamonds. For the Diamonds, Nat Warren hit a 216 and Lou Truchil threw a 213 but Cap't L. Hoffman and Murray Sussman countered those blows with a 213 and a 201 in the rubber game to come out on top 8-3.

It's still mighty close. Of the first ten teams only one of them, the Herb Brodys, retained their position of 5th place. With only 12 1/2 pts. separating the 1st and 10th place teams we're certain to have more of the same. Seven weeks to go before someone hits pay dirt.

Jerry Leight with a 221 and Lew Marks with a 205 closed out the evening's individual heroics.

Two strange things happened last Monday night: Sy Bruckner bowled a 200 to win a close one for the Hy Shapiro's and on rechecking the sheet they found that it made no difference in the game's outcome but they did find that Sy had 1 pin too much so back he went to 199. The other strange thing? Sid Sachs' "Markers" crushed the Lew Marks' 11-0 and shot out of the cellar to 15th place only 23 1/2 pts. out.

Golden Age Club

The Jericho School District invites all residents age sixty or over to enroll in the Golden Age Club. As one way to say "thank you" for the contributions made by the senior members of our community, the district will issue a membership card entitling the citizen to admission to school events. In this way, veteran residents can view the many exciting activities such as plays, concerts, at-home games and special attractions on a complimentary basis.

If you are interested in joining the Golden Age Club and are a bona fide resident of UFSD No. 15, age sixty or over, kindly contact the District Office, Jericho Public Schools for an application blank.

Syosset Hi Mathletes Should Gain 1st Place

Logically, Syosset High School Mathletes can expect first place in the Nassau County Interscholastic Mathematics League this year if successive performance is any criteria. Two years ago, the team finished third, and took second place last year.

The Syosset team, one of 62 of Nassau's 70 schools competing in the league this year, enters the first round of competition on November 18th, led by co-captains Mark Sockell and Iris Schoenberg. According to Mathlete Coach John P. Titterton, the Syosset team faces strong competition because of their lack of experience. Aside from junior high school competition, none of the present team members have competed in a regular NCIML meet, due primarily to a very strong team of Syosset scholars last year.

The Syosset team has been

Temple Endorses Stand Of American Conference

Temple Or Elohim of Jericho has endorsed the stand of the American conference on behalf of Soviet Jewry.

During the eight day period of December 4-12, American Jews, together with Jews throughout the world, observe Chanukah, the Festival of Lights. This year the world-wide commemoration of the adoption of the Universal Declaration of Human Rights—a contemporary proclamation against tyranny—coincides with Chanukah, an ancient victory over oppression.

Therefore, it is fitting that on this Human Rights Day we give thought to the situation of more than three million Jews in the Soviet Union, the largest Jewish community in the world outside the United States, who are denied the fullest means of religious and cultural self-expression based on the rights guaranteed them by Soviet law.

Together with millions of other Americans of all faiths, we appeal to the Government of the Soviet Union to restore to Soviet Jews their full rights and to grant to those who wish to leave the right to be reunited with their war-torn families and to join their brethren in other countries, whether in Israel or elsewhere.

Syosset Hi To Hear Poet

Poet John Hollander has been scheduled to visit Syosset Senior High School as "poet-in-residence" for three days in December, according to Mr. Al Craz, chairman of the high school's English Department.

Mr. Hollander, whose "Types of Shape" was enthusiastically reviewed by the New York Times recently, will speak to English classes at the high school on December 1 and 3, and participate in an assembly program on December 5.

The noted poet's appearance is part of a cultural program designed to bring theater and music groups and literary figures to the students. Mr. Hollander is a member of the faculty of the City University of New York.

The first of 590 tulip bulbs is planted at Syosset's Robbins Lane Elementary School by Mitchel Silverman, under the supervision of kindergarten teacher, Mrs. Joyce Simon. Fellow classmates wait their turn to plant their own bulb. Each student in the 590 pupil school, from kindergarten to sixth grade, planted a bulb in front of the school flagpole as part of a garden project sponsored by the PTA. A financial boost and helping hand in choosing the bulbs was made by Mrs. Janna Zandbergens, a local resident renowned her tulipdom in Oyster Bay.

