**TRUSTEES HOLD MEETING AT HEITZ PLACE COURT HOUSE:** On September 18th, the Board of Trustees of The Gregory Museum held a meeting at the Heitz Place Court House—future site of The Gregory Museum. The meeting was attended by members of the various museum committees and interested citizens.

This meeting was held at the Court House so that the trustees and other interested people could see what has been accomplished in renovating the building. Although a great deal still remains to be done, a loyal committee of workers under the direction of Mr. Hugh Conover and Mr. John Strong have been working hard on many weekends.

## Burke Hopeful State Will Aid In Drug Abuse War

Oyster Bay Town Supervisor John W. Burke said today that he interpreted Governor Rockefeller's visit to Nassau County last week as a major step toward providing State funds to the Town to fight the problem of narcotics and drug addiction on a local level.

"State funds earmarked for the fight against narcotics have not filtered down to the local community," Burke said. "State law, which dictates that a municipality must oversee the use of funds which the State provides to community groups fighting narcotics, has proved to be a hurdle rather than a stepping stone. Rockefeller has allocated \$65 million for local guidance councils in its budget.

If a Town does not step in as Oyster Bay has done with the recently established Youth Bureau, local groups have no legal way of obtaining financial aid needed to accomplish their goals.

Burke said that State Law might work fine for a Town of 10,000 which could operate with

only one narcotics council. "But in Oyster Bay," he said, "we could end up with 11 such councils and the State presently expects the Town to absorb all administrative costs, rentals and the assorted other costs of running a local council."

Burke said that recent meetings between Town and State officials, plus Rockefeller's active interest, will hopefully lead to a revamping of the State's requirements in the near future and enable Oyster Bay to provide additional money to narcotic councils which come to it for assistance.

"The majority of the eleven Youth Councils being formed by the Youth Bureau seem to be leaning toward a program designed to combat drug addiction," Burke said. "The Town is prepared to assist them by coordinating their programs so as to conform with State standards and to continue to cut through whatever red tape is necessary to obtain financial aid."

Burke also reported on other

drug-related efforts being made by the Town. These include Town assistance in setting up In-Service Narcotics Education courses for teachers, the distribution of sample narcotic lesson plans and the use of trained health teachers to assist private and parochial schools with their curriculum plans for health and drug abuse.

"The Town program in past years was directed toward education and cooperation with the school districts," Burke said. "However, now that the teaching of health (including drug abuse) is mandatory in our schools as of this month, and since parent and civic groups are now aware of and interested in furthering local narcotics councils, our efforts should swing in the latter direction."

### American Pen Women

"The Long Island Branch, National League of American Pen Women, is holding a meeting at the home of president Rose Wenck, Jericho on Wednesday, September 30th, at 1 p.m.

A program discussion for the coming year will be on the agenda, to be preceded by a luncheon at 1 p.m.

Membership in the League is open to artists, writers and composers of professional caliber, who are citizens of the United States. The League is the largest organization of its kind in the world."

### Rep. Club To Hold Meeting

The Ernest F. Francke Republican Club of Hicksville will hold its regular monthly meeting at 7:00 P.M., on Friday, October 2.

The meeting will be held at the Old Country Manor, Old Country

Road, Hicksville, New York.

Program will be Nassau County Comptroller Angelo Roncallo, and State Supreme Court Judge Albert Oppido.

It will be the 2nd Annual Spaghetti Supper.

## New Dept. Chairmen At HHS

Mr. Donald F. Abt, Superintendent of Hicksville Public Schools, is pleased to announce the appointment of three department chairmen at the senior high school. The candidates for the positions in the Business, Mathematics, and Social Studies departments were approved at the Board of Education meeting of September 8, and are as follows:

### Mr. Francis Brown

Mr. Francis Brown, Chairman Business Department. Mr. Brown has taught business subjects in the Hicksville High School since 1960, in addition he is on the faculty of Nassau Community College as a teacher of Accounting; (not pictured).

### Mr. Frank Cunningham

Mr. Frank Cunningham, Chairman of Mathematics. Mr. Cunningham has been a member of Hicksville school family since 1954. He taught math at the junior high from 1954 to 1969. He was acting Supervisor of Mathematics for the district during the 1969-70 school year in the absence of the Supervisor who was on a sabbatical leave; (in the lower picture).

### Mr. Kenneth Mc Ginniss

Mr. Kenneth Mc Ginniss, Chairman Social Studies. Mr. Mc Ginniss was on the faculty of

the junior high school from 1959 to 1967 as a teacher of Social Studies. He moved to the senior high in the same capacity in 1967. In addition to his Hicksville duties, Mr. Mc Ginniss has

served as an adjunct professor at St. John's University and as adjunct professor of Political Science and History at Nassau Community College. (In the upper picture).

"THE LIONS DEN": At the opening meeting, the Hicksville Lions Club, started the new season with tremendous enthusiasm. Miss Barbara Weber, our exchange youth to France this past summer, spoke on her experiences while visiting with a French Lions family. Miss Weber said she was very well received and enjoyed every minute.

We also had present, two scholarship recipients, Miss Joyce Cohen and Mr. Richard Kebberler. They were each presented with a check. Our projected activities are: Expanded Christmas toy program, Support for the Gregory museum and a Glaucoma detection plan for senior citizens. (Photos by Lion Charbonnet)

## Operation VFW

William M. Gause, Jr. Post No. 3211  
By Lou Palladino

Another week has passed and here we go again. Another meeting was had and a little more info. Before anything else is said, we wish to welcome in our post the four new members. Korean Vet Pete Pisani, Vietnam Vet Mike Oliva, and two young gentlemen still to be discharged Robert Jerabek and Joe Leece. So you see, we really are mixed with young, old, and in between. All you guys eligible for our post, come on and join. We welcome you to be part of this fine organization.

Have been asked to keep repeating this statement, so here goes. Anyone from our village who is serving in Vietnam and isn't receiving packages, that you know of, please get in touch with our Cmdr. Frank Aug, or our chairman Bob McGovern. Frank's no. is WE 5-5079, and Bob's is WE 5-6817. Packages go

out every month, so they should get it too.

Jim Sotille promised more information on Voice of Democracy, boy, he sure gave it. He feels very strongly for the youngsters in our schools, and told me his personal feeling concerning this project. Its highly competitive on a national scale. Aside from National scholarships, the prizes are \$10,000, \$5,000, \$3,500, \$2,500 and 5th prize is \$1,500. Sounds lucrative, and no reason why one of our kids can't win. There will be a lot of losers, but there has to be five winners. The theme this year is, Freedom - Our Heritage. Mostly they want, what the person feels, and thinks on the subject, not what is taken from books. This is the gist of it, but more will be said at another time, its just too much for my poor brain to absorb, and write at one sitting.

We received a beautiful trophy from the Fire Dept. for having our colors, and our color guard in the parade on Labor Day. Hope they are as proud as having us, as we were proud of being participants.

Henrietta Aracel, a long time active member of our Ladies Aux., just celebrated her 50th wedding anniversary. They had quite a shindig, and her children were proud as peacocks, and rightfully so. Congratulations and many more years of happiness to Henrietta and her husband Arthur.

While on the subject of matrimony, we have one of our young Lions, Mike Melody getting married this week. Congratulations and lots of luck Mike, May yours last at least as long as the Aracels.

If anybody was watching the Jerry Lewis, Muscular Dystrophy show, and was up late, would have heard him read off our donation. It happened about 12:30 A.M. We didn't expect it to be read off, but those of us who did hear it, were pleased as punch. They also sent us a nice letter of thanks, as did the boy scouts, and Multiple Sclerosis. Don't forget our cocktail party for Sunday afternoon, Sept. 27, from 2 to 5 in the afternoon. The more the merrier.

Joe Adessio was the lucky winner of our raffle time. Finally Jim Sotille didn't win.

That's all, till next time. distinguishing himself by valorous actions. The Bronze Star Medal, adopted in 1944, recognizes acts of heroism performed in ground combat against an armed hostile force.

Sgt. Balnis received the award while assigned as a tracked vehicle commander in Troop B, 3rd Squadron, 4th Cavalry of the 25th Infantry Division near Cu Chi.

## MEN IN SERVICE

Army Nurse (First Lieutenant) Susan C. Weiss, daughter of Mr. and Mrs. Frederick W. Weiss, 19 Target Lane, LEVITTOWN, recently received the Bronze Star Medal in Vietnam.

