A Summer Tea: The Future Homemakers of America, Hicksville High School Chapter, after a year of extremely worthwhile activity, invited Mr. Rusch, principal (l.) and the four assistant administrators, (l. to r. in rear) Mr. Olvany, Mr. Feigin, Mr. Jones and Mr. Palguta, to a tea. The president of the chapter gave her annual report—and the girls are to be commended for their work with and at the Burrwood Home for the Blind, a children's day care center in Westbury, and other organizations in need. Mr. Rusch made special comment on the fact that the group was small but their accomplishments great. He urged the in-coming officers to spread word of the satisfaction they derived from their charitable endeavors—and hoped that next year's membership would increase. Congratulations to Mrs. Weissman, (2nd on l.) their advisor, and to this hard working bunch.

Herald Report School District 17 Hicksville

by Shirley Smith

Following a lengthy executive session Tuesday night, the Hicksville School Board ratified the teachers' contract. The contract must now be ratified by the teacher (at press time, that meeting was being held.)

Board president, George Jackson, said that all terms of the contract could not be disclosed until after the teachers vote, but several points have been made public: the starting salary (for a B.A.) will be \$8000, with proportionate increases for other teachers as set down in the 1969-70 contract. The starting salary for teachers, under the existing contract, is \$7300. The new contract will expire June 30, 1972.

Mr. Jackson also announced that, with settlement of negotiations, the tax rate for the proposed 1970-71 school budget will be \$11.29 per \$100 assessed valuation. This new tax rate—which includes all negotiations and the referendum for the Jr.

High addition and instructional equipment for all schools in the district—is an increase of \$1.45 over the present tax rate. Although all negotiations have not been finalized, these contracts will not affect the new tax rate. Contracts with the custodians, clerical staff, cafeteria, principals and supervisors group, and the business managers, building and grounds superintendent (XYZ group) are still being negotiated.

At Tuesday's meeting it was brought to the Board's attention that Hicksville school district residents living in Westbury (in the area near Cantiague Park) did not receive copies of the 1970-71 proposed budget. Other residents in the Burns Avenue School area also failed to receive their copies. Dr. Frederick Hill, Assistant Superintendent, said that the district would get budget brochures to these residents.

Tax Rate Increase, \$1.45

Board of Education And HCTA Reach Agreement

The long and strenuous contract negotiations between the Board of Education and the Hicksville Classroom Teachers Association have been informally concluded by the signing of a memorandum of agreement by President George Jackson for the School Board and President Max Joseph representing the teachers group. The signing took place at School Headquarters Tuesday evening following an executive session at which School Board members received the report of their Negotiator, Attorney Joseph Catalano, and agreed to authorize ratification on behalf of the Board. Voting for ratification by teachers is scheduled for a general teachers association

meeting on Thursday afternoon at the High School.

In reporting the tentative agreement at the Public Board meeting, President Jackson indicated that the proposed school budget for 1970-71 would have to be adjusted to include the new terms of settlement. The budget brochures issued by the Board on May 14 CLEARLY STATED that the proposed tax increase of 24 cents for all other budget purposes DID NOT INCLUDE any estimated costs for settlement. The Board brochure also stated that if the negotiations were completed prior to the annual meeting, the Board would inform the voters of the costs involved.

Using the pattern of the teachers agreement as a likely basis for proportionate settlements with other employee groups, President Jackson estimated that the budgeted tax rate would have to be increased by \$1.45, including 4 cents cost of the separate referendum item for the Junior High addition and instructional equipment for all schools throughout the district. The increased rate of \$1.45 would apply to each \$100 of assessed valuation. The present school tax rate is \$9.84 per \$100.

While terms of the settlement could not be officially disclosed pending ratification by the teachers, it was understood that the beginning salaries for Hicksville teachers would go from the present \$7300 to \$8000, with proportionate increases for experienced teachers set by ratios established in the present contract. If ratified by teachers, the settlement would appear to be in line with other settlements announced by Nassau and Suffolk school districts. Generally, a pattern of approximately 10 per cent adjustments seems to be emerging as a basis for settlements announced to date, with accompanying adjustments in related fringe benefits such as hospitalization and life insurance. Generally the agreements further provide for a guaranteed cost of living adjustment in exchange for a two-year settlement.

In the Board's proposed budget prior to settlement, there was funding to meet all anticipated cost increases arising from the general change in living costs, together with funds to provide for continuance of present Board transportation services to both public and non public schools. Transportation bids received this year were almost double the costs of bids received three years ago. Most dollar increases, therefore, provided for the higher costs of existing services to children, plus the normal yearly increments of civil service and other employees. Total budget increase, including estimated costs of all negotiations and other cost rises, is \$2,306,616. The new budget total will be \$21,177,771.

Organization Helps Library

By Bernice Neufeld

For the second year the young people of Hicksville are helping the library with their budget campaign. Last year's student helpers are all High School seniors, therefore they are too busy with their final grades to help us physically, but are contributing their past experiences to this year's workers. The young people involved this year are all sophomores in High School, and in this way will be able to work on the vote for two years and in the second year train a future crew, to go on when they are seniors. We will be able to perpetuate this involvement of young people for a better library for many years to come.

