PTA Council Urges YES Vote

In keeping with its traditional policies of supporting good educational practices that would benefit all children in Hicksville, the Hicksville Council of P.T.A. Units supports the school budget and the referendum to expand the facilities at the junior high school. The P.T.A. Council urges a "YES" vote on Tuesday, June 30. Voting takes place at the individual schools from 10 AM to 10 P.M.

A Message From H.A.D.

The date is not too late to join the increasing number of concerned parents who are doing something constructive about the growing Hicksville Drug Problem.

All parents who are truly concerned with the welfare of both their children and of their town are strongly urged to fight

drug abuse by joining Hicksville Against Drugs.

Are we going to allow our town to be over-run with drug misuse, or are truly concerned parents going to send their name, address and phone number to H.A.D., Box 405.

The choice is YOURS!

Joint Installation At Hicksville Jewish Center

The joint installation of the Hicksville Jewish Center Congregation, Sisterhood, and Men's Club Officers was viewed by a record number of guests at the H.J.C. on June 6.

End of Year Assembly At Fork Lane

The Fork Lane School's annual Sixth Grade End of Year Assembly was held on Wednesday, June 17, in the school gym, and was attended by parents and relatives of the pupils, going on to the junior high school.

Directing this event was Mr. Clinton Sampson, who was assisted by Miss Dorothy Huskiewicz and Mr. Robert Siegel, also sixth grade teachers.

The entire sixth grade class participated in one way or another, with the following pupils having special parts: Richard Mahla was Master of Ceremonies, Stephen Ross led the Flag Salute, Stanley Walczyk welcomed the assemblage, and William Aversano gave the Farewell. Also on the program were a violin trio composed of Sharon Fassler, Jo-Ann Macik and Linda Rogus, and three essayists, namely: Elizabeth Morano, Gail Nuccio and Paul Stoeckert, who spoke on "The Most Important Thing".

Other features of the program were band, chorus, and choral speaking selections conducted by Messrs. William Eisenhauer, Clinton Sampson and Charles House.

Programs were issued and guests were guided to their seats by the following ushers from the fifth grades: William Clinco, Patricia Halpenny, Joan Kelly, Mark Magliano, Victoria Mullin, GERALYN SLOAN, Laura Tomkalski and Gregory Walsh.

Mr. James Walters, Fork Lane's Principal, presented awards for pupil participation in extra-curricular and enrichment activities. Other staff members, who contributed to the program were: Mrs. Carol Weber, Miss Marie Egensteiner, Mrs. Marilyn Abt and Mr. Irving Kaufman.

CIVIC AWARD: Dr. Gardiner Gregory, left, accepts Civic Award from Joseph Kaprinski, second from right, Grand Knight of the Joseph Barry Council, Knights of Columbus. Hicksville, as Mrs. Gregory and Oyster Bay Town Supervisor John W. Burke, right, observe the presentation. The Council selected Dr. Gregory as recipient for its 3rd Annual Civic Community Award for his inspiring dedication and tireless work to establish the Gregory Museum in Hicksville. An open meeting was held at the Council attended by Supervisor Burke, town and community leaders saluting Dr. Gregory.

Mr. Leon J. Galloway, long time Hicksville school administrator and local resident who is active in many Long Island organizations and community groups, spent his last day in the schools after 41 years of service, being feted by members of the school family. Mr. Galloway is looking forward to his retirement, and is especially enthusiastic about the trips he has planned for both upstate New York and abroad.

In recent years he has been Administrative Assistant to the school superintendent, specifically involved with non-instructional personnel. The secretaries of the Administration Building, to whom he refers as "his Harem," gathered together to wish him well and farewell, while he cut the beautifully decorated cake Mrs. Barone his own secretary baked for the occasion.

Burke Says Master Plan Will Guarantee Preservation of Suburbia

At a recent press conference Oyster Bay Town Supervisor John W. Burke said the engagement of a nationally-known planning firm and the appointment of a Planning Advisory Board is a major step toward securing the Town's future orderly growth and development and preservation of its suburban characteristics.

The Town Board acted on Burke's recommendation on June 23, appointing the nationally-known planning firm of Raymond, May Parish & Pine and nine - member citizen's planning advisory board to work with the firm in developing the Master Plan.

"In my judgment, Town officials have the legal and moral right to plan the community's future in a

way that reflects the attitudes and wishes of its residents and taxpayers," Burke said. "I believe we are making a start to fulfill that obligation by the appointments made today."

"The Town of Oyster Bay lies strategically on the borderline between Nassau and Suffolk County, stretching from Long Island Sound to the Atlantic Ocean and it is my view that it must remain a suburban 'green belt'."

"The planner and the Planning Advisory Board will provide the elected representatives with the information essential to obtain these objectives."

"The Town Master Plan," Burke added, "will be one of the most wide-range planning efforts ever undertaken by a Town. It will cover almost

all phases - past and present - of community planning and it will set the stage for future orderly growth, including preservation of the Town's many natural resources."

The plan will be completed in three stages:

PHASE I - A Survey and Analysis, will include base maps, a land use survey, population data, government structure and fiscal analysis, an inventory of community facilities, an evaluation of existing Town traffic circulation network and an evaluation of the potential of areas wherein major development or redevelopment opportunities are still present.

PHASE II A Statement of Development Objectives which will identify the major development

issues and formulate a basis for the development of the Master Plan.

PHASE III The Master Plan which will include a Land Use Plan, a Circulation and Transportation Plan, Community Facilities Plan, Recreation and Open Space Plan and a detailed plan for the Town's key business concentrations.

"The consultant will work closely with the Town Board and the Planning Advisory Board,"

Burke said. "Upon completion of the survey and analysis phase and again at the formulation of a preliminary Statement of Development Objectives, public hearings will be held both to inform the general public and to utilize suggestions that would serve as inputs to the Master Plan. At all times the planner and the Advisory Board will work within the framework of the Town's development policies."

