Herald Report School District 17 Hicksville

by Shirley Smith

The highlight of Tuesday's Board meeting was the presentation of the Nicholai Street School bell to the Hicksville School District. Raymond Rusch, principal of Hicksville High School, accepted the gift from Henry C. Brengel, Sr., past School Board trustee. George Jackson, Board president, read the plaque, now affixed to the bell: "Nicholai Street School Bell—Circa 1890—Originally purchased with contributions of Hicksville residents—Saved from demolition by Henry C. Brengel, Sr.—School Board Trustee 1932-1954—Donated to the School District, together with this plaque, November 1969, with the stipulation that it be displayed for historic interest".

Mr. Brengel saved the 250 pound bell from destruction by buying it from a demolition crew. He has kept the bell at his home for the last fifteen years. Two years ago, at the request of the late Fred Noeth: (Editor and Publisher of the Herald) Mr. Brengel agreed to donate it to the district.

The bell is displayed in the main lobby of the High School. Of interest, too, are the historical documents in the showcase and a painting of the Nicholai Street School. The painting is by Hicksville High art teacher, Mrs. Pauline Jonason and her students: Karen Hutchins, Sue Makov, Peter Aschmer and Curt Brill.

Something well worth seeing in our community. We heartily recommend you take time out for this interesting and informative display.

Before adjourning to the High School for the presentation, the School Board carried on business as usual.

Mrs. Christine Cahalan, president of the Junior High PTA, presented 4,560 signatures requesting the Board to resubmit the proposition for additional lunchroom and classroom facilities at the Junior High. If the Board has 5,897 signatures, they are required to submit the proposition. This matter will be

discussed again at the Board's next study session.

To report on student accident insurance: it will be impossible to implement any program in February, 1970. The district will have to wait until next September. Meantime, the Board will collect more information and present it to the public next year.

In answer to a letter requesting that cultural arts programs held in district schools also be available for the parochial schools: this is a subject which should be brought up and discussed at the budget hearings.

Neil McCormack commended Charles Gouse, Supervisor of Instrumental Music, Joseph Madden, Director of Recreation, and the symphony orchestra for the excellent concert held at the High School this past Sunday. The orchestra, directed by Mr. Gouse, is sponsored by the Hicksville School District Recreation Department.

No more Board meetings this month. The next one will be Jan. 13.

Ernest F. Francke Republican Club to Meet

The Ernest F. Francke Republican Club will hold its regular monthly meeting at 8:30 p.m., on Tuesday, December 16, at Old Country Manor, Old Country Road, Hicksville, New York.

This meeting will be the Annual Christmas Party. Sadie Hurley and group will present a skit, "Santa Claus in Space".

There will be dancing to the music of Charlie Russek.

Gifts will be exchanged under the Christmas tree.

L. to R. - Mr. Raymond Rusch, principal, Mr. Henry C. Brengel, Mr. George A. Jackson, President of Bd. of Ed. Mr. Donald F. Abt, Superintendent of Hicksville Schools.

History Rings Out

Golden bells!
What a world of happiness
their harmony foretells!
Through the balmy air
of night
How they ring out

their delight!
Mr. Henry C. Brengel, a long-time Hicksville resident and Hicksville schoolboard member for twenty-two years (1932-1954) has graciously donated a large school bell to the Hicksville Schools. Several years ago Mr. Brengel saved this 250 pound bell from

destruction by buying it from a demolition crew hauling the bell away from Nicholai Street School. Mr. Brengel's plaque, now affixed to the bell reads: NICHOLAI STREET SCHOOL BELL CIRCA 1890 ORIGINALLY PURCHASED WITH CONTRIBUTIONS OF HICKSVILLE RESIDENTS SAVED FROM DEMOLITION BY HENRY C. BRENGEL, SR. SCHOOL BOARD TRUSTEE 1932-1954. Donated To The School District, Together With This Plaque,

November 1969 With the Stipulation That It Be Displayed For Historic Interest.

The bell will be mounted and displayed in the Hicksville High School.

Ring out the old,
ring in the new,
Ring, happy bells
across the snow:
The year is going,
let him go;
Ring out the false,
ring in the true.

Alumni Cake Sale At Braun's Market

The Hicksville High School Alumni Association will hold a cake sale on Saturday, December 20th at Tom Braun's Meat Market, 77 Broadway, starting at 8:00 A.M.

Proceeds of the sale will go toward a scholarship from the Alumni Association.

It is hoped that the many friends of the Alumni will stop by and avail themselves of the opportunity to purchase any number of home-made "goodies" for the holidays.

Marge McGuirk, at OV 1-0207, is in charge of the sale.

The drawing for the Alumni's annual "Basket of Cheer" raffle will take place at the conclusion of the cake sale. Helen Hanlon, at 931-0257 and Helen Frohnoefer, at 931-0752, are co-chairmen of the raffle committee.

LETTER To The EDITOR

Dear Mrs. Noeth,
Once again I find it necessary to write another letter concerning the Traffic problems on Nevada Street.

A recent article in Mid Island Herald advised that we are due for another traffic survey. To that I would add, what happened to the one of three years ago? Those conducting the survey should bear in mind this is a residential street. It is also fantastic that Nevada Street is a Bike Route. Is the Town Board aware of this? They would get shivers down their spine watching groups of children trying to ride to and from Cantique Park on Saturday.

There comes a time when traffic on a street reaches the saturation point. Nevada Street reached it when Kleins opened and soon Nathans.

Is anything for real-Town Boards, Councilmen, Surveys, etc? Yours truly,

Robert J. Fischer

Thank you Hicksville!

The Columbia Assoc. of Nassau County wishes to thank the people of Hicksville who have so generously helped in their "Dollars For Scholars" drive. Every dollar goes to help some boy or girl through college.

Future Contributions can be mailed to Clara Dina, Columbia Association, Inc., P.O. Box 532, Mineola, N.Y., 11501.
Sal Maieli, Chairman.

Dear Editor:
To all the fine people of Hicksville, thank you for your prayers and good wishes during my recent illness. I have recovered with the help of God, my family and friends, Thank you!

Sincerely, Eleanor M. Graham (Mrs. H. C.)

Dear Sir:

We the crew of C-141 StarLifter operating out of Keesler AFB Miss. Would very much appreciate a little note in your paper about a certain officer whose family resides in your area. On Dec. 3rd 1969 2 Lt. Robert E. Larkin Navigator of our ship noticed a gas leak on board and ordered the crew to parachute out, then he himself stayed behind to Co-Pilot the ship with the Captain who also refused to bail out. The ship was brought to the ground safely and repairs were made. Through our records we have found that Lt. Larkin's family reside at 16 Nevada Street Hicksville, the Lt. is also a

Plainview High School is proud that one of its students has been awarded a Bronze Star in Viet Nam. Sgt. Marc A. Flashberg, 21, led a platoon through the Viet Nam jungle to free a trapped patrol.

Sgt. Flashberg fought his way through the heavy fire of entrenched Communist positions to about 35 feet of the surrounded squad of G. I.'s where a machine gun kept the rescuers at bay. Sgt. Flashberg told his men to open fire with everything they could muster as he and three volunteers wormed past the machine gun and made contact with the surrounded patrol. The Sergeant found two wounded and one dead soldier.