Last year's group could not come up with a name, but this year the group named themselves "SWABEL." - Students Working for A Better Library. They also put out their own flyers that they distributed throughout the town, and at the railroad station, prior to the registration on Saturday, May 23. The chairman of the group, Thomas McLaughlin, assigned different school voting areas to a student of each of these areas, and they in turn assigned different streets for their co-workers to work on. In this way they got almost the entire town covered in a house-to-

house distribution of the registration materials.

All the library has done to help SWABEL is to provide a meeting room, run the flyers on the mimeograph machine and give maps for them to work out the areas to be covered. A Library staff member has been in attendance at all of the meetings. So far all the ideas have come from the young people themselves, with little that the library had to enlarge upon.

When we read of all the negative things that young people are doing today, to hear of a group like SWABEL is most encouraging for the future. After all the students are really the ones who need a Library now, and for the many more years to come until they are finished with school. They are helping the older generation too, by seeing that we get all the library materials we need to make our lives more exciting, cultural and easy.

We at the Library salute these dedicated young people and hope that their efforts prove as rewarding to the townsfolk as last year's students involvement. The Library majority vote in 1969 was over 1,700. To give these 'kids' an endorsement, vote "YES" for the budget and they will have done their job well.

From Our Postmaster...

The Hicksville, New York Post Office will discontinue the sale of U.S. Savings Stamps after June 30, Postmaster Ralph G. Cascardo reminded customers today.

The Treasury Department had announced in February that they were ending the sale of these stamps by the end of the fiscal year.

better way for young people to save," he said, "than buying and holding U.S. Savings Bonds". The stamps can also be redeemed for cash at any post office.

The stamps - ranging in value from 10 cents to \$5 - were part of the Postal Savings program prior to 1942 when they "joined" the War Bond drive.

Volunteer Summer Jobs

County Executive Eugene H. Nickerson invited the young people of Nassau County who do not have summer jobs to donate a few hours of their time in exchange for on-the-job experience.

"If, as employment specialists predict, there is a scarcity of jobs this summer, thousands of energetic, restless young people will find themselves with little to do."

"Volunteer jobs in County departments are varied, interesting, and although they offer no monetary compensation, the work usually brings unique personal rewards," the County Executive said.

He added that the Office of Volunteer Services will coordinate the requests for volunteer jobs with the County departments. Young people interested in volunteering should write the Office of Volunteer Services, 160 Old Country Rd., Mineola, N. Y. 11501, or phone Phu Fleer at 535-3897 for information.

Requests for volunteers have been made in the following areas and departments:

Health Information: Students are needed to staff health and referral centers in a variety of communities. They will be given intensive orientation.

Memorial Day

A touch of pride comes into our lives on Saturday. It is a holiday sacred to all Americans, and rightfully so. Not just to old Americans, the middleaged or the young, but to all Americans. On Memorial Day there are no generation gaps. We all pay tribute to Americans killed in wars. And wars have a way of humbling the rich and mighty even as they enrich and ennoble the poor and nondescript. The rich and the poor, the good and the bad, have served alike on fields of battle.

So, on this day let us remember no medal of honor winner still alive, has done as much or contributed as much, as the humblest soldier who gave his life for us. Let us stop this violent nonsense of rallies and counter-rallies for and against the war. No honest and good person, no true and honorable person was ever FOR a war. In the year 1970 there are few families in America which have not been saddened by some war past or present.

Let us, therefore, use this day to unite our hopes rather than shattering our dreams. Let us be thankful for all that unites us rather than all that divides us. These are simple things to do. Let us resolve to do them. And we owe that much not only to the dead but to the living and to the unborn who will one day carry on America's proud traditions. Our war dead gave their lives, so that all of us may live, as a free people in our

beloved country. And as we accept this gift of life made possible by the sacrifice of so many—let us pause, let us always remember them and let us live our lives so that they will be proud of us as we are of them.

ON THE PATIO: During Spring and Fall, Willet Avenue School's enclosed patio serves as a delightful outdoor classroom for teachers and youngsters.

The patio, designed primarily for light and ventilation for the school's classrooms, is especially beautiful during the warm months. Pictured above Mrs. Francoise Brown is conducting a class in 3rd grade Italian.

Children from right to left are: Katherine Endres, Lianne Drummond, Maria Viola, Stacey Oellinger, Valerie Butler, Julianne Wong, Almee Williams, Chris Fiore also, not shown Nancy Sucarino.

(Minimum age is 18.)
Jail: Tutorial help is needed in reading, math, typing, and in obtaining high school equivalency diplomas. Instructors in art, music, drama, poetry, bridge and chess could be used. (The minimum age is 21.)

Law Library: Two college students are needed for reception work and stacking.

Nassau County Medical Center: The emergency room needs men and boys around the clock. They will be given suitable training. Candy strippers, floor aides, wheel chair jockeys, assistants in the library, coffee shop, and gift shop, and friendly visitors will be placed after orientation. (Minimum age is 16.)

A. Holly Patterson Home for the Aged: The minimum age for volunteers at the Home is 15. The Home needs floor aides, candy strippers and friendly visitors to converse with residents, do personal shopping, write letters, play bridge and chess. Aides for occupational therapy are also needed.

Head Start: Youthful volunteers are needed to help with very young children in many of the Head Start centers.

Pre-School: College students, preferably education or psychology majors, will be placed where they can help with children whose social, emotional and intellectual function has been impaired.

