Memorial Day 1970 In Hicksville

The Memorial Day Committee of the Veterans Organizations of Hicksville are currently formulating the final plans for the annual Hicksville Memorial Day Parade.

This year the Sgt. Ben Levitt Post no. 655 JWV will be in charge of the arrangements for the parade. This year as Memorial Day falls on a

Saturday the Jewish War Veterans will not march, but their colors will be carried WM. - M. Gouse Post 3211 VFW.

If by some oversight any units wishing to participate that have not received an invitation can do so by contacting Al Kriegel 75 Spruce St. Hicksville NY; WE 5-4840 or send a letter stating unit

name, size of contingent and float if available.

To this date we have approximately 3,000 marchers representing some 20 organizations included in this are 15 marching bands.

The march will start from the Sears Shopping Plaza on route 107 and proceed south on Broadway to Old Country Rd. west on Old Country Rd. to Jerusalem Ave., south on Jerusalem Ave., past the reviewing stand to 4th St. where the marchers will enter the Memorial Mall at the Hicksville Jr. High School, east on 4th St. to the Ballfield for the services.

The combined Veterans Council respectfully request that throughout the line of march the viewers show the proper respect for our country's colors.

Voice Of Democracy Awards Given By VFW Post 3211

Last Friday evening April 24, the William M. Gouse Jr. Post 3211, Veterans of Foreign Wars held their annual Voice of Democracy awards ceremonies at the VFW Hall under the chairmanship of Frank Aug. Assisting him that night were the Post Commander, Harry Wirth and the Ladies Auxiliary President, Joan Chwalisz.

Present for the evening of festivities were Nassau County VFW Commander, Alphonse J. Villari, Past County Commander, William Ward, Nassau County Ladies Auxiliary President, Christine Terevill and the VOD chairlady of the County Auxiliary VFW, Mrs. Robert Williams. Also in attendance from the school district were Mr. George Jackson from the school board and Dr. Clancy representing Superintendent of Schools, Mr. Donald Abt.

The winners presented their scripts personally and were applauded wholeheartedly by their parents and friends. The theme for the contest this year was "Freedom's Challenge". In fact this was the third year on the same theme, which is set by the national organization.

There were 6 winners in all, first place, second place and third place. Two sets of prizes were given to the winners of the two schools who participated.

The schools that participated were Hicksville High School and Holy Trinity Diocesan High School. The winners received a \$75.00, \$50.00 and a \$25.00 U.S. Savings Bond respectively. They also received a VFW Voice of Democracy medal, a certificate of merit, a pin, and \$5.00 from the Hicksville Ladies Auxiliary VFW. As in previous years the first place winner had their name engraved on a plaque that the school has on display in one of their show cases.

The winners for this year are as follows: Holy Trinity High School; Miss Barbara Malen, Farmingdale (First Place), Miss Mary Lawson, Levittown (Second Place), Mr. Richard Schneider, Massapequa Park (Third Place), Hicksville High School; Miss Renée Greenberg, (First Place), Mr. Barry Lebowitz (Second Place) and Mr. Gary Jackson (Third Place) all from Hicksville. Miss Greenberg was third place winner in the finals for Nassau County and Mr. Lebowitz was also a winner locally and for the county last year.

After the ceremonies, refreshments were served by the Junior Girls Unit of the Post. The cakes for the refreshments were donated by some members of the Ladies Auxiliary and a good time was had by all.

Teen Dems To Meet

The Hicksville Teen Democratic Club will hold its regular monthly meeting on Tuesday evening, May 5.

The meeting will be held in the main hall of the United Methodist Church of Hicksville, Old Country Rd. and Nelson Ave., and will begin at 7:30 P.M.

This month's guest will be Mr. James Davis, director of the regional National Association for the Advancement of Colored People. And tentatively scheduled, but not definite at this

time, is Mr. William Morris, the national housing director of the NAACP.

The subject of the meeting will be the downzoning of land now vacant in the Town of Oyster Bay for the purpose of accommodating multi-family dwellings, as well as other NAACP-related topics.

"Everyone is invited to attend this meeting. Young citizens of the community are especially welcome," said a spokesman for the Club.

Concert at Library

Because of the tremendous success of the Hicksville Public Library Music Series for the 1969-1970 season they are adding an additional program on Sunday, May 3rd at 3 p.m. in the library auditorium.

The featured artist will be pianist Lawrence Schubert. Mr. Schubert has been a student of Morton Estrin for 10 years. He is a senior at Hofstra University where he has performed several times in piano recitals.

Mr. Schubert's special interests include the music of Paul

Rindemith, whose three Piano Sonatas are in his repertoire. He is preparing for a concert career while also maintaining a heavy teaching schedule.

The program for the Hicksville Library in addition to Hindemith will include Mozart, Beethoven, Chopin, Brahms and Liszt.

"This young man has great talent. It is with much pleasure that we announce his appearance at the Hicksville Public Library," said a spokesman for the library.

The public is always welcome.

Baseball Association Opens Season May 2

The Hicksville Baseball Association will open its 1970 season Saturday May 2 at Abe Levitt Field on Stewart Avenue and Levittown Parkway.

Lou Caporale, President of the Hicksville Baseball Association will officiate. Guest Speakers will be Warren Doolittle, Oyster Bay Town Councilman; Joe Madden, Director of Recreation for Hicksville Schools, and his assistant Rosemary Walsh. Rev. Douglas H. MacDonald of Parkway Community Church will give the invocation. Chas. Wagner

American Legion Post 609 Guard will present the colors. Mr. Fred Sutter of Sutter Monumental Works will throw out the first ball.

Prior to the ceremonies the Chas. Wagner American Legion Post Band the "Bel Aires" and the Post Color Guard will lead a parade of all the Hicksville Baseball Association National Little League teams. Starting at 8:30 A.M. at Old Country Road School on Blueberry Lane the parade route will be; west on Blueberry Lane, south on Levittown Parkway and east on

Stewart Ave. to Abe Levitt Field. Team photographs will be taken immediately after the ceremonies by Steven's Studios of Hicksville.

Pony League, Colt League and Connie Mack League will open their season on Saturday May 30.

The Hicksville Baseball Association Annual June Dinner will be held on June 6 at Levittown Hall.

National Little League standings will be published in this paper every week.

Tobay Hearings:

Decision Reserved On Changes for S. O. Bay Rd.

Two petitions regarding property on South Oyster Bay Road in Hicksville were heard by the Oyster Bay Town Board at its Tuesday meeting, one petition arousing strong opposition among residents and the other none at all. The Town Board reserved decision on both matters.

Highly opposed was the petition of Theodore Fastook for a change of zone from Residence D to Business F District for property on the west side of the north south artery about 315 north of Garden Street. This petition was continued from a previous date at the request of attorney Eric Roeckl, of Hicksville, who said at the time that all the registered mail certificates had not been

returned because of the postal strike.

