Library Week

Library At Plaza, Too Until April 25th

Thanks to the Mid-Island Plaza Merchant's Association, the Hicksville Public Library has a store in the Plaza to proclaim National Library Week, April 12 through April 19. They are offering "Insty-Info", a unique reference service that will answer your questions on the spot. If for some reason or other they do not have the proper reference materials to give the information requested, they have a "hot-line" to the Library reference department to get the correct answer instantly.

They are also innovating another service to the community. Paperback books will be circulated on a one-week loan basis, to be returned to the Library or to the Bookmobile. In order to take a book, you must have either an adult library card from the Hicksville Public Library, or a Direct Access card from any of the member Libraries in Nassau County. If you are a Hicksville Resident who still hasn't a Library card, you may apply for a card here, and pick it up at the Library in a few days.

On display are some of the art work done by the children who participated in the Library Art courses conducted by Mrs. Zilkowski during the fall series.

There are many children's award winning books and some of the newest children's records in the display too.

In the adult display are many of the award winning books and or authors who won awards in 1969. These books are in the regular collection and are circulated on a four week loan period at the Library.

Also on display is a representation of our extensive record section. There are recordings on music from Brahms to the Beatles; from the New York Philharmonic to the "Blood Sweat and Tears", to name a few.

In the library circulating collection there are plays, operas, famous speeches, orchestral recordings, solo instrumental recordings, vocal recordings, foreign language lessons, etc. All our records circulate free of charge for one week at a time.

On the tables are hundreds of pamphlets, maps, travel guides, Social Security information, book lists etc., free for the taking.

The library store is on the Mall next door to Frankel's Fabric Store. It will be here for two weeks, from April 13 through April 25. The Library store hours are every day from 1:00 p.m. to 7:00 p.m.

Earth Day Programs Set For Hicksville Library

Air pollution; water pollution, DDT poisoning; land slides; mountain slides; oysters, clams, lobsters disappearing from their beds; certain species of birds and many wild animals becoming extinct! What is happening to our natural resources - what will become of life as we know it? Some scientists give us only 35 more years of life on earth, at the rate of self-destruction and waste of our precious materials.

April 22 is being nationally observed as "Earth Day" and the Hicksville Public Library is planning a full day of events to inform the community of their responsibilities and what they can do to help us breathe clean air, and to have clean water to drink.

From 10:00 a.m. to 8:00 p.m. they will have continuous showing of anti-pollution films, some only a few minutes long, others almost full length. They hope in that way to get as many people who are at the library and have only a few minutes to spare, who can not attend the evening program, to become aware of what is going on.

At 8:00 p.m. they will show "A

City is To Live In" a color film of the CBS series on environmental problems. After the screening there will be a talk by Mr. Per Moberg, of the Sierra Club, and the co-ordinator of the Long Island Environmental Council, Mr. Moberg will discuss the positive aspects of the situation. He will point out the governmental preserves that are here on the Island and in our surrounding states that we can still enjoy.

From the Hicksville High School Science Department, Mr. Cohn will bring students and the apparatus they constructed to measure the pollutant content of the air we breathe, a year long project.

Books, book lists, and pamphlets will be available to look at and to take for all who want to do something constructive to alert the federal, State, and County Governments, and also all the industries that are polluting our atmosphere.

"Pollution concerns all of us. Come to hear and see what can be done to make "America the Beautiful" again," urged a spokesman for the Library.

At Chaminade

The Drama Club of Chaminade High School will present the Lerner and Lowe Production of My Fair Lady on April 17, 18, 19, 24, 25, and 26. All performances will begin at 8:00 p.m. The play will be presented in the Darby

Auditorium of Chaminade High School, Jackson Avenue and Emory Road, Mineola, New York. Tickets for all the performances can be purchased at the box office of Darby Auditorium any day from 3:00 to 5:00 p.m. or on the night of the performance

SAFE DRIVING AWARDS: were given out recently to the following Hicksville postal employees by Hicksville Postmaster Ralph G. Cascardo: (upper left) Anthony DeFendis, 15 years; (upper right) Tractor Trailer (1 to 1) William Hauser, 13 years; Joseph Draper, 14 years; Postmaster Cascardo, Thomas Cotter, Supt. of Vehicle Operations; Lloyd J. Woods, 10 years and Frank Brincat, 11 years. Also, (center left) Elizabeth Bonwense, 12 years; (center right) Robert Colvin, 12 years; (lower left) Joseph Draper, 14 years; and John Van Allan, 11 years.

On The Campus

Congratulations to John Littlejohn, of 88 Nassau Ave., in Plainview, who made the President's Honor List at the University of Colorado, last semester.

Mary Ann Lang, a Junior at Immaculate College, has been named to the Dean's List for the third time in recognition of scholastic achievement.

A graduate of St. Dominic's High School, she is majoring in mathematics. Mary Ann is the daughter of Mr. and Mrs. Charles Lang, 53 Park Ave., HICKSVILLE.

Richard B. Cottine, 50 Cornell La., HICKSVILLE, has been named to the Dean's List at Bucknell University, Lewisburg, Pa.

An evening a week talking to lonely people or teaching women to apply make-up would not seem to be very rewarding work for university students, but some 350 members of the Central Islip Volunteer Club at the State University of New York at Stony Brook are doing just that - and enjoying it.

The students donate at least one night a week to volunteer work with patients at either Central Islip or Kings Park State Hospital. Among the local students participating in this project are: Eric Miller, 11 Eleanor La., Joel Dorfman, 64 Hope Dr., and Fran R. Wolinsky, 4 Netto Lane, all of PLAINVIEW. Also, Bob Rosenberg, 14 Avery Lane, PLAINVIEW, Janice Flalkow, 20 Hedgerow Lane, JERICHO, and Peggy Goederer, 6 Arcadia Lane, HICKSVILLE.

Stephen E. Goldstein and James P. Kleiner, both of HICKSVILLE, have been named to the Dean's List at the State University College at Fredonia, N.Y.

Doris Wilamowski, 82 Cornell Lane, HICKSVILLE, has recently been initiated into Kappa Alpha Theta, national social sorority at the University of Connecticut. Doris, a Dean's List sociology major, held the office of President of her Pledge Class. She is presently involved in such campus activities as the University Symphony Orchestra, the Chamber Orchestra, and the Judo Club. The daughter of Mr. and Mrs. Samuel Wilamowski, she is a 1968 graduate of Hicksville High School.

Our Armed Forces

Army Specialist Five Mark Homkow, 20, son of Mr. and Mrs. Jack Homkow, 4 Target Lane, LEVITTOWN, receives his second award of the Army Commendation Medal during ceremonies near Cu Chi, Vietnam.

Spec. 5 Homkow received the award for heroism in action while engaged in ground operations against hostile forces while assigned to Company A, 2nd Battalion, 27th Infantry of the 25th Infantry Division on January 10, 1970.

A rifleman in the company, the specialist entered the Army in July 1968 and was last stationed at Ft. Benning, Ga. He also holds the Combat Infantryman Badge and two awards of the Purple Heart.

Navy Ensign Dennis A. Yatras, son of Mr. and Mrs. Andrew Yatras of 39 Twin Lanes Ave., HICKSVILLE, completed his first phase of flight training at the Naval Air Station, Pensacola, Fla.

The 16-week curriculum is the first step toward earning the "Wings of Gold" of a Naval Flight Officer.

Sergeant Alan E. Schaub, son of Mr. and Mrs. Wilfred Schaub, 162 W. John St., HICKSVILLE, is a member of a unit that has earned the U.S. Air Force Outstanding Unit Award.

Sergeant Schaub, a training specialist in the 437th Military Airlift Wing, Charleston AFB, S.C., will wear a distinctive service ribbon to mark his affiliation with the unit.

The wing was cited for meritorious service in support of military operations from July 1968 to July 1969. The 437th is part of the Military Airlift Command which provides global airlift for U.S. military forces.

Sergeant Schaub, a 1963 graduate of Hicksville High

School, attended Nassau Community College. His wife, Janet, is the daughter of Mrs. Mary J. Leonhard, 38 Boulder Lane, HICKSVILLE.