Lt. Weiss received the award while assigned as an operating room nurse at the 71st Evacuation Hospital near Pleiku. She entered the Army Nurse Corps in October 1968 and was stationed at Madigan General Hospital, Tacoma, Wash., before arriving overseas.

Navy Seaman Apprentice Michael E. Keenan, son of Mr. and Mrs. James E. Keenan of 15 Westmoreland Road, HICKSVILLE, was graduated from basic training at Recruit Training Command, Great Lakes, Ill.

Speaking of dedication, I was terribly sorry to hear of Pastor Jim Benson's illness. I am and hope you shall keep him in your prayers. This community really needs such a valuable and vibrant man back at his many, many varied commitments.

Navy Seaman Howard B. Koch, son of Mr. and Mrs. Alfred Koch of 3 Essex Lane, HICKSVILLE is serving aboard the guided missile frigate USS Dahlgren now deployed in the Mediterranean.

Airman Dianne G. Rahm, daughter of Mr. and Mrs. O. Lennart Rahm of 33 Fulton Ave., HICKSVILLE, has completed basic training at Lackland AFB, Tex. She has been assigned to Chanute AFB, Ill., for training in

weather services. Airman Rahm is a 1969 graduate of Hicksville Senior High School and attended Nassau Community College, Garden City.

Army Sergeant Steven D. Hicks, 19, son of Harry H. Hicks Jr., 11 Mercury Lane, Levittown, N.Y., receives the Army Commendation Medal during ceremonies July 30 near Da Nang, Vietnam.

Sgt. Hicks received the award for meritorious service as an intelligence specialist in General Support Company, 7th Psychological Operations Battalion.

The sergeant entered the Army in March, 1969 and received basic training at Ft. Jackson, S. C.

Navy Seaman Dennis E. Brown, son of Mr. and Mrs. Edward Brown of 9 Utica St., HICKSVILLE, and Navy Seaman William A. Schullerman, son of Mr. and Mrs. August W. Schullerman of 133 West Marie St., HICKSVILLE, both participated in the riverine warfare training exercise "Escort Lion II" aboard the landing tank ship USS York County 40 miles southwest of Charleston, S. C.

Marine Lance Corporal Walter Boes, son of Mr. and Mrs. Werner P. Boes of 21 W. Barry Lane, OLD BETHPAGE, has reported for duty at Marine Corps Base, Camp Lejeune, N. C.

Army Sergeant Jack T. Balnis, 19, son of Mr. and Mrs. Martin Balnis, 17 Gerald Ave., HICKSVILLE, received the Bronze Star Medal in Vietnam. He received the award for

## CUT THE TIES THAT BIND

"Legal trivia" is preventing progress in the work of the Interstate Commerce Commission, according to its new chairman, George M. Stafford. He says that there is more concern with the details of complex regulations than there is with developing broad-range policy.

Chief Justice Warren E. Burger tells the American Bar Association that trials are overly long. He asks for quick action by Congress, state legislatures and municipalities to adopt modern business procedures for the court system itself and to reduce the need for unnecessary appeals and the overall burden on the courts.

Each year Congress and state legislatures pass thousands of new laws. Thousands of municipal ordinance and administrative rules of regulatory agencies add to the chaos.

An example of the legal jungle, which is familiar to all, confronts each citizen once a year when he tries to understand the obscure and often contradictory wording of his income tax form.

Individuals and companies involved in court cases often are faced with months of uncertainty as they await trial. Regardless of the outcome, justice is impeded when it is impossible to obtain a reasonably quick decision.

Respect for law and order is essential to a free society. Those in authority should do everything possible to simplify legal procedures to reduce the burdens on the courts and the public. Making laws understandable, improving procedures, and reducing the number of laws and regulations should be given top priority.

## Dear Friends...

## ADULT EDUCATION

In Hicksville School District 17 many interesting courses make up the adult education program. Classes start this Monday, Sept. 28. Every resident in District 17 received an Adult Education brochure which covered all details regarding the courses, how much each one costs and what it involves. So if you haven't already done so, check your adult education brochure and get in touch with Director John M. Ash after 7 p.m. his telephone number is WE 5-9421. It's quite possible that the classes you are interested in may have room for you and you can ten start on Monday.

## SCHOOL DISTRICT 17

A great deal of anxiety is sweeping the concerned parents of District 17, most of which involves the continual cutting down of staff. This, incidentally is probably just beginning and will continue for at least the next two years. It is hardly surprising when one reads the mimeographed bulletins put out by the LIFE organization, which consistently claims, credit for the election of Messrs. Kershen, Clarke, Zindulka and Muralore, and just as consistently claims credit for any and all cuts in school district expenditures and the tax rate, even when the tax rate this year was reduced to quite some extent by the addition of new buildings to the total assessed valuation. Actually, as each month passes and further cuts to staff go on, no one should be surprised. After all, these men have never denied that LIFE organization backed them and LIFE has never denied what it stands for. You will pay less school taxes

(Continued on Page 5)

This week's question is "What do you think of sex education in the schools?"

MRS. EILEEN JACKSON, 8 Bird Lane, Hicksville—"Well I think it is a very good idea in its proper perspective. The way I understand it is, that there are three or four strands, and two strands are already being taught under the heading of science. What the big issue is—is what is being taught. It is good in the way, that many parents cannot explain this facet of life to their children. It should come from the school—from the nurse-teacher, not just any classroom teacher. It should be taught in its proper perspective by the proper personnel at the secondary level."

MRS. GILDA SHAPIRO, 41 Primrose Ave., Hicksville—"I am in favor of sex education being taught in the public schools provided that: 1, suitable materials are used by 2, a teacher (preferably school doctor or nurse-teacher) who possess a wholesome attitude; and 3, curriculum be taught at all grade levels in a proper classroom arrangement."

This is not to say that parents should ignore or pass along their responsibility in this facet of their children's education. While many adults may not be able to know how to accurately teach the psychological aspect, they should be able to impart the religious, emotional, and moral values that are part of their tradition."

MRS. MARGE BOYLE, 11 Robert St., Hicksville—"I am all in favor of this. This should be part of school curriculum from Kindergarten through 12th Grade. Of course, trained, qualified teachers should do the work. Parents might have less objection to this if they knew how the courses would be presented to their children."

MRS. THOMAS DOUGHERTY, 3 Mercury Pl., Hicksville, "Sex education in the schools is a very good idea. A lot of parents have no time or patience to explain this facet of life to their children. It is very important—children will learn from the other children and then they will be misled. I am in favor of it."

## Sergi To Perform With Pro Arte Symphony

## DISREGARD ABOVE

The American Tenor of the Cologne Opera, Arturo Sergi, will sing excerpts from Beethoven's Fidelio with Eleazar de Carvalho and the Pro Arte Symphony at the opening concert of its 1970-1971 season at 9:00 P.M. on Saturday, October 17th.

Sergi made his Metropolitan Opera debut in 1963 as Dimitri in Boris Godounov and two seasons ago appeared with the Pro Arte Symphony in two performances of Berlioz's Requiem. This summer he sang Fidelio at the National Opera House in Rio de Janeiro under the direction of Dr. de Carvalho. Pro Arte's conductor and music director.

An unusual fact of Mr. Sergi's career is his love of Lieder singing. Each year in addition to his opera appearances, he devotes as much time as possible to the recital stage. He has made several U. S. tours and recently

## COURT STREAMLINING NEEDED

## Ready Long Island Privacy Probe

The Supreme Court Building in Mineola will be the setting when, at a public hearing starting at 10 a.m. on October 7, a number of witnesses from the Long Island area will testify on present day perils to personal privacy. The probe is being conducted by the Senate Judiciary Sub-committee on Right of Privacy, of which Senator John D. Caemmerer is chairman.

Of those expected to testify is Louis A. Kislik, president of Publishers Clearing House in Port Washington who will be discussing alleged invasions of privacy in relation to sales promotion giveaways and contests. In addition, other topics on the agenda include: personal data gathering by government and industry, the privacy implications of computerized medical records and proposed

regional and national data banks, the impact of psychological and lie detector testing and other investigational procedures on employees, the privacy invasion capabilities of the computer and other electronic data processing equipment, and progress reports by the credit granting industry on how they expect to comply with the strict privacy guidelines mandated for this Fall.

## OTHERS INVITED

Also, Caemmerer indicated, the Sub-committee wants to hear from "any Long Islander with a legitimate privacy complaint, particularly if he has a potential solution to offer." All, said Caemmerer, are invited to attend the public hearing set for Wednesday, October 7, on the third floor of the Supreme Court Building, 100 Supreme Court Drive, Mineola.