Sgt. Marc A. Flashberg

Sgt. Flashberg was nicked in the arm by a bullet and felt a sharp pain as he and a volunteer picked up one of the wounded men amid a barrage of enemy fire. They ran with the wounded soldier to the safety of the Platoon. Flashberg then went back in to get the second wounded man out, but the soldier had died in the interim. The Sergeant then led the remainder of the trapped patrol to safety. With Communists firing all over the area, he went back for two consecutive days to help rescue wounded soldiers.

Both his parents, and his fiancée, Miss Peggy Fotia, are eagerly awaiting his return. Plainview High School is proud that one of its students has so distinguished himself. Sgt. Flashberg was on the Plainview Wrestling Team and was graduated in June, 1966. After two semesters of college, he was drafted. At the conclusion of basic training, he was selected for N. C. O. school and was graduated as a Sergeant in the Infantry. He left for overseas duty on August 1st, 1969.

In addition to receiving the Bronze Star for rescuing the patrol, there will be additional decorations for his other deeds.

Our Armed Forces

Fred L. Hillmann, 22, son of Mrs. Anne Wolynies, 19 Sexton Drive, West Islip, was promoted to Army specialist four Nov. 3 near Pleiku, Vietnam, while serving with the 4th Infantry Division.

Spec. 4 Hillmann is a clerk with Company A of the division's 4th Supply and Transport Battalion. He entered the Army in December 1968, received basic training at Ft. Jackson, S.C., and was stationed at Ft. Leonard Wood, Mo., before arriving overseas in October 1969.

He is a 1964 graduate of Hicksville High School. His wife, Maureen, lives at 15 Picture Lane, HICKSVILLE.

Coast Guardsman Michael E. Fallgren, son of Mr. and Mrs. Robert E. Fallgren of 40 Reida St., PLAINVIEW, has deployed to the Antarctic aboard the U.S. Coast Guard Icebreaker Edisto for participation in "Operation Deepfreeze 1970."

The Edisto, homeported in Boston, is involved in its second consecutive deployment with Task Force 43, Naval Support Force Antarctica.

The operation is in support of the U.S. Antarctica Research Project of the National Science Foundation, a continuing scientific search, in cooperation with many other nations, for knowledge of the Antarctic.

The Task Group escorted the USS Maumee T-5 tanker to the Antarctic. The Maumee is the largest tanker ever to venture to the area, replacing with one trip the total of six round trips previously required of two other tankers.

Seaman Dennis D. Reid, USN, husband of the former Miss Reva L. Zeides of 57 Melen Ave., PLAINVIEW, and the son of Mr. and Mrs. Daniel Reid, 93 Morton Blvd., PLAINVIEW, was advanced to his present rate while serving aboard the guided missile destroyer escort USS Julius A. Fuhr homeported in Norfolk, Va.

Advancement was based on time in service and rate, military appearance, performance of duties and score on the Navy-wide test for promotion.

Pasadena School News

Several interesting programs were presented by Mrs. Solar, the librarian of Pasadena School, in observance of the recent 50th anniversary of National Book Week. Many opportunities were provided for the children to participate in this occasion.

The children were pleased to learn that the guest at the "Meet the Author" program was none other than their instructor of string instruments at Pasadena School, Mr. Melvin Berger, a well-known author in the field of children's literature. Mr. Berger has written 17 books on science, music and biography, which have been translated into 14 languages and dialects including Portuguese, Vietnamese, Turkish

Army Private First Class David H. Stevenson II, 21, whose father lives at 208 E. Broadway, Port Jefferson, was assigned Nov. 14 to the Americal Division in Vietnam as a cannoneer.

His wife lives at 20 Barrel Lane, HICKSVILLE.

Army Private First Class Edward F. Hanrahan, 23, whose parents, Mr. and Mrs. Edward F.M. Hanrahan Jr., and wife, Mary, live at 10 Salem Court, PLAINVIEW, was assigned Oct. 26 to the 45th Engineer Group in Vietnam as a radio operator.

Ensign Susan G. Bennett, Navy Nurse Corps, daughter of Mr. and Mrs. William A. Bennett of 11 Fairview Court, HICKSVILLE, graduated from Nurse Medical Service Corps Class at Naval Schools Command, Newport, R.I.

The school provides students with an outline of the duties and responsibilities of a medical officer. It provides Nurses with the military background needed to serve in the Naval Medical Corps.

Engineer Third Class Robert A. Grant, USN, husband of the former Miss Angela L. Caracchia of 21 Frankie Lane, OLD BETHPAGE, returned to the United States aboard the submarine USS Tusk.

He spent four months aboard the Tusk in the Mediterranean. The submarine was involved in anti-submarine warfare exercises with the U.S. Sixth Fleet.

The Tusk is homeported at the U.S. Naval Submarine Base, New London at Groton, Conn.

From its inception, the process of book publishing was traced through such steps as research, galley proofs, art sketches and finally the actual printing of the book. The children were given the opportunity to examine several original manuscripts, galley proofs and original artists sketches and were impressed with the number of manuscripts written before a final copy was approved for publication.

In addition to the above program, the children from Mrs. G. Miller's 5th grade class were engaged in "Book Jacket" projects. Books from the Instructional Media Center were selected and ready by the children who were then instructed by Mrs. Solar in the art of designing book jackets. Covers for these books were then designed by the children as their own creative expression.

A "Best Seller" survey evoked great interest among the children and revealed "Charlie and the Chocolate Factory" to be the long-time favorite topping the list. To end the week-long activities, the film "Elsa the Lioness" based on "Born Free" was shown to the entire student body. The Instructional Media Center freely used and enjoyed by all the children of Pasadena is the scene of productive activity throughout the school year.

Tobay Players Present 2 Plays

The Tobay Players of Plainview presented two one-act plays on Friday and Saturday evenings, December 5th and 6th. Both "Black Comedy" and "Fumed Oak" provided viewers with an evening of joyful entertainment and were well-received by a

large audience which was composed mostly of Plainview residents.

The Tobay Players have a history of productions in this area since December, 1955 for both adults and children. Each play represents a huge effort on the part of its crew and Plainview is proud of its live theater. Senior Citizens are invited to these productions free of charge.

"Black Comedy" was written by Peter Shaffer and was directed by Pat Mitnick. "Fumed Oak" was written by Noel Coward and was directed by Pauline Widelitz.

The Tobay Players would like people who are interested in the theater to join them. They extend this invitation to anyone who is interested. A childrens' production is planned as the group's next production.

CAP News

Cadets from the Hicksville area of Nassau Squadron No. 4, Civil Air Patrol, made a field trip to FAA Radar Control Center at Mac Arthur Airport.

An FAA Controller-Training Instructor showed Hicksville Cadets James Rogan, 36 Ketcham Avenue, Richard Walkowski, 17 Fulton Avenue, Paul Wohlrab, 81 Moeller Street, and Cadet Sargent Scott Josiah, 15 Laurel Lane, Levittown, the extent and complexity of the radio-radar system which controls in-flight aircraft on IFR (Instrument Flight Rules) within a wide area. During the tour the guide made the cadets aware of the duties, responsibilities as well as the salary and working conditions of Radar Controllers, and emphasized the experience (or education) and personality qualifications for one desiring a career in this field.

Squadron No. 4 meets every Tuesday at 7:30 p.m. at the J.F. Sparke School, Condor Road, Levittown. Prospective cadets, senior members, or visitors are welcome. For more information please inquire at P.O. Box 124, East Meadow, N.Y. 11554.

Mail Now!

Ralph G. Cascardo, Hicksville, Postmaster, urged everyone to mail their Christmas greetings now.