Domenico DE DUONNI son of Mr. and Mrs. Mrs. August DE DUONNI, of 11-8th St., HICKSVILLE, joined the Marine Corps today under two guarantee enlistment programs.

According to his recruiter SSGT Fred KERNEN, he will be assigned to a Marine aviation school on completion of boot camp and advanced infantry training at Camp Lejeune, N.C.

He also joined under the 180 day delay program which permits him to postpone his departure for boot camp at the Marine Corps Recruit Depot, Parris Island, S.C., up to six months. On Aug. 24th he will begin his active duty.

The 180 day delay program has an added financial benefit because a serviceman's first pay raise begins six months from the day he enlisted. This time continues to count for longevity pay purposes and towards the completion of his total military obligation.

Domenico DE DUONNI, who attended Hicksville High School prior to his enlistment, can expect to be home on leave about 12 weeks from the day he leaves for Parris Island.

Airman First Class Harold R. Convery, son of Mr. and Mrs. Henry E. Convery of 29 Liszt St., HICKSVILLE, is on duty at Cam Ranh Bay AB, Vietnam.

Airman Convery is a security policeman with the 12th Security Police Squadron, a unit of the Pacific Air Forces, headquartered for air operations in Southeast Asia, the Far East and the Pacific area. He previously served at Hill AFB, Utah.

CAPTAIN WILLIAM A. KELLY, son of Mrs. Mary G. Kelly of 39 Columbia Road, Hicksville, is decorated with the U. S. Air Force Commendation Medal at Nakhon Phanom Royal Thai AFB, Thailand. Captain Kelly distinguished himself by meritorious service as an electrical engineer with the USAF Tactical Air Warfare Center, Eglin AFB, Fla. He is now at Nakhon Phanom with a special task force. The captain, a graduate of St. Augustines High School, Brooklyn, received a B.E.E. degree from Manhattan College, Riverdale, N.Y., and was commissioned there through the Reserve Officers Training Corps program. His wife, Barbara, is the daughter of Mrs. Constance Headley of Oakdale. Mrs. Kelly's father, Paul Lane, resides in Huntington. Brigadier General C. J. Butcher, his commander makes the presentation.

Hicksville Republicans Meet

By John Budnick

The Friday, April 10 meeting of the Ernest Franke Republican Club of Hicksville, at the Old Country Manor, included a film on Apollo 12, installation of new officers of the Hicksville Teen-Age Republican Club (TARS); and the announcement by Mr. Jerry Trotta, the Hicksville Republican Executive Leader of the replacement of the late A. Carl Grunewald on the Republican Executive Committee, by Mr. Thomas Hogan.

There were twelve new members inducted into the club and some twenty-odd proposed for the month of May. The May 15 cocktail party is oversubscribed and Dom Palladino asked that all ticket money be in at the May Club meeting. Mr. Bob Jackson, advisor to the Hicksville TARS gave a report on their activities. The club, he noted had gone to Albany, for N.Y. State TAR day held by the State Republican Committee where they were met by Governor Rockefeller, Lt. Gov. Malcolm Wilson, Attorney

General Louis Lefkowitz, and N.Y. State Republican Party Chairman Chuck Lanigan.

Mr. Bill Gaborow in his report on the Eagle, the Republican club newsletter not only thanked his staff but also thanked those assisting him in the setting up of a flag day program at the John F. Kennedy Memorial Park.

Mr. Warren Doolittle, Town Councilman, swore in the officers of the Hicksville Teen-Age Republicans. He noted that only by the involvement of young people in politics could we continue to enjoy the fruits of liberty in a free society.

The film on Apollo 12 then followed narrated by Mr. Larry Levine, a fluid dynamics engineer deeply involved in the LEM (lunar excursion module) program. Mr. Levine answered the members questions as well as recounting some true stories of the astronauts who have been visiting the Bethpage-Hicksville Area.

Town Councilman Warren Doolittle installs new officers of the TARS, at last week's Republican Club meeting.

Hicksville Int. Little League Opening Day

The Hicksville International Little League will have an Opening Day Program at the Lee Avenue School Field, on Saturday, April 25, at 11 A.M.

There will be several honored guests. The Hicksville Junior High Marching Band and the Charles Wagner American

Legion Honor Guard will be present.

Refreshments will be sold by the Hicksville International Little League Ladies Auxiliary. The ladies will also have a cake sale. Their slogan—"Bring one and buy one." "Won't you please join us and help get the season off to a good start! Saturday, April 25, at the Lee Avenue School Field at 11 A.M.," urged a spokesman for the League.

AROUND OUR TOWN

Bank from a recent Allstate Ins. Co. conference in Florida, are Mr. and Mrs. Jerry Gerson of PLAINVIEW and Mr. and Mrs. James Morabito of HICKSVILLE.

"Let's Get Basic", a play on teen-age values, with a professional cast, was presented last night, under the joint sponsorship of the Mattline JHS and Plainview-Old Bethpage SHS. Judge Beatrice Burstein, of the Nassau County Family Court also spoke on "Problems of Young People."

We wish we could use the pictures submitted on this event, but there were too many in them to make their faces recognizable, however, we'd like to congratulate the Oak Drive School in PLAINVIEW, for a recent presentation in which almost a hundred young people participated. It incorporated songs of Gilbert and Sullivan from Pinafore, Mikado, the Pirates of Penzance. Mrs. Annajo Engelke was director and Miss Carol Eschleman, co-director.

A Game and Card Party will be held at the United Methodist Church, Old Country Rd., HICKSVILLE, on April 17 at 8:15 p.m.

Sincere condolences to the family of Al Hanlon, 35 McKinley Ave., HICKSVILLE, who passed away April 7.

Mr. and Mrs. Harvey Newman of PLAINVIEW, have announced the engagement of their daughter, Eileen Barbara, to Martin David Hauptman also of PLAINVIEW.

Announcement has been made by Mr. and Mrs. William J. Rogan of HICKSVILLE, of the engagement of their daughter, Patricia Anne, to Vincent R. Vassallo of Jamaica.

George Miller of HICKSVILLE, a member of the Nassau Community College mathematics faculty, has been selected to participate in the National Science Foundation Summer Institute in Mathematics at Adelphi University.

Glad to hear Harold Zeltmann is feeling fine and fully recovered from a broken leg. Harold, a long-time Hicksville resident, now resides in Head of the Harbor. By the way, Harold, how DID you break that leg?

Happy Birthday to Lauren Sheila Scotti, daughter of Mr. and Mrs. Anthony Scotti, 57 Acorn La., Levittown, who will be 1 year old on Sat., April 18.

The Friendship Club of the United Methodist Church, Old Country Rd., HICKSVILLE, will visit the Gregory Museum on Mon., April 20.

The Cub Scout Pack of the Church will go kite flying on Sat., April 18 at Tobay Beach.

The Women's Society of the Plainview Methodist Church, Old Country Rd., PLAINVIEW will have a White Elephant and Rummage Sale at the Church on Sat., April 18 at 10 a.m.

The Church will also hold a Teen Night for the members of the community on Sat., April 18, starting at 7:15 p.m. Admission is free and all are invited.

Kathy Dolores Klobukowski, daughter of Mr. and Mrs. Anthony Klobukowski of PLAINVIEW, became the bride of Robert Paul Macher, son of Mr. and Mrs. Fred Macher of Sayville on April 11.

Announcement has been made by Mr. and Mrs. Nathan Siegel of JERICHO, of the marriage of

Around Our Town

by Linda Noeth Scotti

their daughter, Ellen Ronni, to Harvey T. Gluck, son of Mr. and Mrs. Samuel Gluck of Oceanside on April 11.

Mr. and Mrs. Harold Kiviat of JERICHO, have announced the engagement of their daughter, Jane, to Robert M. Storman, also of JERICHO.

Announcement has been made by Mr. and Mrs. Oscar Edward Schwobel of JERICHO, of the engagement of their daughter, Barbara, to Charles E. Schmidt of New Fairfield, Conn., and Westbury.

Mr. and Mrs. Alfred J. Walsh of Syosset, have announced the engagement of their daughter, Kathleen Ann, to William W. Tufts of HICKSVILLE.

Condolences to the Knudsen family of 86 Kuhl Avenue on the death of their father, Peter Knudsen.

