Herald Report School District 17 Hicksville

by Shirley Smith

What began as a rather quiet, apparently short School Board meeting Tuesday night, took on a "new look" later in the evening. After a lengthy executive session, the Board of Education accepted Administration's recommendations for the termination and resignation of district personnel, as well as hiring of replacements.

Controversy centered around the dismissal of a non-tenure Junior High English teacher and the resignation of an elementary teacher at Burns Avenue.

Voting was not unanimous on either issue. Board member Harry Kershon voted against both the termination and resignation, with Thomas Muratore abstaining on the two votes.

After the voting, the public was given an opportunity to air views on the Board's action. Petitions in support of their teacher were presented by a representative of a group of Junior High students. Concerned parents also voiced opinions against the Board's action.

Other resignations, replacements and duty assignments recommended by the Superintendent's office were accepted unanimously.

Further controversy developed over books which were required reading in Sophomore English classes at the Senior High. The Board is concerned, as are

parents, over the language used in some current literature. But it does not wish to become a censor and deny the students of our district the opportunity of enlarging their own reading experiences, in a beneficial manner. George Jackson, Board president, stated, "It is the Board's intent that appropriate literature be distributed at all levels." Some books, therefore, have been re-evaluated and the School Board has decided they can be utilized more effectively at the Senior class level, as part of a supplemental reading list.

The Board accepted a request from the Guidance Department at the High School for postage money. The Department plans to send a questionnaire to recent grads and drop-outs, asking what value their Hicksville education has been to them, where it has failed, etc. The suggestions received will be used in possible curricula changes.

Thomas Muratore announced he would like to form a citizens' committee to gain information in guiding him to make proper decisions, as a Board member. Mr. Muratore is serving his first term as a trustee. He invited all Hicksville citizens and members of the professional staff of the district to contact him if they are interested in serving on this committee

Permit For Parking Facilities Denied After Major Protest

Exclusive to the Herald
By Nassau News Service

About 150 residents with a Westbury post office, but Hicksville schools and shopping, appeared at the public hearing of the Zoning Board of Appeals on Thursday evening, January 8th, to protest the petition of Jerry Speigel to "construct and maintain an off-street parking facility" on two adjacent lots off Cantiague Rock Road, 1,713 feet north of West John Street, Hicksville. The petition was denied at a closed meeting of the Board after the public hearing.

The lots, said residents, are on "conditional purchase" from a Mr. Spinner, who owns the three lots which separate these two from Cantiague Rock Road. The other three lots are occupied by houses of long standing. The two lots in question about on the property of Compal, an industrial firm, which, according to Hicksville attorney Julius Schwartz, wishes to use the property for additional street level parking.

The petition, presented by Hicksville attorney Julius Schwartz, concerns two interior lots, now vacant land, to be served by a private driveway from Cantiague Rock Road. He stated that when the plant, Compal, was built, parking was then sufficient, but that "now that it was in operation," more parking space was needed. Raymond Schoepflin, chairman of the Zoning Board, asked Mr. Schwartz how many cars could be parked in the present parking facility. Mr. Schwartz said he did not know. Residents said the current parking lot accommodated 109 cars.

The Zoning Board construed by the map that approximately 90 cars were accommodated.

Joseph A. Giordano, of nearby Marshall Lane, who is with the government of New York State in the office for local government, cited the 1966 Town Board decision whereby the property currently owned by Compal was rezoned from Residence B to Industrial H. He said that approval of this petition would

About 150 residents appeared at the public hearing of the Zoning Board of Appeals to protest a petition for an off-street parking facility near Cantiague Rock Road, Hicksville. Organizers of the protest included (L. to R.) Mr. and Mrs. Lawrence Wolfson, Mr. Joseph A. Giordano, Mr. Stanley Meltzer, and Mrs. Alan Ackerman, all residents of nearby streets.

make the subject property industrial, and called it a request for "spot zoning."

He pointed out that in the 1966 decision the vacant land now in question was considered a "buffer zone" between the then subject property and residences. He showed a copy of the minutes of a meeting on hearing May 24, 1966, quoting an attorney Holman as saying, "Those five plots would be a buffer plus the fifteen foot lane, which would be about 172 feet at the narrowest point on the west."

Lawrence Wolfson, an attorney and a resident of Barry Drive, said he represented over 300 residents, and called this petition the "insidious expansion of industry in this residential area." He showed pictures of parking at General Instrument Corp. and a picture of "beautiful Compal." He pointed to a garbage can in front of the building. He called this the "chipping away of the beauty comfort, and residential character of the neighborhood."

According to Stanley Meltzer, who says he is directly across the

street from the subject property, this parcel was "required to remain an unimproved piece of property" as a buffer zone in the 1966 agreement. Mr. Morton Brandt, of Barry Drive, brought out the same point.

Mr. Meltzer stated that the traffic was very high in this industrial area during the rush hours, and that some streets were being used as a "drag strip." He said that a 7-year-old child had been struck by a car during these rush hours a few days previous as the child was crossing the street to enter Cantiague Park. He felt that any increase in traffic would provide increased hazards to children.

Mrs. Doris Ackerman, of Barry Drive, said that the homes in this area were "among the prettiest" in the Hicksville vicinity, and that they were being ruined by this industrial growth. When she has guests, she said, she directs them another way so as not to show them this industrial street.

Mr. Giordano said he believed Compal has a petition filed to erect an industrial building, and would like all facts considered before a decision is made.