It is anticipated that eight and one-half billion pieces of mail will be handled this Christmas season. If this staggering total of letters, cards and parcels is to be delivered on schedule, the post office will need the assistance of every mail user - large and small.

Postmaster Cascardo also emphasized the importance of using ZIP Codes and adding a return address to all Christmas mail. ZIP Codes enable postal employees to sort and handle the mail faster. A return address insures that mail that can't be delivered because of an illegible or incomplete mailing address will be returned to the sender.

PLEASE SHOP AND MAIL EARLY AND USE ZIP CODE, FOR ON-TIME DELIVERY OF ALL HOLIDAY MAIL.

Hicksville Postmaster, Ralph G. Cascardo announced that the self-service postal unit located in the lobby of the new building at 185 West John Street is now in operation.

Mr. Cascardo said that the do-it-yourself mailing center will be open from 6:00 AM to 10:00 PM daily, seven days a week, 52 weeks a year.

The unit meets basic mailing requirements. Users can buy stamps, envelopes, postal cards, and minimum parcel insurance from vending machines. Letter and parcel scales allow simple determination of required postage. There are also bill and coin changers and a 1,650 page ZIP Code directory that includes every community in the country from Abbeville, Alabama, to Yoder, Wyoming.

"This is the most economical way devised to give complete basic postal service," the Postmaster said. "These self-service units have been acclaimed from coast to coast for their convenience and simplicity."

The self-service unit is part of a massive modernization program being carried on by the Post Office Department under Postmaster General Winton M. Blount. The post office plans to have 1,000 such units in operation by 1972. The units are being located in shopping centers, post office lobbies, urban malls and on college campuses.

The self-service units are not designed to replace existing postal services but merely to supplement those services. Postmaster Cascardo pointed out.

Ramblin' Rose

By Rosemary Walsh

My goodness! I suddenly awakened to the fact that the Holiday Season and Christmas is upon us when our Children's Theatre Director, Richard Koehde, forwarded me their tentative plans for "Time Out For Christmas", by Arleen Fisher. (You'd think the sparkling store decorations, bright lights and subtle hints I've been receiving around the house might have alerted me—but, somehow each year it hits me at the closing minutes. Could be I repress the thoughts of cleaning, shopping, cooking, more shopping, but then when those beautiful days finally arrive, it's all so worthwhile. It'll be a lot easier though, than last year when we had a wedding, too.)

Now, back to our play—the performance is planned for Dec. 29 in the Junior High School Auditorium on Jerusalem Ave. It features Barbara Reiser as the Teddy Bear; Debby Rudoff as the Rag Doll; as Tick and Tock, we have Raisa Rudoff and Judy Strow. Also included in the cast are: Valerie Hack, Kathleen Kane, Jo Anne Sicard, Janice Strow, Mary Ellen Talento, and Regina Zalherck. We invite everyone to attend, especially the young ones and their mommies. It is really very cute and I know they'll enjoy it. I'll keep reminding you.

Well, I saw a great many of you

at our Symphony Orchestra Concert on Sunday. It was truly well attended, but we always have room for more. I do believe, in fact, members of the audience also voiced the same opinion—that Charles Gouse and the group get remarkably better at every performance. They were magnificent and here's another member for you—on Sunday, April 26, the Orchestra, along the High School Chorus, under the direction of Charles Arnold and our Community Chorus directed by William Goluke will do the Sacred Service "Avodath Hakodash" by Ernest Block. I know that it is a long way off, but worthy of noting on your calendar.

Now for the weekly news on our Ice Hockey Team. Our latest victim was Chamainade, they lost to us 6-1. As usual, it was Doug Abrams, Bob Lewis, John Schrink, Frank Effinger, Ed Kern, Norm Freedman, and Erik Andersen holding all those sticks. Coach Bill Jurgelevich can be very proud of his team.

Speaking of teams, "our little ones" (my very, very favorites, they're so small and play such good ball, I get such a kick out of watching them) are now all out practicing for our Elementary Boys Holiday Tournament. As you know, each year we had this annual event at the High School Girls Gym during the holiday

season. It takes three days for the whole affair, it gets really fired up and is great fun. In fact, you no doubt also know that one of our favorite principals (initials J. McG.) offers scholarships to attract top ball players, but somehow has yet to cinch the holiday hoop title. It has been won, in the past by Dutch and Lee more than once and currently hangs proudly at Woodland. However, I might note that mentioned principal host has at least three other banners hanging in his East St. School, but also, alack, the girls brought upon most of these honors.

Well, it's fun to watch all this action, but most of all to be part of it in some cases even the dreamer that got it started. I'll ramble off and tell you where to be and when to see all these young courtmen later. Bye!

Alice In Wonderland

The Plainview Nursery School is sponsoring a Puppet Show by the Nicolo Marionettes on Saturday, December 13th, at the Plainview Junior High School on Stratford Road in Plainview. There will be performances of "Alice in Wonderland" at 12:30 p.m. and at 2:30 p.m. Tickets may be purchased at the door for \$1.75.

Howard J. Finnegan

Hicksville high opened the 1969-70 basketball season with a tight, pressing defense at Great Neck South and came off with a 69-47 victory.

Center Don Massey had an assured beginning with 19 points. Richard Berg had 12. Joe Schwriber scored 11. Veteran Joe Zuckerman hit for 7 and Paul Masciello scrambled for 9.

Most of the points came on the close guarding with resulting steals and interceptions by Hicksville, Berg and Masciello out front were particularly troublesome for South.

It's not a rowdy or frantic press. It was cool and applied the pressure slowly but surely.

Head Coach Buddy Bryan and his assistant Nick Monfredo had to be a little pleased that the long hours of defensive practice paid off.

Hicksville has a small team and a schedule against physical giants coming up and Bryan has decided only the defensive game can save respectability for the orange and black.

Although its a tough basketball school-two Nassau County Championships in the past three years- the win over this South Club cannot yet be measured as a guide for the long pull.

Hicksville broke the game wide open in the third period and pulled away rapidly.

Hicksville had a 60-37 advantage with 5:31 remaining. Bryan then cleared the bench and looked with persistent interest at the operations of his subs.

This Friday night they have to raise the height of the door openings for the first of the tall, tall opponents visit Hicksville. Plainview comes in for the annual neighbor battle at 8:00 p.m. Junior Varsity game at 6:30 p.m.

Take a Herald tip: we doubt that there will be tickets available after 7:30.

Our selection: Hicksville 52, Plainview 48.

Hicksville fans are ecstatic over Bruce Cerone's selection to the NCAA College Division All American first team. As reported here last week he will be in the North-South All Star game December 26th.

After a fine two year stint at Nassau Community College Hicksville's Guy Van Wagen has continued his education at Post College in Brookville.

He is a member of the Post varsity basketball team.

YOUNG MOVIEMAKERS AT WORK: Ken Rubin, a senior student at H. S. and his friend Joseph Dougherty of Westbury High School produced (and directed and wrote and edited!) a movie last August. Their film, HALLWAY, a 12 minute color production, is reviewed in the November Media & Methods, where it is called "one of the most substantial films" made by teenagers. "an ambitious attempt to capture the feeling of powerlessness so frequently experienced by teen-aged youth." HALLWAY received honorable mention in the Kodak Teen-age Film Contest.

Hicksville P.B.C. Cadets Visit Ship At Fort Schuyler

Seventy boys from the Hicksville Police Boys Club, Nautical Cadets paid a visit to the reserve training ship, U.S.S. Blackwood DE-219 at Fort Schuyler, on Friday, November 28, 1969.