Traditional Independence Day Celebration At Eisenhower Park

Maintaining a tradition begun in 1958, Nassau County and Abraham & Straus will collaborate in presenting a traditional Independence Day celebration at Eisenhower Park, Public Works Commissioner Herbert J. Simms announced today.

The all-day event starts with a flag raising at 10:45 A.M. and concludes with spectacular aerial fireworks after dark. A wide variety of patriotic and athletic events are scheduled during the day ranging from patriotic contest parade to a senior citizens' lawn bowling tournament and boxing matches.

"The 194th anniversary of the Declaration of Independence is an occasion for rejoicing as well as a thoughtful reflection on the accomplishments and meaning of our country," Simms said. "We are pleased that A & S is again co-sponsoring this outstanding event."

The schedule of events is as follows:

10:45 A.M. Flag Raising

Dear Friends

REMEMBER THE TV PROGRAM "This Was The Week That Was"? Well, last week in my life, was filled with errors, inadvertent though they were....first of all I must apologize to my friend and neighbor Pierre Charbonnet, who did such a beautiful job, not only of taking all the pictures on Flag Day, but of spending the time to arrange them in the montage which we used on the back page of last week's HERALD...and we left his photo credit off! Thank you for this beautiful work, Pierre...we really appreciate it. And, secondly I must apologize to my own doctor, who warned me, not six months ago that I was overdoing, and if I didn't let up to some degree, exhaustion would finally be the result...which it was last Thursday. Well, I do believe you now, doc...and believe it or not, I am going to make an earnest effort, with the additional help I have on my staff...to take it a bit easier. For a start, I spent a long weekend in Cleveland, visiting my older son and his lovely wife and two of my grandchildren, who have recently bought a new home in the suburbs of Cleveland...

AS TO THIS WEEK, so much is happening I don't know where to start but the fact that, as we go to press, a court case is being heard in Mineola, as to whether the coming Dist. 17 school budget vote is legal or not, seems "top on the list of importance" to me. I have saved a small space on page one, just in case the decision is made early enough....if not, please consult your daily newspaper, or phone us, we'll be glad to let you know. Also, there is a new organization named BEST, who will be bringing you flyers and information through other channels, so, please be sure to check on this decision. In our opinion the vote will be held, but check it out to be sure, for your vote will mean a great deal to the children of our community. Do we really have to urge you to vote to spend under \$20.00 for the coming year (the rest is mandated) so that the quality of the education of all of the children of Hicksville District 17 will at least be maintained? Just don't forget the day...it is next Tuesday, June 30th from 10 a.m. to 10 p.m. at your regular voting place.

WE ARE SYMPATHETIC to the problems of those who vote "NO" whether they are young or old, who have limited, fixed incomes...we are all in the same boat to some extent. But we cannot agree to save less than \$20 a year and sacrifice our children's education. As we said to Mr. Charles Fetta a week or two ago, "Let's get together, after this is settled and work out an intelligent plan with our legislators...a plan that takes the burden off our home owners, as far as school taxes are concerned, and gives them a broader base. It can be done." This is something we may all work for in the Fall. Perhaps you will attend our Hicksville Community Council meetings...beginning on the first Thursday of October they will be held on the first Thursday of every month at the Hicksville Library. Much can be accomplished by discussing all matters which affect Hicksville. So, save the first Thursday evening of each month and join us.

ALSO IMPORTANT THIS WEEK is the fact that the Town of Oyster Bay has appointed a Planning Advisory Board and engaged a nationally-known planning firm (see story on page 3). At this press conference, as posed the question: "Will this new planning have the

LETTERS TO THE EDITOR

Dear Mrs. Noeth:

I had the opportunity to attend both the morning and afternoon graduations at the Hicksville Junior High School. Mr. Glass made identical speeches at both graduations in which he gave accolades to the graduating class for such accomplishments as achieving a passing average of 85 per cent on all regents taken, placing 75 students in the National Junior Honor Society and for placing one quarter of the whole graduating class on the three Honor Rolls. These statistics alone show that this graduating class was composed of many capable students, but statistics alone are immaterial.

It is traditional and proper to have a speech made by a student as graduation either by the valedictorian or the president of the Student Council. However, in the case of Hicksville Junior High School, no student was given the opportunity to speak. On one hand, Mr. Glass complimented the students on their fine record and potentialities, on the other no provision was made to include a student speaker.

On behalf of the student body, I would respectfully urge the Board of Education, administration and faculty to encourage active student participation. If this is done we may be able to avoid the sad situation that some of our older brothers and sisters are finding themselves in.

Respectfully yours,
Glenn Wolfson

Dear Editor:

There is sometimes a delay in sending to our borrowers overdue notices of books due and the fines due on these books.

The reason for this is the use of bulk mailing, as the most economical though not necessarily the fastest way to

notify our borrowers.

Since this notice is strictly a courtesy, the due date being on the card in the back of each book borrowed, we urge our patrons to be more conscientious in observing this due date, by returning the books on time they save the fine of 5 cents per day per book, and relieving an already short staff of the time consuming task of sending out these notices.

Dear Mrs. Noeth:

Thank you for your participation in our Flag Day exercises held at the Heitz Place Court House on Sunday, June 14th.

I am sure that Fred was there with us in spirit, and is proud of what we are doing.

Sincerely,
The GREGORY MUSEUM
GARDINER E. GREGORY

Dear Mrs. Noeth:

May I express the appreciation of the Library Board, Director and staff for your efforts in our recent successful budget campaign. Without the help of our telephone volunteers, high school students, and the support of the press, the library budget would certainly not have been approved in such a decisive fashion. We may now continue to give the kind of superior service so important to the growth and development of our community.

Sincerely,
Kenneth S. Barnes
Library Director

To the Voters of Hicksville:

On the 30th of June our school budget is being resubmitted at a cost of \$6000.00 of your money. If this budget is defeated, the School Board will, eventually have to re-submit it again, again at the cost of \$6,000.00. Each time the budget is re-submitted, this sum of money comes out of our

taxes instead of going toward the education of our children.