Recreation: Volunteers from 14 to 18 years of age are needed to help in County parks, including Eisenhower, Wantagh, Can-tague, Grant, Morley, Roosevelt, Centennial, Manhasset Valley, Whitney Pond, Inwood, Nassau Beach, and Bay Park—to work in the tiny lot areas, the animal farm, on boat rentals, at swimming pools, and the puppet theatre. There is a rare opportunity for a talented volunteer to become an apprentice to Mrs. Jackie Razzano, well-known puppeteer.

Social Service: Volunteers are needed to staff the children's play room at Social Service, provide emergency transportation, and as case worker aides. (College age.)

Typists and clerical helpers can be placed in a variety of County agencies. Volunteer applications are processed on a first come, first assigned basis.

LILY TAG HONORS: The Plainview Council of the 4-H Clubs worked actively to help the handicapped by distributing Lily Tags for the Nassau (Easter Seal) Society for Crippled Children & Adults in return for donations by shoppers at centers in Plainview on Easter Seal Lily Tag Day, March 29th. The 4-H'er with the fullest canister in the Council was Janet Villelo, age 12, 64 Virginia Avenue. Janet is seen here receiving a gift in appreciation from Mrs. Janet Gosnell, Nassau Easter Seal Society representative, at 4-H Awards Night, held May 22nd at the Pasadena School.

LETTERS To The Editor

To My Many Friends,
I wish to thank all my good friends for their cards and good wishes, telephone calls and visits during my recent illness while at Syosset Hospital.
I am sure it was your good wishes that speeded my recovery.

Leon J. Galloway

Dear Mrs. Noeth:

In an official brochure consisting of 8 pages and containing some 6000 words on the Hicksville School Budget, our Board of Education caused to be printed in LARGE AND BOLD LETTERS on page 7 that the proposed 1970-71 school-tax-rate-increase is "...24 cents...per \$100 of Assessed Valuation..."

Among the same 6000 words, our Board acknowledges on page 6, in small letters that "...costs of negotiated settlements with employee groups are not included in the budget at this time..."

In other words, according to past official employee-increase-trends, the TOTAL PROPOSED SCHOOL-TAX-INCREASE WILL BE DECIDEDLY CLOSER TO 20 per cent, OR \$2.00/\$100 Assessed Valuation, instead of the misleading advertised .24/\$100!

While Board members may have been successful in passing last years' staggering 16.5 per cent school-tax-increase with the help of such an unethical practise, surely they don't expect to take-in the same people again this year by, again, resorting to this same gimmick!

Charles Fetta,
President
League For
Intelligent Financing
of Education

Dear Sir:

The Hicksville Board of Education may have fooled us last year with that widely published partial .56/\$100 assessed valuation school tax increase, AND THEN THEY HIT US WITH A TOTAL \$1.44/\$100 assessed valuation tax increase!

Now they have the gall to even attempt to go further this year, by trying to spoon-feed us a carrot offering us an even lower introductory tax increase of .24 \$100 assessed valuation school tax increase! And what will they add on under that all-encompassing employee negotiations as they did last year?

It's definitely "No," for us on the school budget this June 9th, until we elect members to the Board of Education who will give us the FULL AND COMPLETE TRUTH!

Dear Editor:

For two years we have been skeptical of a certain organization entitled "Life in Hicksville". We are now convinced that this is one of the most reliable sources of information on School Taxes and School Board information in Hicksville.

Who else would provide the following verified information: That School Taxes were increased 11.8 per cent in 1967; 15.7 per cent in 1968 and 16.5 per cent in 1969.

And now our board wants to increase our taxes 20 per cent in the coming June 9th vote - they must be kidding!

OUR EXPANDING LIBRARY SERVICES: At the Hicksville Lions Club luncheon meeting of May 13th, the guest speaker was Hicksville Library Director Kenneth Barnes. Mr. Barnes explained how business men are now using the reference section of the Library, more and more. He said that not only do business men use the library more, but also students and housewives, thus creating a need for expanding library services as much as possible. (Photo by Lion P. Charbonnet).

Dear Editor:

As you well realize the war in Indo-China has been the subject of much discussion and wide debate within the Third Congressional District. I thought you might, therefore, be interested in knowing the volume and nature of the correspondence I have received.

More than 5,000 constituents, representing every community in the area, have communicated with me in the past month regarding the war and their views on it. This includes telegrams, letters, cards and petitions. In addition hundreds of constituents, including students, teachers, school administrators, lawyers and others have visited my Washington office to express their views on the war. Finally, I have spoken with thousands of constituents in the District including large number of high school students.

Of those who have communicated with me more than 4,900* or approximately 98 percent, have expressed their opposition to the extension of war into Cambodia and their support for my peace efforts in the Congress.

I am now in the process of answering this great volume of correspondence. Everyone who has written to me with a legible name and address will receive a reply. Of course this will take some time, but, as always, we shall endeavor to answer all our correspondence.

Unfortunately some people did not provide a legible address and it will thus be impossible to answer their correspondence. You might want to encourage your readers to provide a legible name and address whenever they write to their elected officials so that we might be able to answer them. Thank you.

