Charbonnet Lecture

On Thursday March 19, the Hicksville Public Library will present Pierre Charbonnet, Hicksville's own prize-winning photographer, in another of his series of photography hints to the layman. This is the third lecture in as many years that Mr. Charbonnet has consented to do at the Library for the camera enthusiasts of this community.

Mr. Charbonnet and his family, who have been residing in Hicksville for almost 20 years, has won five prizes in the last two years in photographic competitions. Due to the demand for his services, he does not have the time to exhibit in more events of this nature.

The program for next Thursday night will be "How Professional Photographers Do

It". Techniques used by professionals will be discussed and demonstrated. Bring your cameras with you and perhaps next time you have the occasion to take pictures of special events you will achieve "almost" professional results.

Library programs are open to the public. The Library has different types of programs through the year to appeal to almost everyone's special interests.

AT FIRST BAPTIST

Rév. Spiros Zodiates, President of the widely known American Mission to Greeks, Inc., Ridgefield, N.J. will speak at First Baptist Church, Hicksville, N.Y., on Sunday, March 22, at 11:00 A.M.

Folk-Rock Service At Trinity Lutheran

There will be an original Folk-Rock Service of Holy Communion at Trinity Lutheran Church, 40 West Nicholas St. Hicksville, this Saturday, March 14th, at 7:00 p.m. This service with original words and music was written by Richard Koehnke, Vicar of Trinity. Vicar Koehnke states that the purpose of the service is: "To worship God with a form of music which is very familiar today but rarely used in worship. We may hear, see, and feel God

coming to us in ways somewhat different from those which our standard liturgies provide."

The music of the service written in the Folk-Rock idiom requires a piano, drums, guitar, bass guitar, and three female vocalists.

In addition to the Service of this Saturday, March 14th, the Folk-Rock Service of Holy Communion will be used on the Saturday evenings of April 18th, and May 9th, also 7:00 p.m. at Trinity.

PREPARATION FOR WORSHIP: Musicians and vocalists practice the original Folk-Rock Service of Holy Communion to be used on Saturday, March 14, 7:00 p.m., at Trinity Lutheran Church, Hicksville. Left to Right are: Vicar Richard Koehnke, Hicksville, piano, writer-composer of the service; Paul Walker, Hicksville, rhythm guitar; William Zucker, Westbury, bass guitar; Linda Rahm, Hicksville, and Cricket Edry, Westbury, vocalists.

Hicksville Orator In State Finals

"Distinctive honor belongs to the schools and community of Hicksville as Barry Lebowitz, the community's polished young orator, moves toward the State Finals of the American Legion's Oratorical competition."

Speaking on March 4, on Staten Island, Barry won a thrilling victory over the best high school speakers of Kings and Richmond Counties. The Hicksville High Senior, coached by Joseph Crucilla of the English Department, has been sponsored in forensic competition these last two years by the Charles Wagner Post 421 of the American Legion. He is the son of Mr. and Mrs. Harold Richtman, an honor student and an officer of his school's student government.

A winner in five contests to date, with impressive triumphs over the best orators of all Long Island and Staten Island, Barry will be competing for state honors, a chance at the national championship and a \$2500 American Legion college scholarship when he competes

on March 21, at Pittsford High School, near Rochester.

Not since Gene Nye, the Charles Wagner Post's fine

orator of 1957, who went all the way to the State Finals only to lose a close decision of judges, has Hicksville been favored with an orator of Lebowitz's ability.

In the American Legion's outstanding annual National Oratorical Contest, high school students are invited to write and memorize speeches dealing with any aspect of our United States Constitution. Delivered with out the aid of notes or amplification, the speeches must be no less than 8 and no more than 10 minutes in length. From the inter-county level of competition on, the speeches must not deviate in content, and an additional 3-5 minutes of extemporaneous oratory must be presented on Constitutional Articles chosen at random by a contest judge.

Barry has chosen as his theme, "Law and Order Through Our U.S. Constitution" and repeatedly thrills his listeners with his arresting opening, his clarity of organization and delivery and his apt choice of illustrations in extemporaneous speaking.

Rooting for the local champion at most of his competitions have been his parents; Richard Evers, Oratorical Chairman for the Charles Wagner Post; Richard Hochbreuchner, Nassau County Oratorical Chairman; County Commander Al Sarro; County officers and Dr. Manus Clancey, Supervisor of Social Studies for the Hicksville schools.

Dear Friends

I GUESS ONE IS NEVER TOO OLD TO LEARN.... Yesterday a pleasant lady whom I thought to be one of my new neighbors, came to collect, for what I thought was our local A.H.R.C. As she started to leave she said, "You don't want a receipt, do you?" I was startled. As a veteran of many house-to-house drives, we always gave receipts from a kit given to each door-to-door volunteer by the organization. So, I said, "Yes, I would like a receipt." Hastily she filled one out, with her initials, without my name on it, just my address. Then she left. From this receipt, I found that I had given my donation to the Association for Children with Retarded Mental Development, Inc. located at 114 West 30th St. in New York City. I gave cash, and I wanted to give a check, the receipt stated: "Make checks payable to Association For CRMD." The receipt also assured me that my contribution "will effectively apply your help for the mentally retarded." A Mrs. Ida Rappaport is listed on this receipt as Executive Director.

I am neither extremely rich or poor... this donation will neither "make or break me" as the saying goes... and I will still give to my local A.H.R.C. when they come around. Also I hope that this organization does help the mentally retarded children in New York City. BUT, I do think that this woman should have explained to me where she came from and not allowed me to think that she was representing a well-known local organization. Had she explained I might still have donated. But this was really done under false pretenses.

So, as old as I am, I have now learned, to ask for more details when a volunteer comes to my door for donations! As this woman is probably still in the neighborhood, this is also my advice to you.

MUSICALLY SPEAKING, this is an important weekend coming... on Friday night the HHS bands will present their important spring Concert starting at 8:30 p.m. at the High School, while on Sunday, at 3 p.m. in the High School auditorium the Hicksville Community Orchestra has an exciting program planned. This orchestra, under Hicksville Recreation, is under the direction of Charles Gause. As well as the orchestra itself, which is also a delight, there will be guest artists from the Hofstra University Percussion Ensemble with Carroll Parvis conducting. No admission charge here, either. We hope you will be able to attend... for we're sure you'll enjoy both evenings.

DUTCH LANE SCHOOL'S Pat Mannheim is scheduled to chair the seminar "School Art Exhibits-A Variety of Approaches" at the Eastern Regional Conference of the National Art Education Association in Philadelphia today through Saturday. Mrs. Mannheim is also president of the Long Island Art Teacher Association.

TWO IMPORTANT NEWS STORIES we have scheduled for our next edition are entitled "Ethics-The School Board and the Teacher" and "Qualifications Of A School Board Member".