## Nassau-Manhattan Bus Service Receives Temporary OK

The Public Service Commission today granted a temporary certificate of public convenience and necessity to Jerusalem Avenue Bus Line, Inc., for operation of a Nassau-Manhattan "park-ride" express bus service.

The action was based on the determination that "public interest would be best served by issuing the certificate of public convenience and necessity for the temporary operation of an omnibus line requested by the petitioner, thus providing the commuters of Nassau County with an alternative means via public transportation of reaching Manhattan."

The company proposes to operate the new service over a route which will originate near Mays department store in Levittown and terminate in Mid-Manhattan, making intermediate stops only at Salisbury

appeared at Town Hall. Born in New York City and educated at Alfred and Columbia Universities, Mr. Sergi is married to the American dramatic soprano Lenore Gluckman.

(Eisenhower) Park and Roosevelt Field in the Town of Hempstead and at Christopher Morley Park in the Town of North Hempstead. Stops in Manhattan would be at designated points in an area bounded on the south by 34th Street, on the west by Avenue of Americas, and on the north by 59th Street. The running time is estimated at 90 minutes.

At a public hearing, a company official testified that the principal aim of the new service is to induce private automobile drivers to leave their cars at home or at parking lots at which passenger pickups will be made.

## To Sell Killenworth

Mayor-Supervisor Andrew J. DiPaola has announced that he will formally notify U.S. Attorney John N. Mitchell that he will proceed with the sale of the tax lien on Killenworth, the Soviet Union's estate in the city of Glen Cove, on September 28, unless the federal government acts before then to reimburse Glen Cove for the \$49,913 in back taxes owed by the Soviet government.

## "Sweet Adelines" Perform In Plainview

"Join the happy crowd" was the theme of the musical program last Thursday when the Central Long Island Chapter of Sweet Adelines, Inc., held its Annual Membership Drive. Central Long Island Chapter is one of more than 500 choruses of this international organization of women who are dedicated to the promotion, instruction and enjoyment of four-part barbershop harmony and who have as their theme song "Harmonize the World". Each individual Chapter is an asset to its local community, providing an outlet for community service. Sweet Adelines are the first to offer their talent for entertainment at civic events and charitable functions. In addition, a Sweet Adeline Chapter promotes harmony among women, both vocally and spiritually.

Thursday evening, as every Thursday evening, Central Long Island Chapter proved that the

chapter is the "workshop", and it is here that the members receive their basic training in barbershop harmony, while participation in their prime endeavor—the joy of singing! Under the amiable direction of Mr. Tom McElraevy, Central Long Island Chorus joined the 24 prospective members in songs such as "I Feel A Song Comin' On", "Yesterday" and "Softly". Highlighting the evening was a special quartet, demonstrating how four part harmony is constructed. Singing Tenor was Mrs. Yetta Leinweber of Massapequa... Lead was sung by Mrs. Frances Savoie of Merrick... Baritone, Mrs. Anne Gosch of Williston Park and Lee Gottschalk of Massapequa sang Bass.

At the United Presbyterian Church in Plainview, Alida Spitzer, a resident of Plainview and Membership Chairman for Central Long Island along with the many members of this har-

monious chapter helped to make it a most enjoyable evening with beautiful singing, delicious refreshments and most important a very friendly atmosphere.

The end to a perfect evening

came with the arrival of the "O-GEE FOUR", Central Long Islands own Famous quartet. Although they had a previous engagement their loyalty and devotion made them break all records to attend. Their song

"Second Hand Rose" tore down the house. Tenor... Mrs. Evelyn Kuhlman of Levittown, Lead... Mrs. Annette Torre of Levittown, Baritone... Anne Gottlieb of Massapequa and Evelyn Jackson of Merrick singing Bass.

**OFFICIAL OPENING:** Oyster Bay Town Supervisor John W. Burke joins Oyster Bay Town Councilman Warren M. Doolittle at ribbon cutting ceremonies at

the opening of Doolittle Campaign Headquarters recently at 18 West Marie Street, Hicksville. Enthusiastic supporters join the celebration.

For 1971, Maverick offers two new models — the four-door family-sized sedan (top) and the sporty Maverick Grabber (bottom). The four-door version is seven inches longer than the original two-door Maverick model and offers substantially increased rear seat roominess. The Grabber Sport Sedan features a Charblack grille, twin nonfunctional air scoops, reflective tape stripes, racing mirrors and a blackout treatment of the spoiler and rear end. The model that started it all, the two-door sedan, also will be available in 1971.

**YOUTH BUREAU:** The recently created Town of Oyster Bay Youth Bureau held its first Hicksville Meeting in the auditorium of the Hicksville Senior High School last week to determine the needs of the community and help organize a youth service program. Oyster Bay Town Councilman Warren M. Doolittle, right, who serves as liaison between the Town Board and the Youth Bureau, chats with Mrs. Frank Blesi, left, President of the Ladies Auxiliary, Veterans of Foreign Wars Post No. 3211, Hicksville, as Jean Jackson, member of the Hicksville Teen Age Republicans, (TARS) and Frank J. Aug, Jr., Commander of the Hicksville VFW Post, listen in. The second meeting of the Youth Bureau in Hicksville will be held on Wednesday, September 9, at 8 P.M. in the Hicksville Public Library, 169 Jerusalem Avenue.

## Buying Guides For Consumers

The Long Island Better Business Bureau has just released a package of buying guides meant to help the consumer become a more informed buyer.

John P. Sullivan, executive director of the Better Business Bureau, announced the availability of 10 wise-buying guides in English and Spanish on the following subjects: How To Manage Your Credit; How to buy

a Food Freezer Plan; How to Buy An Air Conditioner; What You Should Know About Garmenting; How to Buy a Car; How to Avoid Schemes; How to Avoid a Work-at-Home Lure; How to Buy Furniture; How to Avoid the Trap Called Referral Selling; and What You Should Know About the Door-to-Door Salesman.

Commenting on the timing of the wise-buying guides, Sullivan

said that while they are helpful in these times of inflation, they are not so much an "anti-inflation survival kit" as a continuing effort by the Better Business Bureau to help consumers understand and prepare for their role in the marketplace.

The release of the wise-buying guides emphasizes the Better Business Bureau's program of "consumer protection through

to some infinitesimal extent, due to these cuts, but your children will receive an inferior education...we only get what we are willing to pay for.

As it stands, Old Country Road School and East Street School are now sharing an assistant principal...and the recreation dept. is to be reduced by one member. It doesn't take a genius to understand that we are getting exactly what the majority of people voted for, when these men were elected to our Board of Education. So be it, And this leads in to our next item...

### AN ADULT ED COURSE IN DISTRICT 17

I know it is too late for this term...but why not an adult education course of ten sessions beginning in January on School District 17 and our N.Y. State Education Dept? There are more than enough topics to make this a meaningful course which would be helpful to many...perhaps even some of our school board members would be aided by taking such a course (and we don't mean this sarcastically)! Even people who are well-meaning are still uninformed in many areas. As for instance those of our residents who continue asking "Why aren't the suggestions in the Flannagan Report implemented?" Even with a Board with a majority of pro-education members, budgets and any large school district expenses are still subject to the vote of those people living in District 17 who care enough to register and vote. We feel that a well-planned course in School District 17, sponsored by Adult Ed could do a lot of good...perhaps some of our parents who do not even come out to vote might then realize how important this is to their children...who knows?

### HERE AND THERE

Don't forget to mark Thursday Oct. 8 down on your calendar this is the first fall meeting of the HICKSVILLE COMMUNITY COUNCIL, scheduled to start at 8:15 p.m. at the Hicksville Library. Hicksville's (and TOB) Councilman Warren Doolittle has arranged for the newly-appointed planners for the Town of Oyster Bay to come and speak to us. So, come on down, you don't have to be a member to attend, though we hope many of you do intend joining this rapidly growing Council.

Until next week, stay well and don't waste a day,

Cordially,

## Experts To Discuss Transportation Crisis

The nation's leading transportation experts will meet in New York City on September 28th and 29th to discuss the "crisis in mass transportation". It was announced today by Senator Edward J. Speno, Chairman of the New York State Joint Legislative Committee on Transportation.

The two-day session at the New York Hilton is being held under the auspices of Senator Speno's Committee, with the assistance of a grant from the New York State Science and Technological Foundation. The Forum will bring together legislators from all over the country to hear such experts as Robert Moses, Dr. William J. Rönán, Senator Harrison Williams, and the managers of the San Francisco, Atlanta, and Toronto Transit Systems.