Major Citizen Protest Against Jericho Downzoning Bid

Exclusive to the Herald
By Nassau News Service

About 150 citizens, complete with placards, some squalling babies and a "well organized protest campaign," according to Supervisor John Burke, were present at the Oyster Bay Town Board meeting on Tuesday, January 13, to protest the application of David Levine, William Greenberg, et al., for a change of zone from Residence C to Business G District for an 11-acre parcel of land on the South Side of Jericho Turnpike 250 feet east of Merry Lane.

Residents protesting the downzoning were from the Birchwood Park residential development, with homes at a market value of about \$50,000, which abuts onto the subject property. The property is

presently occupied by the buildings and facilities of the Jericho Country Club, which had

leased the property from the owners of record, named above. It was said the lease had been

bought back from the Jericho Club.

Attorney Irving Cohen, of Hicksville presented the petition, representing Maurice Gruber, of Max Gruber Associates, real estate and acreage brokers, who in turn he said, represented the owners. Mr. Gruber's connection with the matter was questioned during the hearing by Presiding Supervisor John Burke. One of the residents later said he believed Mr. Gruber owned the lease on the property.

In presenting the petition, Attorney Cohen proposed a hypothetical building which he emphasized was not exactly, or perhaps anything like, the building which would go up if the petition was granted. The hypothetical building was 35 feet high with floor space of 200,000 square feet. He pointed out that each resident whose home was abutting on the subject property had been decided at a previous time 25 feet off this property for use as a buffer. In addition, he said that the petitioners would leave 20 feet around the proposed

1,000-car parking lot as an added buffer, so that no house would be closer than 250 feet to the proposed building.

Attorney Cohen said that if the Town Board wished a wider buffer, the petitioners would agree. He also said that the library, adjacent west of the subject property, would be permitted to use the subject property's parking facilities in "non-business" hours, and that a buffer strip and planting would be provided for the library if necessary.

Amos E. Gloster, of Gloster & Gloster Architects, Rockville Centre, who had prepared the sketch of the building and property, said that the roadway to the sump on the rear constituted a buffer strip, and that there would be 20 feet in addition to that. He stated that the total land area was 485,000 square feet, and that the building would cover less than 15 per cent of that area.

Best wishes for success to Hicksvillian Jim Cummings who now has his own business and is "Minehost" at the Hicksville Villa Lounge and Restaurant located at 129 North Broadway on the corner of Lennox Avenue.

Ben Bimstein Wins Again

Last Sunday, the cover page and centerfold of the color rotogravure section of the New York Daily News featured the exquisitely beautiful food displays at the famed "World Series of Culinary Art" - the 101st Annual Salon Exhibition of the Societe Culinare Philanthropique at the National Hotel Exposition at the New York Coliseum.

The displays chosen to represent this important coverage in rotogravure were that of the Hotel Americana (on the cover), the Waldorf-Astoria, the Culinary Institute of America, the Knickerbocker Restaurant of Albany, New York's Eclair Pastry Shoppes, and the "Kissin' Fishes" in tallow by our own Ben Bimstein of Plainview, banquet manager at the Golden Meadowbrook of Jericho, and owner of American Ice Sculpture Co. of Plainview.

The display won first prize for Buffet Centrepiece against international competition, and there is some drama to the story. Ben was chosen to set up the

buffet representing the Long Island contingent of 20 of our leading chefs. Being very busy with catering and other sculpture assignments, the job of centerpiece creation was given to another chef-artist, who became ill at the last moment. Mr. Bimstein catered his parties, and then worked two nights without sleeping, with hot tallow so that Long Island would be adequately represented against "gold coast" competition. The sculptures completed and still warm, he brought them to the Coliseum at 6 A.M., and set them up with the other culinary displays on the Long Island table. The table won 19 awards, among them many first prizes with felicitations of the jury. The awards were presented on TV at the Hotel Delphonic, by the Consul Generals of France, Italy, Germany, and Austria.

And Ben Bimstein was surprised by fellow Rotarian, Dave Sands on Sunday morning, who called him and told him that his "Kissin' Fishes" had made the Rotogravure of the Sunday News.

Dear Friends

IN ALL OF OUR TOWNS adult education is a most important function and is answering a definite need in our communities. At this time of the year most areas hold registration for the coming term. In Hicksville, School District 17 registration will be held for four days - Monday Jan. 19 through Thursday Jan. 22, from 7 to 9 p.m. in the cafeteria of HHS on Division Ave. Classes start on Monday Jan. 26. Brochures describing all courses available have been mailed out to every home in the district. If you wish further information phone the adult education office after 7 p.m., WE 5-9421, and they'll be glad to help you.

The second semester of adult education offerings by LI Lutheran High School is also registering at this time. Many fine courses are being offered at this High School which is located at 131 Brookville Rd. in Brookville. You may phone Mr. James J. Juergensen, Director of LHS Adult Education Programs at MA 6-1700 for further information.

The Board of Cooperative Educational Services (BOCES) also offers courses for adults wishing to advance their employment skills for trade and technical courses. Their registration takes place this week at 36 New York Avenue in Westbury, with enrolled courses scheduled to begin the week of Feb. 2. Phone them at 997-8700 for information on this technical courses which include automatic oil heating, automotive technology, building technology, commercial food trades, cosmetology, data processing, electrical and electronic technology, graphic arts and photography, horticulture, appliance servicing, mechanical technology, dental and medical assisting, refrigerating and air conditioning, school maintenance and operation, welding and needle trades.

If you live in Plainview-Old Bethpage, Central School District 4, phone the Adult Education Dept. at 938-5400 Jericho School District residents may phone 681-4100 for information in their district.

So much for current adult education information. These are excellent programs and we are pleased that they are growing so rapidly all over the County, for obviously, they are answering a great need.