ALSO IN NEXT WEEK'S HERALD, we have a great deal of information to bring you about the presently-forming HICKSVILLE COMMUNITY COUNCIL.

THIS IS GIRL SCOUT WEEK, and along with their thousands of friends we extend best wishes to this fine organization and all the dedicated volunteers who serve our young people.

Until next week, do your best,

Sincerely,
SHEILA H. NOETH

The following accident reports have been announced by the Second Police Precinct, Woodbury.

A three-car accident on Feb. 26 at 4:50 p.m. The accident occurred on Plainview Rd., as Frank Spinella (east-bound on Plainview Rd.) 25 South Gate, Hicksville, was attempting to make a left-hand turn into a private driveway, was struck from behind by a car driven by Warren Benzing, 40 Beatrice Lane, Old Bethpage. Mr. Spinella's car, in turn struck a vehicle driven by Thomas A. Maher of Sea Cliff, as Mr. Maher was travelling westbound on Plainview Rd. The following injured parties were taken to Syosset Hospital: Anita Com-

posto, 68, of 25 South Gate, Hicksville, back and head injuries; Theresa Bontempo, 67, of 364 Plainview Rd., Hicksville, neck injuries; and Frank Spinella, leg injuries.

A pedestrian accident occurred March 5 at 10:40 a.m. involving a vehicle driven by Evelyn M. Robert, 31 Glow Lane, Hicksville, and pedestrian Kathy Purick, 114 W. Marie St. Hicksville. It happened on Newbridge Rd. Miss Purick, who is 19, was taken to Meadowbrook Hospital, with a possible fractured knee.

On Fri., March 5, at 5:01 p.m., a collision occurred on Robbins Lane, and Birchwood Pk. Drive, Jericho, as a car driven by John E. Barnett of Centereach (south-bound on Robbins Lane) was in a collision.

Hicksville The Threshold of Change

An Ideal Town Center

Article II

This article is the second of a series of eight articles based on the 49-page brochure, "Hicksville: A Framework for the Future," published by the Nassau County Planning Commission in conjunction with the Hicksville Citizens Advisory Committee for Transportation and Development. The brochure, subtitled "Vol. 1, Survey & Analysis," will be followed by another to be published in May. Readers are invited to send in comments and queries regarding the growth and development of Hicksville as reflected in this analysis.

The joint opinion of the Nassau County Planning Commission and the Hicksville Citizens Advisory Committee for Transportation and Development is that "few suburban areas have the opportunity which challenges Hicksville. The community," say the two authorities, "stands on the threshold of becoming a leading 'suburban downtown'."

A key aspect which sets Hicksville apart from other communities in the Town of Oyster Bay is its unique location and easy access in relation to New York City, other Nassau communities, areas in Western Suffolk, and, presumably eventually, to Connecticut and New England.

In terms of location, the community lies approximately 25 airline miles from Manhattan, in northwestern Nassau County. With a population in excess of 50,000 and a variety of retail and commercial activity, Hicksville serves as a natural center of the Town of Oyster Bay. When the transportation network which serves Hicksville is superimposed, the community takes on a broader connotation. With four major east-west arteries and five major north-south arteries pumping a steady flow of traffic in and out of the community, the central business district is seen as an ideal location for regional activities. It is the transportation aspect, rather than the concentration of population, business and retailing which differentiates Hicksville from any other community in the Bi-County area.

Population Growth

Under the present zoning set-up, Hicksville's population is nearly at saturation. However, even if population does not increase substantially, the community will feel the pressures of growth in the surrounding areas. Commuters presently using the Hicksville station include residents of Plainview, Levittown, Jericho, Locust Grove, Bethpage, Brookville area, and Woodbury, as well as Hicksville. Growth in these communities will exert a strain on the Hicksville railroad facility.

Hempstead Town is at, or nearly at saturation, and North Hempstead is expected to reach Saturation by 1975. The Town of Oyster Bay, alone in Nassau, provides expansion opportunities so that saturation is not expected

until past 1985.

The increase in population in surrounding areas is expected to increase retail and commercial opportunities in Hicksville, and, very significantly, is expected to result in a demand for multi-family housing.

Multi-Housing, Commercial Expansion

Based on population projections, 62,500 apartment units will be needed to meet the expected 1985 demand, when apartments are expected to comprise 20 per cent of Nassau's housing stock.

With Hicksville's central location, pressures to locate some of the 3,000 to 4,000 new units needed annually in the central business district will increase. It is not expected that all apartments will be "zoned out" of Hicksville, since existing residents of the town and region will demand the units.

Along with the demand for apartments and the growth in the Town of Oyster Bay, pressures to expand the commercialization of Hicksville will also be felt. A decentralization to outlying areas is a trend expected for many major New York City corporations, and Hicksville may look

like just the right place to settle. From 40,000 to 75,000 new office jobs are expected to be created by commercial expansion in Nassau County between 1970 and 1985, depending upon such factors as land availability and future zoning practices.

Of the nearly 1,000 office employees presently working in Hicksville, nearly one-third are involved in the insurance business. This is a significant figure, in view of the fact that the projected bi-county employment in the insurance and business service groups is expected to more than double by 1985. If firms tend to concentrate near existing establishments, Hicksville's level of employment in these two groups could easily triple.

Railroad Improvement

The Metropolitan Transit Authority, which controls the Long Island Rail projects modernizations, including electrification of lines and purchase of high speed cars, new storage yard and shop facilities, signal improvements and streamlined trackage at Jamaica. The result is expected to be high speed, comfortable non-stop service from suburbia to Manhattan.

Closing the "comfort gap" between the train and the automobile trip to Manhattan could easily double the already heavy use of the Hicksville rail road station, the busiest in Nassau County.

Says the Planning Commission: "These forces which will affect Hicksville are regional in scope. Hicksville must react to these changes, planning the uses of land in accordance with and in close relationship to the changes which have and which will continue to take place. Having seen the disruptive changes which have affected Hicksville in the past, Town and local leaders must realize that unless proper plans are made now to guide this inevitable growth, the community will have little say in the future shaping of its development."

Ramblin' Rose

By Rosemary Walsh

You know sometimes I sit down to write to you and I seem to have nothing to say (my husband never believes that). Yet all around there is so much going on. First, I should make mention of the Hicksville Council Meeting I attended last Thursday evening in the Library. I do believe that this will become one of the most cohesive, bi-partisan, truly citizen dedicated groups that our community has ever witnessed. It was wonderful to see and hear all the various organizations that were represented voice their opinions, with genuine sincere interest in assuring the preser-

vation of a really fine community - I mean "our Hicksville."