Don't be penny-wise and pound foolish...24 cents on an assessment of \$5,000.00 is about \$12.00 a year! Don't jeopardize the future of Hicksville's children for \$12.00—VOTE YES on June 30. Don't let Hicksville become an educational desert!!

A Concerned Taxpayer
of Hicksville

Dear Mrs. Noeth,

As a resident of Hicksville, I would like to bring to your attention the following:

As you know, things have changed drastically in Hicksville during the past twenty years, and for the worse. As Hicksville has had no control over its own destiny, the blame has to be placed on Oyster Bay Township and those who have been in charge. What is so disconcerting, is the undue consideration shown for some sections of Oyster Bay Township, and the gross neglect accorded other sections; namely Hicksville.

One begins to feel that Hicksville exists primarily as a Railroad Station, Shopping Area, and Industrial and Business Area, and last and least as a town with a population of over 50,000 people.

We now have many new buildings in Hicksville; a few attractive, the rest a hodge podge of different designs. When the building started, this was an excellent opportunity for the Town to recommend or set down rules concerning new buildings. As an example, they could have recommended buildings in brick Colonial design, etc., and most important, have allowed no building without adequate parking space for tenants and visitors. At present, there are two new buildings being constructed, one north of the R.R. Plaza and one to the south of it. The one

SPORTS

By
Howard J. Finnegan

As each school year comes to a close the question of just who was the best athlete of the Hicksville High ever had arises.

We have let decades go by without responding but now the issue is up for valid discussion and we must declare our candidate.

Without reservation the man is still Edward Michael Coleman, class of 1945.

It is only our own judgement after watching the Orange and Black surge over gridirons and basketball courts for thirty years but it is unshakable.

There are measurement for his selection. We judge the accomplishments, the caliber of opposition and what the performances did to stimulate the school and student body.

Hicksville lost only one football game out of 18 with Coleman. At that time it was the second smallest school, playing the game in Nassau County.

His feats were legion. He ran, threw the long bomb and short pass and was an expert punter. One year, six games, yards gained rushing mark of 1,385 yards has never been approached.

He was the only 2,500 yard total offense man in the history of the school.

There were incomparable roars from the crowd, when behind two punting guards, he would storm around either end in Coach Low Millevoltes power packed offense.

And to those who could find no fault with his offensive ability turning to the defense left little room for division.

Those who stood in that driving rain at Westbury in 1944 can attest to his stout defense.

Westbury had inflicted the only loss, 7-0, in Coleman's scholastic record. Hicksville carried an undefeated season into that '45 contest.

With four minutes remaining Hicksville lead 7-0 but Westbury won on the Comet 2 yard line.

On four plays Coleman ripped in from his defensive halfback

post and was in on the smearing tackles that forced Westbury back to the eleven.

It was interesting sidelight that Coleman worked for Frank Ruggiero's Sanitation Company six days a week.

Even on Saturday he had a heavy tour from four, five or six in the morning until just before game time.

In those days Ruggiero was the unofficial, unpaid but valued assistant Coach to Lou Millevoltes. His imprint is sharp in the 19 won, 3 tied, one loss era. The record is still clear. He was undefeated as a Junior & Senior in the discuss and shotput.

He was the 1944 National Indoor A.A.U. Scholastic Shot Put Champion as well as Twice the New York State Champion.

He was a powerful if unschooled baseball pitcher and batted a consistent .350 in his regular outfield position.

In Basketball he played three excellent seasons at Center for Millevoltes.

Newsday selected him All Scholastic for three straight football campaigns.

All honors were his with the greatest being the acknowledgement that he was a champion.

It has to do with bearing.

The ability to carry ones self through athletic success with out assuming a King of the Walk Attitude.

We have always considered a Newsday Sport Article "Men Tipped Their Hats in Tribute" the best appraisal of a Hicksville Athlete ever written.

It praised the colorful career of the late Millevoltes.

But another articles "The True Respect of his Own Teamates" ranks close. This one was for Coleman.

It should be posted in the Physical Education Department each year as the interscholastic season starts.

Perhaps it will help guide some of Hicksville future stars in the Art of accepting manfully and gracefully athletic success.

Summer Programs At Parks

Members of Long Island's own professional basketball team - the New York Nets - will hold a total of seven two-hour clinics at two County parks this summer. Public Works Commissioner Herbert J. Simins announced today. Youngsters of all ages are invited to participate.

Our local clinic is scheduled for Cantigue Park (Hicksville) on July 6 at 1 P.M., on July 11 at 7 P.M., on July 17 at 7 P.M. and August 21 at 1 P.M.

Simins also announced that County Parks will offer an extensive program of instruction and competition in basketball, tennis and archery this summer.

Among the nine parks, Eisenhower and Cantigue, will be involved in the archery program. Qualified instructors will visit a particular park on the same day and time each week to provide instruction. Registration is now being held at each park's office.

Basketball participants must have gym sneakers and tennis players need sneakers, racquet and ball. Archery equipment will be supplied by parks.

Section 270.00 of the Penal Law, State of New York, prohibits the sale, distribution and possession of fireworks.

Definition of "fireworks": The term "fireworks," as used in this section, is defined and declared to be and to include any blank cartridge, blank cartridge pistol, or toy cannon in which explosives are used, firecrackers, torpedoes, skyrockets, Roman candles, bombs, sparklers or other combustible or explosive of like construction, or any preparation containing nitrates, chlorates, oxalates, sulphides of lead, barium, antimony, arsenic, mercury, nitroglycerine, phosphorus or any compound containing any of the same or other explosives, or any substance or combination of substances, or article prepared for the purpose of producing a visible or an audible effect by combustion, explosion, deflagration or detonation, or other device containing any explosive substance.

PUNISHMENT: Any person offering or exposing for sale or possessing, selling, furnishing, using exploding, or causing to explode, any fireworks is guilty of a Class B Misdemeanor and may be punished by a fine of not exceeding five hundred dollars (\$500.00) for each offense or by imprisonment for a period not exceeding ninety (90) days, or both such fine and imprisonment.