Sincerely yours,
Lester L. Wolff

On Wednesday May 21 at 10:37 AM a General Alarm Fire broke out in the 2nd floor of the Eiseman Buick Dealer at 330 Old Country Rd. Considerable fire damage was incurred in the Parts Dept. Storage Area. Upon arrival the First Engine Co. found the one section of the building heavily involved in fire. A second, third, and fourth alarm were sounded between 10:45 AM & 11:45 AM. 40 firemen, and 6 pieces of apparatus responded under Asst. Chief Mario Misturini. The Westbury Fire Dept. was called for Mutual Aid Assistance. The heavy smoke and heat conditions hampered firemen, but the fire was contained in the area it started in. One room was damaged, and part of the roof. The first floor and remainder of the second floor sustained minor smoke and water damage. Business resumed at 1:30 PM when firemen left the scene. The Fire Marshalls office listed the cause as electrical.
Chief Voorhies would like to stress to all residents of Hicksville to report ANY fire regardless of size immediately to the Fire Dept. In recent months on several occasions several delayed alarms have been received which resulted in considerable damage. The delay in reporting the fire gives the fire a chance to spread. When Firemen are finally called, they are expected to perform a miracle. It is much safer and cheaper to report the fire when it is small. We ask your cooperation in helping us keep Hicksville safe from fire. Repair faulty electrical wiring & appliances.
Do not overload electrical circuits.
Use caution when smoking - don't smoke in bed.
Keep all matches out of reach of children.
Use extreme caution when working with flammable liquids. Don't use them inside the house.
Swimming pool owners - use caution - follow direction when handling chlorine. It is dangerous if used incorrectly.

Night Hearing Asked For Rezoning Petition

A night hearing has been requested for a downzoning petition for a parcel on the corner of Old Country Road and Margaret Drive, Plainview, which has been scheduled for June 9th at the Town of Oyster Bay public hearing room at 10:00 A. M.

The petition requests a change of zone from Residence D to Business F for the property, which fronts 60 feet on Old Country Road, curves down Margaret Drive for a distance of 125 feet and slants north 120 feet to the west property line, which is 65 feet. The petition is that of Harold Walsh, Helen Walsh, Mark Lazarovic, Barry Levine and Nicholas Cassis.

A letter from Frank A. Duca, 4 Margaret Drive, on file with the Oyster Bay Town Clerk, requests a night hearing and encloses a petition carrying 138 names. According to the Town Attorney's office, 100 names of "qualified electors" is sufficient to be given

LECTURE ON ESP

ESP - fact or fraud? For many years controversy has raged over ESP. Today, parapsychology is regarded by many as a respectable field of study. Investigations are in progress in numerous universities; several laboratories and associations are committed to full time research, and higher degrees are awarded in the subject. Now a careful study of the work of parapsychologists is most important for scientists say that if their claims are correct, a complete revision in contemporary scientific thought is required at least comparable to that made necessary in biology by Darwin and in physics by Einstein.

Raymond Van Over, one of America's foremost experts on parapsychology, will give a lecture on ESP Wednesday, June 10, at 8:30 P. M. at the Plainview - Old Bethpage Public Library.

Mr. Van Over is the former editor of the "International Journal of Parapsychology" and the author of two books "Classical Papers in Parapsychology" and "Explorer of the Mind".

Mr. Van Over, who is a member of the faculty of Hofstra University will discuss telepathy, the apparent communication from one person to another other than through the channels of sense; clairvoyance, the power of discerning objects not present to the senses.

Free tickets for this stimulating lecture are now available at the library.

Ramblin' Rose

By Rosemary Walsh

Under a threatening sky a brief history of Hicksville was charmingly enacted by a class from Lee Avenue School. At the conclusion Mr. Gardiner Gregory apologized for a tear in his eye. The apology was not needed, a glance at those around us established the fact that he was not alone. It's a great thing that people understand yesterday, today, and tomorrow.

The event was all part of a celebration that heralded the Gregory Museum into its new location. The old court house, just north of Broadway, on Heitz Place will be the future site. In spite of the ominous weather it was a splendid affair. The Committee's members carried out their assignments and interested citizens appeared to enjoy scrumptious and inviting dishes to feast upon. An enthusiastic group was also busy beautifying the area with new plants.

The momentum has begun for the new Gregory Museum site. The first was the concert held on Wednesday evening at the high school. The Hicksville High School Stage Band presented a stunning benefit performance. Under the baton of Mr. J. David Abt this Glenn Miller style band nearly tempted some of the more mature sectors of the community into the aisles for a go at the "Lindy Hop". Hicksville Recreation hopes to sponsor a second summer concert series featuring them with just that purpose.

With a little push from the community Hicksville will preserve a part of its past and house a part of the future. Years from now people will be able to look at the old jail while perusing the wonders of science.

Getting back to the panorama—Mrs. Lena Hartnett produced the play and Mrs. Mignon McClain provided the music. Mrs. Hart-

nett's class played the roles. The players represented Robert Williams, Chief Pugnipan of the Matinecocks and other characters from Hicksville's history. It was more than well done. They were excellent and moving.

Meanwhile (back at the ranch) another group was making history. Since a new decision of the United States Supreme Court opened the school vote to all citizens over 21 our young people got moving. A new group of "Concerned" twenty-one to thirty motivated their peers to meet the obligations at the polls. At least 150 young men and women entered their names in the registry and will make their voices heard in the June school election. It is my pleasure to welcome these young citizens. I suspect that their weight will be felt in the future—through the orderly, peaceful, and reasonable channels of the democratic process. Welcome aboard my dear and precious young friends—but be prepared for an occasional bit of rough sea.