This weekend will be busy once again. On Saturday is our Annual Girls' Tournament held at the Senior High from 9 A.M. to Noon and involving over 200 girls from the elementary schools who will participate in 3 events, Line Basketball, Cheerleading, and Mewcomb (a form of volleyball). It is judged on a point scoring of 5 for first place, 3 for second and the team scoring the highest receives a banner similar to our Boys' Basketball Tournament and a separate banner is awarded for cheerleading. Last

year's winners were East and Dutch.

On Sunday our Symphony Orchestra is having a Chamber Music Concert at the High School at 3 P.M. We invite you all to come to both these very varied events.

You remember last week I told you about a lot of winners and I eliminated one young man who deserved great praise, Neil Duncan, who was the first Hicksville High School graduate in this sport to win the National Junior College Wrestling Championship at Worthington, Minnesota. He is the son of Mabel

and Murray Duncan, he's principal of our Old Country Road School. Congratulations, Neil, bet a lot of schools are looking for you now that you will be graduating from Keystone Junior College.

Well, on that note I shall ramble to the Tournament and Concert—hope to see you there.

CAREER NIGHT AT HHS

Four Freedoms Lodge, B'nai B'rith, in conjunction with the Hicksville High School PTA, is sponsoring a Career Night at the High School on Thursday, March 19th at 8 o'clock in the evening. At this function, speakers supplied by B'nai B'rith will conduct seminars to discuss with students the qualifications necessary to pursue a career of their choice.

The type of speakers was decided upon by the students themselves in response to a survey conducted by the High School administration. This evening should prove very helpful to the students as they will hear directly from people successful in their fields exactly what is required of an individual in the pursuit of a trade or profession.

Sweeping aside all opponents, Hicksville's Richard Kowliachuk won the Nassau County 175-pound wrestling championship in the finals at Clarke High.

He won the match in the Championship bracket, 12-0, over his opponent from Herricks High.

In annexing five triumphs Rich always had a better than seven point margin in winning. In his charge to the North Shore title he pinned three opponents and shutout two others.

He now goes to the New York State Championships representing both Hicksville and Nassau County Section 8. Hicksville's Freshman basketball team enjoyed an 11 won and 3 lost campaign under the direction of Coach Marty Gensler.

The team averaged 54.3 points per game and allowed 46.8. With a 16.4 point average per contest Paul Parsons paced the scorers scoring 230 points on 95 Field Goals and 40 foul shots. Point scores following in order were: Robert Waub (132), Tom Desimone 114, John Koush 102, Richard Doolittle 63; James Schumacher 45, Robert Goldmacher 21 and Gary Gross 13.

Also George Gramaglia 11, Joseph McBride 10, Steve Sussman 10, Paul Stefek 4, Michael Copelli 2, Corey Domenico 2 and Edward Pound 1.

Desimone had a 63.1 average which was best from the foul line. The team free throwing mark was 51.8.

Gene Wexler was the club manager.

An Alumni-Faculty basketball game is scheduled for this Saturday night in the high school gym. All funds will go to an anticipated alumni sponsored Recognition Dinner for All Varsity Athletes.

Hicksville was the only community which did not honor its athletes in 1969.

Bill Luft, who starred on Ed Petro's 17-1 basketball championship club at Hicksville, coached the Locust Valley Junior High team to an undefeated season. The North Shore group ripped 10 straight wins.

There is a plan brewing for a Nassau-Suffolk All Star Football game to be held utilizing graduated seniors during August.

The Coaches Association would use the game for raising scholarships.

If arrangements cannot be made for '70 it looks a sure bet for 1971.

The Nassau basketball championship between Malverne and Carle Place will be broadcast from Hempstead's Island Garden, Saturday afternoon by Station WGBB, Freeport starting with the consolation at 1:30 P.M. Long Island Lighting Company sponsored the North and South Shore finals Tuesday and will pick up the tab for the premier game also.

NOTED the outstanding player for 1970 and acclaimed as the best center in the history of Hicksville High Basketball is (right) Don Mossey shown going up for a shot against Clarke.

Petition Denied to Food Fair

The Town Board of Oyster Bay at its executive session on

Tuesday, March 10, denied the petition of Plainview Shopping, Inc. for permission to modify restrictions which would permit the construction of a 48' x 120' extension to the Food Fair Store.

The petition was heard on January 13, 1970, and was opposed by several residents of homes abutting the property and fronting on Knickerbocker Street. The residents felt the store was close enough to their homes already, and that reduction of the roadway around the shopping center would provide a fire hazard and would also aggravate already troublesome problems of noise, lack of privacy, and snow removal.

The resolution denying application states, that, based on circumstances adduced at the public hearing and on personal knowledge of the members of the Town Board the granting of such permission would be to the detriment of residents from the point of view of noise and truck traffic and that it would "jeopardize the safety and welfare of the community and tend to have an adverse effect on the value of the property in the area." The resolution also states that "no substantial change in the character of the area (has occurred) to justify the requested modification."

HICKSVILLE LIBRARY NOTES

Are you aware of the paperback revolution? The paperback is no longer simply the symbol of rather salacious literature aimed at the lonesome traveller and sold in drug stores. When a book of repute was published, such as George Orwell's "Burmese Days", the cover would have you believe that poor Orwell was spending his days living in delicious sin in Burma. Now the paperback has not only become respectable, it has become a genuine economic force in the book publishing world. Best sellers such as "The Godfather" rush to publish in paperback form, while they are still selling well in hard covers. Many famous authors make their living from the paperback sale rather than the hard cover sale. The publication listing paperback books in print (available at the library) lists 81,000 in print in October 1969. What is significant is that this represents a 50 percent increase over 1968! Some of the titles will surprise you with their range of subject matter. "Interpretations of American Literature", "Our American Government, How it Works", "A Reader's Guide to Finnegans Wake". These and many others of an academic nature are published each year, often in original form, not reprinted. Most recent American

publications find their way to the paperback shelf. Shirer's "Rise and Fall of the Third Reich", George Plimpton's "Bogey Man", and Truman Capote's "In Cold Blood" are just a few that come to mind.

Your library has joined the paperback revolution. All the above books are available at the library and thousands more. We are in the process of setting up a permanent display of available paperbacks. This display will be on view at the Mid-Island Plaza in April, where the library will again set up an information center early in April for about three weeks. A generous sampling of materials available will be on display, reference questions will be welcome and you may borrow books from our paperback collection. All you will need is some identification or a library card. If you have not registered and are a resident of School District 17, you may register and take books out the same day. Be sure and look for us on the south side of the center, just west of Geriz. In the meantime remember that your library is the information source in the community. If you are concerned about that lawn, about where you will vacation, or what Clive Barnes said about that play you are considering, we can help you.

"The Glass Menagerie"

On March 13th and 14th, Plainview-Old Bethpage Senior High School will present Tennessee Williams' play "The Glass Menagerie" in the High School Auditorium. The play promises to be an exciting experiment in educational theater, and is being directed by Mr. Stephen Leimsider, Speech, Drama and English Teacher at the school.