Present with Mr. Roeckl were attorneys Joseph Edelman and Jerome Ness, who conduct their business in the building on the subject property. According to Mr. Roeckl, the petitioners would rather have applied for a special permit use rather than a change of zone, including an increased parking requirement, in order to conduct their business. While several such special permits have been issued in this vicinity, none, according to Mr. Roeckl, are now being issued. He also said his clients would be happy if the Town Board would waive the parking requirement which would necessitate his clients to pave the front area of the

building.

The added parking was a prime target of the opposition, consisting primarily of residents of East End Avenue whose houses about the subject property at the rear. Increased traffic, the possibility of accidents, and the growing commercialism of the area were also brought out by the opposition.

Those who spoke were Mrs. Elaine Mosher and Mr. Lawrence Savery of 79 East End Avenue. Others from East End Avenue spoke at the early part of the hearing on April 7th. Mrs. Evelyn Donatiello, of 2 Magneta Street, and Mr. John McFadden, 123 Pollok Place, spoke in behalf of the Northeast Civic Association.

(Continued on Page 20)

NO ZONE CHANGE, said residents of East End Avenue and representatives of the Northeast Civic Association in opposition to a petition for a change of zone from Residence D to Business F on South Oyster Bay Road. From left are: Mrs. Alma Hirich and Mr. Lawrence

Savery, both residents of East End Avenue; Mrs. and Mrs. John McFadden and Mrs. Ellen Donatiello, representing the Northeast Civic Association. Mr. McFadden is past president and Mrs. Donatiello is vice president of the civic group.

A Report On Flag Day

By William Gaborov

In Hicksville we are having a tribute to "OLD GLORY" on flag day Sunday, June 14. The main event is a school contest about our flag. The theme of the contest is: "WHAT FLAG DAY MEANS TO ME."

We are inviting all civic, benevolent, service organizations and the public to join with us at 2:00 pm in tribute to the basic and fundamental symbol of our freedoms.

The joint sponsors of the bill, to make flag day a legal public state holiday (a resolution I originally proposed) and many other dignitaries will be guesting with us at Kennedy Memorial Park (Broadway, north of LIRR, Hicksville). State Senator John D. Caemerer, Assemblymen, Martin Ginsberg and Joseph Reilly, joint sponsors, will present \$100 government bonds to the winners of the ESSAY, SLOGAN and POSTER contest now being conducted in all Hicksville Public and Parochial Schools.

The contest closes on June 1. Michael M. D'Auria Justice of the State Supreme Court, William E. Koutensky President of Long Island National Bank and Murray Duncan Principal of Old Country Road School are the contest judges. They are ready to select the winners as well as the runners-up in each category.

Ralph Caso presiding Supervisor of the Town of Hempstead,

will present to the new Gregory Museum, Hicksville a flag that once waved proudly over the Capitol in Washington. This flag was donated by Congressman James R. Grover Jr.

Mrs. Dorothea Spadaro will be our guest vocalist. Clergymen of the Catholic, Jewish and Protestant faith will give their blessings. Mr. Warren Doolittle councilman of our township and Mrs. Angie Sotallaro President of the Central Island Women's Republican Club will make special presentations. Mr. Jerry Trotta, executive leader of Hicksville, along with his co-executive leader Jay Schwartz and Francis "Andy" Anderson, active republican are making presentations together with William Maher our Club President, to the runners-up in the contest.

A NOTE OF SPECIAL IMPORTANCE — Both houses in the State Legislature have passed the enactment to designate flag day June 14th, a Legal public state holiday. That BILL is now on the Governor's desk for his signature. If Governor Rockefeller signs the bill before May 20, Flag Day June 14th will become a Legal Public Holiday in New York State. I urge everyone to write to Governor Rockefeller in Albany asking him to sign this bill as soon as possible. In the Senate the bill is S5978 and in the Assembly it is A-761.

Trinity Lutheran Arbor Day

Arbor Day of New York State was observed on April 24th, at Trinity Lutheran Church and School, Hicksville, by a complete servicing of Trinity's trees and shrubs by Mr. John H. Cisler and Mr. Richard Bell, arborists. The two men donated one full day of their professional services to Trinity to emphasize the importance of conservation of our most valuable resource, our living trees.

Both Mr. Cisler and Mr. Bell are members of the New York State and the Long Island Arborist Associations. They work as partners in the Sweet Leaf Tree Service using only non-toxic sprays.

Reverend Edward H. Stammel, Pastor of Trinity Lutheran Church, thanked the men for their efforts saying, "It is only through an unselfish working towards a conservation of God's gifts to man on this earth that we will be able to achieve all of the rhetoric of Earth Day. Mr. Cisler and Mr. Bell have made a positive contribution toward a clean environment and have taken a step forward in keeping with the meaning of Arbor Day. I sincerely hope that others will follow their lead!"

ARBOR DAY OBSERVANCE: Reverend Edward H. Stammel (right), Pastor of Trinity Lutheran Church, Hicksville, discussed the work being done on one of the trees of the grounds between the church and school, as Mr. John H. Cisler, (center) and Mr. Richard Bell, of the Sweet Leaf Tree Service give a day of their professional services in observance of Arbor Day, April 24th.

Drug Problem Program

The Ernest F. Francke Republican Club of Hicksville will hold its regular monthly meeting at 8:30 P.M., on Friday May 8. The meeting will be held at the Old Country

Manor, Old Country Road, in Hicksville.

Program -- District Court Judge Francis Donovan, will speak on the "DRUG PROBLEM" facing our community

Chamber Holds Annual Meeting Re-elects Fallon President

The Hicksville Chamber of Commerce held its annual meeting on April 28th at Murants Restaurant on Old Country Road. Those present elected the following officers and directors for the coming year:

Officers: Pres. Peter J. Fallon; V-Pres. Kingsley Kelly; Sec'y Peter Amoroso; Treas. Kenneth S. Barnes; Ex. Dir. Stanley F. Turner.

Directors - 71 George Palazzo; 72 Arthur Prescott; 73 Thomas A. Fay; 73 Fred Hawkins; 73 Lawrence C. McCaffrey; 73 Lawrence M. Scalera; 73 Louis Siegler.

The nominating committee consisted of Chairman Henry C. Brenzel, Peter Amoroso, Edward R. Crowe, Irwin Goldman and Lawrence C. McCaffrey.

Installation will be held in June

The very active "Verisage Chapter" of the National Junior Honor Society at the Hicksville Junior High School recently hosted a political forum for their members. Two students and the Assistant Director of Placement from Adelphi University were invited to be on the panel and conduct the discussion for this program. Bruce Haber and John Alexander, juniors at Adelphi, along with Mr. David McAuley, the administrator led the lively "talk".

Film On Drug Addict

An outstanding film on drug addiction will be shown at the American Legion Clubhouse on East Nicholas Street on Monday, May 4th, at 8:30 A. M. Produced by the Daily News and distributed by the Long Island Lighting Company, the film "The Trip Back" is a face - to - face film encounter with a woman addict, who describes her life while a constant narcotic user. "The Trip Back" has been praised by high school audiences for the complete honesty with which one-time drug addict Florrie Fisher "tells it as it is".

All community groups, interested parents, P. T. A. memberships and high school students are urged to see this first person account of the life of degradation a woman endured while addicted to drugs.