SPEAKING OF CONTINUING NEEDS, we had hoped to call a meeting of all community leaders and other interested and concerned citizens of Hicksville, including the presidents of all organizations, this month, to form a Hicksville Community Council in order to discuss community projects and problems and return to our organizations with the results of such information and discussion as often as this may be necessary. However, January is already half over... so, we have changed the date to Thursday, Feb. 5th at 8 p.m. at the Hicksville Library and cordially invite any of you who are interested to join us. These are tremendously important times for Hicksville and the Town of Oyster Bay. Such a Council will unquestionably be able to serve constructively in many ways. We'll remind you of the date each week until then, but why not put it down on your calendar right now and join us? Hicksville can't have too many citizens concerned about its future.

Sincerely,
SHEILA NOETH

Republicans Install

The Friday January ninth meeting of the Ernest Franke Republican Club featured a speech by the new Supervisor of the Town, John W. Burke as he installed new officers, as well as the hosting of the Peggy O'Connor School of Dance for a performance.

The first meeting of the Seventies saw great innovation in the club. The new officers of the year 1970 were sworn in by John W. Burke, the new Town of Oyster Bay Supervisor, sworn in but nine days earlier. The new officers: Bill Maher, President; Bill Buchman, First Vice President; Alex Pankoff, Second Vice President; Bob Jackson, Third Vice President; Lydia Zebertovich, Recording Secretary; Henry McInnes, Treasurer; Bea Jeanson, Corresponding Secretary; Stan Weiss, Sergeant at Arms; and Bill Gaborow as Publicity Director, with Julius Schwartz, Dominick Pallidino, Catherine Murphy, Francis Anderson, and Bernard Wesnofske as members of the Board of Directors heard Burke speak about the present problems of waste and environmental pollution which must be handled by the Town government now and planned for in the future, as well as making sure that all club members and citizens know how to help, as by calling in complaints about garbage pick-up (of which Burke has received 111).

During the business part of the meeting a number of new innovations were made in the club structure itself. Bob Jackson, membership committee chairman for the past three years, during which the club's membership rose over the 1,000 mark, stepped down, with Charles Lynch taking his place. Steve Scaring replaced Alex Pankoff as Program Chairman. Pankoff became head of the welcoming committee for new club members and residents of Hicksville. Dom Pallidino was named to head this year's cocktail party, scheduled for May 15. A new system of presiding at the meetings was announced in which the Vice Presidents will upon occasion chair club meetings. Jerry Trota,

Jericho Republican Club Adopts New Resolution

The Jericho Republican Club had a meeting held January 7, and unanimously adopted the following resolution:

Be it resolved that the Jericho Republican Club hereby urges the Town Board of the Town of Oyster Bay to uphold its right of self-determination in zoning, and to resist any improper zoning demands of any pressure group; and be it further

Resolved that the Town Board continue to plan our zoning in the Town to maintain our suburban residential atmosphere blended with a proper balance of commerce and industry to broaden our tax base, and be it further

Resolved that steps be taken to implement this resolution by urging all residents of Oyster Bay, regardless of party affiliation to join us in this crusade to demonstrate to the Town Board the overwhelming sentiments of our taxpayers in support of this resolution.

Dr. Martin Lawrence of Jericho has been appointed chairman of the Club's Political Action Committee and will be in charge of the implementation of this information. Petitions will be prepared and mailed to the Democrat, Conservative, Liberal and Republican Clubs in the Town of Oyster Bay. Petitions will also be forwarded to other interested citizen groups as well as individual volunteers.

William Maher

Hicksville's Republican Leader stated that the Republicans will take back full control of the county with the election of Ralph Caso as County Executive in the November elections. The County Republican Cocktail Party will be February 15 of this year. Bill Gaborow made a report about the progress of his Flag Day resolution which would make Flag Day a state and local holiday.

Alex Pankoff made his final appearance as the Program chairman introducing Peggy O'Connor's School of Dance which featured a wide range of excellent performances by her pupils. As Solo Twirler: Debbie Sewandowski; Solo Acrobat: Maria Cialdella; as solo singers Bonnie and Sharon Good; acrobats Maria Cialdella, Paula Szabado and Marilyn Lombardo; as Starlets Mildred Bencivenga, Jane Cane, Robin Gould, Mary Ellen Fuoco, Dorothy Vesey, Liz Rosen, Nancy Mangles, Bonnie Good, Sharon Good, Patti Koenecke, Patti

Flag Day-- Legal Holiday Or Not?

By William Gaborow

On June 14th 1777, the Second Continental Congress in Philadelphia adopted a resolution. It read: "Resolved: that the flag of the United States be made of 13 stripes, alternate red and white; that the union be 13 stars, white in a blue field, representing a new constellation." Thus, a new flag of a new nation was born.

Since the anniversary of the adoption of our stars and stripes, Presidents of the United States in past and present years have, among other things, honored the flag by proclaiming June 14th, Flag Day per se or by proclaiming Flag Week during the month of June.

Yet, despite this reverence for the National symbol of our Country, Flag Day has not been declared a National or State Holiday (except in the State of Pennsylvania, 1937). The national symbol of freedom demands respect from every American.

A recent United Press International news release

reported that five Americans faced nine months in jail for defiling a Spanish flag. The prosecutor in the court said one of the youths waved the Spanish flag and dragged it on the ground during a fiesta parade. A U.S. state department spokesman noted "the Spaniards take that sort of thing very seriously." Fortunately Spanish officials were convinced that the action of the Americans was "not intended as a deliberate insult to the flag but, rather, the result of their exuberant participation in the local fiesta." Their sentence was ultimately reduced to the three months they had spent in jail prior to the trial.