Lt. Cdr. Emile Phelisse, USNR officer, a member of the Hicksville unit, made the arrangements for the trip, and also conducted the tour of the good ship Blackwood. One of the highlights of the tour was the refreshments the boys received in the crews mess hall aboard the ship.

This trip, was one of the many trips taken during the year by boys in various PBC activities. Any boy may join the "Nautical Cadets" by coming with his parent to the Hicksville Junior High School on a Friday night at 7:00 p.m. and signing up. The boy must be 10 years of age or older upon registering. For information contact Ptl. Director Frank Darcy at MY-4-3841.

The above picture was taken of the Cadets on the deck of the USS Blackwood.

Hicksville Public Schools Title I Tutorial Project

Dr. Manus J. Clancy has announced that the Hicksville Public Schools are conducting an after school tutorial service under E.S.E.A. Title I in reading and mathematics for grades three and six. The program designed for

underachievers commenced last month.

Students selected meet in their own elementary schools on Tuesdays and Thursdays for one hour after school. The size of groups are limited to no more than five students.

Plainview Man Demonstrates Ice Sculpture A Lost Art

On Tuesday, Dec. 9th, a rare demonstration occurred on the lawn of the Syosset Community Park. Rare, because the subject demonstrated was "ICE SCULPTURE"—which is known today as a "Lost art".

Using a full 300 lb. block of clear hard ice, illuminated by floodlights, Ben Bimstein carved a perfect swan within a half hour, while continuing a conversation of questions and answers with the artist members of the Suburban Art League, one of the leading organizations in the L.I. Art community.

While working with icepicks and chisels, he pointed out the different artistic planes similar to stone sculpture also the muscular control necessary for command of the ice to avoid cracking it. It was extreme suspense, each moment expecting the ice to shatter into fragments. At the conclusion of the demonstration, there was a beautiful swan, illuminated; that would last for 12 hours at room temperature.

Holiday Party

The next meeting of the Central Island Women's Republican Club will be their annual Holiday Party, on Friday evening, Dec. 19 at 7 p.m. at the Old Country Manor. A full course Chicken Dinner will be served. Fun and surprises have been planned. Each lady is asked to bring a \$1 gift exchange for another lady, and gentlemen are asked to bring a gift for another gentleman.

Tickets for the party may be obtained by contacting Ruth Hannemann, 6 Herman Ave., Hicksville at WE 8-9272. Deadline for reservations will be Dec. 16. Donations are for members \$4.50; and for guests, \$5.00.

Hicksville Artist At the Library

Mr. Richard Ericson who is exhibiting now at the Hicksville Public Library, is an art instructor at the Hicksville High School. He is an artist of outstanding ability, competent in all media. His art career includes work done at the Art Students League, the Art Institute of Chicago and the University of Chicago; Escuela de Belles Artes, San Miguel de Allende, Gto. Mexico; Esmeralda, Mexico City, Mexico City College, where he received his M.A. degree cum laude. At New Paltz college he took summer courses in teacher education.

In this exhibit we see his oils and acrylics.

Mr. Ericson feels strongly about social problems as can be seen from his paintings. The finding of one's identity in today's complex world, particularly for the young, is a subject he is constantly exploring.

FLOWERS UNLIMITED

**Symbolic Floral Arrangements
Key Christmas Decor In Home**

Christmas is a family festival. We celebrate it by making our homes colorful and bright, singing carols, providing rich feasts, and giving gifts in the tradition of the Wise Men of the East.

In keeping with the spirit of the season, cut flowers and plants are wonderful to receive and give at this time. However, floral decorations for the home will demand more attention than placing flowers neatly in a vase.

The dining and living rooms are usually the first concern of a hostess, and are as important a focus in home decor as the Christmas tree. It is in these areas that hostesses wish to convey the impression of cheer for both planned festivities and those times when friends drop in unexpectedly.

The occasion calls for imagination and sparkling, rich colors. The answer to both needs can be found in centerpieces, floral compositions, or encircling symbols of the season with appropriate floral selections.

FTD florists note that a favorite Christmas plant, the poinsettia, represents fertility and eternity, and is a prime symbol of the season as well as a frequent subject of legends. One 16th century tale tells of a small girl who followed the Wise Men to the cradle of the infant Jesus and wept because she had no flowers to place beside the manger. An angel appeared and bid her to take weeds from the field and present them before the infant, and as she did so, the weeds blossomed into a vivid, beautiful poinsettia.

Certainly, Christmas is virtually filled with symbolism. Figurines in the shape of angels, shepherds, Madonna and Child, the three Kings, musicians, reindeer, etc., as well as candles, belts, and Christmas balls are all appropriate reminders of the holiday, and are traditionally incorporated within in the design of floral arrangements.

During this season, few Christian homes seem truly

decorated without a wreath at the door, in the window, or perhaps as a focus in some living area other than that in which the Christmas tree is placed. The round form (of the Della Robbia wreath) symbolizes eternity, while the flowers and fruits are symbolic of the cycle of the seasons.

In milder climates, FTD florists suggest that the feeling of the first Christmas, which occurred in a mild climate, may be captured with palms, magnolia, poinsettias, and other foliage and blossoms of the East. In colder climates, winter wonderlands can be made of cones, greens, and ribbon to bring the joy of the season into the home. —MM.

TREE-MENDOUS

A specimen of the banyan tree in India has a main trunk 13 feet in diameter. 230 trunks as large as oak trees, and more than 3,000 smaller ones. It is said that 7,000 people once stood beneath it!

Since the beginning of history, rings have been going around in the best of circles!

The earliest existing rings are those found in the tombs of ancient Egypt. Finest examples are pure gold, simple in design, very heavy and massive and have usually the name and title of the owner deeply sunk in hieroglyphic characters.

Later, throughout the Roman republic, none but iron rings were worn by most citizens, and even these were forbidden to slaves. Ambassadors were the first who were privileged to wear gold rings, and then only while performing some public duty.

Most early Christian rings date from the fourth century onward. Generally bronze or gold, they are often engraved with words and occasionally with the owner's bust or with religious symbols.

Today, rings ring true to many fond emotions and are treasured by people of all ages. One in particular is designed only for mothers. It features twin bands of solid 14-karat gold to recall her wedding day with a lustrous, synthetic stone-of-the-month to mark the birthday of each of her children. Known as "The Mother's Ring" and designed by Guertin Brothers Manufacturing Company, each is fashioned to profile one mother's particular memories—her marriage, her family, her happiness. Stones can always be added for "new-comers." And often a number of children join together to purchase the ring which is sold only by retail jewelers.

This sentimental and significant gift, unlike the more austere rings of the past, is kindling the warm-hearted thought that mother's love is a many-splendored ring!

Cookie Cones For Christmas

Ice cream cones are a year-round favorite, and Lacey Christmas Cones are sure to be popular during the Christmas season. Delicate and tender, but ever so good, these cookie cones should be labeled, "Fragile, handle with care." Lacey cookies, molded while still warm to form crunchy cones, boast the good nut-like flavor of oats, while candied fruit in the ice cream filling adds holiday gaiety.

LACEY CHRISTMAS CONES

Makes 6 dozen cones

Ice Cream Filling:
3 pints vanilla ice cream, softened
1 1/2 cups chopped mixed candied fruit

Cookie Cones:

1/2 cup butter or margarine
3/4 cup firmly packed brown sugar

2 tablespoons all-purpose flour
1/4 teaspoon salt
1/4 teaspoon cinnamon
2 tablespoons milk
1/2 teaspoon almond extract
1 1/2 cups quick or old-fashioned oats, uncooked

For filling, combine softened ice cream and candied fruit. Pour into 8-inch square baking pan. Freeze until firm.