The film showing will be made possible by the Charles Wagner Post, 421 of the American Legion as a public service and with a hope that interested community leaders will take this opportunity to preview this film

Dear Friends

BEGINNING THIS WEEK, THE HERALD will be bringing you a report of the activities of the Hicksville Fire Department. We are very pleased that this has been made possible. We all know what a tremendous, 24 hour a day, 365 days a year, community service that these dedicated volunteers perform. But, just read their first column this week... it is page 20, and you will get a little idea of what this means in actual service. Also, there are a few suggestions, as to how we may cooperate with our Fire Dept. in order to make their work just a little easier. If you have any questions you would like answered, just send them along, and I'm sure the questions and answers will be part of a future column. One remark I'd like to make... it was shocking to see how many false alarms are turned in. I can't think of anything more sick and senseless, than to penalize neighbors who volunteer their services throughout the year to protect ALL OF US, than to get them out in this useless waste of time. We know that, as far as our total population is concerned, the type of child-adult who would do this, is small... but that doesn't help our firemen when they are called out endlessly... let's cut it out... whoever you may be... if you can't find anything more constructive to do than turn in false alarms, you need help... and you'd better get it... better yet, why not join up and help instead of under... you'll think a lot more of yourself if you do.

AN OPPORTUNITY TO HELP will take place on May 8 and 9, when volunteers for the United Cerebral Palsy Association will hold their annual Rainbow Tag Days. When you are asked, please give as generously as you can, to help the cerebral palsied. Several thousand teenagers throughout Nassau County serve on this project and will be soliciting funds outside supermarkets, motion picture theatres, in shopping centers and at other heavily trafficked areas. We're proud of these fine young people.

WE ARE PLEASED with the reaction to our last week's editorial on Drugs. So many want to help. There are two important programs coming up, one on May 4th at the Charles Wagner A. L. Post starting at 6:30 p.m. A film, "The Trip Back" will be shown. See story on page 3. Then, on Monday, May 11, a newly formed group called, H. A. D. (Hicksville Against Drugs), has scheduled a mass meeting starting at 8:15 p.m. in the Holy Trinity High School auditorium. The program consist of interviews of current users, interviews of ex-addicts and parents of ex-addicts, films to introduce you to this world of horror and a panel of experts. We hope you will put both these dates on your calendar. Your help is needed NOW.

SEND GET WELL CARDS to Hicksville's Leon Galloway at Syosset Hospital. Get well soon, Leon, we all miss you.

IMPORTANT NOTICE: The May meeting of the HICKSVILLE COMMUNITY COUNCIL is scheduled for Thursday, May 14th (not the 7th), at the Library, starting at 8:30 sharp. This will be a very important meeting and you do not have to be a representative of an organization to come. We'll bring you the program in next week's HERALD, but circle that date on your calendar now and join your friends and neighbors at our monthly Hicksville town meeting.

Until next week, stay well,

Sincerely,
Shelia H. Noeth

Hicksville: The Threshold of Change

Proper Planning To Provide "Focus", Meet Challenges

Exclusive to the Herald
by Nassau News Service

This article is the seventh of a series of eight articles based on the 64-page brochure, "Hicksville: A Framework for the Future," which is the work of the Hicksville Citizens Advisory Committee for Transportation and Development, working in cooperation with the Nassau County Planning Commission. A follow-up to the present brochure, which is a survey and analysis, will be published in the near future. Readers are invited to send in comments and queries regarding this series.

The challenges which will face Hicksville in the next ten years which have been brought out in this study make it mandatory for a plan to be drawn up, according to the Hicksville Citizens Advisory Committee for Transportation and Development. Without a plan, says the Committee, the result in terms of strengthening Hicksville's position as a suburban center is that the downtown area will have no focus. Projecting current trends, there will continue to be an increasing undesirable mix of commercial and residential land uses. Eventually the commercial uses can be expected to replace most of the single family construction located south of the railroad. Houses in commercial zones will be converted into multi-family units, and home occupations will spread.

The area north of the Railroad

will feel pressures to rezone to commercial and additional commuter and shopper traffic will force additional non-resident parking. The industrially zoned land will not provide significant employment or tax ease. Pressures will be felt upon commuter parking, which will increase, with no relation to road network or origin or destination of commuters.

Planning of the transportation facility should be considered now, to prevent the precluding of assembling the required extensive amount of land by redevelopment of properties. Once the site is chosen, Hicksville must decide what type of community it wants to be. Should it be dominated by Sears and Mid-Island, or should the downtown area be renewed to its past vitality? Should it be an office center, or a center for apartment

units?

Work toward theme Hicksville's Downtown, say planners, should work toward a theme of recognition—an identity apart from the large shopping complexes to the North. Secondly, the planners say that Hicksville can support quite a bit more commercial development, and that commercial building should be limited to types of activities which serve the other land uses in the area. Its proximity to the railroad also suggests major office development.

Development of apartments in this area would also be propitious, as these would provide workers in new commercial enterprises Downtown, say planners, should work toward a theme of recognition—an identity apart from the large shopping complexes to the North. Secondly, the planners say that Hicksville can support quite a bit more commercial development, and that commercial building should be limited to types of activities which serve the other land uses in the area. Its proximity to the railroad also suggests major office development.

Development of apartments in this area would also be propitious, as these would provide workers in new commercial development with residences near their work and would provide added consumers to support local businesses. It would also place many people within walking distance of the railroad, eliminating some pressures on commuter parking facilities.

According to the plan, ultimate land uses in downtown Hicksville would be a combination of the transportation facilities, office structures, a variety of apartment units, single family homes, local shopping and "perhaps" a park. The park would be more of a "passive recreation" area than an active one, serving different types of users as a point of relaxation.

Next week: Summary and Outlook

A Letter to the Editor

Dear Editor:

I read with interest the article on Hicksville: Threshold of Change.

Granted there are vacant and run down dwellings in the immediate vicinity of the railroad station that should be removed and redeveloped for commercial or apartment purposes, but, what's wrong with preserving one section of Hicksville that still possess stately old homes in fair to good repair?

Surely I believe Hicksville has enough Shopping Centers, industry and gas stations and yet maintain a suburban yet appearance

A lot of us homeowners came here from the city and naturally resent any redevelopment that takes on a city character. The expression - "City of Nassau" scares a lot of us and I trust and hope this never becomes a reality!

Of course, the proposed area of development must appear very attractive to building interests with its close proximity to all services.

What should be done now is to improve the L. I. R. R.