Ironically, in the United States American youths, who, dedicated to some dubious cause or movement seem to find it necessary to publicly desecrate and burn the United States flag in full view of an audience. In 1968, a federal law provided penalties up to a year's imprisonment or \$1,000 fine or both for publicly desecrating the United States flag. There has not been any report of such imprisonment or fine for this ignominious treatment of our National symbol.

More recent is the news report of a Transit Authority Patrolman who wore a small U.S. flag pin on his uniform cap while on duty. The N.Y.C. Transit Authority issued orders to its police not to wear these emblems on their uniforms, but the Patrolman refused to obey the order. This started a test case to challenge the Transit Authority's right to forbid this patriotic act. If the kooks, Communists and hippies can wave the enemy Viet Cong flag at anti war demonstrations then it is surely lawful to display the U.S. flag in an orderly way.

White House Press Secretary Ronald L. Ziegler told newsmen, "The President feels very

strongly that every citizen has the right to display the American flag in a respectful way and that the display on a police uniform is a respectful display of the flag." Surely the Transit Authority should have respect for the wishes of the President and the flag.

Just what is our flag and what does it mean to us??? Sidney L. DeLove's article "Can we wave the flag too much" (Mid-Island Herald Nov. 13, 1969) summed it up nicely when he wrote "Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, The Merrimac, Wake Island and Korea? Lest we forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth, and Davy Crockett (Flag on the moon)? The great event(s) of our past and present (and future) are wrapped up in our flag." If this is waving the flag too much? Do you know a better flag to wave?

It is now high time we rekindle that spirit of our forefathers who, 193 years ago, honored and revered our nation's banner so much, they gave their lives in defense of "Old Glory".

On August 8, 1969 the Hicksville Republican Club unanimously passed my resolution that flag day be made a National and State Holiday. I was appointed as committee of one to see that this resolution got into the hands of our legislators, both Federal and State. Some 100 copies of this flag day resolution were mailed to both Federal and State government representatives including the President, U.S. Senators, Congressman, State Governor, State Senators and Assemblmen. In addition I mailed this

Ramblin' Rose

By Rosemary Walsh

I guess your house was like ours last Sunday--all meals, liquid refreshments, and social plans were geared "round one event, that spectator form of recreation, "The Super Bowl." It really was a marvelous game--I thought--but remember I'm a Jet fan so I was rooting for the A.F.L. Chiefs. (Loudly, I might add as Jim my spouse will attest to!)

We are getting ready for our

Second Annual Poetry Festival, by the time you read this it will be over. However, I'm sure it will have been as well received as last year's.

I'm also readying for my pre-dawn rise on Saturday for our Junior High Ski Trip, (this is trip No. 3 for the year and it's, only January.) By the way this trip is fully subscribed almost a week in advance. The next (No.4) for the

Senior High Students is on January 24 and we are more than half filled for this one. You know before this snowy winter is over I may still not be an advanced skier but an iceberg, yes!

Speaking of ice, the Hicksville North Stars are at it again. Chamainde managed a 3-3 tie while St. Marys went down 5-3. Mahlstadt, Freedman, Andersen, Effinger, and Schink played important roles in the defense of the undefeated record.

Now and then I've talked about the many people who contribute so much, in their own small way, to our community. I told you about people in the community who serve in many capacities both in the school structure and in local organizations. There are three gentlemen that are critical to our communications system. Jim Moakley, Frank Schramm, and Stan Sakadinsky quietly and efficiently see to it that contact is kept.

Jim, Frank, and Stan receive, sort, distribute, and redistribute all inter-school, intra-office and United States mail to all 10 schools plus the Annex and the Administration building. While Frank (A.M.) and Stan (P.M.) are off on the merry-go-round, Jim personally chums all board materials, memoranda, flyers, and metered postage by the thousands. And you know, you never met three more pleasant guys--always a smile and always so cooperative even in times of rush and emergency, and round these parts that's common. Well, fellows, we loves ya and appreciate.

I shall ramble off first to poetry then to my skis--I ought to be able to combine those two and make at least a mild attempt at a Robert Frost--

DR. KHALIL NASIR. Professor of History and Political Science at C. W. Post College addressed the Jericho High School International Relations Club in December. His lecture, appropriate to Human Rights Day, was entitled "U.N. At The Crossroads".
 Dr. Nasir is especially qualified to discuss this subject since he has served as Secretary to the Pakistani Delegation to the U.S. In addition he has served on delegations to the World Religions Congresses in various countries, the famous Bandung Conference and has been to the various troublespots of the world, including Viet Nam, Korea, The Middle East, Germany, and East Africa. He was a past president of the Ahmadiyah Movement in Islam, a Director of the American Fazl Mosque and editor of the Muslim Sunrise Quarterly.

Now an American citizen, Dr. Nasir is one of the most popular professors on the Post campus. His specialty is Middle Eastern and African politics.
 Dr. Nasir was thanked by president, Paul Klein, who also expressed appreciation to Mrs. Helen Burgh, advisor of the club, and Mr. Paul Planzer, Assistant Principal, who is also an associate of Dr. Nasir's at C. W. Post College.