Also, in PLAINVIEW, in the Jamaica Avenue School, Mrs. Seltzer's third-grade have been busy, visiting homes of children in the class to discover signs of spring, isn't that nice? And the second grade teacher at this school teamed up and presented an illuminating program to the parents and students of the school, entitled, "February". It was a culminating activity to a social studies unit and tied in learning about Dental Health, Brotherhood, Lincoln's birthday, Valentine's Day, Scout Week and Washington's birthday!

Earth Day

Part of the resolution of the Board of Education of Hicksville School District 17 reads as follows: "Now let it be resolved that April 22, 23 and 24 be ENVIRONMENT DAYS in the Hicksville Public Schools and be it further resolved that all Hicksville Public School District personnel involved in the education of our children prepare and present materials and programs designed to express the spirit of these days and to encourage continuing awareness on the part of our children of the importance of improving, preserving and protecting our environment."

Here are some of the school activities planned (as we go to press) to celebrate Earth Day and Environment Days, next week we will bring you the story of how all this has been accomplished and what will come next:

BURNS AVENUE One class will engage in a Burns Avenue Backyard Facelift-Children will pick up papers and do some raking and sweeping. Trees will be planted.

DUTCH LANE - Planting a tree.

EAST ST. - Fifth grade class wrote to the conservation departments of 17 states and received material that they will be using. They will also have a folk singer, who will gear his program to conservation.

FORK LANE - Every grade has submitted a program of events to the Principal, Mr. Walters. Kng. "What makes the world beautiful and how we can keep it that way. 1st. - Study trees - Why they are important. Study how clean water gets to Hicksville homes. 2nd. - Compare environment today with that of 100 years ago. 3rd. - Will study the poem "America the Beautiful". 4th. - Will study causes of Air Pollution. 5th. - Will count number of discarded cans and bottles in the home for a week.

SENIOR HIGH English department is sponsoring a contest - essay writing - Topic: "What youth can do to help society confront and solve the deterioration of our natural environment." The Latin club will observe Environment Day by giving the Roman Eagle at the R.R. station a face-lifting.

We commend those who worked to make these, and many more projects possible. It brings home the thought that everything good that we want accomplished must start with the phrase "BEGINNING WITH ME....." Let's all do our share. Our share may start with cleaning up our own property, but it will also mean involvement in helping our elected representatives to know that they have our backing when they must answer the questions that must be answered, such as "Are we prepared to make economic modifications in our system to reverse the disastrous trends that have caused present conditions? Are we prepared to say to manufacturers, "You must take that thing off the market or prove that the waste it generates doesn't pollute the atmosphere"? Are we prepared to dispose of disposable bottles? Are we prepared to take whatever measures are necessary to assure that junk cars are collected and recycled? Are we prepared to say to the oil companies that they must not drill offshore? Are we prepared to develop a land-use policy to say, "You must not destroy anymore"? Your elected representatives serve all of us. Are you prepared to let them know, and to back them up, when their turn comes to take whatever steps are necessary. Let them know.....they want to hear from you.

Hicksville: Threshold of Change

Better Cross-Town Flow, Long Term Parking Needed

Exclusive to the Herald
By Nassau News Service

This article is the fifth of a series of eight articles based on the 49-page brochure, "Hicksville: A Framework for the Future," which is the work of the Hicksville Citizens Advisory Committee for Transportation and Development, working in cooperation with the Nassau County Planning Commission. A follow-up to the present brochure, which is a survey and analysis, will be published in May. Readers are invited to send in comments and queries regarding this series of articles.

An analysis of the parking and traffic flow situation in the downtown sector of Hicksville by the Citizens Advisory Committee for Transportation and Development shows a great present need for an increased number of long-term parking spaces (six hours or more) and provisions for a better flow of traffic in the downtown area's east-west streets.

When the major transportation facility, planned for Hicksville by the Metropolitan Transportation Authority, becomes a reality, the need will become crucial unless provisions are made now.

A field survey done by the Planning Commission in August, 1968, shows that 4,229 legal parking spaces are available in Hicksville, including one and two hour spots, private customer and employee lots, and commuter lots and spaces, both municipal and private.

(Of these spaces, 53 per cent are for long-term parking to provide for already established heavy use of the Rail Road Station at Hicksville. This long term parking includes 455 non-commuter spots of six hours or less; permit and 12-hour metered spots, and private commuter lots.

Violations are cited. During this same survey, the Planning Commission established

that many cars are parking more than the allowed one or two hour limit in areas near the station, presumably because of the limitations of the long-term parking spaces in that area. The only long term lot which was not consistently full was the one off Carl Street, which is at quite a walk from the station.

The Planning Commission developed a "space-hour" analysis of parking needs, by observing the duration of time that cars were parked in both long and short term spaces. It came up with a per centage of spaces required to fill the long term need as 84 per cent of available parking instead of the existing 53 per cent.

The survey showed that 17 per cent of cars in the 1-hour posted zone stayed three hours or more, and that 22.7 per cent of cars in the two-hour posted zone were still there after six to nine hours.

Traffic

The most heavily trafficked street in Hicksville, the Planning Commission has analyzed, is Broadway. Traffic evidently goes on and off Broadway at certain points, so that the number of cars travelling daily on the road varies in different areas. The junction of Barclay, Jerusalem, Broadway and John Street is a major congestion point because of cross traffic and north-south

roads feeding into each other. For other north-south arteries, Newbridge carries about 11,800 vehicles daily; Jerusalem from 10,500 to 13,900 compared to Broadway's 43,400 north of the joining of the three roads and 21,200 south of Old Country Road. Heavily trafficked Old Country Road carried from 22,300 to 24,800 vehicles daily.

Cross Flow Concern

Of great concern to the planners is the traffic being handled by cross streets, which are not equipped to handle the flow. Much of this cross traffic is by commuters coming from other communities to use the Rail Road station.

Marie Street is one such street. A two-lane road lined by parking on both sides, Marie Street handles over 7,000 cars daily. Peak evening flow is eastward, as is that on Nicholas Street, and traffic from both of these streets merge into Plainview Road, a rather narrow street carrying 9,000 cars per day.

East Barclay and East John Street are carrying from 5 to 6,000 cars each. Woodbury Road, with 12,000 cars daily carries the majority of the Plainview commuters and follows the same traffic peaking characteristics as Old Country Road and Plainview Road.

While the access to Hicksville is excellent, some flaws in the interior circulation pattern could be corrected to improve the traffic flow. Planners will suggest variations on the present pattern which will result in a more efficient flow of traffic and will better serve the projected changes of land use in the downtown area.

Burke Proclaims April 22 "Earth Day"

Oyster Bay Town Supervisor John W. Burke, who has continuously stressed the importance of maintaining an ecological balance in the Town, has, in conjunction with the nationwide environmental teaching scheduled for later this month, proclaimed April 22 as "Earth Day" in Oyster Bay.

Burke, in a letter recently sent to all high school principals and school superintendents in the Town, urged the school administrators to observe "Earth Day" in the form of a positive activity by the school body.

"Pollution is like a giant ship coming into port," Burke said. "To stop such a ship from ramming the pier, the order to 'back engines full' must be made early in the ship's approach. It cannot be done at the last minute. Survival depends on foresight. For centuries man has made nature bend, now we must do a little bending ourselves."

Burke said the high schools could perform a number of activities that would benefit the program for environmental action. Among his suggestions were the establishment of an environmental studies program, the encouragement of science projects on environmental problems and the organization of debates and discussions.

Burke noted that the Town of Oyster Bay has established an exemplary record of conservation, beginning with the early efforts of Theodore Roosevelt and highlighted by the adoption of the Long Island Wetlands Act by the State Legislature under the leadership of former Supervisor John J.

Burke

"The Wetlands Act enabled us, with State help, to preserve our valuable wetlands," Burke said. "But protecting our environment is an ever-changing and constant struggle."

Burke said there were seven basic areas of environmental control that demand attention. He listed them as air pollution, water pollution, solid waste disposal, land use, wetlands, wildlife and marine life preservation.

In order to help meet these specific challenges, Burke said

he supported Governor Rockefeller's recent proposal to bring together in one State agency all programs designed to enhance environmental quality -- air, water and land.