According to Senator Speno, "the problem of moving people in and out of our cities has reached crisis proportions. Unless hard decisions are made now to solve it, the cities, as we know them today, cannot survive. This is the reason I have asked transportation leaders to come to New York to deal with the problems and their solutions." "The audience of state legislators," continued Senator Speno, "must be made aware that they are the ones the public must depend upon, for it is they who must vote the dollars to meet the problems."

"A wide variety of subjects will be covered, ranging from jetports to high speed rails, to waterways."

"Transportation systems cannot be considered separately," stated Senator Speno. "They are all part of a pattern that must mesh together if the public is to move safely and swiftly."

"Jetports must be built and swift ground transportation must be ready when they are. Waterways must be used as alternate means of high speed travel. We must minimize the auto and maximize mass transit if we are to maintain mobility in and around the large cities of this nation."

Senator Speno admitted that up until now, mass transportation has had a low priority and he wants to change all this.

"We must experiment. We must succeed. What is needed is a 'blueprint for action' and that is what I am calling for at this Forum."

The legislators and speakers will attend round-table sessions to discuss and exchange information. In addition to these, they will view exhibits of new transportation techniques, such as Tracked Air Cushion vehicles, Hovercraft, VSTOL and STOL planes, a mono-rail system, and models of new type buses to run on express bus lanes.

"After they see and hear," said Senator Speno, "we hope they will go back to their State Legislatures with a view toward opening the purse strings to make a start towards solving the mass transportation problems in their communities."

## Bernett, Eisen Appointed Directors

John H. Bernett of 190 Princess Ave. and Harry J. Eisen of 80 W. Jericho Turnpike, Syosset, have been appointed Civil Defense directors of the Hicksville-Jericho and Syosset-Woodbury units, respectively. The appointments were announced today by Gen. Joseph A. Bulger, Nassau County C D Director.

Bernett also serves as chief of the Auxiliary Police of the Hicksville-Jericho unit.

Gen. Bulger urged residents of the Hicksville-Jericho and Syosset-Woodbury areas who are interested in volunteering for service in their local Civil Defense units to contact Bernett

and Eisen at their earliest opportunity.

## Social Security

### News

Ques: I receive monthly social security checks and will be changing my address. How do I go about notifying the social security office of my new address?

Ans: Report your new address by mail, telephone or personal visit to your nearest social security office. Other events affecting payment, such as work, death, marriage or divorce should also be reported this way.

Ques: I will have earned almost \$12,000 by the time I retire on September 30th of this year. Will I be able to receive any social security checks for 1970?

Ans: Yes. You can get payments for the months of October through December 1970 if during those months, you earn wages of less than \$140.00 a month and are not actively self-employed, that is, not performing substantial services. If you have additional questions, please contact your social security office at 1505 Kellum Place, Mineola, PI7-5470. Office hours are: 9:00 am to 5:00 pm Monday through Friday.

## HIGH HOLY DAYS SERVICES

Dear Friend:

We take great pleasure in inviting you to be with us at our High Holy Days services, which this year begin on the evening of Wednesday, September 30th. To worship in our lovely Synagogue is in itself an experience fraught with holiness and joy, and it is of special moment on the holy days of Rosh Hashanah and Yom Kippur. In planning to attend our services, you are preparing for yourself an experience of great depth and religious significance.

Rabbi Bernard Martin, an outstanding and renowned scholar and speaker, and chairman of the Department of Religion at Case Western Reserve University in Cleveland, will officiate at these services. He is the author of *The Existential Theology of Paul Tillich*, and *Prayer in Judaism*, and has proved on all occasions inspiring and enlightening. Our musical service will be rendered by recognized artists, who will add greatly to the beauty and sanctity of the services.

You will find, by attending our High Holy Days services, that you will be receiving, at its very outset, the key to inner strength and happiness for the entire year.

It is essential that you make your reservations as early as possible.

We hope to hear from you very soon, and look forward to joining you in worship on these most holy days.

## I.

Getting laminated means you can have a color photograph of yourself taken, and then laminated onto the back of your BankAmericard.

Free.  
It takes only a few minutes and you end up with a valuable, photographic ID card (which you'll get in the mail).

## 2.

You can have your picture taken at any branch of Bankers Trust.

We use Polaroid cameras so you get to see yourself in seconds.

If you don't happen to like your expression, we'll go on snapping away until you're happy.

## 3.

You don't have to bother doing this if you don't want to. You can go right on using your BankAmericard the way it is.

But once your picture is laminated onto your card, it provides you with excellent identification for almost any purpose. (Including cashing your Bankers Trust personal checks at any branch of Bankers Trust.)

## 4.

If you don't have a BankAmericard as yet, come in and have your picture taken anyway—you can apply for BankAmericard at the same time.

It's about the best kind of identification you can carry in your wallet and it doesn't cost anything. So how can you resist getting laminated?

## Buying Guides For Consumers

(Continued from Page 6)

information." For the past four years, the Bureau has engaged in a positive and preventive program of public information—carried out through mobile units, community seminars, the classroom, neighborhood meeting halls and the press. We want to get to consumers before their problems start," Sullivan said. "At the same time we are helping businessmen by giving them informed customers."

The wise-buying guides were produced through a grant from the New York Community Trust. While they were prepared essentially for low-income residents, the Bureau believes they will appeal to all customers because they are interesting, easy to read and attractively illustrated. The booklets are printed in two colors.

The booklets give up-to-date information on the rights and responsibilities of customers, and include changes in the laws affecting the consumer-merchant relationship in New York and New Jersey.

Readers of this newspaper may obtain single copies free by sending a self-addressed, stamped, business-size envelope to the Better Business Bureau at 131 Jericho Turnpike, Jericho, N.Y., 11753 stating the title of the desired booklet. For each additional title another self-addressed, stamped envelope is required.

## Letter To The Editor

Dear Ma'am:

I certainly feel that someone should take the initiative to put a stop to the disgraceful way in which the high school students act during their lunch periods, how they litter the roads between the school and Old Country Rd. on Division Ave., how they display themselves on the school lawn and the lawns of the occupants of homes on Division Ave. The litter of glass, cans, and paper on the street makes driving a hazard. They utterly unconcerned about their actions, and I feel this is a reflection of the attitude of the school officials, from assistant principals to the members of the Board of Education. If they cannot control the actions of the children in their care during school hours, then perhaps we should find some teachers, and administrators who will care and do something about this disgraceful situation.

And where is the police department when the students drag race up and down Division Ave. during the lunch hours? They park two and four abreast the roadway, making it impossible for a legitimate driver to pass, and it is taking your life in your hands to try to drive on Division Ave. while these hoodlums are allowed to drive so recklessly. Again, perhaps a shakeup is needed from the top down, in both the police department and the school system.

Sincerely,  
Joseph Lynch

## Guide Dog Helps Hicksville Girl

When Lynn Schoenfeld, of Hicksville returns to her studies at Wagner College this fall, her friend ESKI will be right at her side. Not a student herself, ESKI's job is to make sure Lynn can travel about as she wishes. ESKI is a highly-trained Golden Retriever guide dog and Lynn, her mistress, is totally blind.

Both Lynn and ESKI graduated last month from Guiding Eyes for the Blind school at Yorktown

### ON THE CAMPUS

Ellie A. Dantonio of 24 Nassau Ave., John A. Alongi of 3 Milben Ct., Starr B. Katzman of 15 Coronet Lane and Frank J. Aimetti of 16 Vernon St., all of PLAINVIEW; Karen L. Kenny of 35 Mahan Rd., and Chairman A. Block of 44 Voorhis Dr., both of OLD BETHPAGE, all students at C.W. Post College were named to the Dean's List for the Spring semester, 1970.

Heights. In the course of the four weeks training there, they have learned to work together as a smooth team, giving Lynn the ability to move about without being dependent on another person.

Guiding Eyes for the Blind, a non-profit organization supported by donations from the public, is dedicated to providing guide dogs to blind persons who request them. The dogs, bred for their intelligence and good temperament, are products of the organization's breeding program.

Lynn, who hopes to teach German at the high school level on graduation, is also an accomplished folk rock composer, singer and guitarist.

Blind since birth, Lynn has had training in the use of the "white cane", but looks forward to the new ease of mobility made possible with ESKI's help.

Lynn Schoenfeld poses with Eski, her guide dog, who helps her travel about as she wishes.

## Hicksville Library NOTES

Together with falling leaves, pumpkins and apple cider at roadside stands, the Indian summer weather, the Autumn has already brought us the glittering and exciting opening of the opera season.