Ten Pin Talk

by Henry Dockswell

The absence of a last ditch battle for the First Half Championship took some of the edge off our last night but you can bet your boots that the Champion Leo Geysers were glad that they clinched the title last week. They had knocked off the 2nd place Julie Gershens last week but this week, Position Night, the Gershens turned around and clobbered the Champs with an 11-0 defeat. They wound up just two points behind the Geysers but they were one week too late. Cap't Geyer was busy though. He cracked a 223 and a 204 for a pretty 600 series but it didn't help his Champs for the Gershens, led by Freddy Rothman's 211, were just too good that night.
 The fight for 3rd place was settled when the Milt Hoffmans, just a 1/2 point behind the Bill Kellermans', smacked them with an 8-3 defeat and captured the 3rd place trophy.
 As previously announced this last, of the 4 nights of extra prizes, was a team prize. The team scoring the highest 3 game series would receive five gift certificates to Lorrys, one for each man and each worth \$10.00. No sooner did the announcement ring out over the P.A. system than the Herb Brodys started sniffing the green smell. Sid Lang smashed a 234, on his way to a 609 series. Jerry Leight rapped a 215 and Capt. Herb (beard and all) rapped a 200. They amassed a 2636 series which was plenty good enough to win the gift certificates.

FIRST HALF FINAL STANDINGS

	Pts.
1st Leo Geysers	120
2nd Julie Gershens	118
3rd Milt Hoffmans	114
4th Herb Brodys	109 1/2
4th Bill Kellermans	109 1/2
6th Sid Sachs	107
7th Sid Holtzmans	106
8th Murray Kowlowitzs	100 1/2
9th Irv Simes	99
10th Hy Shapiro	97
11th Bill Sussmans	96
12th Bernie Kaplans	94
13th Lew Marks	93
14th Ralph Diamonds	92 1/2
15th Norm Neys	88
16th Milt Goldbergs	87
17th Sid Simons	77
18th Red Karbels	72

Here are some of the other men who distinguished themselves on the last night: Bernie Leiberman 225, Irv Simes 213, Sid Holtzman and Alex Urbont with a 208 each and Sid Simon 200.
 At this point Buddy Flanders leads with a Hi Average of 186, Mike Hauptman has Hi Series with 636, Phil Wasserman has Hi Game of 255 and Herb Brody has Most 200's with 12.
 Now starts the race for Most Improved Bowler and don't forget that the last 4 weeks of our Second Half, once again, there will be prizes given out.
 And for the most exciting innovation of all we will have a one game playoff between the First and Second Half Winners for the Overall Championship.

Author Of Robert Kennedy Book Will Speak At Syosset Hi

Jack Newfield, author of Robert Kennedy: A Memoir, will be at Syosset High School Auditorium, Tuesday, January 20th, at 8:30 p.m., sponsored by the Village School P. T. A.
 Mr. and Mrs. William L. Kennedy, program chairmen for the evening, announced that Mr. Newfield will conduct an open forum on current political and social issues.

In addition to his above named best-seller, Mr. Newfield is Assistant Editor of the VILLAGE VOICE in New York City. In 1966 he published A PROPHETIC MINORITY.

Free-lance articles by Jack Newfield have appeared in numerous periodicals, including Life, Partisan Review, and The Nation.

Parents, teachers, and students throughout the district are invited to attend what promises to be a stimulating, relevant, and informative evening.

Donation for Adults is \$1.00 and for Students .50.

Novel Sermon Topic At Temple Or Elohim

At the Temple Or Elohim Sabbath Services on Friday night, January 30th, Rabbi Rose will have as his sermon topic a discussion on the provocative novel by -Chaim Potok, "The Promise".

This novel, which is a sequel to "The Chosen," projects the religious Jew into the modern American scene. Such questions as: Is God Dead, The Struggle Between Faith and Reason, and The Search for Jewish Identity, lie at the heart of the novel.

The public is cordially invited to attend and Rabbi Rose will be glad to entertain questions at the OnegShabbat.

Hadassah To Meet

The Jericho Chapter of Hadassah is holding their next general meeting on Wednesday, Jan 21st, at the Jericho Jewish Center at 12:30 noon. The topic of discussion will be Life Membership and refreshments will follow.

30 At Jericho Hi Win Regents Scholarships

The New York State Education Department announced the names of those high school pupils who have won Regents College Scholarships this year. These scholarship awards are effective with the 1970-71 academic year.

Jericho High School winners are: Paul Altesman, Peter Berg, Elizabeth Bernstein, Robert Canter, Catherine Cevoli, Leslie Chaikin, Robert Chironna, Ellen Cooper, Thomas Edlind, Roger Green, Jon Harmon, David Janower, Paul Klein, Mitchell Koffler, Sharon Lerner, Richard Levine, Samuel Nagler, Ruth Nerken, Scott Olin, Michael O'Neill, Larry Pepper, Martin Schell, Barbara Schneider, Lyon Silber, Scott Singer, Mitchell Tobias, James Walker, Toby Weintraub, Richard Wender, Jane Weston.

Jericho seniors named as alternates are: David Aledort, Stuart Birbach, Elliot Burtoff, Steve Doris, James Eisenstein, Faith Forman, Jeffrey Freedman, Robert Hahn, David Katz, James Kirk Paula Libes, Richard Lufano, Robert Maufroy, Meredith Ringler, Barbara Sadick, Aimee Schachter, Louis

Silverblank, Gale Simpicio, Richard Sirota, Diana Sugarman, Michael Wallach, Wendy Weisman, Cherie West, Anne Zysk.

The excellent results achieved by the above named seniors represents almost 20 percent of Jericho's graduating class.

The basis for awarding scholarships is the score in the Regents Scholarship and College Qualification Test, a six hour test administered annually to measure high school achievement and general academic ability. Approximately 180,000 candidates in 1200 high schools took the examinations in October.

Each Regents college scholarship entitles the recipient to an award of \$250 to \$1,000 a year, depending upon family income, for up to five years of study at a college or hospital school in New York State. Scholarship winners may also receive scholar incentive assistance of up to \$600 a year.

In the event that a scholarship winner declines the award or attends school outside New York State, the scholarship is offered to the highest ranking alternate in the county.