Several Fire Alarms in the past week had volunteers up in the early morning hours. Lightning struck a house at 66 Combs Ave. Thursday night causing slight fire damage to the attic. A prompt report of the fire helped firemen douse the fire before it spread. We, in the fire service, can not stress enough, the importance of reporting a fire as rapidly as possible, regardless of size. We would rather have a dry run, a fire with no damage, than to receive a delayed alarm, and arrive on the scene of a fully involved fire. Please - No matter how trivial the fire may seem, Notify the Fire Department.

BEFORE FIRE STRIKES, HAVE A PLAN:

PLAN No. 1 - PRIVATE HOMES:

1. Fires in the home spread rapidly. Immediate escape is important. Don't try to save belongings... Concentrate on saving your life and your family.
2. Have a fire escape plan for every room in your house. Be sure every member of your family knows the quickest escape route from anywhere in your home. Be sure children can get to and open windows and screens to escape.
3. Teach your children how to report a fire or emergency, by phone and fire alarm box. Be sure you know the location of the nearest fire alarm box in case the phone is inaccessible. Be sure to have posted the Fire - Emergency Number. In Hicksville the number is We 1-0026 or Dial the operator.
4. Don't try to fight the fire yourself, get out, a minutes delay in getting help can cost you your home - or your life. Close doors behind you as you leave.
5. Hold a practice drill to educate yourself and family on how to escape.

Hicksville Vols. Win Award at 4-Alarm Blaze

For a fine stop on a \$65,000 fire in an auto show room, the Hicksville volunteer fire department in Nassau won The News Vamps Award for May.

Finishing second in the 181st award contest was the Mohegan department in Westchester for an outstanding performance on a basement blaze in a school. The judges made no other awards for the month.

Chief Melvin Voorhies' Hicksville vamps scored their win on May 20, when the mid-morning alarm rang. The fire was on the second floor of the auto showroom.

All Cars Removed

In rapid succession, second, third and fourth alarms were turned in, and the Westbury department was called out under mutual aid. The roof was vented to prevent the horizontal spread of the fire, and hose lines were brought up to keep the flames in check.

The Hicksville Fire Department recently won the third place award from the News in the April awards, for a fine job done on a lumber yard blaze.

Hicksville Library NOTES

CHILDREN'S ROOM

June has been the month of a fairy and folk-tale festival in the Children's Room at Hicksville Public Library. Collections of stories from all over the world, many beautifully illustrated, have been displayed and made available to the children and their parents.

Although this month has brought to a close the winter program of story hours and movies, summer plans are now completed for a busy "fun" time for the young people.

Flyers have been sent through the schools about the program offered for July and August. Story Hour and the Summer Reading Game will begin the week of July 6 and continue through August 14. Children entering Grades 3 through 7 are invited to take part once again in the Summer Reading Game. Registration for this popular reading club, designed this year around the exciting underwater world of oceanography, will be from Monday, June 29, through

Friday, July 3. Remember, as in the past summers, there will be a surprise trip and party for those completing the game.

A weekly Story Hour for our younger patrons, ages 5 through 8, will continue through the same six-week period, on Friday mornings, beginning July 10 at 10:30 a.m. Registration for this program will also be from Monday, June 29, through Friday, July 3.

Mrs. Irene Ziolkowski will once again instruct the summer art classes. There will be four sessions starting July 14 and 15, at 10:30 to 12:00 noon, and 2:00 to 3:30 p.m., and continuing for four consecutive Tuesdays and Wednesdays. Enrollment (limited) will be on July 6 through July 10, on a first come, first serve basis. Material fee will be \$2.00 per child. Youngsters entering Grade 2 through 6 interested in art are welcome.

For the three children who won the Story Book Character Costume Contest in May, the Memorial Day Parade, and their ride in the Bookmobile, was a special treat. They'll long cherish their part in the parade, and we will remember their clever costumes and those of the many other boys and girls who helped us celebrate National Library Week.

Did you know that our children's book collection is one of the best—second to Great Neck—in the whole of Nassau County? "I am so impressed—this is a fabulous collection," said one mother when she asked for vocabulary-building help for her three-year old son, and was shown our numerous books dealing with illustrated words. Please remember that the Children's Room is a part of your library, with its staff here to serve you and your family. Come and browse and get to know the fine collection we have to offer!

Wasserstrom - Bernstein

Miss Ronnie Bernstein, daughter of Mr. and Mrs. Horace Bernstein of Jericho, was married at the Jericho Jewish Center on June 20th, to Alan Stephen Wasserstrom, son of Mr. and Mrs. Mandel Wasserstrom, of Malverne.

The bride graduated from C. W. Post College and plans to teach elementary school in September.

The bridegroom who attended Woodmere Academy, was graduated from Cornell University and received his Juris Doctor from Boston University Law School.

HICKSVILLE INT'L LITTLE LEAGUE HIGHLIGHTS

In the Major Division, Goldman Bros moved into 1st Place by Defeating Troiano 1-0. G. Farrell pitched a 3 hit shut-out for Goldman and John White also pitched a 3 hitter for Troiano. Chas. Wagner Post split a series with Perkins Trucking losing the first 11-2 and came back to take the second game 4-2.

In the Minors, a three way tie for first place resulted when Hills, Paragon and Pennysaver split their Series.

In the Farms, Carvel defeated the Mets 2-0 behind the homerun hitting of Pat Donohue. They lost the second game to Smith Pharmacy 2-1. The Mets returned their winning ways by trouncing Marder Shell 8-0.

Approved Resolution At Meeting

At our meeting of June 14, the Plainview-Hicksville Ecumenical Council unanimously approved the following resolution:

This Council commends the action taken by Redeemer Lutheran Church for the youth of the community by granting them use of land adjacent to the church for a People's Park and that this Ecumenical Council go on record as giving them our complete support.

Annual Award To Be Received

115 senior high schools of Nassau and Suffolk Counties, have been invited to nominate a student to receive a Thirteenth Annual Paragon Oil Student Incentive Award, who will be chosen on their academic accomplishments along with their appreciation of the American free enterprise system.