While these community endeavors were taking place the regular educational programs, as always, were doing their find job. I don't have to mention the Athletics—our cohort, Howie, takes care of that. But I speak specifically of the Music Department—they participated, and grandly so, in the local annual N.Y.S.S.M.A. competition at the Plainview High School. Their scoring should bring a rousing round of applause. The Hicksville High School Wind Ensemble scored a 6A (the highest)—J. David Abt, director; The Junior High School Advanced Band—Henry Gates, director, another 6A; The Junior High School 8th Grade Choir a 3B, directed by Peter Borst; and last but certainly not least the Lee Avenue

JAMES AMEN, JR. has been named Head Basketball Coach at Plainview - Old Bethpage High School for 1970-71. Mr. Amen has been Plainview Junior High School Basketball Coach for five years and Varsity Lacrosse Coach at John F. Kennedy High School.

Girls Chorus scored a 3A for Elementary Grades (another highest), they were directed by Mignon McClain.

You know I can't for the life of me imagine education in Hicksville not continuing on this high plane. We've so much to offer—so much to be proud of—so much to make one mighty glad I'm around to pay my taxes.

Next move is to our Annual Memorial Day Parade—sounds bigger and better than ever and yours truly (in red, white & blue) will be there around 8 A.M. doing my little bit to help. Must ramble off—See ya.

By
Howard J. Finnegan

Hicksville Junior High swept three first places and added an impressive second place finish to win the North Shore Relay Carnival and cement its hold as the best Track and Field team of the 1970.

The future Comets climaxed a campaign in which they won six league meets. The Hicksville crew scored over 100 points in each meet and was the winner of each by a margin of sixty points or more.

Seventy-two boys comprised the team. They were coached by the same successful combination of Mary Goldberg and his assistant Bill Matros that produced a 7 and 2 soccer campaign last fall.

Tuesday's driving rain did not deter the Junior High. The 440 yard relay team set a school record in winning 48.1. Members of the team were Larry Bray, John Bedell, Kevin Kutner and Jeff Thrope. That combination was victorious every time out this year.

Kenny Lowman, Chris Eon, Joseph Dantuono and Tom Monette won the Hurdles in 1:04.3. A total of 64 feet and 7 inches was achieved in the Broad Jump event by Raymond Walkowiak, William Auffant, Steve Sulzinski and Bob Corona.

In the high jump Danny Bell carried the Hicksville colors for a second place. Sal Buscarino, Jim Schumacher and Mark Markin totaled enough points to gain a second place finish as a team.

The distinction of completing their seasons undefeated went to Larry Bray, Kevin Kutner and Kenny Lowman.

Sixteen teams competed in the North Shore Relays. Howitt of Farmingdale, Salk of Levittown, Matlin of Farmingdale, Bethpage, McCleary of East Meadow and Island Trees were Hicksville's victims during the

regular campaign.

The Herald has learned that it will be announced next week that Richard Kowalchuk will be named All Nassau County Lacrosse attackman.

Chuck Arnone and Dave McIlwraith have won All Division honors on the North Shore. Arnone set a Hicksville High School Scoring record with 22 goals and 21 assists for 63 points during the season.

Kirk Jurgelevich set a new HHS goal scoring record with 31 net finders. He is a junior and will return next season.

Gary Jackson allowed just two hits and one run in four innings at MacArthur as Hicksville won the crucial game, 6-1 for a playoff berth in the 1970 playoffs. The Comets of coach Richard Hogan had a 7 and 5 league record.

After that win, powered by three hits off the bat of Tony Defendis, Hicksville had to watch five days of rain postpone the playoff assignment with Jericho.

There was an attempt to get it in Tuesday but after Hicksville loaded the bases in the first inning, a deluge ensued.

As matters stood a press time the plan was for the playoffs to be held daily until the champion was salvaged (Sunday excluded).

Proponents of the hoped for football playoffs have taken heart in the fact that the State will grant an experimental night game for a gridiron championship next fall in Nassau County.

This would leave the possibility of all teams in both the North Shore and South Shore leagues being considered for the title. This would eliminate the strong objection wherein within the present framework only teams from Divisions One and Two would be eligible for the championship.

Hicksville PBC
Holding Football
Registration

The Hicksville Police Boys Club held Football Registration at its clubhouse, 85 Bethpage Road, Hicksville, on Tues., May 26, and will hold it on Thurs., May 28th from 7 PM until 9 PM.

All boys ages 9, 10, 11 & 12 may register at the above date and time.

Last football season the Unit fielded one team in the 9 & 10 year old bracket. This season it is hoped that teams will participate in the 9 & 10 year old grouping and in the 11 & 12 year old group. The team did well for the first year of play, playing in the Levittown League, and compiling a record of 4 wins & 2 losses in league play. Most of the games were played under the lights at the Loring Rd. Field in Levittown. It is possible that the teams may play in the Levittown League once again.

At a later date girls will be registered for cheerleading instruction, and the girls will be selected to cheer for the teams.