For cookie cones, heat oven to moderate (350° F.). Beat butter and sugar together until creamy. Add flour, salt, cinnamon, and almond extract; beat well. Stir in oats. Drop by level teaspoonfuls about 2 inches apart onto ungreased cookie sheets.

For easier handling during shaping, bake cookies a few at a time. Bake in preheated oven (350° F.) 6 to 8 minutes. Cool about 2 minutes. Quickly remove from cookie sheets with wide spatula. As each cookie is removed, roll around handle of a wooden spoon or around a paper cone to form a cone. Cool.

To serve, fill cones with ice cream filling.

Plainview-Old Bethpage High School News

By Andy Kagan and Adam Stram

On Friday, Dec. 19th Plainview High School will host the All-Nassau Swimming Relay Carnival. High Schools from all over Nassau County will be competing in Swimming relay contests. The Carnival has been in existence for 9 years, including this upcoming meet. Plainview has won the last 7 consecutive meets. The Carnival starts at 5:00 P.M. Everyone is encouraged to attend.

Coach Charles Schlegel says that this is the best swim team that he has ever coached. This year we have many excellent sophomores swimming on the team. Kevin Priestly, a junior, is an All-American in the 100 yd. backstroke. Only 200 swimmers are classified as All-American candidate this year.

Some former students and swimmers have also had continued success. Bob Carl is now in his 3rd year at Ohio State. He has made the Dean's list there every year. Pete McGrain, who set more swimming records than anyone else in Plainview's

history is now teaching at Plainview Junior High School and is coaching the swim team at Kennedy High School.

There will be a concert given by the Plainview High School Chorus and Orchestra on Dec. 18th at 8:00 P.M. in the school auditorium. All are welcome to attend.

Open Campus is about to become a reality in Plainview High. Seniors submitting parental permission slips and pictures of themselves for passes will be allowed to leave the building during their lunch periods. This privilege will take effect on the 16th of December and a one-month trial period will follow.

The United Nations Club is sponsoring a pizza pie sale on Saturday, Jan. 17th. You may order for delivery to your doorstep for \$2.00, by contacting the organization at Plainview High School through the hard working sponsor Mrs. LeMay. Proceeds will go to help in sustaining the Club's many worthwhile activities.

Silent Majority Unites

Last February a group of concerned citizens formed the Association for a Strong America (A. S. A.), nicknaming themselves "the silent majority." It was with surprise and delight they heard President Nixon use this same phrase in a recent news conference. The A. S. A. is a non-profit, non-political association which believes that many of the ills that exist today can be alleviated if more people would end their apathy and become involved. The strength of America lies in the willingness of its people to help one another.

The A. S. A. is attempting to let youngsters and adults alike know that:

1. Parents were young once and are a source of knowledge and comfort which they acquired through years of maturity.
2. The policeman is their friend.
3. Laws are made to protect us. If they are wrong change them in a lawful way - don't break them.
4. There is a God - thank God!
5. The house of God should be used to bring out the good in all of us.
6. Our boys have fought, are fighting, and no doubt will fight to keep our country free.
7. The mass news media should be informed that the STRONG AMERICAN wants to hear all sides; he is capable of forming his own opinion.
8. Halls of learning are for learning. If some students are bent on destruction, they should be expelled.

The A. S. A. programs have dealt with a wide range of subjects, from consumer fraud to narcotics. One of the programs which is being repeated due to popular demand is "Pros and Cons of Sex Education in the Schools." Four speakers will be featured, two pro and two con,

among them Dr. John Dawson, Director of Student Health Services at Stony Brook University, who will speak in favor, and Attorney James McKenna, who will speak in opposition. Attorney McKenna has been featured on the David Susskind Show and the Bill Mazza Show. This program will take place at 8:00 P. M. Thursday, Jan. 8, at the Nassakeag School, Setauket.

Anyone interested in joining the Association for a Strong

America, or in forming a local chapter, is invited to call Mr. Joseph Werner, President, at 751-8170, or write to A. S. A., Box 1132, Stony Brook, New York 11790.

Holds Concert
The Howard B. Mattlin Junior High School in Plainview held their Winter Concert on December 9th and 10th, under the direction of Dr. Bruce Purrington, in the school auditorium.

The Choral Group presents three concerts a year; the next will be held in the Spring, followed by one in June. These concerts are open to the public.

"My heavy cleaning is not so heavy anymore."

—says Mrs. C. M. of Hicksville

Free heating survey can solve your heating problems.

"Gas is cleaner—in fact, it's better in every way. But as a housewife, I really appreciate it most because it takes less work to keep my house clean."

Discover how surprisingly little it costs to convert to modern gas heat. Your family will appreciate the difference. Gas heat is clean. Gas heat is dependable (no deliveries—it's piped directly into your home). Gas heat is economical. It has been selected by many of your neighbors.

Your man in your area, Joe McCarthy

Joe McCarthy has been helping Long Island Families with their heating problems for 3 years. He can give you the facts on clean, dependable, economical heat for your home. Of course, there's no obligation. Call Joe McCarthy at HT 4-1300. Next winter you'll be glad you did.

JDL Speaker Slated By Temple Or Elohim

A Jewish Defense League speaker will address Temple Or Elohim of Jericho at the Oneg Shabbat on Friday, December 19th, as part of a discussion which the Temple will sponsor on the activity of the League.

The activities of this militant Jewish organization have caused a great deal of conflict within the Jewish community. Major Jewish organizations, such as the ADL, have accused the JDL of being a vigilante group and its actions as being no less harmful and dangerous in labeling itself Jewish.

In defense, Rabbi Kahane, founder of the JDL, recently told of a 5 year old Jewish girl who was raped and killed in the

Crown Heights section of Brooklyn two weeks ago. At the same time, incidents of rape and assaults of Jews in Brooklyn, East Flatbush and the Lower East Side and other areas continue to grow. Rabbi Kahane charged that "no one else, neither the Mayor, police nor private organizations are apparently able or willing to do anything about this."

Such questions as: Do Jews Need Their Own Defense Group? Why is Violence so Prevalent in New York City? What Relation should there be between the JDL and the Police? Will be raised at the discussion.

Sabbath services begin at 8:45 P.M. and the public is cordially invited to attend.

Arthur Ashe, Jr., America's No. 1 Tennis Star, was the guest speaker at the combined dinner meeting of the Temple Or Elohim and North Shore Men's Clubs which was held at Temple Or Elohim, Wednesday night, December 3rd. A large turnout heard Ashe's fantastic story of victory over adversity. Pictured, left to right, are: Dave Lewis, Chairman of the event; Arthur Ashe, Jr.; Win Lobel, Bernard Abrams and Stan Epstein.

Dr. Murphy To Head NYU Ed. Alumni Assn.

Dr. Edward J. Murphy, Syosset Superintendent of Schools, has been elected president of the New York University School of Education Alumni Association.

Dr. Murphy received his doctorate in education from New York University in 1954 at the age of 23 years. He had graduated from Fordham University with a bachelor of science, degree in social studies in 1950, and received his master's degree in psychology and administration from New York University in 1951.

Since March 1967, Dr. Murphy has been Superintendent of Schools for Syosset Central School District No. 2. He was Assistant Superintendent of Schools in Lynbrook from 1958 to 1960, and served as Lynbrook Superintendent from 1960 to 1967.