Among those high schools was Hicksville Senior H.S., Plainview H.S. and John F. Kennedy H.S.

The awards, sponsored by the Paragon Oil Company Division of Texaco, Inc. comprise certificates of merit and U.S. Savings Bonds. They will be presented at ceremonies, on November 7th at the State University in Farmingdale.

St. Ignatius Summer Fair

Every Wednesday, at 8 P.M., in the old school cafeteria of St. Ignatius, we invited you to drop in for a "visit" to share in the fun of getting to know each other as we work on items for our August 29th Fair.

If you have your own project to work on, bring it along...if not, come anyway. We'll have things for you to do!

If you can, bring scissors, scraps of new material, or anything you or others might be able to fashion into items for the fair.

The call is also out for artists to help with Public Relations, and to play a part in the preparation of a surprise item at the Fair.

Also needed are people who can run already prepared mimeographed stencils for us.

Crimes Decreased In Nassau County

Nassau Police Commissioner Francis B. Looney today reported that major crimes in Nassau County decreased 6.7 per cent during the first three months of 1970 compared to the same period of 1969.

In the seven categories reported to the Federal Bureau of Investigation, the 1970 total was 4,333 compared to 4,648 for the first three months of 1969.

Auto theft dropped from 1,225 in 1969 to 1,080 in 1970; larceny dropped from 1,530 to 1,513; burglary dropped from 1,728 to 1,505; felony assault rose from 33 to 47; robbery rose from 133 to 182; rape dropped from seven to two, and homicide rose from two to four.

"Hopefully," Looney said, "the emphasis we have placed on community involvement in the fight against crime and the institution of intense, specialized patrols is beginning to show dividends. With the continuation and growth of these programs, the suppression of crime can continue and we can look forward to further reductions in crime."

Lee Weiss Wins Boy Scout Award

Troop No. 172, Boy Scouts of America, which is sponsored by the Redeemer Lutheran Church of Hicksville, held a Court of Honor, Friday evening, June 12, 1970.

The highlight of the ceremony was the naming of Troop No. 172's "Outstanding Boy Scout of the Year." Scoutmaster Stan Woodcheke presented this coveted award to Lee Weiss, 15, who lives at 23 Briar Lane, in Jericho.

Syosset High School senior, Kathryn Dewey, accepts congratulations from Social Studies Department Chairman, Mr. Joseph Morris, after being presented with the outstanding citizenship award given by the Birchwood Civic Association.

Dr. Yannett to be Syosset Hi Principal

Syosset Superintendent of Schools, Dr. Edward J. Murphy, has announced the appointment of Dr. Walter M. Yannett to be principal of Syosset Senior High School, effective August 1, 1970.

Dr. Yannett, who is presently serving as principal of the Levittown School District's Division Avenue High School, replaces William Kupec, who has been Syosset High School principal for the past seven years.

Dr. Yannett has an extensive background in secondary education and has had a sixteen-year educational career serving Long Island high schools. A 1961 graduate of Fordham University, he received a master's degree in education from New York University the following year, and attained his doctorate in education from St. John's University in 1964.

Dr. Yannett's teaching career began in 1954 as a social studies teacher at Sewanhaka High School for three years. From 1957 to 1960, he served as guidance counselor at Baldwin High School, and was summer principal of that school in 1958 and 1959.

Dr. Yannett joined the Bethpage school system in 1960, serving as Guidance Department chairman until 1962, and assistant principal and later principal of the High School until 1965.

In 1965, he was appointed principal of Division Avenue High School in Levittown, and has held that position until his appointment to the post at Syosset.

For the past six years, Dr. Yannett has served as a part-time faculty member at St. John's University, where he taught graduate courses in education.

He is a member of the National Association of Secondary Schools, New York State and Nassau County Associations of Secondary School Administrators, New York State Association for Curriculum Development, and Phi Delta Kappa.

Married and the father of two children, Dr. Yannett resides with his family in Seaford, New York.

Library Story Book Hour Begins July 6

Once again the Jericho Public Library is offering children ages 3 - 6, its summertime picture book story hour on Monday mornings at 10:30 A.M. This story hour series will begin on July 6th and continue through August 24th. The children will meet at the Library. In the event of rain, it will be necessary to cancel the program, as the stories are told outdoors.

The Library is still inviting children in grades 1 - 6 to register in its Summer Reading Club. They are required to read just eight books over a period of eight weeks (June 29th to August 22nd), which will qualify them to attend a luncheon cookout on Tuesday, August 25th at 12 noon, and to receive Certificates of Completion of the program.

Mrs. Hildegard M. Lindquist, wearing gold charm, a gift from students of Woodland Ave. School.

Retiring Mrs. Lindquist Honored At Tea

Mrs. Hildegard M. Lindquist, kindergarten teacher at Woodland Avenue School in Hicksville, was honored at a surprise tea held in her classroom on Wednesday, June 17th. Mrs. Lindquist, dearly loved by all who know her, is retiring this month after teaching at Woodland Avenue for thirteen years.

The tea, which included fifty of Mrs. Lindquist's present students and their mothers, was organized by Mrs. Earl R. Clark, Jr., and had the enthusiastic co-operation of all the mothers. Special thanks went to Mrs. Joseph Georgiano, Mrs. Eugene Marksteiner, Mrs. G. Peter Rottas, Mrs. Walter C. Van der Waag and Mrs. Paul O. Wood for their extra efforts to make the tea a success.

A large tea table was covered with a yellow and orange floral printed tablecloth with matching napkins. In the center was a lovely sheet cake decorated with a charming little schoolhouse, complete with bell and American flag, baked by Car-lin Bake Shop. Written on the cake was "Best of Luck, We'll Miss You-Hilde Lindquist." Fruit punch with fresh strawberries as garnish was served in cut glass bowls

surrounded by fresh greens and Mock Orange blossoms at each end of the table. Delicious cupcakes were served to the children.