Regards,
Mr. John Gundel

 Apr 25 Wire down, Broadway and Gerald Ave. Companies 5, 6, and 8 and Chief Voorhies responded. A stolen car with three youths in it went off road and struck a utility pole, and bounced off into another. Due to the weight on the poles two other poles snapped off causing high tension wire to be down for one block between Gerald Ave and Millwood Gate. One youth was apprehended, the other two escaped. The Fire Dept. floodlight truck was requested by Eighth Pct. Police, to light up the area and to check nearby fields for the escaped youths. The other two were not caught. Only minor fires erupted in the area.
 Apr 25 At 12:35 a.m. a general alarm was sounded for a high-tension wire down. Burning at Mineola Avenue and Albert St. Eng. Company 7 responded to this scene to stand by in case the burning wire started any fires. The sidewalk was melted from the high voltage and a portion of the lawn was burnt. LILCO responded and shut off the power. All equipment returned from both alarms at 2:34 a.m. (Note) During this emergency many calls flooded the Fire Dept. complaining of no electrical power in their area. As a result, the emergency phone and the dispatcher were tied up for some time. Chief Voorhies Requested residents to call the Fire Dept. only when an emergency exists and not to make inquiries as to what is on fire or, that there is no power, during any emergency, where power is lost, and the Fire Dept. is required, due to a fire or dangerous situation, the Long Island Lighting Co. is always notified immediately. Please keep the emergency fire line open so no one is delayed in reporting an emergency. Your cooperation is appreciated.

Gregory Museum Offers Cocoons To Teachers

Teachers who desire cocoons of the polyphemus and cecropia silkworm moths please contact the Gregory Museum, 207 Cottage Boulevard, Hicksville. Telephone OV 1-6041. These cocoons will hatch into beautiful moths before the end of the school year. The museum has 200 cocoons that it will give to schools on a first come first served basis. In addition, the museum has eggs of the bombyx mori moth. This is the only silkworm moth that will go through the four stages of metamorphosis while school is in session. The species will only eat mulberry leaves. Many teachers have mentioned that raising the bombyx mori eggs to caterpillars - to moths - was the most fascinating and educational project done during the school year. Teachers in schools outside of Hicksville will have to come to the museum to pick up the cocoons or eggs. The Gregory Museum will furnish instructions on how to raise this species.

On The Campus

The State Education Dept. has announced the names of 274 candidates who successfully completed the last examination of pharmacy, given recently. Among those were: Dennis Anthony Phillip, 23 Eileen Ave., PLAINVIEW, and Ira Cammeyer, 14 St. Lawrence Pl., JERICHO.

Approximately 20.5 per cent of the entire Cadet Regiment at the State University of New York Maritime College achieved either the Admiral's List or the Dean's List during the recent semester, according to Dr. Daniel J. Duffy, Vice President for Academic Affairs and Dean of the College. Among those were William C. Gallo, son of Mr. and Mrs. Louis J. Gallo, 171 Morton Blvd., PLAINVIEW, Dean's List.

Donna Jeanne Fucci, 50 Shelter Hill Rd., and Raymond L. Yasser, 4 Warren Pl., both of PLAINVIEW, have been named to the Dean's List of the University of Delaware.

As an integral part of the Honors Convocation held recently at Monmouth College, Monmouth, Ill., a total of 36 students were tapped for membership in the College's three honorary scholastic fraternities. Patricia Ziegler, daughter of Mr. and Mrs. Eugene Ziegler, 5 Linden Blvd., HICKSVILLE, became a member of Sigma Omicron Mu, the upperclass honorary society.

John Kenneth Healing, 38 Garnet Lane, PLAINVIEW, has been named to the Honor Roll at Southern Methodist University.

A total of 783 students currently enrolled at or graduating from Hofstra University have qualified for the Dean's List during the recent semester. Among those are: Jean Apicella, 23 Mahan Rd., Holger Brencher, 17 Lark Ave., Miriam Burk, 11 Prescott Pl., and Mary Ann Dvorshock, 36 Oxford Rd., all of OLD BETHPAGE.

From HICKSVILLE: Paul Bauer, 46 Wishing La., Doreya Batista, 43 Peachtree La., John Budnick, 35 Dante Ave., Patricia Cantone, 69 Woodbine Dr., Barbara Cass, 7 Friendly Rd., James Fetten, 255 Nicholas St., Cathy Karber, 32 Dante Ave., Jack Kaplan, 23 Pinetree Ave., Loni Ludwig, 18 Spindle Rd., John Melzer, 22 Walnut La., Jill Milians, 4 Aster Dr., Elizabeth O'Neill, 5 Willy Lane, Filomena Pirola, 83 Gardner Ave., Rochelle Potak, 105 Spindle Rd., Richard Sosulski, 7 Gardner Ave., and Denise Yannonne, 4 Marie Ct.

From JERICHO: Gail Abbott, 195 Maytime Dr., Arlene Briskin, 19 Clinton Lane, and Sandra Kellert, 34 Birchwood Park Crescent.

And, from PLAINVIEW: Lois Benjamin, 78 Victor St., Paula Braunstein, 145 Orchard St., William Carey, 30 Eldorado Blvd., Steve Golding, 39 Belmont Ave., Phyllis Gluckman, 14 Redwood Dr., Edward Kasterbaum, 17 Garnet Lane, Estelle Kleinman, 36 Lane Ave., Robert Kratzel, 10 Holly Lane, Eric Litwin, 7 Fairview Lane, Antonia Matise, 47 Sunrise St., Marlene Rubinstein, 6 Warren Place, Linda Saslaw, 23 Cranford Rd., Roberta Segal, 8 Bradford Rd., Deborah Simmerman, 33 Joyce Rd., and Karen Smith, 1 Edi Ave.

Sharon J. McGee, 15 Hofstra Dr., PLAINVIEW, recently graduated from Pennsylvania State University with a BA in social welfare.

Susan I. Green, 43 Jerold St., PLAINVIEW, has been named to the Dean's List in the Department of Occupational Therapy, State University of New York at Buffalo, recently.

Dates Set For Annual Budget

At last. A regular checking account you can understand.

You've probably never known.
How banks figure out the monthly service charge on your regular checking account—for those months when you let it go below your bank's "minimum balance."

| Average balance. | Monthly charge. |
|----------------------|-----------------|
| Over \$800. | \$0. |
| \$601.—\$800. | \$1. |
| \$401.—\$600. | \$2. |
| \$201.—\$400. | \$3. |
| \$0.—\$200. | \$4. |

It's usually a pretty complicated formula. Based on the number of checks you wrote that month. How much you had on deposit. How many deposits you made during that month. Etc.

Bankers Trust has just done a neat job of simplifying this whole thing by creating a new regular checking account for individuals only.

As the chart shows, our regular checking account costs you nothing for checks and deposits if you maintain an average monthly balance of \$800.

But if you don't, you pay one of only four possible numbers: \$1, \$2, \$3 or \$4, depending only on your average balance for that month.

So if you write a lot of checks, this is a good account to have. Even if you don't maintain the average monthly balance of \$800.

A regular checking account you can understand: That takes care of another one of life's little frustrations.

You'll find a banker at Bankers Trust.

Editorial

For sheer numbers, our Girl Scouts (over twenty-five thousand of them right here in Nassau County) can't be matched. But how many of us realize the effective program and the good influence which these girls receive from Girl Scouting? With their volunteer leaders, they certainly deserve our recognition and respect. They quietly go about the Scouting program and give constant service to God, community and home.

Girl Scouting here in Nassau County has mirrored the changing population of our county, and a warm welcome has been given to all new arrivals. Girl Scouting in action here in Nassau has provided many answers to today's challenges. The values of Girl Scouting have not changed through the past fifty-five years, but the program has constantly been updated, and through that program, the Girl Scouts have come to grips with many of the complex problems now facing us. With scouting as their strong base, they're doing something about those problems.