THOMAS KIRDARY, ninth grade wrestler at the Hicksville Junior High placed first in the 125 pound weight class, Junior High Division, in the Hempstead Parks Tournament on May 16. Over six hundred boys were entered from all over Nassau and Suffolk Counties. Undefeated this year at 113 pounds, Tom continued his fine record winning five straight matches to win the gold medal. His brother, Albert a seventh grader, won his first two matches, and lost the third by a one point margin.

HHS's Greg Reilly
To Columbia

Five of Long Island's top high school wrestlers will be coming to Columbia next fall, according to Lion wrestling coach Jerry Seckler.

They are Salvatore Lanuto and Larry Trowbridge of South Huntington, Fred Cohen of Valley Stream, Greg Reilly of Hicksville and Steve Dworkin of New Hyde Park.

Reilly, a graduate of Hicksville High, was undefeated in dual meets this year but was forced to miss post-season tournaments because of injury. He is the son of Mr. and Mrs. Richard Reilly of 29 Field Ave.

Seckler is hopeful that these five Long Islanders will play a major part in making Columbia an Eastern wrestling power. In his two years as head wrestling coach at Columbia the former Penn State star has previously recruited two strong freshman teams.

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Organizational, community and general interest news should be submitted typewritten or printed, double-spaced in duplicate. Either drop off or mail to Editor, 14 Millpond Street, Jericho. Deadline for insertion - Monday, 11:00 A.M. Telephone WE 8-1965.

Ten Pin Talk

By Henry Dockswell

The Leo Geyers did it but the Bill Sussmans made them work for it. The Geyers needed just one game to clinch so Cap't. Bill Sussman soon showed them that they weren't going to do it in that first game. He cracked a 213 to overcome Cap't. Leo's 211 and capture the first game. But Leo rose to the occasion in the second game. He blasted a 230 to win the game and clinch the Championship. The Geyers won the First Half Title and thus they are the Overall Champs. Buddy Flanders rapped a 200 for the Sussmans in the last game but it was too late.

Final Standings

1. Leo Geyers	123	10. Lew Marks'	98
2. Bill Sussmans	120	11. Irv Simes'	93½
3. Herb Brodys	116	12. Sid Holtzmanns	92½
4. Sid Simons	110½	13. Bernie Kaplans	89½
5. Milt Hoffmans	108	14. Sid Sachs'	89
6. Ralph Diamonds	107½	15. Hy Shapiro	88
7. Red Karbels	105	16. Julie Gershens	87
8. Murray Kowlowitz	101½	17. Norm Neys	82
9. Bill Kellermans	100½	18. Milt Goldbergs	67½

Buddy Flanders won the two most coveted Individual Prizes: Hi Average of 193 and Most 200 Games, 32. Of course Buddy also threw that never to be forgotten 300 game on March 9 when he also amassed a 704 series. Technically he won every individual prize but the policy of the league is to allow one man to win only the highest category he has excelled in, with two exceptions: Most 200 Games (which he won anyway) and Most Improved Bowler (If Buddy had thought of it he could have sandbagged somewhat in the First Half and won that one too). The fellow who finally did win Most Improved was Art Rosenthal. He had a very disappointing First Half when he finished it with a 153 but then he started climbing and on the very last night he went up a point to 162 and beat out Monroe Hyman who slipped back just enough to let Art capture that trophy.

Final Individual and Team Trophies

Hi Series Scratch - Sid Lang 658
Hi Series Hdcp. - Harry Seaton 747
Hi Game Scratch - Herb Brody 277
Hi Game Hdcp. - Bernie Grill 298
Hi Team Series Scratch - Lew Marks' 2818
Hi Team Series Hdcp. - Milt Goldbergs 2681
Hi Team Game Scratch - Bill Sussmans 1000
Hi Team Game Hdcp. - Norm Neys 984

Before listing, for the final time this season, the men who cracked the Magic Circle we must note that Lou Vladem came within 2 pts. of taking Hi Series away from Sid Lang. Lou tossed a 209, a 189 and then boomed a 258 for a 654 series. He certainly wound up in a blaze.

List of Show-offs: Mike Hauptman 246, Bernie Lieberman 243, Phil Wasserman 243, Burt Benjamin 221, Milt Hoffman 217, Herb Brody 214, Sid Sachs 213, Elliot Spencer 212, Murray Gittelman 210, Nat Warren 209, Marv Kahn 207, Sid Lang got a double 206 and 203 and Hy Shapiro 201.

The last of the special prizes, Hi Team Series for the night, was won by the Herb Brody's who ended their season with a flourish. They shut out the Red Karbels to capture 3rd place and had a series total of 2600 to win \$10 a man.

And to all you lucky people who are going to the Nevele next week we'll see you there. To the rest of you - have a good summer.

Jericho Junior High Donates Kidney Machine

"Our students wanted to do something worthwhile for other people - something constructive that could help save lives, so they have collected \$2300 for the purchase of a kidney machine," stated Joseph Vecchiarelli, Jericho Junior High teacher, as he introduced ninth grader John Innelli, President of the Junior High Student Council. John presented the \$2300 donation to Dr. James F. Collins, Superintendent of Meadowbrook Hospital.

Joining in the presentation ceremonies, held at the hospital on May 12, were Arthur Rathje, Principal of the Jericho Junior High; Paul Corwin, Vice-President of the Student Council; Janice Turlellaub, Secretary; Peter Koffler, Treasurer; Bruce Smoller, Historian; and Robert Perna, Administrative Assistant to the Superintendent.