The highlight of the afternoon came when Cathie Clark and Robert Thomas, students of Mrs. Lindquist, presented her with a huge card containing pictures of each child in her classes, drawn by the child himself. The card also contained a poem of appreciation written by Mrs. Clark. Mrs. Lindquist, wearing a corsage of pink rosebuds, was given a handsome heart-shaped gold charm, surrounded with garnets and gold braid. On the back it was engraved "With love from your students-1969-1970." It was at this point that Mrs. Lindquist dabbed at her eyes with a tissue!

The Lindquists will continue to make their home in Hicksville for the next year and then they plan on retiring to a small town north of Lake George, New York, where they already own a charming Early American farmhouse. The people of Woodland Avenue School will deeply miss Hilde Lindquist, but their blessings and best wishes will be with her.

SPOT Still Against

The members of SPOT, one of Hicksville's newest Civic Associations, took a mail vote, after their June 8th meeting, and the results of this vote was still overwhelmingly against either garden apartments or town houses on the property on Lee Avenue under consideration.

the Royal National Bank, located in New York City, plans a fall opening of a Long Island City office, and has several additional branch openings planned for Nassau and Suffolk Counties on Long Island.

Nominated

The New York State Association of Elementary School Principals, has nominated Dr. Lee Firester, Assistant Principal of the Burns Avenue School to serve as a member of the panel for New York State teacher tenure hearings, headed by the Commissioner. This is in accordance with the new law enacted by the past session of the Legislature calling for new hearing procedures on charges brought against tenure teachers.

Who Will Pick Up the Check?

When a new federal program or expansion of a current one is proposed, ask where the money is coming from. The total projected tax receipts of the Federal Government through 1972 have already been committed to existing programs. And even through 1975, nearly all increased income expected as a result of an expanding economy is already earmarked by existing laws.

And It's Only Six Per Cent

The recent 6 per cent increase in pay for federal employees adds up to about \$2.5 billion a year.

Business Must Keep Abreast

"It is the responsibility of business leadership constantly to review and up-date its thinking so as to be in step with society's thinking. And it definitely should never be left behind." - F. Ritter Shumway, president, Chamber of Commerce of the United States.

The Best for the Country

"The National Chamber federation does not exist to be a rubber stamp. We are charged to study legislative issues, anticipate their impact on business and the economy, and then advance a position that we believe is in the net best interest of the country. Under that charge, we can only oppose the guaranteed income plan. To do otherwise

would mean abdication of our responsibility." - Arch N. Booth, executive vice president, Chamber of Commerce of the United States.

A Younger Population

If you sense that there seems to be more young people around today, you're right. In the past decade, the population 14 to 24 years old increased almost 12 million, to 39 million, and the proportion of total U.S. population rose from 15 per cent to 19 per cent.

Productivity and Pay

"We must restore the balance that has been lost between wages and productivity. We must receive the fair day's work for which we pay the fair day's wage. For upon this balance rests our national ability to cope with inflation, to resolve the crisis of cost." - James M. Roche, chairman, General Motors Corporation.

Where New Workers Will Come From

A labor force increase of 15 million workers (to 100 million) by 1980 will come as a result of 41 million entering the labor market and 25 million leaving. Young workers taking their first job will account for 34 million of the increase; another 5 million will be women, and the remaining 1 million immigrants.

Letters To The Editor

(Continued from Page 4)

north of the railroad seems to have adequate parking space across from it, but the building on the south seems to have provided none.

Regarding the Mid-Island Shopping Plaza and Sears Roebuck on N. Broadway, I feel that some type of landscaping and tree plantings should have been recommended by the town for these places, and also for all the other shopping centers in town, which are all rather dreary and messy. There is also a new Post Office on W. John St. without adequate parking facilities for employees or customers. This means that employees park all day and all night along W. John St., the entrance to Mid-Island Plaza, and side residential streets. West of the Post Office there is another building without adequate parking space; which means that their employees also park along W. John St., or side streets, namely Milton St. & Byron Place. These are narrow streets, used by school busses going to the rear of the Burns Ave. School, and also, residents should not be subjected to people parking all day, and sometimes all night in front of their homes; plus the fact that we still have sand and dirt along the streets from the time of the winter snows. There is also a second building, west of the Post Office, that is supposed to be a Auto Body Repair Shop; which is too small for the business being conducted, it is a filthy mess outside and should be checked on. I would also like to recommend the following and hope that something can be done to alleviate these annoying conditions.

1. Allow NO ALL DAY COMMUTER PARKING ON WEST JOHN STREET. Not only does this keep the street dirty, but it is dangerous, and during the snow storms, with the very busy traffic, a MENACE.

2. ONLY RESIDENTIAL PARKING ALLOWED ON MILTON ST. & BYRON PLACE.

3. LANDSCAPING BE REQUIRED OF BOTH MID-ISLAND PLAZA, SEARS ROEBUCK AND OTHER SHOPPING CENTERS.

4. ON THE CENTER STRIP OF BROADWAY between OLD COUNTRY RD. & NEVADA ST., grass be planted along with trees and bushes. (Part of this is paved and is an eyesore.) Also, the empty land on one side of Broadway, which is beginning to look like the town dump - should be cleaned.

5. NO building permits be issued by the Town without adequate setback and most important ADEQUATE PARKING FACILITIES, and recommendation for landscaping being made to the builders of same.

6. At frequent intervals have some one connected with the Town or County take care of any grassy areas (making sure that when contractors are finished excavating they restore plantings and trees,) and also check on trees that are bent or fallen.

7. I have read the COMPREHENSIVE PLAN FOR HICKSVILLE, which I had obtained at the Hicksville Library - and see no need for high rise apartments - or - any new apartments in Hicksville. We already have a large section of N. Hicksville devoted to garden apartments, west and east of N. Broadway, and for any town that seems more than sufficient.

8. Now we are informed that in the near future there will be a multi-level parking facility erected on Duffy Ave. In the press release no where is any mention made of provisions for trees, bushes, grass, landscaping or anything else; facilities like these are usually monstrosities, and provisions should be made for some type of screening.