A talented cast includes Gail Klein, a gifted Sophomore, who portrays Amanda Wingfield, a Southern Belle caught up in a world of unreality. Alan Skolnick, a most versatile senior, portrays Tom Wingfield, the sensitive son whose dreams carry him away

from his job and environment. Elyse Charney, an energetic sophomore, beautifully captures the painfully shy character of Laura Wingfield, while Jody Simon, a talented junior, dramatically captures the realism in his portrayal of Jim, the gentleman caller.

"The Glass Menagerie" promises to offer an evening of exciting theater to the Plainview community and educational drama unlike any ever seen at Plainview-Old Bethpage Senior High School. Curtain time is 8:40 p.m. and tickets may be purchased at the door.

ECONOMIC GROWTH IN THE DECADE AHEAD will continue at a brisk clip, carrying the U.S. to levels of output and income never seen before and not even imagined 2 decades ago.

Rising population will open new markets, and advancing technology will provide new ways to serve these markets.

But neither growth nor increasing affluence will relieve the tensions that are building up.

Through most of the 1970's, the U.S. will seethe with conflicting emotions as it strives to find answers to problems that are social and even philosophical rather than simply economic.

AFTER TAKING NEARLY 200 YEARS to log in its first trillion dollars, the U.S. economy will need only 10 more - the seventies - to achieve its second trillion.

Growth in the labor force and gains in productivity are expected to result in a 50 percent

rise in real income over the next 10 years.

This will translate into a per capita income of more than \$6,000. Ten years from now, consumers alone will be spending over \$1 trillion on goods and services.

LEADING THE WAY WILL BE HOUSING. Residential construction, now starving from lack of money, will grow fat again, doubling by the end of the decade.

The market for all housing-related goods and services - from plumbing to pool tables - should increase accordingly.

FUELING INCOME GROWTH will be a continuation of today's capital spending boom.

Although some steam may be vented in the next year or two, by and large, business investment will stay strong enough throughout the decade.

ELECTED ASSISTANT MANAGER: Jessie C. Pearson of Hicksville has been elected an assistant manager of Long Island Trust Company. Prior to joining the Trust Company in 1963, Miss Pearson worked as a sales representative for Roberts Press, as an agent for Prudential Insurance Company and New York Life Insurance Company, and as a sales representative for Reuben H. Donnelly Corporation. She attended Green Mt. Jr. College and has taken various courses at the American Institute of Banking. Miss Pearson is located at the bank's Cherry Valley Office, 490 Hempstead Turnpike, West Hempstead.

Au Revoir

On Friday evening, March 6th, a Cocktail party was held for Mr. William DeGennaro, Principal of John F. Kennedy High School in Plainview. Mr. DeGennaro will be leaving his post March 31st to become Assistant Superintendent of Levittown Schools after four years in Plainview. The Party, held at Holiday Manor in Bethpage, was attended by approximately 100 people from the district, and Mr. DeGennaro was presented with a gift in honor of the occasion from his many friends.

FRANK PRCHAL of PLAINVIEW has been honored by Weyerhaeuser Company with appointment to the Board of Governors of the firm's Professional Round-table of Sales (PROS).

Prchal is one of eight men appointed to the board by Weyerhaeuser, world's largest manufacturer of wood products. PROS is a select group of 22 sales representatives who are chosen each year on the basis of their sales performance, management of territory, handling of special assignments and individual initiative.

GOP FEDERATION

The regular monthly meeting of the Nassau County Federation of Republican Women will be held Thursday, March 19th, 1:00 P.M., at the New Hyde Park Inn, 214 Jericho Turnpike, New Hyde Park. Mrs. C. Robert Allen, Port Washington, Federation President, has announced that Mr. Mark Phillips will be the guest speaker.

Plainview-Old Bethpage Public Library

The outstanding films "Thumbelina" and "Tale of Custard the Dragon" will be featured at the Children's Story Hour, Friday, March 13, 1970 at 4:00 P.M. at the Plainview-Old Bethpage Public Library. The Friday afternoon Children's Story Hour is specially planned to delight children from five to seven years of age. This week the amusing children's story "Anatole and the Thirty Thieves" will also be on the program. All Plainview-Old Bethpage five to seven year olds are invited to attend.

The Plainview-Old Bethpage Public Library will present two performances by Brando The Magician, Saturday March 14, 1970 at the library. The Great Brando mystifies and amuses with his Comedy Magic, Sight of Hand, Mysteries of the Orient and Mental Telepathy. The Great Brando is famous for his "Hindu Needle Trick" performed in the same manner as the late Harry Houdini. Free tickets must be picked up in advance at the

library. The 1:15 p.m. performance is for Kindergarten to 3rd graders. The 2:30 p.m. performance is for 4th graders and over.

The romantic comedy-mystery, Love Affair, by the noted Yugoslavian director Dusan Makavejev will be shown at the Plainview-Old Bethpage Public Library Friday, March 20, at 7:00 P.M. and 9:15 P.M. In Serbo-Croatian with English subtitles the film was acclaimed at the Cannes Film Festival for its tender-cruel look at a rather bizarre love affair.

Spring is coming at last! And to prove it the Plainview-Old Bethpage Public Library is featuring a display of beautiful hand decorated Easter eggs courtesy of Mrs. Milton Kaye of Bethpage.

Among the delicately hand-crafted eggs are picture-window eggs which, when viewed through peepholes, show colorful winter scenes in three dimensional relief. This charming display will be at the library until March 28, 1970.

Volunteers Needed March 16-20

Volunteers for every day of the week, including Saturday and Sunday, are urgently needed to help in local Nassau Easter Seal Society activities from March 16th through 30th.

Anyone able to spend an hour or more between 10 A.M. and 6 P.M. is urged to telephone Mrs. Terry Danziger, Executive Director of the Nassau Easter Seal Society, at 747-2700, in Albertson. Type of help needed

includes personnel to be present at the "Pet 'Em and Feed 'Em Farm" and the Wishing Well attraction.

Funds raised will further vital Nassau Easter Seal programs to aid our handicapped persons, including tuition-free summer day camp for disabled children; dental care for the handicapped; team sports and recreation; information and referral services.

GIRL SCOUT SUNDAY was a special day for Patricia Sonneborn 8 19, Edith Burd C 553, Judith Benson C 553, and Susan Parks 8 19. The Rev. James Benson of the United Methodist Church of Hicksville, presented them with the God and Community Award. On hand to congratulate them and their parents were sister scouts, and Mrs. Robert Gorst, Mrs. Michael Colours and Mrs. Richard Schultz, Hicksville Neighborhood Chairman.

Wisdom For Today

11 CORINTHIANS, Chapter 3

Verses 1 through 6

DO WE BEGIN again to commend ourselves? Or need we, as some others, epistles of commendation to you, or letters of commendation from you?