Both the Metropolitan Opera and the New York City Opera companies have begun their performances, and are offering both old standards, such as Mascagni's CAVALLERIA RUSTICANA and Verdi's LA TRAVIATA, and operas that are performed less often, such as Donizetti's ROBERTO DEVEREUX and Janacek's THE MAKROPOULOS CASE.

Many of Hicksville's opera buffs will find their way into the city during the coming fall and winter months, to enjoy the performances at first hand. But for those who can't attend as often as they would like, and for those who can't get in at all, the Hicksville Public Library is offering a large collection of "Operas on Record" - most of your favorite operas, performed by opera greats of the past and present - and available to library borrowers for the usual seven-day period.

There are currently well over one hundred recorded operas in the collection, with new ones added as they are issued. Of those operas which are being offered this season by the Met and New York City companies, the Library has records of the following:

Beethoven's FIDELIO (OPR-B 1585).

Verdi's ERNANI (OPR-V 367). The Met opened with this one.

Mascagni's CAVALLERIA RUSTICANA (OPR-L 34) and Leoncavallo's I PAGLIACCI (OPR-L 399).

The Met's "Cav and Pag" program.

Bellini's NORMA (OPR-B 945). Donizetti's ROBERTO DEVEREUX (on order).

Puccini's LA BOHEME (OPR-P 18).

Mozart's MARRIAGE OF FIGARO (OPR-M 704).

Verdi's LA TRAVIATA (OPR-V 782).

Janacek's THE MAKROPOULOS CASE (OPR-J 1392).

Massenet's WERTHER (on order).

Offenbach's TALES OF HOFFMAN (OPR-O 1065).

Puccini's MADAME BUTTERFLY (OPR-P 121).

Almost all of these records contain a libretto of the opera, but, in addition, the Library also offers a Libretto collection, with librettos of some 75 operas, which are available for circulation and can be found in the Music Room.

Reserves will be taken at the Main Desk on all of this material, and purchase requests will be welcomed for any material the Library does not already own.

A Reminder: The Library's cassette collection (still in its infancy, but doing just fine, thank you!) is now available for circulation. The Library is offering a mixed bag - popular music, both rock and sweet, folk songs, classical music, poetry readings - you name it. Special cassettes for children - from Aesop's Fables to Dr. Seuss - are available in the Children's Room.

## Ramblin' Rose

By Rosemary Walsh

Well, fall is here (sure doesn't feel like it, does it?) Are you doing your fall cleaning, well just a wee word of warning - don't just toss everything out cause I promise you that in a few months (if not sooner) you'll find you need that item you hurriedly cast aside.

Recreation is rolling along, this is planning time for the most part. I've had another kind invitation

- this time from the Hicksville Baseball Association to attend their Trophy Award Dinner - thank you, fellows - of course I'll be there (God willing). Thinking of baseball (and of course chewing my nails for the Mets) reminds me of our groundsmen and their leader, Angelo D'Amato. They all do work so hard and cooperate with me helping all the groups (as does all the custodial staff.) However,

back to Angelo - he is retiring after many years of dedicated service. I believe he deserves a rousing round of applause and wishes for continued good health and luck in his future plans. I shall personally really miss you, Ang - here's a hug.

I'll ramble away now!

Mr. and Mrs. John Fox, of 18 Willow St., Hicksville, are pictured on the deck of the Greek Line's Luxury Liner, "T.S.S.

Olympia", just before sailing from New York Harbor bound for a vacation cruise to the sunny isles of Bermuda.

Mr. Gardner Gregory, Director of The Gregory Museum is speaking at the Mid Hudson Valley Gem and Mineral Show to be held October 3rd and 4th.

On October 17th and 18th, The Gregory Museum is participating at the Tuscarora Gem and Mineral Show in Allentown, Pennsylvania. The Museum will demonstrate faceting, the polarizing microscope, photomicrography, and photomicrography. Mr. Gregory will speak both days at the show.

Recently Mr. Gregory spoke to the Hicksville Kiwanis Club, and the Long Island Mineralogical and Geological Society in Massapequa about The Gregory Museum and mineral collecting in Pennsylvania.

## Awards Contract

Oyster Bay Town Councilman Warren M. Doolittle said today that the Town Board has awarded Amfar Asphalt Corporation of Kings Park a contract for the bituminous surfacing and concrete repairs of certain streets in Hicksville.

Doolittle said Amfar, the low bidder for this project at \$149,325, had been recommended for approval of the board by H. John Ploek, Jr., Commissioner of the Department of Public Works, and John C. Martling, Deputy Commissioner of the Highway Division.

## Civil Air Patrol Viewed A Film

Recently several Hicksville-Levittown cadets of Nassau Squadron No. 4 Civil Air Patrol, saw the film "Debrief: Apollo 8" concerning the philosophical affects of man's first mission to the moon Christmas Eve 1968.

This was the third of a series on men in space being presented as part of the cadet aerospace education program. The next presentation planned for Tuesday, October 13th, will be "The Eagle has Landed," which is about the first actual landing on the moon. Visitors, both prospective cadets and adults are welcome.

During the school year Squadron No. 4 meets every Tuesday at 7:30 P.M. at the J.F. Sparke School, Condon Road, Levittown. For further information please contact P. O. Box 124, East Meadow, N. Y. 11554.

## SPORTS

Howard J. Finnegan

In 1969 the only divisional championship annexed by Hicksville High School was achieved by the Cross-Country team.

Coach Bob Hilsky has a hard working crew once again this year and just may possibly grab off a big prize again.

In this unheralded sport the team members must extend themselves in grueling efforts both to make the team and then in practice and competition.

Senior John Kearney leads the returning varsity members and according to coach Hilsky should host a very good season.

Vincent Luisi has made the most impressive showing in practice. He is only a Junior.

Other varsity returnees are James Mattis, Peter Coeling, Paul Fuller, Sheldon Melnitsky, Garrett Van Houten and Kevin Masters.

Those boys will bear the burden of trying to defend the North

Shore Section One divisional championship for Hicksville.

Of course other barriers may surprise Hilsky and if they do they will get a full chance.

Richard Allison, Bill Auffant, Robert Martin, Brian Austin, Tom Lawlor, Gerald Kilday, John Kovacs, Brian Baldwin, Dan Bell, Donald Browning, Kevin Quinn, Kurt Spielman, Peter Sarandrea, Frank Rybak, Al Santini and Larry Casassa are the other members of the team.

That comprises a strong, energetic group which will continue to rebuild the sport at Hicksville.

The biggest date on the schedule comes on the 29th of September the gun will crack at exactly 4:00 p.m. and the Hicksville and Syosset runners will be off against each other on the Farmingdale Aggies College course.

This will be a bitter one. Last year Hicksville ended Syosset's five year undefeated streak and the recovery rate is yet to start at the school to the north.

Bruce Cerone jumped up between two defenders, Friday night, with just ten seconds on the clock, to grasp a pass and give the Long Island Bulls one final chance.

The sensational play carried 57 yards and aroused a rain drenched 4,356 fans in Hofstra Stadium.

The last man tackled Cerone on the Jersey Jet 49-yard line with the Bulls trailing 17-13.

A field goal attempt with one second left was blocked.

Up to the desperation call for Cerone the Bulls persisted in a dull ground game which gained yardage but failed to get adequate points on the scoreboard.

Perhaps a bit more of the catching wizardry of Cerone will be allowed this Friday night against Bridgeport.

## Plainview High School News

By Andy Kagan and Adam Strum

To the relief of harassed mothers, and to the dismay of most students, school opened September 8th, not with a bang, but with a whimper, as students traded their surfboards, bikinis, and summer boy/girl friends for textbooks, slide rules, and winter boy/girl friends.

On the first day of school, the inmates were treated with speeches by administrators, student government leaders, and class presidents. All of them wished the students a "successful" school year, whatever that means.

A fashion trend is quite evident this year as skirts have been raised (despite the onslaught of the maxi). Needless to say (but I will), school lessons are as distracting to serious girlwatchers.

On the sports scene, the football, tennis, and soccer teams are warming up for the fall season. Mr. Straus, head coach of tennis, expects Plainview to place high in the division standings this year. Starting are Guy Berliner and Rick Gelf, both veterans of the team. Saul Kagan, a sophomore, is also starting at

fourth singles.

The Plainview Marching Band has been invited to the Newsday-Hofstra marching band festival. Only 28 bands are invited annually. The competition will be held at Hofstra on October 22, and all are encouraged to attend and to cheer for Plainview.