On May 2nd and May 3rd we've got a chance to give them some recognition (and learn something about Scout programs--and at the same time have a lot of fun). SHOWCASE 701, sponsored by the Nassau Council of Girl Scouts, is coming to Roosevelt Raceway. Admission is only one dollar, with children five and under as well as boys and girls in Scout uniform being admitted free. It will be a fun day for the whole family. See you at SHOWCASE 701.

B.C.A. Endorses

By Bernyce Shimberg

At its regular meeting on April 28, the Board of Directors of the Birchwood Civic Association voted to endorse the following—

Jericho School Board:
HOWARD JANKOWITZ
 and **BEN LANG**

Jericho Library Board:
 all candidates qualified

Jericho School Budget:
 Vote YES

Jericho Library Budget:
 Vote YES

Syosset Library Budget:
 Vote YES

Jericho voting will take place on Wednesday, May 6, 1970 from 2 to 10 P.M. in the Jericho High School Gymnasium.

Lang And Jankowitz Seeking Re-Election To Jericho Bd of Ed.

Ben Lang, who has completed three years as a Trustee on the Jericho School Board, and Howard Jankowitz, currently President of the Board and member for seven years, both plan to run for their seats on the Jericho School Board on Wednesday, May 6th.

Mr. Lang, an attorney and C.P.A., has been a resident of Jericho for 10 years, and maintains his business office in Hicksville. In professional practice for 21 years, Mr. Lang has been active in many Jericho civic and school activities. He was President of the Princeton Park Civic Association, President of Citizens for Better Education, member of numerous Board committees, and member of the Jericho Jewish Center.

While on the School Board, Mr. Lang has been appointed by the Board as member of their "negotiating" team in developing the contract between the teachers and the school district. Mr. Jankowitz is one of the most experienced of the current Board members. As President of the Board, he has been in constant interaction with administration and the community.

He has fostered the Budget Review Panel that worked with the Board for months in developing the school budget, as well as the Committee on School Housing, which examined the needs of the four elementary schools. Mr. Jankowitz's seven years of experience on the Board were preceded by his work in the West Birchwood Civic Association as Chairman of the Education Committee.

Mr. Jankowitz, who currently heads a commercial printing firm, has been a resident of Jericho for 8 years and has three children in the Jericho School system.

Jerome Greenberg, Edge Road Syosset mail address (Muttontown area) has filed a petition to run for the seat currently held by Lang.

Seymour Licht of 1 Chemung Place, Jericho has declared himself a candidate for the seat currently held by Jankowitz.

The Villager was unable to secure any personal data about these two candidates before going to press.

Syosset Budget Vote And Elections, May 6

The Syosset Board of Education's 1970-71 budget will be presented to voters at the district-wide vote on Wednesday, May 6.

The proposed Budget is \$17,211,133 and represents a tax rate of \$10.954 per \$100 of assessed valuation.

A second proposition to be submitted to the voters calls for the expenditure of \$32,700 for the purchase of five school buses to be used for transportation of handicapped children and students attending special schools. If approved, this proposition will reduce the

proposed total budget by \$23,000 or .0236 per \$100 of assessed valuation.

The following candidates are running for election to the School Board:

S. Marvin Freeman seeking to be elected to the seat currently occupied by Samuel Glazer, who is not running again.

Robert J. Adrian seeking to fill the unexpired one year term of Allen Redlich, a board member who moved from the school district last year.

Clifton B. Smith is a candidate for the seat presently occupied by Samuel Glazer, who is not seeking re-election.

Mrs. Gertrude (Trudy) Kaplan who is running for the seat of the retiring Mrs. Elisabeth T. Babcock.

The Budget and Transportation propositions vote and Board of Education elections will take place at four polling places on May 6: Split Rock, Robbins Lane, H. B. Thompson and Syosset High School, 10 A.M. to 10 P.M.

Three Seek Two Open Library Trustee Seats

Three candidates have filed petitions to run for the two seats which will be open on the Board of Trustees of the Jericho Public Library. Those seeking places on the Board at the forthcoming May 6th election are:

Ernest W. Lopez and Samuel Saitz, both running for the seat of Irving James which expires on June 30th of this year. James is not seeking re-election. The member elected to fill this vacancy will serve for a full term of five years.

Lopez resides at 122 Bounty Lane while Saitz lives at 10 Millpond Street.

Stephen H. Levine of 31 Hedgerow Lane is the only declared candidate for the unexpired term of Morton Thielle whose term expires on June 30, 1971. There is, therefore, one year remaining on Thielle's term who has resigned and will not be a candidate.

The dedication of the new Syosset Public Library is set for Sunday, May 3, 1970 from 1 P.M. to 4 P.M. Distinguished guests of honor include Lester Wolff, U.S. Representative from the 3rd Congressional District, John Burke, Supervisor of Town of Oyster Bay and Andrew Geddes, Director of the Nassau Library System.

The dedication ceremonies will start at 1:30 P.M. and will be followed by open house and tours of the library conducted by library personnel. The new 23,500 sq. ft. building which has been open for service since February 23 was designed by Gibbons, Heidmann & Salvador of White Plains. Book capacity is in excess of 96,000 volumes and off-street parking is provided for 85 cars.

JERICHO FIRE BELL

WRITTEN MONTHLY BY THE MEMBERS OF THE JERICHO VOLUNTEER FIRE DEPARTMENT IN THE INTEREST OF FURTHERING COMMUNITY RELATIONS.

The Jericho Volunteer Fire Department's primary function is that of protecting all residents of the district from the ravages of fire; however, there are other emergencies that necessitate the service of the Department. The Department maintains an emergency rescue truck equipped with an oxygen resuscitator, Batronix resuscitator, first-aid equipment, baby delivery kits, stretchers, etc. This truck and equipment is ready and on call 24 hours a day, 7 days a week. The Jericho Volunteer Fire Department has been called to answer such emergencies as heart attacks, auto accidents, baby deliveries, electric shock and numerous other incidents where the services of trained first-aid personnel are required. On numerous emergency calls the speedy and efficient responses of this rescue truck and its crew has made the difference between life and death. During the year 1969, the Jericho Volunteer Fire Department was called upon to make 33 rescues, and this year, in the first three months they have answered 18 calls for help.

If you find that you are ever in need of this emergency rescue service, all 931-0000 and tell the Fire Department Dispatcher the nature of the emergency and give

your name, address, and telephone number. You can be assured that the men of the Jericho Volunteer Fire Department will answer your call for help with understanding, experience and dispatch.

All residents of the Jericho Fire District should have received a letter recently from the Jericho Volunteer Fire Department explaining the new procedure for reporting a fire or emergency. This letter also contained an explanation of the master invalid file now being updated by the Department. If you have not received this notification, your name DOES NOT appear on the Fire District list of residents. This list is the primary means of informing District residents of matters pertaining to their fire safety. For your protection, you should notify the Fire Department that your name was omitted. Call 931-3546 and inform the Fire Department Dispatcher that you need your name added to the District resident list. You should also inform him if an invalid resides in your household.