"The Governor's proposal for a State Department of Environmental Conservation should be supported by the people," Burke said. "The Governor's proposal to create this new agency should be supported by our residents as a focal point of our crusade for a quality environment."

Hicksville Clean-up Days

In conjunction with Supervisor John W. Burke's proclamation that April 22nd shall be observed as "EARTH DAY", and the resolution adopted by the Hicksville Board of Education that April 22, 23, and 24 be declared "ENVIRONMENT DAYS", Dr. Walter Dunbar, Chairman of the Committee on Conservation and Agriculture, of the Kiwanis Club urges residents to make a special effort to clean up and beautify their homes and property during this time.

TOB Supervisor Burke was moved to issue his proclamation by his recognition that government on all levels must act to reverse the ecological indifference that has brought us to a perilous condition of our environment from technological pollution and abuse.

Dr. John Cadden, Assistant

Superintendent in the Hicksville Schools, has directed every department and school in the district to develop plans for appropriate activities on "ENVIRONMENT DAYS". Joseph Madden, Director of Recreation for the district also played a roll in the entire program.

The formal District program will be held on April 22nd at Burns Ave. School at 11 A.M. The Kiwanis Club has donated one thousand black pine trees that will be planted at that time. Kiwanians, board members, administrators, and students will be present. Mr. Edward Patterson, Director of the Garvies Point Museum, will speak.

Dr. Dunbar urges everyone to cooperate and help to make this a successful project. "Let's all help to keep Hicksville clean," he urged.

Dear Friends

DON'T FORGET this Sunday, the Kiwanis Club of Plainview is holding a Pancake Breakfast, "All You Can Eat", for \$1.00 at the Plainview High School, from 8 a.m. to 1 p.m. Funds raised will be used to provide youth services and continuance of "Operation Drug Alert" program. It may not help your diet, but it sure will help a very worthy cause.

ISN'T IT EXCITING.....they tell us that beginning in the Fall, we can expect an express service from Hicksville on the LIRR, to New York, Brooklyn or Hunters Point! They also claim that there will be seats, as these trains will start in our town. At present the LIRR is conducting a survey, the on this subject, the results of which we will have for you next week. In the meantime, the commuters we have spoken with are all for it...but they all seem to have their fingers crossed....well, we can hope, can't we?

CONGRATULATIONS to the newly elected and installed officers of the HICKSVILLE FIRE DEPARTMENT. They are, Chief Mel Voorhies, First Asst. Chief Martin Donlon, Second Asst. Chief Louis Mertz, Third Asst. Chief Mario Misturini, Corr. Sec'y Emil Immesberger, Rec. Sec'y Frank Del Bene, Financial Sec'y William Stahley, Treasurer Fred Hasbrouck and Delegate to the 9th Battalion Lawrence Huttie.

BY THE TIME you receive this newspaper, we hope that all our prayers are answered and our Astronauts are back home. In the meantime, until next week, do your best, and, best wishes for a happy Passover to our friends of the Jewish faith.

Sincerely,
Sheila H. Noeth.

Express Trains to City

Hicksville, the station of the Long Island Rail Road which handles the largest number of commuters, is in for express runs straight to town, according to a new zone system which will be tried by the Long Island Rail Road. This means more seats for commuters, more comfort, a quicker ride.

A survey taken at the Hicksville station and other LIRR stations on Tuesday will help the railroad determine the number of trains to start at Hicksville with destinations to New York, Hunter's Point and Brooklyn. The survey was effected by 26 Metro Mini Maids asking commuters what trains

they take, where they board, and where they get off.

According to a spokesman for the LIRR, this new development in railroad scheduling works in with the long range plans of the Metropolitan Transit Authority to locate a massive transportation facility in Hicksville.

The new schedule is expected to take effect late this summer.

By fall, Hicksville commuters will be assured of a certain number of trains that will be "theirs," according to the Railroad spokesman.

While many or most of these "zone" trains will bypass Jamaica, travelers wishing to go to closer stops will be able to get regular trains.

METRO MINI-MAID Phyllis Miller distributes questionnaires to commuters at Hicksville Rail Road Station. Over a dozen of the attractive young ladies assisted commuters at Hicksville, Carle Place and Westbury in filling out the survey forms. Results will be announced next week.

O'Keefe Issues Warning

Oyster Bay Town Clerk William B. (Bud) O'Keefe issued his annual warning to Town residents to be alert for unlicensed door-to-door solicitors and peddlers in the ensuing weeks.

"Most of the salesmen you will find knocking on your front door are respectable businessmen," O'Keefe emphasized. "But, some are not."

One clue to the legitimacy of a peddler is the 1970 solicitor's license which must be carried. It is laminated and issued by the office of the Town Clerk. "This license includes a photograph of

the licensee, and is proof that he or she has been investigated by law enforcement officials," O'Keefe said.

O'Keefe urged residents to call the police or the Town Clerk's office if they are approached by hawkers, solicitors or salesmen who fail to display a license upon request. He added that licenses

are not required by newspaper carriers and political or religious organizations. "However," O'Keefe said, "many religious denominations also issue warning to be wary of salesmen claiming to represent a certain church, synagogue or parish unless they, too, can provide identification."

Engaged

Mr. and Mrs. Frederick C. Molero of Hicksville announce the engagement of their daughter, Joan Dolores, to Mr. Thomas M. Colasanto of Passaic, New Jersey. Mr. Colasanto's parents reside in Merrick, Long Island. He is a graduate of Hofstra University and works as a chemist for Hoffman-LaRoche in Nutley, New Jersey.

The bride-to-be is a business office representative for the New York Telephone Company in Floral Park.

The couple plan a March 1971 wedding.

Ramblin' Rose

By Rosemary Walsh

Sometimes at this season necessarily bushes are pruned, but this week it is I who is trimmed. Am attending the New York State Recreation and Parks Society Conference - but things are still buzzing at home I know. For instance, on Monday, April 13, the Cantiague Junior All Stars defeated the Hicksville North Stars 6 to 5, with 27 seconds left in the 1st sudden death overtime period. Mike Mahlstadt led Hicksville with 3 goals and 2 assists while Erik Anderson and Pete Gebhardt scored the remaining North Stars' goals. Hicksville will play Berner High School for the Nassau County Junior Hockey Championship on Monday, April 20, at 6:30 P.M. at Cantiague Park.

Also please remember our Environment Day. The

formal district program will be held on April 22, at Burns Avenue School at 11 A.M. The Kiwanis Club has donated one thousand black pine trees that will be planted at that time. Kiwanians, board members, administrators, and students will be present - Mr. Edward Patterson, Director of the Garvies Point Museum, will speak.

Remember, next week our "really big shoe" (no I'm not Ed Sullivan) - our concert on Sunday, April 26 at the High School at 3 P.M. is really going to be something. The Community Orchestra and Chorus under the direction of Charles Gouse will present Ernest Bloch's "Sacred Service". Please be there - I'll see you.

Til next week then - loves ya as always

Plainview-Old Bethpage High School

By Michael Young

On Saturday, March 21st, twenty two juniors from Plainview-Old Bethpage High School participated in a preliminary tryouts for the "It's Academic" television show for next year.

The students, accompanied by Mrs. Yves LeMay, were asked a total of 75 to 100 questions in five categories: history, math, science, English, and general knowledge. The first to answer was given credit. The object of the trials was to narrow the team down to six students, of whom three will be selected to represent

POBHS on television. There were four front runners among the group: Andy Borson, Jody Simon, Mike Young, and Rae Ellis. Competition for the remaining two spots was intense. The following students will also practice for next year: Alan Kasbdan, Robert Rockefeller, Fred Ehrman, Peter Scott, Richard Stein and Tom Anthony.

Next year's team has to keep up a winning tradition. The last time POBHS appeared it was the champion.