On Tuesday, September 15, the Business and Distributive Education Dept. of Plainview-Old Bethpage Senior High School held a Social Security seminar for students and faculty. Mr. Daniel Maini, Field Representative for the Social Security Administration, was the speaker. Opportunity was given for both students and faculty to ask and get answers to questions.

On Wednesday, September 16, Mrs. Gertrude Hincley, a representative from the N.Y.S. Employment Service, discussed with the Business and Distributive Education classes the employment picture on Long Island.

Both Mr. Maini and Mrs. Hincley plan to return to P.O.B.H.S. to further enlarge on Social Security and the job employment picture.

## Army and Soldiers Chorus

The 100 man United States Army Field Band and Soldier's Chorus will perform at Eisenhower Park on Saturday, September 26, beginning at 2:30 P.M. It was announced today by Acting Public Works Commissioner Edward Borysiewicz.

The band and chorus have performed in all 50 states, Canada, Mexico, Europe, the Far East and in Central America. Notable performances have included concerts at the New York and Seattle World's Fairs, EXPO '67, the Mormon Tabernacle in Salt Lake City, the Alaskan Centennial in An-

chorage, on the Esplanade in Boston, Philadelphia's Robin Hood Dell and the Hollywood Bowl.

The free performance will be held at the Lakeside Theatre.

## Choral Group

The Division of Recreation and Parks is forming a choral group to be known as the Recreation Chorus of Nassau County, Acting Public Works Commissioner Edward Borysiewicz announced today.

The Chorus is open to all County residents over the age of 14. Auditions will be held on the following Monday evenings from

7 to 10:30 P.M.: September 28, October 5, 12, 19 and 26. Site of the auditions will be the Eisenhower Park Puppet Theatre building near Parking Field 6A.

Appointments for auditions may be made by calling George Brown at 292-4130. Applicants must be able to read music.

## Sculpture Exhibit

A sculpture exhibit will be held in front of the carillon at Eisenhower Park on Saturday, September 26 from 1 to 7 PM and on Sunday, September 27 from 10 AM to 5 PM.

25 pieces of sculpture, the work of four Nassau County women, will be shown. The women operate Sculptors Four, a studio-gallery in Mineola where visitors are able to watch the sculptors at work.

## Model Airplane Events

Cantigue County Park, Hicksville, will be the scene of two Model Airplane events on the weekend of September 26 and 27, it was announced today by Acting Public Works Commissioner Edward Borysiewicz.

On Saturday, beginning at 10 AM, a Model airplane clinic and contest will be held for all Nassau children between 8 and 13 years of age.

Members of the Long Island Association of Model Airplane clubs will serve as instructors and free model airplane kits will be supplied to the first 300 children attending.

On Sunday, spectators are invited to attend an indoor Model Airplane Meet at the Cantigue ice rink building.

The contest will begin at 8 AM and run until 5 PM. Participants are members of the Long Island Association of Model Airplane Clubs and the event is co-sponsored by the PAN-AM Club.

## Jogging

Nassau residents over 18, interested in keeping physically fit are eligible to join a jogging program at Wantagh County Park.

Sessions will be held at the park Monday through Friday between 10 and 11 AM. Both men and women are invited.

Further information concerning the program may be obtained by calling Wantagh Park at 292-4226.

## Polo At Bethpage State Park

On Sunday September 27th the polo game at the Bethpage State Park Polo Field will have an international flavor when Jim McGinley and John Walker of New Zealand will team up with Tom Dowd and Vinnie Rizzo for Potomac to do battle with Fred Guest, Alan Corey III, Dave Rizzo and Allen Jenkins - a strong line-up for Bethpage. It's bound to be a family feud too when the Rizzo brothers, Dave and Vinnie pit against each other and a sure bet neither will give way. Bethpage has a fifteen goal team rating and the visitors sixteen.

The finals of the Shaw W. Robinson Memorial Tournament scheduled for Sunday September 28th had to be postponed because of the inability of one of the players to appear. Sunday October 4th to see the wind-up of the tournament instead. In it's place Brookville's Fred Braunstein, Fred Zeller, Fred Guest and Allen Jenkins met Bethpage's Peter Henderson Al Bianco, Dave Rizzo and John Whittemore, downing them seven to four. It was a close one all the way, the score tied three times and knotted at four all at the end of the fifth chukker. But in the sixth a number 5B penalty awarded to Brookville gave them the edge, Guest driving this one home on three strokes down the field to score the tiebreaker. Following with two more markers Guest had it made for Brookville, excellent team play by both Brookville and Bethpage making this game a thriller.

It's polo time every Sunday

afternoon at the Bethpage State Park Polo Field - gametime 3:30 P.M. It's a great match every week no matter how the teams line up and this Sunday's special should even top the regulars. Admission is always \$1.50 and free to youngsters under twelve accompanied by an adult-children as well as grown-ups of all ages enjoying the exciting man play and horse play that makes polo one of the greatest sports in the world. A visit to beautiful Bethpage Park is a real pleasure and the polo area with it's spacious grounds, adequate seating and refreshments near the field adds to fun for all. This Sunday's games is going to be a great one!, said a spokesman.

## Country Auction

St. Margaret's Episcopal Church, 1000 Washington Avenue, Plainview, will hold a COUNTRY AUCTION on the Church grounds Saturday, October 3rd from 11a.m. to 4 p.m.

"For Sale" items, Children's Booths and Games, and a light luncheon will also be available. Inspection time for goods for Auction is 10 a.m. Rain date is Sunday, October 4th at 1 p.m.

## Police Remind Motorists

Nassau Police today reminded motorists it is a violation of New York State Law to pass a stopped school bus from either direction.

Motorists approaching a school bus that is stopped to pick up or discharge children and displaying a red light must stop their vehicles and not pass any part of the bus.

Violators are subject to a \$50.00 fine or 15 days imprisonment or both.

"Carelessness in obeying this law," said Nassau Police Commissioner Francis B. Looney, "endangers the lives of our children. I urge all motorists to be alert to school buses."

# St. Margaret's In Plainview To Hold Country Auction

The Episcopal Church of St. Margaret will hold its second Country Auction on Saturday October 3rd. The auction will be held at the church grounds, 1000 Washington Avenue, Plainview. Preview of items to be auctioned will begin at 10 AM and the sale will begin at 11 AM. Many booths will display and sell white elephants, and creative art work from members of the parish. Childrens games will be on hand as well as plenty of refreshments.

Many people are responsible for this total parish effort. The Episcopal Church Women, under the direction of Mina Narucki has been the enabling organization and Mina's husband Ben has "enabled" her often! The group's corresponding secretary Mildred Keppler has communicated with many local firms, receiving wide support for the auction. The Couples Club under the leadership of Bob and Anne Jones and with the able help of Walt and Audrey Gehrt are organizing all food and refreshments for the day. The Youth Fellowship has designed several games for children and has catalogued many toys and games for the

return. The list of people helping the effort is endless and it would not be complete without mentioning the many people from Plainview who have made contributions to make the auction a reality. They too are participants in what is shaping up to be a big day. All proceeds of the auction will help reduce the outstanding debt on the buildings at St. Margaret's, which is still a mission of the Diocese of Long Island. The church is engaged in an effort to become self-supporting and thereby a more responsible and participating member of the community. The rain date for the auction is October 4th at 1 PM.

Last years remembered auctioneer, Bob Maass, will

## Mother's Aux. Hold Meeting

The Mothers Auxiliary of St. Ignatius Loyola will have their first meeting of the school year on Monday, September 28th at 8:15 p.m. in the School Hall.

Mothers of all children attending St. Ignatius School are invited to attend and join the Auxiliary. It will be an opportunity to renew old friendships

and to make new ones by welcoming the mothers of students who have just begun to attend St. Ignatius.

Chief item on the Agenda is to meet and hear Sister Roseann McHale, Principal of St. Ignatius. Coffee and cake will be served at the conclusion of the meeting.

Mrs. Clare Deucher, advisor to the Mid Island Council of Girl Scouts, and Senior Scout Pam Romel of Wantagh chat with Assemblyman Martin Ginsberg

(R-Plainview) prior to his address before a conference of Senior Girl Scouts held at the State University of New York at Farmingdale.

## Phoencia Minister To Address Hicksville Church

The Reverend Bonnie L. Jones, Minister of the United Methodist Church of Phoencia, New York will address the Annual Fall Meeting of the Long Island

District Women's Society of Christian Service of the United Methodist Church, Hicksville, N.Y. on Tuesday, September 29, at 8 p.m.