Rally Slated January 25 To Protest Shift In US-Israeli Policy

A rally to protest the recent shift of State Department policy which indicates an imposed settlement which would reduce Israel to the same status which prevailed before the June war, will be held on Sunday, January 25th at 2 P.M. at Temple Or Elohim, 18 Tobie Lane, Jericho.

This rally is being sponsored by the following congregations in the North Shore area. They include: North Shore Synagogue, Jericho Jewish Center, Plainview Jewish Center, Midway, East Nassau, Bethpage Jewish Center, Beth Elohim, Hicksville Jewish Center and Temple Or Elohim. In addition, various other Jewish organizations including Hadassah and Pioneer Jewish Women are involved. Invitations to various prominent and communal leaders have already been extended and more details will be forthcoming. People are urged to bring their own stationary and write protests to President Nixon, Senators Goodell and Javitts and their congressman. As has been pointed out, the oil interests are lobbying constantly for a change of American policy.

"We invite all Christians and Jews and men of good will who feel that the democratic State of Israel should continue to exist to join with us at this rally," said a spokesman for this program.

Hicksville added another pelt to its rather embarrassingly long string of successes against Farmingdale, 72-56. The Comets were obviously looking ahead and it was not a stirring or artistic performance. It was good enough for a second straight league victory and the sixth of the season.

The Orange was a bit red-faced at halftime as it had only a 32-27 lead. Don Massey dispelled any Daler chance of victory in the third period as he dominated the boards and the Massey-Joe Zuckerman-Rich Berg scoring punch built a big lead.

The Hicksville goal is Friday night. The Comets go to Syosset to face the Number one rated Public High School team in Nassau County. Coach Buddy Byran has yet to notch a win over Syosset and this year's chances have been tabbed impossible.

There will be no advance sale for tickets to the game. They must be purchased at the gate the night of the contest. Hicksville Athletic Director attempted to secure a block to prevent any disturbance at the gate but Syosset officials refused to see the wisdom and sanity of the advance sale procedure.

The suggestion is to get to the Syosset gym very early.

There will be a varsity wrestling match preceding the basketball game.

The Junior varsity game was scheduled for Thursday afternoon.

Our prediction on the impossible assignment: Hicksville 64, Syosset 53 and that is not a typographical error!

The final honors have been acknowledged by the National Association of Intercollegiate Athletics for Hicksville's Bruce Cerone for his work on the gridiron for Emporia Kansas State.

The repeat little All-American registered three career pass receiving records.

He caught 241 passes for 4,354 yards and a total of 49 touchdowns.

He broke the records of 183 yards held by Willie Richardson of Jackson, Miss., State, and 37 touchdown receptions by Leonard Scheuffer of Ottawa, Kansas, University.

The previous reception mark of 183 passes had been held by Hugh Rohrschneider of Northern Illinois.

The chapter in the Bruce Cerone story comes with the Pro football draft next month. Of them all that one holds the most suspense.

Tony Giacomaggio and

Richard Kowalchuk ignited a sullen Hicksville crowd with two rushing victories in the wrestling match against Farmingdale.

The Dalers were rolling to an impressive win before the two really sparked a Hicksville comeback.

Tony DeFendis had a pin in the 123-pound class for the only Hicksville points when the score against the Comets reached 19-5.

A 5-4 decision moved Hicksville up three points and Giacomaggio came on.

He was the aggressor as he went after his man. The crowd was howling as he stalked his prey and secured a pin in 3:39.

In the 178-pound division Kowalchuk was so fast he had a pin in 1:40 and the onlookers were in a high state of excitement.

Those pins brought the count to 22-18 with two matches left.

It placed a great burden on Alex Yannoti in the 187-pound pairings. He worked industriously and only yielded by a 6-5 verdict.

Farmingdale finally pulled out 30-18 but it was much lighter than expected.

Hicksville Int. Little League

The Hicksville International Little League will have registration on Saturday, January 24, between 10 A.M. and 3 P.M. at the Hicksville Senior High School in cafeteria B.

Boys living within the area bounded by Jerusalem Avenue on the west side, Woodbury Rd. on the North side, South Oyster Bay Rd. on the east side and the Hicksville School boundary line on the south side should register in this league. Age requirements are that the boys will be eight years old by August 1, and not have had his sixteenth birthday by August 1.

Registered boys and their parents are invited to hear Ed Kranepool of the New York Mets at 3 P.M. in the Hicksville High School Auditorium. Refreshments will be served.

Hicksville Baseball Association Registration Jan. 23 and 24

The Hicksville Baseball Association will hold a registration for the Hicksville National Little League and the Pony, Colt and Connie Mack Leagues at the Hicksville High School on Friday January 23 from 7 P.M. to 10 P.M. and Saturday January 24 from 10 A.M. to 2 P.M. in Cafeteria "A".

Although there is snow on the ground as this message is written we wish to make you aware that Little League tryouts start in 8 weeks (March 14). We want every boy that wants to play baseball in our area to be eligible for tryouts, in all divisions, by that date.

We want every boy over eight years of age to join us in the fun and challenge of baseball.

We also need their fathers for managers, coaches umpires and League Directors. We need their mothers to reorganize our Ladies Auxiliary.

The H.B.A. executive board is made up of your neighbors. We are not professional baseball people, but we have one thing in common. We like baseball and we do derive some pleasure out of trying to teach our boys the game.

So parents, help yourself to some pleasure. Join us! Our regular meetings are held at Levittown Hall at 8:30 P.M. on the third Thursday of every month.

In the coming season we expect to experiment with a Summer League.

At the end of our regular season

Saturday, January 17, 1970, from 9:30 A.M. to 1:30 P.M. at the Fire House on Old Country Road. Boys between the ages of 8 through 15 are eligible, and must be accompanied by a parent. A registration fee of \$7.50 and proof of age is required.