Your Fire Department is constantly striving to provide the residents with the finest possible fire protection. We would appreciate your cooperation in continuing these high standards.

75 Attend Budget Hearing!

"The Board of Education, making every effort for reasonable economy, has been able to reduce the estimated budget increase from a preliminary \$2.46 to \$2.16 and to the significantly reduced figure of \$1.13." So stated Howard Jankowitz, President of the Jericho Board of Education, as he welcomed approximately seventy five residents to the Public Hearing on the Proposed 1970-71 school budget, held on April 16 at the High School. Mr. Jankowitz further explained that these reductions were the result of Board analysis, suggestions by the Budget Review Panel, recommendations by administration, and district-wide efforts to bring about legislative changes. "Thanks to these many efforts of interested residents, the administration, and your Board, adjustments resulted in holding the estimated tax rate to \$10.38 per \$100 of assessed value," added Mr. Jankowitz.

The proposed budget includes a contingency estimate for negotiations with all professional and non-professional employees. Mr. Jankowitz explained that the estimate is included "in order to present an actual, rather than an understated, budget."

The Board estimated almost one dollar of the estimated \$1.13 increase is a result of mandated expenses. Items such as salaries, retirement insurance and debt services must be met by the district whether or not there is approval by the voter.

The Annual Meeting will be held on Tuesday, May 5 at 8:00 p.m. in the Jericho High School Auditorium.

Annual Voting will take place on Wednesday, May 6, from 2:00 p.m. through 10:00 p.m. in the High School Gymnasium.

Maverick First In It's Field

The first of the domestic auto industry's new small cars - Maverick - celebrated its first birthday on Apr. 16 with more than 340,000 sales to its credit.

Maverick's national sales picture was boosted by the car's individual performances in Ford Division's 35 district sales offices, including New York. Since its introduction on April 17, 1969, more than 19,000 Mavericks have been sold in the New York district, making it the first-year sales champion in the history of the district.

"Maverick gave our dealers a tremendous spring tonic when it was introduced last April and it's helped to carry us over some rough spots ever since," said Ford Division's S.J. Obring, district manager.

"The effect of that sales shot has improved Ford's overall strength in the district and the nation."

"Maverick 'botted' onto the automotive scene last April 17

with all the eye-catching appeal of a mini-skirted Park Avenue model. The word 'botted' is not chosen lightly. Within its first three-and-a-half months on the market, Maverick had romped to more than 100,000 sales nationally to give it the most successful introductory period of any car in history.

"Maverick has followed in the Mustang Falcon tradition - from the excitement it created to the sales it stimulated," stated John Naughton, Ford Motor Company vice president and Ford Division general manager. "It gives Ford Division a one-two-three punch with the three most successful cars ever introduced."

"The car has been everything we'd hoped it would be, and more - a terrific conquest car, an innovative pacesetter and an exciting showroom draw. What's more important, Maverick has been exactly the right kind of car to meet today's exacting market demands," Mr. Naughton said.

Speakers at the April 29th Career Day seminars at Mineola High School, were Mr. F. Castellano, an Occupational Analyst of Hicksville, Mr. Fred Altg of Lithographic Press, Inc. of Hicksville and Mrs. Genevieve Fauls, of LILCO, also of Hicksville.

Mr. and Mrs. Irving Rifkin, of JERICHO, have announced the engagement of their daughter, Joy, to Harold J. Falber of Tarrytown, N.Y.

At L.I. Lutheran

The Long Island Lutheran High School administration has announced plans to continue the present series of information meetings into the month of May. The meetings are designed to aid parents of prospective students in deciding upon enrollment for the fall semester beginning September, 1970. Openings exist in grades seven through twelve.

The first of the May meetings will be held on Sunday, May 3 at three p.m. on the Brookville campus, 131 Brookville Road. The meeting is open to all interested parents.

Hicksville Library

Any high school student interested in working for the public library budget campaign is invited to attend a meeting to be held at the Library Wednesday evening May 6 at 8 P. M. in the auditorium. The purpose of this meeting is to discuss the budget and organize and plan this year's referendum vote on June 9. Some members of the library staff will be on hand to help with the planning.

The students efforts last year contributed to the 1200 majority the Library received.

"We again hope to achieve the same large approval by the taxpayers of Hicksville," said a Library spokesman.

Mandolingua

On Saturday evening, May 2, at 8:00 P. M. in the Junior High School, Jerusalem Ave. and Second Street, Hicksville, the Foreign Language Department of the Hicksville School District will present its third MANDOLINGUA for the benefit of the Summer Study-in-Europe Program. Featured will be the Long Island Mandolin Orchestra, a non-professional group of over twenty dedicated musicians, under the direction of Hy Pulin, presenting some eighteen selections from countries all over the world.

As an additional feature this time the audience will be asked to participate in a Community Sing. With the help of an overhead projector and screen those present will be taught the words of five songs - one each in French, German, Italian, Latin and Spanish - and invited to sing along.

Elementary school children are presently rehearsing songs in the three languages taught there and Senior High School students the German and Latin songs. Students will be present to lead their under - 30 and over 30ish friends and parents in the words and melodies.

EDWARD R. CROWE has been appointed a banking officer of Marine Midland Grace Trust Company of New York, according to Crocker Nevin, chairman of the board and president.

Mr. Crowe is assigned to the bank's Nassau office, 364 North Broadway in Jericho, where he has been personal loan representative and family financial counselor since March, 1969.

He is a director of the Hicksville Chamber of Commerce and a member of the Hicksville Rotary.

He is a graduate of Utica Free Academy (Utica, New York) and has also studied at Pace College and the American Institute of Banking.

Inner Pollution And Outer Pollution

By Joseph F. Madden

It should be noted at the outset that if the finger of guilt seems to be pointed then it must be pointed first at the author.

Sometime in the early eons a creature crawled out of the sea and brought that sea out in its abdomen. Now that creature, man, is glutting its insides with alien matter and the land and sea with offal. He is walling himself into a prison of matter that is pressing in all directions.

Drugs, alcohol, tobacco, pills, and all the other inner pollutants are plaguing our society. In the external order the air is being poisoned by carbon monoxide, the ground by litter, and the sea by waste and sewage. It is all around us and deep inside us. It threatens to strangle our very existence while our hands are either manacled or idled by the seeming inexorability of the problem.

This is not a generation gap situation because it is caused by and effects everyone regardless of age. It is not political because it troubles all political factions and arouses yearnings for cure in each of them. It is not a contest between industry and consumer because one needs the other and uses the other in the pile up. It is a spectre that not only hangs over us but resides in us.

The subject is ecology. Ecology usually means the physical environment, it could readily imply the spiritual environment. There is a psychological and philosophical jam that is at the start of the pollution problem.

The collective psyche is filled with litter. Not just surface stuff but rubbish that is imbedded into the deep corners of the brains. The jam in the minds blocks the ability to relate and communicate. Perhaps "Earth Day" could extend to include the spirit. With a little clean up human relationship could be opened and some of the real pollution would be cleared away.