In Honor Society

Senior Members of the National Honor Society of the Plainview - Old Bethpage High School are Nancy Becker, Stephen Berman, Jan Bitetto, Michelle Braunstein, Shelley Braunstein, Scott Gardiner, Ellen Chaplin, Sandra Cullio, Ronald Cohen, Charlene Daly, Madeline Eckert, Alan Fleisher, Howard French, Leonard Fromer, Marian Gewirtz, Sandra Gordon, Gail Gutman, Richard Hall, Carla Hauschildt, Paula Hoffman, Judy Kravitz, Mitchel

Leibson, Michael Linn, Steven Marks, Karen Marsden, Vicki Morgenstern, Marcia Naidich, William Okrent, Paulette Pitt, Jeffrey Pliskin, Renee Pollack, John Potente, Debra Prew, Terry Selden, Mindy Srebnik, Edward Steen, Robert Sussner, Stephen Turker, Jack Unterberger, Barbara Warsinger and Pamela Wolf.

Barry Rosenberg is President; Brad Liebman is Vice President; Karen Sanders is Secretary and Alan Wasserman is Treasurer.

At Joyce Rd. School

On Tuesday, March 24, the girls of Joyce Road Intermediate School gave three performances of a physical education demonstration. The objectives of the program were to introduce the skills and techniques taught throughout the year within the girls' physical education curriculum, and to permit all girls interested in performing an opportunity to demonstrate their successes in specific areas of physical education.

The program opened with two mass exercise routines performed to music. Next, was a demonstration of skills used in team sports. Team sports was followed by a group who coordinated art with physical education designing pyramids. A Nursery Rhyme medley composed of novelty stunts introduced the idea of combining music and gymnastics. This was expanded further by tumbling routines performed by two groups, a trio and several solo performers adept at floor exercise.

To close the show the finale was a takeoff on halftime performances or football games, using all 115 participants to march to music into various formations. The show was a big success and a good time was had by all.

Plainview High School

By Andy Kagan.

A few weeks ago Social Studies teachers travelled from all parts of the world to the Concord Hotel in the Catskills to hold their annual Social Studies Teachers' Conference. Guest speakers would have included Bernadette Peters and Mrs. Martin Luther King. However, the Concord Hotel employees decided to strike and not tell anyone. Hundreds of people arrived only to find the hotel closed, the doors barred.

One Mexican-American speaker was stranded in the U.S. because his plane ticket would not be good for a few days. He, therefore, came back to Plainview and stayed with a Social Studies teacher. He came to the school and talked to us about his quest; to have a treaty, written in 1863, honored which would give back to his people approximately one million acres of U.S. soil. He was quite convincing.

Last weekend hundreds of students from all over the East coast came to Plainview for ECMUNC. It was a rousing success. On Thursday there was pure havoc. Everyone converged on Plainview. There were many meetings during the three days, but night time was most exciting. On Thursday night a dinner and

dance was held at the Huntington Town House. The guest speaker was a member of the delegation of Britain to the U.N. He spoke on the responsibility of the youth to change the U.N. On Friday night the Trinidad Steel Band and Kennedy's chorus played. All in all, the conference was a complete success.

On Monday, April 13, Plainview High School's varsity baseball team won its first game by defeating Oyster Bay 10-1. Steve Rubin had 3 RBI's and hit a grand slam home run. Pitcher Neal Bernstein hit a triple and a single. Congratulations!

For the third time, in the past four years, I am extremely pleased to announce that the P.O.B.H.S. Mathlete team has finished among the top five places in competition with 62 math teams from the entire County. This year our team placed third, only one point out of second and five behind the first place team, topping our two previous fourth place finishes in the 1966-67 and 1968-69 school years. To say the least, it was a tremendous team effort.

Most noteworthy is the effort of our Mathlete coach, Mr. Alan Stone, who, except for the 1966-67 school year, when he was on sabbatical leave, has handled the coaching responsibilities since 1958. Undoubtedly one of the most conscientious coaches in the County, Mr. Stone holds weekly after school practice sessions which require much the same preparation one would give a regular class. Mr. Stone's Mathlete materials, which he distributes regularly, bear the mark of quality and his files and notebooks cover all the contest problems from the League's inception. The fact that our Mathlete team attracts many more students than the five "varsity" members who compete in the contests is also a tribute to Mr. Stone's desire to make Mathletes a "club" activity as well as a competitive one. Many times twenty or more members go on the bus to our math meets and work out the problems on the sidelines thus displaying their interest in our team and in mathlete competition.

Two Versions

The Senior Trip The Senior Trip

By Anthony Cecere

One of the most fascinating things that a Hicksville High School student can do is to go on the Senior Trip. Essentially, the trip is a three-day excursion to Washington, D. C. and Williamsburg, Virginia with two night's lodging at an Alexandria motel. The entire trip, including meals and transportation, sells for seventy-five dollars.

However, this factual definition could never do justice to the experience that the trip offers. Naturally, the excursion is billed as an educational experience. Yet, unlike many an educational experience, it is a heck of a lot of fun. It gives the students a chance to experience a new feeling—sense of belonging, belonging to the Senior Class, to the school, and ultimately to that experience that we call America.

The idea of "America" is one of the essential themes of the trip, and it comes across to you while you search for the different out-of-state license plates on the New Jersey Turnpike and as you eat a box lunch on the bus that could be nothing but American: Turkey and Peanut Butter and Jelly sandwiches, Fig Newtons, and Orange Drink, plus a Wash 'N' Dri towellette for dessert. One can smell the history in the Williamsburg fireplaces and the beeswax candles on the mantelpiece. In the Capitol, the disturbing currents of the present time are seen as they gnaw at this bastion of the past, especially as the Capitol Guide points out some slash marks that were recently made on one of the murals. I felt the United States blood in the sordid commerce of the Baltimore Harbor and in the inky aroma of the Bureau of Printing and Engraving.

We did keep conservative hours for a Senior Trip: 3:00 A.M. to 6:30 was the general rest period, although it wasn't uncommon to have a 4:00 A.M. snack or a 3:30 philosophy seminar on the opposite sex. We rode; then rode, then rode some more on the eternal celebration that was called the bus, and then walked yet-unfathomable distances, after which we DANCED. "Disorderly conduct", if one calls water gunfights and faculty intramural hat-nabbing disorderly conduct which was engaged in by all except bus drivers. Yet, this counterbalanced itself as a wreath was placed at the Tomb of the Unknown Soldier at Arlington Cemetery.

If forced to sum it up, I would say that the trip is a classic impossibility: it is education without pain. By the way, don't lead yourself to believe that this affair is only for the "gringo-touristas." It isn't. There is always something new turning up in Washington, and I cannot recall a single dull moment.

Well, as you might have guessed, I recommend the Senior Trip highly. It is truly all things to all men, and I think that the faculty enjoyed it more than we did. At least, that was what Abe Lincoln told me. Excelsior!

by Bruce Goldstein

Each year the senior population of Hicksville High School packs up faculty, friends, and water pistols and takes them to Washington, D. C. For a "mere" \$75, they are given an "all expenses paid" whirlwind tour of our nation's capitol. Because of the senior trip's failure to attract students this year (280 went, out of a class of 1056), it has been suggested that in the future the trip be taken elsewhere. Other high schools' trips are being used as inspiration; one, we have found, annually treks to a dude ranch, another to a ski resort, and a third, a nearby Long Island school, takes its annual trip to Manhattan.

A trip to New York isn't a bad idea, for, even though it is close in proximity, few students have been there often enough to take advantage of all the cultural and fun spots which it offers. The following is only a tiny fraction of the many Manhattan activities which I came up with:

Go down to the Washington Square Arch and pretend you're in Paris under the "Arc de Triomphe".

Compliment Sardie on his great cheese-cake.

Say hello to King Kong atop the Empire State Building.

Don a gas mask and march in front of the Collisium.

Count the pornography shops on 42nd Street (as we say in Algebra: the infinite set).

Add an engraving to your class ring at "Tiffany's".

Go to ROSELAND, and take it over from the octogenarians.

Experience 30 cents heaven: Buy a hot dog from a Sabrett's man.

Fly a kite in Central Park.

Take a marathon subway ride.

By the way, the senior trip of the school, which goes to Manhattan every year fails miserably.

Registration Trailer

The Nassau County Board of Elections 1970 mobile registration campaign will begin next week it was announced by commissioners William D. Meisser, Republican, and Marvin D. Cristenfeld, Democrat.

The commissioners said the registration trailer will tour the county for a total of 18 weeks during which time it will visit 36 communities.