Dr. Murphy has been vice president of the New York University School of Education Alumni Association from 1967 to 1968. He is charter president of the New York Association of Educational Data Systems, and since 1964 has been a member of the Legislative Committee of the New York Council of Village and City Superintendents.

He is also a member of the Nassau County Chief School Administrators, the American Association of School Administrators, the National Education Association, and the New York State Teachers Association.

Ten Pin Talk

by Henry Dockswell

The league leading Bill Kellermans lost a close one to the 4th place Leo Geysers 6-5 but they still remained on top by one slim point.

But now we have a new 2nd place team yapping at the Kellerman's heels. The Murray Kowlowitzs roared to an 11-0 shutout victory over the Herb Brodys and vaulted three notches into the runner up slot. This was a hot, fierce battle but the Kowlowitzs had the heavier guns this time. Four of them cracked the Magic Circle to beat the Brodys into submission. In the first game Horace Bernstein with a 214 and Mal Ratner with a 210 nullified Jerry Leight's 202 and the Kowlowitzs had that one. In the second, Fred Switzman came through with a 213 to clinch that one and in the last game the two captains had a duel. Herb cracked a 204 but Murray fired a 222 and the Kowlowitzs were home free.

The 2nd place Sid Holtzmanns were kicked out and down to 4th when the Lew Marks' pounced on them for an 8-3 victory. The Marks' lost the first game but then Capt. Lew rapped a 222 to capture the second and teammate Art Meadow threw a 203 in the third to lock up the series.

The 3rd place Julie Gershens remained there but only by the

narrow margins. The Milt Goldberg's beat them in the first two games but then Capt. Julie found the range and threw a 208 to win a five point game.

We're almost afraid to say this for fear of the "kiss of death" but here goes. This is the third week in a row that Sid Sachs' "Markers" have beaten back the opposition. From last place to 12th in three weeks. This time the "Markers" spanked the Bill Sussmans 8-3 and narrowly missed getting a shutout when they lost the second game by 5 pins. Bill Sussman rolled a 208 in the first but Capt. Sachs with a 205 and a little extra help from his men took that one. All the games were close and each of them was decided in the last frame. The "Markers" are now only 20 1/2 points out of 1st place and there are 5 weeks to go so you guys had better watch out.

The last of the individual heroics were as follows: Dave Dembart 229 (Hi Game of the night), Red Karbel 228, Dave Kaye 214 (he had a six timer in this game), Irv Simes 213 and Hy Shapiro a 210.

by Arturo's

To give your face a pearly glow: smooth on moisture base... dust baby powder over face with cotton puff; the tiny particles pick up lights.

In ancient China, women rouged not only their cheeks and lips, but also the edges of their nostrils - and the tip of the tongue!

For beautiful all-evening hands on a dress-up date: fill a pillbox with hand cream, carry it in your little evening purse.

Sitting posture that makes your waist look narrower, chest higher, legs longer and prettier: sweep both legs to one side... rest toes of back foot on ankle of front foot... and keep both toes pointed down.

St. Ignatius Girls Win 12-8

In a spirited contest St. Ignatius Intermediate Girls team was victorious of St. Kilian of Farmingdale 12-8 in C. Y. O. play.

Ellen Mc Hugh carried the Ignatius banner by dropping in 10 points on the Holy Trinity High boys.

Valerie Beaury contributed a very valuable basket. The backbone of the Hicksville team's effort was provided by Linda Dixon who had an excellent floor game.

Other team members are: Catherine Mc Cullah, Nancy Harmon, Carol Deacy, Maureen Cosey, Linda and Eileen

Rogers, Judy Collins, Kathy Dorsey, Marge Richards, Nancy Mansfield, Mary Alice Lambert, Margaret Sticcro and Leslie Ringinsen.

The win gave St. Ignatius a 2 win, 1 lost record. Miss Betty Dwyer is coach of the team which plays at Holy Family - a Central Court for the league - every Sunday afternoon.

Scouts Visit Washington

By Charles Klein

At 6:00 A.M. on Friday morning, November 28th, twenty-three Scouts and Leaders from Cub Pack 172 and Scout Troop 172, boarded the train at Hicksville Station and began a 3-day journey to our Nation's capital in Washington D.C.

After months of planning and coordinating, a dream became a reality and enabled the Scouts to see our Government in action and visit the inspiring sights of our Capital City.

The trip was made by 16 Webelos Scouts from Cub Pack 172 - Tom Lopez, Keith Brigandi, Tom Pasquerelle, Peter Kwyschan, John Mulligan, Jim Perry, William Juvet, Douglas Muller, Richard Steinhauer, Tim Curley, Steve Chizzoni, Frank Guiliano, David Thorne, John Carr, Raymond Strong, and Ronald Sass - and 4 Boy Scouts, who serve as Den Chiefs to the Pack, from Troop 172 - Dan Curley, Charles Fetta, Jim O'Leary, and Vito Lento - both units being sponsored by Redeemer Lutheran Church of Hicksville. The leader in charge was Webelos Leader Charles Klein of Hicksville, with assistants Michael Kwyschan of Hicksville, and Robert Juvet of Bethpage also in attendance.

The group traveled from Hicksville on the Long Island Railroad and made connections in New York on the Penn-Central Railroad to make the trip down to Washington.

Upon arriving at noon in the capital, the Scouts checked in at their hotel where they had made reservations for their trip. The Hotel Continental, one of Washington's finest, made every effort to make our visit an enjoyable and memorable one. Our thanks to Mr. Lloyd E. Ormand, the manager, for his kind and courteous interest and help during our stay.

The Scouts had guided tours of the Capitol Building and White House, which greatly interested them. In addition, they also visited the Washington Monument, where they took a bird's eye view of the city from the top; the Lincoln and Jefferson Memorials; National Archives, where they stood viewing the greatest documents in our history; the Department of Justice; Bureau of Engraving and Printing; The Treasury Building; the Smithsonian Institute, where they roamed through the halls and rooms of exhibits; and hiked to Arlington Cemetery, where they visited President and Senator Kennedy's gravesites, watched the Changing of the Guard at the Unknown Soldier's tomb, and saw the U.S.S. Maine Memorial.

Upon our return on Sunday evening, the Scouts were a little tired perhaps, but all had a better understanding and appreciation of our Government.

Both Cub Pack and Scout Troop 172 have made efforts in the past to enhance and broaden the meaning of Citizenship to the Scouts, through program activity and outings, such as this one.

Last spring members of both units visited Gettysburg Battlefield in Pennsylvania. In early November the Scout Troop toured Philadelphia and next April will visit Valley Forge. It is our hope and desire to help achieve the ultimate goal of Scouting's program "Boypower 76" - the making of responsible citizens to take their places in the world.

If you wish further information on either Cub Scout Pack or Scout Troop 172, please contact: Cubmaster Tom Zorovich at 681-3284, or Scoutmaster Stan Woodcheke at WE 1-2012.

IT'S SPELLING CONTEST TIME again in the Hicksville schools. Hicksville Junior High students competed to represent their school in the district-wide contest, the winner of which will go to the Nassau County finals in the New York Daily News spelling contest. Winner Marilyn Heller and runner-up Michael Pakaluk seem pleased to be champs. Seen also are teachers Carole Frimmer, who acted as mistress of ceremonies, Karen Steinar, Marilyn's English teacher, and Henry Cooney, judge of this event.