Junior High students, with the assistance of Mr. Vecchiarelli, conducted a massive candy sale in the high school and the community. Almost 6,000 boxes were sold, resulting in the large donation for the new kidney machine.

Superintendent Collins, upon acceptance of the Student Council's check, remarked that "in a time when so many empty gestures and token symbols are offered in the name of peace and consideration for others, it is wonderful to see youngsters actually doing something. I wish this would serve as an example to other young people." The students also received thanks "from the many people who will be helped, and whose lives will be saved" as a result of their generous contribution.

introduce talented high school students to linguistic science, and to stimulate in them a desire to pursue further scientific study. Nancy will spend the first six weeks in daily class and lab sessions dealing with the basics of linguistic theory, and linguistic field techniques. During the final two weeks, Nancy will apply her new linguistic knowledge by beginning the linguistic analysis of a southwest Indian language, utilizing as linguistic informants native southwest American Indians who reside in the Flagstaff area.

Junior High PTA Meeting On Budget

All members of the Hicksville Junior High School Parent-Teacher Association are strongly urged to attend the final meeting of the year. This meeting is of the utmost importance, for the major topic will be school district budget.

"As we all know, this is an item that will affect the children of our community, either in a positive or a negative way. Inform yourself on how necessary it is for a child to attend a school that has a solid educational program. Gather the true facts and

figures directly from our guest speakers, Asst. Superintendents of Schools, Drs. Cadden and Hill and also a member of the Board of Education," said a spokesman for the P.T.A.

"The meeting will be held in the Junior High Auditorium on Monday, June 1 - at 8:15 P.M. Refreshments will be served at the conclusion of this important program. Please mark the date down on your calendars right now, and pass the word around," she concluded.

News From Getty

A new name and a new gasoline marketing concept make their appearance, Wednesday, May 20, at more than 1,000 Getty Oil Company service stations in Greater New York, Northern and Central New Jersey and parts of Connecticut and Massachusetts.

The name Getty will appear over 1,014 company stations in these areas and Getty dealers will sell only one grade of gasoline, Getty Premium, "at less than premium prices".

Vice President Jack D. Jones, general manager of the company's eastern division, com-

menting on the new marketing concept said, "Our slogan - The premium premium without the premium price - tells the whole story. Getty dealers throughout most of the Company's East Coast marketing area are offering motorists the opportunity to fill up with a tankful of Getty Premium for just a few pennies more than regular."

The Getty concept was introduced earlier in Philadelphia, Delaware, Southern New Jersey and most of New England. Consumer reaction has been "most encouraging" Jones said.

In This Drug Oriented Age . . . It Is Vital That You Know The Facts!

It is easy to buy something just a little stronger to ease the nervous tensions of the day.

It is easy to get something to keep you awake when your job or responsibility demand it.

It is just as easy to get something to put you to sleep.

And from any of these it can be an easy step to drugs that cause dependence, and harm your body and your brain. Drugs are a boon to modern man. They can be his downfall, too. Learn about them. In many communities Kiwanis clubs are sponsoring drug education programs called Operation Drug Alert. In others, the work is being done by citizens' groups, professional societies, churches and the like. Contact the drug education group in your community. Learn about drugs. Pass the knowledge on to your children. You, and your community, will be better off if you do.

It is easy to get something to get you started and keep you going, when you are tired, dragged out or depressed.

Remember Me

Hello, remember me? Some people call me Old Glory, some call me the Stars and Stripes and the Star Spangled Banner. But, whatever they call me, I am your flag, the flag of the United States of America. . . . Something has been bothering me, so I thought that I might talk it over with you because it is about you and me.

I remember some time ago, people lined up on both sides of the street to watch the parades and naturally I was leading every parade, proudly waving in the breeze. Then your daddy saw me coming, he immediately removed his hat and placed it against his left shoulder so that his hand was directly over his heart? . . . remember?

And you, I remember you. Standing there as straight as a soldier. You didn't have a hat but you were giving the right salute. Remember little sister? Not to be outdone, she was saluting the same as you with her right hand over her heart. . . . remember?

WHAT HAPPENED? I'm still the same old flag. Oh, I have a few more stars since you were a boy. A lot of more blood has been shed since those parades of long ago.

But now I don't feel as proud as I used to. When I come down your street, you just stand there with your hands in your pockets and I may get a small glance and then you look away. I see children running around shouting . . . they don't seem to know who I am. I saw one man take off his hat and then look around. He didn't see anybody else with theirs off so he quickly put his back on.

Is it a sin to be PATRIOTIC anymore? Have you forgotten what I stand for and where I've been? Anzio, Guadalcanal, Korea and Viet Nam. Take a look at the Memorial Honor Rolls sometime, of those who never came back to keep this republic free . . . one nation under God . . . When you salute me, you are saluting them.

Well, it won't be long until I'll be coming down your street again. So when you see me, stand straight, place your right hand over your heart . . . and I'll salute you, by waving back . . . and I'll know that
YOU REMEMBERED.

CHINESE COOKERY...LATEST CULINARY CRAZE

Beef with Peppers and Tomatoes, a typical Chinese-style stir-fried dish, is a color-bright addition to menus. Easy to prepare as well as economical, authentic flavor is achieved with American ingredients. It is served with rice.