According to the commissioners this year's schedule calls for the trailer to visit three communities in each of the county's 12 Assembly Districts and to stay in each location for two days. All told, the trailer will be on the road for 72 days.

As in previous years, the trailer will be open from 3 to 9 P.M. on weekdays and from 10 A.M. to 6 P.M. on Saturdays.

How long can you go without money?

90 days at 5%.

1 year-2 years at 5%.
2 years-10 years at 5%.

2 years-10 years at 5%.
Interest deferred to maturity.

If you can go without at least some of your money for a while, you can earn higher rates of interest than a regular savings account gives you.

With any one of three Bankers Passbook accounts (minimum deposit, \$500).

With these accounts you have to leave your money on deposit anywhere from 90 days to 10 years. Not surprisingly, the longer the period the higher the interest rate. (See above.)

You at least get to take the interest out, though.

Although with one of the new Bankers Passbooks, you even have to go without the interest. This is for people who want the tax advantage of postponing part of their income (the interest piles up until maturity).

If you're interested, come into any branch of Bankers Trust and ask about our Bankers Passbooks. You won't be saying "goodbye" to your money, just "so long."

You'll find a banker at Bankers Trust.

H.H.S. FUTURE HOMEMAKERS Aid Day Care Center: The main activity of the Future Homemakers Club this year is to help with the Community Day Care Center of the First Baptist Church of Westbury.

The first project of the club was to raise money for the lunches at the center. A candy sale was held on January 28th at the high school and the money raised was used to purchase a supply of frozen vegetables which were presented to the center.

The second project was to have a group of girls visit the center twice a month. The girls went directly after school and remained with the children until 5:30 P.M. During this time the girls played games with the children, read stories and helped with the supervision of the youngsters.

The club's bi-weekly meetings were used to make the things to take to the children such as cookies and bean bags. See Massey, Donna Bragg and Judy Kristensen are seen preparing the cookie sheets, while Dianne Goeckeritz, Susan Sansone, Mary Jane Regan and Dale Palmer gather around the sewing machine, assembly-line style, to make the bean bags. The girls were accompanied on their trips to the center by their advisor Mrs. Weissman and by the school librarian Mrs. Haaranan.

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced, in duplicate. Either drop off or mail to Editor, 13 Millpond Street, Jericho. Deadline for insertion - Monday noon. Telephone WE 8-1965.

SHAPING UP: Syosset High School senior, Chris Warsyk, works on a pottery sculpture planned for entry in the ninth annual Syosset Art Festival to be conducted May 8 through 10. The festival, under the direction of High School Art Department Chairman, John Black, will present the creative and artistic efforts of hundreds of Syosset junior and senior high school students.

Monthly Report Of Syosset Schools Supt. Dr. Murphy

A report of activities associated with the Office of the Superintendent of Schools for the past month was submitted for the information of the members of the Board of Education at the April 8th meeting.

Election of Trustees

The Board of Education has been developing, over a period of months, the proposed school budget for the school year 1970-71. The following dates which are important in relation to the vote on the budget, should be noted:

April 23, 1970 Thursday Public Hearing on Budget Syosset High School - 8:30 p.m.

April 25, 1970 Saturday Registration in each of the 4 election districts: Split Rock, High School, H. B. Thompson Jr. High, and Robbins Lane 2:00 p.m., to 8:00 p.m.

April 30, 1970 Thursday "Know Your Candidate Meeting" Syosset High School - 8:30 p.m.
May 6, 1970 Wednesday Vote on Budget and candidates for the Board of Education in each of the 4 election districts: Split Rock, High School, H. B. Thompson Jr. High and Robbins Lane 10:00 a.m. to 10:00 p.m.

Three of the trustees will reach the conclusion of their existing

terms as of June 30, 1970, they are: Mrs. Elisabeth T. Babcock, Mrs. Alice Willett, and Mr. Samuel Glazer. The full term for these 3 seats is a period of 3 years. There will also be a vacancy for the seat of Mr. Allen Redlich, who resigned during the last school year, and the term of office will be for the remainder of his term which is a period of 1 year.

Qualified voters of the community may file as a candidate for one of these seats by presenting petitions to the District Clerk in the Superintendent's Office by April 22nd.

Spring Conferences

This year the Spring Zone Conferences for the Long Island area of the New York State School Boards Association will be held either on Tuesday, May 12th, at Freeport High School, or on Wednesday, May 13th, at Commack High School South. The Superintendent will make reservations for any member of the Board of Education who wishes to attend if he will notify him which conference he prefers.

Organization Changes

Because of the increased enrollments which are anticipated for the school year 1970-71, it will be necessary to consider changes in the organization of our schools, as well as limited re-districting of the attendance areas for some of our elementary schools.

Driver Ed. Course At Syosset Summer High

Students planning to enroll in the driver education course at Syosset Summer High School are being urged to apply for a learner's permit as soon as possible, according to Summer School Principal, Melvin Fried.

The course is being offered again to all students between the ages of 16 and 21 who are residents of Central School District No. 2. The recommendation to apply early for a learner's permit from the Bureau of Motor Vehicles will eliminate difficulties encountered in previous years because of the large number of individuals who apply for permits in late May or June.

State law prohibits a student from participating in the driver education course without first obtaining a learner's permit.

The summer school brochure will be mailed to all residents early in June and will detail information on registration. For the first time, students will be able to register for driver education by mail. Registration for all other courses must be made in person.

Ten Pin Talk By HENRY DOCKSWELL

Five weeks ago the Leo Geyers took possession of 1st place by the slim margin of 3 1/2 pts. and we find them still on top but now with a 9 pt. lead. Their latest triumph was an 11-0 shutout of the Bill Kellermans. Capt. Leo led the way with a crushing 238 in the last game to cement the sweep.

(We hesitate to say this, Red, for fear of smiting you with the 'Ten Pin Talk Hoodoo' but here goes.) Five weeks ago, just about the time the Geyers took over the league lead, the Red Karbels were in 12th place seemingly going nowhere. Suddenly with a rush they started winning and this week they plastered the Hy Shapiros 11-0 and rose to 2nd place. Phil Roggen's 202 plus a lot of help by the rest of the Karbels nullified Sy Bruckner's 212 and clinched the victory. This is sweet music for Red who can't forget the frustration of finishing last in the First Half.

And now we come to Buddy Flanders. He's at it again. Not another 300 game but simply three 200's. Buddy cracked a 224, a 200 and a 216 for a whopping 640 series. He and his teammates, the Bill Sussmans, were well on their way to crushing the last place Sid Sachs' when suddenly something inexplicable happened. The Sachs', led by Capt Sid's 203, must have realized that they were supposed to be bowling and they started to. They forgot to stop and they made the last game a 5 pointer as they amassed a 941 team score. I am happy to report that we have climbed out of the cellar up to 17th place. The Sussmans fell one notch to 4th. The Murray Kowlowitzs are in 3rd place but only by the slimmest of margins, a 1/2 pt. They were bowling the 4th place Herb Brodys and it was quite a

dogfight. They split the first two games as Jerry Light threw a 200 and Herb rocked a 217 against Cap't. Murray's 205. Then the Kowlowitzs rallied to take the rubber game for a 6-5 win. The Brodys slipped to 6th place.

One thing you must say about Dick Wolfeld. He may not get many 200's but when he decides to throw one it's a zinger. Toward the end of the First Half he got his only other good one, a 225, but last Monday night he boomed a 232 to win the only game the Irv Simes' took. His 232 was big enough to win a 5 pointer and turn a near disaster into a respectable loss. He had some help from his Cap't, Irv, who threw a 202 in the same game.

One other team scored a shutout. The 10th place Sid, Holtzmanns dealt a damaging blow to the 5th place Lew Marks' when they clobbered them 11-0. The Holtzmanns rose to 7th but the Marks' fell to 8th.

Here are the others worthy of honorable mention: Julie Gershen 238, Lou Truchil 213, Bernie Kaplan 212, Nat Warren 203, Ari Rosenthal 201, and Sid Simon and Gil Stein each with a 200.