Obituaries

STEFEN CHAYKA
Stefen Chayka of HICKSVILLE, died Dec. 5. He is survived by his wife, Mary, and his children Anthony Chayka, and Irene Antkow. Also survived by 7 grandchildren.

Mr. Chayka was a member of William Gouse, Unit No. 3211, Veterans Of Foreign Wars, Hicksville.

He reposed at the Henry J. Stock Funeral Home until Tues. Dec. 9, when a Mass of the Resurrection was sung at St. Ignatius R.C. Church at 9:30 a.m. Interment followed in Plain Lawn Cemetery, Hicksville.

PHOEBE HEBERER
Phoebe (nee Tooker) Heberer, of HICKSVILLE, died Dec. 7. Mrs. Heberer was born in Great River, and was a member of the Emera Chapter, Order of the Eastern Star, was past district president of the Rebecca Lodge of Mineola, and an honorary member of the Hicksville Fire Department Ladies Auxiliary.

She was the wife of the late Andrew B. Heberer, Jr.; mother of Ralph Robert Heberer, Ruth Challan, Doris Healy, and the late Howard Heberer. Also survived by 14 grandchildren and one great-grandson, and her sister, Sara F. Dickey.

She reposed at the Henry J. Stock Funeral Home until Wed., Dec. 10 when religious services were held at the United Methodist Church, Old Country Rd., Hicksville, Rev. James J. Benson

officiating. Interment followed in Plain Lawn Cemetery, Hicksville.

MAGNUS LARSEN
Magnus Larsen of 63 Blacksmith Rd., Levittown, died Dec. 6 in So. Nassau Community Hospital, Oceanside. He was 88 years old. He is survived by his nephew, James Schubert of Levittown.

Mr. Larsen reposed at the Hicksville chapel of the Thomas F. Dalton Funeral Home where religious services were held Wed., Dec. 10 at 8:15 p.m., Rev. Douglas McDonald officiating. Interment was Thursday, Dec. 11, at 11 a.m. in Pinelawn Memorial Park.

JOHN H. HERZOG
John H. Herzog of 154 W. Marie St., HICKSVILLE, died Dec. 6 at Meadowbrook Hospital. He is survived by his wife, Christine, and a brother, William, of Boyton Beach, Florida.

Mr. Herzog was a lifetime resident of Hicksville and a Superintendent of Building Maintenance, County of Nassau. He was also a member of the Ernest F. Francke Republican Club of Hicksville.

He reposed at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville, until Wed., Dec. 10, when religious services were held, Rev. Roland J. Perez of St. Stephen's Lutheran Church officiating. Interment was held in the family plot, Plain Lawn Cemetery, Hicksville.

EAST STREET SCHOOL CROSSING GUARD, undaunted by our recent chilly weather, provides daily help for children on her corner. Mrs. Junge, an 8-year veteran of this corner at Plainview Road and East Street, is seen with a few of her charges - Steven Giordano and Robert Palguta among others. Also seen is Mrs. Di Marzo, who appears happy that Mrs. Junge is on "her beat."

TOB Board Plans Ahead On Waste Disposal Problems

The Oyster Bay Town Board, by a 7-0 vote, has authorized the purchase of a 25-acre site, adjacent to the Town's Old Bethpage incinerator, to be utilized as part of its future landfill operation.

"The purchase price of \$600,000, which is far below market value, was realized because the all-Republican Town Board we had in 1962 had the foresight to obtain options at \$10,000 an acre on eight of these acres," said the Board's Majority Leader, Edmund A. Ocker.

Those eight acres have already been excavated by the Nassau Brick Company of Farmingdale to a depth of 50 feet in some cases, and the Town has already received permission to deposit a limited amount of burned refuse.

Councilman A. Carl Grunewald, who worked closely with the Department of Public Works Commissioner H. John Plock and the Town Attorney's staff in negotiating the acquisition, said the Town would have enough landfill area to last another 10 years at the present

rate of burying, which would be at or below ground level.

"However," Grunewald said, "recent studies initiated by Supervisor-elect John W. Burke with federal and state agencies could come up with alternatives that might permit an even longer period of time to elapse before the town would fill - if ever - the entire 25 acres."

Grunewald was quick to point out that this purchase would actually save the Town more than \$2,000,000 in long-range purchases of fill since over 800,000 cubic yards of covering soil would be available for use by the Sanitation Department on the 17-acre portion of the site.

"County Public Health Department laws require a municipality to cover all debris on a daily basis," Grunewald said. "Each two feet of debris must be covered by a foot of earth and many municipalities are actually purchasing this cover at costs of up to \$3.00 a cubic yard, delivered. Because we have covering soil located at this site "the already excavated eight

acres save the Town the untold man-hours we would have needed to excavate the site to make it available for a landfill operation."

New Student Grievance Procedure

School officials and students in the Plainview-Old Bethpage agree the new student grievance procedure has been responsible for preventing student unrest in the district. Dr. Robert Savitt, Superintendent, says "without question it has provided a safety valve and a normal and desirable channel for students to present their requests."

Dr. Savitt, Mr. Jack Tillem, President of the School Board, and John Gould, President of the Student Council at John F. Kennedy High School are guests on the radio program "Education In Action" tomorrow (Saturday) morning, Dec. 13, on WHLI, Hempstead, New York, 1100 on the A.M. dial and 98.3 on F.M. Education In Action is heard every Saturday morning immediately after the news at 10:03.

Dr. Savitt made it clear the administration is not afraid to say no "but when it happens, the students will agree, they had a chance to be heard."

Traffic Safety Trailer

Nassau Police Commissioner Francis B. Looney today announced more than 3,500 people visited the county police Traffic Safety Trailer since it started September 15 touring shopping centers, schools and industrial areas in the county.

The Trailer, staffed by members of the department's Traffic Safety Division, carries a reactometer for testing drivers' brake reaction time, an animated display of vehicles on roadways, static displays of accident situations, a model of the Safety Town which will soon be built in Eisenhower Park and other safety displays and literature.

Persons using the equipment and taking the tests will not be asked to identify themselves.

At each stop, the trailer will be open from 9:00 A.M. to 6:00 P.M.

Here is the local schedule for the month of December:

- December 13th, Saturday, Roosevelt Field, Westbury.
- December 19th, Friday, Great Eastern, East Meadow.
- December 20th, Saturday, Times Square Store, Levittown.
- December 23rd, Tuesday, Mid-Island Hicksville.
- December 24th, Wednesday, Sears, Hicksville.
- December 30th, Tuesday, Plainview Shopping Center, Plainview.
- December 31st, Wednesday, Mays, Levittown.

Their Island Became Part Of The Ocean

HONOLULU - Moray eels slithered across the landing strip. Fish swam in toilet bowls. One room had a tree in it, another a boulder.

But the 19 Coast Guard technicians who manned the tiny island lookout flooded by storm waves last Monday were high and dry on a rooftop with plenty of hotdogs, hamburger and beer.

According to their account, what might have been a disaster was little more than a 24-hour picnic.

"I watched all my diving gear go diving without me," said Howard C. Schadt Jr., 21, of Hicksville, N.Y. "We could walk our pet fish through the barracks."

from their sea-swept navigational post on Tern Island 24 hours after the big waves hit. A New Zealand Navy vessel took them to Midway Island, 900 miles to the northwest, where they caught an Air Force plane for a weekend in Honolulu.

The first waves flooded the island during the night and "I was in a state of shock at first," said Lt. (j.g.) Henry J. Kofron, 24, the island keeper. "Water was everywhere - one foot deep at least."