AT THE LIBRARY: (l. to r.) Richard Van Benthuyssen as "Snoopy, the Red Baron"; Judges: Mrs. McGrath; Mrs. Arnold; Mrs. White; Mrs. Andrews, and Mr. Barnes. SherriLinn Epstein as "Raggedy Ann"; and Stephen Reed as "Captain Hook" (Photo by Charbonnet).

Costume Party At The Library

On Tuesday afternoon, April 14th, at 4 p.m., the auditorium of the Hicksville Public Library was transformed into story-book land. The Children's Room, for National Library Week, held a costume party for the 5 through 8 years olds of the community. There was "Heidi", "Pinocchio", "Captain Hook", "Robinson Crusoe", "Raggedy Ann", "Snoopy" and many other characters from the world of children's books.

Mr. K. Barnes, the Library Director, Mrs. C. McGrath, a 4-H leader, and Den Mothers, Mrs. J. White, Mrs. C. Arnold and Mrs. J. Andrews were the judges and they had a very difficult task choosing the three best story-book character winners. After

much hesitation and decision making, they chose Stephen Reed, who was "Captain Hook"; Sherli Linne Epstein dressed as "Raggedy Ann" and Richard Van Benthuyssen who came as "Snoopy the Red Baron".

The awards were as unusual as the costumes, a ride on the Library Bookmobile in the annual Hicksville Memorial Day parade on May 30. After the winners were announced all the story-book people paraded through the Library to show all the Library visitors the talent the mothers of Hicksville have.

A wonderful time was had by all who participated either by entry in the contest or by their presence in the audience.

Social Security News

Persons receiving social security benefits will get a 15 percent increase beginning January 1970.

The checks mailed on April 3 represent payment for the month of March and will include the increase. A separate check will be mailed near the end of April to pay the increase for January and February 1970.

People who receive social security benefits do not have to do anything to receive the increase. They will receive the increase automatically.

The maximum payment to an individual reaching 65 this year is \$189.90. Higher payments are possible for persons who retire after 1970.

A young disabled worker can receive up to \$250.70 a month.

A maximum of \$434.40 a month is payable to a young disabled worker and his family or to survivors of a deceased young worker.

Ramblin' Rose

By Rosemary Walsh

This is my week to play Howie Finnegan. Sorry O' Coach Howie to cut into your business but you know I do my own sports watching.

Last Friday we took a day off and accompanied the Hicksville High Quarter Mile Relay Team on its trip to Philadelphia. They competed in the Penn Relays. The competition was very stiff but our boys looked fine.

It was a good experience for all. The rain poured down but we all enjoyed being part of a great sport tradition. Ken Kingsley is their coach and the team includes Jim Ajello, Joe Schreiber, Bob Scanzillo, and Ed O'Reilly. It was a great pleasure to travel with this contingent. They are four fine young men coached by a dedicated physical educator. Hicksville can be proud of them.

Another source of pride was reported to us by Miss Arlene Resnick of the high school physical education staff. Debbie Somerville, 16, of the junior class, took silver medals in Uneven Bars, Vaulting, and Floor Exercise. She won a gold medal in Balance Beam and in the All-Around event to become the new A.A.U. Junior Metropolitan

Gymnastics Champion. Debbie started gymnastics in the special gymnastics class at the junior high, and was a member of the junior high team. She entered open competition for the first time last year, and, as a novice won the district Novice All-Around Championship meet last spring. She competed in Junior Class this year, until an injury sidelined her from the end of February through the Easter recess. She had just two weeks to prepare for this meet!

More sports—On Monday April 20, 1970 the Hicksville North Stars defeated Berner High School 12-1 for the Long Island High School Championship. Mike Mahlstadt had 4 goals and 3 assists, Erik Andersen 2 goals and 1 assist, Chris Bohm 1 goal and 2 assists and Fred Bourchard 2 goals, Ed Kern 2 goals, and Pete Gebhardt 1. The team is made up of the following members: Bob Lewis, Norm Freedman, Frank Effinger, Jeff Fleishman, Ed Kern, Mike Mahlstadt, John Britefellow, Frank Meiners, Ted Green, Bill Kelly, Erik Andersen, John Schrink, Randy Rybak, Craig Becker, Kevin Sweet, Gary Nuccio.

The week end found us at two other events. The International Little League opened its season with a ceremony at Lee Avenue (luckily, in beautiful weather). The speaking assignment was shared with Warren Doolittle of the Oyster Bay Town Board. The Hicksville Baseball Association opens this Saturday at Dutch Lane School.

The other event was the Hicksville Recreation Symphony Concert. It was made up of the Community Orchestra directed by Charles F. Gouse; Community Chorus, William Golecke, Director; High School Chorale, Charles Arnold, Director. Peter Horvath conducted the Overture. Charles Gouse conducted the Concerto for Bassoon, with Daniel Smith, soloist; followed by the Sacred Service, also conducted by Charles Gouse. It was a most moving piece and an audience of over six hundred sat spellbound.

HEAR YE: Oyster Bay Town Councilman Warren M. Doolittle posts proclamation saluting Reverend Frederick J. Harrer, Pastor of St. Ignatius Roman Catholic Church, Hicksville, on his Silver Jubilee in the priesthood. In the background, left to right, Joseph Kaprinski, Grand Knight of the Joseph Barry Council, Knights of Columbus, Hicksville, and Reverend Harrer, recipient of this proclamation from the Town of Oyster Bay.

Howard J. Finnegan

It was another splendid night for students of Hicksville High School and Coach Bill Meyers Orange and Black Lacrosse team under the arc-lights of Hofstra Stadium.

Hicksville had three goals in the first two and a half minutes as Kirk Jurgelevich, Rich Kowalchuk and Charlie Arnone converted sharp passes.

The Comets went on from there to stun Farmingdale 10-1. The victory over Hicksville's oldest athletic rival counted in the harsh Share Athletic League Section one standings.

A wild thunderstorm an hour before the game cut the crowd to under 500. More than a thousand tickets had been purchased in advance sale.

However the rain stopped just before 8:00 p.m. and allowed the Hicksville orchestra, twirlers and Girls Precision Dance Squad to perform.

The continuous music throughout the contest and a fine halftime show provided a colorful evening.

As President of the Lacrosse Coaches Association Will Meyer has first worked very hard to left the standard of the game and its surrounding fanfare at Hicksville and then the County.

His Hicksville presentation at Hofstra provided an example. It is just to bad that those in authority never take time to watch and applaud.

Hicksville will play under the lights and on Hofstra's Astro Turf, next Friday, night against Clark of South Westbury. It will be a scholastic double header. Clark will be the home team, it will be a league game.

Coach Ken Kingsley took his Hicksville High 440-yard Relay team to historic Franklin Field, on the University of Pennsylvania campus, in Philadelphia, to compete in the Penn Relays, this past week-end. It was a great experience for

the Hicksville boys to be able to take part in the relay Carnival which annually attracts the nation's best scholastic and college teams.

Wearing the Orange and Black were Jim Ajello, Bob Scauffilo, Joe Schreiber and Ed O'Reilly. They acquitted themselves admirably.