Holiday Fire Safety

The holidays are once again drawing near and you must consider the increased fire hazards prevalent during this season.

We strongly advise the use of fire resistant artificial trees and decorations. However, if you prefer a natural tree, be sure to treat it with one of the commercial fire retardant chemicals. Keep it well watered and away from radiators or warm air registers so as to prevent premature drying.

If you use lights to decorate your tree or the exterior of your house, be sure they are approved by the Underwriters Laboratory for their specified use. Before stringing your lights, be sure to check them for frayed or bare wires, cracked sockets, loose plugs, etc. Too many lights may overload a circuit, so don't take chances...be sure your outlet is adequate. Try to avoid the use of candles wherever possible. If you intend to display decorations on the front of your house, be sure that you have not hidden your house number.

To keep your holiday safe and happy, remember that fire prevention is a never ending responsibility.

We have received a number of fire safety questions; however, due to limited space and our desire to limit printed answers to those questions of general interest, we have chosen the following question:

QUESTION: A few weeks ago, one of my neighbors had a fire in her oven while cooking dinner. What should I do if this happens to me?

ANSWER: This type of fire is not uncommon, and usually is not serious if proper actions are taken. If a fire occurs in your oven due to the burning of grease or fats, immediately turn off the gas or electric to the oven. Then call the Jericho Fire Dept. Do not open either the oven or broiler door. Keep it closed. Do not use water on this type of fire.

However, if you have a CO² or dry powder fire extinguisher in your home, you can open the door a crack and empty your extinguisher on the fire. Keep calm, keep your head and do not panic.

Address your questions on Fire Prevention and Fire Safety to The Community Relations Committee, Jericho Fire Department, Jericho, New York 11743. The members of the Jericho Volunteer Fire Department would like to take this opportunity to wish all residents a happy, and safe holiday season.

Wolfeld Elected Director Of BCA

Dick Wolfeld was elected a director of the Board of Directors of the Birchwood Civic Association at its regular monthly meeting held last week. Wolfeld will serve out the unexpired term of Irwin Baumei who recently resigned after 12 years of service on the Board. The term expires next May.

The Old Timer

"When a boy starts sowing his wild oats, it may be too late to start the thrashing machine."

Around Town

Harry Klar of PLAINVIEW, has been appointed Assistant Art Director at Lebow Advertising, according to Stanley Lebow, president.

Klar, 26 and a graduate of the School of Visual Arts, New York, will report to Ralph Baldino, agency art director.

Prior to joining Lebow, Klar spent two years as art director with Mark Associates of Lindenhurst, a graphic arts center. He also served for two years as assistant art director with Gamut Advertising, Garden City. Winner of seven gold medal advertising art awards, Klar, who is a fine artist by training, is currently preparing for a one-man show at a well-known New York Gallery. In his spare time he concentrates on antique furniture. His home is completely furnished with quality antique pieces he has restored himself.

LIFELINE OF THE COMMUNITY -- The important part played by the water district in each local community is explained to legislators by Harry Borley (third from left) chairman of the Long Island Water Conference, at its annual Legislative Dinner held Monday night (November 17) at the Salisbury Club, East Meadow. Listening intently are Assembly Majority Leader John E. Kingston (second from right) of Westbury, and James Gillen, of Garden City, who is chairman of the Conference's comprehensive planning committee. Standing beside Mr. Borley, who is also a commissioner of the Hicksville Water District, is Commissioner Nicholas J. Bartolucci of Jericho Water District, who is secretary of the Conference, and Cornelius Smith (left) of the Jericho Water District, who is assistant secretary of the Conference. Majority Leader Kingston was the principal speaker at the dinner and discussed the proposed Temporary State Commission on the Water Supply Needs of Southeastern New York, which includes Nassau and Suffolk. The Water Conference is an organization comprised of representatives from 50 public water suppliers (including the water districts of Nassau and Suffolk) on Long Island, who pump 90 billion gallons of water annually to a population of over two million.