The men tried to shore up what they could with sandbags, then raided "Joe's," the station's makeshift bar of food and beer, before they settled down on the highest roof.

"We fared fairly well, really," Kofron said. "We didn't lose the electronic equipment." He referred to the \$657,000 in navigational gear his men operated.

Piano Concert At Library

On Sunday, Dec. 14th at 3:00 P.M. the Hicksville Public Library and the Fine Arts Committee of the library will present a piano concert by the well known concert and recording artist, Morton Estrin.

Morton Estrin's dual career as both concert pianist and teacher has made his name familiar both in this country and abroad. Glowing notices from critics for his concerts and recordings coupled with his widely sought-after services as a teacher speak of an unusual kind of success. "Not many of Estrin's generation will reveal an equal combination of massive strength and musical honesty....There was a consecutive quality to his playing that was quite rare....It was strong piano playing with musicianship that commanded respect." So wrote Harold C. Shonberg after Estrin's Town Hall debut in 1949. In an all Chopin recital at Carnegie Hall in 1963 and repeated two weeks later at Town Hall, was described in the press as a "dazzling achievement." Mr. Estrin is a particular master of the works of the American composer Meyer Kupferman, many of which were composed for this artist.

Mr. Estrin's latest recording of the TWELVE ETUDES OPUS 8 by ALEXANDER SCRIBIN for Connoisseur Society Records has already been selected as a "recording of special merit" by Stereo Review Magazine. Other recordings by Morton Estrin include the FOUR BALLADES and FANTASIE IN F MINOR by CHOPIN and WORKS OF MEYER KUPFERMAN (two albums).

Admission for this concert is by ticket which are free and available at the library.

Music Scholarship Fund Concert, Dec. 18

A concert for the benefit of the Hicksville High School Music Scholarship Fund will be presented by the schools' Concert Band and Symphonic Wind Ensemble on Thursday, December 18th.

Of special interest will be the featuring of four clarinet players; Mike Pekar, Bill Madden, Charles Giancola, (all seniors) and junior Claude Weinberg.

The concert will be held in the Hicksville Senior High School auditorium at 8:30 P. M. Admission will be \$1.00 with the proceeds going to the Music Scholarship Fund.

Give A Book

"Give a Book for the Holidays" is the title of the latest annual list of books suggested for gift giving this holiday season. Available at your public library, it was compiled by the Nassau Library System from selections of the best of the past year's publishing output for children, young people and adults. Titles included will be available in most book stores and book departments of department stores.

The gift of a book to suit a particular taste is a thoughtful one of lasting value for its personal touch. You may find just the right title for that person who has everything or use the list to supplement your own reading diet.

Stop in for your copy at the Plainview-Old Bethpage Public Library at 999 Old Country Road in Plainview.

Winter Weather Wise

Winter time is a time of trail and worry for many motorists and highway accident experience tends to justify the driver's uneasiness.

Can anything be done to help neutralize the countless hazards facing a driver during winter months? Let us review some precautions that any well trained driver takes to offset weather hazards:

- Keep the vehicle (truck or automobile) in tip top condition. A critical check is appropriate for each operating unit. Better still, have a qualified expert test each automotive part that will affect winter driving and operating safety.

- A proper place to begin this examination is the battery. Be certain it is fully charged, in satisfactory working order and that cable connections are clean. In addition, is the radiator prepared for winter frost?

- Brake failure occurs in passenger cars, at a rate of about one in seventeen; trucks, one in thirteen. Be sure that the brakes are fulfilling their function. Adjust or replace them if their condition warrants. Do not be indifferent. Remove the wheels and check drums, lining, etc. etc.

- Because winter weather usually requires closing of vehicle windows, be certain that the exhaust system is investigated and functioning to your satisfaction. Last year, more than 800 people died from car exhaust gas. A damaged muffler or a leak in the system, allows deadly fumes to penetrate the vehicle, endangering each occupant's life.

"BE A DOLL - BUY A DOLL" is the 1970 slogan for the Hicksville March of Dimes, says Rudy Bouse, who will for the eighth year head the popular drive.

This year his co-chairman will be Chester H. Spinek, Manager of the main office of the Long Island National Bank, Bank President, William E. Koutensky, has graciously made available the main office as headquarters for the 1970 drive.

In keeping with the holiday season and to emphasize the drive, more than 20 varieties of stuffed dolls will be on display daily at the bank and available for a donation of \$1.00 each.

Proceeds will be used to continue the fight against the No. 1 health menace - birth defects. Over 250,000 children are born yearly crippled in mind or body, and it is now the goal of the March of Dimes to conquer this dread disease just as it did polio.

Other places selling for this worthy cause will be at your "Friendly Tavern".

If any business or industry would care to have some of these dolls for sale at their places, please call - CHESTER H. SPINEK at 931-0100 or RUDY BOUSE at 931-2086.

Jerry Spiegel Predicts

A leading Long Island builder has predicted a dramatic attempt on the part of developers to stabilize "runaway" construction costs before the end of 1970.

Jerry Spiegel, president of Jerry Spiegel Associates, of Hicksville, believes that the unprecedented rise in the cost of construction, both locally and on a national level, has finally reached the point where builders are now forced to seek out new materials and new methods of construction.

"Before the end of 1970," Spiegel asserts, "builders will be using materials they never dreamed of using a few years ago in order to keep building costs at a stable level."

The construction executive noted that the cost of labor and materials for his industry rose a record 7.5 percent in the year ending September 30, 1969, to achieve the highest yearly rate of increase since 1946.

While he believes all types of development will eventually undergo tremendous change, he predicts initially most of the innovations will take place in the commercial and industrial areas. Among the new materials Mr. Spiegel says will soon gain prominence are:

- (1) Plastic plumbing in place of copper and cast iron plumbing, and plastic air vents instead of traditional venting.
- (2) Steel studding instead of wooden studs. Although already being used in partitioning, steel studding will have a much larger application in the months ahead. One of its major benefits is the elimination of warping.
- (3) Precast reinforced plastic

panels instead of precast concrete panels for building exteriors.

(4) New mass produced exterior finishes such as plywood panels of aggregate stone chips.

(5) Reinforced vinyl doors in place of wooden doors. Already in use in some supermarkets, vinyl doors are virtually unbreakable.

(6) Breakproof plastic windows instead of glass windows. This new type of window is already proving extremely successful in schools.

According to Mr. Spiegel, the use of prefabricated, mass produced materials and forms is an inevitable trend in the coming years for builders and developers. He said that his firm expects to shortly use many of the new materials previously mentioned on both new industrial and commercial projects.

Congratulating Boys State representative, Donald Massey, are Commander George Durante and Americanism Committee Chairman Richard E. Evers at the last meeting of the Charles Wagner Post 421. Mr. Massey, Hicksville High, athlete and scholar, reported to post members of his experiences at the American Legion's mock government program at the State University at Morrisville.

LAWRENCE C. COREY, right, is one of the first to receive the new edition of a Handbook provided by the Nassau Tuberculosis and Respiratory Disease Association to help orient the new tuberculosis patient to the hospital regime. It highlights sterile precautions, the importance of chemotherapy, and participation in rehabilitation programs to enable the patient to return to the community as a useful citizen. Paul H. Diamond, M.D., Chief of the Plainview Division, Meadowbrook Hospital, listens in as Social Services Secretary Anne Sinclair, of Old Bethpage, offers assistance in solving the personal problems of his patient.