Again I most strongly urge NO

PARKING on W. John St., especially commuter parking. Allow only resident parking - and perhaps 1/2 hr. parking on W. John St. near the Post Office. Also, absolutely NO PARKING except resident parking on both BYRON PLACE and MILTON STREET. If you can help in any way to alleviate these conditions, we in Hicksville will be most grateful. Most Sincerely and Hopefully, Katherine M. Drab

New Group "Doc's People"

Sixteen members of the popular Hicksville High School Dance Band have formed a group called, "Doc's People." The students enjoy playing together and are particularly interested in bringing back the sound of the "Big Band Era", or "Music of the Thirties and Forties", in addition to promoting their Jazz-Rock numbers.

To this end a FREE - LIVE - recording concert is being held at the H.S. on Friday, June 26th at 8:00 P.M. It should be particularly enjoyable as there will be audience participation, and an opportunity to purchase the records that will be cut that night. These records could easily become collector's items. The concert is being co-sponsored by the Hicksville Recreation Department.

Dear Friends (Continued from Page 4)

effect of slowing up the extensive planning for downtown Hicksville that has been going on for the last two years by the Hicksville Advisory Committee?" Suprv. Burke answered by saying that, "On the contrary, this previous planning would be taken into consideration, and would prove you'll be glad to hear the Suprv. Burke said "We intend to go into the communities to be aware of community response, as we go along." And he estimated that his plan (that is the Master Plan for the entire Town of Oyster Bay) would probably take about a year and a half. It is good to know that public hearings are planned as they go along. And, of course, after planning, comes public acceptance before plans can be executed. More on this as it becomes public knowledge.

WARMEST CONGRATULATIONS to Mr. and Mrs. Charles Baumgardner of 14 Field Avenue, Hicksville, who are celebrating their sixty-fifth wedding anniversary today. Relatives and friends plan a party in Port Washington for this wonderful couple.....and, along the lines of personal news....watch for announcement in early July about the marriage of one of Hicksville's most eligible bachelors, a former water skiing enthusiast, and an active member of the VF-W.....best wishes for happiness in their new Florida home to the Raffa family. Mary, who has been active for so many years in PTA was feted at a luncheon last Tuesday at Murants. Somehow we feel that no matter where they live Hicksville will always be home to this fine family. We hope they feel that way, too.

In closing...one more reminder...Tuesday, June 30th from 10 a.m. to 10 p.m. is the Hicksville School District 17 budget vote...as if you didn't know? Don't forget...

Sincerely,
SHEILA

Library Services Training Program

Pushing a paperback buggy on the boardwalk? Cassette-taping the voices of well known Long Island authors? Taking part in the summer mini-mobile van equipped with storytellers, movies, and paperbacks? Surveying shut-ins and their reading needs? These are a few of the opportunities 15 college seniors will have, this summer in Nassau County, to engage in the imaginative services the library world of today provides. Most of these library cadets, participants in the Cadet Training Program, are sponsored by the Nassau Library System, through a federally financed project known as Library Futures.

Stephen Duffy of Hollis, a student at Fordham University, one of the fifteen Library Cadets selected, will be a summer staff member at the Hicksville Library from June 15 - August 7. Mr. Duffy, selected from more than 40 applicants, will be introduced to all phases of library work, including an exchange of ideas, demonstration and application of techniques and skills, and participation in all related library activities. His specific project is tabulating and analyzing the library opinion survey made by Hofstra University in 1968.

The Cadet Program is a part of the federally - funded Librarian Recruitment Project known as "Library Futures". Its aim is to promote interest in pursuing librarianship as a career. The Nassau Library System, one of 6 systems involved in the project, is individually sponsoring several additional cadets.

BROILED BEEFBURGERS SPORT several flavor surprises for porch or patio picnic.

True enjoyment of summer includes broiling beefburgers on the porch or patio. Patties broil to the same juicy and delicious doneness whether a hibachi or larger grill is used.

For a special burger treat to celebrate summer and delight the family, hide a cube of caraway seed cheese in the center of each patty, suggests Reba Staggs, home economist for the National Live Stock and Meat Board. For additional flavor appeal, burgers are brushed with a tangy catsup sauce.

Caraway Beef Patties

Shred 2 slices of rye bread and mix with $\frac{1}{2}$ cup water. Combine with $1\frac{1}{2}$ pounds ground beef, 1 teaspoon salt, $\frac{1}{4}$ teaspoon pepper and 1 beaten egg. Shape mixture

into 12 thin patties using about $\frac{1}{4}$ cup mixture for each.

Cut in half each of 3 slices (4 x 7-inches) caraway seed cheese and arrange the 6 slices in a stack. Make 3 cuts through cheese to make pieces about 2 inches square. Place a stack of 4 cheese squares on each of 6 patties. Top with remaining patties and press edges together. Combine $\frac{1}{2}$ cup catsup, 1 teaspoon soy sauce, 1 teaspoon prepared mustard and 1 teaspoon lemon juice.

To broil outdoors, place patties on grill 3 inches from heat. Broil 3 minutes, turn, brush with catsup mixture and broil second side 3 minutes. Turn, brush with mixture, broil 3 minutes, turn and broil until patties are done. 6 servings.

Nook Too Small? Tie It To Deck

Is your breakfast nook too small and visually cramping? Replace the window with gliding glass doors and add a deck outside to stretch space.

A privacy fence will define the area and flowering vines or planter boxes lend charm and color. Outdoor bibelots such as carvings or mobiles are conversation pieces. Birdwatchers will want a feeding station.

Western woods such as red cedar, Douglas fir or pine are good structural choices. They are easy to work with, durable and attractive.

Pre-treated or pre-stained lumber is available from retail building supply centers.

Putty or oily wood fillers should not be used to conceal nail heads, if the wood is to be finished clear. Non-oily fillers are available.