WE ARE OUR EPISTLE written in our hearts, known and read of all men:

FOREASMUCH AS WE are manifestly declared to be the epistle of Christ ministered by us, written not with ink, but with the Spirit of the living God; not in tables of stone, but in fleshy tables of the heart.

AND SUCH TRUST have we through Christ to God-ward: NOT THAT WE ARE SUFFICIENT of ourselves to think anything as of ourselves; but our sufficiency is of God;

WHO ALSO HATH MADE US able ministers of the new testament; not of the letter, but of the spirit; for the letter killeth, but the spirit giveth life.

Jericho Board Of Ed Report

Members of the Citizens Advisory Committee on Elementary School Housing presented their final report to the Board. The committee's recommendation is that the Robert Williams School be kept open. Sub-committee chairmen explained the various phases of their investigation. Mrs. Virginia Meyers, chairman of the Fiscal Responsibility subcommittee, indicated that the full committee felt that the disadvantages of closing the Williams School at this time outweighed possible tax savings. Mrs. Lila Rosenberg, chairman of the Equal, Efficient, Quality Education subcommittee and secretary of the full committee, stated that the overwhelming majority of the committee agreed that keeping Williams open would allow for continuance of the present "neighborhood school" concept, flexibility for new educational programs, and equalized class size. Lawrence Fried, chairman of the Housing subcommittee, described population trends which include a 5 percent growth factor for new construction in the area. A letter from Murray Kronick, Chairman, to the Board expressed appreciation for the cooperation of the administration. Mr. Kronick stated: "We are hopeful that the Board of Education will follow our recommendation to keep the Robert Williams School open, and that our proposals for school facility usage is helpful."

The Board will take the report under advisement and will render its decision at the next Regular Board Meeting, to be held on Thursday, March 19 at the Robert Williams School Auditorium. Reduction in School Tax Rate for Second Half of Year

The Board approved the establishment of a reduced school tax rate for the second half of the 1969-70 school year. The tax rate of \$4.625 on each \$100 of total assessed valuation of property is 5 cents less than that of the first half of the school year. The reason for the reduction is an increase in the district's assessments since October, with the difference being returned to the taxpayers in the form of the reduced school tax.

Residents to Help at School Elections

The Board approved the advertising for, hiring and maintenance of a staff of eight inspectors and sixteen clerks to serve at the annual School Election and Budget Vote on May 6.

Budget Review Panel Meetings

The Board invites all residents to participate in the following Budget Review Panel Meetings:

Thursday, March 12 at 8:15 p.m. - Senior High Library
Thursday, March 19 at 8:15 p.m. - Robert Williams School auditorium (Regular Board Meeting - includes adoption of budget)

If you are interested in receiving budget materials in advance of meetings, please contact Robert Perna, Administrative Assistant to the Superintendent 681-4100, Ext. 51.

Reminder to BCA Officials

All Birchwood Civic Association Officers and Directors are requested to be at the new Syosset Library Building by 8:45 P.M. for the regular monthly meeting scheduled for Tuesday, March 17th.

If unable to attend, please notify President Don Becker beforehand (681-3069), or contact any other fellow officer. Also, any member in good standing may attend by contacting the president in advance.

Ten Pin Talk

By Henry Dockswell

It was on alley 16, in Syosset Lanes, in the First Game, of the Eighth Week, of the Second Half, of the Ninth Year, in the life of the BCA Men's Bowling League, and Buddy Flanders was there.

A sudden burst of yelling startled all of Syosset Lanes and as we turned in the direction of this sound there was Buddy Flanders on the floor. After a second or two of puzzled appraisal of this scene the yelling became clearer-- "Buddy just bowled a 300 game!"

I don't know about the rest of the guys but a thrill shot through me when I realized what Buddy had done. Can you imagine how Buddy must have felt! We understand that the reason Buddy was on the floor was either that he slipped as he threw that 12th strike or that he just fell to the floor in a drained heap.

But Mr. Flanders was not through yet. Instead of being hit by a let down or nervous prostration he went on to bowl a 197 and a 207 for an unbelievable 704 series. So this was two first for anyone in our league play. A perfect game and a 704 series. Don't go away, we're not through yet. This gave Buddy the league lead for all Individual Honors: Hi Average 191, Hi Series 704, Hi Game 300 and Most 200 Games 19. We might also mention that his teammates, the Bill Sussmans, shout out the Norm Neys and rose 6 notches to 5th place.

Anything and everything that happened during the rest of the evening was just about anticlimactic and somewhat dwarfed in stature:

Milt Hoffman threw a 209, and a 235 for a 613 series; Lou Vladem came in with a big 246; Charlie Smith threw a double, a 202 and a 204; Sid Lang rolled a pretty 222; the league leading Hi Shapiros were beaten down to 4th place by the Lew Marks' who took over the top spot and the cellar-ridden Sid Sachs, who for 7 weeks could never win more than 3 points, beat the Milt Goldbergs 8-3.

Monroe Hyman, Buddy's teammate was cute. "Look when

PERFECT GAME: Buddy Flanders rolled the first 300 game in the history of the B.C.A. Men's Bowling League. He also tacked on games of 197 and 207 for a 704 series. Read Ten Pin Talk for full details.

I pick to bowl a 209", said Monroe, "and in the same game yet". But everyone must have felt the same way. Buddy, our bats are off to you.

As tight as the league was it is now even tighter. The 12th place team is only 11 points behind the league leader.

Here are the others that earned honorable mention for the night: Bernie Kaplan 218, Nat Warren 217, Horace Bernstein 210, Leo Geyer 205, Sid Sachs 203, Dave Dembart 202, Sid Simon 201, and Irv Herskowitz 200.

Larry Schwartz wasn't bowling because he lost his mother and the entire league extends its sympathy. Julie Gershen was back bowling after some minor surgery and Sid Sachs will be absent for a few weeks as he goes into the North Shore Hospital for some minor surgery (or as he says, "to get my throat cut"). Speedy recovery Sid, Buddy has given you something to shoot at.

North America introduces the twenty-minute tax return and the one-minute refund.*

The end of the all-night headache.

And it's even better than it sounds. This year, you don't have to panic over income tax returns.

Because National Bank of North America has a special offer. A guaranteed accurate computerized tax return! At a basic price of \$12.50 for your standard federal return—a small additional charge for state and city returns.

If you itemize deductions, all you have to do is fill out a simple form; then in just one trip, you'll meet with our tax experts for a confidential in-bank interview. And after you meet with them, we promise your return within 20 minutes. (Our competition can take several days and requires at least two trips!)

And if you are entitled to a refund or if you owe money, you can get it on the spot with your BankAmericard. And for your added convenience, you can also charge the cost of preparation on your BankAmericard.