They equalled their own best time of .45.2 which is the Hicksville school record. It was set by the same quartet a week previously in the Section 8 Nassau County Relays.

The team had two ardent supporters in Rosemary Walsh and Joe Modden of the District's Recreation Department who made the trip with them to Philly.

Gary Jackson put Hicksville on the high rail in pursuit of the Section one baseball championship with a 1-0, one hit, victory over Clark.

However in the second match Hicksville went into the last inning with a 6-2 lead and encountered an uncharacteristic clarity.

Clark just stood idly by as the Comets inexperienced second line pitching fell apart.

Coach Dick Hogan, he has the best won lost ten year record in Nassau County, suffered the anguish of seeing three hurlers hit two batters and walk six all in succession.

Without striking the ball Clark had 5 runs and a 7-6 win.

Hicksville fell back with the pack at 3-1 as a result. The full impact came Tuesday afternoon when Farmingdale defeated Hicksville 2-0. Hicksville got only one hit behind Jackson who lost his first game of the season. This weeks HHS Varsity Schedule and our selections:

- Lacrosse, Friday - MacArthur (7) at Hicksville (6)
- Lacrosse, Tuesday - Hicksville (9) at Syosset (3)
- Baseball, Friday - Massapequa (8) at Hicksville (2)
- Baseball, Tuesday - Hicksville (6) at Plainedge (1)

"Expo 70" Comes To Fork Lane School: Ellen Fischback and Valerie Diana, pupils in Miss Dorothy Huskewicz' Sixth Grade at the Fork Lane School, Hicksville, are shown above presenting a social studies report about life in Japan to their classmates. The girls prepared and served Japanese feed, and displayed clothing and scrapbooks.

which is bounded by Ketchum Road, South Oyster Bay Road, Woodbury Road and King Street. Mrs. Donatiello said this area is strictly residential. A special permit might be considered, but a change of zone, no, said Mrs. Donatiello.

Dentists Office

No one opposed the petition of Norman H. & Adele Leefer for modification of a resolution granting a special permit use for a dentist's office at the southwest corner of Holyoke Road and South Oyster Bay Road.

WANTS MODERN OFFICE: Dr. Norman Leefer, right, dentist practicing at Holyoke Road and South Oyster Bay Road, was present at the Oyster Bay Town Board Meeting with his attorney, Joseph Saladino, to request permission to expand and modernize his office.

Dr. Leefer, who was present said the modification was not requested in order to enlarge his practice, but merely to give added space in the waiting room and one of the examining rooms now in existence. He said that he now hires a hygienist and another dentist part time just to help him catch up on a backlog in his practice caused by his recent illness. Whereas the entrance is now on Holyoke Road, the modification would change this entrance to South Oyster Bay Road.

He was represented by attorney Joseph Saladino, of Wantagh. Dr. Leefer is a resident of Woodbury. No one resides in the house where his practice is carried on.

Against Model Home

At the close of the public hearings, Mrs. Donatiello, in behalf of the Northeast Civic Association, objected to the Robinhood Model home on Woodbury Road and Pollok Place. She said residents of the area had suffered the annoyances of flags and congestion since 1966. The builder does not build in the area she said, but "Spot builds" to order.

Members of the Town Board said they would look into the situation and be in touch with Mrs. Donatiello.

Herald Report School District 17 Hicksville

by Shirley Smith

The School Board has set the figure for the proposed 1970-71 budget. Total budget is \$19,889,771 -- this does not include increase arising from negotiations with employee groups. The new budget figure is an increase of 24 cents per \$100 assessed valuation over this year's tax rate of \$9.84 per \$100 A.V.

The Board will also present a referendum of \$500,000 for capital improvements within the district. This figure represents an increase of \$.04 per \$100 assessed valuation over the 1969-70 tax rate. Of the total referendum figure, \$345,000 will be for the Junior High for:

1. Additional cafeteria space for the 7th grade
2. Rooms for health and guidance services in the T-wing (7th grade wing) -- virtually all 7th graders will be con-

3. Replacement in their own wing
4. Choral room
5. New corridor, eliminating traffic through boys' gym

The transportation contract for the 1970-71 school year has been awarded to County School Service, Inc., in the amount of \$1,141,400--this is included in the total budget figure proposed for 1970-71. With this contract, the district will have essentially the same transportation now provided for our students.

The proposed budget and referendum will be voted on June 9, from 10 a.m. to 10 p.m. Registration is set for May 23 from 10 a.m. to 5 p.m. The budget hearing is May 28 at 8 p.m. in the High School auditorium. Candidates' forum is June 3.

TARS Meet

By Carol Budnick

The Hicksville Teen Age Republicans met Friday, April 17, the Seaman-Eisemann Building, at 8:30 p.m. At the meeting resolutions were adopted to the effect that the Hicksville TARS will work April 25 on the Association for the Help of Retarded Children in their Teen Drive. A resolution endorsing and supporting Councilman Warren Doolittle for return to Town Council this November and to assist him in all ways possible was made. Support and assistance of the Flag Day Plans of Mr. William Gaborow was also made. The club also adopted a new Constitution.

After the meeting, at the social hour it was announced that the next meeting of the club would be on Friday, May 15, same time, same place.

Benefit Performance

The Hicksville High School Thespian Society will be presenting "How to Succeed in Business Without Really Trying" at the Hicksville Senior High School on Wednesday, May 13, at 8:15 P.M.

Admission is \$1.00 and the proceeds go to the High School Scholarship Fund.

"Here is a chance to introduce your children to the theater and benefit a good cause at the same time," said a PTA spokesman.

Conservatives Meet

Last Friday evening at a regular meeting of the Mid Island Conservative Club, the membership adopted the following resolution:

"Be it hereby resolved that the membership of the Mid Island Conservative Club support the traditional American concept of local control and planning of community growth and oppose any action by outside groups, public or private, which would threaten or weaken this control and lead to the de-suburbanizing of the Town of Oyster Bay.

Specifically, We oppose any action by the Town Council which would accede to the recent demands made by the National Association for the Advancement of Colored People for the rezoning of large parcels of undeveloped town land for the purpose of building multi-dwelling, high density housing.

We oppose the proposal by the Nassau County Executive for the establishment of a State Zoning Board of Appeals with the authority to override local zoning decisions.

We demand the abolition of the State Urban Development Corporation, as this agency, with its dictatorial powers to enter any community to condemn and rezone, despite the objections of the residents of that community, constitutes the single greatest threat to local control of community planning.

We strongly urge the early adoption by the Town Board of Oyster Bay of a Comprehensive Master Plan agreeable to the residents of the Town after full and open public hearings. This Master Plan should strive to assure maintaining of the suburban character of the town and eliminate the present practice of spot downzoning and the consequent evils associated with this practice.

Let it be further resolved that a copy of the above resolution be sent to all members of the town board and our local legislative representatives in Albany."

The Mid Island Conservative Club will hold a dance and cocktail party Saturday evening, May 2, at the Androns Restaurant in Plainview. For tickets contact Dan Donovan at 431-8568.