Dinner Dance Tickets Available At Bowling

In order to accommodate the bowlers of the B. C. A. Sunday Night Mixed League, Dot Petzhold of the Annual Dinner - Dance Committee will be at Syosset Lanes on Sunday night, April 19th, with a batch of tickets. Member bowlers will, therefore, have the opportunity to purchase tickets (\$12.00 per couple) any time during the evening of bowling. This is a very easy way to get your tickets for the Dinner - Dance scheduled for Saturday night, May 16th, at the Jericho Jewish Center.

L I Youth Orchestral Concert, Sun. Apr. 26

For the third of its four annual subscription concerts the Long Island Youth Orchestra will present its most ambitious undertaking of the season. The Symphony No. 1 by Gustav Mahler will be its major work, when the orchestra, under the direction of Martin Dreiwitz of Sea Cliff, performs in the Jericho High School auditorium on Sunday afternoon, April 26th at 3 P.M. In addition to the Viennese romantic composer's monumental opus, the performance time of which is nearly one hour, the orchestra will be performing two other shorter works. The program opens with the colorful Film Suite from the

film "Louisiana Story" by the American composer Virgil Thomson, and will also include the seldom heard concertine for Oboe and Orchestra by the 19th century French composer Georges Guilaud. Soloist in this work will be the oboist James Kendrick of Levittown.

Tickets are available at \$2.50 per adult and \$1.00 per student. For information call 484-1581.

Members of the orchestra from Jericho are: Jane Weston, harp, Deborah Schindler, viola, Wendy Foxman, violin, Susan Lubow, violin, Cathy Combs, violin, Anne Roggen, violin and Jessica Pincus, violin.

Bar Mitzvah Weekend At Temple Or Elohim

At Sabbath services on May 1st, Temple Or Elohim will mark its 13th year of growth as a liberal Reform congregation serving the North Shore. The congregation now numbers over 300 families and has a Religious School from the nursery through the 12th grade and has an enrollment close to 400 students. There will be a special Torah service to mark the celebration. Jericho Jewish Center has been invited to participate at the services and Rabbi Steinhart will bring greetings.

In addition, Rabbi Henry Skirball, Director of the New York Federation of Temple Youth, U.A.H.C., will extend felicitations from the parent body of the Reform Jewish Movement. Stanley Ehrman, President of the congregation, and Rabbi Herbert Rose will respond briefly. A special Oneg Shabbat will be sponsored by the Temple to celebrate this historic milestone.

On Sunday night, May 3rd, the congregation will hold, in honor of this Bar-Mitzvah year, a Dinner-Dance.

SPORTS

By

Howard J. Finnegan

Plainview Kennedy stung Hicksville with a goal with a bare, three seconds remaining, Tuesday afternoon, and came up a 4-3 winner. It was a non-league contest.

This curtailed a sharp Hicksville rally which saw two lacrosse victories over Levittown Division, 9-3, and Seaford, 4-2.

All this comes before league activity gets underway Tuesday at home against Clarke.

Wayne Thiel scored two goals in the losing Kennedy cause and Rich Kowalchuk hit for one.

Against Levittown Division, which counted as part of the postponed Bethpage Easter Tourney, Kowalchuk and Kirk Jurgelovich each sent in three scoring markers.

Kowalchuk had an additional pair against Seaford and Charlie Arnone and Charlie Induddi had one apiece.

The team was scheduled to play Levittown Memorial Thursday in the final of the Bethpage Tourney with the site switched to Hicksville.

On Saturday morning the league campaign begins at home against Syosset. There is the home game with Clarke on Tuesday and next Friday night the Comets will meet Farmingdale under the arc-lights of Hofstra Stadium.

Our selections:
Hicksville 8 Memorial 6
Hicksville 9 Syosset 5
Hicksville 6 Clarke 4

Coach Dick Hogan's Hicksville baseball team moved from a 3 and 3 non-league campaign to conference play against Syosset, Tuesday, and won 7-2.

Gary Jackson spread 7 hits over 6 innings on the rain, raw afternoon to gain the victory. He struck out 10, and walked only one.

Charlie Reilly, the Comet shortstop, rapped a home run in the first inning to get Hicksville off flying. He also hit out two singles during the rest of the contest.

Tom Curran had a perfect 3 for 3 for the Comets.

Hicksville meets Jericho in

non-league game this Saturday morning at home. Tuesday and Wednesday its back to league play against Clarke. Home and Away in that order at 4:00 p.m.

The Alumni and friends of Hicksville High School will honor retiring Leon J. Galloway at the Association's annual Homecoming Dinner Dance, Saturday night, October 17th, at the Westbury Manor.

All Varsity Letter winners in boys inter-scholastic sports activity will be the guests of the Alumni Association at a Dinner late in May. The Alumni Board of Directors voted unanimously to resume responsibility for recognizing the fine efforts put forth in this type of endeavor by the youth of the school and community.

Look for an announcement within the next three weeks concerning a big All Star Football game for graduated Seniors to be held each year at Hofstra College. The HERALD has learned that incorporation papers for the Charity-Scholarship production have already been drawn up. If the contest is not held this August year can be assured that the annual event between the stars of Nassau and Suffolk Counties will be an annual event by 1971.

The football coaches have apparently swayed enough administrators to their new playoff plan. The one concession that broke the dam was that teams from the North and South Shore would not meet until the eighth game instead of the sixth. Now teams from North Shore Section One and Section Two will playoff according to their respective league finishes.

The winners will then pair against the South Shore winners for County championship laurels.

We still find the whole plan objectionable. It will not determine a true championship. It represents indifference to the proper balance of home and away games for student bodies. It will cost some taxpayers a good deal of money and give others a big break.

At Chemical

Chemical New York Corporation, one-bank holding company whose principal subsidiary is the \$10 billion Chemical Bank, reported today 1970 first quarter income, before securities gains or losses, of \$18.7 million, an 8.0 percent advance over the \$17.3 million earned a year earlier. Income before securities gains or losses, based on the average number of shares outstanding during the period rose to \$1.39 per share from \$1.29 per share in the first quarter of last year, a 7.8 percent gain.

Volunteers Needed

Local youngsters of junior and senior high school age may still enroll as volunteers for local door-to-door Teen Drive to be conducted by Association for the Help of Retarded Children (AHCRC) on Saturday, April 25, in the Hicksville area. Those interested may contact Mrs. Louis Giansante, 935-4690, Chairman of the Hicksville drive.

Funds raised will help support programs operated by AHCRC for mentally retarded persons of all ages in Nassau County. Last year over \$41,000 was raised by hundreds of concerned teenagers in the county-wide drive.

Teen Actors Needed

Oyster Bay Town Councilman Warren M. Doolittle said today the Town's Teen Repertory Theatre still has a scholarship opening for a young man interested in joining the teen acting troupe.

"The young man selected will study acting and stage techniques in two-hour classes twice weekly under the direction of Marilyn Rosen at the Syosset-Woodbury Community Center," Doolittle said. "He will join a troupe of teen-agers who will prepare two children's productions for performances throughout the summer under the direction of the Town's Department of Recreation and Community Activities."

Doolittle said young men aged 15 and older who would like to take advantage of this opportunity to expand their theatrical experience are invited to contact Mrs. Lois Manning, Recreation Supervisor of the Performing Arts Division, at 921-5944.

Help Wanted!

Nassau County's Old Bethpage Village Restoration, which will open this summer, wants to hire some people with skills that are not very much in demand in today's economy. County Public Works Commissioner Herbert J. Simins announced today. Among them are blacksmith, farmer, weaver, candlemaker and a tailor who can fit and alter men's clothing of the pre-Civil War era!

"Operation of this 19th century village will require people with 19th century skills," Simins said. "Since Civil Service doesn't have tests for blacksmiths or candlemakers, we must recruit through the news media."

The openings, which are for both full and part-time people, and entail weekend work, are: Blacksmith - able to make nails, hinges and other wrought hardware; shoe horses and oxen.

Tailor - capable of designing patterns, cutting cloth, fitting and altering men's clothing of the mid-19th century.

Applicants for positions should contact the Nassau County Historical Museum at IV 9-9600, extension 202.

"Since hirsuteness was very much the 'in' thing in this period, skilled applicants with beards and long hair are welcome," Simins noted.

Fur Fashions

On Thursday evening, April 16th, the Rosary Altar Society of Our Lady of Mercy Church, will present their annual Dinner and Fashion Show at the Four Seasons Country Club, Woodbury.