*Up to \$800, with your BankAmericard

So there it is. A total of 21 minutes for what used to be an all-night headache.

National Bank of North America. Where there's one thing we respect as much as your money. And that's your time.

Young Boatsmans' Safety Course

New York State's Young Boatman's Safety Course will be taught in Hicksville Library beginning March 13.

The course, sponsored by the Conservation Department's Division of Motor Boats, will be taught locally by Marc Golden. New York State's revised Navigation Law now requires youngsters between the ages of 10 to 14 to acquire a safety certificate before they may lawfully operate a mechanically-propelled boat alone on State waters.

Youngsters may qualify for their safety certificate by taking the Young Boatman's Safety Course and passing the examination given at the end of

the course. The course consists of eight basic units and is designed to be taught in half-hour sessions. All course material will be furnished free to the youngsters taking the course.

Plan books, work books and flip charts, all graphically illustrating basic safety requirements and precautions, will be used in teaching the course. The charts will be based on a boating safety handbook entitled "Make Sure - Make Shore".

The course will be taught here at Hicksville Library.

Youngsters wishing to take the course may enroll by phoning Marc Golden 333-6219.

Day/Night Hearings Set

Exclusive to the Herald
By Nassau News Service

The Town Board of Oyster Bay granted an evening hearing on the application of M & L Development Corp. for a change of zone in Plainview from Residence D to E-1 Apartment House District, after a 230-name petition requesting the evening session was submitted by Arnold Fishman, of 6 Cranford Road, president of the Greater Plainview Community Association, Inc. The hearing will begin at 10 A.M. on March 24th, and will be continued that evening at 8:00 P.M. at Town Hall.

The subject property is a 5.025-acre parcel on the south side of Old Country Road about 210 feet west of Bethpage State Parkway. It is bounded on one side by Palo Alto Drive.

The petition for the zoning change, signed by Gerald Monty, President, M & L Development Corp., 393 Willis Avenue, Roslyn Hgts., calls for an 88-unit garden apartment complex with parking for 117 cars. Correspondence from the Building Dept. shows the parking to be adequate.

A building plan shows five buildings of 16 units each and one of 8 units.

Civic Association Objects

Arnold Fishman could not be reached for comment, but Mrs. Fishman, speaking for him, said the residents object to the downzoning because of expected pressure on the schools, and on sewerage and drainage, which is not adequate, she said. She also said that a similar application to erect apartment units on this property had been denied in 1965, because of inadequate drainage.

Mrs. Fishman said that a meeting was held Tuesday, March 3rd with M & L Development Corp., where residents were shown the plans for the garden apartments. She said M & L owns a total of about 11 acres at this location, and wonders what plans there would be for the additional six acres. At the March 3rd meeting, M & L stated that if the zoning change was granted, one building would be erected and rentals taken from that as a basis for construction of the remainder of the apartment plan.

Meeting March 19
The Greater Plainview Community Association will hold a general meeting on Thursday, March 19 at Plainview High School to acquaint residents with developments, and to tell them how the Association plans to combat the application.

Town Clerk
Dated: February 24, 1970
Oyster Bay, New York
(D-564-IT 3/12) MID

LEGAL NOTICE

NOTICE IS HEREBY GIVEN, that a public hearing will be held by the Town Board of the Town of Oyster Bay on Tuesday, March 31, 1970, at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, Oyster Bay, New York, at which time citizens and parties interested will have the opportunity to be heard upon the proposed ordinance to be known as "WATERWAYS ORDINANCE OF THE TOWN OF OYSTER BAY REGULATING THE USE OF WATERWAYS".

The said proposed ordinance is on file in the Office of the Town Clerk, Town Hall, Audrey Avenue, Oyster Bay, New York, where the same may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time; and said ordinance is as follows:

LEGAL NOTICE

"WATERWAYS ORDINANCE OF THE TOWN OF OYSTER BAY REGULATING THE USE OF WATERWAYS"

Section 1 - SHORT TITLE
This ordinance shall be known as the "Waterways Ordinance of the Town of Oyster Bay."

Section 2 - LEGISLATIVE FINDINGS
It is hereby declared and found that water sports and the operation of boats in the waters or waterways of the Town of Oyster Bay are matters affecting the public interest and consequently should be subject to the supervision and administrative control of municipal authority for the purpose of safeguarding the public.

Section 3 - AREAS COVERED
(a) The following rules and regulations, except when prohibited by the laws of the United States or the State of New York, apply to all waters or waterways under control of the Town of Oyster Bay.
(b) All provisions of the Navigation Law of this State, of the inland rules enacted by Congress and governing the navigation for United States inland waters, applicable to Channel Systems relative to the rules for vessels passing each other, as to lights on vessels and other matters consistent with the proper use of the Channel Systems, the Federal Motor Boat Act of 1940 and the Federal Boating Act of 1958, shall be complied with by all vessels.

Section 4 - DEFINITIONS
(a) The term "boat" or "vessel" includes every description of water craft or other contrivance used on or capable of being used as a means of transportation in water and in air, and shall be deemed to include any airplane capable of landing on water.
(b) The term "Channel" as used in this ordinance shall mean main channels and cross channels connecting with them as delineated by navigation buoys (placed by the U.S. Coast Guard or the Town of Oyster Bay.)
(c) The term "owner" shall include the person under whose name the vessel was last registered with the United States Coast Guard or with the Division of Motor Boats, Conservation Department, Department, State of New York, or documented, and in any other case the last known owner, or the person who claims lawful possession of such vessel by virtue of legal title or equitable interest therein which entitles him to such possession.
(d) The term "skin diving" shall include any person swimming with the intent to explore or photograph in local waters or to hunt fish therein, including any person using any self-contained underwater breathing apparatus commonly known as an Aqua Lung, but shall not include bona fide salvage or other commercial operations displaying proper signals.

(e) The term "anchor" or "anchoring" shall mean the attachment of, or to attach, a vessel to the ground by means of tackle so designed that, when such attachment is terminated, the tackle in its entirety is removed from the ground and taken under the control of the vessel.
(f) The term "moor" or "mooring" (when used as a verb), shall mean the attachment of, or to attach, a vessel to the ground by means of tackle so designed that, when such attachment is terminated, some portion of the tackle remains attached to the ground and is not taken under the control of the vessel.

Section 5 - SANITATION
(a) Discharging of toilets is prohibited in areas designated or which may hereafter be

HHS Future Teachers Learn About Teaching In The Moon Age

A delegation from the Hicksville High School chapter of the Future Teachers of America attended the sixteenth annual convention of the Long Island Future Educators (LIFE), at Hofstra University.