The Reverend Bonnie Jones will be speaking on the timely topic: "The Role of Women in the Church Today". A stimulating question and answer period will be held after her thought provoking address.

Mr. Richard D. Dean, organist and choirmaster of the Hicksville United Methodist Church will provide the music for this Fall meeting. Mr. Chester L. Alwes will be the vocal soloist.

Mrs. Leo Forman, President of the Hicksville United Methodist Church Women's Society of Christian Service will extend words of greetings to the women representing the seventy United Methodist Churches on Long Island.

A social hour will follow the district meeting.

8:55PM - Malicious false alarm - Oak St & Chestnut St.

This past week had firemen busy with a total of 12 alarms reported. 3 of the alarms got the volunteers out in the early morning hours. Four alarms received were false alarms. Quite a few malicious false alarms have been turned in from the section of Cliff Dr. and Cedar St between Woodbury Rd and Plainview Rd. Police and firemen are cruising the area at different times in an effort to apprehend the person or persons responsible. The few minutes of excitement they derive from these acts are not worth the fine and jail term.

On Saturday firemen had a change of pace when they received an alarm for a REAL FIRE at the Schildknecht Lumber Yard on South Broadway. The general alarm fire, the second here in five months, started in a huge saw dust hopper in the main building. Quick response enabled the volunteers to confine the fire to the hopper. A fire in sawdust is extremely dangerous due to fact that under certain conditions the fire can cause an explosion.

The Hicksville Fire Departments new rescue truck is expected to be delivered late this month or early October. Voters recently approved funds for the extension of the Main Headquarters to house the new rescue truck and also to modernize the present dispatchers office. As reported in last weeks Hed, the third rail through Hicksville along the L.I.R.R. tracks is energized. We ask our residents to caution their children to stay clear of the tracks and we ask the commuters to cease taking short cuts across the tracks. 650 volts of high voltage electricity is being transmitted through this rail.

A group of Hicksville firemen attended the Westchester County Firemen's Annual Parade and Convention Saturday Sept. 19. Led by Ex-chief Otenloch The new captured 2nd place as best appearing unit. Engine No. 11, Hicksville newest piece of apparatus also appeared in the parade. A group of new friends were made by this trip to Westchester County. Many of the Departments expressed a desire to enter next Labor Day Parade. This parade was held in Ossining, N.Y. 60 miles from Hicksville.

SAFETY NOTE: With cold weather approaching be sure to have your oil burner or gas heater checked. After a long period of little use, a malfunction can cause a fire.

## Resurface Streets In Hicksville

Councilman Doolittle announced that the Town Board has approved low-bids for the bituminous surfacing of certain streets in Hicksville.

The recommendations to award the contracts to the lowest qualified bidder was Lizza and Sons, Inc. of Oyster Bay.

Doolittle said that these particular Department of Public Works projects in Hicksville will cover Broadway Place, Mineola, Somerset, Marvin and Gerald Avenues and Ferny, Powers and Bellmore Streets, Dante and Alexander Avenues, and Milano.

Roma and Palermo Streets.  
An October completion date is anticipated for both projects.

## FROM OUR POSTMASTER

### Pandering Advertisement Statute

Ralph G. Cascardo, Postmaster, Hicksville, in an attempt to curb the alarming increase in the amount of sexually-offensive materials flooding the mails, reminds customers they can take steps to curb the flow of offensive advertising into their homes under the provisions of the Pandering Advertisement Statute.

Under the law, each addressee has the sole right to decide for himself whether an Ad is offensive. If a person receives an advertisement which is, in his opinion, "erotically arousing or sexually provocative," he should

send the ad, its envelope and a proper notice to the Postmaster with the words, "Request for Prohibitory Order," on the face of the envelope. (The Postal Service does not decide if material is offensive. We merely determine if matter is an advertisement.)

Pamphlets (POD No123) and or P.O. Department Forms 2150 which can be used by patrons in submitting their complaints are available at the Hicksville, Plainview and Old Bethpage post offices, advised Mr. Cascardo. The notices also may include the names of children under 19 years of age residing at the same ad-

dress. Mr. Cascardo further stated that customers receiving the objectionable material, must note the date received on the envelope with their signature, if no date appears thereon.

### School Supt.'s Report

#### OPENING OF SCHOOL

An orientation program was held for 50 new teachers of C.S.D. No. 2 on Thursday and Friday, September 3rd, and 4th. The new teachers had an opportunity to hear presentations from the members of the Central Administrative Staff and the Superintendent regarding the organization of the school district and of their teaching responsibilities as members of the professional staff. A luncheon was held on Thursday, at which time Mrs. Alice Willett, Mrs. Gertrude Kaplan, Mrs. Elisabeth Babcock, and Mr. Sidney Schachter, members of the Board of Education, welcomed the new teachers to the school district.

On Friday, September 4th, each building principal met with the teachers new to his building and spent the day helping them prepare for the opening of school. On Tuesday, September 8th, a system-wide, general faculty meeting was held at Syosset High School for all members of the professional staff. Mr. Simeon A. Wittenberg, President of the Board of Education, addressed the faculty, as did Dr. Edward J. Murphy, Superintendent of Schools. Following the general faculty meeting, the members of each school's faculty met with the principal in their own school. Preparations for the opening of school were carried out.

Wednesday, September 9th school opened and we welcomed back more than 9,300 youngsters to a new school year.

**HOME INSTRUCTION MANUAL:**  
A manual for teachers of handicapped children who are unable to attend school and who receive their daily instruction in the home has been developed. The purpose of this manual is to coordinate the efforts of all personnel involved in the home instruction process so that the youngster's educational program can proceed as smoothly as possible.

**BUILDING SECURITY—SYOSSET AUXILIARY POLICE:**  
Arrangements are being made through the Nassau County P-

olice Department's auxiliary police units to patrol all of the school grounds in order to reduce vandalism. The auxiliary police will be utilized during the hours of high occurrence in the evenings and on weekends. Meetings have been scheduled with Mr. Allen Kaplan to arrange for the specific patrols that will be utilized throughout the District. The purpose of the auxiliary police, which works out of the Second Precinct in Woodbury, will be to work closely with the schools and the police in preventing acts of vandalism on the school sites and to report all incidents to the Second Precinct.

The administration wishes to thank Mr. Kaplan and his men, who are all Syosset residents, for offering this fine community service.

#### CAFETERIA:

On September 8th, the school district was advised that the Federal subsidy on the school milk program had not been renewed for the 1970-71 year. On September 9th, the administration called Albany and was informed that an emergency allocation had been made through October 15th. If the subsidy is not renewed it will be necessary to increase the price of milk from four cents to eight cents after October 15th.

#### TRANSPORTATION:

There were some problems on opening day with transportation due to changes in bus routes and bus stops. The majority of these problems either have been resolved, or will be resolved in the next few days. Overcrowding on buses has been reduced to a minimum due to scheduling of all students, attending both District and out-of-District schools.

The major outstanding problem is in the area of double runs required at the junior high schools and at the elementary schools where the students and parents may not be accustomed to the later take home time in the day. Changes will be made where feasible in order to limit the additional time on double runs to a wait of 15 minutes.

## Meeting of Syosset

### Board of Ed Set For Robbins Lane School

East Birchwood residents, who reside in the Syosset School District, will have an opportunity to attend a School Board meeting in their community. The next regular meeting of the Board will be held at the Robbins Lane Elementary School on Monday, October 19th, at 8:30 P.M., in the gymnasium.

Board meetings are usually held in South Woods Junior High School. This is about as far as you could travel from East Birchwood and still remain in the Syosset School District.

The departure from this practice for the October meeting represents an attempt by the Board of Education to extend communication within the community. Such a policy was recommended to the Board at a

meeting last year by Erwin Soroka, who was on the Syosset Education Committee of the Birchwood Civic Association.

According to Simeon A. Wittenberg, President of the Syosset Board of Education, "Board members hope that the public will take this opportunity to express their concerns about the education of their children. At the same time, the Board hopes to keep the public informed on the critical issues that face public education today."

#### Sisterhood Auction

Sisterhood of Temple Or-Elonim will hold an ART AUCTION on Sunday, September 27th at 1 p.m. at the Temple, Tobie Lane, Jericho, N.Y. Admission is free.

## Ten Pin Talk

by Henry Dockawell

Once again we have a tie for the lead. This time it's a 3-way tie whereas last week it was a 4-way tie. Only 2 of last week's 4 survived the battle and they were joined by a new pretender.