As well as beautiful clothes the fashion show will feature a Fur Fashion Show by Peter Duffy of New York. The Chairman of this year's fund-raiser, Mrs. Joseph Cotter, invites everyone to "Think Mink." The Grand Prize of the night, will be a Mink Jacket which will be awarded to a lucky lady by the Pastor and Moderator, Rev. John Casey.

K. Of C. News

The Joseph F. Lamb Council No. 5723, Knights of Columbus, Plainview, will hold a social meeting on Thursday, April 16th at 8:30 P.M. at the American Legion Hall in Plainview.

"A religious program is planned and all of the council members should try to attend. Wives are also invited," said a K of C spokesman.

At Dutch Lane

The Dutch Lane PTA - Hicksville - will hold its general meeting on Wednesday, April 22 at 8:30 P.M.

The nominated slate will be presented. In addition, Bill Boryon will be the guest. He teaches American History through Folk Songs. Mr. Boryon will be in the classrooms of Dutch Lane School all day and will present a program for the parents in the evening.

The Annual DUTCH LANE FAIR will be held on Saturday, April 25 at Dutch Lane School, Levittown Parkway and Stuart Ave., Hicksville. Hours are from 10 A.M. to 4 P.M. The admission is free and there will be uncountable items available, each one lovelier than the one before. Events scheduled:

Bake sale, Toys, White Elephant, Early American, Hand sewn items, Boutique, Live plants, Chance booth, Games. Refreshments available: Franks, Soda, Donuts, Coffee, Cotton Candy.

"Happiness Is" a day at the Dutch Lane Fair.

TARS

Among the TARS present at the recent Albany conference, were Joseph A. Branca of 53 Birch Dr., PLAINVIEW and Carol Budnick, Jean Jackson, Diane Mathaus, Pat Jobst, Joanne Haas, Ronnie Willets and Nancy Meyer, all of HICKSVILLE.

Marion Guild

The Marian Guild of St. Paul the Apostle Church, Jericho, will hold its annual Dinner and Fashion Show at the Old Country Manor, Hicksville, on Tuesday, April 28th at 7:30 p.m. The Show is entitled; "Prelude to Summer" and Admission \$5.50.

Czytacie po Polsku? Lirez-vous en Francais? Lesen Sie Deutsch? If you answer is Tak! Out! or Ja! or its equivalent in fourteen other languages from Czech to Yiddish, come to the Hicksville Public Library for a selection of reading material in the language of your choice.

From the Library's own collection - and through the central collection of the Nassau Library System - the Library has available almost five thousand foreign language books, four thousand of which are fiction. These include such works as Zelene Pahorky Africke (Green Hills of Africa) by Ernest Hemingway (Czech), Donna Imperiale (Imperial Woman) by Pearl Buck (Italian), A Sangria Fria (In Cold Blood) by Truman Capote (Spanish), as well as many works written by foreign authors in their native tongue. You can also find the works of Sholem Asch in Danish, Agatha Christie in Dutch, and Alexandre Dumas in Hungarian. Non-fiction works include poetry, plays, biographies, books on history, philosophy, sociology, etc.

Or would you prefer to brush up on your foreign language before sitting down with a good book? The Library has on hand conversational phrase-books, quick language courses, and or dictionaries in about forty languages or dialects, including such off-beat entries as Sanskrit, Maltese, Chinyanja (the principal language of Malawi), Bantu, Vietnamese, American Indian and even Esperanto, the universal language (430-499).

Are the children studying a foreign language, or do they have a second language you would like them to cultivate? The Children's Room of the Library has on hand, or available to it, some five hundred children's books in fourteen different languages, from Arabic to Swedish, from picture books through teenage fiction.

So - whatever your foreign language reading desires may be, the Library is more than likely to have some material on hand to meet them. See the Reference Librarian for adult material; the Children's Librarian can guide you on the children's books. Happy reading!

Our Men In Service

(Continued from Page 2)

Airman James M. Leonard, son of Mr. and Mrs. William F. Leonard, 54 Wallace, PLAINVIEW, has received his first U.S. Air Force duty assignment after completing basic training at Lackland AFB, Tex. The airman has been assigned to Robins AFB, Ga., for training and duty as a musician. Airman Leonard is a 1969 graduate of Plainview-Old Bethpage High School.

Captain Alfred R. Searle, 23, whose parents Mr. and Mrs. Kenneth Searle, and wife Laura, live at 40 Stevedore Lane, LEVITTOWN, received the Army Commendation Medal while serving with the 4th Transportation Command near Saigon, Vietnam.

Capt. Searle earned the award for meritorious service as a supply officer in the command's Headquarters.

The captain, who received his commission through an officer candidate school, entered the Army in March 1966, completed basic training at Ft. Gordon, Ga., and was last stationed in Germany.

Staff Sergeant James McNichols, son of Mrs. John Denier of 2 Salem Gate, HICKSVILLE is a member of a unit in Vietnam that has earned the U. A. Air Force Outstanding Unit Award with "V" device for valor.

The 1877th Communications Squadron at Bien Hoa AB, Vietnam, was cited for meritorious service from July 1968 to June 1969 for its support of U. S. and Republic of Vietnam Air Force units in launching air strikes against the enemy.

Sergeant McNichols, an electronics systems repairman in the 1877th, will wear a distinctive service ribbon to mark his affiliation with the unit. This is the fourth consecutive year the squadron has earned the award.

The organization is part of the Air Force Communications Service which provides global communications and air traffic control for the USAF.

The sergeant is a 1961 graduate of Hicksville High School.

GUEST EDITORIAL

Flag Day

By William Gaberson

The Ernest F. Francke Republican Club of Hicksville will sponsor a "tribute to Flag Day" on Sunday, June 14 at 2 p.m. at the Kennedy Memorial Park, just north of the LIRR on Broadway.

Among the many guests who are scheduled to appear are the three joint sponsors of the bill to make Flag Day a State legal holiday - Senator John Caemmerer, and Assemblymen Martin Ginsberg and Joseph Reilly. This bill is now in committee in Albany. Hopefully we look to its passage in this year's legislative session.

Many other dignitaries are scheduled to attend, including Supervisor of the Town of Oyster Bay John Burke, Pres. Supervisor of the Town of Hempstead Ralph Caso, TOB Councilman Warren Doolittle of Hicksville, the Hon. A. Holly Patterson, Nassau County Comptroller Angelo Roncallo who is also the Republican Leader of our own Township, Jerry Trotta, Hicksville's GOP Executive Leader and his co-exec. Jay Schwartz, William Miller, president of the E.F. Francke Republican Club, and the Hon. Francis "Andy" Anderson, former County Clerk and active Republican.

To honor Flag Day, an Essay, Slogan and Poster Contest for school children is now being conducted. First prize in each category will be a \$100. Government Bond. The theme is "What Flag Day Means To Me". Contest information is now on the bulletin boards in the public schools of Hicksville and arrangements are being made to place this information in Hicksville parochial schools. Judges for this contest are Supreme Court Judge Michael D'Auria, Mr. William Koutensky, president of the Long Island National Bank, and Mr. Murray Duncan, principal of the Old Country Road School.

In addition to the three contest prizes an American Flag that once flew over the United States Capitol building, will be presented to the Gregory Museum, for use in front of its new headquarters, the Old Court House on Heitz Place. This flag was donated by Congressman James R. Grover, Jr.

All patriotic citizens and their families in our community are invited to join with us on June 14th, to pay our allegiance to the symbol of our freedoms and our American heritage.

On The Campus

(Continued from Page 2)

Dean Daniel E. Griffiths of New York University School of Education announced recently that Ira Newborn, in recognition of his high scholastic attainment for this term, has been placed on the Dean's List. Ira is the son of Solomon Newborn, Receiver of Taxes for the Town of Oyster Bay.

of 1970. He is the son of Mr. and Mrs. Joe Brodie.

Richard John Swanson, of HICKSVILLE, and Barry Schochet, of PLAINVIEW, have been named to the Dean's List of the University of Maine.

One of the 167 students at the College of Emporia who received Honorable Mention on the Dean's Honor Roll for the first semester of the 1969-70 academic year was Mitchell H.