Chinese food is the current culinary craze among young moderns who have found that it is not only delectable, but economical and easy to prepare. Although Chinese restaurants have been popular since they first opened in the U.S. during the mid-19th century, home-preparation of Oriental specialties is a comparatively recent interest.

Exotic ingredients like preserved eggs and dried tiger lilies are not readily available in our stores, but one of the most important ingredients in Chinese cookery—peanut oil—is found on the shelves of most supermarkets. Peanut oil is essential to the success of the Oriental style of cookery, as well as for authentic flavor.

Lightest of the polyunsaturated cooking oils, Planters Peanut Oil brings out the flavor of foods cooked in it without imparting any taste of its own. In addition, it has a high smoke point, which means it can be held at high temperatures for stir-frying, deep-frying and other Chinese cooking techniques without burning or smoking.

Suggested here is an easy stir-fried combo with typical Chinese flavor in the sauce. It's economical and flavorful—a color-bright addition to menus.

BEEF WITH PEPPERS AND TOMATOES

¼ cup soy sauce
1 tablespoon water
1 teaspoon sherry
1½ teaspoons cornstarch
1 pound flank steak
2 cloves garlic, finely chopped
3 tablespoons Planters Peanut Oil
2½ cups coarsely diced green pepper
1 teaspoon salt
¼ teaspoon pepper
2 large tomatoes, cut in wedges

Combine soy sauce, water and sherry with cornstarch; blend. Cut steak into thin slices; add to soy sauce mixture. Sprinkle with garlic. Heat Planters Peanut Oil in skillet. Add peppers and cook over medium heat, stirring constantly, until almost tender. Add beef, salt and pepper, mix well. Cook until meat is tender, about 15 minutes. Stir in tomatoes and continue cooking until tender. Makes 4 to 5 servings.

What Commies Said 51 Years Ago

If you think most of the problems that beset the world and our nation today just happened that way; if you think it is a natural trend born of the modern age; if you think that it will suddenly all dissolve when we, the people, get tired of being bothered, then read an excerpt from a file on "Communist Rules for Revolution," published before 1919! The file was obtained by the armed forces in Dusseldorf, Germany. These were the instructions issued to those who were to bring about world revolution:

"A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

"B. Get control of all means of publicity and thereby:

(1) Get people's minds off their government by focusing attention on athletics, sexy books and plays, and other trivialities.

(2) Divide the people into hostile groups by constantly harping on controversial matters of no importance.

(3) Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.

(4) Always preach true democracy but seize power as fast and ruthlessly as possible.

(5) By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

(6) Foment unnecessary strikes in vital industries, encourage civil disorders, and foster a lenient and soft attitude on the part of government toward such disorders.

(7) By spacious argument cause the breakdown of the old moral virtues; honesty, sobriety, continence, faith in the pledged word, ruggedness.

"C. Cause the registration of all firearms on some pretext with the view of confiscation of them and leaving the population helpless."

This quite definitive treatise was first given public notice when it was printed in the Bartlesville, Oklahoma, Examiner-Enterprise. Printed but no one gave it much thought. Just fifty-one years later those who were given the plan of attack can check full 100 percent success in their efforts. We are sure there is now another such set of instructions, going on from where these left off. This time past history presents full reason to be concerned, if not completely frightened. Your enemies are patient but thorough. Your greatest enemy, however, is your disregard of the danger signs. —Concrete (Wash.) Herald.

HICKSVILLE LIBRARY NOTES

Here it is the middle of May - Summer is almost here! We start vacation planning, swimming, boating, fishing, picnicking, barbecuing, visiting with neighbors we don't see all winter long, amusing the children, lazy, easy living or just trying to keep cool. On the Hicksville Library shelves are books for all the different ways you plan to spend your summer and our delightfully air-conditioned building will refresh you as you gather all the materials needed to make your summer a pleasant one. You can be creative or relaxed. It all depends on what you plan to do.

For vacation planning, go to the travel section - 910 - and here you will find all the tourist guides available on the United States and Canada. If your plans are for foreign travel, we also have materials available on Europe, Mexico, South America and the Far East. Our professional librarians will help you find whatever it is you need. Needless to say, we also have a complete section of books on camping and camp sites.

797.2 is the Dewey decimal number for swimming and diving. There are many books to help you improve your speed and technique. Of course you still need the water to practice in, but

what with the pool at Cantiague Park near by and all the wonderful North and South shore beaches so close, the problem is easily solved.

Boating is number 797.1 and the books there will help you with sailing and motor boating.

Now to get creative. The arts and crafts books number in the thousands and are on the shelves in the 600's and 700's. You can make collages for your living room wall, knit a sweater for grandma for Christmas, paint a picture of your lovely summer garden, plan a new flower bed for next year or what ever. Do your own thing and have a ball.

641.5 is the number for cooking, party planning, barbecuing and making unusual picnic lunches. If you so desire there are, also, a large number of diet books available, (after you have taken out all the great cook books and sampled the goodies in them.)

Or just come to our fiction shelves for lazy, easy summer living. Browse around and find all the old classics you have always wanted to read, or just reread, plus all the new best sellers that are currently in demand and great topics of conversation, pool side.

The Hicksville Library has all