The Freddy Rothmans stayed on top when they passed an 8-3 defeat on the Lou Vladems. Here it was only the second week and it was almost like a position night, for these two teams were part of the 4-way tie. It was a see-saw battle as the Rothmans grabbed the first game. But then Lou Vladem threw his nightly crusher, a 2-3, and evened the score. Then the Rothmans came alive again. Cap. Fred rolled a 2-3, Horace Bernstein rapped a 2-3 and they took the rubber game.

The Sid Simons also remained in the tie when they trimmed the Irv Simes' 8-3, although it looked for awhile as though they were in trouble. Dick Chalkin, a newcomer to the league, initiated himself into the Club of the Magic Circle when he threw a 2-05 in the first game to capture that one for the Simes', but the Simons came right back to take the next two games.

The last place triumvirate was complete when the Sid Langs, who took 8 points last week, dlobbered the Hal Golebergs 11-0. Cap. Hal was right in there shooting for a win as he threw a 2-03 in the opener but the Lang's Bernie Lieberman nullified that with a strong 2-22. The Langs copped the second game too and Cap. Sid Lang threw the shutout clincher, a 2-13, in the final game to complete the sweep.

The only other team to claim a shutout was the Robby Goldsteins. Last week when Cap. Robby crashed that beautiful 6-40 series his men could only take 5 points. This time without any spectaculars they swamped the Murray Sussmans and rose 6 notches to 4th place.

Herb Brody was all smiles this Monday night at the close and he had a right to be. He had cracked a 2-02, a 1-00 and a 2-23 for a fine 6-05 series to lead his guys to a hard fought 6-5 win over the tough Leo Geyers. But neither team went anywhere. The Geyers remained in 6th place and the Brodys were still rattling around 15th. Red Karbel did his bit for the Geyers when he fired a 2-02 in the middle game to win it for them.

Closing out the list of the night's individual heroes are: Milt Hoffman 2-28, Ralph Diamond and Bernie Kaplan each with a 2-08, Lew Marks and Murray Kowlowitz with 2-06's and Milt Golberg with a 2-03.

## Pioneer Women Summer Bowling

An exciting summer of Mixed League Bowling by Pioneer Women was topped off by a fabulous Awards Dinner at the Ship's Inn in Seaford recently.

The first prize team trophy was won by the team of Sidney and Lillian Nisenbaum - Shelley and Lee Weisman who battled until the final night to gain possession of first place. Second place was captured by Ken and Judy Fein - David and Louise Mandel. Third place honors went to Alan and Irene Frank - Arnie and Sylvia Wisner.

Individual trophies were awarded for men's high average to Mac Klein with a 165 and women's high average to Dotty Miller with a 148. The men's high

## 5 Syosset Students Gain NMSQT Finals

Principal Dr. Walter M. Yannett has announced that five students at Syosset High School have been named Semifinalists in the 1970-71 National Scholarship Program.

The students are Lois E. Brex, Meryl P. Cohen, Paul J. blum, James M. Jagy and Robert M. Zabb.

The 14,750 Semifinalists appointed today are among the nation's most intellectually talented high school seniors. They will compete for some 3000 Merit Scholarships to be awarded in 1971.

The Semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMSQT), which was given last February to some 710,000 students in 17,000 schools nationwide. They constitute less than one per cent of the graduating secondary school seniors in the United States.

The Semifinalists show high promise for leadership in their adult careers according to Edward C. Smith, president of the National Merit Scholarship Corporation (NMSC). "They have already demonstrated both high intellectual capacity and a readiness to develop their abilities," he said.

"These students deserve credit and honor. They bring honor to their families, who deserve much credit, as do their teachers, and their communities. The future success of these young people will, however, depend upon their ability to become productive at the high intellectual levels that they are capable of attaining."

Semifinalists must advance to Finalist standing to be considered for the Merit Scholarships to be awarded next spring. Semifinalists become Finalists by receiving the endorsement of their schools, substantiating their high NMSQT performance on a second examination, and providing information about their achievements and interests.

About 96 per cent of the Semifinalists are expected to become Finalists, and each will be considered for one of the 1,000 National Merit \$1000 Scholarships which are allocated by state. Many will also be considered for the renewable four-year Merit Scholarships provided by some 500 corporations, foundations, colleges, unions, trusts, professional associations, other organizations, and individuals. Each Finalist will receive a Certificate of Merit in recognition of his outstanding performance in the program.

Winners of four-year Merit Scholarships may receive up to \$1,500 a year for four college years, depending on their individual need. Winners of the National Merit \$1000 Scholarships will receive their nonrenewable one-time awards upon enrollment as full-time students in accredited U.S. colleges or universities.

High school grades, accomplishments, leadership qualities, and extracurricular activities of the Finalists are evaluated, along with test scores, in selecting Merit Scholarship winners.

NMSC identifies the Semifinalists to all regionally accredited colleges and universities and to certain scholarship-granting agencies and other sources of financial aid. Studies in former years have shown that about half of the Semifinalists received financial aid from sources other than the Merit Program.

Names of the winners in the 1970-71 Merit Scholarship Program will be announced in the spring of 1971. Some 24,800 students have received Merit Scholarships in the fifteen annual programs to date. About \$74 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the Merit Program.

## BCA Makes New Oil Contract a Available

Present Birchwood Civic Association members who have not yet taken advantage of the oil contract negotiated last year with Erstein Oil & Utilities, Inc. may still do so in time for the

1970-71 heating season. Non-members can also sign up now and be paid-up members of B.C.A. free of charge for the entire year of 1971.

The expanded features of the new oil contract include the following:

- o Payment of B.C.A. dues of \$5.00 per year as long as the member continues with Erstein.
- o Free 5 year service contract providing broader coverage than ever before.
- o Optional extended boiler coverage at 1.3 of previous price only \$9.50 per year.
- o 1/2 cent per gallon discount on all oil purchased.
- o 2 per cent discount for payment within 10 days.
- o Free efficiency test of heating plant.

- o 24 hour, 7 day a week emergency service with radio-dispatched vehicles.

Present or new B.C.A. members can sign up by calling Bill Siegel, B.C.A. Oil Contract chairman at 433-2553 or Erstein Oil, GE 3-7151.

series trophy went to Lester Miller with a 585 and Lee Weisman in the women's series with a 487. Hal Parker and Gene Greenwald tied for honors in the high game division with 231. Judy Lyon took the women's high game trophy with 197.

A special award was given to the most improved man and woman bowlers of the season which went to the husband and wife team of Howie and Helen Rauch.

All who participated had a marvelous summer of bowling and are looking forward to next year's league.

There are still a few openings in the Ladies Monday Afternoon Bowling League for the winter season. Anyone interested in bowling with Pioneer Women, call 681-8155 to reserve your spot.

## If you're too old to have diaper rash...

### It must be something else.

It's jock itch. Jock itch is a fungus infection.

That's why it keeps coming back even though you've tried all sorts of remedies, including baby powders and salves. They may be okay for diaper rash. But not jock itch!

Now you can get relief with Crux®. A spray-on powder specifically made to fight jock itch.

Crux spray soothes itchy, inflamed skin. Cushions against further irritation. Crux absorbs sweat (one important factor in the

growth of Tinea cruris (fungi.) Its medication directly attacks susceptible fungi.

That's why using Crux before and after exercise can help stop jock itch before it starts.

Crux spray cools, gets into hard-to-get-at places. (And you don't make it sting or burn by rubbing, dabbing, smearing or spreading anything on.)

Crux spray is easy on you. It's strictly hands off. At your pharmacy. **CRUX®**

Crux. Guaranteed to work or your money back.

## Troop 381 Adventure Trail

Saturday, September 19th was the fourth annual Adventure trail of Troop 381.

Overnight camping for Friday Night the following Webelos and their fathers were the guests of John Henderson, Scoutmaster. From Pack 380, attending were Charles Grimmer, William Glucher and Mike Finamore Jr. From Pack 381, attending the overnighter were Brian Issing, Mark Reed, James Fallon and Kevin Drummond.

Even a rainy night could not dampen the spirits of these future Boy Scouts. From early reports the Cubs had an enjoyable evening and were anxiously looking forward to becoming Boy Scouts. For the Fathers, I cannot speak. I'm sure it must have brought back many memories for them.

The following day the remainder of the two Cub Packs followed the wonderful trail of Scouting. There were Six Stations, First Aid, Camping, Fire Building, Signaling, Knots, Wilderness Survival and the added attraction of Indian Cooking featuring Fried Bread, a Sioux Indian delicacy.