This year's convention, titled "Teaching In The Moon Age", focused upon the modern teacher with modern problems. Mr. Robert Sklarz, of the H.H.S. history department spoke to the group about

teaching the foreign born. Other speakers presented them with information on: BOCES in Your Teaching Future; Teaching Teachers to Teach Families; and Technologies in Your Teaching Future.

The members attending were: Sheila Kreditor, President; Annette Collins, Vice-President; Shari Notov, Secretary; Diane Kass; Alise Kreditor; Marsha Eisner; and Karen Feinberg.

designated as boat basin, dock, bathing areas or mooring areas or within 500 feet of such areas.
(b) Dumping or discharging of oil, chemicals, refuse garbage or waste or any pollutant in any waters or waterways from any boat or vessel or dock facility is prohibited.
(c) All boats or vessels operating within the waters of the Town shall fully comply with all Laws of the State of New York and the rules and regulations of the New York State Conservation Commission.

Section 6 - MOORING AND ANCHORING
(a) No person shall moor or anchor a boat in any channel and in no case shall any person moor or anchor a boat within 50 feet of any channel marker or within 150 feet of any public beach, nor shall any person moor or anchor a boat within the distance designated on any sign only authorized by the Town Board, unless specific authority is granted by the Town Board.
(b) No person shall moor or anchor any boat so as to endanger the safety of, or cause damage to, any boat previously anchored or previously laid down. Nor shall any boat be tied up or made fast to a public dock or float or to property of the Town for a continuous period in excess of the time indicated by sign. Any boats so moored, anchored or tied up shall be removed by the owner or person in charge thereof on order of the Town Board or Harbor Master or agent thereof or Marine Division of Nassau County Police Department. If said boat is not removed after notice to so remove it, it may be removed by or at the direction of the Town Board or Harbor Master or agent thereof or the Marine Division of Nassau County Police Department at the expense of the owner or person in charge of said boat, such expense to be in addition to such penalties as may be prescribed by or imposed under this and other ordinances of the Town of Oyster Bay and the laws of the State of New York.

(f) No person shall moor or anchor any boat occupied as living or sleeping quarters within 1500 feet from the shore for more than 72 hours without first obtaining permission from the Town Board or their duly constituted representatives.

Section 7 - HAZARDS TO NAVIGATION
Any vessel which becomes a menace to navigation, or sinks, grounds or becomes otherwise disabled, shall be removed by the owner or person in charge thereof on notice of the Town Board or Harbor Master or agent thereof, or by the Marine Division of the Nassau County Police Department. If said boat is not removed after notice to so remove it, it

LEGAL NOTICE

(c) The location of mooring facilities, the use thereof, and the types of mooring shall be under the supervision of and regulated by the Town Board of the Town of Oyster Bay.

(d) All floats shall be moored in such a way as to be secure at all times and under all conditions, and such mooring shall be subject to supervision by the Harbor Master.

(e) Any vessel or float so moored in violation of any part of this Section or Sections 7 or 14 of this ordinance, or the Rules and Regulations adopted by the Town Board pursuant to this ordinance shall be removed by the owner or person in charge thereof on order of the Town Board or Harbor Master assisted by the Marine Division of the Nassau County Police Department. If said vessel or float is not removed after notice to so remove it, the same may be removed by or at the direction of (1) the Town Board, (2) Harbor Master, (3) or agent thereof, assisted by the Marine Division of the Nassau County Police Department at the expense of the owner or person in charge of said vessel or float to be enforced by civil suit, such expense to be in addition to such penalties as may be prescribed by or imposed under this and other ordinances of the Town of Oyster Bay and the laws of the State of New York.

(f) No person shall moor or anchor any boat occupied as living or sleeping quarters within 1500 feet from the shore for more than 72 hours without first obtaining permission from the Town Board or their duly constituted representatives.

Section 7 - HAZARDS TO NAVIGATION
Any vessel which becomes a menace to navigation, or sinks, grounds or becomes otherwise disabled, shall be removed by the owner or person in charge thereof on notice of the Town Board or Harbor Master or agent thereof, or by the Marine Division of the Nassau County Police Department. If said boat is not removed after notice to so remove it, it

may be removed by or at the direction of the Town Board or Harbor Master or Agent thereof, or by the Marine Division of the Nassau County Police Department at the expense of the owner or person in charge of said boat, and the Town or Nassau County shall not be responsible for any damage that may occur to such vessel in the course of removing same.

Section 8 - WATER SKIING

(a) No person shall operate a boat for purposes of towing a person on water skis, a surfboard or similar device unless there is in such a boat a person over the age of 10 years in addition to the operator and in a position to observe the progress of the person being towed.

(b) No person shall ride on water skis, a surfboard or similar device, or use or operate a boat or vessel to tow a person thereon during the period between one hour after sunset and one hour after sunrise.

(c) No person shall ride on water skis, a surfboard or similar device, or use or operate a boat or vessel to tow a person thereon within 150 feet of the lifeline markers of any public or semi-public bathing area or public dock or mooring area or in other areas as so marked, or within 150 feet of any swimmer or bather, or within any channel or 50 feet from any such channel.

Section 9 - SPEED AND OPERATION OF BOATS

(a) It shall be unlawful to operate a boat at a greater speed than four (4) miles per hour in any area used as a boat basin, anchorage or mooring area, nor within 150 feet of the shore line, a dock, raft, float, or moored vessel.

(b) Every person operating a boat shall at all times operate the same in a careful and prudent manner and at such a rate of speed as not to disturb the reasonable comfort of occupants of other boats, or endanger the property of another or the life or limb of any person, or so as to interfere with the free and proper

LEGAL NOTICE

use of the waters.

(c) No boat shall be operated in such a manner as to cause a wake which is dangerous to life or limb of a person or to other boats or other property.

(d) No person shall operate a boat or vessel within the waters and waterways of the Town of Oyster Bay while in an intoxicated condition. Upon the trial of any action or proceeding arising out of facts alleged to have been committed by any person arrested for operating a boat or vessel while in an intoxicated condition the court may admit evidence of the amount of alcohol in the defendant's blood taken within two hours of the time of arrest, as shown by a medical or chemical analysis of his breath, blood, urine or saliva. For the purposes of this section (a) evidence that there was, at the time, five-hundredths of one per centum, or less, by weight of alcohol in his blood, is prima facie evidence that the defendant was not in an intoxicated condition; (b) evidence that there was, at the time, more than five-hundredths of one per centum by weight of alcohol in his blood is relevant evidence, but it is not to be given prima facie effect in indicating whether or not the defendant was in an intoxicated condition; (c) evidence that there was, at the time, fifteen-hundredths of one per centum, or more, by weight of alcohol in his blood, may be admitted as prima facie evidence that the defendant was in an intoxicated condition.

Section 10 - MUFFLERS

No person shall operate a boat propelled wholly or partly by an engine operated by gas, gasoline, naphtha, diesel oil or other fuel without having the exhaust from the engine run through a muffler or controlled by the introduction of water into the exhaust pipe or line.