Albany, New York. Simply state that you favor the adopted Hicksville Republican Club resolution that flag day be designated as a State Legal Holiday.

One day in the not too far distant future, may we see once again the reverence and respect for the United States flag that was born 193 years ago by the observance of June 14th as a Legal State Holiday.

(about 1st of July) we will reform teams made of boys that do not go to camp, out of town or vacations etc. and continue play until the end of August.

We do not expect to field many teams, maybe six or eight, and Summer League will be more informal with the emphasis on teaching and just playing ball. There will be no trophies for this proposed Summer League.

Our biggest problem, we expect, will be having managers and coaches available at that time of year. There will not be any additional registration fee for Summer League.

There are a few more doings between the start of tryouts and end of August, such as Opening Day and Parade on Saturday May 2 which starts at 9:30 A.M. at rear of Old Country Road School.

Annual Summer Dance in June, at Levittown Hall.

Annual Managers and Coaches softball game in July at the Pony Field.

All Star Play starts the third week in July.

Annual Awards Dinner, Oct. 8, at Old Country Manor, Hicksville.

Hicksville is fortunate in having 3 Little Leagues. The Hicksville Baseball Association holds the franchise for the Hicksville National Little League and our boundaries are the L.I.R.R. tracks on the North, the West side of Jerusalem Ave. to the East. The School District lines to the South and West.

The Hicksville American League operates in the area North of us and The Hicksville International League the area to the East of us.

The Hicksville Baseball Association also operates The Pony, Colt and Connie Mack Leagues. These Leagues are boys age 13 through 18 and covers all of Hicksville.

Registration fees for 1970 will be \$10 for the first boy and \$15 per family for all leagues.

If you require further information please call Lou Caporale at GE 3-9328 or Ernie Sardi at WE 5-7930.

There are several openings for sponsors. Any business who would like to help the boys in Hicksville to play organized ball can have team named after them for a tax deductible contribution. Please contact Mr. L. Caporale or Mr. E. Sardi.

resolution to all Republican Governors of our Country.

The response was both overwhelming and heart warming. First, their commendation to the Ernest F. Francke Republican Club of Hicksville for patriotism. Second, their expressed desire to see that this flag day resolution was brought to the attention of their responsible committees for introduction at their next legislative session.

Resolution

Whereas, the American flag is a source of pride to all Americans, and
Whereas, June 14 is set aside each year for the honoring of our Flag, and
Whereas, designation of Flag Day as a National legal holiday will be a fitting tribute to our National emblem.
Now, therefore, it is resolved, that Flag Day - June 14 - should be designated a National legal holiday by the Government of the United States and the Government of the State of New York.

State Senator John D. Caemmerer along with Assemblymen Martin Ginsberg and Joseph Reilly will sponsor a bill in the 1970 State Legislature, designating Flag Day, June 14th, as a legal holiday for the state of New York. Messrs. Caemmerer, Ginsberg and Reilly said, "recognition of our flag is long overdue."

You as interested patriotic citizens of our county can register your approval by writing to State Senator Caemmerer, or Assemblymen Ginsberg and Reilly. Address: State Capitol,

Baroque in Hicksville

The sixteen voice Madrigal Singers and the seven member Brass Choir will join with a Chamber Orchestra and the Chorale Hicksville High School students offer an evening of Baroque Music on January 16th.

The free concert is at 8:30 P.M. in the High School Auditorium and the public is invited.

Tobay Ski Trips For Youngsters

The increasingly popular ski trips the Town of Oyster Bay sponsors for junior high school students is attracting more youngsters than ever before, according to Town Councilman Edmund A. Ocker.

"The Town has been providing two to four buses each Saturday," Ocker said. "This means that anywhere from 80 to 160 kids are taking advantage of each of these ski trips."

Ocker added that the Town will continue to sponsor these one-day sorties to the Pocono and Catskill Mountain areas each Saturday until the first week in March.

Junior high school students residing in the Syosset-Woodbury Community Park district still have trips scheduled to depart from the Town park on January 17 and 31 and February 14 and 28.

Ski trips will leave from the Southedge Junior High School in Plainedge on January 24, February 17 and 21 and March 7 for students in grades 7, 8 and 9 in the Massapequa-Plainedge school districts. Approximate departure time for all trips is 6 AM with an anticipated return at 8:30 PM.

Cost of each trip will be \$8.00 for transportation and an extra dollar for mandatory insurance fees. Equipment rental, which is optional, is \$4.00. Ski-lift and entrance fees are extra.

For information concerning these trips, contact the Town of Oyster Bay Recreation Department at WA 1-5875.

Polish Film

On January 23 both at 7:00 P.M. and 9:15 P.M. "Ashes and Diamonds" will be shown at the Plainview-Old Bethpage Library.

This Polish film is one of the clearest portrayals of a Communist Society ever made. It bares the conflict of idealism and instinct in a young resistance fighter during World War II. Directed by Andrej Wajda the film has been acclaimed by the London Observer as "a Polish Masterpiece".

Michael N. Califano of Hicksville has been appointed assistant manager in Franklin National Bank's Master Charge Department.

Mr. Califano joined Franklin in 1960. He is married and has three children.

Mattlin J.H.S. Presents Comedy

The Mattlin Players are presenting a new comedy entitled, "A Different Drummer." It will take place today, Thursday, January 15th at 8:15 p.m. in the Mattlin Junior High School Auditorium. Admission is free and everyone is welcome. This play is directed by Miss Helen Sharrow and Mr. John Ognibene. It is also being presented four times during the week for all grade levels.