THIS DESSERT SAUCE MODERN TRIBUTE TO DAME MELBA

Peach Melba Sauce, GF/A

For a simple outdoor retreat, build a lacy patterned red cedar fence, extending a few feet out from the corner of the house.

Add a baffle parallel to the house wall, or plant a shrub that will grow to the same height as the fence.

TEN WAYS TO FOIL A BURGLAR

Before you finish reading this article, about ten burglaries will be committed in the United States.

To help beat the burglars, Bank of America's security people suggest ten ways to safeguard your home against burglary.

1. Keep at least two interior lights on when you leave the house for the evening. An unlighted house is a signal to the nighttime burglar that he can move in more easily.

2. Before going on an extended vacation, arrange for your lawn to be cut and ask neighbors to pick up all mail and circulars so your house has a "lived in" look. Stop delivery of milk and newspapers since they are another sure sign, if allowed to accumulate, that no one is home.

3. Don't notify the newspapers that you are planning to leave on a trip. Tell them about your vacation after you've returned; it's still news—and safer for you.

4. Call police to check on all strange solicitors not carrying proper credentials. Many thieves pose as salesmen or repairmen while "casing" an area for future lucrative jobs. Never allow a salesman or repairman without proper credentials to enter your home.

5. It's important to keep money in the house, but keep it in travelers' checks that provide complete protection. Representing in effect a world-wide currency, travelers' checks such as Bank of America's, are completely safe.

If they are stolen, you get replacements free. Trying to cash checks that aren't his can make a thief's crime to grief.

6. Keep ladders locked up in the garage, or if they must be kept outside, fasten them securely to the side of the house or garage with chain and a padlock.

7. While talking to a strange caller at your door, always stand in front of the locking mechanism. A favorite trick of burglars is to engage a prospect in conversation while flicking the push buttons below the bolt of a mortise lock. The burglar, who plans to return later, hopes that the householder will not notice that the door is unlocked.

8. Dependable locks offering complete security are available to everyone at reasonable prices. Don't depend on

cheaply made locks to protect your valuables.

9. Keep a record of the serial numbers and descriptions of all your valuables. In many cases, police can track down a burglar if this is done, as pawnshops and second-hand dealers are required by law to file sales reports with the police.

10. Normally, residential exterior doors should be hung with the hinges on the inside. If for any reason it's necessary to have such a door open with hinges on the outside, make certain that they are of a type specially constructed so that the pins cannot be removed by a burglar.

Following these tips can help you protect your home from being numbered among the nearly two million burglaries that occur annually throughout the country.

HOW TO ROAST TURKEY ON A BARBECUE GRILL

1. Clip off hooks of 6 or 7 coat hangers with wire cutters; straighten wire with pliers.

2. Form 2 or more lengths into a firm circle, using picture wire to bind ends together. This is the base of hood and should fit just inside grill.

3. Loop remaining wires umbrella fashion and attach to base circle, using pliers to twist ends. Fasten together with picture wire at top.

4. Cover with Heavy Duty Reynolds Wrap. Leave small portion of foil loose at top to open for draft.

For a turkey that's roasted to a ruddy, rich, brown color, skin crisp and flavorful, meat moist and with more flavor than any you've tasted before, try roasting this wonderful bird on an outdoor barbecue grill.

You'll need a grill with a dome type hood to close over the turkey. The heat will be reflected down on the bird, making an oven out of the grill. You can make a hood from wire coat hangers and Heavy Duty Reynolds Wrap.

The grill should be at least 24 inches in diameter if the round brazier type. If rectangular in shape, it should be about 14 inches wide by about 24 inches long. These will accommodate turkeys up to 14 lbs. ready-to-cook.

1. Set up the grill on a terrace, in a carport, or the doorway of the garage, out of the wind.

2. Build the fire at one side of end of the grill using about half a 5-lb. bag of charcoal briquets. At the other side of the grill place a shallow foil-lined pan.

3. Place the grate in position over the charcoal, and

when the fire is burning enough to create considerable heat, place the turkey on the grate over the pan, not over the fire. The turkey is stuffed and trussed in the usual way.

4. Cover or place a foil hood on the grill, adjust the damper so fire burns moderately. Don't try to rush the roasting. Brush the turkey once or twice with melted shortening or a basting sauce of wine or cider and herbs.

Should the side of the turkey closest to the fire tend to brown too quickly, protect with foil. Add additional briquets once or twice during the roasting, a few damp hickory chips towards the end.

5. Roast the turkey about the same length of time as for oven roasting. A 14-lb. turkey should take about 4 hours. The usual tests for doneness can be used... the drumstick and thigh joint should move easily; press the meat of the breast with the fingers, it should feel soft. An oven thermometer inserted in the thickest part of the thigh should read 185°.

Drippings in the foil-lined pan will make wonderful gravy.

Retreat Fenced Next to House

In landscaping, a surprise can be easily achieved. It's the little things that count: a little bit of screening and a bench; a little bit of raised decking and some planters; more, ambitiously, a gazebo tucked into some shrubbery.

For a simple outdoor retreat, build a lacy patterned red cedar fence, extending a few feet out from the corner of the house.

Add a baffle parallel to the house wall, or plant a shrub that will grow to the same height as the fence.

Add some cedar benches and perhaps a table, and you have a delightful hide-away that also complements the house.

If this won't look right next to the house, try placing the nook at the corner of the lot, enclosed on two sides by fencing and screened and shaded by plantings.

Appetizing Encore

Give second-day appeal to hot meat loaf slices with a cream or tomato sauce. Condensed cream soup such as mushroom or celery makes a tasty sauce when diluted with only a little liquid and heated.

Salad Shorts

Any leftover ham, pork, beef or veal roast is great for salads. Just cut into julienne strips and mix with vegetables or fruits. Tossed with a complementary dressing, the salad is a nutritious and filling lunch or supper main dish.

Herbed Pork Chops

Pork chops should be seasoned to accent their characteristic flavor, not to hide it. Salt and pepper are good standbys, but why not try herbs too? Sage, thyme, marjoram, savory or rosemary are tempting possibilities.