Section 11 - SKIN DIVING

(a) No "skin diving" shall be undertaken in any channel or in any waters where the same may interfere with reasonable and proper operation of boats or within 150 feet of any public or semi-public beach used for bathing and swimming or within 150 feet of any person bathing or swimming within an area designated for bathing or swimming.

(b) No person shall use, operate or discharge under water any spear gun or similar apparatus within 200 feet of any public or semi-public beach used for bathing or swimming or within 150 feet of any bather or swimmer.

(c) Any person engaged in skin diving shall maintain a visible red flag with a diagonal white bar on the boat or on the surface of the water in the area of the skin diving operations.

Section 12 - AQUATIC EVENTS

Nothing herein contained shall prohibit the Town Board from issuing special permits through the Superintendent of Beach Division for aquatic events, boat races or otherwise render proper supervision and in limited areas for limited periods.

Section 13 - LOSS, DAMAGE OR THEFT

The Town will not be responsible for loss, damage or theft to boats and their contents or to any other private property.

Section 14 - ADOPTION OF RULES AND REGULATIONS AND DESIGNATION OF MOORING AREAS

The Town Board is hereby authorized to adopt rules and regulations governing the operation of boats in the waterways under the control of the Town of Oyster Bay, subject to obtaining the written approval of the Conservation Commission of the State of New York. The Town Board may, from time to time, designate, by resolution, the authorized mooring areas, wherein the mooring or standing of boats shall be permitted as hereinafter provided. All such mooring areas to be marked and

LEGAL NOTICE

indicated by suitable buoys or markings.

Section 15 - PERMITS

Any person may obtain a permit for mooring in any of the designated mooring areas by making application to the Superintendent of Beaches on a form approved by the Town Board.

Section 16 - PEDDLERS

No person shall enter upon or engage in the business of selling, hawking, peddling or vending any property, article, product, goods or thing from any boat or vessel on the waterways of the Town of Oyster Bay without having first obtained permission of the Town Board through the Superintendent of Beaches.

Section 17 - ENFORCEMENT

The Harbor Master, or any person duly authorized by the Town Board, or any member of the Marine Division of the Nassau County Police Department is hereby empowered to enforce the provisions of this Ordinance and any such person shall have the right to stop any boat for the purpose of enforcing this Ordinance.

Section 18 - SEVERABILITY

If any clause, sentence, paragraph, section or part of this Ordinance shall be adjudged by any Court of competent jurisdiction to be invalid, such judgment shall not effect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereto directly involved in the controversy in which such judgment shall have been rendered.

Section 19 - PROMULGATION OF RULES AND REGULATIONS

The Town Board is hereby granted the power to promulgate reasonable rules and regulations, from time to time, as it may determine for the administration and enforcement of this Ordinance, such regulations to be made public by posting in a conspicuous place in or about the boating and bathing areas, and filed with the Superintendent of Beaches for inspection by licensees during regular business hours.

Section 20 - SUMMONS

A summons issued and served pursuant to this Ordinance shall be returnable in the District Court of the County of Nassau, Fourth District, Oyster Bay, and the form of such summons shall be substantially the same as the form of summons known as the "Uniform Navigation Summons" prescribed by the Rules and Regulations duly established by the Conservation Commissioner of the State of New York.

Section 21 - PENALTIES

(a) An offense of this Ordinance is hereby declared to be a violation and shall be punishable by a fine not exceeding One Hundred (\$100.00) Dollars for a first offense; and by a fine not exceeding Two Hundred (\$200.00) Dollars or imprisonment not exceeding fifteen (15) days, or both such fine and imprisonment for a second or subsequent offenses. Each day on which any violation of any provision of this Ordinance continues shall constitute a separate offense.

(b) In addition, the Town Board may maintain an action or proceeding in the name of the Town in a Court of competent jurisdiction to compel compliance or to restrain by injunction the violation of this Ordinance.

Section 22 - This Ordinance shall take effect immediately.

Trinity Lutheran Book Fair Mar. 15

Trinity Lutheran School, 40 West Nicholas Street, Hicksville, invites the entire community to browse and buy at its Book Fair. The Book Fair will be open to the public from 10:00 a.m. - 12 noon and 1:00 p.m. to 3:30 p.m. Tuesday through Friday, March 10th - 13th and 9:00 a.m. to 1:00 p.m. on Sunday, March 15th.

Both hard cover and paperback books will be available to perk the reading interest of children in nursery through, eighth grade. There will be enough books in stock for direct sales. Orders will also be taken for those who wish a title which is beyond the inventory.

The purpose of the Book Fair is to emphasize the Language Arts program at Trinity. This year the

faculty is doing curriculum study in this area. Also, student interest in reading is always renewed through a Book Fair. Another objective is to add to the Trinity School Library through gift purchases at the Fair.

In connection with the Book Fair, a special meeting of Trinity Lutheran School's Parent-Teacher-Friends Association will be held at 8:15 p.m. on Tuesday, March 10th. The teachers and students will show through presentations, demonstrations, and visuals, exactly what is happening in Trinity's Language Arts program. The public is invited to attend this program. The Book Fair will be open both before and after the meeting.

O.R.T.

The Plainview Chapter of O.R.T. is sponsoring a Mystery Bus Ride on Saturday, March 14th at 8:30 p.m. Price is \$22.00 per couple which includes dinner. Bring a beach blanket and a shopping bag! For further information, call 938-4126.

LI. Trust News

A regular quarterly dividend of 30 cents per share, payable April 1, to stockholders of record on March 19, was declared at a meeting of the Board of Directors of Long Island Trust Company on February 19. The announcement was made by Arthur Hug, Jr., president.

Lincoln Savings Bank

The Lincoln Savings Bank announced the designation of Edmond G. Murphy to succeed Michael J. Burke as President and Chief Executive Officer, upon the latter's forthcoming retirement at the Annual meeting on March 11th. Mr. Murphy joined the Lincoln in 1949 as Comptroller and was elected Vice President in 1954 and Executive Vice President in 1963.

At the same time, the post of Executive Vice President will be filled by Edward S. Backnick, Jr., who has served as Vice President and Mortgage Officer since joining The Lincoln in 1960.

SIGNS OF SPRING: When Lacrosse practice starts at Hicksville High it is a sure sign that Spring cannot be far behind. Photos (L. to R.) show Dick Motshenbacher and Rich Levandov, studies in concentration as coach Joseph Umbria gives a pep talk; Mr.

Umbria speaking to four seasoned J.V. players out on the field; Defensemen Dave McIlwrath and Larry Genna, Midfielder Ted Stefnaw, and Attack Gary Napel posing with Varsity coach Bill Meyers. All are looking forward to another great season. (Photos by C. Levandov)