NY Mets vs HHS Faculty

World champion players from the N. Y. Mets come to Hicksville High School on Saturday night, January 17th to play basketball against a faculty team. Sponsored by the Key Club and Kiwanis, this game will raise funds for a college scholarship. Key president Jonathan Tillem and his club members will be on hand at 7:30 to sell tickets - \$2.00 each. A picture taking and autograph session will follow the game.

SPELLING CHAMP: Marilyn Heller, who triumphed over seven young finalists in the Hicksville School's spell-off here watches as Mrs. Phyllis Muratore, wife of Thomas Muratore, member of the Hicksville Schoolboard, cuts a cake to honor this old-fashioned occasion. Spelling may be passe in the avant-garde districts, but in Hicksville, a twelve-year effort is made with all students to improve their spelling. Marilyn will represent Hicksville in the N. Y. Daily News L. I. Spell-off. Contestants who also participated were: James Conboy, Burns Ave., John Andrews, Dutch Lane Gerard McCrea, East St., Nora Baynes, Fork Lane, Karen Francis, Lee Ave., Patricia Caesar, Old Country, and James Landy, Woodland Ave.

Major Citizens Protest

(Continued from Page 1)

Sons, Great Neck said there would be "no increase in traffic" in the surrounding residential area.

He said that traffic to and from the building would be staggered between 8 A. M. and 10 A. M. and 4 P. M. and 6 P. M. with "very light" traffic in off hours. He pointed out that the property is near Routes 106 107 and that this major artery would siphon off much of the traffic. He noted that 22,000 cars travel daily in both directions on Jericho Turnpike at this point.

Mr. Sharsky said that west-bound traffic leaving the site could travel east on Jericho Turnpike and make a U-turn to go west. A member of the opposition later pointed out that such a U-

turn is illegal at this point. Mr. Sharsky also said that he had been in contact with the New York State Highway department, and that it has indicated verbally it would consider putting a mall opening on Jericho Turnpike at the site of the proposed building and a traffic light, if necessary. He said he could get confirmation of this in writing from the State Highway Department.

Real Estate expert William L. Edwards, speaking in behalf of the petitioners, said the proposed building would not affect property values in the area, and that the building would be virtually unseen by most homes.

He said that as residential property, the land is worth \$50,000 per acre, against \$125,000 per acre as business property, and arrived at a tax loss of \$50,000, if the property were developed residential with 33 to 34 homes. Tax revenue increases,

he said, with business development, would be about \$150,000 of which 50-60 per cent would go to the local school district.

The case for the petitioners closed, Town Clerk William (Bud) O'Keefe read correspondence, including a letter from the local school district opposing the downzoning petition.

Lawyer Peter M. Weiler, of the firm of Humes, Andrews, Botzow & Wagner, Locust Valley, opened the opposition in behalf of the Incorporated Village of Muttontown, stating that the Muttontown Village Board believed this downzoning would "destroy the residential character of the community," and had made a resolution opposing the downzoning at a meeting on January 12th.

Richard Berkenfeld, of 25 Fern Drive, introduced himself as chairman of a group of residents,

whom he subsequently introduced to speak on different aspects of the matter. Milton Boris spoke on the history and development of the area. Edward Flax, of Fern Drive, said residents had a "right to rely on zoning in the area at the time of purchase" of their homes. Mr. Berkenfeld interjected at this point the thought that the stable and undeveloped property adjacent to it nearby on Jericho Turnpike would "go next" in the direction of business. He spoke, he said, as a professional civil engineer and traffic expert.

Mrs. Elaine Bergman, of 31 Fern Drive, gave statistics supplied by the Accident Prevention Bureau stating that in the 400-foot strip of Jericho Turnpike in question there were no accidents in 1967; 2 in 1968, of which one was fatal to a youngster using the Jericho

Library; and in 1969, after only one of four office buildings had opened, thirteen accidents had occurred at this point.

Mel Tillman, of Mulberry Court, presented a petition containing 162 names in opposition, and Ralph Brotter, a licensed real estate man and builder gave figures to show that the "best and highest" use of this land is residential.

Milton Mensch, of Maiden Lane, speaking as a real estate man, said the property values were substantially lower in the vicinity of the near by Waldbaum's store by about \$5,000.

A representative of The Birchwood Park Civic Association, representing 500 members, said the association was "going on record as opposing any downzoning which would change the nature of the residential character of the community."

Adele Hirsch, of Ellen Way, whose home is behind the National Insurance Company building located on the corner of Robbins Lane and Jericho Turnpike, complained to the Board of the many problems, including burglaries, peeping toms, midnight garbage collections, and the crashing of a car through her fence, that she has suffered since the building began operation and said she does not want to see her neighbors in the same position.

Other speakers included Mr. Martin Hande, of Mulberry Court; Mr. Ted Bergman, of Fern Drive; and Mr. Elliot Spencer, of Hazelwood Drive.

At the conclusion of the proceedings, the Town Board reserved decision on the petition by a vote of 5 to 1.

Herald Report

(Continued from Page 1)

Mr. Muratore initiated a motion to have a Board liaison meet with a committee of district personnel and discuss matters other than grievances and money. The motion passed (Board members Nagle, O'Donnell and Jackson voted against it, as no definite plans were presented.) The details of the committee (guide - lines, goals, etc.) will be set up before further action is taken.

Election of members to the BOCES (Board of Cooperative Educational Services) Board will be held in April. Neil McCormack urged that Hicksville have someone as candidate. Our district has the largest number of students in the BOCES program, so we should be represented on the Board. Qualifications and requirements for this position will be published at a later date. Those interested now may contact the Superintendent's office for further information.
